Factories and Shops Act 1928 (No. 3677).

DETERMINATION OF THE SEWER BUILDERS BOARD.

Note:-(a) This Determination on the 5th December, 1933, applied to the whole of the State of Victoria.

(b) On the 13th September, 1927, the powers of the Board were extended to enable it to fix the lowest prices or rates which may be paid to any person or persons or classes of persons employed as labourers in connexion with the construction of main storm water drains, whether open or closed, with a capacity not less than that of a circular drain of a diameter of 2 feet 6 inches.

IN accordance with the provisions of the Factories and Shops Act 1928 (No. 3677), the Wages Board appointed to "determine the lowest prices or rates which may be paid to any persons employed as Labourers in connexion with the construction of sewers," has made the following Determination, namely:—

(1) That on the 5th December, 1933, the last previous Determination of this Board shall be revoked and replaced by this Determination.
