"The Board" means the Metropolitan Fire Brigades Board, Melbourne.

"The fund" means the Superannuation Fund, the capital and revenue of which is acquired from the following sources:—The amount accumulated by voluntary subscriptions from members of the permanent staff, an amount received from the Widows and Orphans and General Benefit Fund, to which members of the permanent staff of the Board contributed prior to 1st January, 1912, and grants by the Board from and after 1st January, 1912.

2. All persons who have been employed on the permanent staff for at least five years and are no longer members of the permanent staff, and members of the permanent staff, shall be eligible and entitled to continue to participate in the benefits of the fund. Such first-mentioned persons are hereinafter referred to as "attached members of the fund."

3. From the salary of every member of the permanent staff, and every attached member of the fund, the Board shall, whenever any payment thereof is made, deduct an amount not being less than 4 nor more than 5 per cent. of such salary, which shall be applied to and be used exclusively for the purposes of the said fund in such manner as is hereinafter provided. Such deduction shall be at once paid to the fund to the credit of the member or attached member from whose salary such deduction has been made. The Board, from its own funds, shall pay to the fund at the end of each year such a sum at least as will be equal to the difference between the amount represented by 10 per cent. of the total salaries paid in that year to the permanent staff and the attached members of the fund and the amount deducted from such salaries during that year, and shall also pay to the credit of the fund such further amounts as may from time to time be deemed necessary by an actuary appointed by the Board in order to give full effect to provisions of these Regulations.

4. Any member of the permanent staff, and any attached member of the fund who has been in the service of the Board for a continuous period of at least fifteen years, and who has been certified as medically unfit for further service by a medical practitioner appointed by the Board, shall be entitled to claim a pension payable from the fund. The amount of such pension shall be based on the average annual salary received by such member during the period of five years immediately preceding the date as from which he was medically certified as being unfit for further service with the Board, and shall be equal to one-fortieth of such average annual salary for each completed year of continuous service with the Board. Provided that, in computing the amount of such pension, any years of service beyond twenty shall be disregarded, and that no pension shall exceed an amount equal to twenty of such fortieths.

5. Any member of the permanent staff and any attached member of the fund upon attaining the age of sixty years shall, if he has then completed at least fifteen years' continuous service with the Board, be entitled to claim a pension payable from the fund. The amount of such pension shall be based on the average annual salary received by him during the period of five years immediately preceding the date at which he becomes so entitled, and shall be equal to one-fortieth of such average annual salary for each completed year of continuous service with the Board. Provided that, in computing such amount of pension, any years of service beyond twenty shall be disregarded, and that no pension shall exceed an amount equal to twenty of such fortieths. Upon receipt of such pension such member shall cease to be a member of the permanent staff or an attached member of the fund, as the case may be.

6. In computing the amount of any pension payable to any member of the permanent staff or to any attached member of the fund, as the case may be, the salary of such member shall not include any allowance for stars, extra pay, or any allowance of any kind whatsoever made by the Board to any of its employees.

7. In the case of incapacity, sickness, or permanent disablement of any member of the permanent staff or any attached member of the fund who has not completed fifteen years' service with the Board, and who is certified as medically unfit for further service by a medical practitioner appointed by the Board, such member or attached member, as the case may be, shall retire from such service, and if the Board is satisfied that such incapacity, sickness, or permanent disablement has not been brought about by reason of his own fault or indiscretion, he shall be entitled to receive, and the Board shall pay to him, a gratuity or payment from the fund in respect of each year of service not exceeding an amount equal to one-fortieth of the average annual amount of salary paid to such member during the last five years of his service, or during the term of his service if such service is less than five years, or not exceeding an amount equal to that deducted from his salary and paid to the fund as hereinbefore provided, whichever sum is the greater, but in either such case without interest.

8. Any member of the permanent staff and any attached member of the fund who resigns, or who may be discharged for any offence, shall receive no benefits from, nor be entitled to participate in, the said fund, provided that, should such member have been a contributor to the fund for a period of not less than five years, he shall be entitled to be paid a sum equal to two-thirds of his contributions, without interest, and shall have no further claim on the said fund.

9. If any member of the permanent staff or any attached member of the fund who has not attained the age of sixty years, or who, having attained that age, has not completed fifteen years' service, ceases to hold his position by reason only of a reduction by the Board in the number of employees, he shall be entitled to receive from the fund a sum equal to the amount of the contributions paid by him to the fund, but without the addition of interest, and, on receiving such sum, shall have no further claim on the fund.

10. In the event of the death of a member of the permanent staff or of an attached member of the fund who has been contributing to the fund for at least five years, there shall be paid to his widow, or to his next of kin, or to his legal personal representative if he dies leaving no widow, a sum of money equal to five-thirtieths of the salary received by him during the year immediately preceding his death, with an additional sum equal in amount to one-thirtieth of such salary for each completed year of service in excess of five years of service, but so that the total sum payable in any such case shall not exceed the amount received by him as salary in the year immediately preceding his death. The receipt of the said widow or of the next of kin or of the legal personal representative, as the case may be, shall be a full and complete discharge of the Board and the fund from all actions, claims, and demands against the Board or the fund from all actions, claims, and demands against the Board or the fund for or which may be brought in connexion with or in any way incidental to such member or attached member, or to his death.

11. On the death of a pensioner there shall be paid to his widow, or to his next of kin, or to his legal personal representative if he dies leaving no widow, a sum equal to the annual pension he had been receiving reduced by one-tenth of the amount of such annual pension for each completed year which may have elapsed since he commenced to receive the pension, but so that at the death of a pensioner who has received the pension for ten or more years no payment will be made.

12. Pensions, and sums payable at death under these Regulations, shall not be in any way assigned or charged or passed by operation of law to any person other than the pensioner or beneficiary, and any moneys payable out of the fund on the death of a member of the permanent staff, or an attached member of the fund, or a pensioner, shall not be assets for the payment of his debts or liabilities.

13. Wherever an amount is payable under these Regulations to the widow or next of kin, or the legal personal representative of a member of the permanent staff, or of an attached member of the fund, or of a pensioner, the Board may, if it deems advisable, pay the amount so due and payable without production of probate or letters of administration.

14. Upon the termination through any cause whatsoever, of the service with the Board of a member of the permanent staff or of an attached member of the fund, his liability for payment of contributions under these Regulations shall cease.

15. Where any person of an age exceeding thirty years is appointed a member of the permanent staff of the Board he shall, for the purposes of ascertaining the benefits payable to him under these Regulations, be deemed to have been so appointed on the thirtieth anniversary of his birthday, and there shall be deducted and paid to the fund such percentage of his salary as may be certified by an actuary appointed by the Board to be necessary to meet not less than 40 per cent. nor more than 50 per cent. of the cost of such benefits.

16. The fund shall be vested in and administered by the Board, which shall have control of all moneys and other assets constituting the fund, with full power to invest such part

of the fund as consists of money in Victorian Government securities, securities issued by the Government of the Commonwealth of Australia, debentures issued by any municipality (including the City of Melbourne and the City of Geelong), town, borough, or shire in Victoria, or debentures or inscribed stock issued by the Melbourne and Metropolitan Board of Works, the Melbourne Harbour Trust, and the Victorian State Savings Bank, also on first mortgage or freehold property; but the Board shall not so invest moneys on mortgage of any property if any person directly or indirectly connected with the administration of the fund, or the wife of such person, within five years of giving such mortgage has been entitled to the fee-simple of such property, nor unless in making such investment it is acting on a report as to the value of the property made by a sworn valuer and the amount proposed to be invested does not exceed three-fifth parts of the value of the property as stated in such report.

17. The books and accounts of the fund shall be audited monthly by the Board's auditor.

18. An investigation by an actuary appointed by the Board as to the state and sufficiency of the fund shall be made at the expiration of each period of five years after the thirtieth day of June, One thousand nine hundred and thirty.

And the Honorable Jan Macfarlan, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.
