TUESDAY, APRIL 26.

[1932

## MINISTERS OF THE CROWN.

**H**IS Excellency the Lieutenant-Governor of the State of Victoria, in the Commonwealth of Australia, has this day accepted the resignation by—

The Honorable JOHN PERCY JONES, M.L.C., of the offices of Commissioner of Public Works, Minister of Mines (without salary), Minister in Charge of Immigration (without salary), and a Vice-President of the Board of Land and Works.

And His Excellency has this day been pleased to appoint—

The Honorable ROBERT WILLIAMS, M.L.C., to be Commissioner of Public Works (without salary), Minister of Mines (without salary), Minister in Charge of Immigration (without salary), in addition to the offices of Minister of Forests, Minister of Public Health (without salary), Minister of Labour (without salary), and a Vice-President of the Board of Land and Works, which he now holds.

By His Excellency's Command,

C. W. KINSMAN,  
Official Secretary.

Government Offices,  
Melbourne, 26th April, 1932.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the survey process, as well as the statistical methods used to interpret the results.

3. The third part of the document presents the findings of the study. It includes a series of tables and graphs that illustrate the data collected during the survey. The findings are presented in a clear and concise manner, making it easy for the reader to understand the results.

4. The fourth part of the document discusses the implications of the findings. It highlights the key areas where the organization's performance is most vulnerable and provides recommendations for how to improve performance in these areas.

5. The fifth part of the document provides a summary of the findings and recommendations. It includes a list of the key findings and a summary of the recommendations. This part of the document is intended to provide a clear and concise overview of the study's results and recommendations.

6. The sixth part of the document provides a list of references. This includes a list of the books, articles, and other sources that were used in the study. This part of the document is intended to provide a clear and concise overview of the study's sources and references.

7. The seventh part of the document provides a list of appendices. This includes a list of the tables, graphs, and other materials that are included in the study. This part of the document is intended to provide a clear and concise overview of the study's materials and appendices.

8. The eighth part of the document provides a list of footnotes. This includes a list of the footnotes that are included in the study. This part of the document is intended to provide a clear and concise overview of the study's footnotes and references.

9. The ninth part of the document provides a list of glossary. This includes a list of the terms and definitions that are used in the study. This part of the document is intended to provide a clear and concise overview of the study's glossary and definitions.

10. The tenth part of the document provides a list of index. This includes a list of the index that are included in the study. This part of the document is intended to provide a clear and concise overview of the study's index and references.
