Factories and Shops Acts.

#### DETERMINATION OF THE LEATHER-GOODS BOARD.

Note.—This Determination on the 30th June, 1938, applied to the following parts of Victoria, namely:—The Metropolitan District as defined in the Factories and Shops Acts and the Order in Council thereunder; such portions of the city of Sandringham as are not included within the said Metropolitan District: the cities of Ballarat, Bendigo, Geelong, Geelong West, and Warrnambool; the town of Newtown and Chilwell: and the boroughs of Eaglehawk and Sebastopol.

N accordance with the provisions of the Factories and Shops Acts the Wages Board appointed to "determine the lowest prices or rates which may be paid to any persons employed in the trade of manufacturing—

(a) Articles made of leather or a substitute for leather, such as-

Bags, braces, cases, cricket balls, pads, or other sporting goods, garters, pocketbook covers, portmanteaux, purses, trunks, wallets;

(b) Machine belting; (c) Any other kind of leather goods—

but not including persons subject to the jurisdiction of the Boot Board, the Rubber Trade Board, or the Saddlery and Harness Board," has made the following Determination, namely:—

(1) That on the 30th June, 1938, the last previous Determination of the Board shall be revoked and replaced by this Determination. (2)

Apprentices and Improvers.	Other Employees.
Proportion (IN ANY PLACE).  MALES.  Apprentices and Improvers.  The proportion of male apprentices and/or improvers that may be employed to the number of adult males receiving not less than the minimum wage prescribed by this Determination shall be as follows:—  Apprentices.  Improvers.  Adult Males.  1	(c) Other machine rivetting and making unframed fibre cases 13 inches and under
å " 4 " 19 .	of 49s 9d. per week of 44 hours, but there shall be in each workshop a proportion of one male adult and one male apprentice to every ten female workers.

(3) Hours.—The weekly hours of employees shall be 44 hours for males and females to be worked in 5 days of 8 hours and one day (Saturday) of 4 hours or 5 days of 8 hours 48 minutes each, continuously except for meal breaks.

The regular hours of work shall be not earlier than 7 a.m. and not later than 6 p.m. on five days of the week and not earlier than 7 a.m. and not later than 1 p.m. on Saturday or other day on which a half-holiday is kept. Provided that not more than 8 hours 48 minutes except as provided in clause 4 horsof) shall be worked in any one day in each week.

- (4) PAYMENT FOR OVERTIME, SUNDAYS, AND HOLIDAYS.—(a) All time worked on any day before or after the regular working hours shall be paid for at not less than the rate of time and a quarter for the first three hours and double time thereafter.

  (b) All work done on Sundays and holidays shall be paid for at the rate of not less than double time.

  (c) Piece-workers employed before or after the regular working hours shall be paid for the first three hours one-fourth of hourly rates and thereafter full hourly rates in addition to piece-work rates.
- (5) Holdys.—Employees shall be entitled to the following holidays without pay when no work is done:—The days observed as New Year's Day, Australia Day, Good Friday, Easter Monday, King's Birthday, Christmas Day, Boxing Day, Labour Day (in the metropolis and in any city or town where there is a public celebration of Eight Hours Day), Union Pionic Day once in each year (in the metropolis and in any town or city where such picnic is held) provided that the secretary or branch secretary of the Australian Saddlery Leather Sail Canvas Tanning Leather Dressing and Allied Workers Trades Employees Federation shall give written or printed notice of the intention to hold the picnic, such notice to be sent by pre-paid letter to each employer bound to observe the holiday not less than four weeks nor more than six weeks prior to the date on which the picnic is to be held.
- (6) PAY DAY.—The employer shall pay the employees all moneys due at least once in each week, before knock-off time, and not later than Friday in each week. Any employee dismissed by his employer and who has worked only a portion of a week shall be paid on ceasing work for all time worked during that week.
- (7) WATTING TIME.—Any employee kept waiting for work more than half an hour in any one day shall be paid for the whole of the time such employee is kept waiting on that day at not less than a sum equal to his or her average earnings.
- (8) DEFINITION OF A MALE JOURNEYMAN.—A male journeyman shall mean an employee twenty-one years of age or over, or one who has worked five years or more in connexion with the manufacture of—

(a) Articles made of leather or a substitute for leather, such as—
Bags, braces, cases, cricket balls, pads, or other sporting goods, garters, pocketbook covers, portmanteaux, purses, trunks, wallets;

(b) Machine belting;

(c) Any other kind of leather goods—

Any other kind of leather goods—

but not including persons subject to the jurisdiction of the Board, the Rubber Trade Board, or the Saddlery and Harness Board. Provided that the rates prescribed for improvers in their sixth and seventh years shall operate until the apprentice or improver has reached the age of twenty-one years.

- (9) LIMITATION OF EMPLOYER'S LIABILITY.—Where an employer subject to this Determination has made a payment to an employee bound by this Determination which payment purports to be a payment of the wages payable to the employee for any period, such employer shall not be liable to pay to the employee any further sums prescribed by this Determination in respect of any services rendered to such employer during such period unless within a period of nine calendar months after the last day of such period a demand in writing of such further sum claimed has been given to the employer by the employee or some person on his behalf or by the local representative of the Employees Federation.
- (10) EMPLOYER TO FIND WORKSHOP, ETC.—The employer shall find workshops, light, bench room and supply all materials used in connexion with the trade free of charge to the employees.
- (11) CONDITIONS GOVERNING PIECE-WORK.—The lowest prices or rates of payment to any person for wholly or partially preparing or manufacturing any article of the description referred to in the following schedules of rates respectively shall be the price or rate fixed for the article in the said schedules respectively, subject to such extras or deductions as are provided by the said schedules.

Work shall be taken as completed after passing the inspection of the employer or whoever he may appoint.

Material for workmen in the bag and leather goods trade shall be cut out. A deduction may be made if the material is cut out. Material given out shall be cut to length required.

Machine sewing shall be done for the workman and preparing for same shall be done by the workman.

When length is specified, increase or deduction in quantity of stitching, or stitching or finishing shall be according to scales adopted by the Determination.

Materials, such as hemp, wax, jet, tallow, &c., shall be found for workmen free of charge by the employer.

- " Full price" shall mean the price fixed for an article without extras or deductions.
- "Extra" or "extras" shall mean any work (not specified in the general description of an article) the price of which is to be added to the full price.
  - "Deduction" or "deductions" shall mean any work the price of which can be deducted from the full price fixed for an article.

Where a lower price is stated for a specified quantity the materials for the whole number specified shall be given out at one time and the full number shall be finished in one lot or the full single price shall be paid for each article.

Full-time employees shall not engage in trade work for other than their regular employer.

The Board determines, under the provisions of sub-sections (1) and (2) of section 150 of the Factories and Shops Acts that for all work not specified in the Schedule of piece-work rates hereto any employer may fix and pay piece-work rates to any male or female person employed at any work for which the Board has fixed a minimum wage, provided that such an employer shall base such piece-work prices or rates on the earnings of an average worker working under like conditions, and such piece-work prices or rates shall be fixed so that an average worker can earn not less than the wages rate fixed by the Board for such work.
