GEELONG WATERWORKS AND SEWERAGE TRUST.
AMENDMENT OF REGULATIONS RELATING TO THE ISSUE OF
INSCRIBED STOCK.

REGULATION 3, Form 3.—Information on back of Form 3 relating to interest, is hereby repealed and the following substituted therefor:—

Interest is due on the first day of January and the first day of July in every year during the currency of the stock for the half-year ended with the day previous to those dates respectively, and is payable on and after those days (holidays excepted).

Interest will be paid in one of the following modes:—

1. To the stock-holder or one of the stock-holders in a joint account personally, or to his or their attorney at the office, by cheque on the bank, and a receipt therefor must be given in Form 10 contained in the schedule.
2. By transmission of interest cheques by post or by payment into any account in a bank at the risk of the stock-holder, under the following conditions:—
 - (a) Any stock-holder or his attorney, who desires to have his interest cheques as they become due sent to any address by post or paid to the credit of any account in a bank, must fill up and sign an authority in the Form 11 or 12 contained in the schedule. Such authority must be signed by all stock-holders in a joint account.
 - (b) Post interest cheques will be crossed "bank," and will only be payable through a banker. Except when paid to the credit of the account of a stock-holder at a bank interest cheques will be drawn to the order of the stock-holder and must be endorsed.
 - (c) Application for the transmission of cheques or payment into a bank must be lodged at the office one calendar month before the interest is due, and the instructions therein will remain in force although the stock may have been added to or partly transferred.
 - (d) Stock-holders whose cheques are sent by post or paid into a bank must give notice to the secretary if they are not received or credited on the due dates.

Regulation 13, Form 5, is hereby repealed and the following substituted therefor:—

"13. Transfer Books, Form 5.—There shall be kept at the office of the Trust books to be called "Transfer Books," wherein all transfers of stock, or any part thereof, shall be entered and registered, which entries shall be numbered in regular arithmetical progression, beginning at the commencement of each year with a unit, and all transfers shall be in the Form 5 contained in the schedule.

Transfer of stock may be made from one person to another. The transfer and acceptance shall be in the Form 5 contained in the schedule hereto, and shall be fully signed, and in the case of a corporation properly sealed, by both the transferor and the transferee, each of whom shall be notified in the Form 14 or 15 contained in the schedule hereto of the completion of the transaction.

In case of a joint account, it shall be sufficient if the first inscribed owner is so notified.

The secretary shall take such steps as are necessary to immediately secure, either by post or personally, specimen signatures of all stock-owners.

As far as practicable the signing of transfers by owners of stock shall take place in the presence of the secretary or accountant, or other officer of the Trust duly authorized for that purpose, otherwise the secretary must be satisfied as to the genuineness of signatures before allowing registration to be made. The genuineness of signatures may be tested by comparison with signatures on application or other forms. Specimen signatures obtained by post must be witnessed by a credible person, and their genuineness tested as provided in this Regulation.

Every such transfer shall pass the right to all interest becoming due and payable after the date of the registration thereof, so that the Trust shall not be under any necessity to apportion any such interest as between transferor and transferee.

If in cases where the owner is not personally known to the secretary, or where the secretary is doubtful as to the genuineness of a signature, or if for any other reason he is not satisfied as to the genuineness of an application or signature, a notice of dealing, in the form contained in the Sixteenth Schedule, should be forwarded to the owner by the secretary, who shall not register the transaction until he is satisfied that the matter is in order."

Form 6, contained in Regulation No. 14, is hereby repealed.

Form 8.—Information on back of Form 8 relating to interest is hereby repealed and the following substituted therefor:—

Interest is due on the first day of January and the first day of July in every year during the currency of the stock for the half-year ended with the day previous to those dates respectively, and is payable on and after those days (holidays excepted).

 - (d) Stock-holders whose cheques are sent by post or paid into a bank must give notice to the secretary if they are not received or credited on the due dates.

By transmission of interest cheques by post or by payment into any account in a bank at the risk of the stock-holder, under the following conditions:—

- (a) Any stock-holder or his attorney, who desires to have his interest cheques as they become due sent to any address by post or paid to the credit of any account in a bank, must fill up and sign an authority in the Form 11 or 12 contained in the schedule. ELECTORAL (UNENROLLED ELECTORS)
REGULATIONS 1929.

PRESENT:

His Excellency the Governor of Victoria.

Dr. Argyle	Mr. Chandler
Mr. Cohen	Mr. Saltau
Mr. Pennington	Mr. Cuthbertson.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State and in exercise of the powers conferred by the *Electoral Act 1923 (No. 3331)* and of all other powers him thereunto enabling, doth hereby make the following Regulations, that is to say:—

1. These Regulations may be cited as the *Electoral (Un-enrolled Electors) Regulations 1929*, and shall apply only to voting pursuant to section 53 of the *Electoral Act 1923 (No. 3331)*.

2. In these Regulations—

“Act” means the *Electoral Act 1923 (No. 3331)*.

“District” means electoral district;

“Subdivision” means subdivision of an electoral district;

“Elector” means a person claiming to vote or voting pursuant to section 53 of the Act; and

“Registrar” means Electoral Registrar appointed pursuant to the Act.

Any reference to a form shall be a reference to the forms in the schedule hereto; and any duty prescribed for a Deputy Returning Officer for any district may be performed by the Returning Officer for that district.

3. The declaration of an elector shall be printed on an envelope and shall be in accordance with Form 94.

4. The ballot-paper to be used by an elector shall be in accordance with Form 96 or to the like effect, and shall be marked, folded, and returned in strict accordance with the directions printed at the foot thereof. The names of the candidates and the name of the district may be either printed or written on such ballot-paper.

5. Before an elector makes a declaration the Deputy Returning Officer shall put to him the following questions:—

(i) Have you already voted in any electoral district to-day?

(In the case of an adjourned poll, the day from which the poll was adjourned should also be named.)

(ii) Have you received a postal ballot-paper enabling you to vote at any election for the Legislative Assembly to-day?

And the said Deputy may, if he thinks fit, and, if required by any scrutineer or by any two persons entitled to vote at the polling place at which he presides, shall put to any elector the following questions:—

(iii) (Where the elector claims to vote on the grounds of a residential qualification)—

Do you now reside in the electoral district of (the district for which the person claims to vote)?;

(iv) (Where the answer to the question numbered (iii) is in the negative)—

Did you reside in the electoral district of (the district aforesaid) at any time within the last three months?; and

(v) Are you a natural-born or naturalized subject of His Majesty?

6. Every elector to whom any of the prescribed questions are put who refuses or omits to answer such questions or in answering them does not show his right to vote shall be and be deemed to be prohibited from voting then or afterwards at such election.

7. Before issuing a ballot-paper to any elector the Deputy Returning Officer shall—

(a) on the front thereof initial the ballot-paper in the space provided for the purpose and (if not already printed thereon) write the name of the district for which the elector declares he is entitled to vote and the surnames and christian (or other) names of all the candidates for the said district, and if the surnames and christian (or other) names of two or more candidates are the same, shall distinguish them by the addition of their residences and occupations; and

(b) on the back thereof insert the name of the polling place where the vote is polled and the number corresponding with the progressive number recorded by the Deputy in accordance with regulation 9.

8. If any elector satisfies the Deputy Returning Officer that he is blind or that his sight is so impaired, or that he is so physically incapable that he is unable to vote without assistance, or that he is unable to read or write, the Deputy Returning Officer, at the request of such elector, and for him, and in the presence of a witness if so desired by such elector, shall—

(a) fill in the form of declaration with the required particulars relating to the enrolment of the elector, as requested by such elector;

(b) read over to the elector the form of declaration;

(c) require the elector to sign the form of declaration—

(i) in his own handwriting if he is able to do so; or

(ii) with his mark as his personal signature if he is unable to sign his name in his own handwriting;

(d) cause the signature of the elector, if made by means of a mark, to be witnessed;

(e) complete and attest the declaration;

(f) mark and fold the ballot-paper for the elector;

(g) enclose the ballot-paper in the envelope bearing the elector's declaration; and

(h) securely fasten the envelope and deposit it in the ballot-box.

9. Every Deputy Returning Officer shall make a record of the full name of every elector who votes at his polling place, together with the name of the district and subdivision for which the elector claims to vote and the name of the polling place at which the vote is polled, as indicated on the form of declaration, and shall number each entry consecutively, commencing with the number 1, and at the close of the poll shall sign and forward the record to the Returning Officer.

10. The Deputy Returning Officer, who is authorized under the provisions of The Constitution Act Amendment Acts to open the ballot-box, shall forthwith—

(i) without opening any envelopes containing votes of electors transmit such envelopes to the Registrars for the respective subdivisions for which the electors claim that they are entitled to vote; and

(ii) furnish a report to the Returning Officer by telegraph, or by such other expeditious means as may be available, stating the total number of envelopes forwarded to such Registrars.

11. The Returning Officer for every district shall, before polling day, notify every Deputy of the name and address of the Registrar to whom declaration envelopes containing ballot-papers of electors shall be transmitted pursuant to regulation 10 (i).

12. The Registrar, on receipt of any envelope containing a ballot-paper of any elector, shall, without opening the envelope, or allowing any other person to do so, examine the declaration of the elector and, after making such inquiry as may be necessary, return the envelope, unopened, to the Returning Officer and report to him, in the place provided for the purpose on the envelope, whether in the Registrar's opinion the voter is or is not a person to whom paragraph (a) or (b) of sub-section (i) of section 53 of the Act applies.

13. Every Returning Officer shall preserve in his custody—

(a) a book in which he shall keep a record from time to time of the number of envelopes bearing declarations received by him from Electoral Registrars; and

(b) a locked and sealed ballot-box marked “Section 53 Voters”, into which he shall forthwith place all such envelopes.

14. Upon the receipt from Registrars of all envelopes containing votes of electors the Returning Officer shall, in the presence of the scrutineers and poll clerk (if any), but of no other person, deal with the said envelopes and ballot-papers as follows:—

(a) Open the ballot-box and produce all envelopes contained therein;

(b) place in one parcel the unopened envelopes bearing the duly-signed and attested declarations of persons who, according to the Registrars' reports, are persons to whom paragraph (a) or (b) of sub-section (i) of section 53 of the Act applies, and accept for further scrutiny the ballot-papers contained therein;

(c) place in another parcel the unopened envelopes bearing the declarations of those persons who, according to the Registrars' reports, are not persons to whom either of the paragraphs of the said section applies, fasten and seal the parcel, endorse thereon the words “Section 53 voters' ballot-papers rejected at the preliminary scrutiny”, and add the name of his district, his signature, and the date:

Provided that a ballot-paper shall not be rejected at the preliminary scrutiny by reason only of the fact that—

- (i) the Deputy Returning Officer has omitted to attest the declaration if, before the declaration of the poll, the Deputy certifies that the omission was due to inadvertence and that the declaration was as a matter of fact duly signed in such Deputy's presence, or
(b) there is an omission or an incorrect or insufficient description or a misdescription in respect of any of the particulars required by law to be contained therein if the Returning Officer is satisfied that the elector is entitled to vote;

TENDERS will be received before Noon on Wednesday, 30th January, 1929, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the Land Act 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 121st section of the Land Act 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1922* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified, will be for eight (8) months from 1st February, 1929, to 30th September, 1929.

2. The fee for the full period—for which the licence will be issued, and the fee for licences—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the *Secretary for Lands* (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damage arising from trespass by such cattle, sheep, or other animals.
