Where the majority of the employees of any establishment or of any department of such establishment agree to work part time for any period or to close down for any period on days other than the prescribed holidays, the provisions of the weekly wage shall not apply to any employee of such establishment or department during such periods.

Employment for the first two weeks of service at any time shall be from hour to hour at the weekly rate fixed.

Provided that, where an employee proceeds direct from his or her home to a job outside the factory, he or she shall be paid for all time reasonably occupied in travelling to the job in excess of the time usually taken to go from his or her home to the factory.

All fares and reasonable travelling expenses incurred by an employee in such travelling, including the cost (if any) incurred for meals—together with the reasonable cost of board and lodging if the employee has to be away from his or her home for a night—shall be paid to the employee.

The fares allowed shall be first class where the employee has to travel all night in connexion with his or her employer's business, and in other cases the fares shall be second class.

The foregoing travelling and accommodation allowances shall be paid additional to the usual rates for the time employees are working.

All other weekly employees shall be paid for the above holidays an amount for each holiday based on the actual weekly wage paid to them by the employer.

(14) SICKNESS, ACCIDENTS.—Any employee not attending duty shall lose his or her pay for the actual time of non-attendance unless he or she produces or forwards within 24 hours of the beginning of his or her absence evidence satisfactory to the management that his or her non-attendance was due to personal accident arising out of or in the course of his or her employment or to personal ill health sufficient to incapacitate him or her for his or her usual work.

An employee shall not be entitled to payment for non-attendance on the ground of accident or ill health for more than six days in each year.

For the purpose of this clause a year shall mean a period of twelve months commencing on the 17th day of August in each year.

(15) PAY DAY.—All employees shall be paid weekly on any other day than Saturday.

No employer shall hold more than two days' pay in hand.

Any employee kept waiting for his or her pay on pay day for more than a quarter of an hour after the usual time for ceasing work shall be paid overtime rates after that quarter of an hour and as for a quarter of an hour at least.

(16) PIECE-WORK.—The employer may fix his own piece-work prices or task rates provided such prices or rates enable an employee of average capacity working under like conditions to earn at least 10 per cent. more than the minimum weekly wage prescribed for the class of work performed. The same piece-work prices shall be paid to all piece-workers doing the same operation in the factory, whether they be apprentices or improvers on piece-work, or otherwise.
