MIDWIVES BOARD.

IN accordance with the provisions of the Midwives Acts, the following Supplementary Lists, showing all additions, alterations, and removals made in the Register during 1928, are hereby published.

Section 14 (a) indicates that the midwife holds a certificate in midwifery from the Women's Hospital, Melbourne, or such other certificate as is approved by the Board.

Section 14 (b) indicates that the midwife has been in bona fide midwifery practice, in Australia or New Zealand, for at least two years prior to December, 1915.

Section 14 (bii) indicates that the midwife had been in bona fide midwifery practice, in some part of His Majesty's Dominions, for at least one year prior to December, 1915, and had passed such examinations as the Board requires.

Section 14 (c) indicates that the midwife had completed the prescribed course of training and passed the prescribed examination.

Section 15 indicates that the midwife was trained in some part of His Majesty's Dominions in which there is in force an Act for the registration of midwives under a public authority which admits to its Roll or Register midwives registered under this Act on reciprocal terms.

Section 15 (1) indicates that the midwife had produced evidence satisfactory to the Board that she had been trained and registered in some part of His Majesty's Dominion where the training and examination was, in the opinion of the Board, substantially equivalent to that prescribed under the Midwives Acts.

Section 3, Nurses Registration Act, indicates that in a locality where a hospital approved by the Midwives Board under the Midwives Acts for the training of midwives was not available, a woman, being a registered nurse, had, under the direction of a medical practitioner, attended in childbirth not less than 50 women and had, in the presence of a medical practitioner, personally conducted not less than twenty cases of childbirth and had passed the prescribed examination.
