SECRET
SECTION

PLANS FOR THE YEAR

1. The first part of the plan is to increase production of goods and services. This will be done by increasing the number of workers, improving the quality of the work force, and increasing the amount of capital equipment. The second part of the plan is to increase the amount of investment in infrastructure. This will be done by increasing the amount of government spending on infrastructure projects and by increasing the amount of private investment in infrastructure projects. The third part of the plan is to increase the amount of government spending on social services. This will be done by increasing the amount of government spending on education, health care, and social security. The fourth part of the plan is to increase the amount of government spending on research and development. This will be done by increasing the amount of government spending on research and development in the areas of science, technology, and engineering. The fifth part of the plan is to increase the amount of government spending on the environment. This will be done by increasing the amount of government spending on environmental protection and by increasing the amount of private investment in environmental protection projects.
