6. Before any licence of a site for the erection or maintenance of any jetty or to moor any boat shall be granted, an application for such licence shall be made at the office of the Town Clerk by the owner of such boat, and signed by him in the forms contained in the Second and Third Schedules hereto or to the like effect, and, if any false statement be contained in any such application, any licence in compliance therewith shall be void.

7. The Committee may refuse to issue a licence under this Regulation without assigning any cause for such refusal.

8. Licences of sites for the erection and maintenance of jetties or to moor any boat shall be in the form contained in the Fourth and Fifth Schedules hereto or to the like effect, and shall be in force from the date of issue until the 30th day of September thence next ensuing, and no longer, unless renewed in accordance with the provisions of clause 12 of this Regulation or unless previously determined in accordance with the provisions of clause 9 of this Regulation. Provided that when any boat licensed to be moored shall be under repair, or if for any other reason the owner shall so desire, he may, on making application, in writing, to the Town Clerk, be permitted to substitute in lieu of same another boat of the same class for a period to be specified in writing, signed by the Town Clerk, but not unless the inspector shall previously have recommended that the application be granted.

10. All licences granted under this Regulation shall be signed by the Town Clerk and numbered in such order as may be determined by the Committee.

11. The holder of any licence desiring to renew same for the succeeding year must make application, in writing, to the Town Clerk on or before the 15th day of September of the then current year of such issue. If such renewal be granted, a fresh licence shall be issued for the ensuing year.

13. The owner of every boat licensed to moor within the area shall cause to be painted, engraved, or printed on the port and starboard side of the bow of such boat the number of the licence issued in respect thereof. Such number shall be of legible figures not less than 1½ inches in length and of a proportionate breadth.

14. All jetties erected or to be erected shall be of the design and materials set out in the Seventh Schedule hereto.

15. 16. The inspector may from time to time examine all licensed jetties and boats to ascertain that the provisions of this Regulation are duly observed. No licensee or agent or servant of any licensee shall obstruct any such inspector in the execution of his examination; or refuse or neglect to comply with any lawful order or direction given by him in conformity with the provisions of this Regulation.

17. No licensee shall assign, underlet, or part with the possession of any licence granted to him in pursuance of this Regulation without first obtaining the written consent of the Committee.

18. In the event of any licensee failing to observe the provisions of this Regulation, the Committee may, at its discretion, cancel the licence or licences granted to such licensee by notice, in writing, posted to the last-known address of the licensee.

19. Within 30 days from the termination of any licence of a site for the erection and maintenance of a jetty or any renewal of any such licence or the cancellation thereof, the licensee shall remove the jetty erected on the site granted by such licence, and shall, as far as may be, restore such site to its original condition. Provided that if such licensee shall not have so removed the jetty within the time stated, then the Committee may at its discretion sell such jetty either with or without removal from such site and either with or without demolishing the same. In the event of any such sale as aforesaid, the Committee shall apply the proceeds thereof firstly in discharging the expenses incurred by it in and about such sale and removal, and, secondly, shall pay the balance (if any) to the licensee on demand.

20. No boat shall be navigated within the area at a speed greater than four (4) miles per hour.

21. Every person in charge of a boat shall, when practicable, observe the following rules:—

(a) Every boat shall be kept to the right or starboard side of the creek, and in meeting boats shall be navigated so as to pass any other boat with the left side of one next to the left side of the other or port side to port side.

(b) Every boat overtaking another boat shall be navigated so as to pass on the left or port side of such other boat, which shall be kept to the right or starboard sufficiently to allow any overtaking boat to pass and keep clear.

(c) Every boat turning round or crossing from one side of the creek towards the other shall be kept out of the way of boats proceeding up or down the creek, and shall not be turned round or crossed from one side of the creek to the other immediately in front of any approaching boat.

22. Each boat on the creek shall, between sunset and sunrise, have lights exhibited according to its description, as follows:—

(a) Boats propelled by any mechanical power shall carry a lantern with a green glass on one side and a red glass on the other, exhibited in such a position that on approaching or being approached by other vessels the green light shall not be seen on the port or left side, nor the red light on the starboard or right side.

(b) Boats propelled by oars or sails shall carry a lantern showing a white light exhibited in such a position that it can be clearly seen by boats approaching or passing.

23. All stray boats, timber, or other articles found within the area shall be immediately delivered by the person finding same to the nearest member of the Police Force, in whose custody they shall remain until claimed by the proper owner who shall pay all reasonable expenses thereon.

24. No person shall bait fishing lines or nets except in a boat, or throw, place, or leave any dead animal, fish, ballast, rubbish, gravel, earth, stone, filth, refuse, or any other material whatsoever in the waters or on the banks of the creek.

Every person offending against any part of this Regulation shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulation, and who after being warned by any bailiff of Crown lands or by any member of the Police Force does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice, and shall be liable to a penalty of not more than Ten pounds (£10).
