## SHIRE OF BULLA.

## PROPOSED SEVERANCE FROM SHIRE OF BULLA AND ANNEXATION TO SHIRE OF MELTON

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Bulla described in the petition, and they desire that the area so described may be severed from the Shire of Bulla, and annexed to the East Riding of the Shire of Melton.

## AREA DESCRIBED IN PETITION.

Commencing on the east side of the Bendigo railway line in the north-west corner of part section fourteen, Parish of Holden, County of Bourke, proceeding easterly along a Government road to the Macedon River; thence along that river to the southern boundary of the Parish of Holden; westerly by the said boundary to the north-western highway; thence north-westerly by the said highway and the Bendigo railway to the commencing point.

The petitioners state that the reasons for the proposed severance are that they have a community of interests with the East Riding of the Shire of Melton, in which are situated the railway station, post office, school, Mechanics' Institute, chaff mill, weighbridge, and other business places with which their business is done.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to sever the area above described from the Shire of Bulla, and annex such area to the East Riding of the Shire of Melton.

Notices for the petitioners may be served on Robert Roulston, Digger's Rest.

## PROPOSED SEVERANCE OF AREA FROM THE SHIRE OF DIMBOOLA AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of ratepayers in the portion of the Shire of Dimboola described in their petition, and they desire that the area so described, being the South and West Ridings of the Shire, may be severed from the Shire of Dimboola, and constituted a new municipality under the name and title of the Shire of Lochiel.

The petitioners state that the reasons for the proposed severance are that the Shire of Dimboola is the sixth largest in the State of Victoria, and is too unwieldy to manage; that it is impossible for expert supervision to be properly carried out as the distance from northern to southern boundaries is approximately forty-eight miles; that owing to the existence of the three large towns in the Shire, the administration of the Health and Kindred Acts is rendered difficult, and owing to the existence of the Wimmera River, and the length of its course throughout the Shire, the necessary attention to bridges and culverts, especially in wet seasons, cannot be given from head-quarters so far distant; that the state of the roads renders winter travelling on the part of the Shire Engineer extremely difficult, and the interests of the ratepayers in the portion desired to be severed would be better served by having an expert within easy distance, also the saving in travelling time would be very considerable; that the head-quarters of the Shire of Dimboola are at Jeparit, but that the best interest of the township and district of Dimboola cannot be best served from such a centre of government, owing to the distance, Jeparit being approximately twenty-four miles from Dimboola; that a district such as that of Dimboola should be municipally controlled from its natural seat of government; and that the Shire of Dimboola is geographically suitable for subdivision, and advantages will accrue to each part from the localization of the municipal seats of government.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to sever the area above described, and constitute it a separate municipality under the name and title of the Shire of Lochiel, such municipality to be subdivided into three Ridings, to be named the West, North, and South Ridings.

Notices for the petitioners may be served on J. B. Henstridge, Dimboola.

## SHIRE OF WERRIBEE.

## PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the

said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are, for the time being, on the municipal roll of the Shire of Werribee, and they desire that the said Shire be re-subdivided by subdivision of the existing East Riding into two separate Ridings to be called the East and Altona Ridings.

The petitioners state that the reasons for the petition are that Altona is a seaside resort, and developing along suburban lines, whilst the remainder of the shire is rural, and is too far away from the administrative centre to get that sympathetic consideration which it desires unless there is local representation; and that the population of the Werribee Shire is 7,500, of which Altona contributes 2,000, yet has no local representation on the Council.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to re-subdivide the Shire in accordance with the request of the petitioners.

Notices for the petitioners may be served on T. Williams, Romawi-street, Altona.

## SHIRE OF YEA.

## PROPOSAL TO MAKE SHIRE AN UNSUBDIVIDED MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Yea, and they desire that the said Shire be made an unsubdivided municipality by abolition of the existing Ridings, and also that the number of Councillors be reduced from twelve to nine.

The petitioners state that the reasons for desiring an unsubdivided municipality are to increase the efficiency of the administration and reduce the cost thereof, and they believe that, if the petition were granted, the effectiveness of the Council would be increased by reason of the fact that its members would be responsible to the ratepayers of the Shire as a whole, instead of the present system whereby the Councillors are directly responsible only to the ratepayers of the riding which they represent.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to make the Shire an unsubdivided municipality by abolishing the existing Ridings, and will also provide for the reduction of the number of councillors from twelve to nine.

Notices for the petitioners may be served on Michael Coonan, Yea.

## TAILINGS LICENCES.

*Interpretation.*

55. "Tailings" means any sand, slim, slum, or other mine material produced by mining operations, or by the crushing or treatment of mine material.

"Municipality" means any municipality (unless expressly limited herein) without regard to whether the particular tailings are situated within its municipal district.

"Government Department" includes any Government body or corporation.

*Only Certain Tailings.*

56. These Regulations, so far as they relate to Tailings Licences, apply only to tailings which have or shall become the property of the Crown pursuant to the provisions of section 115 or section 116 of the *Mines Act*.

*Purpose.*

57. A licence may be granted by the Governor in Council—

- (a) to remove tailings other than for treatment purposes; or

- Clauses 1,
- 2 (so far as applicable),
- 34,
- 37 (a) (c)

of these Regulations shall extend and apply to applications for licences to remove tailings or to licences granted thereon.

59. (1) Where any municipality desires to take and remove any tailings, it shall make application, in writing, to the Minister for a licence. No fee shall be payable on any such application.

(2) Any licence granted to a municipality shall be subject as hereinafter provided to the rights of any Government Department which may require any of the tailings, and to the conditions in such licence.

(3) Any municipality granted a licence shall, save as hereinafter provided with respect of Government works, be entitled thereunder to remove such quantity of tailings as in the opinion of the Minister will meet its reasonable prospective requirements over a period of three years, provided that where any Government Department requires any of the tailings, it shall, upon the issue of a licence to it, and notwithstanding any licence granted to a municipality, have equal right with the said municipality to take and remove such tailings as may be required for the execution of the works undertaken by it.

(4) Notwithstanding the licence granted to any municipality, licences may be granted to other municipalities in respect of tailings if the Minister deems there is a sufficient quantity available for the purpose.

(5) In respect of—

- (a) tailings which in the opinion of the Minister are not needed by any licensed municipality to meet its reasonable prospective requirements as aforesaid; or

No. 51.—4182.—2

the right to remove the same, or any part thereof, shall be regulated as hereinafter provided.

(6) Where a municipality within whose municipal district the particular tailings are situated has been granted a licence as aforesaid, it may sell at a price, to be determined by the Minister, but not exceeding One shilling per cubic yard, to any person or to any corporation (not Government or municipal) such quantity of tailings as it may deem fit. The proceeds of any such sale, less any reasonable expenses incurred by such municipality, shall be forthwith remitted to the secretary for payment into the Consolidated Revenue. In connexion with such sale, only such expenses as the Minister deems reasonable shall be allowed.

(7) Where no licence has been applied for by, or granted to, any municipality or Government Department in respect of any tailings, any person may make application, in writing, to the Minister for a licence therefor. Such application shall be accompanied by a fee of One pound; but, should a licence be refused, the fee shall be refunded to the applicant.

(8) Notwithstanding the granting of a licence under the next preceding sub-clause, the Minister may, upon receipt of an application from any municipality or Government Department for the same tailings, recommend the Governor in Council to grant such municipality or Government Department a licence in respect thereof, but such licence shall be subject to the rights of the holders of licences (if any) already granted.

(9) Any Government Department requiring tailings for use in connexion with the execution of its works shall, before removing such tailings, make application to the Minister for a licence in respect thereof. Such licence may be granted notwithstanding the prior issue of any other licence under these Regulations, but shall in respect of licences (if any) already granted under sub-clause 7, but not otherwise, be subject thereto.

(10) Royalties payable upon tailings removed shall be as follows:—

- (a) By a municipality or Government Department—Three pence per cubic yard.
- (b) By a person licensed under sub-clause 7—A sum not exceeding One shilling per cubic yard.

(11) Notwithstanding the granting of any licence to remove tailings, the Governor in Council may grant licences for the purpose of treating such tailings upon the land where they are situated.

## TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST MAY, 1928, TO 30TH SEPTEMBER, 1929,  
EXCEPT WHERE OTHERWISE STATED.

**Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.**

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Monday, 30th April, 1928.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Five shillings for licence are forwarded.

TENDERS will be received before Noon on Monday, 30th April, 1928, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

## CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1922* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

## SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified, will be for seventeen (17) months from 1st May, 1928, to 30th September, 1929.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

A By-law of the Shire of Mildura, made under section 197 of the *Local Government Act 1915*, and numbered 52, for prohibiting the grazing or wandering of cattle upon public streets and roads.

IN pursuance of the powers conferred by the *Local Government Act 1915*, the President, Councillors, and Ratepayers of the Shire of Mildura order as follows:—

1. If any cattle are found wandering or grazing or without any person having charge of them—

- (a) In or upon any street, road, bridge, or culvert, or
- (b) Upon any land (not being a common), which is not enclosed or fenced with some sufficient fence within the meaning of the *Fences Act 1915*, or any amendment thereof, and the openings (if any) in such fence are not secured or barred with gates or other fastenings of equivalent closeness and strength with the fence, the owner of such cattle, and any person having charge of the same, shall be guilty of an offence, and shall be liable to a penalty not exceeding One guinea (£1 ls.) for every head of such cattle, and the proper officer of the Council may seize such cattle and impound them, or place them at some neighbouring place of safe custody.

2. If the owner of such cattle be not known, any justice, upon proof of the issue of a summons in the usual form addressed to such owner as "owner" only, without otherwise naming or describing him, such cattle and the place of seizure being duly described therein, and of the publication of such summons in some newspaper commonly circulating in the neighbourhood, may, after the expiration of twenty-four hours from such publication, proceed with respect to such owner not appearing as if personal service of a summons stating his name had been effected, or if such owner appear, then as in other cases, and the justice may order the cattle to be sold and the money arising from the sale, after deducting the said penalty and the costs awarded, and the reasonable expenses to be estimated and assessed by the justice of seizing, keeping and selling the cattle, shall be paid if awarded within one month to the owner of the cattle, and if not so awarded, then to the Municipal Fund; and if the said money is not sufficient for all the purposes aforesaid, the amount whereby the same falls short, or if no such sale be ordered, the whole of the said amount may be recovered from the said owner if and when known in like manner as other penalties and sums adjusted or ordered to be paid by justices are to be recovered.

3. A clause identical with clause 43 of the Thirteenth Schedule, Part I.:-

If such cattle, by reason of having been so found at large, have been impounded by the Council, the amount of such penalty and costs, if adjudged respectively before the release or sale of such cattle, shall be added to the pound fees and charges payable in respect of such cattle, and the amount thereof, or such lesser amount (if any) as after the sale of the cattle may remain in the hands of the poundkeeper, shall be paid over by him accordingly; and if the proceeds of any sale of such cattle are not sufficient after paying the lawful fees and charges aforesaid to satisfy such penalty and costs, or if such penalty and costs have been adjudged after the release or sale of the cattle, the same, or so much thereof as remains unpaid, shall and may be recovered from the owner of the cattle in like manner as other penalties and costs adjudged by justices are by law to be recovered; and if in the case of any information under this section the owner be not known, then the provisions of the last preceding section, so far as necessary to give the adjudicating justice jurisdiction, shall apply.
