## ADDITIONS TO PORT RULES.

## PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by Part II. of the *Marine Act 1928* it is amongst other things enacted that the Governor in Council, by Proclamation published in the *Government Gazette*, may from time to time define the limits and boundaries of Ports in Victoria, and frame Rules and Regulations for the government and preservation of the said ports respectively, and for the regulation of shipping in the same, and also for the due protection and preservation and the good government and management of all public wharfs: And that any such Regulation may from time to time be in like manner altered, amended, or repealed, and others substituted in their stead: And whereas in pursuance of the said powers the Governor in Council has from time to time made Rules and Regulations for the said ports accordingly: And whereas it is expedient to alter the said rules by adding new rules thereto: Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, with the advice of the Executive Council of the said State, do hereby make the following additions to the Port Rules, that is to say:—

After Rule 52 of the Rules and Regulations for the Ports in Victoria insert:—

52A. The Port Officer may in any port in Victoria at any time survey and examine any ship, lighter, keel, barge, boat, wherry, hulk, raft, craft, or vessel of any description, and the state of repair thereof, and if after such survey and examination such ship, lighter, keel, barge, boat, wherry, hulk, raft, craft, or vessel is in the opinion of the Port Officer likely to become a menace to navigation, the owner, master, or agent, on receiving notice in writing from the Port Officer so to do, shall effect necessary repairs to or clear any port and approaches thereto of the same.

If the owner, master, or agent does not effect such repairs to or clear such port and approaches of such ship, lighter, keel, barge, boat, wherry, hulk, raft, craft, or vessel within such time as the Port Officer shall by notice in writing require or does not give security to the satisfaction of such Port Officer for the repairs to or removal of the same within such further time as the Port Officer may appoint, the Port Officer may effect such repairs or clear such port and approaches, and the cost and expenses of effecting such repairs or removal shall be deemed to be a debt due to the Crown, and be recoverable as such from the owner, master, or agent of such vessel.

No responsibility shall attach to the Port Officer for any damage that may be occasioned by any act performed by him in accordance with this rule.

In this rule the expression "Port Officer" includes any person duly authorized in writing by such Port Officer to perform any act hereinbefore authorized.

100B. No person shall injure, remove, alter, or destroy any notice, signal, staff, buoy, beacon, pipe, guiding post, semaphore, flag, or light posted, erected, or set up in connexion with the governance of any port.

10. *Notice to Cease Loading or Unloading.*—If in connexion with the loading or unloading of any oil, inflammable liquid, chemicals, or other materials or goods of a dangerous or inflammable nature on or from any vessel or hulk insufficient precautions are in the opinion of the Port Officer or of an Inspector being taken for the prevention of accident by fire, explosion, or otherwise, such Port Officer or Inspector may, by notice in writing delivered to owner, master, agent, or the person apparently in charge of such vessel or hulk, order that loading or unloading

shall cease until such time as the conditions giving rise to the order and named in the notice are removed, and permission in writing to load or unload such oil, inflammable liquid, chemicals, or such other materials or goods on or from such vessel or hulk has been given by such Port Officer or Inspector.

If any such oil, inflammable liquid, chemicals, or such other materials are loaded or unloaded on or from such vessel or hulk after such notice has been delivered, and before such permission in writing has been given as aforesaid, the owner, master, agent, or person apparently in charge of such vessel or hulk shall be guilty of an offence, and for every such offence shall be liable to a penalty of not more than £100.

11. *Removal of Ship in Certain Circumstances.*—The Port Officer may, in the event of any breach or failure to comply with the provisions of these Rules, accept satisfactory security from the owner, master, or agent for the removal from the port of the vessel or cargo in respect of which such breach or failure arose within such time as the Port Officer may determine, or cause such vessel or cargo to be removed and sunk outside the limits of any port at the expense of the owner, master, or agent thereof, and the amount of the expenses so incurred shall be a debt due to the Crown, and may be recovered as such from such owner, master, or agent.
