#### CARTAGE OF GOODS AND PARCELS (METROPOLITAN).

TENDERS will be received until Eleven o'clock a.m. on Friday, 5th June, 1931, for delivery in the Metropolitan Area of such goods and parcels, with the exceptions as set out in clause 1 of the Conditions of Contract, as may be forwarded from or to the various Government Offices, Railways, &c., by the Stores and Transport Department for and on behalf of the Government of Victoria from 1st July, 1931, to 30th June, 1932.

For each sub-schedule a deposit of £5 by bank cheque or bank draft, payable to the order of the Secretary to the Tender Board (tenderers' cheques will in no case be received), must accompany each tender, which will be returned to unsuccessful tenderers within ten days of acceptance of tenders. Such deposit to be forfeited in the event of the tenderer withdrawing his tender before notification of acceptance of the tender, or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period.

Security for sub-schedule A, £25; for sub-schedule B, £20. Security will be required, either by bank guarantee (bank to be approved by Tender Board) in Victoria or Commonwealth Government bonds or debentures, Savings Bank deposit book, or bank deposit receipt in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

For sub-schedule A tenderers may at their option tender for the services to be conducted either, or both, by horse-drawn or motor-driven vehicles.

For sub-schedule B alternative tenders are required for horse-drawn and motor-driven vehicles.

Tenders will be accepted for each sub-schedule separately. Tenders must express in each instance the rates or prices in words as well as in figures, and without alterations or erasures.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and addressed to the Chairman of the Tender Board, Pay office, Treasury, Melbourne, which office they must reach not later than by first post on the date of closing of tenders.

#### CONDITIONS OF CONTRACT.

1. The prices or rates tendered in sub-schedules A and B cover all descriptions of goods and parcels, with the exception of school books from Education Department to Victorian Railways, Melbourne, office and school furniture, officers' furniture and effects, exhibits for show purposes, &c., and such are not included in the contract.

2. A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages. Accounts in all cases to be made out by weight only, and to be rendered monthly, supported by the waybills properly receipted, subject to any deductions for goods lost or damage sustained to the goods whilst in the custody of the carrier.

3. No claims for detention will be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, will be investigated.

4. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment or delivery note, which will be found on each consignment or

package forwarded by the departments. Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition, or unreasonable delay on the part of the contractor in delivery of any goods or parcels, will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

5. All vehicles in which the goods or parcels are carried must be fitted with good waterproof covers, be in thorough working order and, in general, suitable for requirements. If horse-drawn vehicles be used, the horses must be sound, staunch, and fast.

6. The contractor must have an office connected by telephone, and within the radius of the city proper, and as regards the service for the Government Printing Office under sub-schedule B, he will be liable to be called upon to provide the vehicle at any hour of the day or night.

7. Thirty minutes will be deemed sufficient notice, and in the event of the contractor failing to supply the vehicles when ordered, and to the satisfaction of the officer requiring his services, such services will be performed at his risk and expense, and the extra expense incurred will be deducted as in Condition 4.

8. Vehicles as required must call at the Stores and Transport Offices twice daily, viz., 11 a.m. and 4 p.m., and at 11 a.m. on Saturdays, for goods and parcels, and on such other special occasions when notified without extra payment, otherwise the service will be performed at the contractor's risk and expense, and the amount deducted as in Condition 4.

9. Bills of lading for oversea and Inter-State shipments must be obtained from the shipping company when required, and deposited at the office of the Secretary to the Tender Board in time for the first outgoing mail and prior to the departure of the vessel.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

Treasurer.

The Treasury,  
Melbourne, 13th April, 1931.

Security will be required in the sum of £20 for each sub-schedule accepted. Security may be either by bank guarantee (bank to be approved by the Tender Board), Victorian or Commonwealth Government debentures or bonds, bank deposit receipt, or Savings Bank deposit book in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenders, endorsed "Tender for Funerals," are to be deposited in the Tender-box at the Pay Office, Treasury; or, if sent by post, postage must be prepaid, and addressed to the Chairman, Tender Board, Pay Office, Treasury, Melbourne, which office they must reach not later than by first post on the date of closing of tenders.

The Government will not necessarily accept the lowest or any tender.

#### CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act 1928* (No. 3652), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail, unless directed otherwise by the police. Bodies to be buried at Williamstown or Footscray to be conveyed by road. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctively offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor, of timber 1 inch in thickness.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the River Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue. Burials in the Williamstown-Footscray sub-districts shall be made in the Williamstown or Footscray Cemeteries, as the police may direct.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and respective Cemeteries Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor or deducted from the contract security money.

10. When burials are required to take place on Sunday, or, in the case of any Hospital for the Insane, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the Contractor gives the order for interment. The Contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed at the time of the burial, and that he received the fee for so doing. Should the burial service not be performed at the time of the burial no reimbursement will be allowed. The receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul of the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, he may provide for such service as he may consider necessary.

13. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Hon. the Treasurer may direct. The decision of the Board as to whether any breach of the condition has taken place to be final and conclusive.

14. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

15. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government.

E. J. HOGAN,  
Treasurer.

The Treasury,  
Melbourne, 13th April, 1931.

#### REMOVAL OF DEAD BODIES:

TENDERS will be received until Eleven o'clock a.m. on Friday, 5th June, 1931, from persons willing to undertake Removals of Dead Bodies to the Melbourne Morgue, as required by the several Departments of the Government, from 1st July, 1931, to 30th June, 1932, in the Melbourne, Bourke, and South-Eastern Districts, as per Schedule No. 2.

Printed forms of tender giving full particulars and list of places for which the service is required, are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne.

Separate prices for removals must be stated for adults and children under ten years of age.

Tenders must state the prices in words as well as in figures, without alterations or erasures.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration in accepting the tenders.

Tenders must be accompanied by a preliminary deposit of £5 for each sub-schedule tendered for, such deposit to be by bank or marked cheque, or by bank draft payable to the order of the Secretary to the Tender Board. Deposits will be returned to tenderers within ten days of acceptance of tenders, such deposit to be forfeited in the event of the successful tenderer withdrawing his tender before notification of acceptance, or, in the event of being successful, failing to complete the security or sign the contract within the prescribed period.

Security will be required in the sum of £20 for each sub-schedule accepted. Security may be either by bank guarantee (bank to be approved by the Tender Board), Victorian or Commonwealth Government debentures or bonds, bank deposit receipt, or Savings Bank deposit book in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenders, endorsed "Tender for Removals only," are to be deposited in the Tender-box at the Pay Office, Treasury; or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman, Tender Board, Pay Office, Treasury, Melbourne, which office they must reach not later than by first post on the date of closing of tenders.

The Government will not necessarily accept the lowest or any tender.

#### CONDITIONS OF CONTRACT.

For Removals to the Morgue.

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the con-

tract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Morgue, and the next of kin present or the legal personal representative of the deceased make request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government and, also, under the supervision of the police, as in the case of a removal by the Government Contractor. This contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the Contractor.

5. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, or such other disqualification as the Hon. the Treasurer may direct. The decision of the Board as to whether any breach of the condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government.
