PRESENT:

His Excellency the Governor of Victoria.

Mr. Cain

Mr. Williams

Mr. Webber.

HIS Excellency the Governor of the State of Victoria, by
and with the advice of the Executive Council thereof,
and in pursuance of the provisions of the *Lunacy Act 1928*,
doth hereby revoke the Regulations made under the provisions
of the *Lunacy Act 1915* relating to (I.) Reception of Voluntary
Boarders into Hospitals for the Insane, &c., also for the
Transfer of Insane Patients from one Institution to another;
(II.) Boarding-out Patients; and (III.) Licensed Houses—and
in lieu thereof doth make the following Regulations (that is to
say):—

PART I.

1. The Regulations Nos. 1, 2, 3, and 4. may be cited as the
"Voluntary Boarder (Lunacy Acts) Regulations 1928," and
No. 5 as Regulation for the issue of orders for the transfer of
insane patients from one institution to another.

2. It shall be a condition governing the lawful reception of
a Voluntary Boarder in any Hospital for the Insane, Receiving
House, or Licensed House under the provisions of section 105
of the *Lunacy Act 1928* that the same has available accommoda-
tion which has been passed by the Inspector-General of the
Insane as being in his opinion suitable for the care and treat-
ment of voluntary boarders of the sex, age, and rank in life of
the particular person requested to be received therein.

3. In the event of a person detained as a voluntary boarder
being discharged from any Hospital for the Insane, Receiving
House, or Licensed House, or of such Boarder being committed
therefrom as a patient under the Lunacy Acts, the Medical
Superintendent in the case of a Hospital or Receiving House,
or the licensee of a Licensed House, or some one on his behalf,
shall forthwith notify the Inspector-General of the Insane of
that fact in the prescribed form.

4. The Forms numbered from I. to VII. inclusive in Sched-
ule One hereto, or Forms to the like effect, are hereby pre-
scribed as those to be severally used in matters connected with
or incidental to Voluntary Boarders in matters under the pro-
visions of the *Lunacy Act 1928*, according to the circumstances
and purposes of the case.

TRANSFER OF PATIENTS.

5. The Forms numbered from VIII. to XII. inclusive in
Schedule One hereto, or Forms to the like effect, are the
Forms of Order prescribed to be used by the Inspector-General
of the Insane when exercising the power conferred by section
91 of the *Lunacy Act*, directing the transfer of a patient from
any Hospital for the Insane to a Licensed House, or from a
Licensed House to a Hospital for the Insane, or from one Hos-
pital for the Insane to another, or from one Licensed House to
another.

PART II.

1. The Class of Persons (in these Regulations called
"Guardians") with whom Patients may be placed to Reside
and Board.—Guardians must be either the owners or sole
tenants of the houses, and must reside in the houses in which
patients are to be boarded; and, in all cases, guardians must
be people of good repute, who possess a certificate of respect-
ability, good character, and fitness to be entrusted with the
care of patients from a local magistrate or minister of religion
who has known the person named in the certificate for a period
of not less than six months immediately preceding the date of
the certificate. In each case the person selected as a guardian
shall be, if possible, of the same social position and of the
same religious denomination as the patient.

Limitation as to Patients.—Excepting with the written con-
sent in each case of the Honorable the Chief Secretary, one
patient only shall be boarded in the same house at the same
time, and the same person shall not be guardian of more than
one patient at the same time.

2. The Accommodation which every House or Institution in
which any Patient is to Reside and Board shall contain, the
distance from a Hospital for the Insane within which such
House or Institution must be, and the character of the site of
such House or Institution.—The house or institution must be

well drained and free from damp, with well ventilated rooms, and must be sufficiently commodious to provide for each patient a bedroom of not less cubical contents than 700 feet. In the case of patients who are boarded out at benevolent asylums or such like institutions, sleeping accommodation may be provided, with the approval of the Inspector-General of the Insane, in dormitories. These dormitories must, however, contain at least 800 cubic feet of air space for each patient. Unless within 6 miles of a railway station, upon a line of railway, the house or institution must be within 30 miles of a hospital for the insane; and if within 6 miles of a railway station, upon a line of railway, the house or institution must then be within 100 miles of a hospital for the insane; and must be in a healthy and cheerful situation.

3. *Furniture*.—Each patient's bedroom must contain a comfortable single bed and suitable bedclothes, sheets to be changed at least weekly, and such other furniture as the Inspecting Medical Officer shall from time to time require to be supplied.

Clothing.—All clothing required by the patients, and not supplied by their friends, shall be supplied from a hospital for the insane, and shall be such as is usually worn by ordinary persons in the same social position as the patients.

4. *General Dietary Scale*.—The food must always be sufficient in quantity, of good quality, suitable description, and carefully cooked. Fermented liquors not allowed to patients, unless by direction of the medical officer. The patients shall be supplied with the same kind of food as their guardians, unless the medical officer shall decide otherwise.

5. *The Hours to be kept by Patients*.—Patients shall be allowed eight hours for sleeping, and not be required to work longer than the Inspecting Medical Officer shall approve of. They are not to be allowed out after dark, unless for some special purpose, and suitably attended.

6. *Occupations to be permitted to be followed by Patients*.—Patients, subject to any directions which may from time to time be given by the Inspecting Medical Officer, are to be allowed and encouraged to employ themselves in any occupation or work for which their previous education or training may suit them; but care must be taken that they do not overtask themselves. If the patients should earn any money by their exertions this must be treated as the property of the patients, and the guardians should keep an account of this for the patient, and report the amount to the Inspecting Medical Officer at each visit by him.

7. *The Degree of Liberty and Absence (if any) from the Place of Residence which may be Allowed to Patients*.—Outdoor exercises by patients should be, as much as possible, encouraged by guardians, but, unless approved by the Inspecting Medical Officer, patients should not be allowed to wander out of sight of their guardian unless in the care of some person approved by the guardian—but, so far as the safety of the patient will admit of, freedom from constraint should be permitted to the patient; and, with the written consent of the Inspecting Medical Officer, a patient may be allowed to be absent from residence for not longer than eight days at one time if the guardian is satisfied of the fitness of the person with whom the patient states his intention to reside during his or her absence from his or her guardian and of the reliance which may be placed upon the patient's statement. But in each case of absence from residence for longer than one day, between the hours of 9 a.m. and 7 p.m., the previous consent in writing of the Inspecting Medical Officer must be obtained.

8. *The Inspection to which all such Houses shall be Subject*.—In addition to the inspection provided for in the said *Lunacy Act 1928*, all such houses and the patients therein shall be visited and inspected at least once in every three calendar months by the superintendent of the Hospital for the Insane nearest to the house to be inspected, or by some medical practitioner in actual practice to be appointed by the Chief Secretary.

9. In each house a book, to be called "The Inspector's Book" shall be kept by the guardian, in which the guardian shall enter—

The name of the patient.
The date of the reception of the patient.
The Hospital for the Insane or Receiving-house or other place from which the patient comes.
The occurrence, and the date of the occurrence, of any physical ailment of, or accident to the patient.
The date and occasion of any absence of the patient.
The date of each visit of the Inspecting Medical Officer.
The date of the removal or death of patient during residence.

And in this book the Inspecting Medical Officer shall enter—
The date of each visit made by him, with his observations on the state of the house and condition of the patient, and any other observations he may think proper.

10. *The Scale of Payment to be made for Patients*.—The scale of payment may vary, subject to the following condition, from Six shillings per week to Twelve shillings per week. The amount shall be fixed in each case by the Inspector-General of the Insane, subject in all cases in which the estate of the

patient is under the control of the Master-in-Equity, or of any committee or guardian, to the approval of the Master-in-Equity. In determining the amount to be paid the following conditions shall be considered :—

- (a) The physical and mental condition of the patient as affecting the comfort of the guardian and guardian's family.
- (b) The amount of personal attention which the patient will require.
- (c) Any special diet which the Inspecting Medical Officer may certify to be necessary.
- (d) The ability of the patient to pay, where superior accommodation is desired by the friends of the patient; and the character of the accommodation which, in such case, it is supposed should be supplied.

11. *General Duty of Guardians towards Patients*—

- (a) The first duty of the guardian shall be to secure the safety, the comfort, and happiness of the patient.
- (b) The patient shall receive the personal care and attention of the guardian.
- (c) Any indication of a suicidal tendency or extreme excitement shall be at once communicated to the superintendent of the nearest asylum for the insane.

12. *Termination of Agreement with Guardian, and Removal of Patient*.—The guardian may terminate the agreement for the board of a patient by giving not less than fourteen days' notice in writing to the superintendent of the nearest Hospital for the Insane; or, in the case of a patient being unmanageable, the guardian may take the patient back to the Hospital for the Insane or Receiving-house from which he or she came, after such reasonable notice as the circumstances of the case will admit of. In any case in which the superintendent of a Hospital for the Insane, or the Inspector-General of the Insane, shall consider, either upon the report of the Inspecting Medical Officer or upon his own inspection that any of these Regulations are not duly observed by the guardian, or that the patient has ceased to be a fit subject to be boarded out, the superintendent of a Hospital for the Insane or the Inspector-General of the Insane may remove, or may order the removal of such patient, either after such reasonable notice as in each case such superintendent or Inspector-General shall think proper, or without notice if the superintendent or Inspector-General be of opinion that an immediate removal is necessary. In the event of such removal being upon the ground of a breach of the Regulations, then no payment beyond the last day of the preceding week's board shall be paid, but in the event of removal for any other cause, then one week's board in addition to the week's board in which the patient is removed shall be paid to the guardian.

13. *Moneys and Property of Patient*.—Upon the removal of any patient the guardian shall hand over to the superintendent of the nearest Hospital for the Insane, or to the Master-in-Equity, any property of the patient in his or her possession or care, including any moneys which the patient may have earned during residence with the guardian.

14. *Notice of Death, Escape, and Recapture of Patients*.—In the event of the death, escape, or, after escape, of recapture of any patient, the guardian shall, without delay, give notice in writing of such death, escape, or recapture to the Inspecting Medical Officer, to the Inspector-General of the Insane, and to the Master-in-Equity.

15. *Interpretation*.—The term "The Inspecting Medical Officer," when used in these Regulations, shall include the Inspector-General of the Insane, the superintendent of the nearest Hospital for the Insane, and any medical practitioner appointed by the Chief Secretary to inspect houses in which patients are boarded out.

PART III.

1. Application for such licence shall be made to the Chief Secretary in the form or to the effect of Schedule Two, and there shall be attached to such application the following documents :—

- (a) A plan of all houses and buildings to be included in the licence, drawn upon a scale of eight feet to an inch, with a description of the situation of the house, and the length, breadth, and height of, and a reference by a figure or letter to, every room therein, distinguishing the rooms to be appropriated to patients from those to be occupied by the family and domestic servants of the resident licensee.
- (b) A statement of the quantity of land not covered by building annexed to the house, and appropriated to the exclusive use, exercise, and recreation of the patients, with a plan thereof drawn to a scale of 100 feet to an inch.
- (c) A statement of the means by which the sexes are to be kept apart or separately provided for.

2. Such licence shall be in the form or to the effect of Schedule Three, and shall remain in force for twelve months from the date thereof.

3. A licence shall not be granted in respect of a house for the reception of insane persons until the Inspector-General of the Insane certifies, in writing, to the Chief Secretary that such house is suitable for such purpose.

4. The Inspector-General of the Insane may at any time demand to see all persons living in any licensed house, whether deemed to be insane or not.

5. No alteration or addition shall be made in or about a licensed house or its appurtenances without the approval of the Inspector-General of the Insane.

If it is proposed to make any such alteration or addition, the licensee shall send notice, in writing, thereof to the Inspector-General of the Insane.

Such notice shall be accompanied by a full description of the proposed alteration or addition, with plans drawn to a scale of eight feet to an inch.

6. The Chief Secretary may, if he thinks fit, from time to time renew any licence for a licensed house on request, in writing, by the licensee thereof, and the payment of the annual fee hereinbefore prescribed.
