Forests Act 1928 (No. 3685).

“PROCLAIMED PERIOD” AND “PROCLAIMED AREAS” WHERE SERIOUS DANGER FROM FIRES EXISTS.

PROCLAMATION

By His Excellency the Lieutenant-Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by section 69 of the *Forests Act 1928* (No. 3685) it is enacted that—

Whenever the Commission with respect to any period of twelve months reports to the Minister that, whether owing to climatic conditions or otherwise, there is a serious danger of fire or of the spread of fire in any part or parts of Victoria, the Governor in Council may from time to time, for the purpose of this section, declare by Proclamation—

- (a) any specified portion of such period to be a “proclaimed period,” and
(b) any specified area of Victoria to be a “proclaimed area.”

And whereas under this section it is provided that any person who during any proclaimed period within any proclaimed area lights or kindles, or knowingly causes or permits to be lighted or kindled, any fire in the open air except—

- (a) in such positions as are prescribed by Regulations under this section, or are indicated by notices in the prescribed form issued under the authority of prescribed persons (including the holders for the time being of any prescribed offices as such), or bodies of persons, and

(b) with such precautions as are prescribed—shall be liable to imprisonment for a term of not more than two years, or to a penalty of not more than Two hundred pounds, or to both such imprisonment and penalty:

And whereas the Commission has reported to the Minister that, owing to climatic conditions, a serious danger of fire exists in areas indicated: Now therefore I, the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, do hereby declare—

- (a) that the “proclaimed period” shall be from the twenty-fourth day of January, 1934, to the thirty-first day of March, 1934, both days inclusive; and
(b) that the “proclaimed areas” shall include the areas set forth in the schedule hereunder:—

BOROUGH OF HORSHAM WATERWORKS TRUST.

RATING BY-LAW FOR YEAR 1934.

THE Commissioners of the Borough of Horsham Waterworks Trust do hereby make the following By-law, in pursuance of the provisions of the *Water Act, 1928*:-

1. That the water rate for the year 1934 on all lands and tenements within the Borough of Horsham Waterworks Trust District shall be One shilling in the pound on the municipal valuation of the Borough of Horsham for the year 1933-1934, with a minimum of £1 (One pound) upon all tenements valued at or under £20 (Twenty pounds) and upon which a building is erected, except such as are entitled to the provisions of section 237 of the above-mentioned Act.

2. For water supplied by the Trust for domestic and other than domestic use by measurement (except in cases of special agreement with the Trust), the minimum quantity of water to be charged for in respect of lands and tenements within the Trust District shall be the quantity for which the charge at One shilling per thousand (1,000) gallons would be equal to the amount of the assessed rate which would be payable for the premises so supplied if supplied otherwise than by measure. All water supplied by the Trust by measure in excess of such aforesaid quantity shall be charged at the rate of Ninepence (9d.) per 1,000 gallon.

3. For water supplied by measurement for other than domestic purposes solely, a charge of Ninepence for every 1,000 gallons shall be made (except in cases of special agreement with the Trust), and for water supplied for railway purposes, which shall be at the rate of Ninepence per one thousand (1,000) gallons. Provided that the minimum charge shall not be less than the amount payable under the assessed rate, as specified in clause 1 hereof.

4. All rates and charges shall be payable in advance on the 1st day of January, 1934, at the office of the Trust, Wilson-street, Horsham, where payments will be received, during office hours.

5. Such officers as the Trust may from time to time appoint for the purpose are hereby authorized to demand, receive, and recover the said charges.

The foregoing By-law was passed by the Commissioners of the Borough of Horsham Waterworks Trust on the 12th day of December, 1933, and the common seal hereunder affixed in the presence of—

MORTLAKE WATERWORKS TRUST.

BY-LAW RELATING TO THE SALE OF WATER BY THE TRUST AND OTHER MATTERS.

THE Mortlake Waterworks Trust, in pursuance and exercise of the powers conferred by the *Water Act 1928*, doth hereby make the following By-law to deal with the rateable property within the Urban District of the Mortlake Waterworks Trust, and the sale of water from the works of the Trust.

1. For private water troughs on vacant lands, where there is no meter, the charge, inclusive of the rate on the vacant land, shall be £1 on property not exceeding £20 annual municipal value, and £1 10s. on property exceeding £20 annual municipal value. All troughs shall be fitted with approved ball tap.

2. For water supplied by the Trust for domestic, as well as for other than domestic purposes, by measure (except in cases of special agreement with the Trust), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at One shilling and sixpence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied, if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of One shilling and sixpence per 1,000 gallons.

3. For water supplied to public troughs the charge shall be £2 per trough.

4. For the supply of water to public buildings and other similar properties, the charges shall be as follows:—
Police station and residence, post office, railway station, and stationmaster's residence—Two pounds in each case.

5. For water supplied to Mortlake Gardens, vegetable market gardens, and bowling green, the charge shall be One shilling per 1,000 gallons, provided that in no case shall the charge be less than Two pounds.

6. For water supplied to swimming baths, the charge shall be Ten shillings for each time that the bath is filled, such supply to be given only when sufficient water is available after meeting other requirements.

7. The Trust may at any time intimate to any owner or occupier using water for domestic or other purposes that the water supplied is to be charged for by measure, and will install a Trust meter for that purpose.

8. Should the privately-owned meter on any property become out of order, and, in the opinion of the Trust engineer, it cannot be satisfactorily repaired, it shall be at once replaced by a Trust meter.

9. In every case where a Trust meter is installed, the Trust shall make a charge of 10s. per annum, for interest and maintenance of such meter, this charge to date from the beginning of the year in which such meter is installed.

10. Should any person desire to have the service pipe of the Trust extended to his property, the Trust shall have power to make a special arrangement with him regarding the payment for the water supplied.

11. In the event of any dispute regarding the charge made by the Trust in any case not herein provided for, the Trust shall have power to decide, or to take such action as may be deemed necessary.

12. The aforementioned charges shall be payable on demand.

13. The By-law made and adopted by the Trust on the 9th day of December, 1931, and approved by the Governor in Council on the 24th day of December, 1931, and the By-law made and adopted by the Trust on the 7th day of December, 1932, and approved by the Governor in Council on the 17th day of January, 1933, are hereby repealed.

14. Such persons as the Commissioners of the Trust may appoint from time to time for the purpose shall be authorized to demand, receive, and collect the said charges.

In the construction of this By-law, the word "person" shall be deemed to extend to and include a corporation, whether aggregate or sole, and the word "Trust" shall mean the Mortlake Waterworks Trust.

The foregoing By-law was made by the Mortlake Waterworks Trust and adopted on the 6th day of December, 1933.

The following rates are hereby made under the provisions of the *Sewerage Districts Act 1928*, and shall be levied upon the net annual value of all rateable properties within the Ballarat Sewerage District:—

1. Of any land or tenement situate within the Ballarat Sewerage District, a special rate of Threepence in the pound on the net annual value of all rateable properties within the said district, which are not seweraged properties.

2. Of any land or tenement situate within the Ballarat Sewerage District, a sewerage rate of One shilling and tenpence in the pound of the net annual value of all rateable "sewered property" within the said District.

3. Such rates are made and shall be levied for the year, beginning with the first day of January, 1934, and ending with the thirty-first day of December, 1934, and shall be payable on the thirty-first day of March, 1934, at the office of the Authority, situate at the Water and Sewerage Offices, Ballarat.

4. If any rateable property which is unsewered at the time of the making of the aforesaid special rate becomes during the year 1934 a "sewered property," there shall be levied upon such property a proportionate part of the special rate for unsewered properties for the portion of the year it remained unsewered, property and also a proportionate part of the sewerage rate for the portion of the year after it has become a seweraged property, and such property shall be deemed to have been lawfully rated accordingly.

5. For making and levying such rates the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any of such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the net annual value thereof may for all purposes of such rate be determined by a police magistrate.

6. Such person or persons, as The Ballarat Sewerage Authority may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rates and charges.

The resolution for passing the foregoing By-law was agreed to by the Ballarat Sewerage Authority on the thirtieth day of November, 1933, and was confirmed by the said Authority on the eighteenth day of December, 1933.

The common seal of The Ballarat Sewerage Authority was affixed hereto on the eighteenth day of December, 1933—

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the sixteenth day of January, 1934.

PRESENT:

His Excellency the Lieutenant-Governor of Victoria.
 Sir Stanley Argyle | Dr. Shields.
 Mr. Pennington

DECLARATION OF A DEVIATION FROM THE DUMBALK ROAD IN THE SHIRES OF WOORAYL AND SOUTH GIPPSLAND, AND DISCONTINUANCE OF PART OF THE OLD ROAD.

WHEREAS by section 58 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has by Resolution declared a deviation to be a developmental road the said Board may also declare that such deviation shall be in lieu of the existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a developmental road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a developmental road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the said existing road shall be discontinued: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Country Roads Act 1928* for the purpose of constructing such road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the said Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a developmental road within the meaning and for the purposes of the *Country Roads Act 1928*. And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto and that such part of the said existing road shall be discontinued.

Local Government Act 1928 (No. 3720).

REGULATIONS FOR THE STORAGE OF PETROLEUM,
ETC., IN THE SHIRE OF WARRAGUL.

At the Executive Council Chamber, Melbourne, the sixteenth day of January, 1934.

PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Sir Stanley Argyle
Mr. Pwnington

Dr. Shields.

WHEREAS by section 656 of the *Local Government Act 1928* (No. 3720) it is enacted that the Governor in Council may make Regulations applicable to the whole of Victoria, or to such municipal districts (including the City of Melbourne and the City of Geelong) as are specified therein for or with respect to regulating the keeping and storage of petroleum, or any product of petroleum (including kerosene), turpentine, or other volatile or inflammable liquids, and carbide or other combustible substances: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by the said section of the said Act and all other powers enabling him in that behalf, doth hereby make the following Regulations, and doth provide that the said Regulations shall apply and have application throughout the whole of the municipal district of the Shire of Warragul, and furthermore that such Regulations shall be deemed to be in substitution of any By-law or By-laws made by the said Council of the said municipality for the purpose for which these Regulations are now made, and shall take effect from the 1st day of February, 1934.

REGULATIONS.

Storage of More than 50 Gallons of Petrol, &c., or More than 250 Gallons of Kerosene, &c.

1. Every person who shall keep, store, or retain in or upon or about any buildings or premises more than 50 gallons in the aggregate of the volatile fluids mentioned in the Schedule hereto or more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test shall comply with the following requirements:—

- (1) The site of all buildings and/or premises shall be first approved of by the Council.
- (2) The buildings shall be constructed with walls of brick, concrete, iron, or other non-inflammable material except that in the case of a galvanized-iron structure the lower portion of the walls must be in brick.
- (3) The lower floor of such buildings shall be at least one foot below the grade of the adjoining street and shall be made of earth, concrete, or brick. The roof of such buildings shall be constructed of incombustible material.
- (4) To prevent overflow the lower portion of all walls to be without break or opening, the capacity of such enclosed space to be at least 25 per cent. of the total volume of volatile fluids kept, stored, or retained in any such buildings.

Storage of Less than 50 Gallons of Petrol, &c., or Less than 250 Gallons of Kerosene, &c.

2. Every person who shall keep, store, or retain in or upon or about any buildings or premises less than 50 gallons in the aggregate of the volatile fluids mentioned in the Schedule hereto or less than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test shall comply with the following requirements:—

- (1) In quantities not exceeding 50 gallons in the aggregate of any of the volatile fluids mentioned in the Schedule hereto if such volatile fluids are kept in substantial vessels of metal or other approved material including winchesters, so securely closed that neither liquid nor vapour can escape therefrom, and if all due precautions are taken to prevent accident by fire or explosion and to prevent the escape of any such volatile fluids into a sewer or drain, and if the position of storage is free from other easily combustible goods and will not menace exits, stairways, or adjoining premises except that a reasonable quantity not exceeding 12 gallons in the aggregate of the said volatile fluids may be kept in separate glass or earthenware vessels each containing not more than 1 pint so securely closed or stopped that neither liquid nor vapour

can escape therefrom, and if the position of the storage is free from other easily combustible goods and will not menace exits or stairways.

- (2) In quantities not exceeding 250 gallons of petroleum or any product of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test provided such volatile fluids are kept in substantial vessels of glass, earthenware, or metal, and are suitably closed or stopped, and the position of storage will not menace exits, stairways, or adjoining premises.

Precaution to be Taken when Volatile Fluids are Stored in Bulk Containers.

3. Every tank or other container used for the purpose of the storage or keeping of any volatile fluids shall when not in use be kept tightly closed to prevent the escape of such fluids or any vapour or gas emitted therefrom.

Precautions to be Observed in Buildings.

4. Whenever any person shall have in or upon or about any building or premises more than 50 gallons (or more than 12 gallons if kept in glass or earthenware vessels each containing not more than 1 pint) of the volatile fluids mentioned in the Schedule hereto or more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test he shall observe the following precautions against fire:—

- (1) One 2-gallon carbon tetra-chloride or other approved chemical fire extinguisher shall be kept in such a position as to be easy of access at all times in the event of fire and to be under the supervision of the Country Fire Brigade where practicable.
- (2) At least two iron buckets or other suitable containers each having a capacity of not less than a quarter of a cubic foot, filled with dry sand, shall be kept in position in different parts of the building so as to be easy of access at all times in the event of fire.
- (3) Dry sand shall be used for absorbing all volatile fluids spilt or thrown upon the floor and shall after being so used be forthwith removed from the premises.
- (4) The use of sawdust for absorbing the said volatile fluids is prohibited.

Containers to be Labelled for Retail Sale.

5. Any person who for retail sale fills into small containers on premises any of the volatile fluids mentioned in the Schedule hereto shall have the fire-fighting appliances as mentioned in the preceding section and shall clearly label such small containers with the name of the contents and with the following words:—"Highly inflammable. Beware of the vapours. Keep fire away."

Regulations not to Apply to Storage of Alcoholic Spirits.

6. Nothing herein contained shall apply to the storing of alcoholic (other than methylated) spirits.

Conditions to be Observed in the Construction of Tanks.

7. Every person who shall erect or construct any storage tank for the storage of more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids shall comply with the following requirements:—

- (1) The site of all storage tanks other than underground tanks not exceeding 1,000 gallons capacity shall be first approved by the Council for that purpose.
- (2) Underground tanks not exceeding 1,000 gallons capacity shall be constructed of best mild steel plate not less than 10 gauge, and be placed not less than 2 feet below the surface of the ground or the lowest floor of any building. Sand shall be filled in over the tank to the level of the ground or floor as the case may require. Tanks shall be adequately ventilated and fitted with safety devices to the satisfaction of the engineer. Filling pipes may be placed where the engineer approves, but so as not to cause any obstruction to the traffic when the tanks are being filled.
- (3) Storage tanks which are erected upon or above the surface of the ground or partly below and partly above the surface of the ground shall be enclosed by a wall of brick, stone, or concrete, or an earthen dam of approved construction; such wall or dam shall be in no case of less height than 2 feet higher than the level to which the oil would rise should it escape from the tanks. An opening may be made in the enclosing wall to permit access to the tank but such opening shall contain a liquid-tight door either sliding or opening inward, made of incombustible material, and of sufficient strength to resist any pressure which may be brought to bear on such door by the bursting of the tank enclosed in such wall.

Power to Enter and Inspect.

8. Any officer authorized by the Council may for the purpose of securing the due observance of and compliance with the provisions of these Regulations enter and inspect any building or erection at all reasonable times and do therein all such acts and things as are reasonably necessary for the purpose aforesaid, and any other persons who shall in any manner interfere with such officer in the execution of his duty shall be guilty of an offence.

Offence.

9. Every person who shall contravene or fail to comply with any of the provisions of these Regulations shall be guilty of an offence.

Penalty.

10. Every person guilty of an offence under these Regulations shall be liable to a penalty not exceeding Twenty pounds, and in the case of a continuing offence to a further penalty of Two pounds for each succeeding day after a written notice of the offence from the Council.

Exemptions may be Made by the Council.

The Council may, if it considers reasonable care will be observed, exempt from any one or more of these Regulations inflammable liquids when kept for private use, provided the store is exclusively used for inflammable liquids, and not less than 50 feet intervene between the store and other buildings or an adjoining property boundary.

NOTE.—Private use does not include inflammable liquids kept for sale or for purely business activities.

Definitions.

In these Regulations, unless inconsistent with the context, "Premises" includes all the land within the boundary of the allotment or allotments, or part thereof, on which the building is situated and which is occupied by the owner or occupier of the building, and includes all other land used for the purpose of storing volatile fluids under any conditions. "Approved" means approved in writing by the engineer for the time being of the said Shire of Warragul, or any deputy appointed by the said Council of the said municipality to act for him. "Council" means the Council of the said municipality. "Person" includes firm, corporation, or company; and "volatile fluid" includes any of the volatile fluids mentioned in the schedule hereto, and also includes petroleum or any products of petroleum, turpentine, or other volatile fluids mentioned in these Regulations that will flash or emit an inflammable vapour at not below 73 deg. Fahr. Abel close test, if such are stored in immediate contiguity with the volatile fluids mentioned in the schedule.

SCHEDULE.

Methylated spirits, benzine, petrol, naphtha, or any other products of petroleum or other volatile fluids that will flash or emit an inflammable vapour below a temperature of 73 deg. Fah. Abel close test.

And the Honorable John Percy Jones, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

And thereafter an additional female assistant of the Fifth class for each increase of 45 in the average attendance of pupils.

5. (a) When the requirements of a school justify such a course, a male assistant of the Fifth class may be appointed in lieu of a female assistant of the corresponding class, and a female student teacher may be appointed to any school in lieu of a sewing mistress.

(b) In a school held in buildings situated at a distance apart, and in other special cases approved by the Minister on the recommendation of the Director, an additional assistant of the Fifth class or an additional student teacher may be appointed.

13. Whenever, and so long as, the teaching staff of a school is reduced below its proper strength by the death, resignation, absence on leave, or transfer of any assistant or student teacher employed in a school, or by the withdrawal of a student teacher to act temporarily as assistant or head teacher, the head teacher of the school may, subject to the approval of the Minister, appoint a temporary student teacher in the stead of each assistant or student teacher deceased, resigned, absent on leave, transferred, or withdrawn.

15. When submitting a request for the appointment of a temporary student teacher or of a temporary sewing mistress under clause 13 or 14 above, the head teacher should furnish the full name, date of birth, and qualifications of the person recommended, together with the reason for the proposed temporary appointment. Temporary appointments for periods of less than one week will not be sanctioned.

And the Honorable John Warburton Pennington, His Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

REGULATIONS UNDER SECTION 69, SUB-SECTION (5),
OF THE FORESTS ACT 1928.

At the Executive Council Chamber, Melbourne, the
twenty-third day of January, 1934.

PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Allan
Mr. Jones

Dr. Shields.

PURSUANT to section 69, sub-section (5), of the *Forests Act 1928*, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the Regulations as set forth hereunder (that is to say):—

Regulations under section 69, sub-section (5), of the *Forests Act 1928* (No. 3685), whereby certain fires may be lighted subject to specified conditions.

REGULATION 1.

For the Purposes of Preparing Meals, and for no other Purpose, Fires May be Lighted—

(a) In specified places provided or allowed by the Forests Commission of Victoria, provided that the area within a radius of 10 feet of such fireplace be cleared of all inflammable material, and that the fire be properly extinguished before being left.

(b) On highways, roads, and recognized camping grounds, in properly constructed stoves or receptacles in which the fires will be restricted to the limits of the said stoves or receptacles, provided that the area within a radius of 10 feet of such stoves or receptacles be cleared of all inflammable material and that the fire be properly extinguished before being left.

REGULATION 2.

Burning of Stubble.

Stubble may be burnt only after 4 p.m. on a day when, at the time of burning, not more than a light breeze is prevailing, and only after a firebreak, comprised of one ploughed strip 18 feet in width or alternatively comprised of two ploughed strips, each at least 6 feet wide and at least 30 feet apart, with such intervening space cleared by burning against the wind at least 24 hours before the main body is lighted, has been made around the said stubble, and all standing trees or timber less than 100 feet within the boundary of the areas to be burnt have had similar breaks formed around them. The provisions of the Police Offences Act are to be fully complied with, and where the stubble is situate within 1 mile of any State Forest notice of intention to burn must either be forwarded in writing by registered post, or personal service, or telegram to the nearest forest officer and police officer not less than 24 hours before the day on which it is intended to burn.

REGULATION 3.

Burning of Firebreaks in Grass Lands.

(a) The Forests Commission of Victoria may grant to persons approved by it permits to burn firebreaks in grass lands. Such permits shall be in the form contained in Schedule A hereto, shall be issued by a forest officer, and shall authorize the holders thereof to burn such firebreaks between the hours of Three o'clock in the afternoon and Eleven o'clock in the forenoon of the day following, provided that at the time of burning the temperature does not exceed 90 degrees Fahr. and that not more than a light breeze is then prevailing. Provided further that no such fire shall be lighted until at least six men equipped with approved fire-fighting appliances under the control of a man experienced in burning firebreaks are in attendance, and a strip of land at least 4 feet wide along either side of the proposed firebreak has been completely cleared of all vegetation and inflammable material, and ploughed. Firebreaks shall be not more than 2 chains wide, inclusive of the ploughed area. All fires shall be properly extinguished before being left. Notice, in writing, of intention to burn shall, not less than 48 hours before the day on which it is intended to burn, be forwarded by registered post to, or be served personally upon, the nearest forest officer, the officer in charge of the nearest police station, and the occupiers of all land contiguous to that on which the firebreak is intended to be burnt.

(b) Persons approved by the Forest Commission as being fit and proper to burn firebreaks in grass lands shall be issued with a certificate in the form contained in Schedule B hereto, which shall entitle the said person from time to time to apply to a forest officer for a permit as aforesaid.

No. 8.—593.—2

REGULATION 4.

Burning of Grass.

Grass may be burnt only after sundown on a day when the temperature has not exceeded 90 degrees, and provided that at the time of burning not more than a light breeze is prevailing, and only after a firebreak comprised of two ploughed strips, each at least 4 feet in width and at least 10 feet apart, with such intervening space cleared, has been made round the said grass, and the provisions of the Police Offences Act have been fully complied with. Where the grass is situate within 1 mile of any State Forest notice of intention to burn must either be forwarded, in writing, by registered post or by personal service to the nearest forest officer or police officer not less than 48 hours before the day on which it is intended to burn.

REGULATION 5.

Burning of Bracken, Scrub, Timber, &c.

Bracken, scrub, timber, or herbage may be burnt only with the written permission of the forest officer between the hours of 4 p.m. and sunrise on a day when the temperature has not exceeded 90 degrees, and provided that at the time of burning not more than a light breeze is prevailing. Providing further that a break of 12 feet wide be cleared around the area to be burned, and that such number of men as are prescribed by the forest officer, equipped with such fire fighting apparatus as is prescribed, are in attendance at the fire. All fires to be thoroughly extinguished at sunrise, and the provisions of the Police Offences Act must be fully complied with.

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF RESERVE KNOWN AS "LAKE DAYLESFORD AND MINERAL SPRINGS RESERVE," IN THE PARISH OF WOMBAT.

WHEREAS by the 181st section of the *Land Act* 1928 power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon. Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land permanently reserved by Order in Council of 16th January, 1934, as a site for Mineral Springs and Ornamental Lake and for the recreation, convenience, and amusement of the people in the Parish of Wombat, Town and Borough of Daylesford, known as "Lake Daylesford and Mineral Springs Reserve."

REGULATIONS.

1. The Reserve shall be open to the public free of charge at all times except on such days not exceeding twelve in any one year, as the Reserve may be set apart for sports, fêtes, musical performances, swimming, or holiday amusements, and on any of such occasions a sum not exceeding Two shillings may be charged and taken for the admittance of each adult person to the Reserve.
2. No person shall enter or remain on the Reserve who may offend against decency as regards dress, language or conduct, or be guilty of riotous or offensive behaviour.
3. No person shall be permitted to remain in the Reserve in a state of intoxication or behave in a disorderly manner, or create or take part in any disturbance therein, or use insulting words or gestures, or otherwise misbehave, or obstruct any servant of the Committee of Management, or interfere (not being a player) with any game or sport therein.
4. No person shall light or use fires in the Reserve except in the places set apart for such purpose, without the authority of the Committee of Management first obtained.
5. No person shall jump or climb over the gates or fences in or around the Reserve, or in any way remove, displace, damage, or injure any of the buildings, gates, fences, seats or trees, shrubs or flowers in the Reserve.
6. No person shall affix, print, post, paint, cut or mark any advertisement, sign, picture, bill, placard, notice, words, letters, or figures to or upon any wall or fence in or enclosing the Reserve, or to or upon any tree, property, building, barrier, railing, seat, structure, erection, flagging, cutting, embankment or path in the Reserve, without the consent in writing of the Committee of Management.
7. No person shall dig or remove soil or other material in or from the Reserve.
8. No person shall remove, displace or damage any board, plate, pump, pipe, fitting, or written notice for the exhibition of any Regulations, or notice fixed or set up by the Committee of Management in the Reserve.
9. No person shall carry firearms into or through the Reserve or shoot, snare, or destroy any game or birds or remove fish therefrom except with the authority of the Committee of Management.

10. No person shall in the Reserve wilfully obstruct, disturb or annoy any other person in the proper use of the Reserve or any part thereof, or wilfully obstruct or disturb any servant of the Committee of Management in the proper execution of his duty or work.

11. The Committee of Management shall have power to hold carnivals, entertainments or performances in the Reserve and to make a charge for admittance as hereinbefore provided.

12. The Committee of Management shall have power to let any portion of the Reserve to any club, association or person for the purpose of holding any entertainments, performances or sports, subject to the payment of such fees and on such terms as it may deem reasonable and consistent with these Regulations and to authorize any club, association or person to make the charge for admittance thereto as provided hereinbefore in these Regulations.

13. No person except the Committee of Management or its officers and employees on duty and those authorized by such Committee shall enter any part of the Reserve when a charge is made for admittance without paying the fees demanded for admittance.

14. No person shall put in the Reserve any cattle, horses, sheep, goats, pigs or other animals without the permission in writing of the Committee of Management first obtained. Provided always that the money received for agistment shall be expended on the maintenance and improvement of the Reserve, and that an account thereof be furnished annually to the Board of Land and Works.

15. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserve, and shall be taken to be the occupier of the Reserve (with all power incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purposes of this clause "cattle" shall mean cattle as interpreted by section 3 of the *Pounds Act* 1928.

16. All dogs unless controlled by a chain or cord and goats and all poultry found within the Reserve shall be liable to be destroyed, and the owner shall make compensation to be recovered before any justice for any damage done.

17. No person shall spit or expectorate on the paths or on any structure or erection in the Reserve.

18. No person shall bet publicly in any part of the Reserve, and every person infringing this Regulation shall be liable to expulsion from the enclosures and Reserve.

19. No person shall play, practise or engage in any organized sport or game within the Reserve without the consent in writing of the Committee of Management first obtained.

20. Persons hiring or renting any stand, building, erection, or enclosure on the occasions of any fêtes, sports, or holiday amusements may be required to deposit any sum which the Committee of Management may determine, not exceeding Ten Pounds, by way of guarantee that due care shall be taken of such stand, building, erection, or enclosure, and such committee in its absolute discretion may make good any damage or injury sustained by such stand, building, erection or enclosure or anything contained therein during such occupancy or hiring, and deduct the cost of making good such loss or damage from the sum of money deposited by way of guarantee, and all persons so renting or hiring shall abide by these Regulations and by any order given by the Committee of Management.

21. No person, except labourers and workmen employed in the Reserve, shall enter any plots therein which may be enclosed for plantation of young trees, shrubs or flowers.

22. The Committee of Management may from time to time select portions of the Reserve for the parking of cars and vehicles, and for the tethering of horses, and no cars, vehicles, or horses shall be parked or tethered in any portion of the Reserve other than in the portions set aside for the purpose, and the Committee of Management may make and fix such fees for the parking of vehicles and tethering of horses as it may determine, such fees not to exceed One shilling per day per horse or vehicle.

23. No person shall play or perform in any band of music, or take part in any organized entertainment of any kind in the Reserve, without the permission in writing of the Committee of Management first obtained.

24. No assemblies for fêtes, or concerts, or for the purposes of public worship, preaching, or public speaking of any kind, or meetings of a like character, shall take place on the Reserve without the permission in writing of the Committee of Management first obtained.

25. No person shall use closets or urinals, or any portion of such closets or urinals, for any purposes other than that for which the same are constructed.

26. No person shall deposit or cause to be deposited, waste paper, bottles, or any other litter on any part of the Reserve, except in the receptacles provided for that purpose.

27. No person shall roll or throw stones or missiles of any kind in the Reserve.

28. No person shall without the permission in writing of the Committee of Management sell or offer for sale within the Reserve any article of food or drink or any other commodity or operate any money-making amusements.

29. No person shall remain in the Reserve at any time when lawfully directed by any officer or employee of the Committee of Management to leave the same.

30. No cart or any other vehicle shall, without the authority of the proper officer of the Committee of Management, be driven through the plantations on the Reserve.

31. Any person found in a state of intoxication or behaving in a disorderly manner, or creating or taking part in any disturbance or committing any act of indecency in the Reserve, or refusing to obey those authorized by the Committee of Management, or by the club, association or persons renting or having been granted the use of the Reserve for the time being, to keep order, shall be liable to be forthwith removed therefrom, notwithstanding that such person may have purchased a ticket for admittance thereto, and shall also be liable to a prosecution for an offence against these Regulations.

32. No person shall camp on any portion of the Reserve except that specially set apart by the Committee of Management for the purpose, and then only after obtaining a permit, subject to payment of such fees and to such other conditions as the Committee of Management may determine.

33. No person shall erect any building or any booth or any other structure in the Reserve for any purpose whatsoever without the permission in writing of the Committee of Management first obtained.

34. The Committee of Management shall not be responsible for any loss or damage to any property, goods or chattels brought on to the Reserve.

35. The Committee of Management shall not be responsible for any accident or damage caused by the use of any of the appliances in the Reserve.

36. No person shall interfere in any way with any springs or the taps or pipes connected therewith, or prevent or interfere with the flow of mineral water within the Reserve, and no person shall fill and deliver for fee or reward or profit any cans or vessels with mineral water from any spring or springs in and upon the Reserve for use or consumption by any other person or persons without the consent in writing of the Committee of Management, and no person shall, without the like consent, remove or carry away any mineral water from the said spring or springs for fee, profit or reward, for use or consumption by any other person or persons.

37. The Committee of Management may issue licences for the use of boats or other craft on the lake for private purposes; and the licence-fee shall be such as the Committee of Management may determine. The Committee of Management may accept such sum as it thinks fit and under such conditions as it thinks fit for the right to use boats or other craft for hire on the lake.

38. No wharfs, jetties, landing places or boat sheds may be erected without the consent in writing of the Committee of Management. The description, location and kind thereof must be first furnished to and approved by the Committee of Management. The Committee of Management may require the owner or lessee of any such structure to keep the same in good order and condition, and failing compliance with these Regulations, the said Committee has the right to remove or order the removal of such structure at the cost of the owner.

39. No person suffering from any infectious or contagious disease shall be permitted to enter any swimming pool on the Reserve.

40. No person shall use any substance or preparation whereby the water in any of the swimming pools may be rendered turbid or unfit for the use of bathers.

41. No person shall enter any swimming pool unless decently clothed from neck to knee or in a bathing costume approved by the Committee of Management.

42. No male person over the age of fourteen years, unless in charge of a child or children, shall enter or remain in the vicinity of the children's swimming pool.

The Council of the Borough of Daylesford has been appointed a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against such Regulations, and who after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force, and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was hereto affixed this 17th day of January, 1934.
