HIS Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, and pursuant to the petition of the Council of the Shire of Bass, doth by this Order, under the provisions of section 148 of the *Local Government Act 1928* (No. 3720) direct that the provisions of Division 13 of Part V. of *The Constitution Act Amendment Act 1928* (No. 3660) applicable and severally hereinafter set out, shall apply to the elections of councillors for the said municipality with the alterations of such provisions set out hereafter, the same being alterations deemed necessary for the purpose of carrying into effect such provisions as so applied.

*The Constitution Act Amendment Act 1928.*

## COMPULSORY PREFERENTIAL VOTING.

## (Part V.—Division 13.)

*How Votes to be Marked by Voter.*

259. When at any election for the municipality a person receives a ballot-paper he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference, and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names so as to indicate by such numerical sequence the order of his preference.

*Marking of Ballot-paper where only Two Candidates.*

260. Notwithstanding anything contained in the last preceding section, at any election where there are only two candidates the requirements of this Division as to the marking of ballot-papers by electors shall be deemed to be sufficiently complied with in the case of any ballot-paper marked so as to indicate the elector's first preference only.

*Invalid Ballot-papers.*

261. (1) A ballot-paper shall be rejected at the close of the poll if it does not indicate the elector's first preference for one candidate, and in the case of any election where there are more than two candidates his contingent votes for all the remaining candidates.

*Ballot-papers not Invalid.*

(2) Except as otherwise expressly provided, a ballot-paper shall not be rejected for any reason other than the reasons enumerated in this section, but shall be given effect to according to the elector's intention so far as his intention is clear.

*Procedure where only Two Candidates.*

262. At elections where there are only two candidates section 144 of the *Local Government Act 1928* shall have full force and effect.

*Procedure to Ascertain the Number of Votes where more than Two Candidates.*

263. At an election where there are more than two candidates the procedure by the returning officer and deputy returning officers for each ward or riding (as the case may be) to ascertain the number of votes for each candidate shall be as follows:—

- (a) Immediately upon the close of the poll the returning officer and every deputy returning officer at the polling booth at which each presides shall, in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any) and of no other person—
  - (i) open each ballot-box at such polling booth;
  - (ii) arrange the ballot-papers by placing in a separate parcel all those on which first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates, omitting ballot-papers which require to be rejected;
  - (iii) count all such first preference votes given for each candidate respectively;
  - (iv) make and keep a record of the number of votes counted from each ballot-box; and
  - (v) abstain himself from inspecting the writing upon the back of the ballot-papers and take care that the same is not seen by any person.

*Duties of Deputies.*

(b) Each deputy shall in respect of the polling booth at which he presides—

- (i) certify a list of the number of such first preference votes given for each candidate verified as well by the signature of the deputy and the poll clerk (if any) as by the signatures of such of the scrutineers as are present and consent to sign the same;
- (ii) make out an account verified as aforesaid in which such deputy shall charge himself with the number of ballot-papers originally delivered to him specifying therein the number thereof delivered to and used by voters and the number not so delivered or left unused and the number set aside for separate custody and the number cancelled as spoilt;
- (iii) make up in one parcel the ballot-papers which have been used in voting at his polling booth during the election; in another separate parcel the ballot-papers which have remained unused thereat; in another separate parcel the ballot-papers which have been set aside for separate custody thereat and also the ballot-papers cancelled as spoilt; and in another separate parcel the certified copies of rolls supplied to the said deputy signed by him or (as the case may be) the copies of rolls certified by the said deputy, and all books, rolls, and papers kept or used by him during the polling;
- (iv) seal up the said several parcels and permit any scrutineer who desires so to do to affix his seal to such parcels;
- (v) endorse the said parcels severally with a description of the contents thereof and with the name of the province or district, the name of the division or subdivision and polling booth, and the date of polling, and sign his name to such endorsement; and
- (vi) transmit such list and such account and such sealed parcels to the returning officer as required by section 144 of the *Local Government Act 1928*.

*Duties of Returning Officer at Polling Booth at which he Presides.*

(c) The returning officer shall in respect of the polling booth at which he presides—

- (i) make out a list of first preference votes given for each candidate and a like account of the ballot-papers as herein required, in the case of deputies duly verified by the signatures of the returning officer, the poll clerk (if any), and of such of the scrutineers as are present and consent to sign the same; and
- (ii) seal up in separate parcels in respect of the said polling booth the ballot-papers, books, rolls, and papers used by him during the polling, and endorse the same in like manner as is herein required in the case of deputies.

(d) The returning officer shall as soon as practicable—

- (i) ascertain from the list made out by himself as aforesaid, and from the certified lists received from the deputies, the number of first preference votes given for each candidate; and
- (ii) add the first preference votes so given for each candidate to the first preference votes given for each candidate by allowed postal ballot-papers, so as to ascertain the number of first preference votes given for each candidate respectively.

*Where Results Ascertained on First Count.*

(e) The candidate who has received the greatest number of first preference votes, if such number constitutes an absolute majority of votes (including the casting vote of the returning officer if necessary), shall by the returning officer be declared duly elected as hereinafter provided.

*Declaration as to Defeated Candidate and First Distribution of Preferences.*

(f) If no candidate has an absolute majority of votes the returning officer, upon receipt of the several sealed parcels from the deputies and with the assistance of such officers as he deems necessary, shall, in the presence and subject to the inspection of such of the scrutineers as choose to be present, and the poll clerk (if any), but of no other person—

- (i) open all the sealed parcels containing used ballot-papers; and

- (ii) arrange such ballot-papers, together with the allowed postal ballot-papers, by placing in a separate parcel all those on which a first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates, omitting ballot-papers which require to be rejected, and shall declare the candidate who has obtained the fewest first preference votes to be a defeated candidate; and the ballot-papers counted to such defeated candidate shall be distributed amongst the non-defeated candidates next in order of the voters' preference.

After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

*Further Declarations and Distributions of Preferences.*

- (g) If no candidate then has an absolute majority of votes (including the casting vote of the returning officer) the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voters' preference, shall be repeated and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes (including the casting vote of the returning officer if necessary) and such candidate shall be declared duly elected as herein-after provided.

*Provision for Equality of Votes and Casting Vote.*

- (h) If on any count two or more candidates have an equal number of votes and one of them has to be declared defeated, the returning officer shall decide which is to be declared defeated, and if on the final count two candidates have received an equal number of votes, the returning officer shall in such case have the casting vote, but, except as provided in paragraphs (e) and (g) and in this paragraph, shall not vote at such election.

*Adjournment of Count of Votes.*

264. (1) If on the date of the polling at any election the count of the votes by the returning officer cannot be completed he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place when and where such count will be continued and conducted by him.

(2) The count of the votes may from time to time be adjourned as the returning officer deems necessary until it has been duly completed; and each adjournment shall be announced by the returning officer to the scrutineers and the officers assisting him.

*Before Adjournment Ballot-papers, &c., to be Sealed in Ballot-boxes.*

- (3) Before every adjournment of the count of the votes—  
 (a) all ballot-papers and other documents connected with such count shall be placed in one or more ballot-boxes; and  
 (b) the returning officer shall then, in the presence of such scrutineers and officers as are present, seal such ballot-box or boxes, and before recommencing the count the seal on such ballot-box or boxes shall be exhibited, unbroken, to such of the scrutineers and officers as are present.

*Declaration of Election.*

265. In declaring a candidate duly elected the provisions of sub-section (5) of section 144 of the *Local Government Act 1928* shall have full force and effect.

*Separate Parcels to be Enclosed in Packets According to Class, and Sealed, &c.*

267. At the conclusion of the count of votes the returning officer shall comply with the provisions of section 145 of the *Local Government Act 1928*.

*Deposit Moneys.*

205. The moneys paid to the returning officer by or on behalf of the candidates shall be dealt with in manner provided by section 154 of the *Local Government Act 1928*, altered as if in the said section for the word "votes" wherever occurring there were substituted the words "first preference votes."

## TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST NOVEMBER, 1934, TO 30TH SEPTEMBER, 1935, EXCEPT WHERE OTHERWISE STATED.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Lands Department Tender-box, State Treasury Buildings, Melbourne, C.2, at or before Noon on Thursday, 25th October, 1934.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Seven shillings and sixpence for licence are forwarded.

TENDERS will be accepted at or before Noon on Thursday, 25th October, 1934, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act 1928* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

## CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1928*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy

mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1928*, the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1928* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of sawmillers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

#### SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise stated, will be for eleven (11) months from 1st November, 1934, to 30th September, 1935.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. **Tenderers must give their full name, occupation, and ordinary postal address.**

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or he may arrange with the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1928*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1928*, provides—

1. Where a licensee under section 121 of the *Land Act 1928* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
