**W**HEREAS by the Water Acts power is given to any authority (subject to the approval of the Governor in Council) from time to time to make, amend, and repeal By-laws relating, *inter alia*, to the appointment of the place and hour of meetings, whether periodical or special, and providing for the due management and conduct of business thereat, be it therefore ordered and directed, subject as aforesaid, by the Commissioners of the Port Fairy Waterworks Trust, such Trust being an authority under the said Act, as follows, viz.:—

1. In all cases not provided for by Acts of Parliament of Victoria relating to authorities, or by this By-law, resort shall be had to the rules, forms, and usages of the Parliament of Victoria, which shall be followed so far as the same are applicable to the proceedings of the Trust.

2. *Place, Hour, and Adjournment of Meetings.*—Meetings of the Trust shall be held periodically at the Borough Chambers, Port Fairy, on the first Monday in the month, to date from the 1st November, 1937, at the hour of Eight o'clock in the evening, and the Commissioners thereat may from time to time by adjournment from such meeting, or from any subsequent adjournment thereof, meet together at any convenient place, and at such hour to be from time to time appointed by them for that purpose.

3. *Meetings, Special.*—A special meeting of the Commissioners may at any time be called by the chairman or by the Minister, and shall be called by the chairman if so requested, in writing, under the hands of two Commissioners. No special meeting shall be held unless four clear days' notice thereof at least be given to each Commissioner. Such notice shall be in writing, and shall specify the time of the meeting and the object thereof, and shall be delivered or sent through the post office, or otherwise, to the place of abode, or the usual place of business (if any) within the Waterworks District of each Commissioner. No business shall be transacted at any special meeting, except what is stated on the notice thereof.

4. *Powers Vested in Commissioners.*—All powers vested in the Waterworks Trust may be exercised by the Waterworks Trust at any meeting held in pursuance of the Water Acts at which there is a quorum of the Commissioners present, but not otherwise.

5. *Quorum.*—A quorum of the Commissioners shall consist of six Commissioners. If there is not a quorum of Commissioners present within half an hour after the time appointed for any meeting, the Commissioners present, or the major part of them, or any one Commissioner if there is only one present, may adjourn the meeting until another hour or another day; if no Commissioner is present, the secretary may so adjourn the meeting. Except where a meeting is so adjourned to a subsequent hour of the same day, the secretary shall forthwith deliver or send through the post office to each Commissioner notice, in writing, of the time to which the meeting has been adjourned.

6. *Who Shall Preside at Meetings.*—At any meeting of Commissioners the chairman, if present, shall preside, and if the chairman is not present at the time appointed for holding the meeting, the Commissioners present shall choose some one of their number to be chairman of such meeting.

7. *Majority to Decide.*—All questions at any meeting of the Commissioners shall be decided by a majority of the votes of the Commissioners present, and in case of an equal division of votes, the chairman shall have a second or casting vote.

8. *Meetings, Notice of.*—A notice of every regular meeting of the Commissioners shall be, by the Trust Secretary, delivered or sent by post, addressed to the usual or last known place of abode of each Commissioner, three days at least prior to the day upon which such intended meeting is to be held, except in cases of emergency, when a special meeting may be called as hereinbefore provided.

9. *Meetings, Resolutions at, not to be Revoked.*—No resolutions at any meeting of the Commissioners shall be revoked or altered at any subsequent meeting, unless notice of the intention to propose such revocation or alteration be determined upon by a majority consisting of two-thirds of the Commissioners present at such subsequent meeting, if the number of Commissioners present at such subsequent meeting be not greater than the number present when such resolution was come to, or by a majority if the number of Commissioners present at such subsequent meeting be greater than the number present at such former meeting.

10. *Business, &c., Order of—Minutes.*—At every meeting of the Commissioners the first business thereof shall be the reading and putting a question for the confirmation of the minutes of the proceedings at the preceding meeting, and no discussion shall be permitted thereon except as to their accuracy as a record of the proceedings; and the said minutes of the proceedings of the previous meeting shall then be signed by the chairman of such meeting.

11. After the signing of the minutes as aforesaid, the order of business of an ordinary meeting shall be as follows, or as near thereto as may be practicable, but for the greater convenience of the Commissioners at any particular meeting thereof, it may be altered by resolution to that effect:—

- (1) Reading of copies of letters sent by the authority of the Commissioners, if called for.
- (2) Reading letters received, and considering and ordering thereon.
- (3) Reception and reading of petitions and memorials.
- (4) Receiving deputations from ratepayers.

- (7) Orders of the day, including subjects continued from proceedings of former meetings, and any business the chairman may think desirable.
- (8) Other motions of which previous notice had been given.
- (9) Notices of motion and the order of business at a special meeting shall be the order in which such business stands in the notice thereof.

12. *Titles, Official.*—The Commissioners, in meeting, shall designate each other by their official titles, namely, that of Chairman or Commissioner, as the case may require.

13. *Who to Speak.*—If two or more Commissioners rise to speak at the same time, the chairman shall decide which is entitled to priority.

14. *Chairman to Rise when Addressing Meeting.*—The chairman shall rise in addressing the Commissioners to discuss any questions, and shall not leave the chair on such occasions.

15. *Commissioners not to Speak Twice on the Same Question.*—No Commissioner shall speak a second time on the same question unless entitled to reply, or in explanation, when he has been misrepresented or misunderstood.

16. *Points of Order.*—The chairman, when called upon to decide on points of order or practice, shall state the provisions, rule, or practice which he deems applicable to the case, without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

17. *Commissioners not to Digress, or Impute Improper Motives.*—No Commissioner shall digress from the subject-matter of the question under discussion, or comment upon the words used by any other Commissioner in a previous debate; and all imputations or improper motives, and all personal reflections on Commissioners shall be deemed disorderly, and every Commissioner so doing shall upon being called to order by the chairman, apologize for such conduct, and withdraw such imputations or reflections, as the case may be.

18. A Commissioner called to order shall sit down unless permitted to explain.

19. *Persons not Commissioners to Leave when Requested.*—No person, not being a Commissioner, who, having been admitted to any meeting of the Commissioners, shall be guilty thereof of any improper or disorderly conduct, and every such person shall leave such meeting when requested by the chairman to so do.

20. *Call of the Commissioners.*—No Commissioner shall absent himself from any meeting held in compliance with an order for a call of the whole Commissioners, without reasonable excuse to the satisfaction of the majority thereof.

21. *Documents to be Produced.*—Any Commissioner may of right demand the production of any of the documents of the Commissioners applying to the question under discussion.

22. *Motions, Amendments, and Notice Thereof.*—All notices of motion shall be dated and numbered, and given by the intending mover to the Trust secretary at the close of the meeting of the Commissioners, or, if not given at a meeting, then four days clear prior to the day upon which the next meeting of Commissioners is to take place, and the secretary shall enter the same in the notice of motion book in the order in which they may be received.

23. *No Motion without Notice.*—No member shall make any motion initiating a subject for discussion, but in pursuance of notice given as prescribed in the last preceding clause.

24. *Motions on Petitions, &c.*—No motion, except for the receiving of the same, shall, unless under most urgent circumstances, be made on any petition, memorial, or other like application, until the next ordinary meeting of Commissioners after that at which it has been presented.

25. *Motions to be Moved in Order.*—Except by leave of the Commissioners, motions shall be moved in the order in which they have been received and recorded by the Trust secretary in the notice of motion book, and if not so moved or postponed, shall be struck out.

26. *Motions not to be Proceeded with in the Absence of the Mover.*—No motion entered in the notice of motion book shall be proceeded with in the absence of the Commissioner who gave notice of the same, unless by some other Commissioner producing written authority from him to that effect.

27. No motion for an address or petition shall be entertained unless the mover shall, at some previous meeting, have submitted a draft of same.

28. *Mover of Motion or Amendment not to be Interrupted.*—Any Commissioner desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the chairman, and shall not be interrupted unless called to order, when he shall sit down until the Commissioner calling to order shall have been heard thereon, and the question or other matter disposed of, when the Commissioner in possession of the chair may proceed with the subject.

29. *Nature of Motion to be Stated.*—Any Commissioner desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Commissioners thereon.

30. *Leave to be Obtained Before Motion Withdrawn.*—No motion or amendment shall be withdrawn without the leave of the Commissioners.

31. *Motions to be Seconded Prior to Discussion.*—No motion or amendment shall be discussed or put to the vote of the Commissioners unless it be seconded; but a Commissioner may, however, require the enforcement of any standing order of the Commissioners by directing the chairman's attention to the infraction thereof.

32. *Mover and Not the Seconder Held to Have Spoken.*—A Commissioner moving a motion shall be held to have spoken thereon; but a Commissioner merely seconding a motion shall not be held to have spoken upon it.

33. *Motions to be in Writing.*—At every meeting of the Commissioners, all motions, whether original motions or amendments, shall, if required by the chairman, be reduced to writing, signed by the mover, and be delivered to the chairman immediately on their being moved and seconded.

34. *Amendments re Motion in Writing.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

35. *Amendment to Become the Question.*—If an amendment be carried, the question or amendment as amended shall become itself the question, whereupon any further amendment upon any portion of the question coming after such first mentioned amendment may be moved.

36. *Second Amendment May be Moved.*—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Commissioners for discussion at one time.

37. *Right of Mover to Reply.*—The mover of every original proposition, but of no amendment, shall have a right to reply, immediately after which the question shall be put from the chair, but no Commissioner shall be allowed to speak more than once on the same question unless permission be given to explain, or the attention of the chair be called to a point of order.

38. *Adjournment, Motion for.*—No discussion shall be allowed on any motion for adjournment of the Commissioners, but if, on the question being put the motion be negatived, the subject then under consideration, or the next on the notice-paper shall then be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

39. *Protest, Commissioners May.*—Any Commissioner may protest against any resolution of the Commissioners, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Commissioners, by the protesting Commissioner in a book to be kept for that purpose in the Trust secretary's office, and signed by such Commissioner, and shall also be entered in the minutes of the meeting at which the notice of intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Commissioners to be not in accordance with truth, or in its terms disrespectful to the Commissioners.

40. *Legal Questions.*—If a debate, or any motion moved and seconded, be interrupted by the number of Commissioners present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

41. *Order of the Day to be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice book for a future day, on motion upon notice; and then such debate may be resumed at the point where it was so interrupted.

42. *Voting.*—Whenever a division shall be demanded by any Commissioner, those voting in the affirmative shall first hold up their hands, and then those voting in the negative shall hold up their hands, and the result be declared by the chairman. The chairman shall have a deliberative vote and a casting vote, and every Commissioner present shall vote except he be disabled by law from so doing.

43. *Questions to be Put.*—The chairman shall, in taking the sense of the Commissioners, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.

44. *Contents of Petitions.*—It shall be incumbent on every Commissioner presenting a petition to acquaint himself with the contents thereof, and to ascertain that it does not contain language disrespectful to the Commissioners, and that the contents do not violate any By-law or any provisions thereof.

45. *Name at Beginning of Petition.*—Every Commissioner presenting a petition to the Commissioners shall write his name at the beginning thereof.

46. *Petitions to be in Writing.*—Every petition shall be in writing, and not printed or lithographed, and shall contain the prayer of the petitioner at the end thereof, and shall be signed by at least one person on every skin or sheet on which it is written.

49. *Presentation of Petitions.*—Every Commissioner presenting a petition to the Commissioners shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

50. *Deputations.*—Deputations from the ratepayers wishing to be heard before the Commissioners in support of any petition, or otherwise, must send in an application, in writing, to the Trust secretary the day before the meeting of the Commissioners at which such petition is intended to be presented.

51. *Cheques to be Signed.*—That all cheques shall be signed by three Commissioners, and countersigned by the secretary.

56. *Plans, &c.*—All the plans and specifications for any public work shall be laid before the Commissioners at least six days prior to the same being considered and ordered upon, and be open for inspection by any Commissioner during that time, except in cases of emergency.

57. *Secretary to Expend Moneys.*—It shall be lawful for the Trust secretary and a member of the Trust, from time to time, on the written order of the chairman, to disburse such moneys as shall have been appropriated by the Commissioners for the purposes of this clause, and as shall be required for any necessary occasion, not exceeding in the whole in an interval between two ordinary meetings of the Commissioners, the sum of Ten pounds.

58. *Common Seal.*—The common seal of the Trust shall be kept in a box having two locks, one of which locks the chairman shall keep the key, and of the other of which locks the key shall be kept by the Trust secretary, and the corporate seal shall not be affixed to any document unless the chairman and one other member of the Commissioners, or, in the absence of the chairman, unless two Commissioners be present.

#### TENDERS FOR THE SERVICE, 1938-40.

##### FUNERALS OF DESTITUTE PERSONS.

TENDERS will be received until Eleven o'clock a.m. on Friday, 6th May, 1938, from persons willing to undertake funerals of destitute persons to the New Melbourne Cemetery, Fawkner; the Necropolis, Springvale; and the cemeteries at Footscray or Williamstown, required by the several Departments of the Government of Victoria, from 1st July, 1938, to 30th June, 1940, in the Melbourne and metropolitan areas, as per Schedule No. 1.

Burials of deceased persons from police sub-districts north of the River Yarra will take place at the New Melbourne Cemetery, Fawkner; those from sub-districts south of the River Yarra, including burials from the Morgue, at the Necropolis, Springvale; and those from the Williamstown-Footscray sub-districts, at the Williamstown or Footscray cemeteries. Burials

of deceased persons whose bodies have been removed to the Morgue from places north of the River Yarra and from places within the Williamstown-Footscray area, respectively; shall take place at the Necropolis, Springvale, and are included in sub-schedule A accordingly.

Printed forms of tender giving full particulars and lists of places for which the funerals are required are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Separate prices for ordinary funerals and for funerals under clause 6 of the conditions of contract must be stated (a) for adults, (b) for children above five years and under fourteen years of age, and (c) for children five years and under, including stillborn—one sum is to be stated for each, including interment, conveyance, railway charges, and all other charges.

Tenders are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Tenders must be accompanied by a preliminary deposit of £3 for each sub-schedule tendered for, by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board; such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to complete the security and sign the contract within the prescribed period. Deposits will be returned to tenderers within ten days of acceptance of tenders, on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either by bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The lowest or any tender will not necessarily be accepted.

Tenders, endorsed "Tender for Funerals," must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

#### CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act* 1928 (No. 3652), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased: *but in the event of friends or relatives desiring to have the deceased buried in private ground, while awaiting themselves of the Government funeral, they must, in such case, pay all the cemetery charges.*

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail, unless directed otherwise by the police. Bodies to be buried at Williamstown or Footscray to be conveyed by road. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position; and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, of timber 1 inch in thickness, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the River Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue. Burials in the Williamstown-Footscray sub-districts shall be made in the Williamstown or Footscray Cemeteries, as the police may direct.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and respective Cemeteries Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor or deducted from the contract security money.

10. When burials are required to take place on Sunday, or, in the case of any Hospital for the Insane, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. The order for burial shall be produced at the cemetery when the Contractor gives instructions for interment. The Contractor must pay the Minister's fee for reading the burial service should it be claimed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul of the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, the Consul may provide for such service as he may consider necessary.

13. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject to the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

14. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

15. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract, forthwith, and forfeit the whole or any part of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

A. A. DUNSTAN,

Treasurer

Melbourne, 4th April, 1938.

## TENDERS FOR THE SERVICE, 1938-40.

### REMOVAL OF DEAD BODIES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 6th May, 1938, from persons willing to undertake Removals of Dead Bodies to the Melbourne Morgue, as required by the several Departments of the Government of Victoria, from 1st July, 1938, to 30th June, 1940, in the Melbourne, Bourke, and South-eastern Districts, as per Schedule No. 2.

Printed forms of tender giving full particulars and list of places for which the service is required, are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Separate prices for removals must be stated for adults and for children as specified in the tender form.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Tenders must be accompanied by a preliminary deposit of £3 for each sub-schedule tendered for, by marked cheque or bank draft payable to the order of the Secretary to the Tender Board; such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same, or in the event of the successful tenderer failing to complete the security and sign the contract within the prescribed period. Deposits will be returned to tenderers within ten days of acceptance of tenders, on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either by bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The lowest or any tender will not necessarily be accepted. Tenders, endorsed "Tender for Removals only" must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

### CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Morgue, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police, as in the case of a removal by the Government Contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.

5. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

Tenders enclosed in a separate envelope, and having the words "Tender for ———" (as the case may be) written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

Full particulars, forms of tender, and conditions of contract may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2, and at the police stations at the places named.

A preliminary deposit of £10 by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board (private cheques will in no case be received), must accompany each tender, and the deposit lodged by the successful tenderer will be retained as security for the due fulfilment of the contract. The preliminary deposit will be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period. Deposits will be returned to unsuccessful tenderers within ten days of acceptance of tenders, on their application.

The contract must be signed within five days of acceptance of the tender, failing which the service may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

Tenders may be accepted for each place separately.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The prices quoted cover delivery of all descriptions of parcels and goods, including furniture, &c. (except for officers of Police Department), to and from the places named in the tender form.

2. The contract will not be considered broken, infringed, or vitiated by the use of any Government vehicles for such cartage as may be found necessary.

3. A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages. Accounts in all cases to be made out by weight only, to be rendered monthly, supported by the waybills properly receipted, and to be subject to any deductions for damage sustained to the goods whilst in the custody of the contractor.

4. For removals of officers' furniture and effects, a separate charge must be made per van per hour, including loading and reloading as required, and a certificate from the officer concerned must accompany the voucher setting forth the number of hours employed, before payment can be made: Provided that, with the prior consent of the Tender Board, officers' furniture and effects may be removed in the manner and by the persons approved of by the Board. Transport sling vans are not to be requisitioned without the authority of the Secretary to the Tender Board.

5. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment note, which should be found on each consignment or package forwarded by the contractors or departments, and the weight. Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition will render the contractor, on report by the Tender Board, to such fine as the Treasurer may direct, and the amount may be deducted from any account due to the contractor or from the security money.

6. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

7. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.
