WARRNAMBOOL HARBOUR BOARD.

REGULATION No. 2.

A REGULATION made under Part V., section 103. of the *Harbour Board Act 1927*, for the Regulation of Proceedings of the Board and its officers.

Standing Orders.

1. From and after the date of this Regulation coming into operation, the proceedings and business of the Warrnambool Harbour Board shall be conducted and regulated according to the following standing orders.

2. The usual place of meeting shall be at the offices of the Board for the time being, and the Board shall hold ordinary meetings for the transaction of business on such day and hour as the Board from time to time appoints.

3. The business of the Board and Committee meetings shall commence as soon after the time fixed as there shall be a sufficient number of members present to form a quorum. If, at any meeting of the Board, there is not present, within half-an-hour after the time appointed for such meeting, the number of members sufficient to form a quorum, those present or the major part of them, or if no members be present, the Secretary may adjourn such meeting to any time not further distant than seven (7) days from the date of such adjournment.

4. All meetings of the Board shall be summoned by the Secretary of the Board by a notice to each member sent by post, and addressed to his usual or last known place of abode, not less than four (4) days before the date of meeting.

5. Special Meetings of the Board may be called by the Secretary, by direction of the Chairman, or on the written request of any three of the members of the Board. But no such meetings shall be held unless four (4) days' notice thereof at the least shall be given by the Secretary as hereinbefore provided for ordinary meetings, except in the case of emergency, such emergency to be confirmed and recognized at the next regular meeting of the Board. At such special meetings no business shall be transacted except such as is notified in the notice convening the meeting.

6. The order of business of an Ordinary Meeting shall be as follows:—

- I. Reading and Confirmation of Minutes of the proceedings, at the preceding meeting.
- II. Reading of outward correspondence.
- III. Reading of letters received, and considering and ordering thereon.
- IV. Presentation of reports, and considering and ordering thereon.
- V. Accounts to be passed for payment.
- VI. Ordinary business not elsewhere included.
- VII. Orders of the day, including subjects continued from former meetings.
- VIII. Extraordinary business, and other motions of which previous notice has been given.

7. The reading of the minutes of the proceedings of any previous meeting shall not be made the occasion of any further discussion, except as to the accuracy of the minutes as a record of the proceedings of such previous meeting.

8. The orders of the day shall include all matters arising out of the proceedings of former meetings of the Board. Any member of the Board may, however, bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given to the Secretary, in writing, either at the previous meeting, or at least seven (7) days previous to the meeting at which the same is to be taken into consideration; and all such notices of motion shall be considered in the order in which they are given.

9. The members in speaking shall address the Chairman.

10. No notice in the notice-paper shall be proceeded with unless the member who has given such notice, or some one authorized by him, be present when the business is called in order; and in case he is not present, either himself or by proxy, the notice shall be struck out of the paper.

11. Any member making a motion or amendment shall put it in form, sign and deliver it to the Secretary, who shall add thereto the name of the seconder; and no motion or amendment so made shall be withdrawn without leave of the Board.

12. No motion or amendment shall be entertained or discussed unless it is seconded; any member may, however, require the enforcement of any standing order of the Board by simply noticing that it is disobeyed.

13. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise in his place and address the Chairman; no member when speaking shall be interrupted, unless called to order, in which

case the member calling to order shall be heard thereupon in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed, or any other subject entered upon.

14. Any member desirous of proposing either an original motion or amendment must state the nature of such motion or amendment before addressing the Board in support thereof.

15. If two or more members rise to speak at the same time, the Chairman shall decide which of them is entitled to pre-
audience.

16. No member shall speak twice on the same question, except by way of explanation or in reply upon any original motion or seconded amendment of which he may have been the mover, unless by consent of the Board, the mover of the original motion in that case speaking last, and after his reply the amendment or original motion, as the case may be, shall be immediately put to the vote.

17. The Chairman or other presiding member shall, without waiting for the interposition of the Board, call to order any member proceeding to speak a second time, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

18. Any member moving or seconding any motion or amendment shall be held to have spoken on that question.

19. The Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case without argument or comment, and his decision as to what is order or explanation shall be final in each case.

20. No member shall digress from the subject-matter of the question under discussion, or impute improper motives to others; and all personal reflections upon any member shall be considered as highly disorderly.

21. Any member who shall use any expression capable of being applied offensively to any member shall, if required by the Chairman, withdraw such expression, and make a satisfactory apology to the Board, under a penalty, in case he refuse or neglect to do so before the rising of the Board, not less than One nor more than Ten pounds.

A member called to order by the Chairman shall sit down, unless permitted to explain.

22. Any member may require the Secretary to take down any particular words used by a member immediately on the same being spoken.

23. At all meetings of the Board, all members present shall vote, and if there is an equal division of votes upon any question, except the election of Chairman and the suspension of Standing Orders, the Chairman of such meeting shall, in addition to his own vote as a member, have a second or casting vote. The Chairman shall, in taking the vote on any motion or amendment, put the question first in the affirmative, and then in the negative; and he may do so as often as is necessary to enable him to form and declare his opinion from the show of hands, as to which party has the majority, and the result thereof shall be recorded in the minutes.

24. The Board shall vote by show of hands, except in cases of elections, when the vote shall be by ballot. Any member of the Board may call for a division on any question, in which case the members voting in the affirmative shall stand up, and those in the negative shall retain their seats until the vote is recorded.

25. One amendment only shall be discussed at one time, but if lost, another may be moved before the original question is put to the vote.

26. Upon the adoption of any amendment by the Board, such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted upon as an original motion.

27. No resolution at any meeting of the Board shall be revoked or altered at any subsequent meeting unless the intention to propose such alteration is given to each member of the Board seven (7) days at least before the holding of the meeting, and unless such revocation or alteration is carried by a majority of the whole number of members of the Board.

28. No discussion shall be allowed on any motion for adjournment of the Board, but if, on the question being put, the motion be negatived, the subject then under consideration or the next on the notice-paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained, but if the motion for adjournment be carried, the business then undiposed of shall have precedence at the next meeting of the Board.

29. Any member of the Board may enter his protest against any resolution of the Board. Notice of intention to protest, however, must in every case be given on the adoption of the resolution to be protested against; and the protest signed by the member or members protesting, and specifying the reason for the protesting, must be entered by the Secretary before the next regular meeting of the Board, in the minute book in the usual way.

30. The Standing Orders of the Board shall be observed in all Committees of the whole Board, except the rule limiting the number of times of speaking; and on the discussion of any motion of the Board, if it shall deem expedient, may resolve itself into committee for the purpose of better discussing the subject-matter or such motion.

31. Any member may of right require the production of any document of the Board relating to the question or matter under discussion.

32. At all elections for offices at the disposal of the Board, the voting shall take place by ballot.

33. The common seal of the Board shall be deposited in a secure place in the Harbour Board Office, and, on a resolution of the Board, shall be attached by the Chairman to any deed or document, in the presence of the Secretary, who, with the Chairman, shall sign the deed or document so sealed, and the same shall be recorded in the minutes.

34. Any one or more of the Standing Orders of the Board may be suspended, *pro tempore*, in case of emergency, provided that six (6) members at least be present, and that not less than five (5) are in favour of such suspension.

The foregoing Standing Orders were adopted at a full meeting of the Board held on the 5th day of March, 1929.

The alteration to clause 34 was agreed to at a full meeting of the Board held on 26th March, 1929.

Given under our hand and seal this 20th day of March, 1929.

Local Government Act 1915.
SHIRE OF MOORABBIN.
PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Moorabbin, and they desire that the said shire be re-subdivided by subdivision of the existing North Riding into two separate ridings, to be called the North and Centre Ridings.

The petitioners state that the reasons for the petition are :— That the present valuations of property assessable in the various ridings are as follow :—North Riding, £170,820; Moorabbin Riding, £53,493; Cheltenham Riding, £3,803; and that the North Riding, with a valuation of 61 per cent. of the total of the municipality, is represented on the Council by three Councillors out of a total of nine.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to re-subdivide the Shire of Moorabbin in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. A. C. Smith, Shire Secretary, Moorabbin.

Local Government Act.

SHIRE OF BRAYBROOK.

PROPOSED SEVERANCE FROM SHIRE OF BRAYBROOK AND
ANNEXATION TO CITY OF FOOTSCRAY.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Braybrook described in the petition, and they desire that the area so described may be severed from the Shire of Braybrook and annexed to the City of Footscray.

Area Described in the Petition.

All that part of the Shire of Braybrook bounded on the north by a line commencing at the centre of Mitchell-street at its intersection with the centre of Rosamond-road and running west along the centre of Mitchell-street to the centre of Ashley-street; thence on the west by a line running south along the centre of Ashley-street to a point opposite the centre of Suffolk-street; thence on the south by a line running east along the centre of Suffolk-street to the centre of Church-street; thence by a line running north-easterly along the centre of Church-street to a point opposite the centre of North-road; thence by a line running east along the centre of North-road to the centre of Summerhill-road; and thence on the east by a line running north along the centre of Summerhill-road and Rosamond-road to the point of commencement.

The petitioners state that the reasons for the proposed severance are as follows :—

That—

- (a) By reason of its geographical position the said area is more closely connected with Footscray than with Braybrook.
- (b) All gas, electricity, and telephone services are supplied to the area through Footscray.
- (c) All postal facilities are controlled from the Footscray Post Office.
- (d) The shopping centre for residents of the area is Footscray.
- (e) The Footscray tram service provides the most convenient means of transit from the area.
- (f) All water services in the area have been secured through the efforts of the representative of the Footscray City Council on the Melbourne and Metropolitan Board of Works.
- (g) The Shire of Braybrook is a rural shire, whilst the area in question is suburban in character.
- (h) The Council of the Shire of Braybrook has entirely failed to appreciate the requirements of the rate-payers in the area.
- (i) During the past thirty years the Braybrook Council has caused the construction of only about one mile of streets in the area, although many miles of streets have been urgently required to be made.
- (j) The area is only four and one-half miles from the General Post Office, Melbourne, and is the most backward residential area within a radius of ten miles from such General Post Office. The rate-payers in the area believe that this want of progress is due entirely to the neglect of the area by the Braybrook Shire Council. The area is capable of improvement and development, but under present conditions it is almost impossible to induce investors to consider securities in the locality, and owners are thereby hampered in their efforts to improve their properties. The standard of comfort and convenience is therefore lower than residents are entitled to expect, and values are depreciated. The rate-payers believe that they would benefit greatly if the area were annexed to the Municipality of Footscray.
- (k) To reach the Sunshine Township it is necessary for residents of Maidstone to take tram to Footscray (1½ miles), then train to Sunshine (3 miles). The only alternative being 3 miles walk of open country along the main Ballarat-road. No footpaths. Accidents have occurred through people walking on this road. There is a heavy motor traffic, and in wet weather the side tracks are impassable.
- (l) Residents requiring medical aid seek same from Footscray. Owing to the through roads not being connected such services are frequently delayed.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to sever the area above described from the Shire of Braybrook and annex such area to the City of Footscray.

Notices for the petitioners may be served on Mr. William Oxley, Ballarat-road, Maidstone.

Security.—Ten per cent. on total amount of tender accepted, except where otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

If the tenderer is in a position to supply a suitable substitute of Commonwealth production or manufacture in place of the sample at the Tender Board Office he may tender for such substitute under column A in the schedule, but he must submit with his tender a sample of the article offered.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

(a) to tenders for articles manufactured within the Commonwealth;

(b) to tenders for articles manufactured within any other part of the British Empire.

In all cases the country of origin of the articles offered must be stated, and the total cost of each item extended in the columns provided.

Tenders must be accompanied by the preliminary deposit, as shown above, in a bank draft or bank cheque, in favour of the Secretary to the Tender Board. Cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within ten days of acceptance of tenders to unsuccessful tenderers on their application.

The amount of the deposit required with each tender must be enclosed and the amount must be carefully written in and the designation stated, whether bank draft or bank cheque, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board) Victorian or Commonwealth Government debentures, Savings Bank deposit book, or bank deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for—" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

Conditions of Contract are those published under General Stores in the Victoria Government Gazette of 13th February, 1929, pages 848 and 849.

TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST MAY, 1929, TO 30TH SEPTEMBER, 1930,
EXCEPT WHERE OTHERWISE STATED.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Saturday, 27th April, 1929.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Five shillings for licence are forwarded.

TENDERS will be received before Noon on Saturday, 27th April, 1929, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payments in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.
2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.
3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.
4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.
5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.
7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.
8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.
9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.
10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.
11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.
12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.
14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.
15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1922* in like manner as holders of freehold lands.
16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified will be for seventeen (17) months from 1st May, 1929, to 30th September, 1930.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damage arising from trespass by such cattle, sheep, or other animals.
