3. The fee payable for a licence to take or kill opossums shall be Two pounds (£2).

4. The licence to take or kill opossums shall be in accordance with Form “G” in Schedule “A” hereto, and shall remain in force for the current trapping season in the year in which it is issued, and no longer, and shall not be transferable.

6. (a) No licensed trapper shall use for the purpose of taking opossums any poison or shot gun.

(b) All opossums caught in snares or traps which are not dead when found shall be killed at once by a blow on the head.

The petition purports to be signed by not less than twenty-five ratepayers resident in the portion of the Shire of Borung which is described in their petition, and they desire that the said area be proclaimed a township, under the name of the Township of Warracknabeal.

AREA DESCRIBED IN THE PETITION.

Local Government Act 1928.

CITY OF MORDIALLOC.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the City of Mordialloc, and they desire that the said City be re-subdivided by subdivision of the existing Mentone Ward into two separate wards, to be called the Mentone and West Wards.

The petitioners state that they wish the rates collected in the proposed new ward, less proportion of administration charges, to be spent in that area, as they have been paying rates to the present Mentone Ward for the last nine years and have had very little spent there. They have practically no made footpaths, only a few lights, and many of their streets are without water, and their beach, which is a very favorite one, has no sanitary conveniences, and the question of systematic drainage has not received attention.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to re-subdivide the City of Mordialloc in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. A. Chalmers, Cliff-grove, Beaumaris, S.10.

SHIRE OF VIOLET TOWN.

PROPOSED SEVERANCE FROM SHIRE OF VIOLET TOWN AND ANNEXATION TO SHIRE OF EUROA.

IN pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Central Riding described in the petition, and they desire that the said area may be severed from the Shire of Violet Town and annexed to the North Riding of the Shire of Euroa.

DESCRIPTION OF AREA PROPOSED TO BE SEVERED.

Commencing at the north-western corner of allotment 90, Parish of Tamleugh; thence easterly to the south-eastern corner of allotment 81; thence northerly to the north-eastern corner of said allotment 81; and thence by a road easterly to the north-eastern corner of allotment 30B; thence by a road southerly to the south-eastern corner of allotment 14 and meeting the Murchison-Violet Town road; thence north-westerly along the Murchison-Violet Town road to the south-western corner of allotment 107; thence by the road running northerly being the existing boundary of the Shires of Euroa and Violet Town to the commencing point.

The petitioners state:—

1. That Euroa is the business town of the residents of the portion seeking severance.

2. That the roads in the portion seeking severance are badly in need of repair, not having been repaired for many years, although there is gravel suitable for road making within one mile of each of the roads in the said portion.

3. That although the rate in the Central Riding of the Shire of Violet Town is the sum of One shilling and ninepence, some of the roads in the portion seeking severance have not had money spent on them since the Shire of Violet Town was constituted in the year One thousand eight hundred and ninety-six.

4. That the Council of the Shire of Violet Town levied an extra rate over the whole of the Central Riding of the shire, and the amount of the extra rate has been expended in other parts of the Central Riding and no part of it in the portion seeking severance until after a petition had been prepared, i.e., eighteen months after collection.

5. That the ratepayers in the portion seeking severance have been compelled to repair roads in the portion themselves at their own expense.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to sever the above area from the Shire of Violet Town and annex it to the Shire of Euroa.

Notices for the petitioners may be served on Mr. C. J. Chanter, Tamleugh.

Cemeteries Act 1928.
CITY OF PRESTON

BY-LAW No. 34.

STRATHALLAN PUBLIC CEMETERY.

Rules and Regulations.

IN pursuance of the powers vested in the Mayor and Councillors of the City of Preston as Trustees for the Strathallan Public Cemetery, as per notice appearing in the *Victoria Government Gazette* No. 148, dated 7th November, 1928, the said Trustees of the Strathallan Public Cemetery rescind the Rules and Regulations published previously in the *Government Gazette* and make the following Rules and Regulations, that is to say:—

1. All fees and charges shall be paid when applications are made or orders given.
2. Any person desiring ground for a private grave or a vault, tomb, monument, cenotaph, tombstone, or for any other purpose in the cemetery, under the above Act, shall apply to the Trustees thereof. If approved, the Trustees, on payment of the required fees, shall issue to such person so applying a certificate of right of burial in the form specified in Schedule A.
3. No person being the owner of a grave site and exclusive right of burial shall transfer such grave site and right without consent by the Trustees, and no transfer shall be consented to by the Trustees except to a near relative of the owner or to the Trustees. The price to be paid for such grave site and right of burial shall not exceed the price shown on the scale of fees in operation at the time of transfer. No grave in which a burial has taken place can be transferred.
4. Any person desiring to construct a brick grave, vault, or tomb, or to erect a monument, tombstone, cenotaph, wall, fence or any other erection in any part of the cemetery, shall apply, in writing, to the Trustees for permission to do so, and at the same time submit a plan, design, or drawing of such with full particulars for approval. Every permission will be subject to sections 21 and 26 of the *Cemeteries Act 1928*, and no label is to be removed from any grave without permission from the surveyor or other officer, and must be again replaced under their direction.
5. For the information of the Trustees, an English translation must accompany any inscription in a foreign language. No proposal to erect a tombstone or monument in the portion of the cemetery allotted to the Jews will be entertained by the Trustees unless the design and inscription (if any) accompanying such design has previously received the approval, expressed in writing, of a duly qualified minister of the Jewish congregation.
6. Any order for interment shall be handed in at the office of the Trustees at least eight working hours prior to the time fixed for the burial, otherwise an extra charge will be made.
7. The name, age, late place of residence, probable cause of death of the deceased, and other particulars mentioned in Schedule B, shall be furnished at the time of giving the order.
8. The Trustees shall cause all ordinary graves to be dug, but any person wanting a brick grave or vault shall be permitted to construct the same, under the direction of the surveyor or other officer, on payment of the required fees, and every coffin placed therein shall be bricked in, cemented, and covered by a slab of stone or iron securely cemented.
9. Every grave shall be at least 7 feet deep, and no interment shall be allowed in any grave with a less depth than 4 feet from the top of the coffin to the original surface of the ground after such interment.
In the portion of the cemetery allotted to the Jews one corpse only shall be interred in each grave of whatever character.
10. No interment shall be permitted in any private grave or vault without the production of the certificate of right of burial or other satisfactory evidence that the person desiring to bury therein is entitled to do so, except as provided for in the next rule.
11. In the case of an application for interment in any private grave or vault, to which during life the deceased person had no claim, the written consent of the owner shall be given in with the order.
12. No burial shall be permitted to take place in the said cemetery without a certificate from the registrar of deaths, coroner, or a justice of the peace. Such certificate shall be delivered to the gatekeeper before the funeral enters the cemetery.
13. Any public grave may, on the approval of the Trustees, be converted into a private grave on payment of the fees or balance of fees as per scale of charges.
14. In the case of it being desired to exhume any body, the same shall only be done on the production, at the office of the Trustees, of the licence of the Minister of the Crown authorized in that behalf, and at such hours and on payment of such charges as the Trustees may determine.
15. In the case of reinterment or removal from another cemetery or burial ground, a verified copy of the licence of the Minister of the Crown authorized in that behalf must be produced at the office of the Trustees, and the usual fee paid before such reinterment.
16. Until otherwise ordered, the usual hours fixed for the performance of funerals will be from 8 a.m. to 4.30 p.m., except on Sundays, when the only hours for funerals will be from 9 to 10.30 a.m. throughout the year. No interment will be allowed on Sunday except in such cases as a medical practitioner or a magistrate certifies, in writing, that for sanitary reasons it is necessary that the burial take place on that day.
17. No burials shall be allowed to take place between the hours of 7 p.m. and 7 a.m. except by special permission of the Trustees.
18. The time fixed for any funeral shall be the time when the funeral is to be at the cemetery, and the same shall be punctually observed.
19. Every funeral shall enter by the principal entrance gates to the cemetery, and no vehicle, except the hearse and mourning coaches, shall be permitted to pass the said entrance. Breaking out of the procession after passing the said gate is forbidden. Horses shall not be allowed to proceed faster than at a walking pace within the cemetery.
20. Any person desiring to place any inscription or epitaph in any part of the cemetery shall apply to the Trustees for permission to do so, and at the same time submit a copy thereof.
21. Any person putting up any erection or placing any inscription or epitaph in any part of the cemetery without the permission of the Trustees shall be liable to the penalties imposed by the Act for so doing, and to be further dealt with as a trespasser.
22. Every erection shall be placed on proper and substantial foundations (extending to the bottom of the grave when ordered). No bath, caen, oamaru, or other soft stone shall be allowed to be used in any work. All stone refuse and rubbish remaining after any work is completed shall be removed at once. Copper cramps only shall be allowed in the erection of tablets or other exposed stonework.
23. All materials required in the completion of any stone or other work shall be fully prepared before being taken into the cemetery, and shall be admitted only at the principal entrance. No person shall be allowed to bring work into the cemetery on a vehicle having wheels of less than 4 inches in width, unless by special permission.
24. No catacomb shall be allowed.
25. No wooden erection shall be allowed.
26. No dogs shall be admitted into the cemetery, and any found there are liable to be destroyed.
27. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, or any erection, or otherwise infringing the Act or any rule, regulation, or by-law made for protecting the cemetery, shall be prosecuted as the law directs.
28. No person shall be allowed to take any flower or plant out of the cemetery.
29. No person, other than the owner or his agent, duly authorized, in writing, shall be permitted to interfere in any way whatever with a grave or enclosure unless by special permission of the Trustees.
30. The surveyor or other officer so directed shall exercise a general supervision and control under the Trustees over all matters pertaining to the cemetery.
31. Any person who shall promote, or advertise, or carry on within the cemetery any trade, business, or calling either by solicitation, distribution of circulars or cards, or otherwise, or by any other system of advertising whatsoever, shall be liable to the penalties imposed by the Act for so doing.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."
