[1930

*Health Act 1928 (No. 3697).*

## CONSTITUTION OF A MEAT AREA.

### PROCLAMATION

By His Excellency the Lieutenant-Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

**B**y virtue of the powers conferred by the *Health Act 1928* (No. 3697), I, the Lieutenant-Governor of the State of Victoria, in the Commonwealth of Australia, on the recommendation of the Commission of Public Health and by and with the advice of the Executive Council of the said State, do by this Proclamation constitute the whole of the municipal district of the Borough of Ringwood a meat area.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this ninth day of December, in the year of our Lord One thousand nine hundred and thirty, and in the twenty-first year of the reign of His Majesty King George V.

(L.S.)

W. H. IRVINE.

By His Excellency's Command,

W. J. BECKETT,  
Minister of Public Health.

GOD SAVE THE KING!

## CHRISTMAS AND NEW YEAR HOLIDAYS.

**I**T is hereby notified that on—

THURSDAY, THE 25TH DECEMBER, 1930,  
FRIDAY, THE 26TH DECEMBER, 1930; and  
SATURDAY, THE 27TH DECEMBER, 1930,

and on—

THURSDAY, THE 1ST JANUARY, 1931,

the Public Offices will be closed, the 25th and 26th December, 1930, and the 1st January, 1931, being appointed by the *Public Service Act 1928* to be observed as holidays in the Public Service, and the 27th December, 1930, having been proclaimed by the Governor in Council (see *Government Gazette* of the 29th October, 1930), under the powers conferred by the said Act, to be observed as such.

T. TUNNECLIFFE,  
Chief Secretary.

Chief Secretary's Office,  
Melbourne, 2nd December, 1930.

No. 161.—13530.—PRICE 6d.; Quarterly, 7s. 7d.; Half-Yearly, 15s. 2d.; Yearly, 30s. 4d.

## PUBLICATION OF THE GOVERNMENT GAZETTE.

**I**T is hereby notified that, owing to the proclamation of Christmas and New Year Holidays, the *Government Gazette* will be published on

FRIDAY, THE 2ND JANUARY, 1931,

instead of the ordinary day of publication.

H. J. GREEN,  
Government Printer.

Melbourne, the 16th December, 1930.

## DEPARTMENT OF LAW.—ATTORNEY-GENERAL.

### CURATOR OF CONVICT'S PROPERTY.

**P**URSUANT to the provisions of section 576 of the *Crimes Act 1928*, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 9th day of December, 1930, directed that the custody and management of the property of the convict Frederick Newsome be committed to his wife, Maude Newsome, of the Great Britain Hotel, Richmond, as a Curator hereby appointed in that behalf by the said Order.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

At the Executive Council Chamber,  
Melbourne, the 9th December, 1930.

## OFFICERS PERMITTED TO RETIRE.

Secretary.

Office of the Public Service Commissioner;  
Melbourne, 28th November, 1930.

Approved by the Governor in Council,  
the 9th December, 1930.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## DEPARTMENT OF LAW.

ANNUAL SITTINGS OF THE LICENSING COURT,  
WARRNAMBOOL.—TIME EXTENDED.

HIS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 9th day of December, 1930, extended the time for holding the Annual Sittings of the Licensing Court for the Licensing District of Warrnambool (appointed to be held on the 18th November, 1930), for a period not exceeding two months from the 31st December, 1930 (Act No. 3717, section 87).

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

At the Executive Council Chamber,  
Melbourne, 9th December, 1930.

## WEIGHTS AND MEASURES ACT 1928, SECTION 19.

WHEREAS it has been reported to me that the following authorized copies of the Standard Weights and Measures issued to the Council of the Shire of Avoca have not been transmitted for re-comparison as required by section 19 of the *Weights and Measures Act 1928*, viz.:—

Troy Weights.—One hundred ounces troy to one grain inclusive;

Measures of Capacity.—Bushel to half-gill inclusive;

I, Thomas Tunnecliffe, Chief Secretary of the State of Victoria, being the Minister administering the *Weights and Measures Act 1928*, hereby give notice that the aforesaid copies shall cease to be authorized copies under the provisions of the Act.

T. TUNNECLIFFE,  
Chief Secretary.

Chief Secretary's Office,  
Melbourne, 9th December, 1930.

## State Savings Bank Act 1928, Section 31.

## THE STATE SAVINGS BANK OF VICTORIA.

THE Commissioners of the State Savings Bank of Victoria hereby give notice of their intention to establish a Branch of the Bank at Northcote South (corner High and Candy streets) on Friday, 2nd January, 1931.

ALEX. COOCH,  
General Manager.

11th December, 1930.

## Mining Development Act.

## ADVANCES TO MINERS FOR PROSPECTING.

## ORDER AMENDED.

HIS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Order made on the 9th day of December, 1930, amended Order in Council of the 28th October, 1930, granting advances by way of loans to certain parties of miners for the purpose of enabling and assisting the said parties to prospect for gold, &c., and published in the *Gazette* of the 5th November, 1930, page 2948, in so far as it relates to the name of "S. W. James" and in lieu thereof the name of "J. Dean" is substituted.

C. W. KINSMAN,

Acting Clerk of the Executive Council.

At the Executive Council Chamber,  
Melbourne, the 9th December, 1930.

*Water Act 1928.*  
**AVENEL WATERWORKS TRUST.**  
*RATING BY-LAW FOR 1931.*

**T**HE Commissioners of the Avenel Waterworks Trust, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law:—

The following are the rates and charges which the owners or occupiers of lands and tenements liable to be rated within the district of the Trust shall pay for the year 1931 in respect of water supplied by the Trust:—

1. A rate of Three shillings in the £1 on the annual municipal valuation of all rateable property valued at Twenty pounds and upwards.
2. On all rateable property of the annual municipal valuation of under Twenty pounds, a sum of Three pounds.
3. For each vacant allotment of land on which no service pipe has been laid, a rate of Three shillings in the £1 on the annual municipal valuation. Vacant allotments on which a service pipe is laid shall be charged double rate. Minimum charge, Ten shillings.
4. Water troughs will be supplied at charges as follows:—  
 For each trough in an allotment of five acres or under, Fifteen shillings per annum; more than five acres, a charge of One shilling per acre in addition to Fifteen shillings for the first five acres.

The above rates and charges are made for the year ending on the 31st day of December, 1931, and the rates shall be payable in advance on the 1st day of January, 1931.

Such person as the Trust may appoint for that purpose shall be authorized to demand and receive and collect and recover the said rates and charges.

Passed this 19th day of November, 1930.

The seal of the Trust was hereto affixed in the presence of—

(SEAL) E. H. HOLLOWAY, Chairman.  
C. T. GADD, jun., Secretary.

**BAIRNSDALE WATERWORKS TRUST.**  
*RATING BY-LAW FOR YEAR 1931.*

**T**HE Commissioners of the Bairnsdale Waterworks Trust, in pursuance of the powers conferred by the *Water Act 1928*, hereby make the following By-law determining the rates and charges to be paid in respect of water supplied or available for supply within the Urban District of the Trust during the year 1931:—

1. The following rates and charges are those which the occupiers or owners of land, houses, tenements situated within the Urban District of the Trust shall pay in respect of water supplied or available for supply to such landholders or tenements situated on any street in which pipes for water supply are laid, or which land, houses, or tenements, if not on such street, are supplied with water by reticulation from such pipes for the year commencing on the first day of January, 1931, and ending on the thirty-first day of December, 1931, such person or persons as the Commissioners of the said Trust may from time to time appoint for the purpose shall be authorized to demand and receive the said rates and charges:—

- (a) On every house or tenement of £25 annual municipal valuation or under, Twenty-five shillings per annum.
- (b) On every house or tenement above the municipal valuation of £25, at the rate of One shilling for every One pound of such valuation.
- (c) On all vacant allotments of land, at the rate of One shilling for every One pound per annum of the municipal value thereof, with a minimum of Five shillings, except where there is a water service to the allotment, when the minimum charge will be Twenty-five shillings.
- (d) For water supplied from the wharf at Bairnsdale for shipping and other purposes, a minimum charge of Sixpence per hundred gallons, or Sixpence for every fractional part thereof, except in cases of special agreement with the Trust.
- (e) For water supplied by the Trust by measurement, except in cases of special agreement with the Trust, or water supplied under the terms of sub-section (g) of section 1 of this By-law, One shilling per thousand gallons.
- (f) Water supplied to manufactories, aerated water and cordial makers, brewers, bakers, and butchers, livery and coach-horse stables, hotel premises, and for any other domestic purposes, may be charged for by measurement at the discretion of the Trust.
- (g) Water supplied to Government Departments, mechanics' institutes, churches, cricket clubs, bowling greens, shall be charged by agreement or measurement at the discretion of the Trust.
- (h) Private water troughs shall be charged for at the rate of Twenty-five shillings per annum, where the valuation of the property on which such troughs are situated, does not exceed Twenty-five pounds; such trough charge of Twenty-five shillings shall mean to include the rate of valuation. Where the valuation

of the property exceeds £25, the trough to be exempt from rating purposes, except when in the opinion of the Trust a meter shall be necessary.

- (i) The charge for water supplied to market gardens or fruit gardens shall be at the rate of One shilling per thousand gallons, by measurement, at the discretion of the Trust, a meter to be fixed at the expense of the ratepayer.
- (j) For water supplied for new buildings being erected, at the rate of 1 per cent. on the contract for labour and material of all stone, brick, concrete and plastering work, or any work where water is used, and to be arranged for before the work is commenced.
- (k) The service for conveying the water from the pipes of the Trust to the premises of the consumer shall in no case exceed the following diameter:—  
 (1) For domestic premises with annual municipal value of £40 or over, a three-quarter inch service may be allowed at the discretion of the Trust. For domestic supply of premises not exceeding £40 annual municipal valuation, half-inch diameter.  
 (2) For the supply other than domestic purposes and for supplies by meter, such diameter as the Trust shall order in each case.
- (l) Each house or tenement must be provided with a separate service from the main.
- (m) Water supplied to market gardens, nurseries, or for any other irrigation purposes, shall be charged for by meter, at the rate of One shilling per thousand gallons, in addition to the usual rate of a domestic supply on the basis of valuation. A separate service from the main for domestic supply may be allowed for at the discretion of the Trust.

2. The rate and charges for water, and all sums due to the Trust under this By-law shall be paid by and recoverable from the occupier of the premises, or owner, or the person requiring, receiving, or using supply of water.

3. The said rate and charges for water supplied otherwise than by meter or by special agreement shall be payable in advance on the first day of January, 1931.

All charges for water supplied by meter or by special agreement shall be payable half-yearly, or at such time or times as may be determined by the Trust. The first payment shall in respect of rates be made at the time when owner or occupier shall become liable to pay rates for the supply of water hereinbefore mentioned.

In construction of the By-law, the word "person" shall be deemed to extend to include a corporation, whether aggregate or sole, and the word "Trust" shall mean the Bairnsdale Waterworks Trust.

The foregoing By-law was made by the Commissioners of the Bairnsdale Waterworks Trust on the 21st day of November, and the corporate seal of the Trust was affixed in the presence of—

(SEAL) J. W. PEART, Chairman.  
F. J. KYLE, Commissioner.  
R. STAVELY, Secretary.

**MARYBOROUGH WATERWORKS TRUST.**  
*RATING BY-LAW FOR 1931.*

**T**HE Chairman and Commissioners of the Maryborough Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District for the purposes of the *Water Act 1928*, do hereby, pursuant to and in exercise of the powers and authorities conferred by such Act, make the following By-law:—

*By-law No. 51.*

The following are the rates and charges which the occupiers or owners of land and tenements liable to be rated shall pay for the year 1931 in respect of water supplied by the Trust within the said Urban District:—

1. For every house and tenement of Sixteen pounds annual municipal value and under the sum of Two pounds sterling.
2. For every house and tenement of Sixteen pounds annual municipal value and upwards, the amount of Two shillings and sixpence in the pound upon the annual municipal value of such property.
3. For every unoccupied piece or allotment of land unsupplied with water from the works of the Trust of Ten pounds annual municipal value and under, the sum of One pound five shillings sterling.
4. For every unoccupied piece or allotment of land unsupplied with water from the works of the Trust of more than Ten pounds annual municipal value, an amount of Two shillings and sixpence in the pound upon the annual municipal value of such property.
5. For every water trough, Twenty shillings per annum will be charged, and the minimum quantity of water to be charged for to all owners or occupiers of troughs supplied by measurement shall be 20,000 gallons.
6. For water supplied by measurement by the Trust, one shilling per 1,000 gallons (or at such price as may be specially agreed upon), and the minimum quantity of water to be

charged for to all owners or occupiers of gardens (except market gardens) and lawns, or other lands where water is supplied by the Trust by measurement for the purpose of irrigation or for ornamental purposes, shall be as follows:—

Exceeding one-quarter of an acre but not exceeding one-half an acre per annum, 50,000 gallons; exceeding one-half an acre but not exceeding one acre per annum, 100,000 gallons; for every additional acre and proportionately, according to the foregoing scale, for any fractional part of an acre. In livery, bait, and carriers' stables, supplied by the Trust with water by measurement, the minimum quantity of water to be charged for shall be 5,000 gallons per stall used for stabling horses. In open space used for the above purposes, each space of 5 feet will be charged as a stall.

7. The minimum quantity of water to be charged for by meter where water is supplied for domestic purposes, as well as for purposes other than domestic purposes, shall be the quantity which, at One shilling per 1,000 gallons, equals the amount of assessed rate which would be payable for the premises so supplied if supplied otherwise than by measurement.

8. The Trust will, if it so think fit, but not otherwise, let for hire water meters, the rent for which shall be at the rate of Ten shillings each per annum, which rent shall be exclusive of and in addition to the amount of rate charged for the recorded consumption of water, and shall be due, and must be paid half-yearly, in advance, on the first day of January and the first day of July in each year.

9. For a temporary supply during the erection of new buildings, Ten shillings per cent. on the amount of contract for stonework, brickwork, or plastering; or, if there be no contract, then upon the value of the amount charged or paid for such stonework, brickwork, or plastering.

10. For water supplied to market gardens the charge shall be One shilling for 1,000 gallons. The minimum quantity to be charged for shall be 100,000 gallons per acre, and proportionately for every fractional part of an acre. The supply is to be by meter only.

11. For every steam boiler supplied by water from the works of the Trust by measurement, the charges shall be One shilling per 1,000 gallons, and the minimum quantity of water to be charged for shall be 10,000 gallons for each inch of diameter of the engine cylinder.

12. For water supplied to syphon pumps, Twenty shillings each per annum, in addition to the rate hereby made for the supply for domestic or other purposes.

13. For water supplied to private fountains, Twenty shillings each per annum, in addition to the rate hereby made for the supply for domestic or other purposes.

That the before-mentioned rates and charges shall be payable half-yearly in advance, on the first day of January and the first day of July, 1931, excepting the charge for water supplied by measurement, which shall be paid quarterly.

Such person or persons as the Commissioners of the Maryborough Waterworks Trust may from time to time appoint for that purpose shall be authorized to demand, receive, collect, and recover the said rates and charges.

Dated this 13th day of November, 1930.

(SEAL) S. POOLE, Chairman.  
H. N. PHILLIPS, Secretary.

#### ROCHESTER WATERWORKS TRUST.

##### RATING BY-LAW FOR THE YEAR 1931.

THE following rates and charges are those which all householders, or occupiers, or owners of land and tenements situated within the Urban District of the Rochester Waterworks Trust shall pay in respect of the supply of water for the said Trust for the year 1931:—

- (a) For every house or tenement of Eleven pounds annual municipal valuation and under, a rate of One pound fifteen shillings per annum.
- (b) For every house or tenement of more than Eleven pounds and not exceeding Thirty-two pounds annual municipal valuation, a rate of Two pounds per annum.
- (c) For every house or tenement of the annual municipal valuation of Thirty-two pounds and upwards, a rate of One shilling and threepence in the pound sterling on the amount of such valuation.
- (d) For each vacant allotment or piece of land rated for the ordinary municipal rate within the Trust District before mentioned separately from any building, a rate of Two shillings and sixpence in the quantity covered by the rate of the annual municipal valuation of the same, with a maximum valuation of One pound sterling per annum.
- (e) For every vacant allotment or piece of land supplied with water, a minimum rate of One pound sterling per annum.
- (f) For every trough or other receptacle used for watering horses or other stock, a rate of Two pounds sterling per annum. Provided that the trough or

other receptacle is situated within the Trust District, a rate of One pound sterling per annum will be charged.

- (g) The charge for water supplied by meter shall be One shilling and threepence per 1,000 gallons up to the maximum used in excess of such quantities payable in respect of the property in connexion with which meter is affixed, and One shilling per 1,000 gallons for all water used in excess of such quantity up to 10,000 gallons, after which a rate of Ninepence per 1,000 gallons will be charged. Provided that the water be used for manufacturing purposes, the quantity used in excess shall be Sixpence per 1,000 gallons.
- (h) The charge for water supplied by meter to church property shall be One shilling and threepence per 1,000 gallons up to the maximum quantity covered by the rate payable in connexion with which the meter is affixed, and Sixpence per 1,000 gallons for all water used in excess of such quantity.
- (i) For all water supplied for erection of new brick or concrete buildings must be through meter at the rate of One shilling and threepence per 1,000 gallons, with a minimum of Ten shillings on any building. A deposit of Two pounds must be lodged with the secretary on application for water for building purposes.
- (j) The charge for water supplied from the Trust's stand-pipe shall be Sixpence per 1,000 gallons.
- (k) In any case where rates, charges, &c., are not paid when due, the water may be cut off until such amounts are paid.

2. The foregoing rates are hereby made payable in equal moieties half-yearly in advance on the 1st day of January, 1931, and 1st day of July, 1931.

3. Such person or persons as the Commissioners of the said Trust may from time to time appoint shall be authorized to demand, collect, sue for, and recover the said rates and charges, and that Mr. A. G. Fuller is hereby appointed to demand, collect, and sue for and recover the said rates and charges.

The foregoing By-law was made by the Rochester Waterworks Trust, under the provisions of the *Water Act 1928*, this sixteenth day of October, One thousand nine hundred and thirty, and the seal of the Rochester Waterworks Trust affixed in the presence of—

THOMAS C. PARSONS, Chairman.  
(SEAL) A. G. FULLER, Secretary.

#### RUSHWORTH WATERWORKS TRUST. RATING BY-LAW FOR 1931.

THE Commissioners of the Rushworth Waterworks Trust, portion of the Waterworks District of which has been proclaimed an Urban District for the purposes of the *Water Act 1928*, do hereby, pursuant to and in exercise of the powers conferred by the said Act, make the following By-law:—

The following are the rates and charges which the occupiers or owners of such lands and tenements liable to be rated shall pay for the year 1931 in respect of water supplied by the Trust within the Urban District of the Trust:—

1. For every house or tenement of Eighteen pounds annual municipal valuation or under, the sum of Two pounds ten shillings.
2. For every house or tenement of an annual municipal valuation exceeding Eighteen pounds, a rate of Two shillings and ninepence in the pound sterling; the minimum rate shall in no case be less than Two pounds ten shillings.
3. For every unoccupied allotment of land, a rate of One shilling in the pound sterling of the annual municipal valuation of such allotment or piece of land, provided that in no case shall a rate of less than One pound five shillings be charged.
4. For all the lands and tenements situated otherwise than in streets in which pipes are laid down, and which are within a quarter of a mile of a stand-pipe of the Trust, there shall be paid one-half of the above rates; and for all such lands and tenements being over a quarter of a mile but within half a mile of such stand-pipe, one-fourth of the full rate shall be paid.
5. All water supplied by the Trust by meter shall be at the following rate:—38,000 gallons for the first Fifty shillings of the assessed water rate, and for each additional Twenty shillings of assessed water rate or portion thereof, at the rate of One shilling per 1,000 gallons.
6. Water supplied to the Government Department, religious denominations, public parks, bowling greens, and persons outside the Trust District, and those being supplied off rising main, shall be by measurement or special agreement.
7. The above-mentioned rates and charges shall be payable in equal moieties half-yearly in advance on the first day of January and the first day of July, 1931.

8. Such person or persons as the Trust may from time to time appoint for that purpose shall be authorized to demand, receive, collect, and recover the said rates and charges.

The foregoing By-law was made and adopted by the Commissioners of the Ruthworth Waterworks Trust on the 20th day of November, 1930, and the seal of the said Trust was affixed thereto in the presence of—

(SEAL) W. L. WHITAKER, Chairman.  
A. BUDD, Secretary.

#### SHERE OF SHEPPARTON WATERWORKS TRUST.

##### RATING BY-LAW 1930.

THE Commissioners of the Shire of Shepparton Waterworks Trust, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law:—

##### By-law No. 38.

1. A rate of Ninepence in the One pound (£1) sterling on the net annual value of all rateable property within the Shire of Shepparton Waterworks Trust District according to the valuation for the time being of all lands and tenements for the municipal rates of the Shire of Shepparton, is hereby made for the year commencing on the 1st day of January, 1930, and ending on the 31st day of December, 1930.

2. Such rate is hereby made payable in one instalment, and shall be due and payable on the 1st day of December, 1930.

3. Such person or persons as the Trust may from time to time appoint for that purpose shall be authorized to demand and collect the said rate.

The foregoing By-law was made by the Commissioners of the Shire of Shepparton Waterworks Trust on the 3rd day of November, 1930.

The common seal of the Shire of Shepparton Waterworks Trust was affixed by the authority of the said Trust, and in the presence of—

(SEAL) ROBINSON ROE, Chairman.  
J. T. KYNE, Secretary.

#### WANGARATTA WATERWORKS TRUST.

##### RATING BY-LAW FOR 1931.

THE Commissioners of the Wangaratta Waterworks Trust, whose Waterworks District has been proclaimed an Urban District, do hereby, pursuant to, and in exercise and execution of the powers and authorities conferred by the *Water Act 1928*, make the following By-law:—

1. The following rates and charges are those which the occupiers or owners of lands and tenements situated within the aforesaid Waterworks District shall pay for the year 1931 in respect of water supplied otherwise than by measure for domestic purposes by the Trust:—

- (a) On lands and tenements above the annual municipal value of £24 (except in the case of land on which there is no building), a rate of One shilling and threepence in the pound.
- (b) On lands and tenements of the annual municipal value of £24 or under, the sum of One pound ten shillings.
- (c) On land on which there is no building, the sum of Three pounds two shillings and sixpence (£3 2s. 6d.) per centum on the annual municipal valuation, with a minimum of Thirty shillings if water be laid on.
- (d) The charges for the supply of water otherwise than by measure for domestic purposes shall not in any case be less than Thirty shillings per annum, except in the case of land on which there is no building, in which case the charge shall not be less than Ten shillings per annum.
- (e) For water supplied by stand-pipes or hydrant, Sixpence (6d.) per load exceeding 100 gallons shall be paid.
- (f) For water supplied by meter for domestic and other than domestic purposes, not including garden use, the charge shall be One shilling per 1,000 gallons.
- (g) Water supplied by meter and consumed for domestic and garden purposes shall be charged for at the rate of One shilling per 1,000 gallons up to the amount of the assessed rate, due for the year in respect of the premises supplied, and for all water used in excess the charge shall be Sixpence per 1,000 gallons.
- (h) For water supplied by meter solely for purposes other than domestic, the charge shall be One shilling per 1,000 gallons, and the minimum quantity to be charged for shall be 15,000 gallons per half-year. The Trust may, in cases where deemed necessary, supply water by special agreement upon such terms and conditions as it may determine.
- (i) The minimum quantity of water to be charged for by meter where water is supplied for domestic purposes as well as for purposes other than domestic, shall be the quantity which, at the rate of One shilling (1s.) per 1,000 gallons, equals the amount of the assessed rate which would be payable for the premises so supplied if supplied otherwise than by measure.
- (j) Such rates and charges shall be payable, in advance, on the first day of January, 1931.

2. Such person or persons as the Trust may from time to time appoint for that purpose are hereby authorized to demand, collect, and recover the said rates and charges.

The seal of the Trust was hereto affixed in the presence of—

(SEAL) J. F. DUNDAS, Chairman.  
T. C. MUNTZ, Secretary.

#### WERRIBEE SHIRE COUNCIL.—WATER SUPPLY DISTRICT.

##### RATING BY-LAW FOR THREE MONTHS ENDING 30TH SEPTEMBER, 1930.

THE President and Councillors of the Shire of Werribee, being a local governing body appointed under the *Water Act 1928*, make the following By-law:—

##### By-law No. 3.

This By-law shall apply to the Water Supply District of Werribee, as such District is proclaimed and defined in an Order in Council bearing date the 7th day of January, 1930.

The following are the rates and charges which the occupiers or owners of land and tenements liable to be rated, or other persons, shall pay for the three months ending the 30th day of September, 1930, in respect of water supplied by the Council in the Werribee Water Supply District:—

1. For every house or other tenement fronting any street wherein the water pipes of the Council have been laid, a rate of Sixpence in the pound on the amount of the municipal valuation of such property shall be paid; the minimum amount charged shall be fifteen shillings.

2. For every allotment upon which there is no building, but which fronts any street wherein water pipes of the Council have been laid, the rate shall be Sixpence in the pound on the amount of the municipal valuation thereof. In no case shall an amount of less than Two shillings and sixpence be charged for every 66 feet frontage, or part thereof.

3. On all land and tenements situated elsewhere than in a street in which water supply pipes are laid down, but being within a quarter of a mile of a stand-pipe of the Council, a charge of one-half the rates above specified; and on all such land and tenements situated over a quarter of a mile, but within half a mile from any such stand-pipe, a charge of one-quarter of the rate above specified.

4. The foregoing rates are hereby made payable in one amount on the 1st January, 1931.

5. For water supplied for domestic or other than domestic purposes by the Council by measure, the charge shall (except where otherwise agreed by the Council, and save as hereinafter provided in the By-law) be Two shillings per 1,000 gallons. The minimum charge in such cases shall be fifteen shillings.

6. Water Rate Outside Water Supply District.—Such occupiers or owners of tenements not within the Water Supply District, but which are connected with the Council's mains, shall pay at such rate as the Council shall in each case determine, but not less than Two shillings per 1,000 gallons, with a minimum charge of Fifteen shillings.

7. The charge for private water troughs shall be Five shillings except where, in the opinion of the Council, a meter is necessary or advisable, in which case the consumer shall be charged and must pay at the rate charged for water supplied by measure.

8. For the supply of water during the erection of a new building, or alterations to or additions to existing buildings, the charge shall be—for a stone or brick building, Five shillings per centum on the cost of the stone or brick buildings, including plastering, or the same shall be fixed by agreement with the Council. For the supply of water for the erection of a wooden building with plastered walls, the charge shall be Two shillings and sixpence for each room or passage, and Five shillings for each chimney. For a supply of water for wooden buildings where no plaster is used, the charge shall be Five shillings for each chimney in such building. All payments shall be made in advance. No person shall take or use any water for or in connexion with the erection of any new building or alterations to, or additions to existing buildings, till he has obtained the receipt of the Council's officer for payment of the amount payable for the use of such water, or the consent, in writing, of the Council or its officer. Any persons offending against the provisions thereof shall be liable to a penalty not exceeding Five pounds for such offence. All charges shall be additional to all rates or other charges payable by the owner or occupier of the premises upon which the building is being erected, and shall, in the first instance, be payable by the builder or contractor, and, if unpaid by the builder or contractor, shall be charged to and paid by the owner of the premises whereon such building is being erected; but such charge to the owner shall not prejudice the right of the Council to proceed at its option against either the builder or the contractor or the owner or occupier for the amount payable.

9. For the water used or supplied for gas engines, oil engines, or steam boilers, the charge shall be by measure, the minimum amount to be charged and paid shall be Twenty shillings, to be paid and payable in advance in each case. No water shall be supplied to any such engine or boiler until

a meter shall have been affixed to the supply pipe of such engine or boiler to the satisfaction of the Council's engineer, and no water will be supplied to any engine unless such engine is fitted with mechanical appliances to circulate and re-use the water to the satisfaction of the Council's engineer.

10. The minimum quantity of water to be charged for in each case where water is supplied by measure for other than domestic purposes shall (except where otherwise provided or implied in this By-law) be 7,500 gallons, and such water shall (where it is not otherwise provided in this By-law or otherwise specially agreed by the Council), be charged at the rate of Two shillings per 1,000 gallons.

11. Supplies of water for purposes not specified herein are to be paid for at such charges as the Council shall in each case determine, and the preliminary payments appointed by the Council on account of such charge shall be made at the office of the Council before a supply shall be taken or used.

12. When water is supplied for use on any land exceeding one acre in area, such water will be supplied by measure only, and the owner or occupier of such land must provide a meter.

13. The minimum charge in such cases shall be Fifteen shillings. All accounts for water supplied under special agreement or by measure shall be paid as agreed upon.

14. Excess Payments.—Where water meters are affixed, the excess payments shall be made at the end of each year, or at such time or times as may be demanded by the Council.

15. The service-pipes from the main, being the property of the owners or occupiers of the tenements supplied from such service-pipes, the owner or occupier shall, in every instance in which damage is caused by reason of such service-pipe being leaky or otherwise out of repair or broken, be guilty of an offence. If any person neglect to repair any such service-pipe conveying water from the pipes of the Council into the premises of such person after having received notice from the proper officer of the Council that such service-pipe requires repairing, the Council may stop the water flowing into the premises, either by cutting off the service-pipe or otherwise, as the Council may see fit, until the necessary repairs have been effected. The Council may at any time when found necessary repair or renew any pipes and stop-cocks laid for conveying a supply of water to any tenement, and may charge the owner thereof with the cost of providing and laying, repairing or renewing the same, and such cost shall be a debt due by such owner to the Council, and shall be recoverable in any court of competent jurisdiction.

16. Such person or persons as the Council may from time to time appoint for the purpose shall be authorized to demand, receive, collect, and recover the rates and charges aforesaid, and each of them.

17. In construction of this By-law, the word "person" shall be deemed to extend to and include a corporation, whether aggregate or sole, and the word "Council" shall mean the Werribee Shire Council, and the meaning which in the *Water Act 1928* is assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter or context.

Resolution for passing this By-law agreed to at a meeting of the Council held on the thirteenth day of November, 1930.

(SEAL) JOSEPH RYAN, President.  
A. E. COMBEN, Councillor.  
G. P. MUIRHEAD, Secretary.

#### WODONGA WATERWORKS TRUST. RATING BY-LAW FOR THE YEAR 1931.

THE Commissioners of the Wodonga Waterworks Trust do hereby, pursuant to and in exercise of the powers and authorities conferred by the *Water Act 1928*, make the following By-law:—

1. *General Rate.*—A rate of Two shillings in the pound sterling is hereby made for the year 1931 upon all property liable to be rated within the Waterworks District of this Trust, and such rates shall be based on the municipal valuation of such property in existence on the first day of January, 1931.

2. *Minimum Rate.*—The minimum rate payable on any property on which is erected any dwelling-house, shop, office, factory, stable, or other building shall be Sixty shillings.

3. The rate on any rateable vacant lands shall be Thirty shillings.

*When Payable.*—The foregoing rates shall be payable in half-yearly moieties, in advance, that is to say, on the first day of January and the first day of July, 1931.

Such person or persons as may from time to time be employed by the Trust for that purpose shall be authorized to demand, collect, sue for, and recover the rates hereby made.

(SEAL) J. WHAN, Chairman.  
K. D. WATSON, Commissioner.  
R. H. MURPHY, Secretary.

The foregoing rating By-laws, made by the Avenel, Bairnsdale, Maryborough, Rochester, Rushworth, Shire of Shepparton, Wangaratta, and Wodonga Waterworks Trusts and the Werribee Shire Council respectively, were approved by the Governor in Council on the 9th December, 1930.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

#### Water Act 1928.

#### APOLLO BAY WATERWORKS TRUST.

#### RATING BY-LAW FOR THE YEAR 1ST JANUARY TO 31ST DECEMBER, 1931.

THE Chairman and Commissioners of the Apollo Bay Waterworks Trust, pursuant to and in exercise of the powers and authorities conferred by the *Water Act 1928*, do hereby make the following By-law, viz.:—

#### By-law No. 5.

The following are the rates and charges which occupiers or owners of lands and tenements liable to be rated shall pay for the year ending 31st December, 1931, in respect of water supplied by the Trust within the Waterworks District of the said Trust:—

(1) For every house and tenement up to £16 annual municipal value and under, the sum of Two pounds ten shillings (£2 10s.) per annum.

(2) For every house and tenement of £17 annual municipal value and upwards, an amount of Three shillings in the £1 upon the annual municipal value of such property.

(3) Houses unoccupied for a period not less than six calendar month, commencing on the first day of July, shall be charged two-thirds rates.

(4) For every unoccupied piece or allotment of land, unsupplied with water from the works of the Trust, of Six pounds annual municipal value and upwards, the amount of Three shillings in the £1 upon the annual municipal value of such property.

(5) For every unoccupied piece or allotment of land, unsupplied with water from the works of the Trust, of Five pounds annual municipal value and under, the sum of Fifteen shillings sterling per annum.

(6) Water supplied to cricket, tennis, or bowling clubs and to Government Departments, mechanics' institutes, churches, show-grounds, and similar properties shall be charged by measurement, at 1s. 6d. (One shilling and sixpence) per 1,000 gallons, provided that the minimum quantity to be charged for shall not be less than 15,000 gallons.

(7) For supply during the erecting of new buildings there shall be a charge of Ten shillings per cent. on the amount of contract for stonework, brickwork, or plastering, or, if there be no contract, then upon the value of the amount charged or paid for such stonework, brickwork, or plastering.

(8) Except hereinbefore otherwise provided, the minimum quantity of water to be charged for where water is supplied by the Trust by measurement shall be the quantity which, at One shilling and sixpence per 1,000 gallons, equals the amount of assessed rates which would be payable for the premises so supplied, and for such minimum quantity of water there shall be a charge of One shilling and sixpence per 1,000 gallons; and for water in excess of such minimum there shall be a charge of One shilling and sixpence per 1,000 gallons, or such price as may be specially agreed upon.

(9) The fees to be paid for plumber's licence shall be £1; renewals, 5s.

That the beforementioned rates and charges shall be payable in advance on the 1st January, 1931, for the year ending 31st December, 1931.

Such person or persons as the Commissioners of the Apollo Bay Waterworks Trust may from time to time appoint for that purpose shall be authorized to demand, receive, collect, and recover the said rates and charges.

In the construction of the By-law the word "person" shall be deemed to extend and include a corporation, whether aggregate or sole, and the word "Trust" shall mean the Apollo Bay Waterworks Trust.

Passed on this 5th day of December, 1930.

(SEAL) W. H. PENGILLEY, Chairman.  
JOHN THOMSON, Commissioner.  
W. O. CORKE, Secretary.

#### BENALLA WATERWORKS TRUST. RATING BY-LAW FOR 1931.

THE Commissioners of the Benalla Waterworks Trust, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law for the year 1931:—

A rate of One shilling and sixpence in the pound on the annual municipal value of all rateable property. The following rates and charges are those which the occupiers or owners of lands or tenements shall pay in respect of water supplied by the Trust within the Urban District. The minimum rate payable in respect of any property liable to be rated shall be Thirty shillings for lands and tenements supplied with water from the pipes of the Trust, and Fifteen shillings for every piece of vacant or unoccupied land not so supplied.

Water supplied to the Benalla Recreation Reserve, which is under the control of the Benalla Shire Council, to be charged at the rate of Threepence per 1,000 gallons by measurement.

Privately-owned tennis courts to be charged the ordinary rate of Sixpence per 1,000 gallons by measurement.

Water supplied for other than domestic purposes shall be by measurement and charged at the rate of Sixpence per 1,000 gallons.

For a supply of water during the erection of new buildings there shall be a charge of Sixpence per 1,000 gallons by measurement.

Except as otherwise provided hereinbefore, the minimum quantity of water to be charged for where water is supplied by the Trust by measurement shall be a quantity which at One shilling and sixpence per 1,000 gallons equals the amount of the assessed rate which would be payable for the premises so supplied, and for such minimum quantity of water there shall be a charge of One shilling and sixpence per 1,000 gallons, and for water in excess of such minimum there shall be a charge of Sixpence per 1,000 gallons.

The fee to be paid for a plumber's licence shall be One pound per annum dating from the 1st January.

Such rates and charges are hereby made payable in advance on the 1st day of January, 1931.

Such person or persons as the Commissioners shall appoint for that purpose shall be authorized to demand, collect, and recover the said rates and charges.

The foregoing By-law was made by the Trust the 16th day of October, 1930.

(SEAL) THOMAS V. COWAN, Chairman.  
R. J. MURRAY, Secretary.

#### COLERAINE AND CASTERTON WATERWORKS TRUST.

##### RATING BY-LAW FOR 1931.

THE Chairman and Commissioners of the Coleraine and Casterton Waterworks Trust make the following By-law:

##### By-law No. 12

This By-law shall apply to the Urban District of Casterton as such District is proclaimed and defined in an Order in Council bearing the date the 22nd day of June, 1927.

The following are the rates and charges which the occupiers or owners of land and tenements liable to be rated, or other persons, shall pay for the year 1931 in respect of water supplied by the Trust in the Casterton Urban District within the Waterworks District of the said Trust:

1. For every house or other tenement fronting any street wherein the water pipes of the Trust have been laid, a rate of Two shillings and sixpence in the pound on the amount of the municipal valuation of such property shall be paid; the minimum amount paid to be Two pounds ten shillings.

2. For every Crown allotment upon which there is no building, but which fronts any street wherein water pipes of the Trust have been laid, the rate shall be Two shillings and sixpence in the pound on the amount of the municipal valuation thereof. In no case shall a rate of less than Twelve shillings and sixpence be paid for every such Crown allotment or part thereof.

3. For houses proved to the satisfaction of the Trust to have remained unoccupied for a period of not less than six calendar months, the rate per house shall be two-thirds of the amount which would be payable if the house had not been unoccupied. The minimum amount paid to be not less than Thirty-seven shillings.

4. The foregoing rates are hereby payable in advance in one amount on 1st January, 1931.

5. For water supplied for domestic or other than domestic purposes by the Trust by measure, the charge shall (except where otherwise agreed by the Trust, and save as hereinafter provided in the By-law) be One shilling and sixpence per 1,000 gallons up to such quantity as would be equal to the amount of the assessed rate payable in respect of the premises so supplied; and for all water consumed in excess of such quantity a charge of Two shillings per 1,000 gallons shall be made.

6. The charge for private water troughs shall be Twenty shillings per annum (to include water rate payable when the value of the property on which such trough is situated does not exceed £10). When such rate exceeds Ten pounds there shall be no charge additional to the rate assessed on the property, except where, in the opinion of the Trust, a meter is necessary or advisable, in which case the consumer shall be charged and must pay at the rate charged for water supplied by measure. The minimum charge shall be Twenty shillings.

7. Water supplied to public gardens and parks shall be charged for by measurement at Sixpence per 1,000 gallons, and water supplied to show-grounds or cricket ground shall be charged for by measurement at One shilling and sixpence per 1,000 gallons; any quantity supplied in excess of the full measure of a unit of 1,000 gallons shall be charged for as 1,000 gallons. All water so supplied must be through a meter and paid for half yearly.

8. The charge for water supplied from any stand-pipe or hydrant shall be Sixpence for any quantity up to 200 gallons, and Sixpence for each additional 200 gallons or portion of 200 gallons.

9. For the supply of water during the erection of a new building, or alterations to or additions to existing buildings, the charge shall be, for a stone or brick building, Five shillings per centum on the cost of the stone or brick building, including plastering, or the same shall be fixed by agreement with the Trust. For the supply of water for the erection of a wooden building with plastered walls, the charge shall be Two shillings and sixpence for each room or passage, and Five shillings for each chimney. For a supply of water for wooden buildings where no plaster is used, the charge shall be Five shillings for each chimney in such building. All payments shall be made in advance. No person shall take or use any water for or in connexion with the erection of any new buildings or alterations to or additions to existing buildings till he has obtained the receipt of the Trust's officer for payment of the amount payable for the use of such water, or the consent, in writing, of the Trust or its officer. Any persons offending against the provisions thereof shall be liable to a penalty not exceeding £5 for such offence. All charges shall be additional to all rates or other charges payable by the owner or occupier of the premises upon which the building is being erected, and shall in the first instance be payable by the builder or contractor, and if unpaid by the builder or contractor shall be charged to and paid by the owner of the premises whereon such building is being erected; but such charge to the owner shall not prejudice the right of the Trust to proceed at its option against either the builder or contractor or the owner or occupier for the amount payable.

10. The occupier of two or more tenements liable to be rated, one of which is supplied with water by measure, shall be entitled, on the payment of the rates on such tenements respectively, to use without further charge such quantity of water by meter as shall not exceed at the current charge for water supplied for domestic purposes by measure the amount of such rates, provided that the tenement or tenements if not supplied by measure shall not be connected with the pipes of the Trust. The occupier of two or more tenements, each of which is supplied with water by measure, shall be entitled to use without further charge such a quantity of water at either or both such tenements as shall not exceed at the current charge for water supplied for domestic purposes by measure (the amount of such rates) the amount at which such tenements if not supplied by measure would be rated.

11. For the water used or supplied for gas engines, oil engines, or steam boilers, the charge shall be by measure, the minimum amount to be charged and paid shall be Twenty shillings, to be paid and payable in advance in each case. No water shall be supplied to any such engine or boiler until a meter shall have been affixed to the supply pipe of such engine or boiler to the satisfaction of the engineers of the Trust, and no water will be supplied to any engine unless such engine is fitted with mechanical appliances to circulate and re-use the water to the satisfaction of the Trust's officer.

12. The minimum quantity of water to be charged for half-yearly in each case where water is supplied by measure for other than domestic purposes shall (except where otherwise provided or implied in this By-law) be 10,000 gallons, and such water shall (where it is not otherwise provided in this By-law or otherwise specially agreed by the Trust) be charged at the rate of Two shillings per 1,000 gallons.

13. Supplies of water for purposes not specified herein are to be paid for at such charges as the Trust shall in each case determine, and the preliminary payments appointed by the Trust on account of such charge shall be made at the office of the Trust before a supply shall be taken or used.

14. When water is supplied for use on any land exceeding 5 acres in area, such water will be supplied by measure only, and the owner or occupier of such land must provide a meter.

15. The service pipes from the mains, being the property of the owners or occupiers of the tenements supplied from such service pipes, the owner or occupier shall, in every instance in which damage is caused by reason of such service pipe being leaky or otherwise out of repair or broken, be guilty of an offence. If any person neglect to repair any such service pipe conveying water from the pipes of the Trust into the premises of such person, after having received notice from the proper officer of the Trust that such service pipe requires repairing, the Trust may stop the water flowing into the premises either by cutting off the service pipe or otherwise, as the Trust may see fit, until the necessary repairs have been effected. The Trust may at any time, when found necessary, repair or renew any pipes and stop-cocks laid for conveying a supply of water to any tenement, and may charge the owner thereof with the cost of providing and laying, repairing, or renewing the same, and such cost shall be a debit due by such owner to the Trust, and shall be recoverable in any court of competent jurisdiction.

16. Such person or persons as the Commissioners of the Coleraine and Casterton Waterworks Trust may from time to time appoint for the purpose shall be authorized to demand, receive, collect, and recover the charges and rates aforesaid and each of them.

17. In construction of this By-law the word "person" shall be deemed to extend to and include a corporation, whether aggregate or sole, and the word "Trust" shall mean the "Coleraine and Casterton Waterworks Trust."

Passed the 3rd day of December, One thousand nine hundred and thirty.

#### COLERAINE AND CASTERTON WATERWORKS TRUST.

##### RATING BY-LAW FOR 1931.

THE Chairman and Commissioners of the Coleraine and Casterton Waterworks Trust make the following By-law:—

##### By-law No. 13.

This By-law shall apply to the Urban District of Coleraine as such District is proclaimed and defined in an Order in Council bearing date the 22nd day of June, 1927.

The following are the rates and charges which the occupiers or owners of land and tenements liable to be rated, or other persons, shall pay for the year 1931 in respect of water supplied by the Trust in the Coleraine Urban District within the Waterworks District of the said Trust:—

1. For every house or other tenement fronting any street wherein the water pipes of the Trust have been laid, a rate of Two shillings and ninepence in the pound on the amount of the municipal valuation of such property shall be paid, the minimum amount paid to be Two pounds fifteen shillings.

2. For every Crown allotment upon which there is no building, but which fronts any street wherein water pipes of the Trust have been laid, the rate shall be Two shillings and ninepence in the pound on the amount of the municipal valuation thereof. In no case shall a rate of less than Fourteen shillings be paid for every such Crown allotment or part thereof.

3. For houses proved to the satisfaction of the Trust to have remained unoccupied for a period of not less than six calendar months, the rate per house shall be two-thirds of the amount which would be payable if the house had not been unoccupied. The minimum amount paid to be not less than Thirty-seven shillings.

4. The foregoing rates are hereby payable in advance in one amount on 1st January, 1931.

5. For water supplied for domestic or other than domestic purposes by the Trust by measure the charge shall (except where otherwise agreed by the Trust, and save as hereinafter provided in the By-law) be One shilling and sixpence per 1,000 gallons up to such quantity as would be equal to the amount of the assessed rate payable in respect of the premises so supplied; and for all water consumed in excess of such quantity a charge of Two shillings per 1,000 gallons shall be made.

6. The charge for private water troughs shall be Twenty shillings per annum (to include water rate payable when the value of the property on which such trough is situated does not exceed Ten pounds). When such rate exceeds Ten pounds there shall be no charge additional to the rate assessed on the property except where, in the opinion of the Trust, a meter is necessary or advisable, in which case the consumer shall be charged and must pay at the rate charged for water supplied by measure. The minimum charge shall be Twenty shillings.

7. Water supplied to public gardens and parks shall be charged for by measurement at Sixpence per 1,000 gallons, and water supplied to show-grounds or cricket ground shall be charged for by measurement at One shilling and sixpence per 1,000 gallons; any quantity supplied in excess of the full measure of a unit of 1,000 gallons shall be charged for as 1,000 gallons. All water so supplied must be through a meter and paid for half-yearly.

8. The charge for water supplied from any stand-pipe or hydrant shall be Sixpence for any quantity up to 200 gallons, and Sixpence for each additional 200 gallons or portion of 200 gallons.

9. For the supply of water during the erection of a new building, or alterations to or additions to existing buildings, the charge shall be, for a stone or brick building, Five shillings per centum on the cost of the stone or brick building, including plastering, or the same shall be fixed by agreement with the Trust. For the supply of water for the erection of a wooden building with plastered walls, the charge shall be Two shillings and sixpence for each room or passage, and Five shillings for each chimney. For a supply of water for wooden buildings where no plaster is used, the charge shall be Five

No. 161.—13530.—2

shillings for each chimney in such building. All payments shall be made in advance. No person shall take or use any water for or in connexion with the erection of any new buildings or alterations to or additions to existing buildings till he has obtained the receipt of the Trust's officer for payment of the amount payable for the use of such water, or the consent, in writing, of the Trust or its officer. Any persons offending against the provisions thereof shall be liable to a penalty not exceeding £5 for such offence. All charges shall be additional to all rates or other charges payable by the owner or occupier of the premises upon which the building is being erected, and shall in the first instance be payable by the builder or contractor, and if unpaid by the builder or contractor shall be charged to and paid by the owner of the premises whereon such building is being erected; but such charge to the owner shall not prejudice the right of the Trust to proceed at its option against either the builder or contractor or the owner or occupier for the amount payable.

10. The occupier of two or more tenements liable to be rated, one of which is supplied with water by measure, shall be entitled, on the payment of the rates on such tenements respectively, to use without further charge such quantity of water by meter as shall not exceed at the current charge for water supplied for domestic purposes by measure the amount of such rates, provided that the tenement or tenements if not supplied by measure shall not be connected with the pipes of the Trust. The occupier of two or more tenements, each of which is supplied with water by measure, shall be entitled to use without further charge such a quantity of water at either or both such tenements as shall not exceed at the current charge for water supplied for domestic purposes by measure (the amount of such rates) the amount at which such tenements if not supplied by measure would be rated.

11. For the water used or supplied for gas engines, oil engines, or steam boilers, the charge shall be by measure, the minimum amount to be charged and paid shall be Twenty shillings, to be paid and payable in advance in each case. No water shall be supplied to any such engine or boiler until a meter shall have been affixed to the supply pipe of such engine or boiler to the satisfaction of the engineers of the Trust, and no water will be supplied to any engine unless such engine is fitted with mechanical appliances to circulate and re-use the water to the satisfaction of the Trust's officer.

12. The minimum quantity of water to be charged for half-yearly in each case where water is supplied by measure for other than domestic purposes shall (except where otherwise provided or implied in this By-law) be 10,000 gallons, and such water shall (where it is not otherwise provided in this By-law or otherwise specially agreed by the Trust), be charged at the rate of Two shillings per 1,000 gallons.

13. Supplies of water for purposes not specified herein are to be paid for at such charges as the Trust shall in each case determine, and the preliminary payments appointed by the Trust on account of such charge shall be made at the office of the Trust before a supply shall be taken or used.

14. When water is supplied for use on any land exceeding 5 acres in area, such water will be supplied by measure only, and the owner or occupier of such land must provide a meter.

15. The service pipes from the main, being the property of the owners or occupiers of the tenements supplied from such service pipes, the owner or occupier shall, in every instance in which damage is caused by reason of such service pipe being leaky or otherwise out of repair or broken, be guilty of an offence. If any person neglect to repair any such service pipe conveying water from the pipes of the Trust into the premises of such person after having received notice from the proper officer of the Trust that such service pipe requires repairing, the Trust may stop the water flowing into the premises either by cutting off the service pipe or otherwise, as the Trust may see fit, until the necessary repairs have been effected. The Trust may at any time, when found necessary, repair or renew any pipes and stop-cocks laid for conveying a supply of water to any tenement, and may charge the owner thereof with the cost of providing and laying, repairing, or renewing the same, and such cost shall be a debit due by such owner to the Trust, and shall be recoverable in any court of competent jurisdiction.

16. Such person or persons as the Commissioners of the Coleraine and Casterton Waterworks Trust may from time to time appoint for the purpose shall be authorized to demand, receive, collect, and recover the rates and charges aforesaid and each of them.

17. In construction of this By-law the word "person" shall be deemed to extend to and include a corporation, whether aggregate or sole, and the word "Trust" shall mean the "Coleraine and Casterton Waterworks Trust."

Passed the 3rd day of December, One thousand nine hundred and thirty.

## KYABRAM WATERWORKS TRUST.

## BY-LAW FOR 1931.

THE Commissioners of the Kyabram Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District for the purposes of the *Water Act 1928*, do hereby, pursuant to and in exercise of the powers and authorities conferred by the said Act, make the following By-law:—

The following rates and charges are those which the occupiers or owners of lands and tenements shall pay for the year 1931 in respect of water supplied by the Trust within the Water Supply District:—

1. For every house or tenement used either wholly or partly as a domicile of under Sixteen pounds annual municipal value, a rate of One shilling and sevenpence in the pound sterling, provided that such rate shall not be in any case less than One pound five shillings and fourpence per annum.

2. For any house or tenement used either wholly or partly as a domicile of the annual municipal value of Sixteen pounds and upwards, a rate of One shilling and sevenpence in the pound sterling.

3. The rate to be paid in respect of unoccupied allotments of land shall be Six shillings and fourpence for each allotment not exceeding one-quarter of an acre; Twelve shillings and eightpence, if more than a quarter of an acre, but not exceeding half an acre; Nineteen shillings if more than half an acre, but not exceeding three-quarters of an acre, with a maximum charge of One pound five shillings and fourpence sterling for any parcel of land within the Urban District.

4. Where any horses or cows are wholly or partially kept on or at any land or tenement not supplied by the Trust with water by measurement, there shall be payable for every such animal exceeding one in number wholly or partially kept as aforesaid (in addition to the assessment rate), a special rate of Six shillings per head per annum.

5. For water in excess of the quantity covered by the above rate supplied by the Trust by measurement (except in cases of special arrangement with the Trust), One shilling and threepence for every 1,000 gallons. The quantity covered by the rate shall be 1,000 gallons for every One shilling and sevenpence in the amount of rates payable.

6. The foregoing rates are hereby made payable yearly, on the 31st day of March, 1931.

Passed 7th November, 1930.

(SEAL)

R. E. DOIDGE, Chairman.  
GEORGE CLEMENTS, Secretary.

## LAWLOIT WATERWORKS TRUST.

## RATING BY-LAW FOR 1931 IN THE URBAN DISTRICT OF KANIVA.

THE Chairman and Commissioners of the Lawloit Waterworks Trust, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law:—

The following rate and charges are those which the occupiers and owners of lands and tenements liable to be rated shall pay for the year 1931 in respect of water supplied by the Trust within the Urban District of Kaniva, as such District has been proclaimed and defined.

1. *Minimum*.—Every vacant allotment of land, whether occupied or otherwise, and being on the pipe line, 15s. per annum. Every vacant allotment of land within the Waterworks District and not being on the pipe line, 5s. per annum. For every house or tenement used either wholly or partly as a domicile, whether occupied or otherwise, of less than Eighteen pounds sterling annual value, the sum of Three pounds sterling per annum.

2. *On Valuation Above Minimum*.—For every house or tenement used wholly or partly as a domicile, whether occupied, or otherwise, of Eighteen pounds sterling, or more than Eighteen pounds annual value, an amount equal to 3s. 6d. in the pound on the amount of the valuation.

3. *Special Rates*.—For all tenements or allotments of land, whether occupied or otherwise, in the said District situate otherwise than on streets in which the pipes for the supply of water have been laid down, and which tenements or allotments of land, whether occupied or otherwise, are not supplied with water by reticulation from such pipes, and being within a quarter of a mile of any stand-pipe for the supply of water, one half of the above-mentioned rate; and where such tenements or allotments of land, whether occupied or otherwise, are over a quarter of a mile from such stand-pipe, and within half a mile thereof, one-fourth of the above-mentioned rate.

4. *Minimum Meter Charge—Excess Meter Charge*.—Such owners as are supplied with water by meter shall pay at the rate of Two shillings and sixpence per One thousand gallons up to the quantity they would be entitled to receive according to their assessment, and at the rate of Two shillings per One thousand gallons for anything over that quantity.

5. *Public Institutions and Others*.—Water supplied to all Government Departments, charitable or other institutions, and religious denominations, shall be by measure at Two shillings and sixpence per One thousand gallons, or by special agreement. For water supplied to cricket, bowling, or tennis clubs, the charge shall be subject to arrangement with Trust.

6. *Irrigation*.—Water supplied exclusively for irrigation purposes to be paid for by measure, in accordance with the charges fixed by this By-law.

7. *Water Rate Outside Trust's Area*.—Such occupiers and owners of tenements not within the Trust's area, and who have agreed with the Trust to be supplied with water by meter, shall pay at the rate of Two shillings and sixpence per One thousand gallons.

8. *Water Troughs*.—Private water troughs will be charged for at the rate of Ten shillings per annum each, except where, in the opinion of the Trust, a meter shall be necessary, in which case the minimum charge shall be for 4,000 gallons per annum, at Two shillings and sixpence per thousand gallons.

9. *Interpretation Clause*.—In the construction of this By-law the word "Trust" shall mean the Lawloit Waterworks Trust—Urban District of Kaniva.

10. *Excess Payments*.—Where water meters are affixed the excess payments shall be made at the end of each year, or at such time or times as may be demanded by the Trust.

*Period of Rate*.—That the above-mentioned rate is made for one year commencing the first day of January, 1931, and ending on the 31st day of December, 1931, and shall be payable in one moiety due and payable on the first day of January, 1931.

Such person or persons as the Commissioners of the Trust may from time to time appoint for that purpose shall be authorized to demand, and receive, and collect, and recover the said rates and charges.

By-law passed and adopted this 2nd day of December, 1930.

The seal of the said Trust was affixed hereto in the presence of—

(SEAL) S. ROY CHAMPNESS, Chairman.  
W. H. BOND, Commissioner.  
GEORGE COUTTS, Commissioner.  
THEO. P. KELLY, Secretary.

## LAWLOIT WATERWORKS TRUST.

## RATING BY-LAW.

THE Commissioners of the Lawloit Waterworks Trust, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law, viz.:—

*By-law for the Making of a Rate for the Year 1931.*

A rate of Threepence in the pound shall be imposed, and levied upon all rateable property within the Waterworks District of the said Trust, with the exception of the Urban District of Kaniva, and such rate shall be based upon the municipal valuation for the time being of the property rated.

Such rate shall be payable on the first day of January, 1931.

Such person or persons as the Commissioners of the Trust may from time to time appoint for that purpose shall be authorized to demand and receive the said rate.

The foregoing By-law was made on the 2nd day of December, 1930, by the Commissioners of the Lawloit Waterworks Trust.

The common seal of the Lawloit Waterworks Trust was hereto affixed by the authority of the Commissioners of the said Trust in the presence of—

(SEAL) S. ROY CHAMPNESS, Chairman.  
THEO. P. KELLY, Secretary.

## LONGWOOD WATERWORKS TRUST.

## RATING BY-LAW FOR 1931.

THE Commissioners of the Longwood Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law:—

The rates and charges herein specified are those which the occupiers or owners of lands and tenements situated within the aforesaid District are liable to be rated and shall pay for the year 1931 in respect of water supplied for domestic purposes, such rate to be payable yearly, in advance, on the first day of January, 1931:—

1. On every house or tenement above the annual value of Twenty pounds, according to the municipal valuation for the time being, a rate of Three shillings in the £1 on all houses and tenements of the annual municipal valuation of Twenty pounds and upwards.

2. On houses and tenements of the annual municipal valuation of less than Twenty pounds, a sum of Three pounds.

3. For each vacant allotment or piece of land rated separately from any building, Three shillings in the £1 on the municipal valuation thereof, with a minimum of Twenty shillings.

4. Every trough for the purpose of watering stock shall be regulated by a ball stop-cock.

Such person or persons as the Trust may appoint for the purpose are hereby authorized to demand, collect, and recover the said rates and charges.

Passed this 10th day of November, 1930.

(SEAL) R. E. G. PHILLIPS, Chairman.  
L. GRANT, Secretary.

The foregoing Rating By-laws, made by the Apollo Bay, Benalla, Coleraine and Casterton, Kyabram, Lawloit, and Longwood Waterworks Trust Commissioners respectively, were approved by the Governor in Council on the 12th December, 1930.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

*Sewerage Districts Act 1928.*  
**ECHUCA SEWERAGE AUTHORITY.**  
**By-LAW No. 1.**

**T**HE Echuca Sewerage Authority, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Sewerage Districts Acts, and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

In the construction of this By-law, unless inconsistent with the context or subject-matter—

1. "Authority" shall mean the Echuca Sewerage Authority.
- "Engineer" shall mean the engineer of the said Authority.
- "The Acts" shall mean the Sewerage Districts Acts.
- "Sewerage District" shall mean the Echuca Sewerage District.

*General.*

2. No person shall cause or permit the admission to any drain or sewer of the Authority of any land drainage, surface or otherwise, or rain-water from roofs, yards, streets, or other surfaces, whether by inlets specially designed to admit it, or by any other inlets or openings so placed that such water may get access thereto, and no inlet or opening shall be placed or permitted to remain in such a position that any extraneous water from any river, lake, gully, or creek, or any other source, whether in flood or otherwise, has access to any drain or to any sewer of the Authority.

*Preparation of Plans and Execution of House Connexion Works.*

3. (a) All drains, sinks, traps, urinals, water closets, grids, water or sewerage pipes, apparatus, appliances, stables, cow-houses, yards, and other works or places on any premises within the sewerage district, shall be made, affixed, and constructed in compliance with the requirements of the Acts, and any regulations thereunder and this By-law, but any drain, sink, trap, urinal, water closet, grid, water or sewerage pipe, apparatus, appliance, stable, cow-house, yard, or other work, or place on any such premises, at the date of this By-law, which the owner may desire to remain unaltered, and which, in the opinion of the engineer, is so constructed and kept so as not to be a nuisance or injurious to health, and so that there is no overflow or leakage, or soakage therefrom, may, with the consent of the Authority, remain unaltered until the Authority otherwise orders, notwithstanding that it does not comply with any of such requirements. (b) Save as provided by sub-clause (a) of this clause, if any drain, sink, trap, urinal, water closet, grid, water or sewerage pipe, apparatus, appliance, stable, cow-house, yard, or other work, or place on any such premises (whether made or affixed, or constructed before or after the date of this By-law), does not comply in every respect with the requirements of the Acts, and all Regulations made thereunder, and this By-law, the owner and occupier of such premises shall (without affecting the liability of any other person) be severally guilty of an offence against this By-law.

4. All drains in and from properties to and as far as the point of connexion of the branch drain with the sewer must be repaired and cleansed by, or at the cost of, the owner or owners.

5. In the case of any obstruction taking place in a combined drain, the Authority will determine between the respective owners or occupiers of the premises drained thereby, by whom and in what proportion the cost of removing any such obstruction shall be paid.

6. Application for the Authority's consent to connect with the sewerage system, or to do plumbing and drainage work connected therewith, must be made in writing by the owner of the property to be so connected, or by his authorized agent. Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be made in form prescribed by the Authority. No person shall in any such application knowingly make any untrue or incorrect statement. No consent shall be deemed to authorize anything not stated therein.

An approval by the Authority of a plan under section 133 of the *Sewerage Districts Act 1928*, or any consent under section 121, shall not be deemed to authorize or to confer or grant the right to lay a drain through any land intervening between the premises proposed to be connected and the sewer of the Authority, and any owner or applicant for the approval of such plan or consent shall satisfy himself as to his legal right to drain through such intervening land, and shall be solely responsible for any trespass or damage thereon or thereto.

Consents to make connexions with the sewerage system will be issued only when the plumbing and draining in the property to be connected is planned to be made in accordance with the rules for plumbing and draining hereinafter prescribed, and after such plan has been inspected and approved of by the inspector appointed by the Authority for the purpose, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage of the building into the branch, of which the Authority shall have fixed the position, has been approved of in writing by the

Authority. All connexions with drains or sewers, and all plumbing and drainage connexions therewith, shall be made under and in accordance with the directions of the engineer or the superintending officer of the Authority.

Consent will not be given for the performance of any such work except upon condition that no person shall be engaged or employed as a workman in the actual performance of any plumbing or drainage work unless he be the holder of a "Working Plumber's Licence" or "Drainer's Licence" from the Authority. No person shall at any time, or at any place, make up, form, affix, alter, or repair any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority's sewerage system, unless he be the holder of a licence from the Authority authorizing him to do such work.

No person, whether licensed as aforesaid or not, shall alter, remove, or in any way interfere with any drain-fitting pipe, bend, trap or other thing connected with the Authority's sewerage system, unless the Authority's previous written consent to do such work has been given.

*Master Plumbers' Licences.*

7. "Master plumbers' licences" may be granted by the Authority to any person who is a master plumber who shall satisfy the Authority, either by passing an examination by examiners appointed by the Authority or in such other manner as the Authority may from time to time or in any particular case direct, that he has a thorough knowledge of sanitary and general plumbing and of the By-laws and provisions of the Acts relating thereto. The general conditions under which working plumbers' licences are issued shall also apply to master plumbers' licences.

*Working Plumbers' Licences.*

8. The conditions under which "working plumbers' licences" will be issued by the Authority are:—

- (a) That every such licence will be subject to suspension or cancellation at the will of the Authority, and that all such licences will be granted to expire on the 31st day of December of each year.
- (b) A special condition of every consent issued to an owner or agent shall be that if a licensed plumber in his employ upon any such work prove, according to the judgment of the Authority's inspecting officer, to be incapable, as a workman, or transgress the By-laws or regulations of the Authority, and the "working plumber's licence" of such workman be for any such cause suspended or cancelled by the Authority, and notice of such suspension or cancellation, in the form prescribed by the Authority, or to the like effect, be given by the Authority in writing, by registered letter addressed to the said owner or agent, the said owner or agent shall cease to employ such workman upon any such work immediately after and during the continuance of such suspension or cancellation. And any such owner or agent who shall neglect or fail to comply with this condition shall be guilty of an offence against this By-law.
- (c) "Working plumbers' licences" will be issued on payment of a fee of 10s. to candidates for original licence, and for each renewal 5s., who shall have successfully passed an examination by examiners appointed by the Authority, in the following subjects, that is to say:—

**Materials.**—The use of lead, tin, copper, and their alloys, wrought and cast iron, stoneware or cement concrete, bricks, tiles, Portland cement, and other materials used by the plumber and drainer.

**Plumbing Practice.**—As to solder and soldering, lead burning, lead laying, pipe and joint making, pipe bending, and general plumbers' practice.

**Water Supply Work.**—Knowledge of the Water Acts and Water Supply By-laws, general water supply works, water supply fittings, hot water connexions.

**Sewerage Work.**—Knowledge of the Acts and Sewerage By-laws or Regulations thereunder, in so far as the same relate to the work and duties of plumbers or others in regard to the construction, maintenance, and protection of the general sewerage system, construction and use of traps, soil, waste, and vent pipes, house fittings, water-closets, kitchen sinks, baths, lavatories, house-maids' sinks, urinals, latrines, and other sewerage apparatus and appliances.

**General Principles of Sanitary Work, Flushing, Ventilation, Disconnection.**—Candidates for examination in plumbing practice must provide themselves with their own tools, and may be required to submit samples of work done by themselves, and also to make any pipe, bend, joint, or other plumbing appliance which may be required to satisfy the examiners.

- (d) Candidates for "working plumbers' licences" must give notice in writing to the secretary of the Authority of their intention to submit themselves to examination at such time as shall be appointed for the same by the Authority's examiners.

Every candidate who shall have successfully passed the before-mentioned examination and given proof to the satisfaction of the examiners of practical ability as a plumber, will be furnished with a licence from the Authority to do practical work as a working plumber upon and in connexion with the sewers, drains, and all fittings, appliances and apparatus appurtenant thereto within the Echuca Sewerage District, subject to and in accordance with the Authority's By-laws or Regulations. And he will likewise be furnished with a certificate from the Authority that he is duly qualified to do the work in connexion with the sewerage system under the control of the Authority, and in accordance with the Authority's regulations.

"Working plumbers' licences" will, at the discretion of the Authority, be issued without previous examination to any practical plumber who shall be the holder of, and shall produce a licence from any other sewerage authority equal in value to the standard established by the Authority's examination, and who shall satisfy the Authority's examiners that he is conversant with the By-law according to the judgment of the Authority's examiners, which shall be final. Prior to the issue of any "working plumber's licence," the person to whom the same is to be issued must sign a register containing a declaration that he accepts such licence subject to and in conformity with the conditions thereof, and the By-laws or Regulations of the Authority, and that he will carry out all contract work according to the conditions of contract and general specifications of which he has received copies, and that he will conform to and comply therewith.

Whilst none but the holders of "working plumbers' licences" are allowed to be engaged or employed in the performance of plumbing work for sewerage, the holders of licences for water supply work may do water supply work necessary to the sanitary work, such as fixing cisterns and water-closets in outside buildings where lead is not used, and work for water supply.

The examination for a "working plumber's licence," or for a "drainer's licence" only, may be held by the Authority separately or in conjunction with any technical school as may be determined by the Authority.

#### *Drainers' Licences.*

9. Drainers' licences will be issued to candidates who have successfully passed an examination in the following subjects:—

**Plans.**—How to read plans; meaning of scales—the scales commonly used in drainage plans; meaning of elevation, plan, and section drawings.

**Levels, &c.**—Laying off levels for drains; the straight edge; spirit-level, and boning rods; tools generally used in drain laying; preparing bottom of trenches to receive pipes.

**Excavating, Timbering, and Refilling.**—Protecting the trench by timbering; different treatment of different soils, as loam, clay, loose and wet sand, &c.; tunneling and tunnel timbering; precautions when near buildings; importance of care in refilling trenches and tunnels.

**Drain Laying.**—Junctions to sewers, laying and jointing of stoneware or cement concrete pipes, cement joints, bitumen joints, self-fitting joints, drains under houses and in soft ground; cast-iron drains, laying and jointing, method of jointing stoneware and cast-iron drains; minimum depth below surface for safety.

**Drainage Details.**—Disconnecting traps; diminishing of pipes by various methods; gully traps or sinks; self-cleansing form and arresting form, and where each should be used; the reflux gully trap; grease or grease interceptor trap; S trap; pedestal W.C., access eyes, and access pipes; cast-iron drainage details.

**Materials.**—Self-glazed stoneware; qualities of lime, mortar, and cement mortar, and where each should be used; concrete, proportioning mixing and usage; brick; brick bond for junction pits, manholes, &c., cast-iron pipes.

**Hints on Work.**—Laying-off work; drain testing by water, smoke, air pressure, &c., clearing of chokages.

The condition under which working plumbers' licences are issued will also apply to drainers' licences.

#### *Persons Authorized to Carry out Works.*

10. No person shall tender for or enter into a contract for any plumbing or draining work relating to sewerage within the sewerage district who does not hold either a master plumber's licence or a working plumber's licence, unless by permission of the Authority. And no person other than the holder of a working plumber's licence or drainer's licence shall actually perform any plumbing work or draining work respectively.

#### *Fees for Plan of Drainage Design and Inspection.*

11. Copies of the Authority's plans of individual house drainage will be furnished by the Authority upon application and payment for the same, as follows:—

(a) Plan of drainage, including surveys, &c., for every house, hotel, shop, factory, or other building, a minimum charge of 10s., plus 2s. 6d. for each fitting, as specified.

(b) For the supply of a block plan, where the owner desires to design his own house drainage, a fee of 2s. 6d. shall be charged.

(c) For making or examining any alterations or addition to a plan previously issued or approved of by the Authority, a minimum charge of 5s. shall be made by the Authority.

(d) For the examination of owner's plan of drainage, a minimum charge of 7s. 6d. shall be made.

(e) Plumbing inspection, 10s. per tenement.

(f) Drainage inspection, 10s. per tenement.

(g) In all cases where the sewerage of a property is not carried out by the Authority, there will be a minimum fee for inspection by engineer and charting of 10s., payable to the Authority by the owner on completion of the work.

(h) Where the Authority designs the work and has same carried out for the owner, a charge shall be made equal to the amount incurred by the Authority in the designing and supervising all details in connexion with such works.

#### *Inspection.*

12. The owner or his authorized agent, or the plumber, drainer, or contractor carrying out the work must give at least twenty-four hours' notice to the Authority of his intention to commence work, and also when any work is ready for inspection. All work must be left uncovered and convenient for examination until inspected and approved of by an inspector appointed by the Authority. Such inspection shall be made within twenty-four hours of such notification being received at the office of the Authority, except when notification is received on Saturdays, when sixty hours must be allowed.

The inspecting officer may apply the ether, peppermint, water, smoke, or air test, the air test to be applied at a pressure of not less than 3 inches of water, and the plumber or drainer shall furnish all the necessary tools, apparatus, labour, and assistance required for such tests. The owner or his authorized agent shall remove or repair any defect when so ordered by the inspecting officer, and, if he neglects to do so, shall be liable, upon conviction, to a penalty not exceeding £5, and to a penalty not exceeding £1 for every day thereafter during which such neglect or failure shall continue.

Before the fittings are connected with the plumbing of any house or building, or after, if so ordered, and before the soil or waste pipe is connected with the sewer, the outlet of the soil or waste pipe and all openings into it below the top shall be hermetically sealed. The pipes shall then be filled with water to such height as may be ordered, or with smoke, &c., as the superintending officer of the Authority may direct, and every joint and pipe carefully examined for leaks. Defective pipes must be removed and replaced by sound ones, and all defective joints made tight, and every part of the work made to conform to this By-law, and subject to the approval of an officer appointed by the Authority.

House drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. When being tested with water there must be a head of at least six (6) feet above every part of the drain.

Before a licensed plumber or drainer commences to clear a stoppage in a drain he must notify the Authority, in writing, of the time when he intends to clear the stoppage, so that an inspector may attend and pass the work in accordance with the provisions of the Acts.

#### *Defective Fittings.*

13. When any drain pipe, soil pipe, trap, water-closet, urinal, sink, or other fitting laid, used, or constructed otherwise than in accordance with this By-law, or which shall, in the opinion of the Authority, be or become bad, or of defective quality, shall, upon notice in writing from the Authority to the owner or occupier of the property, be by such owner or occupier removed or repaired in the manner determined, and within the time fixed by the Authority; and in case such owner or occupier fails to comply with the requirements of such notice, he shall be liable to prosecution and penalty for an offence against the Act, or the Authority will, if it think fit, remove or repair the said defective fitting, and charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in manner provided by the said Acts.

#### *Quality of Materials.*

14. All materials used must be of good quality and free from defects. All pipes and sewerage fittings of every description must be tested and branded by the Authority. All work must be executed in a thorough and workmanlike man-

ner, and to the satisfaction of the Authority. No sanitary fitting shall be allowed to be connected to the sewers of the Authority unless it be of a type previously approved of by the Authority, or unless special permission has been given by the engineer for connexion of such fitting.

The utmost care must be exercised on all house connexion work to ensure that only materials which are in accordance with the Authority's By-laws and Regulations are used.

#### *Drains.*

15. The drainage of each house is to be arranged for separately, unless, in the Authority's opinion, special reasons exist for draining by a combined operation.

Owners desiring to have the drainage of their properties combined must sign a request for a combined drain.

When the drainage of more than two properties is combined, an inspection chamber must be provided, if shown on plan or ordered.

Boundary traps will only be allowed by permission of the engineer. All the drains must, wherever considered necessary by the Authority, join in a manhole at least three feet (3 feet) long and two feet (2 feet) wide, fitted with a closed cover. The portions of the drains crossing the floor of the manhole must be in a straight line or by curved junctions in the floor of the manhole. All manholes to be cement rendered (two parts sand and one part cement) to a smooth surface, and made watertight.

The manhole must be provided with a closed cover, and special ventilation must also be provided, if considered necessary by the engineer.

The drains outside of the house or building, or from isolated water-closets, to the street sewer shall be constructed of pipes of approved quality and manufacture.

Cast-iron pipes jointed with lead, as is usual in water pipes, or reinforced cement concrete pipes, where approved by the engineer, or other approved pipes surrounded with at least four inches (4 inches) of Portland cement concrete, such concrete to be composed of one part of Portland cement, two parts of clean sand, and four parts of stone of 1½-in. gauge or gravel approved by the inspector shall be used in the following cases:—

- (a) In yards or places liable to heavy traffic, where the cover over the drain is less than 2 ft. 6 in.
- (b) In cases where the construction of drains under buildings is unavoidable.
- (c) Where drains and fittings are to be laid and fixed at a distance of less than 6 feet from any cellar, water tank, or other excavation.
- (d) In soft, bad, waterlogged, or made-up ground.
- (e) Adjacent to trees where damage to drain is likely to be caused by roots.

#### *Pipe Trenches.*

16. The trenches for the drains from all properties shall be dug so as to meet the public sewers at the position of the branches and O.B.'s indicated by the Authority. The material from the trench shall be placed so as not to obstruct, and so as to cause the least possible inconvenience to the public. Proper barriers and lights must be maintained on the banks of the trenches during the progress of the work, to guard the public against accident. In refilling the trench, the earth must be rammed or flooded carefully, so as to keep the pipe in position and avoid settling. No stone shall be used in refilling until there has been a depth of at least 2 feet of earth or gravel placed over the pipe.

#### *Subsoil Drainage.*

17. Subsoil drainage connexions to the sewerage system are prohibited.

#### *Basement and Cellar Drainage.*

18. No water-closet or urinal shall be placed in any cellar, basement, room, or apartment, unless at least 5 feet of the walls of such cellar, basement, room, or apartment are above the surrounding land. In all cases where it is proposed to place a water-closet or urinal below the level of the surrounding land, plans and sections, showing provision for light and ventilation, must be lodged with the application, under section 133 of the *Sewerage Districts Act, 1928*, for approval of plan, or with the application, under section 122, as the case may be.

Where any house shall have its lowest door, cellar, or basement at a lower level than the sewer of the Authority into which such house would otherwise drain, the owner shall, pending pulling down or alteration of such house, cause the drainage from such lowest floor, cellar, or basement to be raised by means of a syphon, or some other method approved by the Authority, so that it shall discharge into a drain communicating with the sewer of the Authority.

Where, in the opinion of the Authority, a cellar or basement is so situated that it can be drained by gravitation to the Authority's sewers free from any risk of backflow in the event of the sewers becoming surcharged, the Authority may permit such connexion, provided a sluice valve be fixed between the cellar or basement connexion, and the sluice valve be kept closed, as hereinafter mentioned; and provided the owner

apply, in writing, for same, and furnish the Authority with an undertaking that such connexion is made at his risk, and indemnify the Authority against all damage in connexion therewith. In such cases the soffit of the pipe draining the cellar shall at its highest point be at least 1 ft. 6 in. below the cellar or basement at its lowest point.

Sluice valves must be kept closed, and only opened when it is necessary to allow an accumulation of water to drain to sewers. Spindles of sluice valves must be fitted with permanently attached extension rods of sufficient length and diameter to enable the valves to be opened or closed from the level of the ground floor of building.

#### *Rain-water.*

19. Rain-water conductors shall not be connected with the sewers.

#### *Stables, &c.*

20. All stables, dairies, cow-sheds, and all areas considered by the engineer polluted areas, must be paved with approved material, graded and drained to the satisfaction of the Authority, and the drain therefrom must be trapped with an approved silt trap connected with the drain inside the boundary line. The joints of stable floors and paved areas connected with the sewers of the Authority must be filled to full depth with either (1) good cement mortar in the proportion of one part of cement to not more than two and a half parts of clean sharp sand; or (2) an admixture of pitch and sand, mixed as directed; or (3) with other jointing material which may be approved by the engineer.

All stables and cow-sheds in actual use must be paved and graded to the satisfaction of the Authority, and connected with the Authority's sewers. The drainage of those not in use must be provided for, but they need not be connected with the sewers while they are unused.

The drainage from stable floors must discharge over an approved silt trap, which must be provided with a top of brickwork or Portland cement concrete, and fitted with a heavy grating.

All stables, dairies, cow-sheds, and polluted areas must be roofed over to the satisfaction of the Authority.

#### *Manure Bins.*

21. Manure bins must be provided for all stables or cow-yards where the local Council's By-laws demand their construction, or where the locality is closely built on.

All the manure bins must have the inside surfaces rendered with cement mortar, and must be made impervious throughout, and provided with an approved close-fitting cover. Walls of new manure bins must, unless otherwise approved, be at least 9 inches in thickness, built of brickwork laid in cement mortar.

If an outlet pipe be provided for a manure bin, it must be properly connected with the Authority's sewers.

Branches in house drains must be provided in all cases where manure bins exist for their connexion, whenever the Authority shall deem it necessary.

#### *Laying Drains.*

22. All drain pipes must be either approved stoneware or centrifugally spun reinforced concrete, and must be at least 4 inches in diameter, except where otherwise ordered by the Authority, and must be taken to the Authority's depot to be tested by the officer appointed by the Authority in the machines provided for the purpose.

The cover of the branch on the sewer shall be carefully removed so as not to injure the socket.

The first length of the pipe attached to the branch and O.B. shall be curved and set so as to give a good fall into the sewer, and shall be provided with a cleaning eye.

An inspection opening attached to the drain, inside and within 5 feet of the boundary line, or such other distance as may be deemed necessary by the engineer, must be provided. A manhole giving access to the inspection opening at the sewer end of the drain to be provided if considered necessary by the engineer.

All pipes shall be carefully bedded on the barrel in the solid ground.

Where in the opinion of the Authority it is necessary, cast-iron pipes, or approved reinforced cement concrete pipes, must be used, or stoneware pipes bedded in concrete of dimensions approved by the engineer, such concrete to be composed of one part Portland cement, two parts of clean sand, and four parts of stone of 1½-in. gauge, or gravel approved by the inspector.

Unless otherwise directed by the engineer, stoneware or reinforced cement concrete pipes must not be laid less than fourteen (14) inches deep from the surface of the ground to the top of the socket of the pipe. Where this amount of covering cannot be obtained, the stoneware or reinforced cement concrete pipes must be entirely surrounded with not less than 6 inches of Portland cement concrete, as previously specified, or the surface of the ground must be raised to the satisfaction of the Authority's inspector.

All stoneware or reinforced cement concrete pipe drains near roots of trees must be surrounded with not less than 4 inches at all points of cement concrete as previously specified.

Jump-ups, where allowed, must be bedded on and surrounded with 6 inches of Portland cement concrete to full height of drop, if so ordered by the engineer.

The drain pipes shall be laid and jointed by a method approved by the engineer, and on an even grade of not less than 1 in 40 if a 4-inch pipe be used, or of 1 in 60 if a 6-inch pipe be used, unless by special permission of the engineer, in which case special provision must be made for regular and efficient flushing.

As far as possible, all drains shall be laid in straight lines, where changes of direction occur they shall be made either by suitably curved pipes with inspection openings or in manholes.

Stoneware pipes may be substituted for cast-iron or reinforced cement concrete drain pipes in every case, except where the ground is soft or liable to heavy traffic; but in all cases where stoneware or reinforced cement concrete is substituted for cast iron, the pipe must be entirely surrounded by not less than 6 inches of Portland cement concrete, as previously specified. Notwithstanding as heretofore, cast-iron pipes only to be used under buildings, except where the pipe is laid in the earth or by the special permission of the engineer.

All drain pipes carried through walls must have a space of about 3 inches deep clear left over the pipes.

If a pipe be cut out to clear a stoppage, or if a pipe be broken, it must be replaced by a new inspection opening pipe. The old pipe must not be patched up.

Portland cement concrete brought to a smooth surface must be used in each of the following cases:—

- (1) Around and under gully basins, the exposed surfaces to be rendered in cement mortar, 2 parts sand, 1 cement.
- (2) Around the top and for 6 inches below the surface of the ground of vent pipe sockets where exposed.
- (3) Around the top and for 6 inches below the surface of the ground of disconnection traps when the surface is exposed.
- (4) Under and around bends rising vertically off oblique branches, and under all drainage traps.

Cement concrete stops to be provided in all cases where the slope of the drain is such that it may be deemed necessary by the engineer.

In all cases where concrete is mixed, approved mixing boards to be used where an approved concrete mixer is not provided.

All cast-iron pipes must be sound, free from holes or cracks, and coated with tar or asphaltum.

The following weights will be accepted as standards for cast-iron drainage pipes:—

- 4-inch diameter, 16 lb. per lineal foot.
- 5-inch diameter, 20 lb. per lineal foot.
- 6-inch diameter, 23½ lb. per lineal foot.

All fittings used in connexion with such pipes shall correspond with them in weight and quality. All junctions must be curved. Right-angled junctions must not be made.

Where outside closet buildings require repairing or removing, the necessary work within the space covered by the closet buildings must be carried out before the water closet branch is laid; but other portions of the drain may be laid, provided provision be made for effectually testing the closet branch when laid.

Whenever a paved, asphalted, or tar-paved yard or space has been broken in connexion with house drainage, the surface so broken must be restored as nearly as possible to the same condition as it was in previously, unless the owner, in writing, otherwise requires.

#### Joints.—Drainage.

23. Cast-iron pipes shall be jointed with gasket and lead, and caulked to make the joint gas and water tight. The gasket shall not, after being caulked into the socket, exceed ½ inch in depth. Wrought-iron pipes shall be screw-jointed with white lead and hemp.

All connexions of lead pipes with iron pipes must be made with a brass sleeve or ferrule of the same size as the lead pipe, put in the socket of the branch of the iron pipe, and caulked with lead. The lead pipe must be attached to the sleeve or ferrule by a wiped joint.

Joints of stoneware and cement concrete pipes shall be made with cement or other approved joints; gaskets will not be allowed unless by permission, and in no case will cement or other projection extend from inside the joint.

The ends of all private drains not immediately connected with the plumbing fixtures shall be securely closed with watertight, imperishable materials. If stoneware or cement concrete, a stoneware cement concrete or cast-iron disc must be cemented in; if wrought iron, a plug must be screwed on the end; if cast iron, a cast-iron plug must be caulked in with lead.

Connexions of galvanized sheet-iron vent pipes to cast iron do not require a brass sleeve, unless ordered by the engineer.

#### Vent Pipes.—Drainage.

24. The main drain must be vented at its upper end by a pipe or shaft erected vertically to such a height that the mouth of the pipe or shaft shall be at least 6 feet higher than any window, door, or other opening situated within a distance of 30 feet therefrom.

Branch drains need not be vented if the drainage traps be within 15 feet of the main drain.

When two or more vents are fixed on the same line of drain, the diameter of one may be reduced to 3 inches, by permission of the engineer.

Every vent pipe extending upwards from a soil or drain pipe must be carried to such a height as may be deemed necessary by the engineer, and in any case at least 2 feet above the highest part of the roof or coping, whichever is the higher.

Every vent pipe must be of undiminished size, without return bend, with basket end, or educt or inducet cowl as may be ordered, and it must not open near a window, a chimney, or an air-shaft which ventilates living rooms.

All vent pipes in an extension of a main building, when otherwise they would open within 30 feet of the windows, doors, or other openings into the main building, or the adjoining building, must be extended to such a height above the roof of the main building as may be deemed necessary by the Authority.

All the main educt vents on house drains shall be of the same diameter as the drains, unless special permission be given to vary their dimensions.

No chimney flue shall be used as a sewer ventilator, or to ventilate any drain, soil, or waste pipe.

All inlets to drains or openings for ventilating shall be efficiently protected by proper gratings of ample area. The aggregate area of the apertures in any grating covering a ventilating opening shall not be less than the sectional area of the pipe or drain to which such grating is fixed. All openings for ventilation made in accordance with this By-law, or upon order of the Authority, shall at all times be kept open and perfectly free from obstruction.

All galvanized sheet-iron vent pipes used to ventilate the drainage system, or used as anti-siphonage pipes to soil or waste pipes from closets, slop sinks, or urinals, must be coated with hot tar or asphaltum inside before erection.

All drainage sheet-iron vent pipes must be double galvanized.

Whenever vent pipes from drains are not more than 9 feet above the offset, they will not require staying; if longer, they must be stayed with ½-inch galvanized wrought-iron pipe.

When a galvanized sheet-iron pipe, with or without an offset, is carried up above the brick wall of a building, a galvanized wrought-iron pipe clip shall be used, leaded to the wall near the top wherever possible and bolted against vent pipe. All band iron clips of vent pipes to brick walls must be fastened with nuts and bolts, leaded in.

A length of 15 feet of straight vent pipe without offset may be fixed without stays.

The minimum height measured from the ground level of all vent pipes to be not less than 21 feet.

There shall be at least one pipe hook or clip to each 6-foot length of vent pipe.

When vent pipes terminate more than 6 feet from chimney openings at the same level, the ordinary rules as to height are to apply; but when the distance is 6 feet and under, the vent pipe must terminate 2 feet below the chimney opening. Vents must, as far as possible, be kept away from chimneys.

When it is not possible to carry a vent pipe above the parapet or ridge, the pipe must be carried up as high as it will stand without staying, provided it is 30 feet from a window or door. When it is at a less distance than this, it must be carried up 6 feet higher than any window or door opening within a radius of 30 feet of the vent pipe, and have sufficient stays to support it.

Wooden blocks for vent pipes will not be allowed on walls; when used on posts, they must be of redgum or jarrah.

#### Traps.—Drainage.

25. Traps of three (3) classes shall be used:—

- (a) "Traps," for intercepting gases only, to be of round section and self-cleansing form, but not so easy as to empty by momentum or suction.
- (b) "Silt traps," for intercepting both gases and solids, to have slightly tapering sides, flat bottom, and rounded, not sharp angles, and provided with trays fitted with handles for catching and removing solids.
- (c) "Grease traps," for solidifying and collecting grease or other semi-fluid matter liable to foul the pipes, to be of such form as may from time to time be approved. "Triple interceptor traps," for collecting oil.

The term "gully" is applied to traps (a) and (b) in cases where they are used externally, and fitted with dish tops and gratings. In such case the dish must be in one piece with the trap, or jointed thereto spigot and socket, and the depth of the dish from the top to the grating must not be less than 6 inches, and the grating must be removable.

The term "disconnecter" is applied to traps in cases where provision has to be made for inlet ventilation to the pipe or pipes discharging therein.

All traps must have a water-seal of at least half the diameter of the outlet pipe, but in no case of less than 2½ inches.

Unless a slop sink be fixed inside the building, a gully trap must be provided in the yard of every house, placed as near as possible to the kitchen door, with a tap placed over it at a height of about 2 feet, except in cases where the owner desires the tap to be placed higher.

Gully-trap basins and tops of silt traps must be surrounded with brickwork or concrete neatly rendered inside and on top with cement mortar. The internal diameter of brickwork around gully traps measured from face of cement rendering must not be less than 15 inches, and must be neatly rounded to meet the gully top. The walls at rear of gully and silt traps, if of brick or stone, must be cement rendered to height of tap; if traps abut against a wooden wall, a sheet galvanized-iron apron must be fixed.

The top of all traps must be at least 6 inches above the surface of the surrounding ground.

Gratings to gully traps must not be less than 6½ inches over all, and the gratings to all disconnecter traps to be convex in section, with openings of suitable outlet capacity.

All gratings must be fixed down in an approved manner with bitumen or wedges of lead.

When the connecting drain is considerably deeper than the depth at which the private drain will be required to be laid to provide for existing or future cellar drainage, the private drain, instead of being connected directly to the connecting drain, may, if approved, be connected to a jump-up or vertical extension from the same.

#### Water Supply.

26. All water-closets and other plumbing fixtures must be provided with a sufficient supply of water for flushing purposes to keep them at all times in a proper and cleanly condition. All water pipes to be laid in the ground unless by permission of the engineer.

Every owner of property who shall desire, or who shall have been ordered by the Authority to provide, sanitary appliances for his property, and to connect the same with the sewers of the Authority, must, prior to or at the commencement of the work of making such connexion, provide piping approved by the Authority for the conveyance of water, and cause the same to be jointed to the most convenient water supply main, or, with the permission of the engineer, to some pipe already jointed thereto, which piping must be of capacity sufficient to supply all sanitary fittings on the premises freely and continuously, and convey to the flushing cistern of each water-closet upon the property enough water to fill cistern within five minutes, and he shall cause such piping to be connected with such cistern prior to the completion of the work.

No water-service pipe shall be laid to supply any sanitary fitting in any property in the drainage area unless such fitting be connected with the sewers of the Authority, or unless the special permission of the Authority, in writing, shall have been previously given to lay on such water supply.

The piping to convey a supply of water to the tenement for sanitary uses shall not, for the purpose of obtaining such supply, be joined to the piping which conveys water to another tenement for general purposes.

Water-supply pipes to storage tanks for internal closets must be ½-in. diameter for tanks up to 20 gallons, and ¾ inch for tanks of larger size, and be provided with high-pressure ball-taps, except where the height of the storage tank is not sufficient to allow of high-pressure ball-taps being used, when low-pressure ball-taps may, with the consent of the engineer, be used.

Outlets from storage tanks must not be less than ¾ inch when supplying one or two cisterns, and 1 inch for three to six cisterns. Whenever a larger number than six cisterns is fixed, the size of the outlet must be increased. The overflow from storage tanks must be 1½ inches in diameter, and a stop-tap must be fixed on the rising supply pipe to tank.

Where any deviation from these provisions is desired, in special circumstances, an application, in writing (in addition to the plumber's notice), must be made, and must distinctly state the reasons why such deviation is required, and, pending the consent of the Authority, the work must not be undertaken.

In all water-closets a piece of lead pipe not less than 12 inches in length, or specially approved copper connexion, must be used between the flushing cistern and the supply pipe, unless allowed to be dispensed with by the engineer after special application.

#### Plumbing Rules.—General.

27. Separate internal wastes shall be provided for each of the following classes of polluted waters, except by permission of the engineer:—

- (1) Dirty water from baths, pantry, and china closet-sinks, lavatories, and wash-troughs, and other waters with a small proportion of soap and dirt.

- (2) Greasy water from kitchen and scullery sinks where grease traps are required.

- (4) Soil water from closets, and other water containing faecal matter, and urinal water from housemaids' slop-sinks, and public and private urinals.

Each of these separate waste pipes, except those specified in class (3), must be connected with the drains through a gully or disconnecter trap, unless by permission of the engineer.

The ends of waste pipes discharging into gully basins to finish flush with the internal face of the basin.

No waste pipe shall be laid on the ground, outside any building, unless by special permission.

No material shall be used within the building for soil vent or waste pipes, other than wrought or cast-iron pipes with securely screwed or leaded joints, or lead pipes with wiped joints. Cement or putty joints, or tin or sheet-iron pipes, whether galvanized or not, shall not be used.

In all cases the upward extension from the soil pipe for ventilation must pass in as direct a manner as possible above, and, if necessary, through the roof.

The following are the minimum sizes of soil, waste, and vent pipes, and weights of lead, soil, waste, and vent pipes, which must be used throughout, unless otherwise specially ordered by the superintending officer:—

Fitting.	Diameter of Waste Pipe.	Minimum Weight of Lead Waste Pipe.	Diameter of Vent Pipe.	Minimum Weight of Lead Vent Pipe.
	inches.	lbs. per foot.	inches.	lbs. per foot.
One Wash Basin ..	1½ to 1½	6	1½	6
Row of Wash Basins ..	1½ to 2	6	1½	6
Wash Basin Overflow ..	1½ to 1½	6	..	..
One Bath ..	2	6	1½	6
Combined Waste for Baths ..	2 to 3	6	2 to 2½	6
Bath Overflows ..	1½ to 2	6	..	..
Wash Tub ..	2	6	1½	6
Set of Tubs ..	2	6	1½ to 2	6
Kitchen Sink ..	2	6	2	6
Pantry Sink ..	2	6	2	6
Slop Sink ..	3 to 3½	7	2 to 2½	7
One Urinal ..	1½	7	1½	7
Row of Urinals ..	2	7	1½ to 2	7
Soil Pipes ..	4	7	2 to 3	7

All cast-iron pipes must be sound; free from holes and cracks, and coated with Dr. Angus Smith's solution, tar, or asphaltum, or other coating approved by the engineer.

The following weights will be accepted standards:—

- 2 inches diameter—5½ lb. per lineal foot.
- 3 inches diameter—8 lb. per lineal foot.
- 4 inches diameter—13½ lb. per lineal foot.

All wrought-iron pipes must be of approved standard weight and quality, and galvanized or coated to the satisfaction of the Authority.

All fittings used in connexion with such pipes shall correspond with them in weight and quality. All junctions must be curved; right-angled junctions must not be made.

Where lead pipe is used for waste or vent pipes, such lead pipe must weigh not less than 6 lb. per foot; but where, in the opinion of the engineer, a heavier weight may be required, such heavier weight as the engineer shall desire must be used.

No cast-iron pipe laid in the ground shall be less than the standard weights given in this By-law, but for cast-iron soil, waste, and vent pipes in other positions, and for glass-enamelled pipes, the following modifications of the By-law will be allowed, viz.:—

Cast-iron soil and waste pipes, minimum thickness, ¼ inch.

Cast-iron ventilation pipes, 2 inches, 3 inches, and 4 inches diameter; minimum thickness, 3-16th inch.

Glass-enamelled pipe, if not under heavy pressure, may be 3-16th inch in thickness, without coating, for 3 or 4 inch soil or waste pipes. Glass-enamelled pipes shall be measured without enamel.

All soil pipes shall be at least 4 inches in diameter.

Where lead, cast-iron, wrought-iron, soil, waste, or vent pipes are fixed outside a wall for upstairs fittings, the cast-iron, lead, or wrought-iron pipes must be carried up above the level of the highest fitting attached to the pipe.

Sufficient inspection and cleaning eyes must be provided in such positions on cast or wrought iron or lead wastes as to be easy of access for proper cleansing of every part or portion of these wastes.

Where inspection openings are provided to cast-iron soil and waste pipes, preference must be given to insertion cloth washers before red lead, and the inspection openings must have a flange at least  $\frac{1}{2}$  inch wide.

The soil, waste, and vent pipes, and traps must, where practicable, be exposed to view at all times, for ready inspection, and for convenience of repairing. When unavoidably placed within partitions or recesses of walls, soil, waste, or vent pipes must be covered with woodwork so fastened with screws as to be readily removable.

**Bolted Clips.**—Soil, waste, and vent pipes must be fixed to brick or stone walls with approved bolted clips, to be let into wall and properly run with molten lead, and well caulked.

The arrangements of soil and waste pipes must be as direct as possible.

The following are the minimum gradients to be adopted:—

Size of Pipes.	Gradients.	Size of Pipes.	Gradients.
6 in.	1 in 60		
4 in.	1 in 40	1½ in.	1 in 15
3 in.	1 in 30	1¼ in.	1 in 12
2 in.	1 in 20	1 in.	1 in 10

No variation will be allowed except by permission of the engineer.

The area of openings in gratings to any waste must not be less than will fully charge the waste-pipe to which it is attached, and must be in accordance with the Authority's standard drawings.

Traps to be connected to outlets of fittings by means of a cap and lining where possible.

A main waste pipe into which lavatories, baths, or sinks discharge, must be at least two inches (2 inches) in diameter.

External vent pipes of galvanized sheet-iron must be of not less gauge than the following:—

Diameter—

- 1½ in., 2 in., and 2½ in., 22-gauge galvanized iron.
- 3 in. and 4 in., 20-gauge galvanized iron.
- 6 in., 18-gauge galvanized iron.

Vent pipes, if inside a building, must in all cases be of cast or wrought iron, or lead. Grooved or riveted double galvanized-iron vent pipes may be used where they are entirely outside a building, and these must be connected with the traps or waste pipes with brass ferrules, or other joints approved by the engineer.

The various vent pipes may be branched into a soil or waste pipe of the same class above the level of the highest fixture. They may be combined by branching together those which serve several traps of the same class.

Vent pipes must always have a continuous slope, to avoid collecting water by condensation.

Vent pipes shall not be used as waste or soil pipes.

Galvanized sheet-iron vent pipes may be used inside stables or open sheds in place of cast-iron pipes, except where liable to blows from vehicles or other external damage.

In all cases where the vertical stack of soil pipe provides for closets 4 feet or more above ground level, a short length of pipe, with inspection opening cover close to the ground, clamped to a flange on the pipe with bolts, must be fixed. All vertical soil pipes branched into a horizontal soil pipe must do so at an angle of 45 degrees, unless by special permission.

Lead pipes must not be used under ground floors where they are inaccessible or in the soil. In such places cast or wrought iron must be used.

**Anti-syphonage** vent pipes of fittings discharging into gully or disconnector traps must be carried above the eaves of the building, unless special permission to the contrary be granted by the engineer. These vent pipes must be branched to the waste as near as possible to the trap.

Where an additional vent branch is required to a galvanized sheet-iron vent pipe already fixed, a brass saddle-piece, bolted and soldered to the existing vent must be used.

Waste pipes from disconnected fittings need not be ventilated unless they exceed 12 feet inclined, or 18 feet vertical, in length (or their equivalent); branch wastes to such fittings, if connected with the ventilated main waste, provided there be no other fittings attached to the line of waste, may be 6 feet in length without being ventilated, unless syphonage occurs in a trap, in which case a vent pipe must be supplied to the waste of that trap.

Concealed standing wastes are not allowed.

Spacing of lead tacks must be arranged as nearly as possible thus:—

- 4-in. vertical lead pipes, 2-ft. 6-in. centres.
- 4-in. horizontal lead pipes, 2-ft. centres.
- Less than 4-in. vertical lead pipes, 3-ft. centres.
- Less than 4-in. horizontal pipes, 2-ft. 3-in. centres.

One pair of tacks fixed opposite is sufficient for lead-flush pipes for cisterns with lugs; in other cases an extra tack must be fixed as near to the cistern as possible.

Where water might otherwise percolate to the floor, baths, troughs, and the like fittings must be flashed with sheet-lead of not less than 4 lb. per square foot weight, or other approved material. All flashings must be turned up walls at least 4 inches, properly secured, and made watertight. This provision shall not apply to the sinks which are specially provided for under this By-law.

Whenever a fitting is abolished, the soil, waste, vent, and water supply pipes to such fitting must be removed, or if allowed by the Authority to remain, the ends of pipes must be sealed with water-tight, imperishable materials. Wrought-iron pipe must be sealed with screwed plug; a cast-iron pipe must have cast-iron plug caulked in with lead; lead pipe must have end securely closed with properly wiped joint; stoneware or cement concrete pipe must have a disc cemented in.

#### Joints.—Plumbing.

28. All connexions of lead waste and vent pipes shall be made by means of wiped joints.

All connexions of galvanized sheet-iron pipes to cast-iron pipes shall be made with molten lead, and be lightly caulked.

Brass sockets or sleeves must be used in connecting galvanized sheet-iron to wrought-iron pipes, and proper brass sleeves must be used in connecting galvanized sheet-iron pipes to lead pipes. Sheet-iron pipes must not be soldered to lead pipes.

In connecting galvanized wrought-iron waste pipes, the ends of the pipes must be butted by means of short sockets of a minimum length of 1½ inches, and the pipes must be sufficiently threaded to allow of the butting being done, and all burrs must be removed before the pipes are fitted.

The flushing pipe from cistern to water-closet must be connected by a lead cap-piece with red lead packing.

Vent pipes must be connected to the vent horn of the water-closet trap by a lead cap-piece with red lead packing.

#### Trapping Fittings.

29. Every water-closet, urinal, lavatory, slop or other sink, bath, and wash-trough, or set of wash-troughs, must be separately and effectively trapped.

Traps must be placed as near to the fittings as possible, and in no case shall a trap be more than 2 feet from a fitting, unless specially allowed by the engineer.

In the event of trap syphonage, it must be prevented by a special pipe connected to the waste pipe at a point not less than 3 nor more than 12 inches from the highest part of the trap, and on that side of the water seal which is nearest to the soil or waste pipe.

All lead traps must be drawn lead pipe weighing 7 lb. to the foot.

All traps must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than 2½ inches.

The P form of traps, with wastes above floors, and with joints visible and accessible all round, must be used in all internal fittings where possible.

The S form of traps, with wastes under floors, shall only be used by special permission. Where used, facilities for periodical inspection must be provided.

In detached closets and urinals, approved S forms in earthenware, with joints visible and accessible all round, may be used.

All closet pans must be provided with a vent horn attached to the trap.

All fittings inside of main buildings, and also in buildings directly attached to a main building, with doors or windows opening directly into living rooms, workrooms, or kitchens, must be trapped.

Baths, lavatories, and clean water sinks may remain untrapped when fixed under any of the following conditions, provided the length of the waste pipe does not exceed 3 feet, and wash-troughs may remain untrapped provided the waste pipe measured from the centre of the furthest inlet to the end of the outlet does not exceed 6 feet:—

- (1) In an apartment not forming part of the main building and entered only from an open verandah, but having no opening communicating directly with the main building; or
- (2) In an outbuilding not used as a living room or for cooking, and not connected directly by openings with the main buildings.

#### Grease Traps.

30. Every grease trap shall be fixed outside the premises wherever possible, and (if not portable) must be of stoneware, slate, or cement concrete, and attached directly to the drain or disconnector trap.

The size of grease traps in ordinary cases must be as nearly as possible the following, viz.:—Portable copper, 21 inches in length; stoneware or cement concrete, 27 inches in length; or otherwise as ordered by the engineer.

Wherever a copper grease trap is used inside a building, it must be fitted so as to be easily movable.

The size of grease-trap discharge pipes, except in special cases, must not be less than 3 inches for copper, and 4 inches for stoneware or cement concrete.

All large grease traps which are built in brick or slate must be constructed according to the Authority's drawings and specifications, and must have provision made for inlet and outlet ventilation.

Sinks in all such places as food-packing houses, butchers' shops, lard-rendering establishments, hotels, restaurants, boarding-houses, and laundries, and, wherever ordered by the engineer, shall be provided with suitable approved grease traps.

#### *Water-closets and Latrines.*

31. The area of any external water-closet must not be less than 13½ square feet, with a minimum internal dimension of 3 feet inside measurements. The minimum heights to be not less than 8 feet at back and 7 feet at front, measured from the floor to the top of wall plate. The floors of all water-closets must be constructed of concrete, tiles, or other approved impervious and non-absorbent material. Seats must be either flap or hinged tip-up. The area of any internal water-closet must not be less than 15 square feet, with a minimum internal dimension of 3 feet inside measurements, except by permission of the engineer.

Every internal water-closet shall be constructed in such a position that one of its sides at least shall be an external wall which shall abut immediately upon the street, or upon a yard, or garden, or open space of not less than 100 square feet of superficial area, measured horizontally at a point below the floor of such closet. Such water-closet shall not be constructed so that it is entered directly from any room used for the purpose of human habitation, or for the manufacture, preparation, or storage of food for man, or used as a factory, workshop, or work place. Such water-closet shall be constructed so that on any side on which it would abut on a room intended for human habitation or use for the manufacture, preparation, or storage of food for man, or used as a factory, workshop, or work place, it shall be enclosed by an air-tight partition of brick or other approved material, extending the entire height from floor to ceiling. Such water-closet apartment must be entered only from a well-lighted and well-ventilated hall, passage, lobby, or staircase; or, if proposed to be fixed in or adjoining a room used for the purpose of human habitation, or as a factory, workshop, or work place, must be cut off from such room, factory, workshop, or work place by a separate enclosure adjoining the closet apartment. Such enclosure must have a floor area of at least 20 square feet per closet, and must be enclosed on all sides with air-tight partitions extending from floor to ceiling, or ceiled over with an air-tight ceiling at an approved height from floor. Such hall, passage, lobby, stair case, or enclosure must be provided with a window having an area of at least 2 square feet, opening directly into the external air. If such method of lighting enclosure be impracticable, other methods of naturally lighting same must be provided. Such water-closet apartment must be provided with a window of such dimensions that an area of at least 2 square feet, exclusive of frame, shall open directly into the external air. In addition to a window, such water-closet apartment and such hall, passage, lobby, staircase, or enclosure must be provided with independent adequate means of constant inlet and outlet ventilation, by means of air-bricks built in external wall of such water-closet apartment, hall, passage, lobby, staircase, or enclosure, or by combination of an air-brick and an air-shaft louvred openings, or by some other effectual method or appliance for ventilation. The effective area provided for outlet ventilation of each water-closet apartment, hall, passage, lobby, staircase, or enclosure must not be less than 27 square inches, and where the level of the floor of closet is lower than the outside surface of the ground, exhaust ventilation must be provided by means of a tube at least 6 inches in diameter, carried up through roof and furnished with cowl.

The water-closets shall be furnished with a basin of non-absorbent material of such shape, capacity, and mode of construction as to receive and contain a sufficient quantity of water, and to allow all filth which may from time to time be deposited in such basin to fall free of the sides thereof, and direct into the water received and contained in the basin. To prevent fouling of pan, the closet-seat openings must not be larger than 10½ inches x 9 inches, and seats with holes so large as to cause fouling of the pan must not be used. Pans must measure at least 12 inches between the lower edge of the front and back faces of flushing rims. Water-closet seats must be provided with approved buffers to prevent damage to the pan, and an approved buffer clip must be fixed to the flush pipe at a suitable height from the pan.

Closet pans and fittings thereto must be entirely open to inspection without any enclosure.

A suitable apparatus must be provided for the effective application of water to the basin of the water-closet, and for the effective flushing and cleansing of such basin, and for the prompt and effective removal therefrom of any solid or liquid filth which may from time to time be deposited therein.

Every closet pan shall be furnished with a separate flushing cistern or other apparatus approved by the Authority, of at least 2 gallons capacity, which shall be so constructed, fitted, and placed as to admit of the supply of water for use in such closet pan without any direct communication with any service pipe upon the premises.

The flush pipe from such cistern shall in no case be less than 1½ inches internal diameter, and shall be fitted as straight as possible under the circumstances. The bottom of every such cistern shall be at least 5 feet above the closet seat, but in cases where this distance cannot be obtained in existing buildings without structural alteration, 4 feet will be allowed, but the internal diameter of the down pipe must then be 1½ inches. Every cistern must be fixed so that the ball-tap shall be accessible. Cisterns of all closets must have a separate stop-tap to each. Cistern boards must be in one piece, not less than 10 inches deep and 1½ inches thick.

All water-closets inside a main building must be vented either by a soil vent pipe, or, if considered necessary by the engineer, by back venting the trap at a point near the crown of the trap where directed.

In every case where there is more than one closet on an upstairs floor, provision must be made for ventilating in an approved manner to prevent syphonage, and so as to have a current of air continually passing through the soil pipes.

Where a closet branch does not exceed fifteen (15) feet in length, a two (2) inch back vent may be substituted for soil vent pipe.

Where there are more than three closets on the ground floor, special provision must be made to prevent syphonage.

Where the branch from the closet to the main soil pipe is not more than 3 feet in length and such closet is the only one attached to the soil pipe, the branch may be allowed to remain without any further ventilating.

Internal water-closets must be provided with storage tanks capable of holding 6 gallons of water for each occupant of the building. These tanks may be of 22-gauge galvanized sheet-iron, or 24-gauge corrugated iron. The storage tanks may be placed in the closet room itself, on the roof over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a galvanized sheet-iron or lead safe, with overflow, must be fixed under the storage tank, unless the owner, in writing, otherwise requires. If the owner desire not to provide storage tanks, he must make a request, in writing, accepting all responsibility in the matter.

In wooden-closet buildings the base must be constructed or repaired according to the Authority's drawings and specifications. Such closets must be made rigid, and not attached to fences.

On tiled floors the pans must be secured to approved wooden plugs fixed in the floor. On concrete floors the pan must be secured by cast-lead dowels. In each case the pan must be bedded on cement mortar and neatly pointed up. External closet doors to be saw-toothed on top, and a space of 3 inches left between bottom of door and floor, or other approved means of ventilation provided.

In hotels and lodging-houses one water-closet must be provided for every ten lodgers the house can accommodate, placed in suitable positions for males and females separately; and in hotels urinal conveniences must also be provided for the public frequenting the premises. In all other cases water-closets must be provided where required, and in accordance with orders issued by the Authority.

A pedestal pan must be used wherever combined water-closet, housemaid's slop sink, and internal urinals are required, and in such case must be provided with hinged tip-up seat. A lead safe of suitable area must be fixed under the pan.

#### *Urinals.*

32. Internal cradle urinals will only be allowed by permission of the engineer, and, where permitted, they must be small, free from projecting ornament, and of non-absorbent material. The waste pipes shall be of pottery ware, lead, or glass enamelled, or coated cast-iron, and be kept as short and free from bends as possible. The waste pipes must be trapped, and discharge direct into the drain or soil pipe, except where special permission is given to do otherwise. The urinals must be provided with approved flushing apparatus.

The floors under urinals must be covered with non-absorbent material. The floors of the urinals must be tiled or paved with a fall towards a drain against the wall. The walls behind and screens between urinals must be of a non-absorbent material, and of approved height. The screens must also be free from the floor for a portion of the width of the division, must project at least 1½ feet, and be not less than 2 feet apart. Approved forms of stall urinals will be allowed.

The following materials will be considered impervious:—

- (1) For Urinal Walls.—Slate, white or brown porcelain, enamelled fireclay or stoneware, salt-glazed stoneware, and enamelled cast-iron, portland cement mortar composed of equal parts of cement and sand, finished with approved material.
- (2) For Floors.—Glazed tiles, Portland cement mortar composed of equal parts of sand and cement brought to an approved finish with an approved finishing material, slate and marble.

Urinals inside a building must only be fixed in well-lighted and well-ventilated rooms, having at least one external wall, and separated from any other portion or portions of building by a well-lighted and well-ventilated passage or air chamber.

The positions, approaches, arrangement of lighting, ventilation, &c., for internal urinals must comply as nearly as possible with this By-law as to internal closets.

In outside urinals, where a floor or urinal disconnecting tap is used, the waste water from a single urinal must discharge into the drain or soil pipe.

Outside urinals may discharge into open channels leading to disconnector traps without further trap.

Open channels must not be provided for urinals inside main buildings, except where approved by the engineer, and where there is ample ventilation and light. Wherever inside urinals are provided the traps must be fitted with ventilating pipes having an internal diameter of not less than 1½ inches.

Urinal wastes must be connected directly to the drain if no soil pipe is convenient, and must be trapped and vented in an approved manner.

Wherever urinals are provided with wastes and traps, and drippings may become a nuisance, provision must be made to prevent the nuisance by one of the following methods:—

- (a) By a urinal floor trap, with the floor graded to the trap where the floor is tiled or cemented.
  - (b) By a suitable sunken trap, trapped and connected with the waste, where the floor is covered with lead.
- In either case suitable provision must be made for retaining the seal of the floor trap, and for flushing the surface of the tray.

A separate trap must be provided to each urinal basin.

#### Urinal Cisterns.

33. Flush pipes for cisterns generally must not exceed—
 

1-gallon cistern, 3-inch diameter	} With branches as directed by the engineer.
2-gallon cistern, 1½ inch diameter	
3-gallon cistern, 1½ inch diameter	

The height of cisterns must, except by special permission, be at least 6 ft. 6 in. from the floor to the bottom of the cistern. The cistern must be so fixed that the ball-tap shall be accessible.

Pull and chain flushing cisterns, or other approved apparatus operated by hand, must be fixed on all urinals.

The discharge must be equal to one gallon for each urinal stall, except where otherwise allowed by the engineer.

In a combination of two urinals, one two-gallon cistern may be allowed.

A separate stop-tap must be provided for each urinal cistern.

Where the sparge pipe system of flushing urinals is adopted, such sparge pipes must be of brass or copper, with gun-metal fittings.

Flush pipes connecting urinal cisterns to spreaders must be of brass or copper tube, and connected to the brass union coupling attached to the cistern with a brass reducing socket screwed to the coupling.

#### Housemaids' Slop Sinks.

34. Slop sinks must be of approved material, and be provided with approved flushing arrangements.

The waste pipes from slop sinks must be branched into a soil pipe, or connected directly and independently to the drain. Draw-off taps must not be used directly over slop sinks, unless at least 18 inches above the sink.

A slop sink must be treated in the same way as a closet.

All insanitary slop sinks must be abolished.

Only approved pedestal slop sinks will be allowed.

#### Kitchen and Scullery Sinks and Troughs.

35. Unless where otherwise specially approved, kitchen and scullery sinks and wash-troughs must discharge into the open air over a gully trap or into a disconnector trap. The trap, main, and branch waste pipes must be less than 2 inches in diameter.

The brass strainer must be sunk to the level of the trough. The grating openings must be of ample size to fill the waste pipe full bore.

Where sinks and draining boards thereto abut against walls or partitions of living rooms, they must, except by special permission, have suitable lead flashing, weighing not less than 5 lb. per square foot, carried up the walls not less than 2 inches, and securely fastened and made water-tight. Sinks may be fixed on brackets, and the space between floor and the under portion of sink must be entirely open, without any enclosure.

Where the distance between the outlets of troughs exceeds 21 inches centres, and lead pipe is used, the pipe must be supported either by a lead tack wiped on the top of the pipe, or by wooden blocks screwed to the bottom of the trough and clamped to the pipe. The pipe passing through the troughs must have a lead flange wiped on.

Wherever the end of a wash-trough abuts against the brickwork of washing copper, the space between the end of trough and the brickwork must be made thoroughly water-tight.

The use of unlined wooden boxes as kitchen or scullery sinks is prohibited. Before their connexion with the Authority's sewers will be permitted, wooden boxes must be lined inside with sheet lead weighing not less than 6 lb. per square foot, or with sheet copper weighing not less than 1½ lb. per square foot.

#### Baths and Lavatories.

36. The waste pipe from a bath or set of lavatories must be at least 2 inches in diameter, properly trapped and provided with a 1½-inch vent pipe for the bath, and 1½-inch vent pipe for the lavatory. The waste pipe must be carried separately to the open air, and delivered over a gully trap or into a disconnector trap.

The waste pipe and trap from a single lavatory must be at least 1½ inches in diameter, and the area of the grating must be sufficient for the water to effectually scour the waste pipe. The waste pipe must be as short as possible, and discharge over a gully trap or into disconnector trap.

From two to six lavatories must have at least 1½-inch combined waste pipe; and from seven to twelve, a 2-inch waste.

In all internal lavatories, where syphoning occurs, separate trap ventilation must be provided. In ranges of lavatories in external buildings or rooms isolated from the main building, the waste may be ventilated by single pipe at its upper end.

The erection or use of tip-up basins is prohibited.

Where it is necessary to fix new wastes to galvanized-iron baths, the bottoms of which are unsupported, efficient supports for the bath must be provided before the wastes are fixed.

Where a bathtrap is fixed on the outside of a wall, it must in no case be more than 2 feet from outlet of bath, unless with special permission of the engineer.

Where pedestal baths are to be fixed, and it is not desired to flush them, they must be fixed with a space of at least 6 inches clear of walls.

#### Safes, Overflows, &c.

37. Unless where otherwise allowed by the engineer, every safe under a water-closet, urinal, lavatory, bath, refrigerator, sink, or other fixture, must be drained by special pipe not directly connected with any waste pipe, soil pipe, drain, or sewer. It must be provided at the outlet, into the open air, with flap valves of brass or other approved metal.

All lead safes must be laid with sheet lead weighing not less than 5 lb. per square foot, and where the whole floor is not laid with lead, the safe to extend 12 inches beyond the sides, and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to and 3 inches up the wall and overflashed if necessary.

In the case of baths, sinks, and lavatory basins, the lead where directed to extend 6 inches beyond the ends or sides, measured from the extreme edge of the fitting, and to be carried back to and up the wall as for closets.

Pipes draining safes may discharge into the open air only when the discharge will not cause any inconvenience or nuisance. In all other cases the pipes must be brought to the ground surface, or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

Pipes for bath safes must be of 2 inches diameter, and those from closet and urinal safes must be of 1½ inches or 1½ inches, as directed.

A brass grating must be fixed to the inlet of each safe pipe.

No steam exhaust, blow-off, or drip pipe shall be connected with the drain or sewer, or with any soil or waste pipe. Such pipes must discharge into the rain-water channels.

On special application of the owner, lead safes already in position may be retained only under the conditions stipulated for existing fittings.

Lead safes for slop sinks to be laid the same as for closets.

It shall be compulsory to fix a lead safe or other impervious material under a bath or basin on an upstairs floor, unless the owner in writing otherwise requires.

Existing bath floors must be regraded if necessary in the opinion of the Authority's inspecting officer, and a proper waste pipe and flap valve must be fixed.

On ground floors where cisterns are fixed over concrete or tiled floors graded to drain outside of the room, the overflow may discharge on to them, provided no damage is likely to arise therefrom.

Overflows from cisterns, wherever possible, must be taken through external walls, and must discharge inside the owner's property, but in exceptional cases permission may be given to discharge into a slop sink or other fitting, or on to a lead safe, which has a drainage pipe attached.

#### Gratings.

38. The entrance to exist pipes to all fixtures, except water-closets, shall be furnished with suitable permanently attached gratings.

#### Consent, Sanction, &c., of the Authority.

39. Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of or from the Authority is necessary, whether special, in writing, or otherwise, with regard to any Act, matter, or thing mentioned in this By-law, the same may be given by and under the hand of the chairman of the Authority, or of the engineer-in-chief, personally, or through an inspecting officer appointed under him, who severally shall be competent to give the same, and authorized on behalf of the Authority, to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

#### Power of Exemption.

40. In any case in which the Authority shall be of opinion, owing to the configuration of the ground or the distance, height or character of adjoining buildings, or for any other reason (whether similar in character to the instances above given or not) that a compliance with any of the foregoing provisions of this By-law would in the particular case be vexatious or needless in the interests of public health, or the Authority, or injurious to the public health, it shall be lawful for the Authority, by resolution, to dispense with or forbid such compliance in whole or in part as it shall think fit, or to authorize or direct such a modification or alteration of such provisions as shall in its opinion most nearly adapt the principle of such provision to such particular case. It shall be unlawful to comply with any provision or part thereof compliance whereof shall have been forbidden as aforesaid, or to act contrary to or otherwise than as directed by such modification or alteration as aforesaid.

#### Offences and Penalties.

41. Where anything is by this By-law directed to be done or forbidden to be done, or where any authority is given to the Authority or any of its officers to direct or to forbid anything to be done, and such act so directed to be done remains undone, or such act so forbidden to be done is done, then, and in every such case, the person making default as to said direction or prohibition respectively, shall be guilty of an offence against this By-law.

Every person guilty of an offence against this By-law, not otherwise specially provided for by or under the authority hereof, shall be liable for every such offence, beside any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in this By-law or the Act, to a penalty not exceeding Twenty pounds, and to a further penalty of One pound for each day during which such offence is continued by such person after notice of the offence shall have been given by the Authority to him, and such penalty shall be recoverable, notwithstanding that the Authority may not have chosen to exercise any power given to it by the Act or by this By-law to remedy such default.

#### Interpretation.

42. In the construction of this By-law the meaning which in the Acts is assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter or context.

The foregoing By-law was made and passed by the Echuca Sewerage Authority on the 21st day of October, 1930, and was confirmed on the 4th day of November, 1930.

In witness whereof the common seal of the said Authority was affixed hereto in the presence of—

(SEAL) J. T. FREEMAN, Chairman.  
E. W. HORNE, } Members.  
E. T. EDDY, }  
M. B. SCOTT, Secretary.

Approved by the Governor in Council,  
the 12th December, 1930.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

#### POLICE SALE.—LICENSING OFFICE, 43 LITTLE BOURKE-STREET, MELBOURNE.

THE Government Auctioneer, Mr. H. Schutze, will hold a sale of Unclaimed and Confiscated Liquor in the hands of the police at the above office on Tuesday, 23rd December, 1930, at half-past Three p.m.

#### POLICE SALE.—POLICE STATION, HEIDELBERG.

THE undermentioned unclaimed article will be sold by public auction on Friday, 19th December, 1930, at Three p.m.:

1 motor car, Chrysler tourer, 1926 model, engine No. 55495.

T. A. BLAMEY,  
Chief Commissioner of Police.

Chief Commissioner's Office,  
Melbourne, 25th November, 1930.

#### MELBOURNE AND METROPOLITAN BOARD OF WORKS.

##### GENERAL NOTICE.

##### Corrigendum.

IN the General Notice by the Melbourne and Metropolitan Board of Works, dated 2nd December, 1930, wherein certain areas were declared to be sewered, and published in the *Gazette* of 10th December, 1930, pages 3224 and 3225, in lieu of the words "Denby-street," printed as aforesaid in the first line of the first column on page 3225, read "Dendy-street."

The *Gazette* Office,  
Melbourne, 12th December, 1930.

19 George V. No. 3632, Sections 106 and 124.

19 George V. No. 3792, Section 27.

##### NOTICE.

A RULE to administer the estate of each of the undermentioned deceased persons has been granted to me, and creditors, next of kin, and all others having claims against the estate of any of the persons so mentioned are required to send particulars of their claims to the Curator of the Estates of Deceased Persons, No. 267 Queen-street, Melbourne, on or before the 17th January, 1931, or they may be excluded from the distribution of the estate when the assets are being distributed:—

## COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the ninth day of December, 1930.

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan	Mr. Jones
Mr. Tunnecliffe	Mr. Beckett
Mr. Lemmon	Mr. Williams
Mr. Bailey	Mr. Kiernan
Mr. Cain	Mr. Webber
Mr. Slater	Mr. Pollard.

## DECLARATION OF A DEVIATION FROM THE RED HILL ROAD IN THE SHIRE OF FLINDERS.

WHEREAS by section 58 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has by Resolution declared a deviation to be a developmental road the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a developmental road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a developmental road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the existing road as is described in the Third Schedule to such Resolution shall be discontinued: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

## Resolution for Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Country Roads Act 1928* for the purpose of constructing such a road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the *Country Roads Act 1928*) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the said Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a developmental road within the meaning and for the purposes of the *Country Roads Act 1928*: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto and further that such part of the existing road as is described in the Third Schedule hereto shall be discontinued.

## FIRST SCHEDULE.

## Shire of Flinders.

5. *Red Hill Road* (6055).—All that piece of land in the Parish of Kangerong and being a roadway generally one and a half chains wide, the southern boundary of which commences at a point on the southern boundary of allotment 13b of the said parish distant 113 deg. 8 min. 1,041.1 links from the south-western angle of lot 2 on plan of subdivision No. 6776, lodged in the Office of Titles; thence north-westerly through that allotment and north-westerly and south-westerly through allotment 13a to a point on the southern boundary of that allotment distant 293 deg. 8 min. 739.8 links from the south-eastern angle of lot 1 on plan of subdivision No. 6776; lodged in the Office of Titles.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 831, lodged in the Office of the Country Roads Board.

## SECOND SCHEDULE.

## Shire of Flinders.

5. *Red Hill Road*.—All that piece of land in the Parish of Kangerong and being a roadway generally two chains wide the northern boundary of which commences at a point on the southern boundary of allotment 13a of the said parish distant 113 deg. 8 min. 1,041.1 links from the south-western angle of lot 2 on plan of subdivision No. 6776, lodged in the Office of Titles; thence north-westerly along the southern boundary of that allotment and allotment 13a to a point on the said boundary of the allotment last named distant 293 deg. 8 min. 739.8 links from the south-eastern angle of lot 1 on plan of subdivision No. 6776, lodged in the Office of Titles.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured light and dark blue on survey plan No. 831, lodged in the office of the Country Roads Board.

## THIRD SCHEDULE.

## Shire of Flinders.

*Red Hill Road*.—All that piece of land in the Parish of Kangerong and being part of a Government road, the boundaries of which are as follow:—Commencing at the north-western angle of allotment 74c, Parish of Balmarring; thence by lines bearing respectively 58 deg. 55 min. 344.7 links, 113 deg. 8 min. 739.8 links, 197 deg. 0 min. 103.8 links, 113 deg. 8 min. 100.5 links; 17 deg. 0 min. 103.8 links, 113 deg. 8 min. 1,041.1 links, 145 deg. 45 min. 379.7 links, 293 deg. 0 min. 2,121.5 links, and 279 deg. 6 min. 290 links to the point of commencement.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured dark-blue on survey plan No. 831, lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this twenty-fourth day of November, One thousand nine hundred and thirty; in the presence of—

(SEAL) W. McCORMACK, Chairman.  
W. L. DALE, Member.  
W. H. NEVILLE, Acting Secretary.

## DECLARATION OF A MAIN ROAD IN THE SHIRES OF CHILTERN AND RUTHERGLEN.

WHEREAS by the Resolution set out below and dated the first day of December, One thousand nine hundred and thirty, the Country Roads Board incorporated under the *Country Roads Act 1928* (No. 3662) being of opinion that the highway in the State of Victoria set out or described in the schedule to the same is of sufficient importance to be a main road and acting under the powers in that behalf conferred upon it by the said Act declared such highway to be a main road within the meaning and for the purposes of the Act aforesaid: And whereas the said Act amongst other things provides that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road mentioned in such Resolution shall be a main road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the said Country Roads Board: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the road mentioned in the schedule to such Resolution of the Country Roads Board a main road within the meaning and for the purposes of the *Country Roads Act 1928*.

## Resolution for Declaration of a Main Road under the Country Roads Act.

The Country Roads Board incorporated by the *Country Roads Act 1928* (No. 3662) at a meeting now holden being of opinion that the highway within the State of Victoria set out or described in the schedule hereunder written is of sufficient importance to be a main road acting under the powers conferred upon it by the said Act doth by this Resolution hereby declare such highway to be a main road within the meaning and for the purposes of the said *Country Roads Act 1928*.

## SCHEDULE.

## Shire of Chiltern.

4. *Barnawartha-Howlong Road* (3504).—Commencing at its junction with the Hume Highway at the south-eastern angle of allotment 7, section 3, Township of Barnawartha, Parish of Barnawartha South; thence north-westerly and northerly through the said township and northerly through the Parish of Barnawartha North to its junction with the Rutherglen-Wodonga road at the north-eastern angle of allotment 1A, section 22, of the parish last named; thence north-westerly to and across the bridge over the Indigo Creek near the northern angle of section 6, Township of Haines, Parish of Barnawartha North, on the western boundary of the shire.

## Shire of Rutherglen.

7. *Barnawartha-Howlong Road* (14607).—Commencing at the bridge over the Indigo Creek near the north-eastern angle of section 2, Township of Haines, Parish of Gooramadda, on the eastern boundary of the shire; thence westerly through the said township and westerly and north-westerly through the Parish of Gooramadda to its junction with the Chiltern-Howlong road at the north-western angle of allotment 1, section A, of the said parish.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this first day of December, One thousand nine hundred and thirty, in the presence of—

(SEAL) W. McCORMACK, Chairman.  
F. W. FRICKE, Member.  
W. H. NEVILLE, Acting Secretary.

# ORDER APPROVING OF A DEVIATION FROM A DEVELOPMENTAL ROAD IN THE SHIRE OF WARRAGUL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing McDonald's Track road in the Shire of Warragul (declared to be a developmental road under the said Act) which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 29th January, 1919, on page 233), should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared map plans marked A and B and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plans and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made that is to say:—

All that piece of land in the Parishes of Allambee and Warragul and being a roadway one and a half chains or more in width, the centre line of which commences at an angle in the southern boundary of allotment 124 of the parish last named distant 55 deg. 37 min. 1,681 links from the south-western angle of the said allotment; thence north-easterly and generally easterly through that allotment, south-easterly and north-easterly along a two-chain Government road, north-easterly again through allotment 124, north-easterly across the said Government road, generally easterly through allotment 19, Parish of Allambee, north-easterly across the Government road aforesaid, north-easterly through allotment 124, Parish of Warragul, north-easterly and north-westerly through allotment 122 of the parish last named, north-westerly and north-easterly again through allotment 124, north-easterly and generally south-easterly through allotment 122, north-easterly, generally northerly and easterly through allotment 121, generally north-easterly along the Government road, generally easterly, northerly, and south-easterly again through allotment 121, and generally easterly and south-easterly through allotment 120, Parish of Warragul, to an angle in the western boundary of the Country Roads Board road through that allotment, the said angle being formed by the intersection of lines bearing 228 deg. 16 min. and 148 deg. 32 min.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red and yellow on survey plans Nos. 2540 and 2541, lodged in the office of the Country Roads Board.

# ORDER APPROVING OF A DEVIATION FROM A DEVELOPMENTAL ROAD IN THE SHIRE OF HEYTESBURY.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Peterborough-Port Campbell road in the Shire of Heytesbury (declared to be a developmental road under the said Act) which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 29th June, 1927, on page 2016), should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made that is to say:—

All those pieces of land in allotments 100 and 101, Parish of Narrawatuk, and allotment 1 of section 6, Parish of Paaratte, the boundaries of which are as follow:—

- (a) Commencing at the south-western angle of allotment 101 of the Parish of Narrawatuk; thence by lines bearing respectively 0 deg. 14 min. 70 links, 114 deg. 49 min. 168.3 links, and 270 deg. 14 min. 153 links to the point of commencement.

- (b) Commencing at the south-western angle of allotment 100 of the Parish of Narrawatuk; thence by lines bearing respectively 0 deg. 14 min. 263 links, 104 deg. 47 min. 1,719.5 links, and 276 deg. 2 min. 1,673 links to the point of commencement.

- (c) Commencing at a point on the western boundary of allotment 1, section 6, of the Parish of Paaratte, distant 0 deg. 48 min. 897 links from the south-western angle of that allotment; thence by lines bearing respectively 0 deg. 48 min. 267.2 links, 105 deg. 58 min. 3,035.7 links, 255 deg. 49 min. 398.2 links, and 285 deg. 58 min. 2,637.4 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red on survey plan number 2533, lodged in the office of the Country Roads Board.

# ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF ALBERTON.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Albert River road in the Shire of Alberton should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Bingenwari the boundaries of which are as follow:—Commencing at a point on the southern boundary of allotment 76 of the said parish distant 135 deg. 39 min. 258 links from an angle in that boundary formed by the intersection of lines bearing 80 deg. 50 min. and 135 deg. 39 min.; thence by lines bearing respectively 327 deg. 5 min. 178.3 links, 331 deg. 6 min. 647.5 links, 309 deg. 17 min. 466.5 links, and 307 deg. 59 min. 400 links, more or less, to the eastern boundary of the said allotment; thence generally south-easterly along the said eastern boundary (and being the western boundary of the Albert River reserve) to the south-eastern angle of the said allotment 76; thence 315 deg. 39 min. 42 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 2539, lodged in the office of the Country Roads Board.

# ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF BULN BULN.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Neerim North road in the Shire of Buln Buln should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made that is to say:—

All that piece of land in the Parish of Neerim the boundaries of which are as follow:—Commencing at the south-eastern angle of allotment 40 of the said parish; thence by lines bearing respectively 166 deg. 43 min. 62.3 links, 334 deg. 7 min. 139.7 links, and 142 deg. 35 min. 74.5 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 2542, lodged in the office of the Country Roads Board.

# ORDER APPROVING OF A NEW STATE HIGHWAY IN THE SHIRE OF KYNETON.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3682) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Calder Highway in the Shire of Kyneton should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new highway is proposed to be made and the cost of acquiring the land and constructing the said new highway: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new highway: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made that is to say:—

All that piece of land in the Parish of Lauriston and being allotment 249a in the said parish, the boundaries of which are as follow:—Commencing at the north-western angle of the said allotment; thence by lines bearing respectively 119 deg. 32 min. 3,129 links, 133 deg. 51 min. 914 links, 269 deg. 56 min. 213 links, 313 deg. 54 min. 690 links, 299 deg. 43 min. 3,077 links, and 0 deg. 5 min. 172.5 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 2538, lodged in the office of the Country Roads Board.

# ORDER IN COUNCIL CONFIRMING A RESOLUTION OF THE COUNTRY ROADS BOARD RESCINDING A RESOLUTION DECLARING A CERTAIN HIGHWAY IN THE SHIRE OF GLENLYON TO BE A DEVELOPMENTAL ROAD.

WHEREAS by the Resolution set out below and dated the seventeenth day of November, One thousand nine hundred and thirty, the Country Roads Board incorporated under the *Country Roads Act 1928* (No. 3662) being of opinion that the road set out or described in the schedule to the same is no longer of sufficient importance to be considered a developmental road resolved that the Resolution passed by the Board on the twentieth day of January, One thousand nine hundred and thirty, and confirmed by the Governor in Council by an Order published in the *Government Gazette* of the fifth day of February, One thousand nine hundred and thirty, on page 665, declaring the highway particulars of which are therein set out or described a developmental road be wholly rescinded: And whereas the said Act amongst other things provides that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road or part thereof mentioned in such Resolution shall cease to be a developmental road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the Country Roads Board: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the road mentioned in the schedule to such Resolution shall cease to be a developmental road.

## Resolution Rescinding a Resolution Declaring a Certain Highway to be a Developmental Road.

The Country Roads Board incorporated under the *Country Roads Act 1928* (No. 3662) at a meeting now holden being of opinion that the road hereinafter referred to and more particularly described in the schedule hereto is no longer of sufficient importance to be considered a developmental road hereby resolves that the Resolution passed by the Board on the twentieth day of January, One thousand nine hundred and thirty, and confirmed by the Governor in Council by an Order published in the *Government Gazette* of the fifth day of February, One thousand nine hundred and thirty, on page 665, declaring the highway particulars of which are therein set out or described a developmental road be wholly rescinded.

## SCHEDULE.

### Shire of Glenlyon.

1. *Daylesford-Trentham Road* (6651).—All that piece of land in the Parish of Bullarto and being a roadway generally one chain wide the north-eastern boundary of which commences at a point on the northern boundary of allotment 21, section 4, Township of North Bullarto, of the said parish distant 95 deg. 58 min. 177.6 links from the north-western angle of the said allotment; thence south-easterly through that allotment and generally south-easterly through allotment 22 of the said

township to a point on the eastern boundary of the allotment last named distant 15 deg. 22 min. 152.9 links from the south-eastern angle of the said allotment 22.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 1519, lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this seventeenth day of November, One thousand nine hundred and thirty, in the presence of—

(SEAL) W. McCORMACK, Chairman.  
W. L. DALE, Member.  
W. H. NEVILLE, Acting Secretary.

And the Honorable John Percy Jones, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## EXPLOSIVES ACT 1928.

At the Executive Council Chamber, Melbourne, the ninth day of December, 1930.

### PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan	Mr. Jones
Mr. Tunnecliffe	Mr. Beckett
Mr. Lemmon	Mr. Williams
Mr. Bailey	Mr. Kiernan
Mr. Cain	Mr. Webber
Mr. Slater	Mr. Pollard.

## ADDITION TO ORDER IN COUNCIL No. 1 OF THE 12TH DAY OF OCTOBER, 1909, RELATING TO THE CLASSIFICATION OF EXPLOSIVES.

WHEREAS by the 53rd section of the *Explosives Act 1928* it is enacted that the Governor in Council may from time to time, by Order, define for the purpose of the first Part of the said Act, the composition, quality, and character of any explosive, and may classify explosives: Now therefore, in pursuance of the above-mentioned provisions of the said Act, His Excellency the Lieutenant-Governor of Victoria, by and with the advice of the Executive Council thereof, doth order as follows:—

There shall be added to the list of explosives defined and classified in the Order in Council No. 1, made on the 12th day of October, 1909, the following explosive, the composition, quality, and character of which are hereby defined:—

### CLASS 3.—NITRO-COMPOUND

#### Division 1

*Red Baelenite*, consisting of a mixture of nitro-glycerine, nitrate of ammonium, tri-nitro-toluol, and with or without woodmeal, provided that the proportions of nitro-glycerine and tri-nitro-toluol do not exceed 7 per cent. and 20 per cent. respectively of the finished explosive.

## ADDITION TO ORDER IN COUNCIL No. 6 OF THE 12TH DAY OF OCTOBER, 1909.

WHEREAS by the 56th section of the *Explosives Act 1928* it is enacted that, notwithstanding anything in the first Part of the said Act, the Governor in Council may from time to time, by Order, prohibit, either absolutely or subject to conditions or restrictions, the manufacture, keeping, importation from any place out of Victoria, conveyance and sale, or any of them, of any explosive when in the judgment of the Governor in Council it is expedient for the public safety to make such Order: And whereas, in the judgment of the Governor in Council, it is expedient for the public safety to make this Order: Now therefore, in pursuance of the above-mentioned provisions of the said Act, His Excellency the Lieutenant-Governor of Victoria, by and with the advice of the Executive Council thereof, doth order as follows:—

The undermentioned explosive shall not be imported from any place out of Victoria, kept, conveyed, or sold, except upon the conditions or restrictions set forth in Order in Council No. 6 of the 12th day of October, 1909:—

### CLASS 3.—NITRO-COMPOUND.

#### Division 1.

*Red Baelenite.*

And the Honorable Thomas Tunnecliffe, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## DEPARTMENT OF LANDS AND SURVEY.

At the Executive Council Chamber, Melbourne, the  
twelfth day of December, 1930.

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Bailey

Mr. Pollard.

## LANDS TEMPORARILY RESERVED FROM SALE.

**H**IS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of the *Land Act 1928*, reserve, temporarily, and also except from occupation for residence or business, under any miner's right or business licence, the lands hereinafter described:—

**MULLROO (LAKE CULLULLERAIN).**—Site for Water Supply purposes.—1,435 acres 2 roods 36 perches, Parish of Mullroo (Lake Cullulleraine), County of Millewa: Commencing at a point bearing N. 89 deg. 48 min. W. 200 links from the south-west angle of allotment 17A, Parish of Wallpolla; bounded thence by a road bearing N. 89 deg. 48 min. W. 1,121 links, S. 70 deg. 1 min. W. 2,092 links, and W. 3,636 links; by lines bearing N. 0 deg. 1 min. E. 600 links, W. 2,000 links, and N. 0 deg. 1 min. E. 100 links; by a line, the State School site, and a line bearing W. 2,170 links; by a road bearing S. 26 deg. 35 min. W. 775 links; by roads bearing N. 67 deg. 0 min. W. 100 links, and N. 26 deg. 35 min. E. 994 links; by a line and allotment 10, Township of Cullulleraine, bearing N. 63 deg. 25 min. W. 350 links; by a line bearing S. 89 deg. 20 min. W. 2,525 links; by a road bearing N. 9 deg. 59 min. W. 6,500 links, N. 40 deg. 1 min. E. 2,800 links, N. 13 deg. 15 min. E. 1,034 links, N. 78 deg. 26 min. E. 2,460 links, and N. 75 deg. 43 min. E. 3,602 links; by a line bearing S. 84 deg. 58 min. E. 626 links; and thence by a road bearing S. 61 deg. 52 min. E. 4,136 links, S. 50 deg. 1 min. E. 2,312 links, S. 89 deg. 59 min. E. 876 links; and S. 0 deg. 1 min. 30 sec. W. 7,795 links, to the point of commencement. —(M.499c) (C.77599) (Rs.4076)

**DATTUCK.**—Site for Public Recreation.—10 acres 3 roods 4 perches, Parish of Dattuck, County of Karkaroo: Commencing at a point bearing S. 6 deg. 5 min. E. 879 links, S. 0 deg. 48 min. E. 1,663 links, and S. 21 deg. 29 min. E. 3,522 links from the north-east angle of allotment 36; bounded thence by the Railway Reserve bearing S. 21 deg. 29 min. E. 1,000 links; by roads bearing S. 61 deg. 34 min. W. 173 links, and W. 1,086 links; and thence by lines bearing N. 1,018 links, and E. 872 links to the commencing point. —(D.220 (A<sup>1</sup>)) (C.79217) (Rs.4078).

**CITY OF BENDIGO.**—Site for Public Recreation.—2 roods 10 perches, City of Bendigo, Parish of Sandhurst, County of Bendigo: Commencing at a point bearing S. 26 deg. 36 min. E. 351 5-10 links, and N. 65 deg. 28 min. E. 82 links from the north-western angle of allotment 4 of section 55B; bounded thence by lines bearing N. 65 deg. 28 min. E. 205 links, S. 30 deg. 1 min. E. 260 2-10 links, S. 65 deg. 28 min. W. 229 9-10 links, and N. 24 deg. 32 min. W. 259 links to the commencing point. —(S.372 (1<sup>1</sup>)) (C.78302) (Rs.4080).

**KOO-WE-E-RUP EAST.**—Site for State School purposes.—10 acres, Parish of Koo-wee-rup East, County of Mornington: Commencing at a point bearing S. 84 deg. 1 min. E. 1,346 links from the north-east angle of allotment 53A; bounded thence by a road bearing S. 83 deg. 57 min. E. 902 5-10 links; by the Banyip Township boundary bearing S. 0 deg. 1 min. W. 1,067 3-10 links; and thence by lines bearing W. 897 links, and N. 1,162 2-10 links to the commencing point. —(K.118 (3)) (C.78692) (Rs.4081).

**GORDON.**—Site for a Public Park and for Watering purposes, in addition to and adjoining the site temporarily reserved therefor by Order in Council of 5th September, 1887 (see *Gazette*, 1887, p. 2652).—2 roods 28 perches, Village of Gordon, Parish of Kerit Bareet, County of Grant: Commencing at a point bearing N. 4 deg. 0 min. W. 630 links from the north-west angle of allotment 1 of section 8; bounded thence by Lyndhurst-street, bearing N. 4 deg. 0 min. W. 21 6-10 links, and N. 11 deg. 8 min. W. 72 6-10 links; by lines bearing N. 85 deg. 57 min. E. 254 8-10 links; and S. 68 deg. 44 min. E. 468 9-10 links; by a road bearing S. 21 deg. 49 min. W. 177 4-10 links; and thence by the existing site bearing N. 41 deg. 0 min. W. 297 links, and W. 415 links to the commencing point. —(G.162a) (C.77139) (Rs.4060).

## LAND EXCEPTED FROM OCCUPATION.—ORDER PARTLY REVOKED.

**I**N pursuance of the provisions of the *Land Act 1928*, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke the following Order in Council, viz.:—

The Order in Council of the 1st September, 1926 (*vide Government Gazette*, 1926, page 2644), excepting from occupation for mining purposes, or for residence or business

under any miner's right or business licences, certain lands in the Town of Daylesford, Township of Hepburn, and part of the Parish of Wombat, is hereby revoked, so far as regards the portion thereof hereinafter described, viz.:—2 roods 8 perches, Township of Hepburn, Parish of Wombat, County of Talbot: Commencing at a point bearing S. 16 deg. 34 min. E. 99 8-10 links from the southern angle of allotment 1 of section 24; bounded thence by a road bearing S. 16 deg. 34 min. E. 107 5-10 links, and S. 49 deg. 20 min. E. 169 5-10 links; by lines bearing S. 57 deg. 4 min. W. 230 5-10 links, N. 21 deg. 5 min. W. 203 links, and N. 7 deg. 53 min. W. 214 5-10 links; and thence by a line bearing S. 65 deg. 16 min. E. 150 links to the commencing point. —(H.118 (4)) (64. 697/45).

## TEMPORARY RESERVATION OF LAND.—ORDER IN COUNCIL REVOKED.

**H**IS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke the following Order in Council, viz.:—

**MAFFRA.**—Order in Council of 2nd December, 1879, whereby an area of 59 acres, more or less, in the Parish of Maffra, at Maffra, was temporarily reserved as a site for Public purposes, and excepted from occupation for residence or business under any miner's right or business licence, and withheld from sale, leasing, and licensing. —(Rs.4020).

## UNUSED AND UNMADE ROAD CLOSED.

**H**IS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by Order direct that, in pursuance of the provisions of section 304 of the *Land Act 1928* (No. 3709), the unused and unmade road referred to hereunder be closed, viz.:—

Parish of Karamonus, County of Moira, being the road lying between allotments 20 and 20A and allotment 3, section C.—(K.145 (3)) (C.79265).

And the Honorable H. S. Bailey, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## Motor Omnibus Act 1928 (No. 3742).

## PRESCRIBING ROUTES IN RESPECT OF WHICH LICENCES FOR STAGE MOTOR OMNIBUSES MAY BE GRANTED.

At the Executive Council Chamber, Melbourne,  
the ninth day of December, 1930.

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan  
Mr. Tunnecliffe  
Mr. Lemmon  
Mr. Bailey  
Mr. Cain  
Mr. Slater

Mr. Jones  
Mr. Beckett  
Mr. Williams  
Mr. Kiernan  
Mr. Webber  
Mr. Pollard.

**H**IS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by section 39 of the *Motor Omnibus Act 1928* (No. 3742) doth by Orders prescribe routes in respect of which licences for Stage Motor Omnibuses may be granted, as set forth in detail in the schedule hereunder:—

## ROUTES IN RESPECT OF WHICH LICENCES FOR STAGE MOTOR OMNIBUSES MAY BE GRANTED.

## Route No. Description of Route.

192. *Daylesford to Ballarat.*—Commencing at the Township of Daylesford; thence generally southerly and south-easterly via the Ballan and Daylesford roads (declared main roads under the provisions of the Country Roads Act) to Spargo Creek; thence generally westerly via the Spargo Creek-Bolwarrah road to Bolwarrah; thence further westerly via Claretown and Leigh Creek to the City of Ballarat.
193. *Gonn Crossing to Kerang.*—Commencing at Gonn Crossing; thence generally southerly via the townships of Murrabit West, Murrabit, Myall, and Westby to the Kerang railway station.

And the Honorable John Percy Jones, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## Water Act 1928.

## STATE RIVERS AND WATER SUPPLY COMMISSION.

*At the Executive Council Chamber, Melbourne,  
the ninth day of December, 1930.*

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan	Mr. Jones
Mr. Tunnecliffe	Mr. Beckett
Mr. Lemmon	Mr. Williams
Mr. Bailey	Mr. Kiernan
Mr. Cain	Mr. Webber
Mr. Slater	Mr. Pollard.

## SHIRE OF TUNGAMAH WATERWORKS TRUST AND THE STATE RIVERS AND WATER SUPPLY COMMISSION.

## APPORTIONMENT OF LIABILITIES.

UNDER the powers conferred by the *Water Act 1928*, and all other powers enabling him in that behalf, His Excellency the Lieutenant-Governor of the State of Victoria, with the advice of the Executive Council of the said State, doth hereby declare, order, and direct as follows:—

1. That in respect of the area excised from the Waterworks District of the Shire of Tungamah Waterworks Trust, and included by Order in Council dated the 12th day of March, 1929, within the North Shepparton Irrigation and Water Supply District, under the jurisdiction and control of the State Rivers and Water Supply Commission, there shall, as on and from the 1st day of January, 1929, be transferred in the books of the Treasury Department, Melbourne, from the liabilities of the said Shire of Tungamah Waterworks Trust to the said State Rivers and Water Supply Commission, a further sum of Twenty-five pounds (£25), and an entry shall be made in the books of account of the said Commission placing such sum at the debit of the said North Shepparton Irrigation and Water Supply District.

2. That in respect of the area excised from the Waterworks District of the Shire of Tungamah Waterworks Trust, and included by Orders in Council dated the 9th day of October, 1928, 12th day of March, 1929, and 8th day of April, 1929, within the Katandra Irrigation and Water Supply District, under the jurisdiction and control of the State Rivers and Water Supply Commission, there shall, as on and from the 1st day of January, 1929, be transferred in the books of the Treasury Department, Melbourne, from the liabilities of the said Shire of Tungamah Waterworks Trust to the said State Rivers and Water Supply Commission, a further sum of Three hundred and seventy-five pounds (£375), and an entry shall be made in the books of account of the said Commission placing such sum at the debit of the said Katandra Irrigation and Water Supply District.

## WODONGA WATERWORKS TRUST.

## MINIMUM RATES FOR 1931.

WHEREAS by section 148 of the *Water Act 1928* it is enacted that the Governor in Council may from time to time fix a sum which shall be the minimum amount of rates to be paid annually by the occupier or owner of any land or tenement liable to be rated by any Waterworks Trust: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, and in pursuance of the now in part recited Act, doth order and direct that the minimum amount of rates to be paid for the year 1931 by every occupier or owner of any land or tenement liable to be rated by the Wodonga Waterworks Trust shall be Sixty shillings (60s.) and Thirty shillings (30s.) respectively, as specified in clauses 2 and 3 of the said Trust's rating By-law for the said year.

## EUROA WATERWORKS TRUST.

## ADDITIONAL LOAN OF £3,000.

UNDER the powers conferred by the *Water Act 1928*, and all other powers enabling him in that behalf, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby grant an additional loan of Three thousand pounds (£3,000) to the Euroa Waterworks Trust for the purpose of providing new pipe mains at Euroa, as set forth in the detailed statement bearing date the 26th November, 1930, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted shall be subject to the provisions of the *Water Act*, and the amount shall be charged to the *Water Supply Loans Application Act 1930* (No. 3882).

## YARRAM WATERWORKS TRUST.

## ADDITIONAL LOAN OF £1,000.

UNDER the powers conferred by the *Water Act 1928*, and all other powers enabling him in that behalf, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby grant an additional loan of One thousand pounds

No. 161.—13530.—3

(£1,000) to the Yarram Waterworks Trust for the purpose of providing new pipe mains at Yarram, as set forth in the detailed statement bearing date the 26th November, 1930, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted shall be subject to the provisions of the *Water Act*, and the amount shall be charged to the *Water Supply Loans Application Act 1930* (No. 3882).

And the Honorable Henry Stephen Bailey, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## Water Act 1928.

## STATE RIVERS AND WATER SUPPLY COMMISSION.

*At the Executive Council Chamber, Melbourne, the  
twelfth day of December, 1930.*

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Bailey	Mr. Pollard.
------------	--------------

## SHIRE OF NUMURKAH WATERWORKS TRUST AND THE STATE RIVERS AND WATER SUPPLY COMMISSION.

## ORDER APPORTIONING LIABILITIES AMENDED.

UNDER the powers conferred by the *Water Act 1928* and all other powers enabling him in that behalf, His Excellency the Lieutenant-Governor of the State of Victoria, with the advice of the Executive Council of the said State, doth hereby declare, order, and direct as follows:—

That the Order made by the Governor in Council on the 17th day of September, 1930, apportioning liabilities between the Shire of Numurkah Waterworks Trust and the State Rivers and Water Supply Commission be, and is hereby, amended by substituting for the words "Shepparton Urban Waterworks Trust" the words "Shire of Numurkah Waterworks Trust."

## BENALLA WATERWORKS TRUST.

## MINIMUM RATES FOR YEAR 1931.

WHEREAS by section 148 of the *Water Act 1928* it is enacted that the Governor in Council may from time to time fix a sum which shall be the minimum amount of rates to be paid annually by the occupier or owner of any land or tenement liable to be rated by any Waterworks Trust: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, and in pursuance of the now in part recited Act, doth order and direct that the sum of One pound ten shillings sterling (£1 10s.) in respect of all lands and tenements supplied with water, and Fifteen shillings (15s.) in respect of all vacant or unoccupied land, shall be the minimum amount of rates to be paid for the year 1931 by every occupier or owner of any land or tenement liable to be rated by the Benalla Waterworks Trust.

And the Honorable Henry Stephen Bailey, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## Public Service Act 1928.

## DEPARTMENT OF PUBLIC INSTRUCTION.

## ADDITIONS TO REGULATIONS.

*At the Executive Council Chamber, Melbourne,  
the ninth day of December, 1930.*

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan	Mr. Jones
Mr. Tunnecliffe	Mr. Beckett
Mr. Lemmon	Mr. Williams
Mr. Bailey	Mr. Kiernan
Mr. Cain	Mr. Webber
Mr. Slater	Mr. Pollard.

HIS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following additions to the Regulations made under section 149 of the *Public Service Act 1928*, as hereunder:—

To Regulation X.A. Clause 6 (c) add "(h) Grammar."  
To Regulation X.I.B. Clause 1, Section 4, add "(h) Grammar."

And the Honorable John Lemmon, His Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## Railways Classification Board Acts.

## REGULATION.

*At the Executive Council Chamber, Melbourne, the ninth day of December, 1930.*

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan	Mr. Jones
Mr. Tunnecliffe	Mr. Beckett
Mr. Lemmon	Mr. Williams
Mr. Bailey	Mr. Kiernan
Mr. Cain	Mr. Webber
Mr. Slater	Mr. Pollard.

**H**IS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, under the powers in that behalf conferred by the Railways Classification Board Acts, make the Regulation following (that is to say):—

## FEES OF CHAIRMAN.

The fees payable to the Chairman of the Board shall be as follows:—

For the year ending the 31st day of December, 1930, the sum of Fifty pounds.

And the Honorable John Cain, His Majesty's Minister of Railways for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

## FACTORIES AND SHOPS ACT 1928 (No. 3677).

*At the Executive Council Chamber, Melbourne, the ninth day of December, 1930.*

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Hogan	Mr. Jones
Mr. Tunnecliffe	Mr. Beckett
Mr. Lemmon	Mr. Williams
Mr. Bailey	Mr. Kiernan
Mr. Cain	Mr. Webber
Mr. Slater	Mr. Pollard.

APPOINTMENT OF A SHOPS BOARD, No. 22 (MOTOR REQUISITES), AND ADJUSTMENT OF THE POWERS OF SUCH BOARD AND OF THE SHOPS BOARD, No. 18 (MISCELLANEOUS SHOPS).

**U**NDER the powers in that behalf conferred by the *Factories and Shops Act 1928* (No. 3677), His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby—

- (1) Declare that it is expedient to appoint a Wages Board to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the trade of a seller by retail of petrol, benzine, or other motor spirit, motor oils, or motor car or motor cycle accessories;
- (2) Order that a Wages Board, consisting of six members and a chairman, three of such members being appointed as representatives of employers and three as representatives of employees, be constituted and appointed to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the trade of a seller by retail of petrol, benzine, or other motor spirit, motor oils, or motor car or motor cycle accessories.

Also, that such Wages Board may, in any regulation, determination, order, instrument, or legal proceeding, be described for all purposes as the Shops Board, No. 22 (Motor Requisites), and the area or locality within which the determination of such Wages Board shall be operative shall be the Metropolitan District and the Geelong District as defined in the *Factories and Shops Act 1928* (No. 3677), such portions of the City of Sandringham as are not included within the said Metropolitan District, the Cities of Ballarat, Bendigo, and Warrnambool, and the Boroughs of Eaglehawk and Sebastopol;

- (3) Adjust the powers of the Shops Board, No. 18 (Miscellaneous Shops), and of the Shops Board, No. 22 (Motor Requisites), by depriving the said Shops Board, No. 18 (Miscellaneous Shops), of the power to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the trade of a seller by retail of petrol, benzine, or other motor spirit, motor oils, or motor car or motor cycle accessories, and conferring such power exclusively on the Shops Board No. 22 (Motor Requisites).

## MEMBER OF A WAGES BOARD REMOVED.

**U**NDER the powers in that behalf conferred by the *Factories and Shops Act 1928* (No. 3677), His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby remove

GORDON D. CAMERON

from the Limeburners Board, as his whereabouts are unknown.

And the Honorable G. C. Webber, for and on behalf of His Majesty's Minister for Labour for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

*Land Act 1928, Section 25.*

## TOWNSHIP OF MORKALLA PROCLAIMED.

## PROCLAMATION

By His Excellency the Lieutenant-Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

**I** THE Lieutenant-Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of provisions contained in section 25 of the *Land Act 1928*, do hereby proclaim as a Township, under the designation of Morkalla, the land comprised within the boundaries hereinafter described, that is to say:—

Parish of Morkalla, County of Millewa: Commencing at a point bearing south 7.378 links from the north-west angle of allotment 25; bounded thence by that allotment bearing east 5,000 links, and south 1,700 links, by a line bearing south 700 links, by allotment 26 bearing south 1,676 links and west 5,000 links; and thence by a road bearing north 4,076 links to the commencing point.—(M.595(1). (M.31067).

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of December, in the year of our Lord One thousand nine hundred and thirty, and in the twenty-first year of the reign of His Majesty King George V.

(L.S.) W. H. IRVINE.

By His Excellency's Command,

H. S. BAILEY,  
Commissioner of Crown Lands and Survey.

GOD SAVE THE KING!

*Land Act 1928, Section 25.*

## TOWNSHIP OF KARWEEN PROCLAIMED.

## PROCLAMATION

By His Excellency the Lieutenant-Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

**I** THE Lieutenant-Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of provisions contained in section 25 of the *Land Act 1928*, do hereby proclaim as a Township, under the designation of Karween, the land comprised within the boundaries hereinafter described, that is to say:—

Parish of Karween, County of Millewa: Commencing at the south-west angle of allotment 30A; bounded thence by that allotment, a line, and allotment 29, bearing S. 82 deg. 38 min. E. 5,534 links; by allotment 29 bearing S. 7 deg. 22 min. W. 1,700 links; by a line bearing south-westerly to the northern angle of allotment 38A; by that allotment bearing S. 7 deg. 22 min. W. 1,600 links; by allotment 38A, a line, and allotment 38 bearing N. 82 deg. 38 min. W. 5,534 links; by allotment 37 bearing N. 7 deg. 22 min. E. 1,600 links; by a line bearing north-easterly to the south-eastern angle of allotment 31; and thence by that allotment bearing N. 7 deg. 22 min. E. 1,700 links to the point of commencement.—(K.214(1) (C.79268).

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of December, in the year of our Lord One thousand nine hundred and thirty, and in the twenty-first year of the reign of His Majesty King George V.

(L.S.) W. H. IRVINE.

By His Excellency's Command,

H. S. BAILEY,  
Commissioner of Crown Lands and Survey.

GOD SAVE THE KING!

## Land Act 1928.

## AREAS OF LANDS COMPRISED IN CERTAIN CLASSES DIMINISHED AND INCREASED.

## PROCLAMATION

By His Excellency the Lieutenant-Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Land Act 1928* it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the *Government Gazette*, at any time diminish or increase the area of land comprised in any of the classes mentioned in Part I., Division 1, section 5, of the said *Land Act 1928*, but that the area of lands which may be sold by auction (Class 6) shall not be increased except as in certain cases in the said Act provided: Now therefore I, the Lieutenant-Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in accordance with the provisions of sections 94 and 117 of the *Land Act 1928* aforesaid, do hereby diminish or increase (as the case may be) the areas of Crown lands comprised in Classes 1, 2, 3, and 7 respectively of the classes mentioned in section 5 of the *Land Act 1928* aforesaid to the extent set forth in the subjoined Schedules (that is to say):—

Schedules referred to.

## PUBLIC HIGHWAY.—TOWN OF NEWTOWN AND CHILWELL.

## PROCLAMATION

By His Excellency the Lieutenant-Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Local Government Act 1924* (No. 3720), sections 518 and 519, it is amongst other things enacted that it shall be lawful for the Governor in Council at any time, and from time to time, upon the request of the Council of any municipality, by notice in the *Government Gazette*, to declare any land reserved, used, or by purchase or exchange acquired for a street, road, highway, thoroughfare, bridge, square, court, alley, or right-of-way to be a public highway, and that such land shall thereupon and thenceforth from the date of such Proclamation become and be absolutely dedicated to the public as a public highway within the meaning of any law then or thereafter in force: And whereas the Council of the Town of Newtown and Chilwell has requested that the land hereinafter mentioned, which has been reserved, used, or acquired by the said Council for the purpose of making a street within the said Town, be so declared to be a public highway: Now therefore I, the Lieutenant-Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do by this Proclamation declare the land reserved, used, or acquired for the street hereinafter named and described, and situated within the Town of Newtown and Chilwell aforesaid, to be a Public Highway within the meaning of the said Act, viz.:—

## PUBLIC HIGHWAY.—TOWN OF NEWTOWN AND CHILWELL.

Name of Street.	Extent.	Width of Carriage-way.	Width of Footpath on Each Side.	Total Width.
Frank-street ..	Commencing at a point on the north boundary of Fyans-street, distant 364 feet 9½ inches westerly from the intersection of the north boundary of Fyans-street and the west boundary of Belfast-street; thence north a distance of 1.143 feet 7 inches to the south boundary of Nicholas-street, as shown on plan marked "A" attached to Correspondence No. 30/1474 deposited in the Public Works Department, Melbourne	25 feet 9 inches	12 feet west side; 12 feet 3 inches east side	50 feet

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this ninth day of December, in the year of our Lord One thousand nine hundred and thirty, and in the twenty-first year of the reign of His Majesty King George V.

(L.S.)

By His Excellency's Command,

W. H. IRVINE.

J. P. JONES,  
Commissioner of Public Works.

GOD SAVE THE KING!

Leongatha.—Thursday, 8th January, 1931	154
Queenscliff.—Friday, 23rd January, 1931	161
Rosedale.—Thursday, 18th December, 1930	146
Werrimull.—Thursday, 29th January, 1931	159

Lands and Survey Office, Melbourne.

**SALE (No. 9874) OF CROWN LANDS IN FEE SIMPLE AT QUEENSCLIFF, ON 23RD JANUARY, 1931. TO BE CONDUCTED BY W. T. LONG, LAND OFFICER.**

**H**IS Excellency the Governor, with the advice of the Executive Council, has been pleased to direct that a sale by auction of the undermentioned Crown lands will be holden at Queenscliff, in the afternoon on Friday, the 23rd day of January, 1931, at the Auction Rooms of A. T. Thompson, Hesse-street, Queenscliff, and that such lands be offered for sale in lots hereinafter specified, and at the upset price fixed to each lot respectively.

The lands will be sold in fee simple, and subject to the covenants, conditions, exceptions, and reservations directed by the Governor in Council by an Order in Council dated the 5th August, 1930, and published in the *Government Gazette* of the 8th August, 1930.

A deposit of twelve and a half per centum of the price at which each lot is sold must be paid by the purchaser at the time of sale, and all such payments shall be made only in gold, silver, or bank notes, or cheques approved of by the officer conducting the sale, and the residue of such price will be payable in equal instalments, in accordance with the scale hereunder, on the last day of each successive period of six months from the time of sale, or, if the purchaser choose, at any earlier time or times, being one of such last days of any of the periods of six months stated above; such residue of payment will bear interest at the rate of 5 per centum per annum, to be computed from the time of sale to the time of payment of such residue or instalment of such residue.

The Governor in Council may, if he think fit, register the transfer of the interest of any purchaser of an allotment sold by public auction prior to the final payment of the purchase money being made. The fee for such registration shall be One pound.

## SCALE OF PAYMENTS.

£20 and under, 6 instalments.
Over £20, and not exceeding £50, 8 instalments.
Over £50, and not exceeding £100, 10 instalments.

## Closer Settlement Act 1928.

## SALE OF CROWN LANDS BY PUBLIC TENDER.

**T**ENDERS are invited for the purchase in fee simple, or for leasing for a period of one year, of the undermentioned Crown lands, and will be received up to Noon on Friday, 9th January, 1931, addressed to the Secretary, Closer Settlement Board, Melbourne, and endorsed "Tender for Orchard Property."

Each tenderer is required to state clearly his full name, occupation, and address, the land for which he is tendering, and the price offered. The necessary deposit must accompany each tender.

## ORCHARD PROPERTIES.

## PARISH OF PAKENHAM, COUNTY OF MORNINGTON.

Lot 1. Area 58a. Or. 23p., allotments 173, 174, and 175, formerly held by E. W. Adlam. Situated 5 miles from Officer Railway Station, and  $\frac{3}{4}$  miles from Upper Beaconsfield; 17 acres of orchard. Improvements consist of four-roomed weatherboard house, iron shed, stable, packing shed, two sheds, and fencing.

## PARISH OF GEMSBROOK, COUNTY OF MORNINGTON.

Lot 2. Area 40 acres, allotment 100, section E. Formerly held by A. J. Brain, at Upper Beaconsfield. Six miles from Beaconsfield Railway Station. 19 acres orchard. Improvements consist of five-roomed weatherboard house, calf shed, pigsty, and fencing.

## PARISH OF BULLEEN, COUNTY OF BOURKE.

Lot 3. Area 16a. Or. 36p., allotments 11B and 12A, section 13. Formerly held by W. Guy. One mile from Templestowe and 3 miles from Heidelberg Railway Station. Improvements consist of five-roomed weatherboard house, washhouse, bathroom, wagon shed, fowl houses, dams, engine, pump and piping, electric light plant.

## PARISH OF NILLUMBIK, COUNTY OF EVELYN.

Lot 4. Area 28a. Or. 39p., allotment 13A, section 22. Formerly held by A. W. S. Maggs. One mile from Diamond Creek Railway Station. Improvements consist of three-roomed house, packing shed, dam, fencing, and 20 acres orchard.

Lot 5. Area 41a. Or. 20p., allotment 13B, section 22, fronting Ironbark-road. One mile from Diamond Creek Railway Station. Formerly held by B. E. Downey. Well-situated large weatherboard house, stables, feed room, cow bails, sheds, blacksmith's shop, fowl house, &c.; 8 acres orchard, 23 acres cleared.

## PARISH OF CARLYLE, COUNTY OF BOGONG.

Lot 6. Area 58a. 2r. 0p., allotments 1A and 4A, situated  $\frac{1}{4}$  miles from Rutherglen. Formerly held by B. T. Bell. Improvements consist of four-roomed brick and weatherboard house, iron shed, dams; 43 acres planted with vines, balance cultivable.

## TERMS AND CONDITIONS FOR PURCHASE.

Deposit: Five per cent. of purchase money to accompany tender.

Balance payable in 40 half-yearly instalments, with interest on the unpaid balance at the rate of 6 per cent. per annum.

Purchaser may pay full balance of purchase money at any time prior to due date, with interest to time of payment only, or may, prior to final payment, transfer his interest in the purchase (fee, £1).

Immediate possession. No residence condition. Crown grants on completion of purchase.

The highest or any tenders will not necessarily be accepted. Particulars are obtainable from Lands Department, Melbourne.

## TERMS AND CONDITIONS FOR LEASING.

An amount equal to one-quarter of the annual rent offered to be lodged with tender.

Tenders are to be for a period of one year, with rental payable quarterly in advance.

The highest or any tender not necessarily accepted.

J. R. PESCONT,

Secretary, Closer Settlement Board.  
Melbourne, 16th December, 1930.

## The Closer Settlement Act 1928.

## SALE OF CROWN LANDS BY PUBLIC TENDER.

**T**ENDERS are invited for the purchase, in fee simple, of the undermentioned Crown lands, and will be received up to Noon on Friday, 2nd January, 1931, addressed to the Secretary, Closer Settlement Board, Melbourne, endorsed "Tender for Diggorra Land."

Each tenderer is to state clearly his full name, occupation, and address, and the price offered.

## PARISH OF DIGGORRA, COUNTY OF BENDIGO.

Area 10 acres (subject to survey), allotment 11E, adjoining A. W. Milne's leasehold. Flat, soil of good quality, suited for wheat and other cereals. Situated  $\frac{1}{4}$  miles from Hunter railway station.

## TERMS AND CONDITIONS.

Deposit, 10 per cent. of purchase money to accompany tender. Balance of purchase money payable in 20 equal half-yearly instalments, plus interest on the unpaid balance at 6 per cent. per annum.

Purchaser may pay up full purchase money prior to due date, with interest, or may transfer his interest in purchase.

Immediate possession. No residence condition. Crown grant on completion of purchase.

The highest or any tender not necessarily accepted.

J. R. PESCOTT,  
Secretary, Closer Settlement Board.

Melbourne, 6th December, 1930.

PROPOSED REVOCATION OF ORDERS IN COUNCIL  
TEMPORARILY RESERVING LANDS.

IN pursuance of the provisions of the *Land Act 1928*, notice is hereby given that it is the intention of the Governor in Council to revoke the Orders in Council hereunder referred to, viz.:—

*The following Notice was gazetted 1<sup>o</sup> on 26th November, 1930, pursuant to Order of the 18th November, 1930:—*

**GLENAROUA.**—The Order in Council of the 25th November, 1878 temporarily reserving 5 acres in the Parish of Glenaroua as a site for Public purposes (State School) and excepting from occupation for mining purposes or for residence or business under any miner's right or business licence, and withholding from sale, leasing, and licensing, is about to be revoked.—(G.157(3) (C.79741).)

*The following Notice was gazetted 1<sup>o</sup> on the 3rd December, 1930, pursuant to Order of the 25th November, 1930.*

**SEYMOUR.**—The Order in Council of the 3rd September, 1888, temporarily reserving 1 rood 19 3-10 perches in the Parish of Seymour, as a site for Railway purposes (revoked as to part by Order of the 8th January, 1889), and excepting from occupation for residence or business under any miner's right or business licence, is about to be revoked so far as regards the balance thereof, comprising 1 rood 17 3-10 perches.—(S.262(2) (C.78123).)

*The following Notices were gazetted 1<sup>o</sup> on 17th December, 1930, pursuant to Orders of the 12th December, 1930.*

**LOYOLA.**—The Order in Council of 14th September, 1874, temporarily reserving 6 acres 1 rood 15 perches in the Parish of Loyola, as a site for Watering purposes.—(L.90(2) (R.624).)

**MARYBOROUGH.**—The Order in Council of 18th May, 1886, temporarily reserving 15 acres 28 8-10 perches in the Parish of Maryborough, as a site for Water Supply purposes, and excepting from occupation for mining purposes or for residence or business under any miner's right or business licence.—(M.60(4) (W.55192, M.68547).)

PROPOSED REVOCATION OF THE TEMPORARY  
RESERVATION OF LAND, AS TO PART.

IN pursuance of the provisions of the *Land Act 1928*, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservation of the land hereinafter referred to:—

*The following Notices were gazetted 1<sup>o</sup> on the 26th November, 1930, pursuant to Orders of the 18th November, 1930:—*

**CRAIGIE.**—The temporary reservation, by Order in Council of the 5th August, 1872 (*vide Government Gazette*, 1872, page 1491) of certain land in the Parishes of Craigie and Eglinton, as a site for Reservoirs and Catchment Area, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—15 acres 2 roods 22 perches, Parish of Craigie, County of Talbot: Commencing at the south-east angle of allotment 8t of section 10; bounded thence by said allotment bearing N. 1,261 links, by a road bearing N. 60 deg. 13 min. E. 429 links and N. 39 deg. 38 min. E. 892 links, by a line bearing S. 18 deg. 49 min. E. 1,041 links; and thence by a road bearing S. 35 deg. W. 1,135 links and S. 68 deg. 33 min. W. 672 6-10 links to the commencing point.—(C.330A3) (W.48377).

**CRAIGIE.**—The temporary reservation, by Order in Council of the 5th August, 1872 (*vide Government Gazette*, 1872, page 1491), of certain land in the Parishes of Craigie and Eglinton, as a site for Reservoirs and Catchment Area, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—29 acres 1 rood 31 perches, Parish of Craigie, County of Talbot: Commencing at a point bearing east 581 links from the south-east angle of allotment 8c of section 10; bounded thence by a line bearing north 3,344 links, by a road bearing S. 89 deg. 54 min. E. 533 links, by lines bearing S. 12 deg. 28 min. E. 2,515 5-10 links, and S. 7 deg. E. 701 links; and thence by a road bearing S. 60 deg. 13 min. W. 384 links and west 828 links to the commencing point.—(C.330A3) (W.48398).

PROPOSED REVOCATION OF THE TEMPORARY  
RESERVATION OF LAND.

IN pursuance of the provisions of the *Land Act 1928*, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservation of the land hereinafter referred to, viz.:—

*The following Notice was gazetted 1<sup>o</sup> on 17th December, 1930, pursuant to Order of 12th December, 1930.*

**CORINDHAP.**—The temporary reservation by Order in Council of 26th February, 1883 (*see Government Gazette* of 1883, page 409), of 8 acres 2 roods 5 perches in the Parish of Corindhap, County of Grenville, as a site for affording Access to Water, so far as regards the portions thereof hereinafter described, viz.:—

1. 2 acres 37 perches: Commencing at the north-west angle of the site; bounded thence by allotment 142c bearing east 693 links; by lines bearing S. 46 deg. 52 min. W. 876 links and west 54 links; and thence by allotment 142r bearing north 599 links to the commencing point.

2. 1 acre 3 roods 10 perches: Commencing at a point bearing S. 0 deg. 13 min. E. 150 links from the north-east angle of the site; bounded thence by allotment 142n bearing S. 0 deg. 13 min. E. 598½ links; and thence by lines bearing west 292 links, N. 2 deg. 19 min. W. 599 links, and east 314 links to the commencing point.—(C.269(2) (O510, O511/129).)

LAND PROPOSED TO BE PERMANENTLY RESERVED  
FROM SALE.

IN pursuance of the provisions of section 14 of the *Land Act 1928* (No. 3709), notice is hereby given that it is the intention of the Governor in Council to reserve from sale, permanently, the land hereunder described, viz.:—

*The following Notice was gazetted 1<sup>o</sup> on 3rd December, 1930, pursuant to Order of the 25th November, 1930.*

Land proposed to be permanently reserved as a site for the Recreation and Amusement of the People, also excepted from occupation for residence or business under any miner's right or business licence:—16 acres 20 perches, Parish of Colongulac, County of Hampden: Commencing at a point on the southern margin of Lake Bullen-Merri, where the west boundary of allotment A of section 8 abuts thereon; bounded thence by said allotment bearing south six chains thirty links, by the road from Camperdown to Warrnambool bearing S. 78 deg. W. eighteen chains seventeen links, by a road bearing north eleven chains eighty links; and thence by the aforesaid lake, bearing easterly to the commencing point.—(C.294(2) (Rs.4075; C.77164).)

H. S. BAILEY,  
Commissioner of Crown Lands and Survey.

Department of Lands and Survey, Melbourne.

## MOUNTAINOUS AREAS SCHEME.

**T**HE Farm Allotment mentioned in the Schedule hereunder is hereby proclaimed available for application, and may be taken up under Conditional Purchase Lease, subject to the mountainous areas provisions:—

## TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Board, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person. The sum of One pound five shillings (£1 5s.) Lease fee and fee for Registration must accompany the application.

The capital value, including interest at 5 per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of 36½ years. The first ten years will be free as provided hereunder and term of Lease extended accordingly.

Improvements must be effected to the value of at least two instalments of the purchase money before the end of the first year from the date of lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

Advances to a maximum amount of £625 may be made for the purchase of stock and implements, erection of buildings, fencing, clearing, &c.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

## MOUNTAINOUS AREAS PROVISIONS.

No instalment of purchase money shall be payable during the first ten years, provided the lessee complies with conditions and the allotment is satisfactorily worked. The lessee shall during each and every year of the free period reduce at least one-tenth part of the allotment to a state of clean grass or cultivation and maintain same.

Interest at the rate of 5 per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

Tenders to be addressed to the Honorable the Commissioner of Public Works, and marked "Tender for ———."

J. P. JONES,  
Commissioner of Public Works.

Melbourne, 17th December, 1930.

## PRIVATE ADVERTISEMENTS.

### CITY OF CHELSEA.

#### AMENDMENT OF BY-LAWS NOS. 6 AND 9.

IN pursuance of the powers conferred by the *Local Government Act 1923*, the Council of the City of Chelsea orders as follows:—

That clause 14 of By-laws Nos. 6 and 9, made for the care, protection, and management of the Chelsea Recreation Reserve and Regent's Park Recreation Reserve respectively, be amended to read as follows:—

14. No person shall sell, offer, or expose for sale any article or thing within the Reserve without first obtaining the consent of the Council. Any person or persons obtaining permission or consent under this clause, subject to the provisions of this By-law, shall pay the Council or its authorized officers such charges as the Council may from time to time fix.

Resolution for amending the said By-laws agreed to by the Council on the 3rd day of November, 1930, and confirmed on the 1st day of December, 1930.

The common seal of the Mayor, Councillors, and Citizens of the City of Chelsea was hereunto affixed in pursuance of an order of the Council and in the presence of—

G. ROY A. BEARDSWORTH, Mayor.  
J. JAMES, Councillor.  
HUGH McRAE, Councillor.  
W. B. THOMAS, Town Clerk.

(SEAL)

## CITY OF OAKLEIGH.

## BY-LAW No. 41.

A By-law of the City of Oakleigh, made under section 197 of the *Local Government Act 1928*, and numbered 41, for the purpose of adopting certain of the provisions of the Thirteenth Schedule of the *Local Government Act 1928*.

**I**N pursuance of the powers conferred by the *Local Government Act 1928*, the Mayor, Councillors, and Citizens of the City of Oakleigh order as follows:—

1. In addition to the provisions of the Thirteenth Schedule of the *Local Government Act 1928* adopted by By-law No. 34, the provisions of Part VI. of the Thirteenth Schedule of the *Local Government Act 1928* shall be and are hereby declared to be made applicable to the Municipal District of the City of Oakleigh.

2. This By-law shall come into operation immediately after its publication in the *Government Gazette*.

The Resolution for making this By-law was agreed to by the Council at a meeting held on Monday, the 3rd day of November, 1930.

The said Resolution was confirmed by the Council at a meeting held on Monday, the 1st day of December, 1930.

In witness whereof the common seal of the Mayor, Councillors and Citizens of the City of Oakleigh was hereunto affixed in the presence of—

(SEAL) F. M. COVE, Mayor.  
C. VOUMARD, Councillor.  
J. A. PRICE, Town Clerk.

4726

## CITY OF SOUTH MELBOURNE.

## MUNICIPAL BATHS, SOUTH MELBOURNE.

## By-law No. 269.

A By-law of the City of South Melbourne, made under section 719 of the *Local Government Act 1928* and numbered 269, for the purpose of regulating the management and use of the Municipal Baths at Beaconsfield Parade, South Melbourne, and for fixing the amounts to be charged for admission to and use of same or any part thereof.

**I**N pursuance of the powers conferred by the *Local Government Act 1928*, the Mayor, Councillors, and Citizens of the City of South Melbourne order as follows:—

1. In this By-law—

(a) The word "premises" shall mean and include the whole of the land off Beaconsfield-parade, South Melbourne, and known as the South Melbourne Municipal Baths site (late Stubbs's Ladies' Baths), being expressly described in a sketch plan coloured red in a lease held by the Council from the Melbourne Harbour Trust under date of 1st day of October, 1930.

(b) The word "officer-in-charge" shall mean and include any officer or attendant in charge of the premises or any portion thereof for the time being.

## GENERAL RULES.

2. Every person shall exercise reasonable and proper care in the use of any portion of the baths, dressing rooms, closets, showers, compartments or appurtenances, and shall not damage, deface, write upon or cut any part of the baths, fittings, or buildings whatever.

3. No person shall—

(a) Climb or attempt to climb on any roof, fence, or other portion of the premises except such portion as shall be lawfully set aside for entering or leaving the water.

(b) In a state of nudity climb, stand, sit or in any way be upon any of the fences, pickets, or structures of that portion of the South Melbourne Municipal Baths outside of the part set apart for dressing and undressing in the said baths.

(c) Interfere in the use and enjoyment of the baths by any other person or intrude upon the privacy of any person using any of the compartments set aside for dressing, or be or remain in such compartment unless with the consent of the person occupying the same.

(d) Enter or remain on the premises whilst in a state of intoxication.

(e) Behave in an unseemly, improper, indecent, or offensive manner.

(f) Use any indecent or offensive language.

(g) Use any portion of the baths whilst suffering from any cutaneous, infectious or contagious disease.

(h) Carelessly or negligently injure or destroy any towel, bathing-trunk, or dress, or article supplied for use in the baths, or remove the same from the premises.

(i) Wilfully or improperly foul or pollute the water of the baths or soil or defile any towel, bathing trunk, dressing room, stage landing, or any portion of the baths.

(j) Carelessly or negligently break or injure or improperly interfere with any portion of the baths' furniture, fittings, showers, or conveniences thereof or therein.

(k) Offer any articles for sale on the premises without the consent of the lessee thereof, or bring any intoxicating liquor on to the premises.

(l) Bring, cause, or allow any dog or other animal to enter or remain on the premises.

(m) Obstruct, hinder, or interfere with any person employed at the baths.

4. During the hours fixed herein for mixed bathing, no male person over the age of six years shall trespass on any part of the baths reserved for the use of females, and no females shall trespass on any part of the baths reserved for males, except for the purpose of rendering assistance in cases of accident.

5. Any person finding any article which may have been left or lost in any part of the premises, shall immediately deliver the same to the officer-in-charge, who shall thereupon register a description of the same and all particulars relating thereto in a book to be kept for that purpose, and any person claiming such article, upon satisfactory proof of ownership and giving a receipt therefor in the said book, may receive the return of the same.

6. The Council reserves to itself the right of closing the baths for cleansing, repairs, or other purposes without incurring any liability to any person.

7. For the purpose of maintaining good order, the officer-in-charge may refuse admission to the premises to any person.

8. The charges for admission to the baths shall be:—

*Adults*.—Single bath, 4d.; tickets, 3s. per dozen; season ticket, 20s. each (1st October to 31st March in the following year).

*Children*.—Under 12 years of age—Single bath, week days, 1d.; single bath, Sundays, 2d.; season ticket, 6s. 6d. each (1st October to 31st March in the following year).

9. The baths shall be opened for public use as follows (except when used for carnivals and gals by permission of the Council):—

*For Females*.—On all days throughout the year (Sundays excepted) from 9.30 a.m. to 6 o'clock p.m., and on Sundays from 12 o'clock noon to 6 o'clock p.m.

*For Males and Females*.—(Dressed in the costume provided in the Council's Open-sea Bathing Regulations):—On Mondays, Tuesdays, Wednesdays, Thursdays, Fridays, and Saturdays from 6 o'clock a.m. to 9.30 o'clock a.m., and from 6 o'clock p.m. to 10 o'clock p.m., and on Sundays from 6 o'clock a.m. to 12 o'clock noon, and from 6 o'clock p.m. to 10 o'clock p.m.

10. Every person offending against any of the provisions of this By-law shall, for every offence, upon conviction forfeit and pay a penalty not exceeding £5 nor less than 5s.

11. This By-law shall have operation throughout that part of the Municipal District described on a certain plan attached to a lease made between the Council of the City of South Melbourne and the Melbourne Harbour Trust under date of 1st day of October, 1930, and known as the South Melbourne Municipal (late Stubbs's Ladies') Baths site.

Resolution adopting this By-law agreed to by Council on the 5th day of November, 1930, and confirmed on the 3rd day of December, 1930.

## SHIRE OF GLENLYON.

## BY-LAW No. 8.

A. By-law of the Shire of Glenlyon, made under Part VII. of the *Local Government Act 1915* and section 6 of the *Petrol Pumps Act 1928*, and numbered 8, for and with respect to—

- (a) the placing, fixing, and maintaining of petrol pumps in or on footways and of any apparatus, pipes, and appliances in, on, or under footways for the supply of motor spirit to such petrol pumps, and the removal of such petrol pumps, apparatus, pipes, and appliances;
- (b) the granting, renewal, and transfer of licences and applications therefor;
- (c) licences and conditions to be contained in licences;
- (d) prescribing fees—
  - (1) for the granting or renewal of a licence;
  - (2) for the transfer of a licence;
- (e) providing for a proportionate reduction of fees payable in respect of licences granted for any number of months; and
- (f) insurance by licensees against liabilities which may be incurred by them in respect of petrol pumps.

IN pursuance of the powers conferred by the *Local Government Act 1915* and the *Petrol Pumps Act 1928*, the President, Councillors, and Ratepayers of the Shire of Glenlyon order as follows:—

## Definitions.

1. In this By-law—

“Council” shall mean the Council of the Shire of Glenlyon.

“Licence” shall mean a licence granted in accordance with the *Petrol Pumps Act 1928*.

“Licensee” shall mean a holder for the time being of a licence granted in accordance with the *Petrol Pumps Act 1928*.

“Municipality” shall mean the municipality of the Shire of Glenlyon.

“Petrol pump” shall mean any pump for supplying motor spirit and shall include a portable petrol pump.

“Portable petrol pump” shall mean a petrol pump which is constructed on wheels and is not fixed in or on the footway and is not allowed to remain on the footway.

“Regulations” shall mean the regulations from time to time made and in force under the *Petrol Pumps Act 1928*.

2. Any person may apply for a licence in respect of any petrol pump placed or to be placed in, on, or under any footway in any highway within the municipal district of the Shire of Glenlyon, used or to be used by such person for the purpose of the business carried on or to be carried on by such person of selling and supplying motor spirit. Every such application shall be in the form of the First Schedule to this By-law. Every licence granted shall be in the form of the Second Schedule to this By-law.

3. It shall be the duty of every person to whom a licence has been granted under the provisions of the *Petrol Pumps Act 1928* to maintain in a safe and efficient condition and free from leakage, and in accordance with this By-law, all petrol pumps, apparatus, pipes, and appliances in, on, or under footways for the supply of motor spirit to such petrol pumps.

4. Every licence shall expire on the 30th day of September next following the date of issue, and shall after such 30th day of September be of no force and effect.

- (a) There shall be paid to the Council in respect of every licence for a single petrol pump, other than a portable petrol pump, in or on any footway, a licence-fee of Two pounds two shillings per annum.
- (b) There shall be paid to the Council in respect of every licence for a dual petrol pump other than a portable petrol pump in or on any footway a licence-fee of Three pounds three shillings per annum.
- (c) There shall be paid to the Council in respect of every licence for a portable petrol pump which is used on any footway for the purposes of selling or supplying motor spirit a licence-fee of One pound one shilling per annum.

(d) Provided that where a licence is granted for any number of months less than twelve months a proportionate reduction of the fee, based on the number of months unexpired, shall be made by the Council.

5. No licence or renewal of a licence or transfer of a licence shall be granted unless the fee prescribed in such case has first been paid.

6. Where a licence granted under the provisions of this By-law is about to expire, the Council may, upon application being made to it in the form of the Third Schedule to this By-law, renew such licence for a further term of one year.

7. Every application for the renewal of a licence shall be lodged with the Council at least fourteen days before the expiration of the licence, and shall be accompanied by the annual licence-fee hereinbefore prescribed.

8. The Council may refuse to grant or renew or transfer any licence where the pump in respect of which an application for a licence or transfer or renewal of a licence is made is not placed or proposed to be placed in front of premises occupied or to be occupied by the applicant for the purpose of carrying on the business of selling or supplying motor spirit.

9. No licence shall be transferred, save in accordance with the following provisions:—The person desiring to transfer the licence shall first make application, in writing, to the Council for the approval of the Council to such transfer, and shall enclose with such application a transfer of the licence, in writing, signed by the licensee, and an acceptance of such transfer (conditional upon the approval of the Council being granted thereto) by the transferee, and shall pay to the Council a transfer fee of Five shillings (5s.).

10. Immediately on the approval by the Council of any transfer of licence being given, the policy of insurance herein-after referred to taken out by the transferor shall be transferred to the transferee, or the transferee shall effect a new policy in a company of repute to the same effect.

11. Every licensee under the provisions of this By-law shall, before the petrol pump in respect of which such licence is granted is erected, or if such petrol pump has been erected prior to the application, before such petrol pump is used for the sale or supply of motor spirit, insure himself, and thereafter at all times keep himself insured during the currency of such licence and any renewal thereof, in some insurance company of good repute, against all damages and liabilities for which he may become liable to any person arising from the use, control, or possession by him of such petrol pump in the sum of at least £500. Every licensee shall on demand produce to the Council or any duly-appointed officer of the Council the said policy of insurance, and the receipt for the premium for the then unexpired period of the licence.

12. A licensee shall make good any damage to conduits, drains, or pipes under any footway caused by or arising from the installation or removal of a petrol pump, or any part thereof, or any apparatus, pipes, or appliances for the supply of motor spirit to such pump, and shall make good any portion of the footway broken up for the purpose of such installation or removal.

13. Every licensee whose licence shall have expired and has not been renewed, or whose licence shall have been cancelled under the provisions of the *Petrol Pumps Act 1928*, shall, within seven days after such expiry or cancellation, remove the petrol pump referred to in such licence, and all apparatus, pipes, and appliances connected therewith in, on, or under the footway.

14. No licensee shall cause or permit the petrol pump in respect of which his licence is granted, or the apparatus, pipes, or appliances connected therewith, to be altered in design or position without first obtaining the consent of the Council.

15. This By-law shall apply to and have operation throughout the whole of the municipal district of the Shire of Glenlyon.

## FIRST SCHEDULE.

## Application No.

## SHIRE OF GLENLYON.

*Petrol Pumps Act 1928 (No. 3613).*

*Application to the Council of the Shire of Glenlyon for a Licence in Respect of a Petrol Pump to be placed or retained or used on the Footway of a Highway within the Municipality of the Shire of Glenlyon.*

This application must be fully filled up in accordance with the following instructions before it can be considered by the Council.

If a licence is required for more than one petrol pump, it will be necessary for the applicant to make separate applications in respect of every such licence so required.

State christian name and surname of the applicant. If a firm, the name of each member in full. If a company, the name of the company and its secretary.

State occupation of the applicant.

State postal address of the applicant.

State if licence or licences have already been granted by the Council in respect of any petrol pump or pumps. If so, state fully the number and where such petrol pump or pumps are situate.

State name, number, and part of the street on which the petrol pump is, or on which it is proposed to erect the petrol pump, and attach plan showing clearly the position on the footway where it is proposed to erect the petrol pump.

State class or type of petrol pump for which a licence is applied for. If a portable petrol pump (which is allowed to remain on the footway only during the period of selling or supplying motor spirit), state class or type of such pump.

Signature of applicant—

Date—

The Shire Secretary, Shire Office, Glenlyon.

#### SECOND SCHEDULE.

#### SHIRE OF GLENLYON.

*Petrol Pumps Act 1928 (No. 3613).*

#### PETROL PUMP LICENCE.

No.

Pursuant to the provisions of section 3 of the *Petrol Pumps Act 1928 (No. 3613)*, the Council of the Shire of Glenlyon doth hereby grant licence to—  
of \_\_\_\_\_, for the period of \_\_\_\_\_ months from the \_\_\_\_\_ to the 30th September, 19\_\_\_\_, in respect of a petrol pump to be placed \_\_\_\_\_ on the footway of \_\_\_\_\_ street portable petrol pump to be used on the footway of \_\_\_\_\_ road situate \_\_\_\_\_ in the municipal district of the Shire of Glenlyon, subject to the conditions following, that is to say:—

That this licence is issued subject to the provisions of the *Petrol Pumps Act 1928*, and of any Regulations made by the Governor in Council under the powers conferred by section 7 of the said Act, and of any By-laws made by the Council under section 6 of the Act aforesaid.

That every authorized officer of the Council shall be at all times allowed free access to the premises of the licensee, for the purpose of ascertaining whether the conditions of the licence have been properly observed, and that the licensee shall, by himself or his representatives, give every assistance for that purpose which such officer may require.

This licence is in respect of an application made to the Council on the \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, and numbered \_\_\_\_\_

Dated this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_.

By order of the Council,

Shire Secretary.

Licence fee paid, £ \_\_\_\_\_

#### THIRD SCHEDULE.

#### Application for Renewal of Licence.

No.

Whereas a licence numbered \_\_\_\_\_ was, on the day of \_\_\_\_\_, 19\_\_\_\_, issued under the provisions of By-law No. \_\_\_\_\_ to M \_\_\_\_\_ in respect of a petrol pump to be placed or retained or used on the footway in front of premises \_\_\_\_\_ (such petrol pump being fully described in application No. \_\_\_\_\_

for licence), and whereas such licence will expire on the 30th day of September, 19\_\_\_\_, I/we, the undersigned, hereby apply for renewal of such licence for the year ending 30th September, 19\_\_\_\_.

Dated at \_\_\_\_\_ this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_.  
Signature(s)—

Resolution for passing this By-law agreed to by the Council the 6th day of October, 1930, and confirmed the 3rd day of November, 1930.

The common seal of the President, Councillors, and Rate-payers of the Shire of Glenlyon was hereunto affixed the 3rd day of November, 1930, in the presence of—

J. W. QUINE, Councillor.  
(SEAL.) J. A. DOUGALL, Councillor.  
W. FOWLER, Councillor.  
THOMAS SINCLAIR, Shire Secretary.

Approved by the Governor in Council,  
the 12th November, 1930.

C. W. KINSMAN,  
Acting Clerk of the Executive Council.

TUESDAY, 20TH JANUARY, 1931, AT HALF-PAST ELEVEN O'CLOCK.

In the Supreme Court of the State of Victoria.—*Fi. Fa.*  
NOTICE is hereby given that, under and by virtue of certain process issued out of the Supreme Court of the State of Victoria, and directed to the Sheriff requiring him to levy certain moneys of the real and personal estate of Alice Morgan, of 19 Armadale-street, Armadale, married woman, being out of her separate property not subject to any restriction against anticipation unless by reason of section 22 of the *Married Women's Property Act 1928*, the property shall be liable to execution notwithstanding such restriction, the said Sheriff will, on Tuesday, the 20th day of January, 1931, at the hour of half-past Eleven o'clock in the forenoon, cause to be sold, at the Police Station, Boundary-road, Burwood (unless the said process shall have been previously satisfied or the said Sheriff be otherwise stayed):—

All the right, title, estate, and interest (if any) of the said Alice Morgan as aforesaid in and to all that piece of land, being part of Crown allotment B, portion 19, at Burwood, Parish of Nunawading, County of Bourke, and being the land comprised in certificate of title, volume 5658, folio 1133489.

Also, on the same day (Tuesday, the 20th day of January, 1931), at the hour of Two o'clock in the afternoon, cause to be sold, at the Police Station, 620 Sydney-road, Brunswick, all the right, title, estate, and interest (if any) of the said Alice Morgan in and to all that piece of land, being part of Crown portion 105, at Brunswick, Parish of Jika Jika, County of Bourke, and being the land comprised in certificate of title, volume 2637, folio 407310, together with all registered appurtenant easements.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 10th day of December, 1930.  
4771 GEORGE LOUITT, Sheriff's Officer.

WEDNESDAY, 21ST JANUARY, 1931, AT TWO O'CLOCK.

In the Supreme Court of the State of Victoria.—*Fi. Fa.*  
NOTICE is hereby given that, under and by virtue of certain process issued out of the Supreme Court of the State of Victoria, and directed to the Sheriff requiring him to levy certain moneys of the real and personal estate of J. Bishop, of High-street, Preston, blacksmith, the said Sheriff will, on Wednesday, the 21st day of January, 1931, at the hour of Two o'clock in the afternoon, cause to be sold, at the Police Station, Gower-street, Preston (unless the said process shall have been previously satisfied or the said Sheriff be otherwise stayed):—

All the right, title, estate, and interest (if any) of the said J. Bishop in and to:—(1) All that piece of land, being lots 18 and 19 on plan of subdivision No. 6555, lodged in the Office of

Titles, and being part of Crown portion 146, Parish of Jika Jika, County of Bourke, and being the land more particularly described in certificate of title, volume 4172, folio 834235.

(2) All that piece of land, being lot 16, on plan of subdivision No. 1047, lodged in the Office of Titles; and being part of Crown portion 149, Parish of Jika Jika, County of Bourke, and being the land more particularly described in certificate of title, volume 3592, folio 718368.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 11th day of December, 1930.

4770 GEORGE LOUITT, Sheriff's Officer.

FRIDAY, 23RD JANUARY, AT ELEVEN O'CLOCK.

In the Supreme Court of the State of Victoria.—*Fi. Fa.*

NOTICE is hereby given that, under and by virtue of certain process issued out of the Supreme Court of the State of Victoria, and directed to the Sheriff, requiring him to levy certain moneys of the real and personal estate of John McQuay, of 71 Chapel-street, Windsor, the said Sheriff will, on Friday, the 23rd day of January, 1931, at the hour of Eleven o'clock in the forenoon, cause to be sold, at the Post Office, Beaconsfield (unless the said process shall have been previously satisfied or the said Sheriff be otherwise stayed):—

All the right, title, estate, and interest (if any) of the said John McQuay in and to, firstly, all that piece of land being part of Crown portion 54, Parish of Pakenham, County of Mornington, more particularly described in certificate of title, volume 2924, folio 584602; secondly, all that piece of land being allotment 53, Parish of Pakenham, County of Mornington, more particularly described in Crown grant, volume 290, folio 57947.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 15th day of December, 1930.

4768 GEORGE LOUITT, Sheriff's Officer.

In the Supreme Court of the State of Victoria.—*Fi. Fa.*

NOTICE is hereby given that, under and by virtue of certain process issued out of the Supreme Court of the State of Victoria, and directed to the Sheriff, requiring him to levy certain moneys of the real and personal estate of Catherine Monica Cahill, of Ovens-street, Yarraville, married woman, being out of her separate property not subject to any restriction against anticipation, unless by reason of section 22 of the *Married Women's Property Act 1928*, the property shall be liable to execution notwithstanding such restriction, the said Sheriff will, on Thursday, the 22nd day of January, 1931, at the hour of half-past Eleven o'clock in the forenoon, cause to be sold, at the Police Station, Wills-street, Yarraville (unless the said process shall have been previously satisfied or the said Sheriff be otherwise stayed):—

All the right, title, estate, and interest (if any) of the said Catherine Monica Cahill in and to all that piece of land having a frontage of 33 feet to the south side of Ovens-street, Yarraville, by a depth of 65 feet on the west side and 63 feet on the east side, being part of Crown allotment one H, section 8, Parish of Cut-paw-paw, County of Bourke, being the whole of the land comprised in certificate of title, volume 914, folio 182705; and also all that piece of land having a frontage of 33 feet to the north side of Ovens-street, Yarraville, by a depth of 65 feet, being part of Crown allotment one G and one H, section 8, parish and County aforesaid, being the whole of the land comprised in certificate of title, volume 1588, folio 317596, both standing in the register book in the name of the County of Bourke Permanent Building and Investment Society, of Collins-street, Melbourne, such society being mortgagee only, Catherine Monica Cahill being entitled to the equity of redemption in the said land.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 15th day of December, 1930.

4769 GEORGE LOUITT, Sheriff's Officer.

In the Supreme Court of the State of Victoria.—*Fi. Fa.*

NOTICE is hereby given that, under and by virtue of certain process issued out of the Supreme Court of the State of Victoria, and directed to the Sheriff, requiring him to levy certain moneys of the real and personal estate of Annie Davidson Anderson, of Hotel Federal, Collins-street, Melbourne, widow, the said Sheriff will, on Wednesday, the 21st day of January, 1931, at the hour of half-past Eleven o'clock in the forenoon, cause to be sold, at the Police Station, Whitehorse-road, Balwyn (unless the said process shall have been previously satisfied or the said sheriff be otherwise stayed):—

All the right, title, estate, and interest (if any) of the said Annie Davidson Anderson in and to all that piece of land being part of Elgar's Crown special survey, Parish of Borondara, County of Bourke, and being the whole of the land particularly described in certificate of title, volume 4724, folio 944704.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 10th day of December, 1930.

4772 GEORGE LOUITT, Sheriff's Officer.

*Factories and Shops Act 1928 (No. 3677).*

## DETERMINATION OF THE POTTERY BOARD.

NOTE.—This Determination on the 19th December, 1930, applied to the whole of the State of Victoria.

In accordance with the provisions of the *Factories and Shops Act 1928* (No. 3677), the Wages Board appointed to "determine the lowest prices or rates which may be paid to any persons employed in the trade of making pottery, tiles (other than cement tiles), or pipes, and digging the clay used in connexion therewith," has made the following Determination, namely:—

(1) That on the 19th December 1930, the last previous Determination of this Board shall be revoked and replaced by this Determination.

(2)

### APPRENTICES OR IMPROVERS.

Within the Metropolitan District as defined in the *Factories and Shops Act 1928* (No. 3677); such portions of the City of Sandringham, and of the Shires of Braybrook, Broadmeadows, Doncaster and Templestowe, and Heidelberg as are not within the said District; the Cities of Chelsea and Mordialloc; and the Shires of Berwick, Bulla, Cranbourne, Dandenong, Eltham, Ferntree Gully, Gisborne, Keilor, Lillydale, Melton, Mulgrave, Romsey, Werribee, and Whittlesea.

NOTE.—All piece-work prices shall be calculated on the basis of articles "Good from hand."

In this Determination the expression "Good from hand" shall mean free from maker's faults at the time the articles are approved by and taken possession of by the employer prior to burning.

Faults proved to be due to the use of defective moulds supplied by an employer shall not be deemed to be maker's faults.

## PIECE-WORK WHICH MAY BE FIXED BY AN EMPLOYER.

(7) The Board determines, under the provisions of Section 150 of the *Factories and Shops Act 1928* (No. 3677), that any employer may fix and pay piece-work prices to any person employed in the glazed pipes and salt-glazed ware, general pottery, tile, and terra-cotta sections of the trade at work for which piece-work prices have not been specified above, provided that any such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

*Factories and Shops Act 1928 (No. 3677).*

## DETERMINATION OF THE BRICK TRADE BOARD.

NOTE.—(a) This Determination on the 24th December, 1930, applied to the whole of the State of Victoria.

(b) On 21st February, 1911, the powers of the Brick Trade Board were extended, so that it might fix "the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of sand, lime, or cement brickmaking."

IN accordance with the provisions of the *Factories and Shops Act 1928 (No. 3677)*, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade or business of brickmaking (including clay-digging)," has made the following Determination, namely:—

(1) That on the 24th December, 1930, the last previous Determination of this Board shall be revoked and replaced by this Determination.

PROPORTION (in any factory or place).

One apprentice to every three or fraction of three workers receiving not less than 83s. per week of 48 hours.

An indenture of apprenticeship prescribed by the Board was approved on 6.9.1924.

Provided that any improver employed as a loft-worker, or at taking off from a single brick machine be paid not less than 58s. per week of 48 hours.

PROPORTION (in any factory or place).

One improver to every eight or fraction of eight employees receiving not less than 83s. per week of 48 hours.

(3) **TIME OF BEGINNING AND ENDING WORK.**—For any persons except burners, machine drivers, machine riggers, and pan or crusher attendants—

Time of Beginning.		Time of Ending.	
7 a.m.	..	12 noon on Saturdays, or the day on which the half-holiday is locally observed.	
7 a.m.	..	5.30 p.m. on each of the other five working days of the week.	

(4) **OVERTIME.**—(a) Any employee who works for any time in excess of the maximum number of hours per week fixed by this Determination shall be paid for such extra time at the rate of time and a half.

(b) Any employee (other than a burner, machine driver, machine rigger, or pan or crusher attendant) who works outside the hours fixed in clause 3 shall be paid for such time at the rate of time and a half.

(5) **SUNDAYS AND HOLIDAYS.**—Time and a half shall be the special rate for all work done on Sundays, and double time for all work done on New Year's Day, Foundation Day (26th January), Eight Hours Day (21st April), Good Friday, Easter Monday, King's Birthday, Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted.

**PIECE-WORK PRICES FOR BRICKS OTHER THAN FIREBRICKS.**

(6) The lowest piece-work prices to be paid for bricks, other than firebricks, shall be—

	In Yards where Railway Trucks are used.		In Yards where Railway Trucks are not used.	
	Ordinary Bricks, per 1,000.	Radial or Culvert or Bull-nosed Bricks, per 1,000.	Ordinary Bricks, per 1,000.	Radial or Culvert or Bull-nosed Bricks, per 1,000.

**PIECE-WORK PRICES WHICH MAY BE FIXED BY AN EMPLOYER.**

(7) The Board determines under the provisions of Section 150 of the *Factories and Shops Act 1928* that any employer may fix and pay piece-work prices to any person employed in fire-brick making, or as a clayholeman, machine driver, machine rigger, wheeler of green bricks, or trucker, provided that any such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

D. BERRIMAN, P.M., Chairman.

A. G. ALLEN, Secretary.

Melbourne, 4th December, 1930.
