4. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment note, which should be found on each consignment or package forwarded by the contractors or departments, and the weight. Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

5. Contractors are not at liberty to transfer their contracts, under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

6. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure, and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

TENDERS FOR THE SERVICE.

PROVISIONS FOR 1932-33.

TENDERS will be received until Eleven o'clock a.m. on Friday, 17th June, 1932, from persons willing to furnish supplies, in such quantities as may be ordered by the Victorian Government, for the Teachers' Training College, Carlton, during the twelve calendar months commencing on the 1st July, 1932.

Tenders must be accompanied by a preliminary deposit, as shown above, in a bank draft or bank cheque, payable to the order of the Secretary to the Tender Board (*cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits*), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the tenderer withdrawing the tender before notification of acceptance, or, in the event of being successful, failing to complete by lodging the security and contract, form, duly signed, within the prescribed period. *It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.*

The preliminary deposit required with each tender must be enclosed and the amount must be clearly written in and the designation stated on each, whether bank draft or bank cheque; as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Victorian or Commonwealth Government bonds or debentures, Savings Bank Deposit Book, or Bank Deposit Receipt, in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers withdrawing their tenders before notification of acceptance or failing to take up their accepted tenders within the prescribed period when notified of acceptance, may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory and the prices are considered reasonable.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in an envelope, and *having the words "Tenders for at" (as the case may be) written thereon*, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.
