## SHIRE OF BRIGHT.

## PROPOSED RE-SUBDIVISION.

**I**N pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Bright, and they desire that the said shire be re-subdivided by the severance of certain area from the West Riding, and its annexation to the South Riding.

The petitioners state that the reasons for the petition are:—

That the ratepayers referred to are separated from the South Riding at present only by a range of hills.

That the ratepayers concerned have absolutely no community interest with the West Riding, as they are situated on its extreme boundary.

That the ratepayers in the area referred to are called upon to bear extra taxation for works carried out many miles distant from them, and which are of no use or benefit to them whatever.

That their geographical position entitles them to the annexation asked for.

The petitioners, therefore, humbly pray that His Excellency the Governor in Council may be pleased to re-subdivide the Shire of Bright in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. John Wallace, Porepunkah.

Every such fireman who, prior to the date so fixed, states that he intends to become a subscriber to the fund, shall thenceforward, so long as he continues in the service of the Board, be a subscriber to the fund, and shall be bound in all respects by these Regulations.

*Exclusion of Certain Firemen from Fund.*

(b) Any such fireman who, prior to the date fixed as aforesaid, states that he does not intend to become a subscriber to the fund, or fails to state that he intends to become a subscriber, shall not, except with the specific consent of the Board, at any time thereafter be admitted as a subscriber to the fund.

*Allocation of Profits from Investments.*

11. All revenue derived from the investment of money constituting the fund, less any expenses incurred, shall, at the end of each financial year, be credited to the said respective accounts in the proportion that the amount standing to the credit of each subscriber bears to the total at credit of all the subscribers at the close of the previous financial year.

14. The Board shall decide upon all claims upon the fund.

*Payments from Fund on Retirement, Dismissal, or Death.*

15. Subject to the exceptions hereinafter provided, and to any advances or loans made by the Board from the fund to him by way of investment under Regulation 10 hereof, a subscriber, upon his retirement, or his legal personal representative upon his death, shall receive the total amount standing at credit to his account as aforesaid at the date of his retirement or decease, provided that—

(a) If a subscriber, not totally incapable of performing his duties by reason of ill health or physical or mental incapacity, retires from the Board's service after having subscribed to the fund for a period of less than ten years, or retires for the purpose of engaging in other employment, he shall receive his own contributions only, with interest at 4 per cent. per annum calculated in yearly rests.

(b) If a subscriber, not totally incapable of performing his duties by reason of ill health or physical or mental incapacity, nor intending to enter other employment, retires after having subscribed for a period of ten years to the fund, but before reaching the age of 50 years, he shall receive from the fund, for each completed year during which he subscribed thereto, a sum equal to one-twentieth of the total amount standing at credit in his account, but not exceeding in the aggregate such total amount. In the event, however, of a subscriber entering other employment after having received the amount to which he became entitled in accordance with this paragraph, he shall repay to the fund an amount equal to the excess (if any) of the sum so received over that payable under paragraph (a) of this Regulation. If such excess, after demand, remains unpaid, it may be recovered in a court of petty sessions as a civil debt, recoverable summarily or in any court of competent jurisdiction.

- (c) Notwithstanding the limitations in paragraphs (a) and (b) hereof, the Board may, at its discretion, increase the amount payable thereunder to a sum not exceeding the full amount standing at credit in the account of any subscriber to which such paragraphs apply.
- (d) In the event of the dismissal of a subscriber, or of his retirement in order to escape dismissal, he shall be entitled to receive from the fund only a sum equal to the amount of his contribution thereto.
- (e) In the event of a subscriber committing a breach of trust or other wrongful act, by reason of which the Board suffers or may suffer pecuniary loss, the Board shall have full power to use the amount standing at credit to such subscriber's account for the purpose of making good any such loss, and the balance, if any, shall be forfeited.
- (f) Any balance standing at credit in any subscriber's account after payments to him under paragraphs (a), (b), (c), (d), or (e) have been made, shall remain in the fund and be credited to the accounts of the remaining subscribers, at the end of the financial year then current, in the same proportion as that referred to in Regulation 11 hereof.

16. Except as provided by Regulation 15 hereof, any benefits derivable from the fund shall not be in any way assigned or charged or passed by operation of the law to any person other than the subscriber or beneficiary.

#### Date of Payment of Benefits.

17. Any sum due or payable to any subscriber under these Regulations shall be paid only if the cash is available for the purpose; until paid, however, such sum shall carry its proportion of the interest earned by the fund up to the date of payment.

#### Audit.

18. Once at least in every year the accounts of the fund shall be examined by one or more auditor or auditors. The auditor or auditors shall be appointed by the Board, which shall also fix the remuneration of such auditor or auditors.

#### Winding-up and Distribution of Fund.

19. With the consent of the Governor in Council, the Board may at any time wind up and distribute the fund by paying to each subscriber, subject to the provisions hereof, the amount standing at credit in his account, and thereupon the fund shall cease to exist, and these Regulations shall be deemed to be cancelled and to have no effect whatsoever except for the purpose of determining any right or title or exercising any power or discretion for the time being necessary to be determined or exercised for the purpose of winding-up and distributing the fund: Provided always that in any case at least six months' previous notice, in writing, shall be given to each subscriber of the intention to wind up and distribute the fund.

#### Amendment of Scheme.—Voting.

21. No alteration or amendment of the rate of contribution by subscribers, or of the payments from the fund on retirement, dismissal, or death, shall be made unless two-thirds of the subscribers vote in favour of such amendment or alteration. Express notice of any such proposed amendment or alteration shall be given to every subscriber. For the purposes of this Regulation, the vote shall be taken by forwarding to each subscriber a voting paper setting out the amendment or alteration proposed to be made, and containing the following clauses:—

In the Court of Mines of the Mining District of Castlemaine.—In the matter of the *Companies Act 1928*, Part II., and in the matter of SOUTH COMET LEAD-ZINC MINE NO LIABILITY.

THE humble petition of Henry John Clapham, of The Esplanade, Elwood, in the State of Victoria, investigator, sheweth as follows:—

1. The South Comet Lead-Zinc Mine No Liability (hereinafter called the company), was, on the twenty-ninth day of April, 1925, incorporated as a no-liability company under Part II. of the *Companies Act 1928*.

2. The registered office of the company is at 360 Collins-street, Melbourne, in the State of Victoria, and is not within a mining district of the said State.

3. The nominal capital of the company is £52,500, divided into 70,000 shares of Fifteen shillings each. The amount of capital paid up or credited as paid up is £47,848 3s. 6d.

4. The objects for which the company was established are as follows:—

(a) To carry on the business of mining in all its branches.

(b) The objects set forth in the rules of the said company filed in the office of the Registrar-General under section 298 (d) of the said Act.

5. In the months of December, 1927, and March, 1928, the company became indebted in the sum of £83 17s. 6d. to Perrot & Adams Limited, machinery merchants, whose registered office is situate at 539 Flinders-street, Melbourne, for certain goods sold and delivered to the company by the said Perrot & Adams Limited.

6. By virtue of deed of assignment dated the twentieth day of May, 1929, made between the said Perrot & Adams Limited of the one part and your petitioner of the other part, the said Perrot & Adams Limited, for the consideration therein contained, assigned absolutely the said debt of £83 17s. 6d. then due to it and the whole of its beneficial interest therein to your petitioner.

7. Due notice, in writing, of such assignment was given by your petitioner to the company, on the twentieth day of August, 1929, and your petitioner on the said date demanded from the company payment of the amount of the said debt, but the company failed and neglected to pay the same, or any part thereof.

8. On the second day of September, 1929, your petitioner duly commenced an action in the County Court at Melbourne, by causing a plaint to be entered against the company, and a special summons to appear to such plaint to be issued thereout for the recovery of the said amount of £83 17s. 6d. from the company.

9. The company failed to give notice of intention to defend the said action in accordance with the provisions of section 64 of the *County Court Act 1928*, or at all, and your petitioner, on the seventeenth day of September, 1929, entered judgment against the company for the said sum of £83 17s. 6d., together with £6 3s. 2d. taxed costs, making together a total of £90 1s. 8d.

10. On the thirtieth day of September, 1929, a warrant of execution under the said judgment was issued out of the County Court at Melbourne for £90 1s. 8d., together with £1 5s. execution fees, but the bailiff of the said Court, to whom the said warrant was directed on the third day of October, 1929, returned the same wholly unsatisfied, the company having no goods or chattels within the jurisdiction upon which execution could be levied.

11. The said judgment is wholly unpaid and unsatisfied, and the amount thereof is justly due and owing by your company to your petitioner.

12. The company is unable to pay its debts.

Your petitioner therefore humbly prays as follows:—

1. That the South Comet Lead-Zinc Mine No Liability may be wound up by the Court under the provisions of the *Companies Act 1928*.

2. Or that such other Order may be made as in the premises shall be just.

H. J. CLAPHAM.

Witness—J. W. BEGG, solicitor, Melbourne:

It is intended to serve this petition by sending it by post in a registered letter, addressed to the manager of the company, at 360 Collins-street, Melbourne, in the State of Victoria, the address of the registered office of the company, and, further, by advertising the petition in the *Government Gazette*.

I appoint Tuesday, the 7th day of October, 1930, as the day for the hearing of this petition.

16th September, 1930. W. H. WILLIAMS, Judge. 3713
