H. S. BAILEY,
Chief Secretary.

Chief Secretary's Office,
Melbourne, 28th August, 1936.

ACTS OF PARLIAMENT.

PROCLAMATION

By His Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, THE Lieutenant-Governor, as Deputy for the Governor of the State of Victoria, in the Commonwealth of Australia, do hereby declare that I have this day assented, in His Majesty's name, to the Bills passed by the Parliament of the said State, the titles whereof are hereunder set forth, that is to say:—

No. 4375. "An Act to amend section Six of the *Income Tax Acts Amendment Act 1932* as amended by the *Income Tax Acts Amendment Act 1933*."

No. 4376. "An Act to apply for the Relief of Wheat Growers in Victoria a certain amount granted to the State pursuant to the Commonwealth Act known as the *Wheat Growers Relief Act 1936*."

No. 4377. "An Act to continue the Operation of the *Newmarket Sheep Sales Act 1935*."

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this thirty-first day of August, in the year of our Lord One thousand nine hundred and thirty-six, and in the first year of the reign of His Majesty King Edward VIII.

Land Act 1928.

AREAS OF LANDS COMPRISED IN CERTAIN CLASSES DIMINISHED OR INCREASED.

PROCLAMATION

By His Excellency the Lieutenant-Governor, as Deputy for the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Land Act 1928* it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the *Government Gazette*, at any time diminish or increase the area of land comprised in any of the classes mentioned in Part I., Division 1, section 5, of the said *Land Act 1928*, but that the area of lands which may be sold by auction (Class 6) shall not be increased except as in certain cases in the said Act provided: Now therefore I, the Lieutenant-Governor, as Deputy for the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in accordance with the provisions of sections 94 and 117 of the *Land Act 1928* aforesaid, do hereby diminish or increase (as the case may be) the areas of Crown lands comprised in Classes 1, 2, 3, 6, and 7 respectively of the classes mentioned in section 5 of the *Land Act 1928* aforesaid to the extent set forth in the subjoined Schedules (that is to say):—

Schedules referred to

GOD SAVE THE KING!

APPOINTMENTS.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 31st day of August, 1936, been pleased to make the undermentioned appointments, viz. :—

DEPARTMENT OF AGRICULTURE.

Veterinary Officer,

HARRY MCALISTER ELDER

to be a Veterinary Officer, Classes "C" and "B," Professional Division; a vacancy having occurred, and the Public Service Commissioner having certified on the 22nd August, 1936, that an appointment is required, that there is no person available and fit in the Public Service to be promoted or transferred to fill the vacant office, and that the person named is a fit and proper person and duly qualified to be appointed to fill such vacancy on probation for three months.

DEPARTMENT OF CHIEF SECRETARY.

Auditor, Metropolitan Gas Company.

JOHN ALEXANDER NORRIS.

pursuant to the provisions of section 153 of the *Metropolitan Gas Company's Act 1878*, to be Auditor to examine the annual statement of accounts of the Metropolitan Gas Company for the year ended the 30th June, 1936.

Licensing Inspector,

JOHN MARTIN MURRAY (Sub-Inspector of Police), pursuant to the provisions of the Licensing Acts, to be a Licensing Inspector for each and every Licensing District in the State of Victoria, to date from 4th August, 1936, *vice* William W. W. Mooney, resigned.

DEPARTMENT OF MENTAL HYGIENE.

Medical Superintendent (Acting),

WILLIAM BERNARD RYAN. (Dr.)

pursuant to the provisions of the Lunacy Acts, to be Medical Superintendent (Acting) of the Mental Hospital, Kew, to date from 25th August, 1936, during the absence, on leave, of Joseph T. Hollow (Dr.).

DEPARTMENT OF LAW.

Probation Officer.

ARTHUR PENNA, 125 Pakington-street, West Geelong, to be a Probation Officer, pursuant to the provisions of section 8 of the *Children's Court Act 1928*, for the Children's Courts at Geelong and Geelong West.

Sworn Valuators.

The undermentioned to be Sworn Valuators, pursuant to the provisions of section 14 of the *Transfer of Land Act 1928* (No. 3791), for the counties as stated :—

WILLIAM ALEXANDER JOHNSTON ACKLAND, 229 Collins-street, Melbourne—limited to the County of Bourke.

CHANDOS KINGSLEY BLACKER, 128 Union-road, Surrey Hills—limited to the County of Bourke.

LAUNCELOT BERNARD PITT NIND, Ultima—limited to the Counties of Gunbower, Kara Kara, Karkaroc, Milawa, and Tatchera.

Commissioner for Taking Declarations, &c.,

ALLAN ALEXANDER CAMERON, Inspector of Land Settlement.

Closer Settlement Commission, Lands Department, Melbourne.

to be a Commissioner for taking Declarations and Affidavits under the provisions of Division 8 of Part IV. of the *Evidence Act 1928*, to refrain from charging fees, and to resign upon ceasing to be an officer of the Closer Settlement Commission.

Sheriff's Substitute.

RICHARD HAMILTON COSS

to be Deputy Prothonotary, Deputy Clerk of the Peace for the Southern Bailiwick, Registrar of the County Court, and Clerk of Petty Sessions at Geelong, and Clerk of Petty Sessions at Geelong West, and as Deputy Clerk of the Peace for the Southern Bailiwick and Registrar of the County Court at Geelong, by virtue of section 92 of Act 3707, to do and perform with respect to the courts at that place, in the place and stead of the Sheriff, all such acts and things as the Sheriff is, by the said Act, authorized or required to do or perform, during the absence, on leave, of A. G. Glasson.

Clerk of Petty Sessions.

DONALD HERBERT WARD

to be Clerk of Petty Sessions at Tatura, *vice* A. T. Ryall, relieved, and transferred.

Magistrate,

FORREST SYLVESTER ORR, Bullarto South, to Keep the Peace in the Midland and Southern Bailiwicks of the State of Victoria.

DEPARTMENT OF PUBLIC INSTRUCTION.

Assistant (Female),

GRACE WINIFRED LANG

to be Assistant (Female), Classes "E" and "D," Professional Division; College of Domestic Economy; a vacancy having occurred, and the Public Service Commissioner having certified, on the 18th August, 1936, that an appointment is required, that there is no person available and fit in the Public Service to be promoted or transferred to fill the vacant office, and that the person named is entitled, under the provisions of the Public Service Act, to be appointed to fill such vacancy on probation for three months.

C. W. KINSMAN,

Clerk of the Executive Council.

At the Executive Council Chamber,

Melbourne, 31st August, 1936.

RESIGNATIONS.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 31st day of August, 1936, accepted the resignations of the persons named hereunder of the offices mentioned, viz. :—

DEPARTMENT OF LAW.

EDGAR BULEY and JOHN NORMAN O'CONNOR, as Commissioners for taking Declarations and Affidavits pursuant to the provisions of the *Evidence Act 1928*.

C. W. KINSMAN,

Clerk of the Executive Council.

At the Executive Council Chamber,

PUBLIC SERVICE EXAMINATION.

NOTICE is hereby given that an examination of candidates for appointment to the Clerical Division of the Public Service of Victoria will be held in conjunction with the University examinations, commencing on Monday, the 30th November, 1936.

The examination will be open to youths who are under nineteen years of age on the 1st December, 1936.

A candidate will be required to enter for competitive examination in either School Leaving or School Intermediate subjects as prescribed, and in Handwriting, but will not be eligible for appointment unless he shall have passed the School Intermediate examination (including the subject of Arithmetic) and passes in Handwriting.

The conditions and subjects of examination are set out on the printed entry form, obtainable at the Office of the Public Service Commissioner, Public Offices, Treasury-place, Melbourne.

Two hundred and fifty (250) candidates will be selected for appointment as vacancies occur.

The commencing salary is £91 (£172 on attaining age of 21 years), rising to a maximum of £209 a year, with a long service increment of £13 a year.

Entries for the examination must be lodged—

- (1) at the Commissioner's Office, on or before Wednesday, the 14th October, 1936; and
- (2) with the Registrar, Melbourne University, on or before Saturday, the 24th October, 1936. University entry forms are obtainable at the Registrar's Office.

By order,

W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 1st September, 1936.

THIRD CLASS CLERK, DEPARTMENT OF MINES.

APPLICATIONS will be received by the Public Service Commissioner (Victoria) up to Friday, the 11th September, 1936, from officers of the Clerical Division of the Public Service of Victoria who are eligible and qualified for appointment to the above-mentioned position.

Duties.—To supervise the staff and work of the Leasing Branch; to advise on the practice of the Department in relation to the grant, transfer, and forfeiture of mining leases and licences; to prepare Orders in Council and reports for submission to the Minister; to attend and assist the Minister when hearing appeals against recommendations of the Wardens of the Goldfields.

Qualifications.—Experience in staff supervision and administration; tact in dealing with the public; knowledge of the *Mines Act 1928* and of the Regulations and By-laws thereunder, and of Acts affecting the issue of Mining Leases and Licences and the occupation of land for mining purposes.

By order,
W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 1st September, 1936.

NOTICE TO CLERKS OF PETTY SESSIONS.

CLERKS of Petty Sessions are instructed to furnish quarterly, commencing on the 30th proximo, to the Crown Solicitor, a return in the form hereunder of all cases heard during the preceding three months in which costs have been awarded to a Government Department of this State and in which a warrant of distress issued to recover the same has been returned "nulla bona."

The names of defendants who have been imprisoned for failure to pay the fines imposed upon them should, however, be omitted.

RETURN OF CASES heard at the Court of Petty Sessions at _____ in which costs awarded during the quarter ended _____ to the Crown are unpaid.

Name and Capacity of Informant.	Name of Defendant.	Address of Defendant.	Offence.	Costs.	Date of Order.

C. F. KNIGHT,
Secretary to the Law Department.

SHIRE OF BEECHWORTH WATER SUPPLY DISTRICT.

RATING BY-LAW FOR YEAR 1935-6.

THE Council of the Shire of Beechworth, in pursuance and exercise of the powers conferred by the *Water Act 1928*, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and sixpence in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Shire of Beechworth Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty-five shillings, and in respect of any land on which there is no building, less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of October, 1935, and shall be payable on the 3rd day of November, 1935, at the office of the said Council.

For water supplied by the Council for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Council), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of One shilling per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Council in excess of such aforesaid quantity shall be charged for at the rate of Sixpence (6d.) per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand.

Dated this 7th day of August, 1936.

(SEAL) B. O'NEILL, Chairman.
G. THOMPSON, Secretary.

Approved by the Governor in Council,
31st August, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

Transport Regulation Act 1933.

TRANSPORT REGULATION BOARD.

NOTICE OF PUBLIC HEARING.

NOTICE is hereby given that, pursuant to the provisions of section 38 (1) of the *Transport Regulation Act 1933*, the Transport Regulation Board has been requested to recommend to the Honorable the Minister that the Victorian Railways Commissioners should, with the consent of the Governor in Council, operate commercial goods vehicles in the manner described hereunder.

The request referred to will be heard at the offices of the Board, at the Exhibition Buildings, Rathdown-street, Carlton, on Tuesday, 15th September, 1936, commencing at quarter-past Two p.m.

MANNER OF OPERATION.

Within a radius of 25 miles from the Post Office situate at the corner of Bourke-street and Elizabeth-street in the City of Melbourne:—

- (a) The transport of goods between Melbourne goods sheds and suburban railway stations.
- (b) The transport of export butter from cool stores to Port Melbourne and Victoria Dock.
- (c) The delivery of beer and spirits from Melbourne goods sheds to the depots of consignees.
- (d) The transport of furniture of railway employees where being transferred from one station to another, or of consignments for other Government Departments.
- (e) The transport of material from railway storehouses, workshops, and depots, to other like places or to the location of railway works, and from the premises of the suppliers of railway stores and material to railway premises.
- (f) The collection and delivery of goods consigned to or received by railway.

Notice of any objection should be forwarded to reach the Secretary to the Board not later than Wednesday, the 9th September, 1936.

F. P. MOUNTJOY,
Secretary.

Transport Regulation Board, Exhibition Buildings, Rathdown-street, Carlton, N.3, 31st August, 1936.

Transport Regulation Acts.

TRANSPORT REGULATION BOARD

Melbourne, 28th August, 1936.

State Rivers and Water Supply Commission.

YARRA JUNCTION WATERWORKS TRUST.

FIXING LIMIT OF BANK OVERDRAFT.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Order made on the 31st day of August, 1936, in pursuance of the provisions of section 273 of the *Water Act 1928*, fixed the limit of the overdraft to be obtained by the Yarra Junction Waterworks Trust from the National Bank of Australasia Limited, Lilydale, at an amount not to exceed at any one time the sum of Two hundred and fifty pounds (£250).

C. W. KINSMAN,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 31st August, 1936.

In the matter of the *Local Government Act 1928* and in the matter of the Declaration of certain land in the Parish of Bolwarra, County of Normanby, to be a public highway in lieu of former roads.

ORDER OF THE COUNCIL OF THE MUNICIPALITY OF THE SHIRE OF PORTLAND.

IN pursuance of the powers conferred by the *Local Government Act 1928*, the Council of the Municipality of the Shire of Portland doth hereby order that the land next hereinafter described shall be a public highway from the date of the publication of this Order in the *Government Gazette*, that is to say:—

All that piece of land, being part of Crown allotment D, section 15, Parish of Bolwarra, County of Normanby, commencing at a point on the northern boundary of said Crown allotment D, which point is distant 24 chains 89 7-10 links west from the north-eastern corner of said Crown allotment D; thence by a line bearing south 40 deg. 3 min. east 9 chains 61½ links; thence south 36 deg. 3 min. east 8 chains 29 9-10 links to a Government road; thence by that road bearing south 44 deg. 30 min. west 1 chain 1 4-10 links; thence north 36 deg. 3 min. west 8 chains 43 links; thence north 40 deg. 3 min. west 14 chains 8-10 links; thence north 20 8-10 links; and thence east 1 chain 13 1-10 links to the point of commencement.

And the Council of the Municipality of the said Shire doth hereby declare that such public highway shall be in lieu of the former roads over—

Firstly, all that piece of land, being portion of the existing road forming the northern boundary of Crown allotment D, section 15, Parish of Bolwarra, County of Normanby, commencing at the north-eastern corner of said Crown allotment D; thence by part of the northern boundary of the said Crown allotment D, bearing west 24 chains 89 7-10 links; thence north 40 deg. 3 min. west 20 4-10 links; thence north 84 4-10 links to the south-western corner of section 20 of the said parish; thence by the southern boundary of said section 20, bearing east 26 chains 2 8-10 links; and thence south 45 deg. west 1 chain 41 4-10 links to the point of commencement; and

Secondly, all that piece of land, being portion of the existing road forming the south-eastern boundary of said section 20 and the south-eastern boundary of said Crown allotment D, commencing at the north-eastern corner of Crown allotment 12, Parish of Bolwarra, County of Normanby; thence by the north-western boundary of said Crown allotment 12 and by part of the north-western boundary of Crown allotment 13 in the said parish, bearing south 45 deg. west 25 chains 41 3-10 links; thence south 44 deg. 30 min. west 11 chains 74 2-10 links; thence south 33 deg. 54 min. west 1 chain 57 5-10

links; thence north 44 deg. 30 min. east 12 chains 96 3-10 links; thence north 45 deg. east 26 chains 16 4-10 links; thence south 24 deg. 56 min. east 42 5-10 links; and thence south 85 links to the point of commencement.

And the said Council doth further declare that the use of the lastmentioned highways shall be discontinued as from the date of the publication of this Order in the *Government Gazette*.

Made at a meeting of the Council of the Municipality of the Shire of Portland, held in the Council Chambers, at Heywood, in Victoria, this twelfth day of April, One thousand nine hundred and thirty-five.

The common seal of the Shire of Portland was hereunto affixed in the presence of—

(SEAL) H. V. McLEOD, President,
G. M. KEILLER, Councillor.
ALEX. ANDERSON, Secretary.

Confirmed by the Governor in Council,
31st August, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

SHIRE OF KORONG.

KORONG VALE WATER SUPPLY DISTRICT.

Rating By-law for the year commencing 1st October, 1935

THE Council of the Shire of Korong, in pursuance and exercise of the powers conferred by the *Water Act 1928*, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Forty-two pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Korong Vale Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of any land on which there is no building, less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of October, 1935, and ending on the 30th day of September, 1936, and shall be payable on the 11th day of December, 1935, at the office of the said Council.

For water supplied by the Council for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Council) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of Eighteen pence per 1,000 gallons would be equal to the amount of rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Council in excess of such aforesaid quantity shall be charged for at the rate of Eighteen pence per 1,000 gallons.

Passed this 10th day of December, 1935.

(SEAL) H. R. REDWOOD, President.
A. GRAY, Councillor.
A. E. COOPER, Secretary.

Approved by the Governor in Council,
24th August, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

THE MELBOURNE HARBOR TRUST COMMISSIONERS.

REGULATION 322 AMENDED.

IN pursuance of the *Melbourne Harbor Trust Act 1928*, the Melbourne Harbor Trust Commissioners make the following Regulation:—

1. Regulation 322 is hereby amended by inserting the words and figures:—

“Footscray Wharf—Berths Nos. 1 to 3, 2s. 6d.”

Dated at Melbourne this nineteenth day of August, 1936.

The common seal of the Melbourne Harbor Trust Commissioners was hereunto affixed by order of the Commissioners in the presence of—

(I.S.) J. A. BOYD, Acting Chairman.
FRANCIS DUNCAN, Commissioner.
J. McCUTCHAN, Secretary.

Approved by the Governor in Council,
31st August, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

Melbourne and Metropolitan Board of Works

BY-LAW No. 35.

SEWERAGE.

*Approved by the Governor-in-Council on
the 19th day of May, 1936.*

The Melbourne and Metropolitan Board of Works pursuant to and in exercise and execution of the powers and authorities conferred on it by the Melbourne and Metropolitan Board of Works Acts and the Sewerage Districts Act 1928, No. 3,772, and pursuant to and in exercise and execution of any other powers and authorities in any wise enabling it in that behalf **DOETH HEREBY MAKE AND PRESCRIBE** the following By-law that is to say:—

1. Sewerage By-law No. 19, duly passed by the Board and afterwards approved by the Governor-in-Council on the 9th day of March, 1921, and Gazetted on the 23rd day of March, 1921, Sewerage By-law No. 24, duly passed by the Board and afterwards approved by the Governor-in-Council on the 19th day of May, 1925, and Gazetted on the 3rd day of June, 1925, and Sewerage By-law No. 28 duly passed by the Board and afterwards approved by the Governor-in-Council on the 20th day of December, 1928, and Gazetted on the 28th day of December, 1928, are and each of them is hereby repealed as from the date of the coming into operation of this By-law.

Such repeal shall not affect anything duly done, any rights, privileges, or powers acquired, or any liabilities, penalties, or forfeitures incurred, or any proceedings taken or commenced under the said By-laws Nos. 19, 24, and 28, or under any of them before the date of the coming into operation of this By-law.

INTERPRETATION.

2. In this By-law, unless the context or subject matter otherwise indicates:—

"Acts" or "the Board's Acts" means the Melbourne and Metropolitan Board of Works Act 1928 and all amendments thereof, and also so much of the Sewerage Districts Act 1928 as applies to the Melbourne and Metropolitan Board of Works and all amendments thereof which are made to apply.

"Anti-Siphonage Vent" or "Back Vent" means any vent pipe from an individual trap to the open air or to a main or branch vent pipe, having for its purpose the prevention of loss of water seal in the trap.

"Board" means the Melbourne and Metropolitan Board of Works.

"Building" means any building used as a work place, residence, place of business or of amusement, or place of human habitation, or used for the storage of food intended for human consumption, but does not include outbuildings unless such are used for any of the above purposes.

"Combined Pipe System" means that type of plumbing installation in which disconnector traps are omitted and both soil and waste pipes are connected directly to the drain or to a common pipe taking both soil and waste discharges, and

in which a common system of venting is used for all classes of pipe.

"Combined Waste Pipe" means any pipe which receives the discharges from both soil and waste fixtures and conveys the same to the drain. Combined waste pipes are connected directly to the drain and are used only in connection with the "Combined Pipe System."

"Drain" means any drain used for the drainage of one building only or of any property or premises within the same curtilage and leading therefrom into a cesspool or other receptacle for drainage or into a sewer, and also any drain for draining any group or block of houses by a combined operation under the order of the Board.

"Disconnector Trap" means a trap used in the "Separate Pipe System" for isolating or disconnecting waste pipes from the drain and soil pipes and for providing inlet ventilation to the waste pipe or pipes discharging into it.

"Diameter," "Size" or "Bore," in reference to any pipe, means the nominal internal diameter thereof.

"Engineer of Sewerage" means the Engineer of Sewerage or the Acting Engineer of Sewerage of the Board for the time being, and shall also include any officer or person appointed by the Board for the purpose of discharging the duties or exercising the powers of the Engineer of Sewerage.

"Educt Vent" means an opening or pipe for the exit of air from a soil pipe, waste pipe, combined waste pipe, or drain.

"External Closet" means any closet other than an internal closet as herein defined.

"Fixtures" means all apparatus, together with their necessary appurtenances, which may be attached to the plumbing or drainage system of any property, and which are intended for the collection or retention of any wastes or waste waters for ultimate discharge into the sewerage system, such as closet pans, urinals, baths, sinks, basins, troughs, and the like.

"Fittings" means all apparatus, together with their necessary appurtenances, for use in connection with the plumbing or drainage system of any property, with the exception of fixtures and straight piping.

"Flat" means a suite of rooms used, or intended or adapted for use, as a separate habitation and comprised in a building containing one or more similar suites.

"Inspecting Officer" means any person employed by the Board to inspect, pass, or approve of any work required or authorised by the Board's Acts or by this By-law, and shall include any person from time to time acting as an Inspecting Officer of the Board.

"Interceptor Trap" (or "Boundary Trap") means a trap situated on the drain at some point between the sewer and the lowest inlet to the drain, for the purpose of preventing the passage of air or gases from the sewer to the drain.

"Induct Vent" means an opening or pipe, for the admission of air to a soil pipe, waste pipe, combined waste pipe, or drain.

"Internal Closet" means any closet which is entered from, or has an opening into, any building.

"Property," for the purposes of this By-law, includes house, building, tenement, land and/or premises.

"Secretary" means the Secretary or the Acting Secretary of the Board for the time being and shall also include any officer or person appointed by the Board for the purpose of discharging the duties or exercising the powers of the Secretary.

"Sewer" includes any sewer or underground gutter or channel which is not a drain within the meaning of Part III of the Melbourne and Metropolitan Board of Works Act 1928 and any drain or portion of a drain laid between the sewer and the boundary line of any allotment or curtilage.

"Sewerage System" includes all sewers and sewerage works vested in the Board.

"Separate Pipe System" means that type of plumbing installation in which separate pipes are provided for soil and waste discharges and for the ventilation of soil and waste fixtures, and in which all waste pipes are connected to the drain through a disconnector trap.

"Soil Pipe" means any pipe which conveys the discharge from water closets, slop sinks, urinals, mortuaries, or operating theatres to the drain.

"Stack" means any vertical line of soil, waste, combined waste, or vent piping with its offsets, if any.

"Slop Sink" means any fixture, other than a closet pan or urinal, used for the discharge of soil or urine waters and provided with flushing apparatus.

"Trap" means any fitting designed to retain a quantity of water for the purpose of preventing the passage of air or gases through such fitting.

"Trade Waste" means the liquid refuse from any business trade or manufacturing property, other than domestic sewage, storm water, or unpolluted water.

"Waste Pipe" means any pipe which conveys the discharge from any fixture, other than water closets, slop sinks, urinals, mortuaries, or operating theatres, to a disconnector trap in the case of the "Separate Pipe System," or directly to the drain in the case of the "Combined Pipe System."

"Water Seal," or "Trap Seal," means the vertical distance between the dip and the crown weir of a trap, as shown in sketch.

"Yard Gully" means a drainage trap which is used externally and fitted with a dished top and grating.

DIVISION 1.—APPLICATIONS FOR CONSENT, Etc.

CONSENT REQUIRED—APPLICATIONS, Etc.

3. (1) No person shall connect any drain or pipe to or interfere with the Board's sewerage system or any portion thereof without the consent in writing of the Engineer of Sewerage or other officer acting for him.

(2) Every application for such consent to connect with the Board's sewerage system or to do any plumbing or drainage work connected therewith, including all extensions, alterations, or amendments, shall be in writing and in the form prescribed by the Board, and shall be made by the owner of the property on which the work is proposed to be done or by his duly authorised agent.

(3) Every such application shall set forth—

- (a) The description of the site of the property;
- (b) The name and address of the owner;
- (c) The name and address of the person employed to do the work; and
- (d) Any further information required by the Board or any officer thereof.

(4) Any owner or agent aforesaid making any wilful misrepresentation in such application shall be deemed to have committed a breach of this By-law, and any consent issued in pursuance thereof may be declared cancelled and at an end by the Board.

CONDITIONS OF CONSENT.

4. (1) No consent to connect with the Board's sewerage system or to do plumbing or drainage work connected therewith shall be given unless a plan of the drainage and/or plumbing, in accordance with the requirements of this By-law, has been approved, in writing, by the Engineer of Sewerage or other officer acting for him.

(2) Every consent to connect with the Board's sewerage system shall be subject to the condition that all connections with the drains or sewers, and all plumbing connections therewith, shall be made and done to the satisfaction of the Engineer of Sewerage or an Inspecting Officer.

(3) Every consent to connect with the Board's sewerage system shall also be subject to the following conditions, that is to say:—

- (a) No person shall be engaged or employed as a workman in the actual performance of any plumbing work except as provided in Clause 9.
- (b) If the Licence or Permit of any such person is suspended or cancelled by the Board and notice of the suspension or cancellation is given, in writing under the hand of the Secretary, to the owner of the property to be connected, or to his authorised agent, as the case may be, then such workman shall, during the continuance of such suspension or cancellation of his Licence or Permit, cease to be engaged or employed as aforesaid.

And every such owner or agent who fails to comply with condition (b) of this sub-clause shall be guilty of an offence against this By-law and shall be liable to a penalty of not more than Ten pounds.

(4) No such consent shall be deemed to authorise the laying of, or to confer or grant the right to lay, a drain through any land intervening between the property to be connected and the sewer of the Board; and the applicant for the consent shall satisfy himself as to his legal right to lay the drain and shall be responsible for any trespass upon or damage to the intervening land in laying the drain.

(5) No such consent shall be deemed to authorise anything not stated therein.

PENALTY FOR INTERFERENCE WITHOUT CONSENT.

5. If any person, whether he is or is not the holder of a Plumber's Licence or Permit from the Board, alters, removes, or in any way interferes with any drain, fitting, pipe, bend, trap, or other thing, which drain, fitting, pipe, bend, trap, or other thing is connected with the Board's sewerage system, he shall, unless he has previously received consent, in accordance with the provisions of Clause 4 (1), for the execution of such work, and such consent is in full force and effect, be guilty of a breach of this By-law and shall be liable to a penalty of not more than Ten pounds.

DIVISION 2.—PLANS.**PLANS REQUIRED—ALTERATIONS.**

6. (1) Every person applying for consent to connect with the Board's sewerage system, or to do drainage work connected therewith, shall submit for approval plans of drainage in accordance with Clause 7 or shall, in writing, request the Board to prepare plans of drainage in accordance with Clause 7.

(2) Every person applying for consent to do plumbing work in buildings of more than two stories shall, in addition to the requirements of the preceding sub-clause, submit for the approval of the Engineer of Sewerage, plans of the plumbing installation in accordance with the provisions of Clause 8.

(3) Every person applying for consent to do plumbing work under the Combined Pipe System shall, in addition to the requirements of Sub-clause (1) of this clause, submit, for the approval of the Engineer of Sewerage, plans of the proposed plumbing installation, in accordance with the provisions of Clause 8.

(4) Alterations in approved plans or to works previously approved will be permitted only on application of the owner or his authorised agent.

PLANS OF DRAINAGE.

7. (1) Plans of drainage submitted for approval by the owners, or their authorised agents, shall be neatly and accurately drawn to a scale not smaller than 40 feet to one inch, and shall set out clearly the following information:—

- (a) The positions of all buildings, outbuildings, sheds, and polluted areas, in their correct relations to the boundaries of the property.
- (b) The position of the Board's sewer and approximate position of the branch to which the drain must be connected, marked in red, together with the approximate depth of the Board's sewer.
- (c) The position of all existing drains, marked in green, and of proposed new drains, marked in blue, together with the approximate position of all existing and proposed new drainage fittings.
- (d) The approximate position of all existing and proposed new fixtures together with a list of such fixtures clearly indicating the location of the fixtures within the property.

(2) In order to facilitate owners submitting plans in accordance with Sub-section 6a of Section 164 of the Melbourne and Metropolitan Board of Works Act 1928, the Board will supply block plans of individual tenements of limited area with the position of sewer and approximate position of branch to which the drain must be connected, marked in red, together with the approximate depth of the Board's sewer, at the rate of 1s. for each tenement which is the subject of a separate municipal valuation.

A block plan of a single tenement of extensive area or of a group of houses, showing the position and depth of the Board's sewer, will be supplied by the Board on payment of a charge corresponding to the cost of the plan, computed at the rate of 2s. 6d. per hour, according to the time occupied thereon by the Board's officers, with a minimum charge of 2s. 6d.

(3) Charges will be made for any necessary alteration, amendment or correction to plans submitted for approval by owners or their authorised agents.

Such charges shall correspond to the cost of such alteration, amendment, or correction, computed at the rate of 2s. 6d. per hour, according to the time occupied thereon by the Board's officers, with a minimum charge of 2s. 6d.

(4) Drainage plans in accordance with the requirements of this clause will be furnished by the Board upon application and payment for the same as follows:—

- (a) Preparation of plan of drainage, including survey, for new work—for every house or building a minimum charge of 5s. and an additional charge of 5s. for every closet pan more than one appurtenant to such house or building.
- (b) Preparation of plan of drainage, including survey, for alterations of or additions to existing work not involving provision of additional closet pans or the substitution of new closet pans for existing pans—a charge of 2s. 6d.
- (c) Preparation of plan of drainage, including survey, for alterations of or additions to existing work, which involves the provision of additional closet pans or the substitution of new closet pans for existing pans—a charge of 5s. for every new or substituted closet pan included in the plan as altered or added to.
- (d) Plan of completed drainage—a charge corresponding to the cost of the plan, computed at the rate of 2s. 6d. per hour, according to the time occupied thereon by the Board's officers, with a minimum charge of 2s. 6d.

PLANS OF PLUMBING.

8. (1) Plans of proposed sanitary plumbing installations, submitted for approval by owners or their authorised agents in accordance with the provisions of Clause 6 of this By-law, shall be neatly and accurately drawn to a scale of $\frac{1}{2}$ -inch to one foot, with details to a scale of $\frac{1}{2}$ -inch to one foot if required or directed, and shall set out clearly the following:—

- (a) Plan of each floor, including ground floor and basements (if any), upon which fixtures are, or are proposed to be, installed, showing clearly the nature and position of all fixtures and the size and arrangement of all soil, waste, combined waste and vent pipes, and the position, size, gradient, and approximate depth of all drains. Upon such plans, fixtures shall be designated by the symbols set out in the Appendix and the various pipe lines shall be delineated in colors as follow:—

Soil pipes	}	Blue
Combined Waste Pipes		
Waste Pipes		
Vents	}	Red

- (b) The intended use of each room in which a fixture is, or is proposed to be, installed and of each room from which a water closet or urinal is entered directly.
- (c) Sectional line diagrams showing clearly each soil, waste, combined waste or vent pipe or stack, together with their sizes and the positions of all fixtures connected thereto, and, where required, the gradient of the soil, waste or combined waste pipes.
- (d) Such other information as the Engineer of Sewerage may require.

(2) All plans of sanitary plumbing installations submitted for approval by owners, or their authorised agents, will be examined by the Board's officers, and the cost of such examination shall be paid by the applicant, at the rate of 4s. 6d. per hour, according to the time occupied thereon by the Board's officers, with a minimum charge of £1 1s. 0d.

(3) If requested, in writing, by the owner or his authorised agent, and in such other cases when considered necessary by the Engineer of Sewerage, the Board will prepare line diagrams of piping lay-outs for plumbing installations. Such diagrams shall be paid for

by the owner or his authorised agent, the charge being computed according to the time occupied thereon by the Board's officers, at the rate of 4s. 6d. per hour.

DIVISION 3.—LICENCES AND PERMITS.

9. (1) All plumbing work for sewerage shall be done and carried out only by Licensed Plumbers and/or by the persons in this Clause 9 hereinafter mentioned, but subject in all things to the conditions and terms of this said clause.

(2) The Board may, if it thinks fit, and subject to the provisions of Sub-clauses (3), (4), (7), and (8) of this Clause, issue a Plumber's Licence to any person who:—

- (a) Is the holder of a Certificate of Competency issued by the Sanitary Plumbers Examination Board of Victoria; or
- (b) Was in possession of a Second Class Plumber's Licence of the Melbourne and Metropolitan Board of Works at the 30th June, 1931; or
- (c) Had passed the practical examination of the Sanitary Plumbers Examination Board of Victoria prior to 1st January, 1933.

(3) The Board, before issuing such Plumber's Licence, may require the applicant to satisfy it that he possesses the requisite knowledge of the laws, by-laws, and regulations relating to the sewerage system of the Board, and it shall appoint officers to examine the said applicant as to his knowledge, and, after the consideration of the report thereon of such officers, may refuse to grant such licence if, in its opinion, the applicant has not the requisite knowledge of such laws, by-laws, and regulations.

(4) Every person to whom a Plumber's Licence is to be issued, shall before the Licence is issued to him, sign in a register, to be kept by the Board, a declaration that he will conform to and comply with the conditions of the Licence and the laws, by-laws, and regulations of the Board.

(5) The Board may, if it thinks fit, and subject to the provisions of Sub-Clauses (7), (8), and (11) of this Clause, issue a Permit to work as a plumber to any person who has passed the practical examination of the Sanitary Plumbers Examination Board of Victoria.

(6) In the event of the holder of a Permit to work as a plumber being granted a Certificate of Competency by the Sanitary Plumbers Examination Board of Victoria the Board may issue a Plumber's Licence to him subject to the provisions of Sub-Clauses (3), (4), (7), and (8) of this Clause and upon his returning his Permit.

(7) The Board may refuse to grant a Licence or Permit to any person or may suspend or cancel any Licence or Permit previously granted, if, in its opinion—

- (a) such person has been guilty of an offence against the laws, by-laws, and regulations of the Board;
- (b) such person has failed to comply with the instructions issued by any responsible officer of the Board;
- (c) such person at any time or place has so conducted himself as to warrant, in the opinion of the Board, the refusal, suspension, or cancellation of such Licence or Permit.

(8) Subject to the provisions of Sub-Clause (7) of this Clause every such Licence or Permit shall expire on the thirtieth day of June of each year.

(9) On application for renewal, the Board may renew any such Licence or Permit.

(10) No person, other than a Plumber's Apprentice, Plumber's Improver, the holder of a Permit to work as a Plumber, or the holder of a Plumber's Licence, shall be engaged or employed as a workman in the actual performance of any of the plumbing work for Sewerage.

(11) No such Plumber's Apprentice, Plumber's Improver, or holder of a Permit to work as a Plumber, shall be permitted to work in the actual performance of, or to do, any plumbing work for sewerage except under the supervision of a Licensed Plumber, who shall be responsible for such work and for compliance with the laws, by-laws, and regulations of the Board in respect thereof.

(12) Notwithstanding the foregoing provisions of this Clause, any holder of a Water Supply Plumber's Licence from the Board may do water supply work necessary to sanitary work, and may, if lead is not used, fix cisterns and water closet pans in outbuildings.

(13) Except as in this Clause 9 above provided, any person who affixes, alters, or repairs any fitting, pipe, bend, trap, fixture, or other thing, which fitting, pipe, bend, trap, fixture, or other thing, is, or is to be, connected with the Board's sewerage system, shall be guilty of a breach of this By-law and liable to a penalty of not more than Ten pounds.

(14) Every person holding a Licence from the Board who executes any works in connection with drainage and/or sanitary plumbing shall, when so directed by the Board, make good at his own expense any defect found within twelve months of date of completion of any such work, due, in the opinion of the Engineer of Sewerage, to faulty workmanship.

The certificate of the Engineer of Sewerage shall be conclusive and final as to any faulty workmanship.

DIVISION 4.—NEW BUILDINGS, ADDITIONS, Etc.

10. The owner or his authorised agent shall notify the Board of intention to build, rebuild, or make alterations to any buildings or outbuildings upon a property where such building, rebuilding, or alteration will in any way affect the existing sewerage installation or the fixtures connected thereto, and shall supply such information as required by the Engineer of Sewerage.

DIVISION 5.—USE OF DRAINS—PROHIBITION OF CERTAIN DISCHARGES.

USE OF DRAINS.

11. The owner and/or the occupier of any sewered property shall discharge into the sewerage system all faecal matter, urine, household slops, and household liquid refuse from such property and such other polluted water from stables, washing areas, manure bins, basements, cellars, and roofed yards and, subject to the Board's By-laws in regard thereto, such trade wastes as may be authorised under the hand of the Secretary.

PROHIBITED DISCHARGES.

12. The deposition or discharge of any of the following substances into any drain, or into any sewer, is prohibited:—

- (a) Any animal matter, other than as mentioned in Clause 11, fleshing, wool, hair, dead animal, grease, dust, ashes, rubbish, garbage, offal, vegetable and fruit or their parings, rags, oil, silt, mud, sand, gravel or like substance, or any other substance, which is, in the opinion of the Engineer of Sewerage, liable to be injurious to any part of the sewerage system or to employes of the Board engaged in the operation or maintenance of the same.
- (b) Any petrol or other inflammable or explosive substance, whether solid, liquid, or gaseous.
- (c) Any rain, roof, surface, river, or flood waters, except by special permission in writing under the hand of the Secretary of the Board.

- (d) The contents of any night soil cart, cesspool or privy.
- (e) Any trade waste or any substance which has an acid reaction to litmus paper.
- (f) Any trade waste which is above the temperature of 100 degrees Fahrenheit, or such lower temperature as may be prescribed by the Engineer of Sewerage, having regard to the special circumstances of any particular case.
- (g) Any liquid which contains such percentage of common salt, or of any other mineral, salt, acid, or gas, as is, in the opinion of the Engineer of Sewerage, injurious to, or liable to form compounds injurious to, any part of the sewerage system or to employes of the Board engaged in the operation or maintenance of the same.

DIVISION 6.—TRADE WASTES.

CONDITIONS, Etc., OF DISCHARGE.

13. The discharge of trade wastes into any sewer shall be subject to the following terms, provisions, and conditions:—

- (a) Applications for permission to discharge any such trade wastes from any property into any sewer shall be made, in writing, to the Board upon a prescribed form, and shall set out:—
 - (i) The processes of manufacture from which trade wastes are discharged into the Board's sewer.
 - (ii) The nature of the trade waste from every such process.
 - (iii) The estimated maximum rate of discharge of trade waste from every such process.
 - (iv) The hours of the day during which discharge of trade wastes from every such process will normally take place.
 - (v) The estimated maximum daily discharge of such trade wastes into the Board's sewers.

Such applications shall be accompanied by detailed plans of the apparatus to be used for the treatment of the said trade waste and by such other information regarding the nature, quantity, rates, and times of discharge as required by the Engineer of Sewerage.

- (b) No trade waste shall be discharged into the Board's sewer unless a written permit has been granted under the hand of the Secretary, and an agreement executed by the applicant containing a covenant to comply with the conditions of the said permit. Such permit shall be subject (inter alia) to the following conditions, namely:—

That if at any time in the opinion of the Engineer of Sewerage—

- (i) the quality, quantity, or rate of discharge of the said trade waste is not in compliance with the terms, provisions, and/or conditions of the said permit, or
- (ii) the occupier is not duly and faithfully performing and observing the terms, provisions, and conditions of the said permit and/or of this By-law or of any other By-law of the Board, or
- (iii) the treatment apparatus is not in efficient working order, or
- (iv) a breach of the said Agreement has been made,

the Board may serve a Notice in writing upon the occupier of the said property by leaving the same thereon or posting it addressed to him at the said property in which Notice reference will be made to

such of the matters aforesaid in respect of which a breach has taken place or as to which the occupier is in default and/or concerning which there is any complaint by the Engineer of Sewerage. Such Notice shall call upon the said occupier to make good the same in all things to the satisfaction of the Engineer of Sewerage within a period to be stated therein from the date of service thereof in manner aforesaid and the said Notice shall also state that the Board is at liberty to terminate and put an end to the said permit AND FURTHER that if the requirements of the said Notice have not been complied with on the expiration of the period mentioned therein the said permit shall automatically terminate and the same shall be deemed to be at an end save and except as to the power of entry by the Board's Officers as mentioned in the said permit without any further or other notice from the Board and the Board by its Officers may enter upon the said property and at the cost and expense in all things of the occupier disconnect the apparatus used to discharge the trade waste into the Board's sewers and prevent and put an end to the further entry of trade waste to the sewers and the occupier shall be entitled to no compensation whatever in connection therewith.

- (c) The Engineer of Sewerage shall be the sole judge as to the quality, quantity, and rate of discharge of such trade waste and as to whether the same complies with the conditions of the said permit and of the Sewerage By-laws and Regulations of the Board, and his decision in regard thereto shall be final and conclusive.
- (d) Except by special permission of the Engineer of Sewerage, in writing, the volume per hour of trade waste discharged from any property into a sewer of the Board shall not in any case exceed the following, that is to say:—

A volume of 600 gallons per hour if the trade waste is discharged into a 4-inch sewer of the Board.

A volume of 1,500 gallons per hour if the trade waste is discharged into a 6-inch sewer of the Board.

A volume of 2,500 gallons per hour if the trade waste is discharged into a 9-inch sewer of the Board.

The maximum aggregate daily quantity of trade waste which may pass from any property into a sewer, the size and capacity of the drain for conveying such trade waste from the property to the sewer, and the hours during which such flow will be permitted, shall be determined by the Engineer of Sewerage.

The volume of trade waste discharged shall, if ordered by the Engineer of Sewerage, be determined by meter or by some other approved means of measurement.

- (e) All such trade wastes shall be passed through such settling, screening and/or neutralising chambers and/or such other apparatus as ordered or approved by the Engineer of Sewerage to ensure that the resulting effluent shall comply with the requirements of the said permit and of this By-law.

All such apparatus or machinery shall be approved in type and general arrangement by the Engineer of Sewerage, but the applicant shall determine the size, capacity and details of the treatment apparatus necessary to provide an effluent in compliance with the requirements of the said permit and of this By-law.

- (f) The occupier shall notify the Board, in writing, of his desire to make any alteration which will in any way affect:—
- (i) The nature of the waste from any process of manufacture;
 - (ii) The estimated maximum rate of discharge from any such process of manufacture;
 - (iii) The hours of discharge of trade waste from any such process;

and all alterations or additions to the treatment apparatus shall in all things comply with the requirements of the said permit and of this By-law, but in no case shall any such alteration be made without the approval in writing of the Engineer of Sewerage.

- (g) In all cases of change of ownership or occupancy of any trade property connected with the Board's sewers, the person to whom the said permit is granted shall notify the Board in writing thereof at least fourteen days prior to such change.
- (h) In no case shall the said permit be assigned or transferred except by permission in writing under the hand of the Secretary.
- (i) The owner or occupier of any property connected with the Board's sewers shall, if and where directed, install to the Board's design an approved chamber for inspection, sampling, and measurement, and such chamber shall be readily accessible to the Board's officers at all times.
- (j) The Engineer of Sewerage or any other authorised officer, servant, agent, or workman of the Board shall be at liberty at any time and from time to time to enter upon the property and every part thereof and take samples of the said trade waste for analysis and otherwise and also to inspect the said treatment apparatus.
- (k) Every settling, screening, or neutralising chamber, or other apparatus for the treatment of trade wastes in accordance with this By-law shall be cleansed and maintained by the occupier at his own expense and at such intervals as may be considered necessary by the Engineer of Sewerage to ensure the efficient operation of such chamber or apparatus.
- (l) Notwithstanding the permission or approval of the Board or of the Engineer of Sewerage the occupier of any property shall be solely liable for and in respect of:—
- (i) any accident or damage, loss, or injury directly or indirectly arising out of or resulting from the discharge of the said trade waste from the said property into the Board's sewer, and the occupier shall agree to hold harmless and keep indemnified the Board against all claims and demands for such damage, loss, or injury of any description made and/or suffered by the workmen of the Board or any other person or persons whomsoever; and
 - (ii) all damage, loss, or injury occasioned or done to the Board's sewer or any property belonging to the Board or any Company, person, or persons whomsoever by reason of such discharge failing to comply with the terms, conditions, and provisions of the said permit and/or of the Sewerage By-laws of the Board, and the occupier shall agree to pay the cost of making good any such damage, loss, or injury.

- (m) The Board may from time to time and when thought necessary by the Engineer of Sewerage without payment of any compensation thereof exclude from its sewers all trade wastes from any property during the repairing, examination, or maintenance of the said sewers or the carrying out by the Board of any works in connection therewith.
- (n) Such other conditions as may be required by the Engineer of Sewerage having regard to the special circumstances of the case.

CONNECTIONS PRIOR TO BY-LAW.

14. (1) In any case in which the Board has, before the date of the coming into operation of this By-law, granted to any person permission to discharge trade waste into any drain or into any sewer of the Board, or in any case in which any person has, before the date of the coming into operation of this By-law, been discharging trade waste into any drain or into any sewer of the Board, without the express permission of the Board, if after the said date such person continues so to discharge such trade waste, the Board, if it thinks fit and notwithstanding anything in Clause 1 of this By-law contained, may, by notice in writing, direct such person wholly to cease from discharging such trade waste as aforesaid.

(2) Every such notice shall specify a day, not less than eight weeks from the date thereof, as the day on and after which such person is directed to cease from discharging such trade waste.

(3) If such person fails to comply with such direction he will be guilty of a breach of this By-law.

(4) The foregoing provisions of this Clause shall not operate to prevent the Board from granting further permission to such person pursuant to the provisions of Clause 13.

DIVISION 7.—FLOOD AND SUB-SOIL WATERS.

FITTINGS, Etc., TO BE ABOVE FLOOD LEVEL.

15. (1) No inlets or openings shall be placed, or, if already placed, shall be permitted to remain placed in such positions that any extraneous water from any river, bay, gully, or creek or any other source, whether in flood or otherwise, may gain access to the Board's sewers.

(2) Without in any way limiting the generality of the immediately last preceding Sub-Clause (1), in areas liable to be flooded, no person shall place in position for use any fitting, fixture, or apparatus having an inlet or opening into any drain or into any sewer of the Board unless the inlet or opening is above the highest flood level of the years 1916 and 1934.

(3) Where any doubt is raised in connection with any of the Clauses of this By-law as to the highest flood level of the years 1916 and 1934, the Engineer of Sewerage, after enquiry and search, shall fix such flood level and his decision as to the same shall be final and conclusive.

EXISTING FITTINGS, Etc., BELOW FLOOD LEVEL.

16. Where, in any building or property, any existing fitting, fixture, or apparatus, having an inlet or opening into any drain or into any sewer of the Board, was placed in position for use before the date of the coming into operation of this By-law, if the inlet or opening is not above the highest flood level of the years 1916 and 1934, the Board, if it thinks fit, and notwithstanding anything in Clause 1 of this By-law contained, may direct the owner or occupier of the building or property, within a time to be specified in the notice, to substitute for the existing fitting, fixture, or apparatus a fitting, fixture, or apparatus whereof the inlet or opening is above the highest flood level of the years 1916 and 1934.

In case such owner or occupier fails to comply with such direction, the Board may, if it thinks fit, substitute a fitting, fixture, or apparatus as aforesaid, and the owner or occupier shall, in addition to any penalty for which he is liable for breach of this By-law, pay any costs and expenses incurred by the Board in doing the work.

RETENTION OF EXISTING FITTINGS, Etc., BELOW FLOOD LEVEL.

17. Where, in any abattoir, wool-treating establishment, tannery, fellmongery, boiling-down works, or other works situated in any area liable to be flooded, any existing fitting, fixture, or apparatus, having an inlet or opening into any drain or into any sewer of the Board, is below the highest flood level of the years 1916 and 1934, and in all other respects complies with the Board's Acts and By-laws, the operation of Clauses 15 and 16 in regard to such fitting, fixture, or apparatus may be suspended, by writing under the hand of the Secretary, subject to the following conditions:—

- (a) That the owner applies, in writing, for permission to fix an approved sluice valve in every drain connecting with a sewer of the Board on which such fitting, fixture, or apparatus exists, and furnishes the Board with such an undertaking as shall be approved of by it in writing that such sluice valve will be fixed at his risk, and providing for an indemnity of the Board to its satisfaction against all damage which may be suffered by such owner or anyone claiming under him and also providing for an indemnity against all claims and demands whatsoever by any person or corporation whomsoever arising out of and/or incidental to such valve;
- (b) That whenever there is danger of flooding the owner undertakes to close or cause to be closed every such valve before flooding occurs, and to keep closed or cause to be kept closed every such valve until the flood water shall have subsided to such an extent that there is no longer danger of the flood water entering the sewers;
- (c) That, pursuant to such permission and undertaking, an approved sluice valve shall have been fixed in every drain connecting with a sewer of the Board and approved of by the Engineer of Sewerage;
- (d) That the owner does, whenever necessary, close and keep closed every such valve and does exclude such flood water;
- (e) Such suspension may at any time be terminated, by notice in writing under the hand of the Secretary, by serving upon the owner and/or occupier or leaving on the property such notice of termination and thereupon such suspension shall cease and be at an end.

SUB-SOIL WATER.

18. Upon written application, permission may be granted under the hand of the Secretary to any person to discharge sub-soil water into any drain or into any sewer of the Board. Every such permission shall be subject to such terms and conditions as may be imposed in such permit.

DIVISION 8.—INSPECTION—TESTS— MAINTENANCE.

NOTICE, Etc.

19. (1) Notice of intention to commence plumbing and/or drainage work shall be signed by a Licensed Plumber and be lodged with the Board at its Head Office, 110 Spencer Street, Melbourne, at least Twenty-four hours before the work is commenced.

(2) A Licensed Plumber shall, by notice signed by him, give to the Board at least Forty-eight hours' clear notice (exclusive of Saturday and/or Sunday) that the plumbing work is ready for testing.

(3) A Licensed Plumber or person carrying out the drainage work shall, by notice signed by him, give to the Board at least Forty-eight hours' notice (exclusive of Saturday and/or Sunday) that the drainage work is ready for testing.

(4) All work ready for testing, both plumbing and drainage, shall be left uncovered and accessible for examination until tested and approved of by the Inspecting Officer.

INSPECTION.

20. All materials, pipes, bends, junctions, fittings, fixtures, and apparatus will be inspected by the Inspecting Officer to ensure compliance with this By-law and approved plans.

TESTS.

21. The Inspecting Officer may order the application of the water or smoke test, or such other tests as he may require or approve, and such tests may be applied to the drainage and/or plumbing systems in their entirety or in sections.

WATER TEST.

22. The water test shall be applied by hermetically sealing all openings below the top of the section to be tested. The system shall then be filled with water to the highest point of the section, or, if considered necessary, to such additional height as the Inspecting Officer may order.

In testing drains the water shall be maintained at this height for a period of 15 minutes by the addition of a measured quantity of water as required. The amount of water added in the 15 minutes must not exceed 3 gallons for every fifty (50) joints, or proportionately for a lesser or greater number of joints.

Testing of drains is to be carried out in as long lengths as possible consistent with the head of water on the lowest pipe not exceeding six feet. Sectional tests will be permitted only in cases where the head of water on the lowest pipe would exceed six feet, or where otherwise specially approved by the Inspecting Officer.

SMOKE TEST.

23. The smoke test shall be applied by forcing into the system thick smoke, to a pressure equivalent to 1 inch of water by means of a smoke test apparatus, hermetically sealing all openings at which smoke appears and keeping up the pressure for 5 minutes after the last opening is closed.

Every joint shall then be carefully examined for leaks.

EQUIPMENT, Etc.

24. All equipment, material, power, and labor necessary for the inspection and tests shall be furnished by the plumber or drainer as the case may be.

DEFECTIVE WORK.

25. All materials, pipes, bends, junctions, fittings, fixtures, and apparatus, which, on inspection and/or test, are found to be defective shall be removed and replaced by sound ones, and all leaking or otherwise defective joints shall be made tight and good, and every part of the work shall be made to conform to this By-law by the owner or his authorised agent and shall be subject to the approval, in writing, of the Engineer of Sewerage, or other proper officer acting for him.

Should the owner, or his authorised agent, neglect or fail to comply with the requirements of this clause he shall be guilty of a breach of this By-law.

MAINTENANCE.

26. Every silt trap, grease trap, oil trap, neutraliser, or other apparatus installed in accordance with the provisions of Clauses 13 (e), 49 (c), or 66, shall be

maintained by the occupier or owner at his own expense and shall be cleaned at such intervals as may be necessary to ensure that such trap or apparatus operates in an efficient and hygienic manner.

DIVISION 9.—MATERIALS AND WORKMANSHIP.

MATERIALS.

27. All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be of the best of their respective kinds, sound and free from defects, and shall be approved by the Inspecting Officer.

APPROVAL OF FITTINGS, Etc.

28. (1) No fitting, fixture, or apparatus shall be used in connection with the Board's sewerage system unless in accordance with the Board's standard drawings or the type, design, and construction have been approved in writing under the hand of the Secretary of the Board.

Every application for such approval of any such fitting, fixture, or apparatus for use in connection with the Board's Sewerage System shall be made in writing and shall be accompanied by a sample and/or, if ordered or approved, by approved drawings showing full details of the said fitting, fixture, or apparatus.

In the event of the fitting, fixture, or apparatus being approved and before it is used in connection with the Board's Sewerage System, a sample and/or, if ordered or approved, detail drawings shall be forwarded to and retained by the Board.

(2) Every such fitting, fixture, or apparatus so approved shall, if it be a condition of such approval, or if such fitting, fixture, or apparatus is included in the Schedule of the Board's By-law No. 31, or any amendment thereof, be tested, stamped, marked, or authorised by the Board, in accordance with the conditions of the said approval and/or with the requirements of the said By-law No. 31, or any subsequent amendments thereof, before use in connection with the Board's Sewerage System.

WORKMANSHIP.

29. All work shall be executed in a thorough and workmanlike manner and to the satisfaction of the Inspecting Officer.

PROTECTION OF WORKMEN, Etc.

30. Adequate precautions shall be adopted, by the person carrying out the work, to prevent injury to workmen, property, or the public, and the Board will accept no responsibility for any injury arising from the inadequacy of such precautions.

CONCRETE.

31. Concrete, unless otherwise specified or ordered, shall consist of one part of Portland Cement, two parts clean sharp sand and four parts hard metal or approved shingle or gravel not exceeding 1½-inch gauge, and shall be thoroughly mixed with clean water to such consistency as ordered or approved by the Inspecting Officer.

CEMENT MORTAR.

32. Cement Mortar, unless otherwise specified or ordered, shall consist of one part Portland Cement and two parts clean sharp sand thoroughly mixed with an approved proportion of clean water.

USE OF CONCRETE.

33. Concrete shall be used in each of the following cases:—

- (a) Around and under yard gully basins—the exposed surfaces to be rendered in cement mortar.

- (b) Around the top of educt vent and induct vent pipe sockets where exposed.

- (c) Around interceptor trap covers and tops of disconnector traps where the surface is not paved.

- (d) Under bases of all drainage traps.

- (e) Around drains where such drains are, in the opinion of the Inspecting Officer, liable to be affected by tree roots.

DIVISION 10.—DRAINAGE—GENERAL.

SEPARATE OR COMBINED DRAINS.

34. (1) Every house shall be separately drained unless a combined drain is ordered or approved by the Board.

(2) Owners desiring to have the drainage of their properties combined must sign a request for a combined drain and obtain the approval of the Board, which, if given, must be accepted by the parties as subject not only to the terms and provisions of the Board's Acts but subject also to the terms and provisions of this By-law and all By-laws of the Board from time to time made.

STOPPAGES IN DRAINS.

35. (1) Occupiers of properties shall be responsible for clearing stoppages in drains within their properties or between the properties drained and the sewer to which the drain leads, and all work in connection therewith shall be done under the supervision and to the satisfaction of the Board's Inspecting Officer, by whom it must be passed.

(2) In case of any obstruction taking place in a combined drain, the Board will determine, between the respective owners or occupiers of the properties drained thereby, by whom and in what proportion the cost of removing any such obstruction or effecting any necessary repairs to drains shall be paid.

(3) Before a Licensed Plumber commences to clear a stoppage in a drain, he shall notify the Board, in writing, of the time when he intends to clear the stoppage, in order that an Inspecting Officer may attend and pass the work when completed.

SIZE OF DRAINS.

36. Drains shall be of the size or sizes shown on drainage plans or ordered by the Engineer of Sewerage, but in no case shall they be of a smaller diameter than four inches.

MATERIALS.

37. Unless any specific material is indicated in drainage plans, all drain pipes, bends, junctions and fittings used shall be of glazed stoneware, cast iron, or other approved material, provided that the Inspecting Officer may prohibit the use of any material where the circumstances or conditions are considered unfavorable.

CAST IRON PIPES.

38. Cast iron drainage pipes and their fittings shall comply with the standard approved by the Board for cast iron water pipes and their fittings of similar diameters, or with such other standard as the Board may order or approve.

INTERCEPTOR TRAPS.

39. An interceptor trap shall be fixed on all the drains as near as practicable to the boundary of the property, and wherever practicable shall be within the boundaries of the property. The interceptor trap shall be provided with an approved inspection cap on the sewer side of the trap. If shown on the drainage plan, or ordered by the Engineer of Sewerage, an approved inspection chamber shall be provided for the trap.

Heavy boundary trap covers shall be used in all areas subject to vehicular traffic, and in special cases where shown on the drainage plan or ordered by the Engineer of Sewerage or the responsible officer acting under him.

INSPECTION CHAMBERS.

40. All drains shall, wherever shown on drainage plans or directed by the Engineer of Sewerage, join in an inspection chamber at least three feet long by two feet wide, fitted with a closed cover. The portions of the drains crossing the floor of the inspection chamber shall be connected either in a straight line or by curved junctions in the floor of the chamber.

INSPECTION OPENINGS.

41. Every straight line of drain over 4 feet in length shall be provided with inspection openings in such positions as will provide access for inspection, testing, and cleaning of the entire length of such line of drain, and in no case shall such inspection openings be at greater than 30 feet intervals, and in paved areas they shall, if shown on plan or ordered by the Inspecting Officer, be brought to the surface and furnished with approved air tight covers.

The area of an inspection opening shall be not less than the area of the drain.

GRATINGS.

42. Every inlet to a drainage or plumbing system, other than from a water closet, shall be effectively protected by approved gratings of ample area. Every opening for ventilation shall at all times be kept perfectly free from obstruction.

DRAIN OPENINGS NOT IN USE.

43. The ends of all drains not immediately connected with the plumbing fixtures shall be securely closed with watertight imperishable materials.

If such drains be of stoneware or concrete, a stoneware, cast iron or other approved disc shall be cemented in; if of wrought iron, a plug shall be screwed on the end; if of cast iron, a cast iron plug shall be caulked in with lead.

Inspection openings in stoneware or concrete drains shall be sealed by means of approved discs, fixed with cement mortar and capable of being easily removed without damage to the pipes, or as otherwise directed.

REPLACING OR INSERTING PIPES.

44. Where it becomes necessary to remove a pipe to clear a stoppage, or to insert a pipe or branch in an existing drain, a length of not less than three pipes shall be removed, the centre pipe replaced by an inspection pipe, or inspection junction, and the pipes dropped back into place without springing or cutting. Junctions in existing metal pipes shall not be made unless an approved closure pipe is used in each case. Springing pipes into position shall not be resorted to or allowed.

DIVISION 11.—BASEMENT AND CELLAR DRAINAGE.

FIXTURES.

45. (1) No sink, trap, water-closet, urinal, or other fixture or apparatus shall be laid or fitted in any cellar or basement, or on any floor below ground level, unless the following conditions are complied with:—

- (a) The consent, in writing, of the Engineer of Sewerage or other proper officer acting for him which shall be subject to revocation at any time as hereinafter provided, shall be first obtained.

No. 168.—10676.—2

- (b) The owner shall submit such information as may be required by the Engineer of Sewerage and shall undertake, in writing, in an approved form, to accept all liability for damage that may occur.

He shall also give to the Board any indemnity in reference thereto that the Board may require.

- (c) In areas liable to flooding, no external aperture to such cellar or basement shall be below the highest flood level of the years 1916 and 1934.
- (d) No external aperture to such cellar or basement shall be in such a position that any extraneous water from any river, bay, gully, or creek, or any other source, whether in flood or otherwise, has access thereto.
- (e) The ventilation of such cellar or basement shall be in accordance with Clauses 145 to 148 inclusive, and
- (f) Such other conditions as may be required by the Engineer of Sewerage, having regard to the special circumstances of the case.

(2) If on any subsequent inspection:—

- (a) the light or ventilation is found not to be in accordance with the By-laws of the Board; or
- (b) that the fixtures and their surroundings are not kept, in the opinion of the Engineer of Sewerage, in a sanitary condition; or
- (c) that the purpose for which such cellar basement or floor below ground level is used be changed,

then the said consent may be revoked by the Board, and upon and after the expiration of 14 days from the date of such revocation such closet, urinal, or other fixture shall be disconnected from the Board's sewers.

RISK OF BACK FLOW.

46. Where such cellar, basement, or floor below ground level is at such a level as may, in the opinion of the Engineer of Sewerage, involve risk of back flow in the event of the sewer becoming overcharged, the sewage from all fixtures therein shall be raised by ejector, siphon, or other approved apparatus to such height as ordered by the Engineer of Sewerage, and discharged into the sewer, as and where directed.

SEEPAGE DRAINS.

47. In no case shall seepage drains from cellars, basements, or any floor below ground level, be discharged into a sewer without the consent of the Board.

Where such discharge is permitted by the Board, the seepage shall be raised by ejector siphon or other approved apparatus to such height as ordered by the Engineer of Sewerage and discharged into the sewer as and where directed.

DIVISION 12.—POLLUTED AREAS.

CONNECTION.

48. The owner or occupier of any property may be required or authorised by notice in writing under the hand of the Secretary of the Board to connect with the Board's sewers any stables, cowsheds, dairies, market places, abattoirs, areas for washing vehicles, and any other polluted place, subject to the provisions of this By-law.

CONDITIONS GOVERNING CONNECTION.

49. No such connection shall be made unless the following conditions have been complied with:—

- (a) The place to be connected, if of an area greater than 20 square yards, shall be so roofed as to prevent the entry of rainwater from it to the sewers, and in no case shall rainwater be permitted to discharge on to such place from adjoining surfaces.
- (b) The place to be connected shall be paved with bricks on edge or bluestone pitchers, both set in cement mortar, or with concrete or other approved materials, and graded to the satisfaction of the Inspecting Officer.
- (c) The drain from any such place shall be provided with an approved silt trap with a removable grating.

DIVISION 13.—LAYING DRAINS, Etc.

PIPE TRENCHES.

50. The trench for the drain from any property shall be so dug as to meet the Board's sewer at the position provided, or to be provided, for the connection, in accordance with the drainage plan.

The material from the trench shall be so placed as to cause the least possible obstruction and inconvenience to the public.

Proper barriers and lights shall be maintained, where necessary, to guard against accident during the progress of the work.

In refilling the trench, selected filling shall first be deposited around and over the pipe to a depth of 12 inches and carefully consolidated, after which the remainder of the trench shall be filled in, in layers, and rammed or flooded, as ordered or approved by the Inspecting Officer.

No stone shall be used in refilling until earth or gravel has been placed over the pipe to a depth of one foot, or more if directed.

On no account shall any water, sand, earth, or other prohibited discharge be allowed to enter the sewer during the progress of the work.

On completion of refilling, the surface shall be restored as nearly as possible to the same condition as it was in before operations were commenced, unless the owner, in writing, otherwise requires.

POSITION AND LINE.

51. Every drain shall be laid and every fitting or apparatus connected therewith shall be fitted in the position shown on drainage plan or as directed by the Inspecting Officer.

As far as possible, all drains shall be laid in straight lines; where changes of direction occur they shall be made—

- (a) by suitably curved pipes, with inspection openings, or
- (b) by a suitably curved pipe with an inspection opening on each straight pipe next adjoining the curve, or
- (c) in manholes.

OBLIQUE JUNCTIONS.

52. Where any drain joins another drain, or a sewer, the junction shall be made obliquely at an angle of not greater than 45 deg. with the direction of flow of such drain or sewer.

CONNECTION TO SEWER.

53. The disc stopper at the point of connection to the sewer shall be carefully removed so as not to injure the socket or allow debris, water, or other matter to enter the pipe.

GRADIENTS.

54. All drains shall be laid on an even grade and, except by permission of the Engineer of Sewerage, or where shown on drainage plans, such gradients shall, in no case, be less than the following:—

4-inch diameter	1 in 40
6-inch diameter	1 in 60
9-inch diameter	1 in 90

In cases where the grades of drains are steeper than 1 in 15, concrete blocks shall be placed at intervals of not more than 30 feet.

Such blocks shall be let into the sides of the trench at least 6 inches on each side, and shall extend not less than 3 inches above and below the barrel of the pipe and for a length of 12 inches along the pipe.

DEPTH OF DRAINS.

55. Drains of stoneware or concrete pipes, unless bedded on and encased in concrete of not less than 6 inches thickness over any part of the drain, shall be laid at a depth to the top of the socket of the pipe, of not less than the following:—

- (a) In public thoroughfares, rights-of-way, or other places subject to vehicular traffic, 3 feet.
- (b) In private property not subject to vehicular traffic, 1 foot 6 inches.

No person, being the owner or occupier of any land through which any drain runs shall alter the surface over any drain so as to deprive it of the minimum depth of cover specified by the preceding paragraph, unless he shall encase the same in concrete as aforesaid, or adopt such measures to protect the drain as may be approved of by the Engineer of Sewerage or other officer acting for him.

Notice shall be given to the Engineer of Sewerage before the work is proceeded with.

LAYING DRAINS.

56. All pipes shall be laid to such lines and grades as may be shown on the approved plans or as may be directed by the Inspecting Officer, and, except where otherwise ordered by such Inspecting Officer, holes shall be cut in the bottom of the pipe trench to receive the sockets of the pipes, and all the pipes shall be carefully bedded with the barrel on the solid ground.

In the case of rock bottomed trenches, or where directed by the Inspecting Officer, the pipes shall be bedded up to the horizontal diameter on approved sand or other material, so that there shall be at least three inches of the bedding material below the barrel of the pipe.

Where, in the opinion of the Inspecting Officer, the foundation is bad, or where directed, stoneware or concrete pipes shall be bedded on and encased in concrete as shown in sketch and, if ordered, supported upon approved foundations of red gum or jarrah, or other approved material, or, if the Inspecting Officer so directs or approves, the drain shall be formed of cast iron pipes.

Drops or bends rising vertically shall be bedded on, and surrounded for their full height with, not less than 6 inches of concrete.

DIVISION 14.—DRAINS UNDER BUILDINGS.

57. Every drain shall, as far as practicable, be so constructed as not to pass under any building or outbuilding.

Where a drain does pass under a building or outbuilding, it shall, if practicable, be laid in a direct line for the whole distance beneath such building or outbuilding, and shall have approved means of access for rodding outside the walls of the building or outbuilding, and also, if directed, beneath the building or outbuilding.

The pipes used under buildings and, if directed, under outbuildings, shall be of stoneware or other approved material surrounded by not less than 6 inches of concrete, or of cast iron.

In any case in which drains pass through or under walls, a space of approximately three inches clear shall be left over the pipe.

DIVISION 15.—JOINTS—DRAINAGE.

STONEWARE AND CEMENT PIPES.

58. Joints of stoneware and cement pipes shall be filled in solidly with cement mortar neatly splayed off, or with other approved material. After each joint is made the interior of the joint shall be wiped clear of surplus mortar.

CAST IRON PIPES.

59. All joints in cast iron pipes shall be stemmed with approved gaskets, and so filled and caulked with lead or other approved material as to make them gas and watertight.

Joints between cast iron and stoneware or concrete pipes shall be made as for those between stoneware pipes.

DIVISION 16.—TRAPS—DRAINAGE.

TRAPPING OF INLETS.

60. Every inlet to any drainage or plumbing system, other than inlets provided for ventilation in accordance with this By-law, shall be provided with an approved trap.

WATER SEAL.

61. Every drainage trap shall have a water seal of not less than 2 inches in depth.

PROVISION OF YARD GULLIES.

62. A yard gully shall be provided in the yard of every property, as near as practicable to the kitchen or back door, with a tap placed over it at a height of not less than two feet, unless other approved provision is made for taking household liquid wastes.

No yard gully shall be situated within a building or outbuilding.

DETAILS OF YARD GULLIES.

63. Yard gullies shall be fitted with dished tops and removable gratings, as near as practicable to the kitchen or back door, with a tap placed over it at a height of not less than two feet, unless other approved provision is made for taking household liquid wastes.

The grating shall be fixed down in an approved manner with bitumen or lead wedges.

KERBING TO YARD GULLIES, Etc.

64. Yard gully basins and the tops of silt traps shall be so surrounded with an approved impervious kerbing as to prevent the access of surface water to the drains, and, if directed, the wall at the rear of a gully or silt trap, if of brick or stone, shall be cement rendered to the height of the tap over same, and, if of wood, the wall shall be provided with an approved galvanised sheet iron apron.

SEALED DISCONNECTOR TRAPS.

65. Where approved by the Inspecting Officer, sealed disconnector traps may be affixed inside or outside a building or outbuilding, but in such cases breather pipes or fresh air inlets of the same diameter as the disconnector trap shall be taken to such height as directed, and, where the trap is inside, shall be led to the outside of the building or outbuilding. The material for such breather pipes shall be the same as for vent pipes. Inspection openings to such traps shall be sealed with screwed plugs, or as otherwise approved by the Inspecting Officer.

DIVISION 17.—GREASE, PETROL, AND OIL TRAPS.

PROVISION OF GREASE, PETROL, AND OIL TRAPS.

66. Wastes from the following fixtures or areas shall first discharge into an approved apparatus for retaining objectionable matter, that is to say:—

(a) Every fixture or area from which petrol, benzine, or other inflammable or explosive substance, or grease, oil or greasy or oily matter, is likely to be discharged or conveyed into waste, combined waste, or soil pipes or into drains;

(b) Every sink in all food-packing houses, butchers' shops, lard rendering establishments, hotels, restaurants, boarding houses, and such other places as the Engineer of Sewerage may direct; and

(c) Such other fixtures, areas, or apparatus as the Engineer of Sewerage may direct.

CONSTRUCTION OF GREASE TRAPS.

67. Grease traps shall be fixed outside buildings or outbuildings wherever practicable. Wherever a grease trap is used inside a building or outbuilding, it shall, where not readily accessible for removal of grease, be so constructed and fitted as to be easily portable.

Non-portable grease traps shall be constructed of glazed stoneware, brick in cement, or other approved material.

Portable grease traps shall be constructed of copper or other approved material, and, if directed, fixed upon a tray. The outlet from any grease trap shall be connected to a disconnector trap.

GREASE TRAP VENTILATION.

68. Unless fitted with an approved close fitting cover so designed as to prevent the emission of odours, every internal grease trap, and all external grease traps which are within 20 feet of any door, window, or other opening into a building, shall have approved independent provision made for inlet and outlet ventilation.

SIZE OF GREASE TRAP.

69. The dimensions of grease trap to be provided shall be such as to ensure the retention of all grease entering such trap.

The minimum size for grease traps serving kitchen sinks and/or mechanical dishwashers shall be as follows:—

(a) The capacity of the grease trap below the level of the invert of the outlet shall be not less than the total capacity of the sinks and/or dishwashers served.

(b) The depth from top of grease trap to invert level of outlet shall be not less than half the depth of the trap below the invert of the outlet.

- (c) The difference in level between invert of inlet and invert of outlet shall not be less than one-eighth of the depth of the trap below the invert of the outlet.

The capacity of a sink shall be measured to the overflow level, or, in the event of there being no overflow, to the top of the sink.

The capacity of a dishwasher shall be taken as the capacity of the sump or water container.

OUTLET PIPES FROM GREASE TRAPS.

70. The outlet pipe from any grease trap shall be at least one size larger than that size of pipe which has a cross sectional area equivalent to the total area of incoming waste pipes. Except by special permission no outlet pipe shall be less than 3-inch diameter.

CONSTRUCTION OF PETROL AND OIL TRAPS.

71. Petrol and oil traps shall be constructed in accordance with the Board's Type Drawings.

Every such trap shall be connected to a disconnecter trap and shall be provided with independent ventilation in accordance with the provisions of Clause 68 for grease trap ventilation.

DIVISION 18.—VENTILATION.

VENTS ON MAIN DRAIN.

72. The main drain shall be ventilated at its upper and lower ends. Such ventilation shall be provided by vertical pipe ventilators, combined waste-vent pipes, or soil-vent pipes, except that a ground vent may be used instead of a pipe ventilator at the lower end of the drain in such cases as approved by the Engineer of Sewerage, provided such vent is situated not less than 30 feet from any window, door, or other opening into a building.

One such vent shall be connected to the interceptor trap shaft, and there shall, wherever practicable, be a difference of height of not less than 6 feet between the tops of the vents at the upper and lower ends of the drain respectively.

VENTS ON BRANCH DRAINS.

73. Where the length of a branch drain, measured along the centre line of pipes from the main drain to the centre of the furthest drainage trap, exceeds twenty feet, such branch drain shall be vented in accordance with the provisions of Clause 74.

SIZE OF DRAINAGE VENTS.

74. Drainage vent pipes shall be of not less than 4-inch diameter in the case of educt vents and not less than 3-inch diameter in the case of induct vents, with the provision that, where more than one educt vent is provided, the vent on the longest line of drain shall be of not less than 4-inch diameter and all others of not less than 3-inch diameter. Every such vent pipe shall be provided with approved basket end, educt or induct cowl.

MATERIALS, Etc., FOR DRAINAGE VENTS.

75. Drainage vent pipes, situated wholly outside buildings or outbuildings, shall be of cast iron, galvanised wrought iron, galvanised sheet iron, or other approved material above ground, and of stoneware or other approved material beneath the surface of the ground.

Galvanised sheet iron vent pipes shall not be of less gauge than 20 for 3-inch and 4-inch diameter pipes and 18 for 6-inch pipes, but where, in the opinion of the Inspecting Officer, they are liable to injury, the first 6 feet above the ground shall be of cast iron or other approved material.

Drainage vent pipes, inside a building or outbuilding, shall, unless otherwise approved, be of cast iron, of soil pipe strength, or of galvanised wrought iron.

All galvanised sheet iron vent pipes shall be double galvanised, with longitudinal joints grooved, welded or riveted, and circumferential joints riveted and soldered.

INDUCT VENTS.

76. Where a sufficiently strong support cannot be obtained for the induct vent pipe, a plated and strutted red gum or jarrah post, sunk 2 feet in the ground, of dimensions not less than 4 in. x 4 in., must be fixed to support it.

MATERIALS FOR SOIL, WASTE, AND COMBINED WASTE VENTS.

77. Vent pipes for soil, waste, or combined waste pipes shall be cast iron, galvanised wrought iron, lead, or solid drawn copper or brass, except that, where the vent pipe is entirely outside a building, grooved sheet copper or grooved, welded, or riveted double galvanised sheet iron vent pipes may be used, but such sheet copper or sheet iron vent pipes shall not be used at a level lower than 2 feet above the level of the highest fixture served thereby.

Lead vent pipes shall be of not less than 7-lb. lead for use with water closets, urinals, or slop sinks and of not less than 6-lb. lead for use with other fixtures.

Solid drawn copper or brass vent pipes shall comply with the requirements of Clause 107 for waste, combined waste, or soil pipes.

External vent pipes of sheet copper or galvanised sheet iron shall be of a gauge not less than the following:—

1½-inch, 2-inch, and 2½-inch diameter	22 gauge
3-inch and 4-inch diameter	20 gauge
6-inch diameter	18 gauge

VENTS IN OUTBUILDINGS.

78. Galvanised sheet iron vent pipes may be used inside external water closets, stables or open outbuildings but, where liable to damage, shall be protected as directed.

LENGTH OF UNVENTED WASTE PIPES.

79. Except as provided in Clause 180, waste pipes need not be ventilated unless they exceed 7 feet in inclined length and/or 18 feet in vertical length, provided that:—

- there is only one fixture attached to the waste pipe, and
- the water seal of the trap is not reduced by siphonage or other cause.

Where there is more than one fixture, or the water seal is reduced, a vent pipe shall be supplied to the fixture trap or traps.

SOIL VENT PIPES.

80. In all cases the upward extension from the soil or combined waste pipe, for ventilation, shall pass in as direct a manner as practicable above and, if necessary, through the roof.

ANTI-SIPHONAGE VENTS.

81. Loss of water seal in traps must be prevented by proper ventilation in accordance with the requirements of Clause 94. Anti-siphonage vents from fixtures shall be carried up in accordance with the requirements of Clause 82 or joined to the branch or main vent above the level of the fixture, unless permission to the contrary is granted.

Except by special permission of the Engineer of Sewerage, anti-siphonage vent pipes shall connect to the waste, combined waste, or soil pipe on the opposite side of the water seal to the fixture, at a point not less than 3 inches or more than 12 inches from the crown of the trap, except in the case of baths and

closet pans, when the vent pipe shall not be more than 4 feet from the crown of the trap.

No other fixture shall be connected to the soil, waste, or combined waste pipe at any point between the anti-siphonage pipe and the trap which it serves.

HEIGHT OF VENTS.

82. Every vent pipe extending upwards from a soil, combined waste, or drain pipe, and, in the case of the combined pipe system, every vent from a waste pipe, shall be carried not less than 6 feet higher than any door, window, or other opening into a building, within a distance of 30 feet thereof, and except as otherwise provided in Clause 84, every duct vent shall be carried at least 18 feet above ground level and 6 feet above the level of the eaves or coping.

Except as above, every vent pipe extending upwards from a waste pipe shall be carried 4 feet above any door, window, or other opening into a building, within 15 feet thereof, and in any case at least one foot above the level of the eaves or coping.

Subject to the foregoing, any vent pipe which extends into a gable of a building shall be carried at least one foot above the point of intersection with the roof.

Where necessary, in the opinion of the Engineer of Sewerage, vents shall be carried to such additional heights as may be required to effectually prevent the escape of foul air into any building within the vicinity.

Vent pipes shall, where necessary, be provided with sufficient clips or stays to support them effectively.

CHIMNEYS.

83. No chimney shall be used as a ventilator to any drain, soil, combined waste, or waste pipe.

VENTS NEAR CHIMNEYS.

84. Vents must, as far as practicable, be kept away from chimneys and ventilating air shafts. Where a ventilator pipe terminates 6 feet or more from a chimney opening or ventilating air shaft, the requirements of Clause 82 shall apply, but, where the distance is less than 6 feet, the vent pipe shall terminate not less than 2 feet below the top of such chimney or air shaft.

GALVANISED SHEET IRON VENTS IN ROOFS.

85. Where galvanised sheet iron vent pipes pass through the space between the roof and ceiling of any building, they shall be enclosed throughout such space by a sleeve of 22-gauge galvanised sheet iron or other approved material.

VENT PIPE GRADES.

86. The lower end of all vertical lines of vent pipes shall connect, full size, and at an angle of not less than 45 degrees to the horizontal, with a soil, waste, combined waste, or drain pipe. The vents shall extend in undiminished size above the roof or shall be connected on a grade of not less than 1 in 40 to soil, waste, combined waste, or vent stacks, in compliance with the requirements of Clause 87.

All offsets shall be at a grade of not less than 45 degrees to the horizontal.

Except by special permission vent pipes shall not be used as waste, combined waste, or soil pipes.

COMBINING OF VENTS.

87. Vent pipes may be branched into a soil or waste pipe above the level of the highest fixture provided, in the case of the Separate Pipe System, that soil vents are branched into soil pipes and waste vents in waste pipes only.

GALVANISED SHEET IRON VENT BRANCHES.

88. Where a branch is required to a galvanised sheet iron vent pipe, a brass saddle piece, bolted and soldered to the vent, shall be used.

PIPES, CLIPS, Etc.

89. There shall be at least one pipe hook or clip to each 6-foot length of vent pipe. For cast iron or wrought iron pipe, approved coated wrought iron clips, and for copper, brass, or galvanised sheet iron pipe, 1½-inch x 14-gauge band clips, or approved pipe hooks of the same material as the pipe, shall be provided.

Wherever it is necessary to fix pipes clear of the wall, approved extension clips shall be used.

Clips, in the case of cast iron pipes, shall be placed tight up against the bead or underside of collar.

ATTACHMENT TO WALLS.

90. Where a galvanised sheet iron pipe, with or without offset, is carried up above the brick wall of a building or outbuilding, it shall be secured by a galvanised wrought iron clip, leaded into the wall near the top, wherever practicable, and bolted against the vent pipe, or by other approved means.

All band iron clips of vent pipes to brick walls shall be fastened with nuts and bolts, leaded in, or by means of T-headed bolts passed through the brick joints and turned at right angles to the joints, or by other approved means.

STAYING OF VENTS.

91. Wherever a vent pipe, with offset, exceeds 12 feet in length above such offset, it shall be stayed, as directed, with ½-inch galvanised wrought iron piping.

An unsupported length of 20 feet, above highest clip or hook, of straight vent pipe, without offset, will be permitted.

DIVISION 19.—CAPACITIES OF SOIL, WASTE, AND VENT PIPES.

FIXTURE UNITS.

92. For the purpose of determining the size of any waste, combined waste, soil or vent pipe, the following equivalent fixture units shall be adopted, unless otherwise directed:—

Fixture	Nominal Outlet Diameter	Fixture Units
One Lavatory Basin	1½ in.	1
For each Lavatory Basin over 20 served by such pipe	—	½ for each Basin
One Kitchen Sink (up to 6-in. depth to overflow)	2 in.	3
One Bath (with or without overhead shower)	1½ in.	4
One Wash Trough Set with common trap	2 in.	6
One Urinal or group of Urinals draining to a common trap	2 in.	3
One Slop Sink	3 in.	4
One Shower Compartment	2 in.	3
One Water Closet	4 in.	6
Groups of Fixtures contained in one apartment:—		
Bath and Lavatory Basin	—	6
Bath, Lavatory Basin, and Shower	—	6
Bath, Lavatory Basin, Shower, and Water Closet	—	6

For fixtures, other than those shown, the equivalent fixture units to be adopted shall be determined by the Engineer of Sewerage.

SIZES OF SOIL, WASTE, AND COMBINED WASTE PIPES.

93. The sizes of soil, waste, and combined waste pipes, computed in accordance with the method set out in Appendix 2, shall be not less than the sizes, determined on the basis of the total number of fixture units drained, or likely to be drained, in accordance with the following table:—

Diameter of Pipe (Inches)	Permissible Maximum Number of Fixture Units.				Vertical Stacks
	Minimum Permissible Grade*	Grade Not Less Than			
		1 in 40†	1 in 12‡	1 in 4§	
1½ in.	1	—	1	1	1
1½ in.	6	—	6	8	9
2 in.	9	—	12	17	24
2½ in.	14	—	20	28	36
3 in.	20	—	30	40	50

*See Clause 110. †Corresponds to 85° Fittings.
 ‡Corresponds to 88½° Fittings. §Corresponds to 75° Fittings.

Provided that—

- (a) Waste, combined waste, and soil pipes shall not be diminished in the direction of flow.
- (b) The diameter of trap, waste, combined waste, or soil pipe receiving the discharge from any fixture shall in no case be less than the nominal outlet diameter of such fixture, nor shall any soil pipe be less than three inches in diameter.
- (c) Not more than two closet pans shall discharge into any 3-inch graded soil pipe.
- (d) For the purpose of this section, offsets in vertical stacks may be treated as though vertical, provided the length of offset does not exceed 5 feet measured horizontally.
- (e) Where 45-degree fittings are used throughout for connections to any stack the permissible maximum number of fixture units for vertical stacks in the above table may be increased by 50 per cent.
- (f) Not more than one-half of the total permissible number of fixture units for a vertical stack, in accordance with the above table, shall be connected to such stack in any 8-ft. length thereof.
- (g) Soil, combined waste, and waste pipes shall be as direct and free from bends as practicable; where bends are unavoidable, approved provision shall, if necessary, be made to safeguard fixtures connected immediately above or below such bends.

SIZES OF VENTS.

94. (1) Length of Vent.—For the purposes of this Clause the length of any vent shall be defined as follows:—

- (a) Length of main vent shall be taken as the height of the building, in stories, above the floor on which are situated the lowest fixtures served by such vent.
- (b) Length of branch vent shall be taken as the height of the building, in stories, above the floor on which are situated the lowest fixtures served by such vent, plus an additional story for each 12 feet, or part of 12 feet, in the length of the branch vent, measured horizontally from the main vent to the fixture in question.

(2) Main and Branch Vents.—The sizes of main and branch vents, computed in accordance with the method set out in Appendix 2, shall be not less than the sizes determined from:—

- (a) the size of soil, waste or combined waste pipe or stack to be vented;
 - (b) the total number of fixture units served by the main vent, or by that portion of the branch vent under consideration; and
 - (c) the length of vent;
- in accordance with the following table:—

Diam. of soil, combined waste or waste pipe (inches)	Total No. of fixture units served	Minimum Permissible Diameter of Main or Branch Vents (Inches).																		
		Total length of vent in stories																		
		1	2	3	4	5	6	7	8	9	10 & over									
1½	Up to 8	1½	1½	1½	1½	1½														
	9-14	1½	1½	1½

	73-120	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½	2½
6	Up to 600	4	4	4	4	4	5	5	5	5	5	5	5	5	5	5	5	5	5	
	601-1300	4	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	
	1301-2100	4	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	
	2101-3000	4	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	

Provided that:—

- (i) No vent shall be less than 1½ inches in diameter, and in no case shall a main or branch vent have a diameter less than one-half that of the soil, combined waste, or waste pipe which it serves.
- (ii) For 2-inch and 2½-inch waste pipes the main or branch vent shall have a diameter of not less than 1½ inches.
- (iii) No branch vent need be larger in diameter than the soil, combined waste, or waste pipe which it serves.

(3) Individual Anti-Siphonage Vents.—The sizes of individual anti-siphonage vents shall be not less than the sizes determined from the diameter of the fixture trap served, in accordance with the following table:—

Diameter of Fixture Trap	Minimum Permissible Size of Anti-siphonage Vent	Diameter of Fixture Trap	Minimum Permissible Size of Anti-siphonage Vent
1½ in.	1½ in.	2½ in.	2 in.
1½ in.	1½ in.	3 in.	2 in.
2 in.	1½ in.	4 in.	2 in.

DIVISION 20.—PLUMBING—GENERAL.

WASTE PIPES.

95. Except as provided in Clause 97, separate waste pipes shall be provided for each of the following classes of polluted water, viz:—

- (a) Dirty water from baths, sinks, lavatory basins, and wash troughs, and other waters containing a small proportion of soap and/or dirt.
- (b) Greasy water from kitchen and scullery sinks, or other fixtures, in such cases where grease traps are ordered or required.

SOIL PIPES.

96. Except as provided in Clause 97, soil pipes shall be provided for soil water from closets and other waters containing faecal matter and for urinal waters from slop sinks and urinals, and, where directed, for discharges from operating theatres and mortuaries.

COMBINED WASTES—COMBINED PIPE SYSTEM.

97. The Engineer of Sewerage may, if he thinks fit, approve of the adoption of the Combined Pipe System for plumbing installations, subject to the following conditions and such other conditions as he may think necessary in any particular case, viz:—

- (a) Application shall be made in writing by the owner or his authorised agent.
- (b) Plans in accordance with Clause 6 (3) shall be submitted with the application.
- (c) The size and arrangement of all soil, waste, combined waste, and vent pipes shall be approved by the Engineer of Sewerage.

CONNECTIONS TO DRAIN.

98. Except as provided in Clause 97 all waste pipes shall, unless otherwise permitted, discharge under the grating of a yard gully or into a disconnector trap.

All soil and combined waste pipes, including those for urinals and slop sinks, shall be connected direct to the drain.

FLASHING, Etc.

99. Except as hereinafter otherwise provided, all baths, troughs, sinks, and other fixtures, which are placed less than 6 inches from any wall, shall be flashed with 5-lb. sheet lead, 24-gauge copper, bronze, brass, nickel-silver, stainless steel, monel-metal, or other approved material. 24-gauge galvanised sheet iron may be used for fixtures other than sinks.

All sheet metal flashings shall be turned up the walls at least 4 inches, except where the walls are tiled when the flashing shall be carried up at least one inch behind the tiles.

Such flashing shall be properly secured and made watertight and shall be bedded along the edge nearer the fixture in red or white lead.

Sheet metal flashing may be omitted on baths and other fixtures having turned-up flanges for use against walls of approved tiles or sheet materials, provided that:—

- (a) Such tiles or sheet materials are brought hard down on to the surface of the fixture;
- (b) Such tiles or sheet materials are securely bedded upon cement mortar in an approved manner for a height of at least 3 inches above the fixture;
- (c) The flange of the fixture laps behind the tiles or sheet material to not less than the following extent:—
 - (i) In cases where the fixture is supported upon brick or concrete piers, or walls carried up from properly constructed

foundations, or upon approved reinforced concrete beams or slabs, or steel joists resting upon brick or concrete piers or walls, or upon other approved supports
 ½ in.

- (ii) In cases where the fixture is supported upon timber or supports other than those in (i) ½ in.

FIXTURES NOT TO ABUT AGAINST WALLS.

100. Unless otherwise directed or permitted, sinks, tubs, and similar fixtures situated in buildings, other than private houses, where food for human consumption is prepared, manufactured, or stored for sale, and draining boards, slabs, and plates used in connection with such fixtures, shall not abut against any wall, but shall have a clear space of not less than 6 inches between such fixtures and any wall surfaces or obstructions.

INTERNAL COCKS.

101. Cocks delivering water shall not be fixed internally unless a sink, lavatory basin, or other approved fixture, or an impervious floor, is provided underneath.

SHEET METAL BENDS AND OFFSETS.

102. All sheet metal bends and offsets, for flush and vent pipes, shall be bent or pressed. Mitred elbows will not be permitted.

PIPES THROUGH ROOF.

103. In all cases where a vent, waste, combined waste, or soil pipe passes through any roof it shall be flashed with an approved lead collar soldered, or otherwise fixed, to the pipe, in such manner as shall make the roof perfectly watertight.

DIVISION 21.— SOIL, WASTE, AND COMBINED WASTE PIPES.

MATERIALS.

104. Except by permission of the Engineer of Sewerage no material shall be used for soil, or combined waste pipes other than cast iron, 7-lb. lead, brass, stoneware, or ceramic ware, and for waste pipes, other than wrought iron, cast iron, 6-lb. lead, brass, copper, stoneware, or ceramic ware.

WROUGHT IRON PIPES.

105. All wrought iron pipes and their fittings shall be of approved standard weight and quality, galvanised to the approval of the Engineer of Sewerage.

CAST IRON PIPES.

106. All cast iron pipes shall be sound, free from holes and cracks, and coated with approved bituminous composition or lined with glass enamel or other approved material.

Cast iron pipes and their fittings, where laid in the ground, shall comply with the standard approved by the Board for cast iron water pipes and their fittings, of similar diameter, or with such other standard as the Board may order or approve.

Cast iron pipes for use in other situations, shall have a minimum thickness of ⅜-inch, measured, in the case of lined pipes, without the lining, and their fittings shall correspond with them in weight and quality.

All junctions shall be curved; right angled junctions shall not be made.

COPPER AND BRASS PIPES.

107. Copper or brass pipes for soil, waste, or combined waste pipes shall be of seamless, solid drawn, tube, connected in accordance with the provisions of Clause 124 and shall be of a diameter and thickness not less than those given in the table hereunder.

Nominal Internal Diameter	Minimum Permissible Actual Internal Diameter	Minimum Permissible Wall Thickness (S.W.G.)		British Std. Pipe Thread for Screwed Connections
		Screwed Connections.	Braced or Compression Joints	
1½ in.	1⅞ in.	12	16	1½ in.
1¾ in.	1⅞ in.	12	16	1¾ in.
2 in.	1⅞ in.	11	16	2 in.
2½ in.	2⅞ in.	11	14	2½ in.
3 in.	2⅞ in.	10	14	3 in.
4 in.	3⅞ in.	8	12	4 in.

USE OF LEAD PIPES.

108. Lead pipes shall not be used, where liable to damage.

SUPPORTING LEAD PIPES.

109. Lead pipes shall be supported by cast lead tacks of approved dimensions, wiped on to the pipe, or by other approved fastenings, and such fastenings shall be arranged as nearly as practicable at 2 feet 6 inches centres.

Two pairs of tacks, fixed opposite, are sufficient for lead flush pipes from cisterns with lugs.

MINIMUM PERMISSIBLE GRADIENTS.

110. The following are the minimum gradients to be adopted for soil, waste or combined waste pipes:—

Diameter of Pipe.	Minimum Gradient.	Diameter of Pipe.	Minimum Gradient.
1½ in.	1 in 12	3 in.	1 in 30
1¾ in.	1 in 15	4 in.	1 in 40
2 in.	1 in 20	6 in.	1 in 60
2½ in.	1 in 25		

JUNCTIONS.

111. Where a waste, combined waste, or soil stack is branched into a graded waste, combined waste, soil, or drain pipe, the branch fitting shall have an angle of not less than 45 degrees to the graded pipe, and the length of the branch of the fitting shall be such that the vertical projection of the attached stack will be wholly outside the area of the junction with the graded pipe (see sketch).

SEALING OF PIPES.

112. Wherever a fixture is abolished, the soil, waste, combined waste, vent, and water supply pipes to such fixture shall be removed, or, if allowed by the Board to remain, the ends of the pipes shall be sealed with watertight imperishable materials.

Wrought iron pipe shall be sealed with a screwed plug; cast iron pipe shall have a cast iron plug caulked in with lead; lead pipe shall have the end securely closed with a wiped joint; stoneware or cement pipe shall have a stoneware disc cemented in.

PIPE CLIPS, Etc.

113. There shall be at least one pipe hook or clip to each 6-ft. length of soil, waste, or combined waste pipe, in accordance with the provisions of Clauses 89 and 90 for vent pipes.

CONCEALMENT OF PIPES.

114. (1) All soil, waste, combined waste, and main vent pipes and traps shall be reasonably accessible at all times for inspection and convenience of repairing.

(2) In hospitals and similar institutions, all soil, waste, combined waste, and main vent pipes, where practicable, shall be fixed on the outside of external walls or in pipe ducts having a minimum width of 2 feet and minimum area of 9 square feet (measured clear of all pipes or other obstructions), and shall be so arranged as to facilitate inspection and maintenance at all times. Such pipe ducts shall be provided with access doors so placed as to permit ready inspection of every straight line of waste, combined waste, soil, or main vent pipe.

(3) In buildings other than hospitals and similar institutions, if soil, waste, combined waste, or main vent pipes are concealed within pipe ducts or recesses in walls such pipe duct or recess shall:—

- (a) be provided with approved means of access and have a width of not less than 2 feet and a minimum area of 9 square feet (measured clear of all pipes or other obstructions); or
- (b) have at least one of its sides constructed of woodwork, brickwork in lime mortar, terra cotta, or gypsum blocks, plaster on expanded metal lathing, or other approved material, so constructed and fixed as to be capable of being removed independently of, and without damage to, any other part of the structure, and provided with access openings so placed as to allow ready inspection and maintenance of every straight line of soil, waste, combined waste, or main vent pipe.

Provided that, when so requested by the owner in writing and where, in the opinion of the Engineer of Sewerage, it would be detrimental, either to the architectural treatment of the building or otherwise, to provide access openings to such pipe ducts or recesses, such access openings may be omitted, subject to the following conditions:—

- (a) The owner personally shall undertake, in writing, in a form to be approved of by the Board, to accept all liability for damage or inconvenience that may occur.
- (b) The consent of the Engineer of Sewerage, in writing, shall be first obtained.
- (c) One copy of a plan showing clearly the positions of all inspection openings so concealed shall be lodged with the Board on completion of the work.

(4) Branch and anti-siphonage vent pipes may be concealed in hollow walls, or may be built in lime mortar in wall chases, provided the pipes and fittings are made of brass or copper in accordance with the requirements of Clause 107 for soil, waste, and combined waste pipes.

(5) All inspection or access openings to concealed pipes shall be finished throughout with smooth surfaces, and shall be of such size and shape as to permit the entrance of cleaning tools, as required, to the pipe.

(6) For the purposes of this Clause a straight line of soil, waste, combined waste, or main vent pipe shall be taken to include any offset or deviation from the straight line of not more than 45 degrees and not more than 3 feet in length.

CONCEALED STANDING WASTES.

115. Concealed standing wastes will not be permitted unless of approved type and readily accessible for cleaning.

PAINTING.

116. Except by permission of the Inspecting Officer, no painting shall be done on any part of the plumbing installation until after the work has been inspected and approved by the Inspecting Officer.

DIVISION 22.—CLEANING EYES AND INSPECTION OPENINGS.**PROVISION FOR INSPECTION AND CLEANING.**

117. Inspection and cleaning eyes shall be provided on all soil, waste, and combined waste pipes in such positions as will provide access for proper inspection and cleaning of the entire length of pipe.

INSPECTION OPENINGS ON SOIL PIPES, Etc.

118. In all cases where the vertical stack of soil or combined waste pipe provides for closets four feet or more above ground level, measured from floor level of water closet to ground level at foot of stack, an inspection opening, 8 inches in length, having a cover fixed to a flange with non-corrodible bolts or studs, shall be provided near the foot of the stack.

WASHERS FOR INSPECTION OPENINGS.

119. Inspection openings to soil, waste, and combined waste pipes shall be provided with insertion cloth, or other approved washers.

DIVISION 23.—JOINTS—PLUMBING.**STONEWARE, CEMENT, OR CAST IRON PIPES.**

120. Joints of stoneware, cement, or cast iron pipes shall be made in accordance with the requirements of Division 15 or by other approved methods.

LEAD PIPE.

121. All joints in lead pipe shall be plumbers' wiped joints.

WROUGHT IRON PIPE.

122. The screwed ends and sockets of wrought iron pipes shall be so formed, and the threads so cut, that the ends of the pipes will butt against each other when screwed home in the sockets; bends, junctions, and similar fittings shall be similarly formed and screwed, so that, when the pipe ends are screwed home, the bore will be continuously uniform and without breaks or pockets. The burr shall be neatly filed off on the inner edge of all pipe ends. All screwed joints shall be made with approved jointing material.

WROUGHT IRON PIPE TO LEAD PIPE.

123. All joints between wrought iron and lead pipes shall be made by means of brass unions screwed to iron and wiped to lead.

BRASS OR COPPER PIPES.

124. Joints of brass or copper pipes shall be made by means of screwed or compression fittings approved, tested, and stamped in accordance with the provisions of Clause 28, or by means of brazing or other approved method. All brazed work shall be inspected and approved by the Inspecting Officer before installation.

LEAD PIPE TO CAST IRON PIPE.

125. The connection of lead pipes or traps to cast iron pipes shall be made by means of brass ferrules; the brass ferrule shall be lined with and connected to

the lead pipe or trap by means of a wiped joint, and connected to the cast iron by inserting the ferrule in socket thereof and making the joint in the same way as for cast iron pipe.

SHEET IRON PIPE TO CAST IRON PIPE.

126. All connections of galvanised sheet iron pipes to cast iron pipes shall be made with molten lead, lightly but tightly caulked into the cast iron socket, or with other approved material.

SHEET IRON PIPE TO WROUGHT IRON PIPE.

127. Galvanised sheet iron pipes shall be connected to wrought iron pipes by means of brass unions or sleeves soldered to the sheet iron and screwed to the wrought iron.

SHEET IRON PIPE TO LEAD PIPE.

128. Connections of sheet iron pipes to lead pipes shall be made by means of brass sleeves wiped to the lead pipe and soldered to the sheet iron pipe.

LEAD PIPE TO STONEWARE OR CONCRETE PIPE.

129. Connections of lead pipes to stoneware or concrete pipes shall be made by means of a brass ferrule, connected to the lead pipe by means of a wiped joint and connected to the stoneware or concrete pipe by inserting it in the socket thereof and making a cement mortar joint.

STONEWARE OR CONCRETE TRAPS TO LEAD PIPE.

130. The connection of a stoneware or concrete trap to a lead pipe shall be by means of a cast lead or brass socket and the joint made with bitumen or other approved material; the lead pipe shall be connected to the tail end of the brass or lead socket by means of a plumber's wiped joint.

CONNECTION OF CLOSET PAN TO SOIL PIPE OR DRAIN.

131. Except as provided in Clause 132 connection of a closet pan to a soil, combined waste, or drain pipe shall be made by means of an approved bituminous jointing material, filled in solidly into faucet of soil or drain pipe and neatly splayed off, or by other approved method.

CONCEALED FLOOR CONNECTIONS TO CLOSET PANS.

132. Closet pans having concealed floor connections shall have approved provisions for the prevention of settlement.

Except by special permission of the Engineer of Sewerage, a concealed floor connection of soil or combined waste pipe to closet pan shall be made, in accordance with the Board's Type Drawings, by means of a lead pipe of not less than 7-lb. lead, or by other approved method. The lower end of such lead pipe shall be connected to the soil or combined waste pipe in accordance with the requirements of this Division 23.

The upper end of the lead pipe shall be turned over at floor level on to an approved brass floor plate, and shall lap the full width of the floor plate and be securely soldered thereto.

The lead pipe, where exposed and liable to damage or attack by vermin, shall be surrounded by a loose sheath of galvanised sheet iron or other approved material.

An approved gasket, of not less than $\frac{1}{4}$ -inch in thickness and 1 inch in width, shall be coated with white lead, or other approved material, upon its upper and lower surfaces, and inserted between the base of the pan and the floor plate.

The whole shall then be securely bolted together and tested by means of the water test.

Where concealed floor connections are used, the pan shall be set in the presence of an Inspecting Officer.

CISTERN FLUSH PIPE TO CLOSET PAN AND CISTERN.

133. The flush pipe from cistern shall be connected to the water closet pan by a lead cap piece, of not less than 4-lb. lead, packed with red lead or other approved material, or connection may be made by other approved method. The cap piece shall be jointed to galvanised sheet iron, copper, brass, or drawn steel pipe by means of a soldered joint, and to lead flush pipe by wiped or soldered joint.

The connection of the flush pipe to cistern shall be by means of a brass union, wiped to lead pipe or soldered to sheet iron or drawn steel pipe, or by other approved means. Copper or brass pipe shall be connected to cistern by means of a brass ring, with nut, brazed to the pipe, or by other approved means.

VENT PIPE TO CLOSET PAN.

134. Vent pipes shall be connected to the vent horn of the water closet trap by a lead cap piece with red lead packing, or by other approved methods. The cap piece shall be jointed to copper or brass pipe by means of a soldered joint, and to lead pipe by a soldered or wiped joint.

OUTLET FITTINGS TO FIXTURES.

135. Connections between outlet fittings and such fixtures as baths, sinks and basins, when the latter are constructed of cast iron, plate iron or ceramic ware, shall be made with locknuts. The outlet fitting shall, in all cases, be connected to the waste or combined waste pipe by means of a union.

When these fixtures are made of sheet metal lighter than 20 gauge, soldered connections may be used in lieu of lock nuts.

WASTE PIPES TO TROUGHS.

136. Connections of waste pipes to wash troughs shall be made as under:—

- (a) Cement troughs, unless otherwise permitted, shall have approved outlet fittings cast-in during manufacture of trough.
- (b) Sheet metal troughs shall be connected to the waste or combined waste pipes in compliance with the requirements of Clause 135.
- (c) For wooden troughs, lead, copper, or brass waste pipes shall be connected in compliance with Clause 135, or shall have flanges connected to the waste or combined waste pipes in accordance with the provisions of this By-law, and fastened to the underside of the trough with copper tacks, and the waste or combined waste pipe shall then be turned over inside the trough, and the plug casting bedded over it with red lead putty and screwed to the trough with brass wood-screws.

Where wrought iron or other screwed pipes are used, the plug must be connected to the trough by means of a locknut in lieu of flange.

DIVISION 24.—FIXTURE TRAPS.**FIXTURES TO BE TRAPPED.**

137. Every fixture shall be effectively trapped unless otherwise permitted, in writing, by the Engineer of Sewerage. Separate traps shall be provided for each fixture, except lavatory basins, sinks, or troughs, which may be connected in pairs.

POSITION OF TRAPS.

138. Traps shall be placed as near the fixtures as practicable, and in no case shall a trap be more than two feet from its fixture except as provided in Clause 177, or unless otherwise permitted, in writing, by the Engineer of Sewerage.

DEPTH OF WATER SEAL.

139. Every trap shall have a water seal of not less than two inches.

FORM OF TRAP.

140. The "P" form of trap shall be used in preference to the "S" form where, in the opinion of the Inspecting Officer, it is equally suitable for the situation.

MATERIALS.

141. Traps for fixtures, other than closet pans or slop sinks, shall be of copper, brass, or lead. All lead traps shall be of the weights specified in Clause 104 for lead pipes.

GRATINGS.

142. Non-corrodible outlet gratings, of approved design and material, shall be provided for all urinals and slop sinks and for all fixtures not discharging soil water.

DIVISION 25.—WATER CLOSETS AND FLUSHING APPARATUS.**PROVISION OF WATER CLOSETS.**

143. (1) At least one water closet, approved by the Board, shall be provided for each house, building, or land required by notice from the Board to be connected with a sewer of the Board, and for each flat as defined in Clause 2 of this By-law.

(2) In every licensed victualler's property, restaurant, boarding house, lodging house, school, shop, factory, office, public building, or building used for public entertainment water closet accommodation shall be provided in accordance with the requirements of the Health Acts and/or Factories and Shops Acts of the State of Victoria, or of any regulations under any of the said Acts; provided that, in any property, other than a house or flat, which is not provided for in any of the aforesaid Acts, separate water closet accommodation shall be provided for males and females, one water closet for each ten or portion of ten persons for whom water closet accommodation is required.

(3) Water closets shall be so placed, either within or outside the building, as to ensure the due observance of decency and to be easily accessible to the occupiers of such building.

(4) After the date fixed by notice from the Board to the owner of any house, building, or land, requiring him to connect the same with a sewer of the Board, or after such further time as shall be allowed by the Board for the purpose of such connection, no privy closet, other than a water-closet approved by the Board, shall be used in such house or building or upon such land.

AIRLOCKS FOR WATER CLOSETS.

144. (1) Except as provided in Sub-clause (2), no water closet or urinal apartment within a building shall be entered directly from any room used for human habitation or for the manufacture, preparation, or storage of food for human consumption, or used as a factory, workshop, or work place.

In cases where otherwise such closet or urinal apartment would be directly entered from any such room, an airlock shall be provided having a floor area of not less than 20 square feet, and lighted and ventilated in accordance with the provisions of Clause 146.

In private residences a hall, passage, lobby, or staircase may be considered as an airlock, provided it has a floor area of not less than 20 square feet and complies with the requirements of Clause 146.

(2) The airlock may be omitted where a water closet, within any building, is intended solely for the private use of not more than two persons and opens off a room

normally occupied by those persons only, provided that such room is not used for the manufacture, preparation, storage, or consumption of food, or as a factory, workshop, or work place.

(3) No airlocks will be required where ventilation in accordance with Clause 148 is provided to water closet or urinal apartments.

LIGHTING AND VENTILATION OF WATER CLOSETS.

145. Except as provided in Clause 147, every water closet or urinal apartment within a building shall comply with the following conditions:—

(a) One of its sides shall be an external wall of such building, abutting on to a street or lane, or an open space within the property having a width of not less than 4 feet and an area not less than the following:—

For first story above floor level of open space	36 sq. feet
For second story above floor level of open space	72 sq. feet
For all other stories above floor level of open space	100 sq. feet

Each water closet or urinal apartment shall be provided with a window in such external wall, having a clear light area of not less than 2 square feet per closet pan and capable of being opened.

(b) Each water closet or urinal apartment shall be provided with direct ventilation to the open air from a point near ceiling level. Such ventilation shall be provided by a vent, or vents, carried as direct to the open air as is practicable and boxed throughout, and having a minimum clear area at any point of not less than 12 square inches per closet pan.

(c) Glazed louvres may be used in lieu of windows and ventilators, subject to their providing a clear light area of not less than 2 square feet per closet pan and a clear ventilating area of not less than 12 square inches per closet pan.

LIGHTING AND VENTILATION OF AIRLOCKS.

146. (1) Each airlock shall be:—

- (a) provided with a window on an external wall, having a clear area of not less than 2 square feet for each 100 square feet, or part of 100 square feet, of floor area of airlock; or
- (b) separately lighted by electricity and provided with a switch within the airlock.

(2) Except as provided in Sub-clause (3) of this Clause, every airlock shall be provided with direct ventilation to the open air from a point near ceiling level.

Such ventilation shall be provided by a vent, or vents, carried as direct to the open air as is practicable, and boxed throughout, and having a minimum clear area at any point of not less than 12 square inches for every 100 sq. feet or part of 100 sq. feet of floor area of airlock.

(3) In private residences, the requirements of Sub-clause (2) of this Clause may be omitted, provided:—

- (a) that the floor area of the airlock is not less than 100 sq. feet, and that the doors of water closets are fitted with approved self-closing devices; or
- (b) that other provisions are made to the approval of the Engineer of Sewerage.

ALTERNATIVE METHODS OF LIGHTING AND VENTILATING WATER CLOSETS AND AIRLOCKS.

147. (1) Subject to the approval of the Engineer of Sewerage first obtained, in writing, water closet and urinal apartments and airlocks in buildings, other than hospitals and similar institutions, may be ventilated by one of the following methods, instead of by the method set out in Clauses 145 and 146, viz.:—

(a) (i) In buildings up to four stories in height (measured from the floor of the lowest water closet or urinal apartment to be so ventilated) the water closet and urinal apartments and airlocks may abut on to a ventilating shaft, open to the sky and carried to such height as may be necessary to prevent the deflection of wind currents down the shaft by neighboring structures.

No rooms, other than water closet and urinal apartments, airlocks, and bathrooms, may open on to such shaft.

The area of such ventilating shafts, and the maximum number of water closets or urinals to be served by any one such shaft, shall be as shown in the following table:—

Height of Ventilating Shaft in Stories	Minimum Area of Ventilating Shaft.	Maximum Permissible Number of Closet Pans or Urinals on any Vent Shaft
1 or 2	16 sq. ft.	4
3 or 4	1st and 2nd Stories 16 sq. ft. 3rd Story 20 sq. ft. Top Story 24 sq. ft.	10

No dimension of such ventilating shaft shall be less than 4 feet.

(ii) In buildings in which such ventilating shaft is three or four stories in height, a ventilating duct, having a clear area of not less than 2 sq. feet, shall be carried from the bottom of the ventilating shaft to an external wall and shall be boxed throughout.

(iii) Every water closet or urinal apartment or airlock which abuts on to a ventilating shaft as aforementioned shall have a window, capable of being opened to such shaft, with an effective glass area at least equal to one-fifth of the floor area of the apartment with a minimum of 4 sq. feet, and shall be provided with ventilating openings to the ventilating shaft having a total clear area at any point of not less than 50 square inches per closet pan.

(iv) Where water closets or urinals are situated in a basement or cellar, in addition to the abovementioned requirements, there shall be provided a ventilating duct, carried through the roof, and fitted with an approved cowl designed either to give a positive up draught or down draught in the duct, at the option of the owner. Such ventilating duct and cowl shall be capable of changing the air in each water closet or urinal apartment or airlock served by it, at least six times per hour, when subject to a wind velocity of four miles per hour, the inside and outside temperatures being equal.

Ventilating ducts serving different apartments may be combined, but the minimum area of any ventilating duct shall be 25 square inches for each closet pan or urinal served by the said duct.

- (b) The water closet or urinal apartments may be ventilated by a mechanical system of exhaust ventilation in compliance with the requirements of Clause 148.

(2) Every water closet or urinal compartment permitted by the Board to be ventilated in accordance with this Clause shall be separately lighted by electricity and provided with a separate switch within the compartment.

MECHANICAL VENTILATION.

148. (1) Every system of mechanical ventilation shall be approved by the Engineer of Sewerage, and be capable of changing the air contents of the water closets served at least six times per hour.

(2) In every such case, the ventilating fan, and the power unit operating same, shall be in duplicate, unless the main air shaft shall, in the opinion of the Engineer of Sewerage, be designed to act as an efficient natural vent in the event of the mechanical equipment failing.

(3) Upon completion, the owner or his representative shall carry out such tests of the ventilating system as the Board may deem necessary.

(4) Such mechanical system shall be operated continuously and maintained in good working order and condition, under the direction of a properly qualified person.

(5) Any such mechanical system shall be open to inspection by the officers of the Board at all reasonable times, and shall be subject to such tests as the Board shall, from time to time, direct.

(6) Subject to the requirements of Clause 114, air shafts may be used, also, as pipe shafts.

(7) The failure, for a period longer than 48 hours, of any such ventilating system to operate efficiently, or to fulfil the requirements of this Clause, shall be an offence against this By-law.

FLOORS, WALLS, Etc., FOR WATER CLOSETS.

149. (1) In water closet apartments within a building, unless the floors are constructed of concrete of not less than 4 inches thickness, or of other approved impervious material, graded as directed, safes of lead, or of other approved impervious material, in accordance with the requirements of Clauses 182, 183, 184, and 186 shall be provided.

(2) In water closets having wooden floors the stumps, sole plates, bottom plates, and plinths shall be of red gum or jarrah, and the frame of every wooden water closet building shall be made rigid without attachment to fences.

(3) Where an external water closet is to be used as a urinal, the floor of such closet shall be of an approved impervious material and a pedestal pan with a hinged seat must be provided.

FIXING CLOSET PAN.

150. On concrete floors, or floors of tiles set on concrete, the closet pan shall be securely bedded upon cement mortar and fixed with brass screws to approved lead dowels set in the floor, or secured by other approved means.

Where the floor is of timber, the closet pan shall be secured to the timber by means of brass screws, or by other approved means.

CLOSET PANS.

151. Closet pans shall be of approved non-absorbent material and construction, in accordance with the Board's standard drawings and specifications or as otherwise approved under the hand of the Secretary.

CLOSET PAN SEATS.

152. Where a seat is provided it shall be of approved construction and material, and fitted with non-corrosive hinges and screws.

The openings in closet pan seats shall not be larger than 10½ in. x 9 in. provided that open front seats of approved design may be used.

FLUSHING APPARATUS.

153. Approved apparatus shall be provided for the effective application of water to the closet pan, and for the efficient flushing and cleansing of the pan, and effective removal therefrom of any solid or liquid matter which may, from time to time, be deposited therein.

Such apparatus shall have a flushing capacity of not less than 2½ gallons, and shall be so constructed, fitted, and placed as to supply water for use in the pan without any direct connection from the pan to any water service pipe upon the property.

FLUSHING CISTERNS.

154. Flushing cisterns shall comply with the Board's standard drawings and/or specifications, and shall be fixed at such height as will effectually flush the pan, but, except in the case of low level cisterns or by special permission, the cistern shall be fixed at a height, measured from top of seat to bottom of cistern, of not less than 4 feet. There shall be a distance of at least 9 inches between top of cistern and ceiling of closet.

Every cistern shall have a separate stop-tap and an overflow of ¼-inch internal diameter, and shall be fixed to a cistern board not less than 12 inches deep and 1½ inches thick, or in other approved manner.

Water supply pipes to cisterns shall be adequate to fill any cistern at the rate of not less than ½ gallon per minute.

FLUSH PIPES.

155. Flush pipes to closet pans shall be of brass, copper, 6-lb. lead, drawn steel, or galvanised iron of not less than 22 gauge, or other approved material, and shall have a minimum diameter of 1½ inches.

Where liable to injury by the closet pan seat, flush pipes shall be fitted with an approved buffer and buffer block.

STOP-COCKS FOR FLUSH VALVES.

156. A full-way stop-cock shall be provided for each flush valve, in such a position as to be easily accessible.

STORAGE TANKS.

157. (1) In every case in which flush valves are installed, and subject to the further requirements of Sub-clause (2), there shall be provided a storage tank, having a capacity of not less than 10 gallons per flush valve served, with a minimum capacity of 25 gallons.

(2) In all buildings, other than private residences, or flats with separate external entrances, internal water closets shall be provided with storage tanks having a capacity of 50 gallons per closet served.

(3) Notwithstanding anything herein provided in Sub-clause (2), in any case in which the number of persons having access to any water closet, or group of water closets, is, in the opinion of the Engineer of Sewerage, definitely limited, the storage capacity to be provided in respect of such water closet, or group of water closets, shall be two flushes of water for each person served by such water closet, or group of water closets, as may be determined by the Engineer of Sewerage, provided, however, that such storage capacity need not exceed the requirements of Sub-clause (2).

(4) In no case shall the water supply for water closets or urinals be taken from a storage tank serving a hot water service.

(5) Where the number of water closets or urinals served by any storage tank exceeds two in the case of private residences or flats, or one in the case of any other building, a full-way gate-valve shall be provided close to the storage tank.

(6) Unless otherwise approved by the Inspecting Officer, the storage tanks shall be placed on the roof over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a safe of galvanised iron, lead, or other approved impervious material, with overflow, shall be fixed under the storage tank. Every storage tank shall be provided with an approved cover.

(7) Except by special permission the head of water supply shall in no case be less than 10 feet, measured vertically from the top water level of the storage tank to the level of the point of discharge into the cistern, or to the flush valve, as the case may be.

(8) The water supply pipes from storage tanks to cisterns shall be not less than the following diameters:—

- For 1 or 2 cisterns . . . 2-inch diameter
- For 3 to 6 cisterns . . . 1-inch diameter
- For 7 to 25 cisterns . . . 1½-inch diameter
- For 26 to 50 cisterns . . . 2-inch diameter

Where more than 50 cisterns are supplied, or where more than 10 cisterns are subject to a head of less than 20 feet, measured vertically from the top water level of the storage tank to the level of the point of discharge into the cistern, the case shall be submitted to the Engineer of Sewerage for decision.

(9) Where the head of water supply from the storage tank to the flushing cistern is less than 20 feet, a low pressure ball valve shall be provided to the cistern.

(10) The water supply pipes from storage tanks to flush valves shall not be less than the sizes determined from:—

- (a) the available head measured vertically, in stories, from the level of the first flush valve served by the portion of supply pipe under consideration to the normal water level of the storage tank; and
- (b) the total number of flush valves served by that portion of the supply pipe under consideration; in accordance with the following table:—

Available Head in Stories	Diameter of Portion of Supply Pipe Under Consideration	Maximum Permissible Number of Flush Valves Served by Portion of Supply Pipe Under Consideration	
		Galvanised Wrought Iron Pipe	Copper or Brass Pipe
1	1½ in.	1	2
	2 in.	10	15
	2½ in.	30	50
	3 in.	100	150
2	1½ in.	2	3
	2 in.	15	30
	2½ in.	50	150
	3 in.	100	150
3	1½ in.	2	4
	2 in.	25	50
	2½ in.	100	150
4 or more	1½ in.	2	6
	2 in.	40	100
	2½ in.	100	150

Where the flush valves to be supplied exceed the maximum number above stated, or where more than 20 flush valves are subject to an available head of less than 20 feet, the case shall be submitted to the Engineer of Sewerage for special investigation.

(11) The overflow from a storage tank shall be not less than 1½ inches in diameter.

VENTING CLOSET PANS.

158. Unless otherwise directed or permitted, every closet pan which is not connected directly to a drain, shall discharge into a soil-ventilator pipe or combined waste-ventilator pipe, except in the case where there are no other fixtures connected to the soil or combined waste pipe, in which case discharge will be permitted into a soil or combined waste pipe without extension as a ventilator pipe, provided the pan is ventilated by an anti-siphonage vent in accordance with the requirements of Clauses 81 and 94.

Except as hereunder, every external closet pan in which siphonage occurs, and every internal closet pan, shall be ventilated by an anti-siphonage vent in accordance with the requirements of Clauses 81 and 94.

The anti-siphonage vent may be omitted provided:—

- (a) the outlet of the pan is not more than 4 feet horizontally from the soil vent pipe or combined waste pipe;
- (b) no closet pan, wash trough, bath, or group of other fixtures of total discharge rate exceeding 8 fixture units, is connected to such soil or combined waste stack at a higher level; and
- (c) no siphonage occurs.

GROUPED EXTERNAL CLOSETS.

159. Where there are more than three external water closet pans grouped, the drain, combined waste or soil pipe shall be separately ventilated for every group of not more than three closet pans with vents in accordance with the requirements of Clause 94 for branch vents, or each closet pan may be ventilated by means of an anti-siphonage vent in accordance with the requirements of Clauses 81 and 94.

DIVISION 26.—URINALS AND FLUSHING APPARATUS.

URINALS—GENERAL.

160. In every licensed victualler's property, restaurant, boarding house, lodging house, school, shop, factory, office, public building, or building used for public entertainment, urinal accommodation shall be provided in accordance with the requirements of the Health Acts and/or Factories and Shops Acts of the State of Victoria, or of any regulation under any of the said respective Acts.

INTERNAL URINALS.

161. The positions, approaches, arrangement of lighting and ventilation for internal urinals shall comply as nearly as practicable with the requirements for internal water closets, as set out in Clauses 144 to 148 inclusive.

DETAILS OF CONSTRUCTION, Etc.

162. Unless otherwise approved only round-backed stall type urinals of approved design, and constructed of approved impervious materials, shall be used.

The soil or combined waste pipes shall be of lead, pottery-ware, or glass enamelled or coated cast iron, or other approved material, and shall be kept as short and free from bends as practicable.

TREATMENT OF FLOORS.

163. The floor in front of a urinal shall be covered with approved impervious material for a width of not less than 1 foot 6 inches, and graded to drain to urinal.

IMPERVIOUS MATERIALS.

164. For the purposes of this division the following materials will be considered impervious:—

- (a) For urinals: Glazed fire clay or salt glazed stoneware.
- (b) For floors in front of urinals: Cement mortar composed of equal parts of cement and sand, glazed tiles set in cement mortar, marble, and slate.

HOSE TAPS FOR URINALS.

165. Every public urinal shall be provided with a tap for the hosing of floors.

FLUSHING APPARATUS.

166. Approved flushing cisterns, or other approved apparatus, shall be fixed on all urinals.

Automatic flushing apparatus, where used, shall be subject to the conditions set out in By-law No. 20 or any subsequent amendment thereof.

FLUSHING CISTERNS.

167. The discharge from a urinal flushing apparatus shall be not less than one gallon for a single urinal stall, and 2½ gallons for two or three urinal stalls. In no case shall more than three stalls be served by a single flushing apparatus.

The height of a cistern shall, unless otherwise permitted, be at least 6 feet 6 inches from the floor to the bottom of the cistern. The cistern shall be so fixed that the ball cock is accessible.

A separate stop-tap shall be provided for each urinal cistern.

FLUSH PIPES.

168. Flush pipes for urinals shall be of approved material and shall have a minimum diameter of 1½ inches, except that flush pipes for automatic flushing cisterns shall not exceed:—

For 1 gallon cistern, ¾-inch internal diameter.

For 2½ gallon cistern, 1¼-inch internal diameter.

with branches as directed by the Inspecting Officer.

FLUSH VALVES FOR URINALS.

169. Every urinal flush valve shall be supplied from a storage tank which shall comply with the requirements of Sub-clauses 1 and 4 to 11, inclusive, of Clause 157.

Urinal flush valves may be connected to a storage tank serving water closets, or to the supply pipes therefrom, provided that the above storage capacity is provided in addition to that required for the water closets.

A full-way stop-cock shall be provided for each flush valve in such a position as to be easily accessible.

DIVISION 27.—SLOP SINKS.**GENERAL.**

170. Slop sinks shall be made, in one piece, of approved impervious material, and provided with approved flushing apparatus of 2½-gallon capacity.

VENTILATION, LIGHT, Etc.

171. The position, approaches, arrangement of lighting, and ventilation for slop sinks shall comply, as nearly as practicable, with the requirements for internal water closets as set out in Clauses 144 to 148 inclusive.

BIB-COCK OVER SLOP SINK.

172. A bib-cock shall be fixed directly over a slop sink and at least 18 inches above such sink.

DIVISION 28.—WASH TROUGHS.**GENERAL.**

173. Wash troughs shall be of approved pattern and material, securely fixed, and graded to an outlet fitted with brass strainer sunk to level of bottom of trough.

TROUGHS ABUTTING AGAINST BRICK WASH-COPPERS.

174. Wherever the end of a wash trough abuts against the brickwork of a wash-copper, the space between the end of the trough and the brickwork shall be bridged with approved waterproof material and made watertight.

DIVISION 29.—SINKS, BATHS, LAVATORY BASINS, AND SHOWER COMPARTMENTS.**FIXING SINKS.**

175. All sinks shall be effectively supported, and traps and wastes left readily accessible for inspection and cleaning.

GALVANISED SHEET IRON BATHS.

176. The bottoms of galvanised sheet iron baths shall be effectively supported on legs. Such baths shall not be enclosed.

BATH TRAPS.

177. Where a bath trap is fixed on the outside of a wall, it shall in no case be more than 3 feet from the outlet of the bath, unless by special permission of the Engineer of Sewerage.

BATHS WITHOUT FLASHING.

178. Where it is not desired to flash a bath, a clear space of at least six inches shall be left around such bath.

SHOWER COMPARTMENTS.

179. The floors of shower compartments shall be graded to an approved 2-inch diameter trapped outlet, and shall be constructed of not less than four (4) inches of concrete, trowelled smooth or covered with tiles set in cement mortar, or of other approved impervious materials, or, if constructed of timber, shall be covered with enamelled cast iron, approved non-corrosive sheet metal, or other approved material, turned up at the edges and flashed in accordance with the requirements of Clause 99.

The level of the grating on the outlet shall be at least 2 inches below the level of the floor outside and adjoining the shower compartment, or where a kerb is provided, 2 inches below the level of the kerb.

The walls of shower compartments shall be finished with cement mortar rendered to a smooth surface, or covered with tiles set in cement mortar, or shall be lined with approved non-corrosive sheet metal, or other approved impervious material, with impervious joints, in accordance with the Board's Type Drawings.

VENTING OF LAVATORY BASINS.

180. All lavatory basin wastes shall be provided with anti-siphonage vents.

TIP-UP BASINS.

181. Tip-up lavatory basins shall not be permitted.

DIVISION 30.—SAFES AND OVERFLOWS.**SAFES—WHERE REQUIRED.**

182. Unless the floor is constructed of concrete of not less than four inches thickness, or of other approved impervious material, and graded as directed, safes of lead, or other approved impervious material, fixed as directed by the Engineer of Sewerage, shall be fitted under slop sinks and internal water closets, and in such other positions as directed by the Engineer of Sewerage.

LEAD SAFES IN WATER CLOSETS.

183. All lead safes shall be laid with sheet lead weighing not less than 5 lb. per square foot, and where the whole floor is not covered with lead, the safe shall extend 12 inches beyond the sides and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to, and 3 inches up the wall. The roll of such safe shall be 2 inches wide and $\frac{1}{2}$ inch high.

SAFE OVERFLOWS.

184. Unless otherwise permitted, every safe shall be drained by a separate 2-inch diameter pipe, provided at the inlet with a brass grating, and at the outlet into the open air with a flap valve of brass or other approved metal, and shall not connect with any waste pipe, combined waste pipe, soil pipe, drain, or sewer.

CISTERN OVERFLOWS.

185. Every cistern supplied with water shall have an overflow pipe of approved size discharging in a position where it will not cause damage, but where it will act as a warning pipe.

On ground floors where cisterns are fixed over impervious floors graded to drain outside of the room, the overflow may discharge on to such floors provided no damage is likely to arise therefrom.

DISCHARGES FROM OVERFLOWS.

186. Overflows may discharge into the open air above ground floor level only when the discharge, in the opinion of the Inspecting Officer, will not cause any inconvenience or nuisance. In all other cases the pipes must be brought nearly to the ground surface, or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

STEAM EXHAUST.

187. No steam exhaust, blow-off, or drip pipe shall be connected with any drain or any soil, waste, or combined waste pipe.

EXISTING FLOORS UNDER FIXTURES.

188. Where necessary, in the opinion of the Engineer of Sewerage, every existing floor under a fixture shall be regraded, and a proper discharge pipe with flap valve fixed.

DIVISION 31.—EXISTING FIXTURES, FITTINGS, Etc.

189. All existing fixtures, fittings, and apparatus not in accordance with this By-law, which the owner may desire to retain, and which, in the opinion of the Board, will be inoffensive, may, only at the distinct request, in writing, of the owner, remain until such time as the Board shall otherwise order. Such request shall be made by the owner or his authorised agent on the form obtainable at the Board's office. Existing fixtures, fittings, and apparatus which, in the opinion of the Board, are offensive, shall be removed at once.

DIVISION 32.—WATER SUPPLY.**SUPPLY OF WATER TO FIXTURES.**

190. (1) All water closets and other plumbing fixtures shall be provided by the owner with a sufficient supply of water for flushing purposes to keep them at all times in a proper and cleanly condition.

(2) Every owner of property who desires, or who has been ordered, to provide sanitary appliances for his property and to connect his property with the sewers of the Board, shall provide and have made the necessary connections for the conveyance of water, in accordance with By-law No. 20 of the Board or any

subsequent amendment thereof. The piping shall be of capacity sufficient to supply all sanitary fixtures on the property freely and continuously, and convey to the flushing cistern, flushing tank or other flushing apparatus of each water closet upon the property enough water to fill the same at an average rate of not less than one-half ($\frac{1}{2}$) gallon per minute, and the owner shall cause such piping to be connected with the cistern before the completion of the work.

The owner shall keep the piping of sufficient capacity to fill the flushing cistern, storage tank or other flushing apparatus, at an average rate of not less than one-half ($\frac{1}{2}$) gallon per minute.

FIXTURES NOT CONNECTED WITH SEWERS.

191. No water service pipe shall be laid to supply any fixture in any property in any sewerage area unless such fixture is connected with the sewers of the Board, or unless special permission, in writing, has been previously given to lay such service pipe.

STORAGE TANKS.

192. Water supply pipes to storage tanks for internal closets shall be of not less than three-quarter ($\frac{3}{4}$) inch diameter, and shall be provided with high pressure ball valves, except where the available pressure from the water supply system is not sufficient to allow of high pressure ball valves being used. In such cases the permission of the Engineer of Sewerage shall be obtained to fix low pressure ball valves.

A stop-cock shall be fixed on the supply pipe to the storage tank.

SUPPLY PIPE CONNECTION WITH FLUSHING CISTERN.

193. In all waterclosets, a lead or annealed copper connection not less than twelve inches in length shall be used between the flushing cistern and the supply pipe.

DIVISION 33.—MAINTENANCE AND DEFECTIVE WORK.

194. Any soil, waste, combined waste, vent or drain pipe, trap, water-closet, urinal, sink, or other fitting or fixture, which is laid, used, or constructed otherwise than in accordance with this By-law, or which, in the opinion of the Engineer of Sewerage, is, or has become, bad or of defective quality, shall, upon notice in writing from the Secretary of the Board to the owner or occupier of the property, be removed, altered, or repaired by the owner or occupier, as required by the Engineer of Sewerage, and within the time fixed by him, and to the satisfaction and approval of the Inspecting Officer, and, in case such owner or occupier fails to comply with the requirements of such notice, he shall be liable to prosecution and a penalty for a breach of this By-law, or for an offence against the Board's Acts, as the case may be, and/or the Board may, if it thinks fit, remove, alter, or repair the defective fitting, and charge the owner or occupier of the property with the cost so incurred, and proceed for recovery of the same in manner provided by the Board's Acts.

DIVISION 34.—PENALTIES, RECOVERY OF EXPENSES, Etc.**PENALTIES FOR BREACH OF BY-LAW.**

195. Any person committing any breach of this By-law to which no specific penalty is attached shall, upon conviction, be liable (a) to a penalty not exceeding Twenty pounds, and (b) also to a daily penalty for any breach thereof but no such penalty shall exceed £1 per day.

RECOVERY OF EXPENSES, Etc.

196. In addition to any penalty recoverable by the Board for any breach of this By-law, any expense incurred by the Board in consequence of a breach of this By-law, or in the execution of work directed by this By-law to be executed by any person and not executed by him, shall be paid by the person committing such breach or failing to execute such work.

CONSENT, APPROVAL, Etc.—HOW GIVEN.

197. In any case where pursuant to any provision of this By-law the Board has given to any person:—

- (a) any authority, permission, consent, sanction, or approval, or
- (b) any order or direction, or
- (c) any notice.

the Board may convey or notify the same by writing under the hand of the Secretary of the Board, or the Engineer of Sewerage, or by writing under the hand of an Officer appointed by the Board for the purpose either generally or in the particular case, or, in those cases in which the same is not required by this By-law to be in writing, the Board may give the same by parole only by the Secretary of the Board or the Engineer of Sewerage or such Officer.

198. Notwithstanding anything in this By-law contained its clauses shall be construed so as not to be inconsistent with the terms and provisions of the Board's Acts.

The foregoing By-law was made and passed by the Melbourne and Metropolitan Board of Works, and the Common Seal of the said Board was hereunto affixed the fourth day of February, One thousand nine hundred and thirty-six, in the presence of—

D. BELL, Chairman.

S. DENNIS, Member.

F. L. KING, Secretary.

APPENDIX 2

Method of computing the Sizes of Soil, Waste, Combined Waste, and Vent Pipes, in accordance with the requirements of Division 19.

FIXTURES.

1. In accordance with Clause 92, classify the various fixtures and determine the maximum number of fixture units to be provided for in each portion of the system under consideration. Cleaners' sinks and floor wastes which are not regularly in use during the period of maximum use of other fixtures need not be included in determining the number of fixture units to be provided for.

SIZES OF GRADED SOIL, WASTE, AND COMBINED WASTE PIPES.

2. (a) By reference to Clause 93, determine, from the maximum number of fixture units served at the point under consideration, the required sizes and grades of the soil, waste, and combined waste pipes in each portion of the system.

(b) Compare the sizes so obtained with the minimum permissible sizes for the particular case and adopt the larger.

SIZES OF VERTICAL SOIL, WASTE, AND COMBINED WASTE STACKS.

3. (a) By reference to Clause 93, determine, from the maximum number of fixture units served at the point under consideration, the required sizes of vertical soil, waste, and combined waste stacks.

(b) Ascertain whether the number of fixture units connected to the stack within any 8-ft. length is within the permissible limits of provision (f) of Clause 93— if not adopt such larger size stack as will comply with this requirement.

(c) Compare sizes so obtained with the minimum permissible sizes for the particular case and adopt the larger sizes, subject to provision (a) of Clause 93.

SIZE OF MAIN VENTS.

4. (a) Determine the approximate vertical length of the main vent in stories from its connection at its lower end with a soil or waste pipe or drain to the ceiling level of the top floor.

(b) From the table of permissible sizes in Clause 94, determine, for the maximum number of fixture units served by the vent, the required size for a vent of such a length.

(c) Compare the sizes so determined with minimum permissible sizes and adopt the larger.

SIZES OF BRANCH VENTS.

5. (a) Determine the approximate vertical length in stories of the main vent from the point of connection of the branch vent under consideration to the ceiling level of the top floor.

(b) Determine the horizontal length of the branch vent from its connection with the main vent to the furthest end of the portion under consideration.

(c) Allowing one story for each 12 feet, or part of 12 feet, in horizontal length of branch vent, as determined by rule 5 (b) above, add this length in stories to the length in stories determined by rule 5 (a) above.

(d) Determine the number of fixture units served by the portion of branch vent under consideration.

(e) From the table of permissible sizes in Clause 94, determine the minimum size of vent required for the above number of fixture units and for the total length of vent in stories as determined by rule 5 (c) above.

(f) Compare the sizes so determined with the minimum permissible sizes and adopt the larger, subject to the provision that no vent need be larger than the soil or waste pipe which it serves.

CONTRACTS ACCEPTED.—(Series 1936-37.)

VICTORIAN RAILWAYS.

State Coal Mine Stores Suspense Account.

41. Axle boxes, at £1 6s. 11d. each (Contract 48193A).—The Steel Co. of Australia Pty. Ltd.

Railway Charges in Suspense.

42. Gravel ballast, at 1s. 6d. per cubic yard (Contract 48346).—Alf. Nunn.

Railway Stores Suspense Account.—Act 3759, Section 105.

43. Broken metal, &c., items 1 and 2, at 5s. 11d. per cubic yard; item 3, at 6s. 4d. per cubic yard; item 4, at 6s. 8d. per cubic yard; item 5, at 4s. 4d. per cubic yard (Contract 48239, Order in Council 23rd June, 1936).—Albion Quarrying Co. Pty. Ltd. 44. Mild steel principals, &c., at £29 14s. per ton (Contract 48284, Order in Council 20th July, 1936).—Geo. W. Kelly and Lewis Pty. Ltd. 45. Log timber, item 1, at 9s. 3d. per 100 super. feet; items 2, 3, 4, 5, 6, 7, 8, and 9, at 8s. 9d. per 100 super. feet (Contract 48287).—L. Simpson. 46. Manganeese steel railway and tramway crossing, at £803 17s. 11d. (Contract 48289).—Davies & Baird Pty. Ltd. 47. Copper plates, items 1, 2, 8, 13, 14, and 16, at £70 10s. per ton (Contracts 48328/48273, Order in Council 30th June, 1936); Belgium.—Hubert Johnson Pty. Ltd. 48. Broken metal, &c., items 1 and 2, at 5s. 11d. per cubic yard; item 3, at 6s. 4d. per cubic yard; item 4, at 6s. 8d. per cubic yard; item 5, at 4s. 4d. per cubic yard (Contracts 48332/48239, Order in Council 23rd June, 1936).—Brooklyn Quarries Pty. Ltd. 49. Broken metal, &c., items 1 and 2, at 5s. 11d. per cubic yard; item 3, at 6s. 4d. per cubic yard; item 4, at 6s. 8d. per cubic yard; item 5, at 4s. 4d. per cubic yard (Contracts 48334/48239, Order in Council 23rd June, 1936).—S. J. Willis Pty. Ltd. 50. Broken metal, &c., items 1 and 2, at 12s. per cubic yard; items 3 and 4, at 12s. 6d. per cubic yard; item 5, at 6s. per cubic yard (Contracts 48342/48239, Order in Council 23rd June, 1936).—J. McDonald. 51. Sawu redgum, items 1, 2, and 4, at 17s. per 100 super. feet; item 3, at 15s. per 100 super. feet; items 5 and 6, at 21s. per 100 super. feet; items 7, 8, 9, 10, and 17, at 22s. per 100 super. feet; items 11, 12, 13, 22, and 27, at 23s. per 100 super. feet; item 16, at 26s. 6d. per 100 super. feet; items 14, 30, 31, 32, 33, and 37, at 25s. per 100 super. feet; item 15, at 18s. 6d. per 100 super. feet; item 18, at 22s. 6d. per 100 super. feet; items 19, 20, 23, and 25, at 23s. 6d. per 100 super. feet; items 21, 24, 28, 29, and 34, at 24s. 6d. per 100 super. feet; item 26, at 26s. 6d. per 100 super. feet; item 35, at 25s. 6d. per 100 super. feet; item 36, at 26s. per 100 super. feet; item 38, at 28s. per 100 super. feet; item 39, at 26s. per 100 super. feet; items 40 and 41, at 26s. 6d. per 100 super. feet; items 42 and 43, at 27s. 6d. per 100 super. feet; item 44, at 28s. per 100 super. feet; items 45, 47, and 48, at 28s. 6d. per 100 super. feet; items 46 and 49, at 27s. per 100 super. feet; item 50, at 33s. per 100 super. feet; item 51, at 30s. per 100 super. feet; items 52 and 54, at 31s. per 100 super. feet; item 53, at 31s. 6d. per 100 super. feet; item 55, at 39s. 6d. per 100 super. feet; item 56, at 37s. per 100 super. feet; item 57, at 41s. per 100 super. feet. Timber for works storehouses at Laurens-street, "E" Siding, Newport and Bendigo, 1s. 6d. per 100 super. feet extra. except redgum timber ordered for Rolling Stock Branch, Newport Workshops. less than the number of scholarships or free places allotted to such division or subdivision, the scholarships or free places unallotted may be awarded to candidates in any other division or subdivision.

38. (c) The holder of a free place under clause 1 above shall receive free tuition either at a higher elementary school or at a district high school.

39. (a) Where the holder of a scholarship or free place under clauses 1, 12, or 17 above does not reside less than four miles from a school at which his scholarship or free place is tenable, the Minister may, if he considers the circumstances warrant it, allow him such sum (not exceeding £5 per annum) as will cover the cost of transit to and from school.

(b) Where it is necessary that the holder of a scholarship or free place under clauses 1, 12, or 17 above shall reside apart from his parents or guardians, the Minister may, if he considers the circumstances warrant it, grant, in lieu of the cost of transit of such holder, an allowance for maintenance up to £26 per annum. If, however, the parents or guardians are in necessitous circumstances, the Minister may grant this allowance to holders not residing apart from their parents or guardians.

(c) The allowances mentioned in sub-clauses (a) and (b) of this clause shall not be granted to any scholarship holder or free place holder if the total amount of net profits, emoluments, and income received by his parents or guardians during the preceding year exceeded £250, or a quota of £50 for each member of the family, including such parents or guardians and excluding children earning a wage of ten shillings or more weekly.

REGULATION III.—REGISTRATION OF TEACHERS OF SPECIAL SUBJECTS.

Rescind clause 21 of Regulation III.—Registration of Teachers of Special Subjects, and substitute therefor clause 21, as set forth hereunder:—

Clause 21.—

“Any person may be registered as a teacher of a special subject, or of special subjects, who produces evidence satisfactory to the Registration Committee that he is at least eighteen years of age, and is of sound health and good moral character, and that he—

- (i) has a sufficient general education; and
- (ii) has acquired a sufficient knowledge of the subject or subjects in respect of which registration is sought; and
- (iii) has undergone an approved course of training; and
- (iv) is competent to teach such subject or subjects.

A test of competency to teach will be granted only after an approved course of training, or after approved experience in teaching extending over at least four years.”

And the Honorable John R. Harris, His Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

CASTLEMAINE SEWERAGE AUTHORITY.

At the Executive Council Chamber, Melbourne,
the twenty-fourth day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for
His Excellency the Governor of Victoria.

Mr. Old | Dr. Harris.
Mr. Bailey

CONSENT TO THE PURCHASE OF LAND SITUATED OUTSIDE THE SEWERAGE DISTRICT, AND APPROVAL OF THE ESTABLISHMENT OF TREATMENT WORKS AND SEWAGE FARM, AND CONSTRUCTION OF RISING MAIN.

UNDER the powers conferred by the Sewerage Districts Acts, and all other powers enabling him in that behalf, His Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby consent to the purchase by the Castlemaine Sewerage Authority of the lands described in Schedule I. hereto, and shown upon the plan attached to this Order, which land is situated without the Sewerage District of the said Sewerage Authority, and doth hereby approve of the establishment of treatment works, and sewage farm on the lands described in the said Schedule I. hereto, and the construction of rising main on the lands described in Schedule II.

SCHEDULE I.

Site for Treatment Works and Sewage Farm.

Commencing at the south-eastern angle of allotment 7, section D111, Parish of Castlemaine, County of Talbot; thence northerly along the eastern boundaries of allotments 7, 6, 5, 4, and 3, section D111, to the north-eastern angle of the said allotment 3; thence westerly along the northern boundary of the said allotment 3 to its north-western angle, and by a line across a road to the most northerly angle of allotment 11A, section D111; thence south-westerly along the north-western boundaries of allotments 11A, 10A, and 7A, section D111, to the northern boundary of allotment 16, section D111; thence westerly along the northern boundary of the said allotment 16 to its north-western angle; thence by lines bearing south 10 deg. west 5 chains 30.7 links; south 40 deg. 29 min. west 1 chain 98 links, south 49 deg. 31 min. east 3 chains 11.5 links, south 36 deg. 53 min. east 3 chains 41.9 links, south 87 deg. 30 min. east 3 chains 0.1 links, south 6 deg. 12 min. west 3 chains 52.1 links, north 59 deg. 48 min. west 3 chains 93.1 links, north 26 deg. 50 min. east 71.2 links, north 36 deg. 53 min. west 3 chains 80.2 links, north 49 deg. 31 min. west 3 chains 0.4 links, south 40 deg. 29 min. west 2 chains 27 links, north 59 deg. 12 min. west 3 chains 71.5 links, south 48 min. west 3 chains 3 links, south 53 deg. 15 min. east 9 chains 32 links, south 81 deg. 32 min. east 11 chains 26 links, south 39 deg. 9 min. east 7 chains, north 90 deg. east 11 chains 25.8 links, north 41 deg. 22 min. west 5 chains 95 links, north 45 deg. 46 min. west 4 chains 36 links, north 23 deg. 38 min. west 4 chains 30.4 links, north 7 deg. 22 min. west 3 chains 75 links, north 23 deg. 2 min. east 7 chains 77 links, being the boundaries of a Reserve for Public purposes (sewerage) to the point of commencement.

SCHEDULE II.

Rising Main.

Commencing at a point in Gingell-street near to the south-western angle of allotment 3, section 119A, Parish of Castlemaine, County of Talbot, being a point on the southern boundary of the Sewerage District; thence by a strip of land 33 feet in width, being 16½ feet on either side of the centre line of the pipe, southerly along Gingell-street across Campbell's Creek to Graves-street; thence south-westerly along the said Graves-street to Elizabeth-street; thence westerly along the said Elizabeth-street to Frederick-street; thence south-westerly, westerly, and southerly along the said Frederick-street to the site for treatment works and sewage farm.

And the Honorable Francis Edward Old, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the twenty-fourth day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of Victoria.

Mr. Old | Dr. Harris.
Mr. Bailey |

ORDER APPROVING OF A NEW MAIN ROAD IN THE SHIRE OF BARRABOOL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to be desirable that the new Anglesea-road in the Shire of Barrabool should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plans marked A to G and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plans and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor as Deputy for His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All those pieces of land in the Parish of Puebla, the boundaries of which are as follow:—

- (a) Commencing at the south-western angle of allotment 79 of the said parish: thence by lines bearing respectively 360 deg. 0 min. 289.8 links, 175 deg. 40 min. 303.9 links and 270 deg. 0 min. 22 links to the point of commencement.
- (b) Commencing at the north-western angle of Crown portion 83 of the said parish: thence by lines bearing respectively 90 deg. 0 min. 31.6 links, 168 deg. 9 min. 373.8 links, and 343 deg. 30 min. 381.5 links to the point of commencement.
- (c) Commencing at the south-eastern angle of Crown portion 84 of the said parish: thence by lines bearing respectively 180 deg. 0 min. 173.9 links, 351 deg. 30½ min. 1,110.1 links, 163 deg. 30 min. 577.1 links, and 180 deg. 0 min. 370 links to the point of commencement.
- (d) Commencing at the south-western angle of allotment 2, section 82 of the said parish: thence by lines bearing respectively 352 deg. 48 min. 472 links, 360 deg. 0 min. 542.4 links, and 176 deg. 39 min. 1,012.4 links to the point of commencement.
- (e) Commencing at the north-western angle of allotment 7, section 82 of the said parish: thence by lines bearing respectively 165 deg. 59 min. 1,122.6 links, 341 deg. 43 min. 692.6 links, and 352 deg. 48 min. 435 links to the point of commencement.
- (f) Commencing at an angle in the north-eastern boundary of the existing Anglesea-road through Crown portion 1, section A (Bark P.R.) of the said parish formed by the intersection of lines bearing 297 deg. 48 min. and 340 deg. 48 min.; thence by lines bearing respectively 340 deg. 48 min. 419.5 links, 148 deg. 36 min. 395.7 links, 129 deg. 57 min. 396.7 links and 297 deg. 48 min. 420.9 links to the point of commencement.
- (g) Commencing at a point on the eastern boundary of Crown portion 1, section A (Bark P.R.) of the said parish distant 0 deg. 9 min. 1,113.6 links from the south-eastern angle of the said Crown portion: thence by lines bearing respectively 351 deg. 41 min. 145.4 links, 339 deg. 17 min. 495.5 links, 313 deg. 8 min. 658.3 links, 117 deg. 48 min. 475.1 links, 141 deg. 36 min. 414.9 links, and 180 deg. 9 min. 510.4 links to the point of commencement.

Also, all those pieces of land in the parish of Jan Juc, the boundaries of which are as follow:—

- (a) Commencing at the eastern angle of allotment 5, section 1 of the Township of Bellbrae in the said parish: thence by lines bearing respectively 223 deg. 38 min. 290 links, 227 deg. 57 min. 269.4 links, 249 deg. 52 min. 319.5 links, 360 deg. 0 min. 121.9 links, and 61 deg. 37½ minutes 795.6 links to the point of commencement.
- (b) Commencing at the south-eastern angle of allotment 2, section 6 of the Township of Bellbrae in the said parish: thence by lines bearing respectively 270 deg. 0 min. 120.5 links, 61 deg. 38 min. 137 links, and 180 deg. 0 min. 65.1 links to the point of commencement.

- (c) Commencing at a point on the southern boundary of allotment 5, section 7 of the Township of Bellbrae in the said parish, distant 270 deg. 0 min. 24.3 links from the south-eastern angle of that allotment; thence by lines bearing respectively 270 deg. 0 min. 38.7 links, 13 deg. 7 min. 322.1 links, 70 deg. 44 min. 209.1 links, and 211 deg. 12½ min. 447.5 links to the point of commencement.
- (d) Commencing at a point on the southern boundary of allotment 13, section 10 of the Township of Bellbrae in the said parish, distant 270 deg. 0 min. 420.1 links from the south-eastern angle of that allotment; thence by lines bearing respectively 270 deg. 0 min. 8.9 links, 339 deg. 46 min. 547 links, 10 deg. 50 min. 246.1 links, 90 deg. 0 min. 3.1 links, 176 deg. 7 min. 414.5 links, and 160 deg. 33 min. 363.8 links to the point of commencement.
- (e) Commencing at a point on the western boundary of Crown portion 11 of the said parish, distant 180 deg. 0 min. 1,551.4 links from the north-western angle of the said Crown portion; thence by lines bearing respectively 178 deg. 20 min. 942.6 links, 270 deg. 0 min. 27.4 links, and 360 deg. 0 min. 942.2 links to the point of commencement.
- (f) Commencing at an angle in the south-eastern boundary of the existing Anglesea-road through allotment 24A of the said parish formed by the intersection of lines bearing 14 deg. 37 min. and 53 deg. 14 min.; thence by lines bearing respectively 53 deg. 14 min. 815.7 links, 226 deg. 4 min. 569.1 links, 214 deg. 29 min. 315.3 links, 206 deg. 21 min. 516.3 links, and 14 deg. 37 min. 650.2 links to the point of commencement.

which said pieces of land are particularly delineated and shown coloured red and blue on survey plans numbered 3489 to 3495 inclusive, lodged in the office of the Country Roads Board.

And the Honorable George Louis Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

FORESTS ACT 1928.

At the Executive Council Chamber, Melbourne, the twenty-fourth day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of Victoria.

Mr. Old | Dr. Harris.
Mr. Bailey |

EXCHANGE OF LAND DEDICATED AS PERMANENT FOREST.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, pursuant to the provisions of section 48, sub-section (9), of the *Forests Act 1928*, order that the alienated land described in Schedule "A" be acquired by exchange of land dedicated as permanent forest in Schedule "B", and doth further order that the excision from the forest reserve of the area described in the said Schedule "B" take effect as from the 24th day of August, 1936.

THE SCHEDULES ABOVE REFERRED TO.

Schedule "A."

(Pr. Ex. No. 8.)

148 acres 2 roods 4 perches in the Parish of Tarrawarra North, County of Evelyn, being Crown allotment 130.— (F.L.P. 429.)

Schedule "B."

(Pr. Ex. No. 8, Excision Schedule No. 86.)

64 acres 1 rood 20 perches in the Parish of Tarrawarra North, County of Evelyn, being Crown allotment 3a.— (F.L.P. 429.)

And the Honorable A. E. Lind, His Majesty's Minister of Forests for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

DEPARTMENT OF LANDS AND SURVEY.

At the Executive Council Chamber, Melbourne, the thirty-first day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor as Deputy for His Excellency the Governor of Victoria.

Dr. Harris | Mr. Hyland
Mr. Tuckett.

UNUSED AND UNMADE ROADS CLOSED.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby direct that, in pursuance of the provisions of section 304 of the *Land Act 1928*, the unused and unmade roads referred to hereunder be closed, viz.:—

Parish of Beechworth, County of Bogong, being the roads hereinafter described, viz.:—(1) The road commencing at the south-west angle of allotment 90 of section P2; bounded thence by that allotment and allotments 9 and 2 bearing S. 88 deg. 21 min. E. 1,390 links, S. 23 deg. 0 min. E. 603 links, S. 66 deg. 48 min. E. 397 links, S. 73 deg. 16 min. E. 278 links and S. 0 deg. 11 min. E. 153 links, by a road bearing S. 78 deg. 11 min. W. 51 links, by allotment 2b bearing N. 0 deg. 11 min. W. 127 links and N. 73 deg. 16 min. W. 244 links, by allotment 12A bearing N. 66 deg. 48 min. W. 420 links, by allotments 5, 6, and 7 bearing N. 23 deg. 0 min. W. 536 links and N. 88 deg. 21 min. W. 1,380 links; and thence by a road bearing N. 1 deg. 54 min. E. 100 links to the commencing point. (2) The road commencing at the south-east angle of allotment 10 of section P2; bounded thence by that allotment and allotment 2 bearing N. 40 deg. 18 min. E. 539 links and N. 0 deg. 11 min. W. 412 links, by a road bearing N. 78 deg. 11 min. E. 102 links, by allotment 14 and a line bearing S. 0 deg. 11 min. E. 469 5-10 links and S. 40 deg. 18 min. W. 478 7-10 links; and thence by a road bearing S. 86 deg. 17 min. W. 136 5-10 links to the commencing point. (3) The road commencing at the north-east angle of allotment 14 of section P2; bounded thence by that allotment bearing N. 89 deg. 56 min. W. 396 links, by a road bearing S. 78 deg. 11 min. W. 102 links, by allotments 2 and 9 bearing N. 0 deg. 11 min. W. 121 links and S. 89 deg. 56 min. E. 496 links; and thence by a line bearing S. 0 deg. 4 min. W. 100 links to the commencing point.—(B.349(12) (C.81938).

Parish of Berringa, County of Benambra, being the portion of a road hereinafter described, viz.:—Commencing at a point bearing west 81 6-10 links from the north-east angle of allotment 8A of section 1; bounded thence by said allotment bearing west 673 links; by a line bearing N. 27 deg. 2 min. W. 112 3-10 links; by allotment 10A of section 2A bearing east 817 links; and thence by a line bearing S. 42 deg. 52 min. W. 136 4-10 links to the commencing point.—(B.634(4) (C.82551).

LANDS TEMPORARILY RESERVED FROM SALE.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of the *Land Act 1928*, reserve, temporarily, and also except from occupation for mining purposes under any miner's right, the lands hereinafter described:—

ARARAT.—Site for Mental Hospital purposes.—7 acres 9 perches, Township of Ararat, Parish of Ararat, County of Ripon:—Commencing at the intersection of the north side of Girdlestone-street and the east side of Hyde-street; bounded thence by Hyde-street bearing north 973 links; by Lowe-street bearing east 725 links; by Basham-street bearing south 973 links; and thence by Girdlestone-street bearing west 725 links to the commencing point.—(A.148(2) (Rs.4546).

ARARAT.—Site for Mental Hospital purposes.—299 acres 3 roods 23 perches, Parish of Ararat, County of Ripon:—Commencing at the north-west angle of allotment 73 of section 2A; bounded thence by allotments 73, 72, a road, allotment 70A a road and allotment 69 bearing S. 0 deg. 22 min. W. 7,485 links; by roads bearing N. 89 deg. 38 min. W. 3,963 links, N. 2 deg. 37 min. W. 3,105 links, N. 3 deg. 1 min. E. 2,976 links, N. 20 deg. 8 min. E. 622 links, N. 3 deg. 3 min. W. 633 links and N. 36 deg. 11 min. E. 239 links; and thence by allotment 74 bearing S. 89 deg. 38 min. E. 3,674 links to the commencing point.—(A.149(17) (Rs.4566).

LEAGHUR.—Site for Plantation and Public Recreation.—8 acres 20 perches, being allotment 22c, Parish of Leaghur, County of Tatchera:—Commencing at a point bearing S. 82 deg. E. 1,321 5-10 links from the north-east angle of allotment 22; bounded thence by a road bearing S. 82 deg. E. 413 links; by the State School Reserve bearing S. 0 deg. 52 min. W. 403 5-10 links, S. 82 deg. 15 min. E. 600 links, and N.

10 deg. 19 min. E. 401 5-10 links; by roads bearing S. 82 deg. W. 484 links, and S. 26 deg. 15 min. W. 842 5-10 links; and thence by allotment 22n bearing N. 82 deg. W. 1,136 links and N. 8 deg. E. 800 links to the commencing point.—(L.150(3) (Rs.4582).

REVOCATION OF TEMPORARY RESERVATION OF LAND.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of the *Land Act 1928*, revoke the temporary reservation of the lands hereinafter referred to, viz.:—

BEECHWORTH.—The temporary reservation by Order in Council of the 13th January, 1913, of 516 acres of land, more or less, in the Township of Beechworth and Parish of Beechworth, as a site for a Public Park, revoked as to part by Order in Council of the 6th September, 1915, so far as regards the portion thereof hereinafter described, viz.:—1 road, more or less, Township of Beechworth, Parish of Beechworth, County of Bogong: Commencing at the west angle of allotment 4 of section 15; bounded thence by said allotment bearing S. 50 deg. 45 min. E. 250 links; and thence by lines bearing S. 38 deg. 15 min. W. 100 links, N. 50 deg. 45 min. W. 250 links, and N. 38 deg. 15 min. E. 100 links to the commencing point.—(B.348(3) (H.010773).

ARARAT.—The temporary reservation by Order in Council of the 30th June, 1873, of 7 acres 9 perches in the Borough of Ararat, as a site for Gaol purposes.—(A.148(2) (Rs.4546).

CANCELLATION OF LICENCES TO OCCUPY WATER FRONTAGES.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and pursuant to the provisions of the *Local Government Act 1928*, doth hereby cancel the hereunder-mentioned licences to occupy water frontages:—

(1) Licence No. 523, issued to F. P. Cameron, to occupy a water frontage to the Avoca River in the Parish of Kooroc, situate in the Shire of Kara Kara, as to part, namely, for that portion of the water frontage abutting allotment 33A in the said parish.

(2) Licence No. 13573, to occupy a water frontage to the Avoca River in the Parish of Kooroc, situate in the Shire of Kara Kara, as to the whole of such water frontage.

And the Honorable A. E. Lind, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

DEPARTMENT OF LANDS AND SURVEY.

At the Executive Council Chamber, Melbourne, the twenty-fourth day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of Victoria.

Mr. Old |
Mr. Bailey

Dr. Harris.

UNUSED AND UNMADE ROADS CLOSED.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby direct that, in pursuance of the provisions of section 304 of the *Land Act 1928* (No. 3700), the unused and unmade roads referred to hereunder be closed, viz.:—

Parish of Craigie, County of Talbot, being the road lying between allotments 105 and 106, and allotments 104, 102, and 107A, of section 8A.—(330A(3) (W.56937).

Parish of Murgheboluc, County of Grant, being the road hereinafter described, viz.:—Commencing at the south-east angle of allotment 3, of section 15; bounded thence by allotment 3 and 8 of section 15, bearing N. 0 deg. 10 min. W. 2,700 links; by a line bearing east 100 links; by section 19, bearing S. 0 deg. 10 min. E. 2,700 links; and thence by allotment 2A of section 15, bearing west 100 links to the commencing point.—(M.280D(1) (C.P. 8.6.36) (C.83399).

REVOCATION OF TEMPORARY RESERVATION OF
LANDS.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of the *Land Act 1928*, revoke the temporary reservation of the lands hereinafter referred to, viz.:—

GLENLOTH.—Site for affording access to water.

BENDIGO.—Site for cricket and other purposes of public recreation.

(For technical descriptions see *Government Gazette* of the 15th July, 1936, page 1800.)

WARRENMANG.—Site for common school. (For technical description see *Government Gazette* of the 15th July, 1936, page 1799.)

CARINA.—Site for State school.

LILLIREE.—Site for recreation purposes.

(For technical descriptions see *Government Gazette* of the 29th July, 1936, page 1894.)

SCHEME FOR THE REDUCTION IN WIDTH OF ROAD
IN PARISH OF YEA CONFIRMED.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in accordance with the provisions of and in exercise of the powers conferred by section 531 of the *Local Government Act 1928*, doth by this Order confirm a scheme for the reduction in width of a road as follows, viz.:—

ROAD IN THE PARISH OF YEA.

The scheme for the reduction in width of the road in the Parish of Yea, County of Anglesey, in the State of Victoria, as set out in a plan attached to the said scheme, and deposited in the Office of Lands and Survey, Melbourne, with Correspondence No. C.81389, the said scheme being under the seal of the Corporation of the President, Councillors, and Ratepayers of the Shire of Yea of the first part, and under the seal of the Board of Land and Works of the second part, and under the hand and seal of the persons whose signatures are subscribed and seals affixed to the said scheme, and who are called parties of the third part.

And the Honorable A. E. Lind, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

WHEAT MARKETING (WINDING UP) ACT 1924
(No. 3338).

At the Executive Council Chamber, Melbourne,
the twenty-fourth day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for
His Excellency the Governor of Victoria.

Mr. Old | Dr. Harris.
Mr. Bailey

WHEREAS by section (2) (1) of the *Wheat Marketing (Winding Up) Act 1924*, provision is made for the establishment of a Fund to be called the Wheat Marketing Fund, and in sub-section (4) of the said section that the whole or any part of the moneys standing to the credit of the said Fund may be invested in Victorian Government securities, and together with any interest thereon may in such manner as the Governor in Council from time to time directs be applied towards any educational, scientific, or experimental purposes likely to promote the production of wheat in Victoria.

Now therefore His Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby direct that the sum of Nine hundred and ninety pounds (£990) of the said Fund be applied towards paying the expenses incurred in the erection and equipment and maintenance of the Mallee Research Station at Walpeup.

And the Honorable Edmond John Hogan, His Majesty's Minister of Agriculture for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

DEPARTMENT OF PUBLIC WORKS.

At the Executive Council Chamber, Melbourne, the twenty-fourth day of August, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for His
Excellency the Governor of the Victoria.

Mr. Old | Dr. Harris.
Mr. Bailey

CONSENT TO THE MELBOURNE AND METROPOLITAN
TRAMWAYS BOARD TAKING CERTAIN LAND
COMPULSORILY.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the provisions of section 89 of the *Melbourne and Metropolitan Tramways Act 1928* (No. 3732), doth by this Order consent to the Melbourne and Metropolitan Tramways Board taking compulsorily, for the general undertakings of the said Board and as a depot for its omnibuses, certain lands and hereditaments being more particularly all that piece of land situate in the Parish of Cut Paw Paw, County of Bourke, part of allotment E, section 14, of the said Parish, and being part of lot 270 of plan of subdivision of Walter Craig and Charles Williams of said allotment E and allotment J of said section bounded on the east by Albert-street, bearing north 39 feet on the north by lot 269 bearing west 132 ft. 6 in. on the west by a line bearing south 39 feet and on the south by part of said allotment 270 bearing east 132 ft. 6 in. to the point of commencement, being the unconveyed portion of land described in conveyance registered by Memorial No. 251, Book 194.

Motor Omnibus Act 1928 (No. 3742).

AMENDMENT OF ORDERS IN COUNCIL PRESCRIBING
ROUTES WITHIN THE METROPOLITAN AREA ALONG
WHICH MOTOR OMNIBUSES FOR WHICH "REGULAR
SERVICE" LICENCES ARE GRANTED MAY PLY FOR
HIRE.

HIS Excellency the Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by section 15 (1) (b) of the *Motor Omnibus Act* (No. 3742), doth by this Order amend the Orders in Council approved by His Excellency the Governor in Council on the 18th December, 1934, 17th June, 1935, 8th July, 1935, 30th September, 1935, 7th January, 1936, and 20th July, 1936, prescribing routes within the Metropolitan Area along which motor omnibuses for which "regular service" licences are granted under the provisions of the said Act may ply for hire, in the manner following:—

Route No. 23.—Under the heading "Description of Route including Commencing and Terminal Points" there shall be added the following "Stopping Place"—In Swanston-street, west side, opposite premises Nos. 7 and 9, for periods not exceeding 10 minutes". Under the heading "Maximum number of motor omnibuses to be licensed on route" for the figure "2" there shall be substituted the figure "3".

Route No. 57A.—Under the heading "Maximum number of Motor Omnibuses to be licensed on route" for the figure "1" there shall be substituted the figure "2".

Route No. 74A.—Under the heading "Maximum number of Motor Omnibuses to be licensed on route" for the figure "2" there shall be substituted the figure "4".

Pursuant to the provisions of section 15 (1) (c) of the *Motor Omnibus Act 1928* (No. 3742), the Governor in Council by this Order confers upon the Licensing Authority full power and authority for carrying into effect by the said Licensing Authority all of the foregoing provisions of this Order.

And the Honorable George Louis Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

SALE OF CROWN LANDS BY PUBLIC TENDER.

TENDERS are invited for the purchase in fee-simple of the undermentioned lands, and will be received by the Secretary, Closer Settlement Commission, Melbourne, up to Noon on Thursday, 24th September, 1936, endorsed "Tender for Closer Settlement Land."

Each tenderer is required to state clearly his full name, occupation, address, and the price offered.

COMMISSION TO AGENTS.

A commission of 2 per cent. will be paid to an accredited agent in the event of a sale being effected, on the following condition:—"That the agent entitled to commission shall lodge the necessary deposit with any accepted tender."

PARISH OF NARRAWATURK, COUNTY OF HEYTESBURY.

Area 307a. 0r. 31p., being allotments 46 and 46A. Formerly held by R. Schramm. Situated 13 miles from Timboon R.S. Suitable for dairying when cleared. Improvements include hut, tank, shed, fowlhouse, and fencing.

TERMS AND CONDITIONS.

The full amount of the purchase money, together with fee for Crown grant (£2), and contribution to Assurance Fund (4d. per £1 purchase money), to be lodged with tender by bank draft, money order, or non-negotiable cheque. Immediate possession. No residence condition. Crown grant will issue as soon as practicable after acceptance of tender.

The highest or any tender not necessarily accepted.

J. D. COADY,
Secretary.

Melbourne, 2nd September, 1936.

SALE OF CROWN LANDS BY PUBLIC TENDER.

TENDERS are invited for the purchase in fee-simple of the undermentioned Crown lands, and will be received by the Secretary, Closer Settlement Commission, Melbourne, up to Noon on Thursday, 24th September, 1936, endorsed "Tender for Closer Settlement Land."

Each tenderer is required to state clearly his full name, occupation, and address, the lot tendered for, and the price offered, also to give particulars of his farming experience and means at his disposal for carrying out the contract.

COMMISSION TO AGENTS.

A commission of 2 per cent. will be paid to an accredited agent in the event of a sale being effected, on the following condition:—"That the agent entitled to commission shall lodge the necessary deposit with any successful tender."

PARISH OF SHEPPARTON, COUNTY OF MOIRA.

Lot 1. Area 40a. 0r. 12p. (subject to survey), being allotment 104A and part of allotment 104B, section D. Formerly held by J. King, jun. Situated 6 miles from Shepparton. Improvements include house, tobacco-kiln, shed, hut, poultry-sheds, and fencing.

PARISHES OF KEELBUNDORA AND WILL-WILL-ROOK, COUNTY OF BOORKE.

Lot 2. Area 169a. 2r., being allotment 13A, Parish of Will-Will-Rook, and allotment 24A, Parish of Keelbundora. Formerly held by J. Boyd. Situated 2 miles from Campbellfield. Suitable for dairying. Improvements include house, garage, poultry-house, sheds, dairy, cowshed, dam, underground tank, and fencing.

PARISH OF NAR-NAR-GOON, COUNTY OF MORNINGTON.

Lot 3. Area 30a. 1r. 4p., allotment 75B. Formerly held by G. A. Walden. Situated 3½ miles from Pakenham. Improvements include orchard (10 acres), house, packing-shed, implement-shed, and fencing.

PARISH OF NILLUMBIK, COUNTY OF EVELYN.

Lot 4. Area 51a. 1r. 23p., allotment 8A, section 2. Formerly held by A. Barber. Situated 1 mile from Panton Hill. Improvements include orchard (20 acres), house, garage, cottage, packing-shed, stable, shed, poultry and pig pens, two dams, washhouse, and fencing.

TERMS AND CONDITIONS.

Deposit to be lodged with tender by bank draft, money order, or non-negotiable cheques, as follows:—10 per cent. of price offered for lots 1 and 2; 15 per cent. of price offered for lots 3 and 4.

A further payment equal to 10 per cent. of the purchase price will be payable in each of the following second, fourth, sixth, and eighth years, and the balance of the purchase money in ten years. Interest on the unpaid balance to be paid half-yearly at the rate of 4½ per cent. per annum.

No residence condition.

Improvements to be maintained and insured.

Crown grant on completion of purchase.

Purchaser may pay full balance of purchase money prior to the due date, or may, prior to final payment, transfer his interest in the purchase (fee, £1).

The highest or any tender not necessarily accepted.

J. D. COADY,
Secretary.

Melbourne, 2nd September, 1936.

PROPOSED REVOCATION OF TEMPORARY RESERVATIONS OF LANDS BY ORDERS IN COUNCIL.

IN pursuance of the provisions of the Land Act 1928, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservations of lands by Orders in Council hereunder referred to, viz.:-

The following notice was published 1^o on the 12th August, 1936, pursuant to Order of the 3rd August, 1936.

BENAYEO.—The temporary reservation by Order in Council of the 26th April, 1887, of 5 acres 21 perches in the Parish of Benayeo, as a site for a Cemetery.—(B.601(4) (Z.24603)).

The following Notices were published 1° on the 19th August, 1936, pursuant to Orders of the 11th August, 1936.

BALLAARAT.—The temporary reservation by Order in Council of the 12th May, 1862, of 19 acres 2 roods 20 perches, Parish of Ballaarat, County of Grenville, as a site for Railway purposes, so far as regards the portion thereof comprising 1½ acre, more or less, and being coloured blue on plan marked B/19.5.36 attached to Lands file C.76779.—(B.123(19) (C.76779)).

SEA LAKE.—The temporary reservation by Order in Council of the 18th January, 1909, of 9 acres 35 perches in the Township of Sea Lake, as a site for a Show Grounds.—(S.452(2) (C.76457)).

MARYBOROUGH.—The Order in Council of the 6th October, 1884, temporarily reserving 5 acres in the Municipal District of Maryborough, as a site for Public purposes (State School) and withholding from sale, leasing, and licensing.—(M.66(4) (W.37741)).

YARRAWONGA.—The Order in Council of the 13th December, 1880 (see *Government Gazette* 1880, page 3225), temporarily reserving 2 acres in the Parish of Yarrawonga, at Yarrawonga, as a site for a Pound, also withholding from sale, leasing, and licensing.—(Y.86(5) (Rs.4442)).

YARRAWONGA.—The Order in Council of the 27th November, 1899, temporarily reserving 14 acres 3 roods 14 perches in the Town of Yarrawonga, as a site for Municipal Sale Yards.—(Y.86(5) (Rs.4442)).

DOPEWARRA.—The temporary reservation by Order in Council of the 2nd September, 1895, of 2 acres of land, being part of allotment 1A, Parish of Dopewarra, as a site for a State School.—(D.210(2) (C.83175)).

The following Notice was published 1° on the 19th August, 1936, pursuant to Orders of the 17th August, 1936.

PORTARLINGTON.—The Order in Council of the 24th March, 1873, temporarily reserving 10 acres 3 roods 24 perches in the Town of Portarlington, as a site for a Public Park.—(P.37(2) (Rs.1931)).

MANSFIELD.—The Order in Council of the 7th August, 1917, temporarily reserving 3 roods 32 perches in the Town of Mansfield, as a site for Agricultural High School purposes.—(M.35(3) (Rs.1660)).

TARRANGO.—The temporary reservation by Order in Council of the 30th December, 1927, of 4 acres 4 perches, in the Parish of Tarrango, as a site for a State School.—(T.305(1) (Rs.3600)).

MALDON.—The Order in Council of the 15th August, 1864, temporarily reserving 1 rood 28 9-10 perches of land, at Maldon, as a site for Baptist Church purposes.—(M.449(2) (W.57792)).

PORTARLINGTON.—The Order in Council of the 22nd November, 1875, temporarily reserving as a site for a Public Park (revoked as to part by Order of the 21st July, 1884), and the withholding from sale, leasing, and licensing of 2 acres 1 rood in the Town of Portarlington, so far as regards the remaining portion thereof comprising 2 acres.—(P.37(2) (Rs.1931)).

WARRAK.—The Order in Council of the 21st February, 1923, temporarily reserving 9 acres 1 rood 18 perches in the Parish and Township of Warrak, as a site for the Supply of Gravel.—(W.2640(2) (Rs.3626)).

OUYEN.—The temporary reservation by Order in Council of the 22nd October, 1907, of 2 roods in the Township of Ouyen, being allotment 12 of section 2, as a site for a Public Hall.—(O.22B(4) (Rs.8)).

EDDINGTON.—The Order in Council of the 3rd August, 1868, temporarily reserving 1 acre 2 roods 24 perches, as a site for Police Purposes, at Eddington.—(E.16(6) (C.83539)).

The following Notice was published 1° on the 2nd September, 1936, pursuant to Order of the 24th August, 1936.

KARRABUMET.—The Order in Council of the 26th October, 1882, temporarily reserving 17 acres 1 perch in the Parish of Karrabumet, as a site for Water Supply purposes and for the supply of Gravel, being part of allotment 37, and withholding from sale, leasing, and licensing.—(K.119(4) (23/121)).

The following Notices were published 1° on the 2nd September, 1936, pursuant to Orders of the 31st August, 1936.

BENDIGO.—The temporary reservation by Order in Council of the 2nd June, 1924, of 10½ acres, in the City of Bendigo, as a site for Agricultural Show Grounds.—(S.372(18) (Rs.3750)).

CRESWICK.—The temporary reservation by Order in Council of the 14th October, 1861, of half an acre of land, Parish of Creswick, at Creswick, as a site for Powder Magazine.—(C.318(4) (Rs.4587)).

COMMON ABOUT TO BE DIMINISHED.

IN pursuance of the provisions contained in Division 10 of Part 1. of the *Land Act* 1928 (No. 3709), notice is hereby given that it is the intention of the Governor in Council to diminish the common hereinafter mentioned, viz.:—

The following Notice was published 1° on the 2nd September, 1936, pursuant to Order of the 31st August, 1936.

The Stawell and Pleasant Creek Gold Fields Common, proclaimed on the 19th December, 1864, is about to be diminished by the excision therefrom of the portion thereof hereinafter described:—131 acres 3 roods 37 perches, being allotments 8A and 8B of section 1, Parish of Illawarra, County of Borung.—(51/44, 52/44) (Rs.530).

A. E. LIND,
Commissioner of Crown Lands and Survey.

PUBLIC HEARINGS BY PERSONS APPOINTED UNDER THE 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that at the times and places mentioned in the schedule hereunder, applications for leases and licences under the *Land Acts*, objections to such applications, objections to proposed proclamations, alterations, additions, diminutions, revocations or unions of commons, and reasons against forfeiture of any leases or licences under the *Land Acts* deemed liable to forfeiture, will be publicly heard by the persons whose names are set opposite such places respectively in such schedule, being persons appointed by me, the responsible Minister of the Crown administering the *Land Acts*, to hear the same and report thereon in writing to me.

A. E. LIND,
Commissioner of Crown Lands and Survey, and
President of the Board of Land and Works.

Department of Lands and Survey,
Melbourne, 1st September, 1936.

SCHEDULE.

MERBEIN, Wednesday, 16th September, 1936, at Three p.m.,
C. E. Chancellor.

OUYEN, Monday, 21st September, 1936, at Ten a.m., C. E.
Chancellor.

TORRITA, Monday, 21st September, 1936, C. E. Chancellor.

HEARING OF REASONS AGAINST THE FORFEITURE OF A LICENCE BY A PERSON APPOINTED UNDER 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that reasons against the forfeiture of the licence in the schedule hereto, which is deemed liable to forfeiture under the provisions of the *Land Acts*, will be publicly heard by the person appointed by me, the responsible Minister of the Crown administering the said *Acts*, to hear the same and report thereon in writing to me, when the person in the said schedule mentioned as holder of such licence will be allowed to show cause against the same at the place and on the date mentioned in the schedule hereto.

A. E. LIND,
Commissioner of Crown Lands and Survey, being
the responsible Minister of the Crown administering the *Land Acts*.

Department of Lands and Survey,
Melbourne, 1st September, 1936.

A. E. LIND,
Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 24th August, 1936.

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE CROWN LANDS IN THE PARISH OF SHEPPARTON, KNOWN AS THE GOULBURN RIVER RESERVES.

WHEREAS by the 181st section of the *Land Act 1928*, power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all Public Parks and Reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works in pursuance of the powers conferred as aforesaid doth hereby make the following Regulations in respect of such portions of Crown lands in the Parish of Shepparton as are indicated by green colour on plan marked S/16.4.34 with Lands Department correspondence C.78357.

REGULATIONS.

1. The Reserves shall be open to the public from sunrise to sunset free of charge.
2. No person shall enter or remain in the Reserves who may offend against decency as regards dress, language, or conduct.
3. No person shall damage in any way the trees, shrubs, or flowers in the Reserves, nor shall fires be lighted therein.
4. No person shall climb or jump over the gates or fences in or around the Reserves, stick bills thereon, or cut names thereon, or in any way damage or injure any of the buildings, gates, fences, seats, or trees in the Reserves, nor leave or deposit any glass, paper, or rubbish, nor roll or throw stones or any missiles of any kind therein.
5. No person shall put in the Reserves any cattle, horses, sheep, goats, pigs, or other animals without the permission, in writing, of the Committee of Management first obtained: Provided always that the moneys received for agistment shall be expended in the maintenance and improvement of the Reserves, and that an account thereof shall be furnished annually to the Board of Land and Works.
6. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserves, and shall be taken to be the occupier of the Reserves (with all powers incidental to that status), within the meaning of any law for the time being in force relating to the impounding of cattle. For the purposes of this clause, "cattle" shall mean cattle as defined by section 3 of the *Pounds Act 1928*.
7. No person shall bring into the Reserves any dog, unless controlled by a chain or cord, without the permission, in writing, of the Committee of Management first obtained.
8. No person shall camp in the Reserves, or erect therein any building, or any booth or other structure, for the purpose of residence, habitation, or any other purpose, without the permission, in writing, of the Committee of Management first obtained.
9. No person shall take part in any public entertainment of any sort in the Reserves, nor erect therein any building, or any booth or other structure for the purpose of offering for sale any article, without the permission, in writing, of the Committee of Management first obtained.
10. No person, except labourers and workmen employed in the Reserves, shall enter any plots therein which may be enclosed for plantations of young trees or shrubs.
11. No person shall remove any trees, timber, saplings, shrubs, or other vegetation, sand, stone, earth, marl, or gravel from the Reserve.

The Council of the Shire of Shepparton has been appointed a Committee of Management of the Reserve with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations, and who, after he has been warned by any bailiff of Crown lands, or by any member of the Police Force, or officer duly authorized by the said Council, does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force, and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was hereunto affixed this 27th day of August, 1936, in the presence of—

(SEAL) A. E. LIND, President.
W. McILROY, Member.

(Corres. C.78357.)

REGULATIONS.

WHEREAS by the 181st section of the *Land Act 1928*, power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks or reserves not conveyed to, and vested in trustees, and for the preservation of good order and decency therein: Now, therefore, the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth

hereby make the following Regulations in respect of the land temporarily reserved by Order in Council of 11th August, 1936, as a site for Public Offices and Approaches thereto in the City of Melbourne, and hereinafter referred to as the "Reserve":—

1. No person shall interfere with, move, damage, or destroy any shrub, tree, plant, grass, flowers, or any property, or enter on any flower beds or borders, or light fires within the Reserve.
2. No person shall throw stones or missiles of any kind within the Reserve.
3. No persons shall climb on any portion of any building, balustrade, or property in the Reserve, or jump over any fence or hedge thereon.
4. No person shall affix or interfere with placard, bill, notice, or marking of any kind or any building, structure, tree, constructed surface, or anything within the Reserve.
5. No person shall enter or travel over the Reserve with or on any motor car, motor cycle, bicycle, or other vehicle, except on such portions thereof provided for wheeled traffic, and the driver of such motor car, motor cycle, bicycle, or other vehicle shall be guided and directed, and shall abide by any notice, post, or sign, marking or barrier guide which has been marked or erected for the purpose of traffic guidance, control, or direction.
6. No person shall drive a motor car, motor cycle, bicycle, or other vehicle within the Reserve recklessly, or at a speed, or in a manner dangerous to the public, or likely to cause any damage to anything within the Reserve.
7. No person or persons, except as hereunder provided, shall park any motor car, motor cycle, bicycle, or other vehicle within the Reserve.
8. Any person having immediate official business within the Reserve may park therein any motor car, motor cycle, bicycle, or other vehicle by which he has entered such Reserve, and then only for such time as such business occupies.
9. The Board may permit employees of the Crown using motor cars, motor cycles, bicycles, or other vehicles in the course of their duties, or as a means of transport to and from their duties within the Reserve, to park such vehicles therein for such time as such employees may be considered to be on duty, and such vehicles shall only be parked within an area or areas within the Reserve as may be prescribed from time to time, and then so as not to interfere in any way with or obstruct the free passage of any other person or vehicle engaged in lawful business within the Reserve.
10. No person shall spit or expectorate on the paths or seats, or any wall, structure, or property within the Reserve.
11. No person in a state of intoxication, or who is disorderly, or is not decorously dressed, shall enter or remain in the Reserve, and no person shall commit therein any nuisance or any indecent or offensive act.
12. No person shall remain within the Reserve, or on any property therein, when lawfully directed to leave the same by any Bailiff of Crown lands, or member of the Police Force, or authorized officer of the Board.
13. No person shall hawk or sell, or offer for sale, within the Reserve any goods, fruit, or merchandise, or anything, or solicit or gather money therein, without the authority, in writing, of the Board.
14. No person shall give out, or distribute, any hand-bills, placards, notices, advertisements, books, pamphlets, or papers in the Reserve, or litter the same by scattering or throwing down hand-bills, placards, notices, advertisements, books, pamphlets, or papers.
15. No person shall bring into the Reserve any dog unless securely held by a chain or cord, or leash.
16. No person shall bring in or allow to remain in the Reserve any horse, cow, sheep, pig, or goat, and any such animal found wandering therein shall be liable to be impounded or destroyed.
17. No person except on lawful occasions, may enter any enclosed area or any building, garage, or shed, or other structure within the Reserve.
18. No person shall make or cause to be made any violent outcry, noise, disturbance, or sound, or shall play upon any musical or noisy instrument, or sing within the Reserve.
19. No person shall preach or declaim, harangue, or deliver any address of any kind to the members of the public within the Reserve without the written authority of the Minister of Lands.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulation, and who, after he has been warned by any Bailiff of Crown lands, or by any member of the Police Force, does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force, and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was hereunto affixed this 27th day of August, 1936, in the presence of—

(Corres. Rs.4588.)

COMMITTEES OF MANAGEMENT OF RESERVES.

APPOINTMENTS.

WHEREAS by section 184 of the *Land Act* 1928 it is provided that it shall be lawful for the Governor in Council or the Board of Land and Works to appoint and remove any number of persons, not less than three, or any municipal council, or the governing body of any corporation, to be a Committee of Management of any specified Crown land reserved either temporarily or permanently for any of the purposes set out in section 14 of the *Land Act* 1928, and not conveyed to or vested in trustees: Now therefore the Board of Land and Works doth hereby appoint the undermentioned persons to be Members of the Committees of Management of the Reserves named:—

"Greta Public Recreation Reserve."

The Council of the Shire of Oxley as a Committee of Management of the land temporarily reserved as a site for Public Recreation by Order in Council dated 27th July, 1936, in the Parish of Greta, and known as the "Greta Public Recreation Reserve."—(Corres. Rs.4157.)

"Nandaly Recreation Reserve."

John Patrick Carty, James Vincent Lynch, John Hallam, Albert Joseph Herrick, Rupert Kriss, James Ambrose Cloonan, and John Conlan as a Committee of Management for a period of three (3) years of the land temporarily reserved by Order in Council of 18th December, 1916, as a site for Public Recreation and Show Ground in the Parish of Bimbourie, known as "Nandaly Recreation Reserve."—(Corres. Rs.1334.)

"Boolite Recreation Reserve."

Ernst Oswald Kelm, Hermann William Habel, and Walter Penny as a Committee of Management for a period of three (3) years of the land temporarily reserved by Order in Council of 26th May, 1902, as a site for Public Recreation in the Village of Boolite, and known as "Boolite Recreation Reserve."—(Corres. C.70059.)

"Glenlogie Mechanics' Institute Reserve."

Frederick Arthur Whytcross, Donald Keith, William Herbert Cocking, Frederick Spiers, and Frank Ernest Yates for a period of three (3) years of the land temporarily reserved by Order dated 14th May, 1895, as a site for a Mechanics' Institute and Public Hall in the Parish of Glenlogie, and known as "Glenlogie Mechanics' Institute Reserve."—(Corres. Rs. 2796.)

This appointment is in lieu of all previous appointments which are hereby revoked.

"Wycheproof Recreation Reserve."

Joseph Coatsworth, Rugby Winter Larmour, Alexander Milburn, James Summers Perry, James Gray Matheson, Thomas Alexander Egan, and Thomas Daniel Pryse, as a Committee of Management for a period of three (3) years of the land temporarily reserved by Order in Council of 1st August, 1905, as a site for Public Recreation in the Township of Wycheproof, and known as "Wycheproof Recreation Reserve."—(Corres. Rs.174.)

"Airey's Inlet Reserve."

William De Crillon Berthon, Robert Washington Noble, and George Henry Anderson as a Committee of Management for a period of three (3) years from 30th August, 1936, of the land permanently reserved by Order in Council of 12th June, 1888, as a site for Public Purposes in the Parish of Angahook, and known as "Airey's Inlet Reserve."—(Corres. C.69488.)

"Gembrook Public Park."

Edmund Alexander Smith, John Carmichael Williamson, Maurice Midlane Dyer, Evelyn Aylmer Cecil Russell, Wolf Dorfman, Henry William Knight, and John Hardress Cecil Russell as a Committee of Management for a period of three years of the land temporarily reserved by Order in Council of 14th December, 1906, as a site for a Public Park in the Parish of Gembrook, and known as "Gembrook Public Park."—(Corres. Rs.149.)

"Wesburn Public Park."

Leo Valentine Cooper, William Patrick Power, William Thomas Seear, George Ware, James Sheldon, Norman Gairn, and Michael John Scully as a Committee of Management for a period of three (3) years of the Reserve for a Public Park in the Parish of Warburton, known as "Wesburn Public Park."—(Corres. Rs.2136.)

No. 168.—10876.—4

"BOINKA RECREATION RESERVE."

Matthew Ryan, Owen Peter McDonald, Robert Holdsworth, Hugh A. Magain, and Vincent Ryan as a Committee of Management for a period of three (3) years of the land temporarily reserved by Order in Council dated 30th November, 1915, as a site for Public Recreation in the Town of Boinka, and known as "Boinka Recreation Reserve."—(Corres. Rs.877.)

"Wonthaggi District Hospital Reserve."

James H. Cameron, William Young, George Allan, Samuel Booth, Thomas Carney, Alfred Cuddy, Daniel J. Flynn, Percy Pollard, Arthur Philp, Robert Russell, and George Stewart for so long only as each shall hold office as members of the Committee of Management of the Wonthaggi Hospital, jointly with Frank Loughran, Ian Morgan, and Frederick Tschudy as a Committee of Management of the land temporarily reserved by Order in Council of 23rd March, 1911, as a site for a Hospital in the Township of Wonthaggi.—(Corres. Rs.949.)

This appointment is in lieu of that made on 31st October, 1935, and notified in the *Government Gazette* of the 6th November, 1935, which is hereby revoked.

"Gonzaga Recreation Reserve."

George Jebb, Francis William Friday, Eric Fraser, Patrick Kelleher, and Edward F. Comerford as a Committee of Management for a period of three (3) years of the land temporarily reserved by Order in Council dated 5th May, 1936, in the Parish of Gonzaga as a site for Public Recreation, and known as the "Gonzaga Recreation Reserve."—(Corres. Rs.4559.)

In witness whereof the common seal of the Board of Land and Works was hereunto affixed this twenty-seventh day of August, One thousand nine hundred and thirty-six, in the presence of—

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for

GEO. L. GOUDIE,
 Commissioner of Public Works.

Melbourne, 2nd September, 1936.

TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST OCTOBER, 1936, TO 30TH SEPTEMBER, 1937,
 EXCEPT WHERE OTHERWISE STATED.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Lands Offices in the Country.

Tenders should be placed in the Lands Department Tender-box, State Treasury Buildings, Melbourne, C.2. at or before Noon on Wednesday, 23rd September, 1936.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Seven shillings and sixpence for licence are forwarded.

TENDERS will be accepted at or before Noon on Wednesday, 23rd September, 1936, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the Land Act 1928 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 121st section of the Land Act 1928, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miner's rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1928 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber, upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the Vermin and Noxious Weeds Act 1928 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited; unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

20. The licensee shall pay shire rates and all other charges for the period of occupation.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise stated, will be for twelve (12) months from 1st October, 1936, to 30th September, 1937.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month; or he may arrange with the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1928.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, Land Act 1928, provides—

1. Where a licensee under section 121 of the Land Act 1928 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

A. E. LIND,

Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 28th August, 1936.

	Area Acres.

PRIVATE ADVERTISEMENTS.

HAMILTON SEWERAGE AUTHORITY.

NOTICE.

NOTICE is hereby given that the Hamilton Sewerage Authority proposes, under the powers conferred by Part 4 of the *Sewerage Districts Act 1928*, to compulsorily purchase the undermentioned land. The consent of the Governor in Council has been obtained to the purchase and the particulars required to be advertised by section 107 of the *Sewerage Districts Act 1928*, are:—

- (a) The land is proposed to be taken as a site for Treatment Works and Sewage Farm.
- (b) A plan and description of the proposed works is deposited at the office of the Authority, Town Hall, Hamilton, and may be inspected at any time during office hours.
- (c) The quantity of the land which the Authority proposes to compulsorily purchase is as set out hereunder:—

All that piece of land, containing 181 acres 3 roods 3 perches, or thereabouts, being allotments 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12, Parish of South Hamilton, County of Normanby, and allotments 87, 88, 89, 90, 91, 92, 93, and 94, section B, Parish of South Hamilton, County of Normanby, commencing at the north-eastern angle of Crown allotment 87, section B, Parish of South Hamilton, County of Normanby; thence westerly along the northern boundaries of allotments 87 and 90, section B, Parish of South Hamilton, to the north-western angle of the said allotment 90 and by a line across a road to the north-eastern angle of allotment 91, section B, Parish of South Hamilton; thence westerly along the northern boundaries of allotments 91 and 93, section B, Parish of South Hamilton, to the north-western angle of the said allotment 93; thence southerly along the western boundaries of allotments 93 and 94, section B, Parish of South Hamilton, and allotments 1, 2, and 3, Parish of South Hamilton, to the south-western angle of the said allotment 3; thence easterly along the southern boundaries of allotments 3 and 4, Parish of South Hamilton, to the south-eastern angle of the said allotment 4 and by a line across a road to the south-western angle of allotment 9, Parish of South Hamilton, and along the southern boundaries of allotments 9 and 10, Parish of South Hamilton, to the south-eastern angle of the said allotment 10; thence northerly along the eastern boundaries of allotments 10, 11, and 12, Parish of South Hamilton, and allotments 88 and 87, section B, Parish of South Hamilton, to the point of commencement.

By order,

A. WALLS, A.I.C.A., Secretary.

Town Hall, Hamilton, 21st August, 1936. 6323

CASTLEMAINE SEWERAGE AUTHORITY.

NOTICE is hereby given that a map and plans showing the levels and particulars of the sewers to be constructed within the Authority's District has been prepared and is open for inspection at the Town Hall, Castlemaine, during office hours, by the owners or occupiers of lands or premises in the Sewerage District.

H. WILFRID HAGUE, Secretary.

31st August, 1936. 6401

MELBOURNE AND METROPOLITAN TRAMWAYS BOARD.

THE Melbourne and Metropolitan Tramways Board, in accordance with section 95 of Act No. 3732, having determined that the capital cost of its works and undertakings at 30th June, 1936, amounted to £8,284,833 0s. 11d. (Eight million two hundred and eighty-four thousand, eight hundred and thirty-three pounds and Eleven pence), I certify, after due inquiry and investigation, that the determination is correct.

J. A. NORRIS, Auditor-General.

21st August, 1936. 6378

CITY OF CAMBERWELL.

STREET NAMING.

NOTICE is hereby given that in pursuance of the powers conferred by the *Local Government Act 1928*, the Council of the City of Camberwell, at a Meeting held on the 24th day of August, 1936, did order that the name of the street heretofore known as "Woorack-avenue," commencing at Belmore-road 991 ft. 1 in. east of Burke-road and running northwards for 411 ft. 6 in. approximately, and being 50 feet wide, be changed to "Corhampton-road." Such order to take effect from the date of publication in the *Victoria Government Gazette*.

By order,

R. M. G. AITCHISON, Town Clerk.

Town Hall, Camberwell, 29th August, 1936. 6389

CITY OF SANDRINGHAM.

NOISES IN PUBLIC HIGHWAYS.

A By-law of the City of Sandringham made under section 197 of the *Local Government Act 1928*, and numbered 97, for minimizing noises in any public highway.

IN pursuance of the powers conferred by the *Local Government Act 1928*, the Mayor, Councillors, and Citizens of the City of Sandringham Council order as follows:—

1. No person, either by himself or his agent, servant, employee, or otherwise shall, in any public highway or upon any land or premises within the City of Sandringham, create or cause to be occasioned an amount of noise sufficient to be an annoyance to users of any public highway in the said City—

- (a) by shouting, singing, or haranguing with any loud speaker, microphone, or other device, or
- (b) by operating or controlling any broadcasting set, wireless set, gramophone, piano player, or other instrument or contrivance.

2. Every person who is guilty of an offence against this By-law shall be liable, on conviction, to a penalty not exceeding £20 (Twenty pounds).

3. This By-law shall apply to and have application throughout the whole of the Municipal District of the City of Sandringham.

Resolution for making and passing this By-law agreed to by the Council of the City of Sandringham on the twenty-first day of July, One thousand nine hundred and thirty-six.

Confirmed on the eighteenth day of August, One thousand nine hundred and thirty-six.

The common seal of the Mayor, Councillors, and Citizens of the City of Sandringham was hereto affixed by order of the Council, the twenty-second day of August, 1936, in the presence of—

F. B. MENADUE, Mayor.

R. J. SILLITOE, Councillor.

FRED. G. TRICKS, Town Clerk.

6386

TOWN OF NEWTOWN AND CHILWELL.

BY-LAW No. 24.

Rubbish and Refuse on Lands and Streets.

A By-law of the Town of Newtown and Chilwell, made under the *Local Government Acts*, and numbered 24, for—

- (a) prohibiting the deposit or leaving of refuse or rubbish on streets, roads, lanes, or passages;
- (b) prohibiting the deposit or leaving of refuse or rubbish on any land; and
- (c) requiring the removal or destruction by the owner or occupier of any land of refuse or rubbish thereon.

IN pursuance of the powers conferred by the *Local Government Acts*, and of any other power it thereunto enabling, the Mayor, Councillors, and Burgesses of the Town of Newtown and Chilwell order as follows:—

1. No person shall deposit or leave any refuse or rubbish on any lane, passage, street, or road.

2. No person shall deposit or leave any refuse or rubbish on any land.

3. The owner or occupier of any land shall remove or destroy all refuse or rubbish thereon (other than refuse or rubbish the removal of which the Council of the Town of Newtown and Chilwell has undertaken or contracted for under section 39 of the *Health Act 1928*).

4. This By-law shall apply to and have operation throughout the whole of the Municipal District of the Town of Newtown and Chilwell.

5. Any person or persons who shall by wilful act or default be guilty of any breach of the provisions of this By-law shall be liable for any such offence to a penalty not exceeding £20 or not less than 20s. for each such breach.

Resolution for passing this By-law agreed to by the Council of the Town of Newtown and Chilwell on the 29th day of July, 1936, and confirmed on the 26th day of August, 1936.

The common seal of the Mayor, Councillors, and Burgesses of the Town of Newtown and Chilwell was hereto affixed on the 26th day of August, 1936, in the presence of—

JAMES F. F. PRIER, Mayor.

J. F. S. SHANNON, Councillor.

T. S. LANCASTER, Town Clerk.

The *Companies Act 1928*.—In the matter of APPIAN CONSTRUCTION (VICTORIA) LIMITED (in Voluntary Liquidation).

NOTICE is hereby given that a First Dividend is intended to be declared in the above matter, and creditors who have not proved their debts by the 14th day of September, 1936, will be excluded from such dividend.

Dated this 31st day of August, 1936.

E. L. BARRETT, Liquidator.

E. L. Barrett, chartered accountant (Aust.), 422 Collins-street, Melbourne. 6394

In the Supreme Court.—In the matter of the *Companies Act 1928*, and in the matter of ELLIS DOWLING PROPRIETARY LIMITED.

NOTICE is hereby given that a petition for the winding up of the above-named company by the Supreme Court was, on the 28th day of August, 1936, presented to the said Court by Donald Clive Morrison, of 395 Collins-street, Melbourne, and that the said petition is directed to be heard before the Court sitting at the Law Courts, William-street, Melbourne, on the 10th day of September, 1936, and any creditor or contributory of the said company desirous to support or oppose the making of an order of the said petition may appear at the time of hearing by himself, or his counsel for that purpose, and a copy of the petition will be furnished to any creditor or contributory of the said company requiring the same by the undersigned upon payment of the regulated charge for the same.

MORRISON, SAWERS & TEARE, solicitors for the petitioner, 395 Collins-street, Melbourne.

NOTE.—Any person who intends to appear on the hearing of the said petition must serve on or send by post to the abovenamed, notice of intention, in writing, of his intention so to do. The notice must state the name and address of the person, or if a firm, the name and address of the firm, and must be signed by the person or firm or his or their solicitor, if any, and must be served, or if posted must be sent by post, in sufficient time to reach the abovenamed not later than Four o'clock in the afternoon of the ninth day of September, 1936. 6422

In the Supreme Court of Victoria, No. 4511.—In the matter of the *Companies Act 1928*, and in the matter of *N. LEVIN & SONS PROPRIETARY LIMITED (in Liquidation)*.

Friday, the twenty-eighth day of August, 1936.

Before His Honour Mr. Justice Martin (in Chambers).

UPON application made the twenty-eighth day of August, 1936, by Howard Kirby Ingham, the liquidator herein, for his release under section 159 of the *Companies Act 1928*, and for the dissolution of the company, and upon hearing such application this day, upon reading the Order of His Honour Mr. Justice Macfarlan made herein the third day of August, 1936, the report of the chief clerk, dated the twentieth day of August, 1936, and the affidavit of the said Howard Kirby Ingham, sworn the twenty-third day of July, 1935, the affidavit of Olive Jean Osborne, sworn the twenty-eighth day of August, 1936, and the affidavit of Eleanor Campbell, sworn the fourteenth day of August, 1936, and filed herein, and the exhibits therein referred to. And upon hearing Mr. Frederico, of counsel for the liquidator, and no creditor or contributory appearing to object to the release of the said liquidator, and it appearing that all the requirements of the *Companies Act 1928* and the rules thereunder have been complied with, I do order that the release applied for by the said Howard Kirby Ingham as such liquidator be granted, and I do further order that the said company be dissolved as from the day of the date hereof.

Dated this 2nd day of September, 1936.

MULLETT & LANGFORD, of 395 Collins-street, Melbourne, proctors for the aforesaid Arthur Lohmann Wood and George Wood. 6475

NOTICE is hereby given that all persons having claims upon the estate of Norman Buckman, late of Clifton Court, 83 Barkly-street, St. Kilda, in the State of Victoria, retired postmaster, deceased (who died on the second day of July, 1936, and probate of whose will was granted by the Supreme Court of Victoria, on the 27th day of August, 1936, to Rachel Buckman, of Clifton Court, 83 Barkly-street, St. Kilda, in the said State, widow), are hereby required to send particulars, in writing, of such claims to her at the address of her solicitor, set out hereunder, within two months of the publication hereof, after the expiration of which time the said executrix will proceed to convey and distribute the said estate, or any part thereof, to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which she, the said executrix, shall then have had notice, and notice is further given that the said executrix will not be liable to any person or persons of whose claims she shall not have had such notice as aforesaid.

Dated this 1st day of September, 1936.

M. MACPHERSON SMITH, solicitor, 422 Little Collins-street, Melbourne, C.1. 6491

NOTICE is hereby given that all persons having claims upon the estate of Evelyn Ada Kitchin, formerly of 42, but late of 64, Burwood-road, Hawthorn, in the State of Victoria, married woman, deceased (who died on the 31st day of July, 1936, and probate of whose will was granted by the Supreme Court of the State of Victoria on the 21st day of August, 1936, to Thomas Henson Kitchin, of 64 Burwood-road, Hawthorn, in the said State, plumber), are hereby required to send particulars, in writing, of such claims to him, at the address of his solicitor set out hereunder, within two months of the publication hereof, after the expiration of which time the said executor will proceed to convey and distribute the said estate, or any part thereof, to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which he, the said executor, shall then have had notice. And notice is further given that the said executor will not be liable to any person or persons of whose claims he shall not have had such notice as aforesaid.

Dated this twenty-seventh day of August, 1936.

M. MACPHERSON SMITH, solicitor, 422 Little Collins-street, Melbourne, C.1. 6492

RE GWENDOLINE CRAWFORD, DECEASED.

PURSUANT to the *Trustee Act* 1928, notice is hereby given that The Perpetual Executors and Trustees Association of Australia Limited, of 100-104 Queen-street, Melbourne, the sole executor of the will of the said Gwendoline Crawford, late of "Clovelly," Leslie-grove, Brighton Beach, in the State of Victoria, married woman, deceased (who died on the fifth day of July, 1936), intends to convey or distribute the estate of the said deceased to or among the persons entitled thereto, and requires all persons and creditors interested to send to the said The Perpetual Executors and Trustees Association of Australia Limited on or before the second day of November, 1936, particulars, in writing, of their claims against the said estate, after which date the said The Perpetual Executors and Trustees Association of Australia Limited may convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which it shall then have had notice.

Dated the twenty-sixth day of August, 1936.

LEWIS & LEWIS, 379 Collins-street, Melbourne, proctors for the said Association. 6440

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of Helen Allen Davidson, late of Mayfield-avenue, Malvern, in the State of Victoria, widow, deceased (who died on the seventh day of May, 1936, probate of whose will was granted by the Supreme Court of the State of Victoria, in its probate jurisdiction, on the sixteenth day of July, 1936, to Arthur Irving Davidson, of 304 Glenferrie-road, Hawthorn, aforesaid, Presbyterian minister, and Keith McMillan Davidson, of Coleraine, aforesaid, grazier, the executors named in and appointed by the said will), are hereby required to send particulars, in writing, of such claims to the said executors, care of Meares, Duigan & Hall, 331 Collins-street, Melbourne, on or before the seventh day of November, 1936, after which date the said executors will proceed to distribute the assets of the said Helen Allen Davidson, deceased, which shall have come to their hands amongst the persons entitled thereto, having regard only to the claims of which they shall then have had notice as aforesaid. And notice is hereby further given that the said executors will not be liable for the assets so distributed or any part thereof to any person of whose claim they shall not then have had notice as aforesaid.

Dated the 29th day of August, 1936.
MEARES, DUGAN & HALL, of 331 Collins-street, Melbourne, proctors for the said executors. 6444

GEORGE ROBINSON, DECEASED.

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims, whether as creditors, next of kin, beneficiaries, or otherwise, against the estate of George Robinson, late of Wattle Valley-road, Canterbury, in the State of Victoria, gentleman, deceased (who died on the 25th day of April, 1936, and probate of whose will was granted by the Supreme Court of the State of Victoria, in its probate jurisdiction, on the 27th day of August, 1936, to The Trustees, Executors, and Agency Company Limited, of 412 Collins-street, Melbourne, in the said State), are hereby required to send particulars, in writing, of such claims to the said company, at its address aforesaid, on or before the 7th day of November, 1936, after which date the said company will proceed to distribute the estate of the said George Robinson, deceased, which shall then have come to its hands, amongst the persons entitled thereto, having regard only to the claims of which it shall then have had notice. And notice is hereby further given that the said company will not be liable for the assets so distributed, or any part thereof, to any persons of whose claims it shall not have had notice as aforesaid.

Dated this 29th day of August, 1936.
ABBOTT, BECKETT, STILLMAN, & GRAY, of 440 Chancery-lane, Melbourne, proctors for the said company. 6445

PURSUANT to the *Trustee Act 1928*, notice is hereby given that The Ballarat Trustees, Executors, and Agency Company Limited, of 101 Lydiard-street north, Ballarat, in the State of Victoria, the executor of the will of Gottlob Herman Ballhausen, late of 27 Lyons-street north, Ballarat, in the said State, retired bank officer, deceased (who died on the 2nd day of February, 1936), intends to convey or distribute the real and personal property of the said deceased to or among the persons entitled thereto, and requires all persons and creditors interested to send to the said company detailed particulars of their claims in respect of the said property on or before the 4th day of November, 1936. And notice is hereby given that, after the said date, the said company will proceed to convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which it may then have had notice; and it will not be liable for the assets so conveyed or distributed to any person of whose claim it shall not then have had notice.

Dated this 28th day of August, 1936.
CUTHBERT, MORROW, MUST, & SHAW, Ballarat, solicitors for the said company. 6415

RE RICHARD INCE, DECEASED.

PURSUANT to the *Trustee Act 1928*, notice is hereby given that The Perpetual Executors and Trustees Association of Australia Limited, of 100-104 Queen-street, Melbourne, and Claude Donaldson Ince, of Howitt-road, Caulfield, clothier, the executors of the will of the said Richard Ince, late of "Ballara," 264 Hawthorn-road, Caulfield, in the State of Victoria, clothier, deceased (who died on the 3rd day of June, 1934), intend to convey or distribute the estate of the said deceased to or among the persons entitled thereto, and require all persons and creditors interested to send to the said executors, care of The Perpetual Executors and Trustees Association of Australia Limited, on or before the 14th day of November, 1936, particulars, in writing, of their claims against the said estate, after which date the said executors may convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which it and he shall then have had notice.

Dated the 27th day of August, 1936.
HENDERSON & BALL, 430 Little Collins-street, Melbourne, proctors for the executors. 6436

RE SARAH HELSHAM, DECEASED.

H. J. GREEN,
Government Printer.

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 1d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line single column, and ONE SHILLING and FOURPENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; and ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates, on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Sixpence, posted Sevenpence, each.

No GAZETTES prior to January, 1921, in stock.

* * * ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
