Cultivation Advances Act 1929 (No. 2).

REGULATIONS.

At the Executive Council Chamber, Melbourne, the fourteenth day of April, 1930.

PRESENT:

His Excellency the Governor of Victoria. *

Mr. Cain
Mr. Beckett

Mr. Williams
Mr. Kiernan.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth, in pursuance of the provisions of section 16 of the *Cultivation Advances Act 1929* (No. 2), hereby make the following Regulations, that is to say:—

1. Applications by cultivators for advances under the provisions of the *Cultivation Advances Act 1929* (No. 2) shall be made in the form contained in the First Schedule hereto, and shall be verified by statutory declaration.

2. Such applications when duly completed shall be forwarded to the District Inspector of Land Settlement who shall report thereon in the place provided for that purpose and forward the same to the Secretary for Lands.

3. The Secretary for Lands shall submit all applications received by him to a Board consisting of not less than three nor more than five persons appointed by the Minister, which, after due inquiry and investigation, shall report thereon to the Minister, who shall thereupon approve or refuse the same.

4. Where an application is made by a cultivator for an advance of seed, fodder, manure, building or fencing materials, or of an amount of money, or of all or some or any of them, and the same has been approved by the Minister, the cultivator shall, upon giving to the Board of Lands and Works security as hereinafter provided for the repayment of the amount of such advance and interest thereon at the rate of Six pounds per centum per annum, receive from the Secretary for Lands an order in accordance with the form contained in the Second Schedule hereto, entitling him to purchase such things as are indicated and to the value of the sum shown therein.

5. Where an application is made for an advance for the purpose of effecting necessary improvements or for the sustenance of the cultivator and his dependants while work on fallowing or on cropping or on the said improvements being done by him, or for such other purposes as the Minister considers necessary to enable the cultivator during the period before the completion of the harvesting of the next crop to continue working or residing on the farm, and the same has been approved by the Minister as aforesaid, the cultivator shall, upon giving security as is hereinafter provided, receive payment of the amount of money which the Minister has thought fit to approve.

6. The improvements referred to in regulation 5 shall be deemed to include the erection of buildings or fences, the clearing of land, and the sinking of tanks or dams and such other improvements of a permanent character as may be from time to time decided upon by the Board referred to in regulation 3.

7. In order to secure the repayment of any advance as aforesaid, and the payment of interest thereon, a cultivator shall, to the necessary extent, give to the Board of Land and Works where possible a mortgage over his farm or a licence lien or lien on improvements and also a preferable lien (in the form contained in the Fourth Schedule hereto) on the crop or crops of such cultivator.

8. Where the land or improvements of a cultivator is or are subject to any mortgage or encumbrance, legal or equitable, no advance shall be made to a cultivator until he has obtained and forwarded to the Secretary for Lands the written consent of each mortgagee or encumbrancer of such land or improvements in the form contained in the Third Schedule hereto. Provided, however, that the regulation shall not apply to cases to which the Minister has agreed to extend the provisions of section 6 of the said Act.

9. Notwithstanding anything contained in these Regulations any person who (whether before or after the commencement of the said Act) has entered into an agreement with the owner or occupier of a farm to cultivate the same or any part thereof on shares or under a lease and whose application for an advance has been approved shall only be required to give to the Board of Land and Works as security for the repayment thereof and the payment of interest thereon a preferable lien in the form contained in the Fifth Schedule hereto.

10. If required by the Minister a cultivator shall before any advance is made to him in pursuance of the said Act and these Regulations execute any security or securities lawfully required of him, to secure not only the repayment of the amount of the said advance and the payment of interest thereon, but also the repayment of any previous advance or advances or part thereof (with interest) made to him by the Board of Land and Works in respect of seed or fodder or manure or any of them.

11. District Inspectors of Land Settlement shall make regular inspections of the farms of cultivators to whom advances under the provisions of the said Act have been made, and shall forthwith report to the Secretary for Lands any contravention of the said Act.

12. Any person who has supplied to a cultivator the articles described in any such order shall, upon forwarding to the Secretary for Lands the said order duly receipted by the said cultivator and supported by a statutory declaration duly completed in the form contained in the Second Schedule thereto, receive a remittance for the amount due.

13. If a cultivator prior to the harvesting of any crop, the subject of a registered preferable lien given in pursuance of the said Act and these Regulations, shall have effected the repayment of any advance as aforesaid and interest thereon at the rate provided, the Board of Land and Works shall cause a request to enter satisfaction on the said lien (in accordance with the form contained in the Sixth Schedule hereto) to be forwarded to the Registrar-General.

WHEREAS by the 181st section of the *Land Act 1928* power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all Public Parks and Reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land reserved for Public Recreation and Show Grounds in the Township of Seymour and known as "King's Park":—

REGULATIONS.

1. The Reserve shall be open to the public, from sunrise to sunset, free of charge, except as hereinafter provided.
2. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct, or against these Regulations.

4. No person shall climb or jump over the fences or gates, stick bills thereon, or cut names on the fences, trees, or seats, or roll or throw stones in the Reserve, nor shall fires be lighted therein, without the permission, in writing, of the Committee of Management first obtained.
5. No person shall run in any foot race, or ride on any bicycle, or train in the Reserve on Sundays.
6. No person shall camp in the Reserve without written permission of the Committee of Management first obtained, or without the like permission erect any dwelling, booth, tent, shelter, or other structure for any purpose whatsoever.
7. No persons, except labourers or workmen employed in the Reserve, shall enter any plots therein which may be enclosed for plantations of young trees or shrubs.
8. No person shall bring into the Reserve any dog, unless controlled by a chain or cord, without the permission, in writing, of the Committee of Management.

9. No person shall bring into the Reserve any cattle, horses, sheep, goats, poultry, or pigs, without the permission, in writing, of the Committee of Management. Provided always that the moneys received for agistment shall be expended in the maintenance and improvement of the Reserve and that an account thereof shall be furnished annually to the Board of Land and Works.

10. No person shall enter the Reserve on any day set apart for cricket or football matches, agricultural shows or pastoral events, sports, fêtes, or holiday amusements, or bring therein any horse or carriage, cart, motor car, motor truck, motor bicycle, or other vehicle, except on production of a ticket issued by the Committee of Management duly authorizing the admission of such person, or horse or carriage, cart, motor car, motor truck, motor bicycle, or other vehicle; but no such ticket of admission shall be of any avail except on the date printed thereon, nor shall it, unless plainly stated thereon, authorize the holder thereof to enter any building, erection, enclosure, or cultivated plot within the Reserve, and every such ticket shall be surrendered on demand to any gatekeeper or other person authorized by the Committee of Management to collect tickets.

11. Any person who is drunk or disorderly or assaults any other person or uses bad, offensive, or insulting language, or commits any nuisance, or is guilty of any breach of these Regulations, or disobeys the lawful orders of the Committee of Management, shall be liable to be removed and ejected from the Reserve, notwithstanding such person may have purchased or be in possession of a ticket of admission.

12. 16. No person shall write, draw on, or scribble on any animal or water-closet on the said Reserve or on any part thereof.

17. The Committee of Management may, subject to these Regulations, grant the use of the said Reserve for any of the purposes mentioned in clause 11 hereof to any responsible club, body, or society, for such inclusive fee or reward as the said Committee may consider reasonable and consistent with these Regulations, and in such event the said club, body, or society shall be authorized and empowered to collect and retain the charges for admission (not exceeding the sums mentioned in condition 21) to the match, meeting, or entertainment conducted by it.

18. All net proceeds of cricket or football matches, sports or fêtes or holiday amusements received by the Committee of Management shall be expended in the maintenance and improvement of the Reserve.
