GEO. L. GOUDIE,

Commissioner of Public Works.

Melbourne, 3rd February, 1937.

TENDERS FOR THE SERVICE 1937-8-9.

GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 19th February, 1937, from persons willing to supply the undermentioned articles required by the Victorian Government from 1st March, 1937, to 28th February, 1939. Delivery must be made as indicated in the schedule:—Schedule No. 60.—Overcoats (Waterproof) for Traffic Police. Preliminary deposit £3.

Security—Five per cent. of total amount of tender accepted. The price tendered must not include sales tax.

Schedule as above, with full particulars and conditions of contract, may be obtained from the Secretary to the Tender Board, by whom also the sample will be shown and any information afforded to persons tendering.

If the tenderer is in a position to supply a suitable substitute of Commonwealth production or manufacture in place of the sample at the Tender Board Office he may tender for such substitute under column B in the schedule, but he must submit with his tender a sample of the article offered.

The country of origin of the articles offered must be stated.

Tenders must be accompanied by the preliminary deposit, as shown above, in a bank draft or marked cheque, in favour of the Secretary to the Tender Board. *Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits.* Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

The amount of the preliminary deposit required with each tender must be enclosed and the amount must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, C.2, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

Conditions of Contract are those published in the *Victoria Government Gazette* of 11th March, 1936, pages 707 and 708.

11. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. 13. The licensee shall pay Shire rates and all other charges for the period of occupation.

10. The Closer Settlement Commission reserves the right to sell or remove from each lot the surplus houses or other buildings not required for the reasonable working of the areas.

11. The Minister may grant permission to the licensee to remove any internal fencing to complete the boundary fences. Plans can be seen and information may be obtained in this office.
