(8) **TERMS OF EMPLOYMENT.**—(a) No employee shall be employed other than as a weekly time-work employee, or a weekly piece-work employee, or a temporary time-work employee, or a temporary piece-work employee.

(b) A weekly time-work employee, to become entitled to payment of a weekly wage, shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee.

(c) Any weekly time-work employee not attending for duty will lose his pay for the actual time lost, unless he produces or forwards, within 28 hours of the commencement of such absence, evidence satisfactory to the employer that his non-attendance was due to personal ill-health necessitating such absence, but he shall not be entitled to payment for non-attendance on the ground of personal ill-health for more than six days in each year. Such year begins on the 1st day of July each year. An employee is to be entitled to not more than six days' payment in any year under this clause, notwithstanding that he may be employed by different employers.

(d) The following conditions apply to the employment of a weekly piece-worker:—

(i) On each working day or night of the week the weekly piece-worker shall present himself for employment, at the usual time for beginning work at the place of business of the employer, unless informed by the employer that his attendance on any day or any night is not required.

(ii) If the weekly piece-worker begins work on any such day or any night he shall receive not less than four hours continuous employment, or be paid for such four hours at his average weekly earnings, calculated on the earnings of the four preceding full weeks, or if he shall not have worked four full weeks then on the average earnings for the period during which he has worked.

(iii) A weekly piece-worker shall be allotted in any working week sufficient piece-work to enable such piece-worker to earn at least 66s., and if a female, at least 35s. 6d., and a junior weekly piece-worker shall be allotted sufficient piece-work to enable such piece-worker to earn, if a male, at least the rates set out in this Determination for junior male workers according to his year of experience, and if a female, at least the rates set out in this Determination for junior female time-workers according to her year of experience. If such work is not provided in any week, and in such week the piece-worker complies with the provisions of sub-clause (i) of this clause, and faithfully performs all work provided for him during that week at his usual rate of speed, he shall be paid such amount at the least and this notwithstanding that any public holiday or holidays occur in such week.

(iv) For a period or periods making in the aggregate not more than the hours of an ordinary week's work for a time-worker in any year such weekly piece-worker will be excused for not presenting himself for employment at the proper time and place, and such non-attendance shall not disentitle such piece-worker to the provisions of this Determination to the payment of the amount of 66s. if a male adult, or of 35s. 6d. if a female adult, or to the rate of pay fixed by this Determination according to his or her year of experience if a junior piece-worker for any week in which such absence occurs, if such weekly piece-worker within 28 hours of the commencement of such absence produces or forwards to the employer evidence satisfactory to the employer that his non-attendance was due to personal ill-health necessitating such absence. The year begins on the 1st day of July each year. A weekly piece-worker shall be entitled to take the benefits of this clause in respect of not more than the hours of the ordinary week's work for a time-worker during any such year, notwithstanding that he may be employed by different employers. In any calculation of the hours lost by an employee under this clause in any week only such hours shall be counted as were paid for by the employer to make up 66s. if a male, or 35s. 6d. if a female notwithstanding that the period of absence in such week may have exceeded the hours paid for as aforesaid.

(v) In respect of each public holiday, prescribed by this Determination, which occurs in any week, and in which the weekly piece-worker is not required to work by the employer, there shall be added to the aggregate earnings of such piece-worker the following amount:—

Adult male .. .. .	11s.
Adult female .. .. .	6s.
Juvenile worker $\frac{1}{2}$ of the amount fixed in this determination for the respective age or year of experience.	

(e) The employment of a weekly time-work or piece-work employee may be terminated by a week's notice on either side, and such notice may be given at any time during any week. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such cases wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike, or through any breakdown of machinery or any stoppage of work from any cause for which the employer cannot be held responsible.

(f) Where a weekly piece-work employee gives or receives a week's notice of the termination of his employment, he shall, during the week that such notice runs, be given the same amount of piece-work as it has been customary for him to perform during the period of his engagement.

(g) If an employee's service be terminated during the course of a week he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within 24 hours thereafter.

(9) **Temporary Work.**—(a) Temporary employees, whether working at piece-work or time-work and whether working on day or night shift, shall be paid for such work the piece-work rate or the hourly rate prescribed for such work, with the addition of twelve and one-half per cent.

(b) The hourly rate for any work for which a weekly rate is prescribed by this Determination is to be ascertained by dividing the weekly rate by the number of hours which constitute the employee's ordinary working week.

(c) If a temporary employee commences duty or be directed to attend for duty and actually attends, such employee, if a time-worker, shall be paid at the rate herein provided and for six hours (either day or night) at the least, and if a piece-worker, shall be given four hours' work at the least, or paid for four hours at the appropriate rate for a time-worker.

(10) **Special Rates.**—All work done on Sunday shall be paid for at double time or double rate, and for all work done on any holiday mentioned in clause (11) the following shall be paid:—

Time-work employees .. .. .	Ordinary rate in addition to the weekly wage.
Piece-workers .. .. .	Double rate.

But if any other day be by Act of Parliament or Proclamation substituted for any such holidays, the special rate shall be payable only for work done on the day so substituted.

(11) **Holidays.**—(a) An employee shall be entitled to be absent from his employment without deduction of pay on any of the following holidays, viz.:—New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Eight Hours Day, King's Birthday, Melbourne Cup Day, Christmas Day, or Boxing Day.

(b) An employer shall not terminate the employment of a weekly employee for the purpose of evading payment for the holidays prescribed by this Determination.

(c) Where an employee is dismissed within a week of any such holiday the re-engagement of such employee within three days of such holiday shall be prima facie evidence that the employment was terminated for the purpose of evading payment for such holiday.

(d) Where the employer terminates the employment within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by this Determination, provided that such employee had been employed by the employer for a period of at least a week prior to the termination of the employment.

(e) Where an employee is absent from his or her employment on the day before or the day after a public holiday without reasonable excuse or without the consent of the employer, the employee shall not be entitled to payment for such holiday.

(12) **Pay Day.**—An employee shall be paid on Thursday or Friday in each week, and not more than two days' pay shall be kept in hand by the employer.

(13) **Rest Interval for Females.**—There shall be an interval of ten minutes at a time fixed by the employer between 10 a.m. and 11 a.m. for rest on each day, Monday to Friday inclusive, in each week for each female employee, such time to count as time worked. Reasonable facilities shall be provided by the employer for the employee to have refreshments during such interval if the employee so desires.

(14) **Meal Hour.**—(a) The minimum time allowance for meals shall be three-quarters of an hour, and the maximum allowance one hour. Provided that an employer and a majority of not less than three-fourths of his employees may agree to a reduced period, but not less than half an hour.

(b) No employee shall be compelled to break shift except for meals, and no shift shall exceed five hours without a break for meals.

(c) When employees are required to work during a period covering a usual meal hour, they shall be paid overtime rates for the work performed by them during such meal hour, and, in addition, such employee shall be allowed time for a meal.

(15) **Work not to be taken off Employer's Premises.**—No work shall be taken off the employer's premises to be executed by any employees.

(16) **Time Book.**—Each employer shall keep a time and wages book, written up in ink, showing the name of each employee, and his occupation, the hours worked each day or night, and the wages and allowances paid each week.

(17) **Definitions.**—A weekly time-work employee is an employee who is engaged by the week and employed on time-work. A weekly piece-work employee is an employee who is engaged by the week and employed on piece-work. A temporary employee is any employee other than a weekly employee.

(a) When an employee is employed upon piece-work to perform any of the functions or duties for which a wage rate is fixed by this Determination and for which a piece-work rate is not fixed, then the minimum piece-work rates for such work shall be so calculated that an average worker may earn at such piece-work rate, if employed during the hours fixed for work for wage-earners, a sum equal to such wage rate with the addition of 12½ per cent., and such piece-work rate shall be posted in the factory.

(b) No undue advantage shall be given to one piece-worker over another. This provision applies to the quantity and to the classes or quality of work to be supplied to the employee.
