- (d) the opinions of the clerk of the municipality, or a copy of any such marked roll, or any extract therefrom certified by the clerk of the municipality under his hand, shall in all proceedings be prima facie evidence of the contents of such marked roll or extract, and of the fact that the persons whose names appear therein marked as aforesaid did not vote at the election and that the notice specified in these provisions was received by those persons, and that those persons did or did not (as the case may be) comply with the requisitions contained in the notice within the time allowed pursuant to these provisions.

 - (i) were a fine adjudged by such Court of Petty Sessions to be paid which the Act of Parliament under which such fine is imposed provides no means of enforcing; and
 - (ii) were ascertained by a conviction.

7. For the purposes of these provisions the returning officer at any election—

- (a) with the assistance of such of the deputy returning officers and poll clerks as he deems necessary shall in the presence of such deputy returning officers and poll clerks, but of no other person, open and, if necessary, break the seal of any parcel containing the rolls used at the election and examine the same for the purpose of indicating on the marked roll aforesaid the names of the persons who have not voted at the election; and
