MOUNTAINOUS AREAS SCHEME.

THE Farm Allotment mentioned in the Schedule hereunder is hereby proclaimed available for application, and may be taken up under Conditional Purchase Lease, subject to the mountainous areas provisions:—

TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Commission, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person.

The capital value, including interest at $4\frac{1}{2}$ per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of $31\frac{1}{2}$ years. The first ten years will be free as provided hereunder and term of lease extended accordingly.

Improvements must be effected to the value of at least two instalments of the purchase money before the end of the first year from the date of lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

MOUNTAINOUS AREAS PROVISIONS.

No instalment of purchase money shall be payable during the first ten years, provided the lessee complies with conditions and the allotment is satisfactorily worked. The lessee shall during each and every year of the free period reduce at least one-tenth part of the allotment to a state of clean grass or cultivation and maintain same.

Interest at the rate of $4\frac{1}{2}$ per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

CITY OF BRIGHTON.

BY-LAW No. 96.

A By-law of the City of Brighton made under the provisions of sections 766 and 767 of the *Local Government Acts* and numbered 96, for regulating the management and use of the Municipal Baths situate at Middle Brighton, on the shore of Port Phillip Bay, between the Middle Brighton Pier and Park-street, within the City of Brighton, and for fixing the amounts to be charged for certain conveniences thereon, and for the supply of bathing requisites and refreshments, for fixing the hours during which such baths shall be available to the public, and for fixing the penalty for any breach of this By-law.

IN pursuance of the power conferred by the *Local Government Acts*, the Mayor, Councillors, and Citizens of the City of Brighton, order as follows:—

1. By-law numbered 59 for the management of the Brighton Corporation Baths heretofore in force in the City of Brighton is hereby expressly repealed.

2. The building erected on the Beach Reserve, between the Middle Brighton Pier and Park-street, in the said city, together with the fence and shark proof enclosure running from the said building, and enclosing part of the shore of Port Phillip Bay, and part of the sea, are herein collectively referred to as the Baths.

3. The Baths shall be open to the public the whole year round during the following hours:—7 a.m. to 9 p.m.

Provided that the Baths may be kept open till 11 p.m. on those days during the summer when, in the opinion of the lessee or person in charge, there is a sufficient attendance of the public to render it inexpedient to close the Baths at 9 p.m.

4. No person shall bathe in the Baths unless wearing approved bathing costume, and no person clothed in bathing costume shall enter into or be in or upon any part of the foreshore enclosed in the Baths, or any part of the staging of the Baths, or any part of the Baths open to the public view, unless such bathing costume conforms to the provisions of this By-law, and the lessee or person in charge shall require any person contravening this provision to at once resume his or her ordinary dress. Approved bathing costume is a bathing costume covering the body at least to the extent herein set out:—

The costume shall have legs at least 3 inches long.

The costume shall completely cover the chest and front of the body from a line at the level of the armpits down to the waist.

Below the waistline the whole of the trunk, front, back, and sides shall be covered, and the covering shall descend without a break to the lower end of the leg covering. The costume shall be provided with shoulder straps or other means of keeping it in position.

In the case of a person over the age of twelve years, the costume shall, in addition, have a half-skirt attached to the waist covering the front of the body below the waist line and descending to the lower end of the leg covering.

5. No person shall expectorate on the staging of the Baths, or in the entrance to the dressing rooms, compartments, passages, or conveniences of the Baths.

6. No person shall bring into or cause or allow any dog or other animal to enter or remain in the Baths.

7. No person shall use or interfere with the lifebuoys or life-saving appliances unless in case of accident and danger occurring to a bather rendering their use necessary for the saving of life.

8. The lessee or person in charge of the Baths may charge every person entering the Baths the proper fees or dues for the use of receptacles for clothes and for bathing accommodation and requisites as appear hereunder, or as shall from time to time be fixed by any resolution of the Council, which fees or dues shall be exhibited in plain figures at the entrance to the Baths.
