## CARISBROOK WATERWORKS TRUST.

## RATING BY-LAW, 1940.

THE Commissioners of the Carisbrook Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District, do hereby, pursuant to and in exercise of the powers and authorities conferred by the Water Acts, make the following By-law:—

The rates and charges herein specified are those which the owners and occupiers of lands and tenements within the aforesaid district and liable to be rated shall pay for the year 1940 in respect of water supplied for domestic purposes:—

On such lands and tenements a rate of Two shillings and nine pence in the pound on the amount of the annual municipal valuation not exceeding Twenty-five pounds; Two shillings and six pence in the pound on the amount of the annual municipal valuation exceeding Twenty-five pounds, but not exceeding Thirty-six pounds; and Two shillings and three pence in the pound on the annual municipal valuation exceeding Thirty-six pounds.

Provided that in no case shall the amount of the rate payable in respect of any land or tenement be less than Two pounds.

For water supplied by the Trust by measurement, a charge of Five shillings per 1,000 gallons shall be paid.

The above rates and charges shall be paid yearly in advance on the first day of January, 1940.

Such person or persons as the Trust from time to time may appoint for that purpose shall be authorized to demand, receive, collect, and recover the said rates and charges.

Passed this 9th day of October, 1939.

(SEAL) H. W. HINKS, Chairman.  
J. NICOL, Secretary.

## KORUMBURRA WATERWORKS TRUST.

## RATING BY-LAW FOR THE YEAR 1940.

THE Korumburra Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic

purposes, otherwise than by measure, of One shilling in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Korumburra Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty shillings, and in respect of any land on which there is no building, less than Six shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said land and tenements for the year commencing the 1st January, 1940, and shall be due and payable on the 1st January, 1940, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Trust), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of One shilling per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of One shilling per 1,000 gallons. The charge for water supplied by measure shall be payable on demand.

For water supplied for building and construction purposes the following charges shall be payable, namely:—

1. For buildings constructed of materials other than timber, iron, or fibro-cement, and for all concrete construction work whatsoever, including work carried out by the Shire Council, Five shillings (5s.) per £100 of the contract price or estimated cost of labour and material of all brick, stone, concrete, and plastering work to be done.

2. For timber, iron, and fibro-cement buildings, 2s. 6d. per 1,000 for all bricks used in the construction of chimneys, foundations, &c.

Builders and others desiring to use water from the Trust's mains shall lodge at the office of the Trust a written application for permission to do so, stating the site of the proposed building or structure, the owner's name, the type of construction, and the contract price, the estimated cost, or the number of bricks to be used, and shall, at the same time, pay the prescribed charge. In no case shall water be available before payment of the charge.

The foregoing By-law was made and passed by the Commissioners of the Korumburra Waterworks Trust on the 12th October, 1939, and the seal of the Trust was affixed thereto in the presence of—

(SEAL) G. C. ROWE, Chairman.  
F. H. STOCKS, Commissioner.  
LIONEL H. DAWSON, Commissioner.  
F. P. HUNGERFORD, Trust Secretary.

#### MORWELL WATERWORKS TRUST.

##### RATING BY-LAW FOR THE YEAR 1940.

F. A. HORSEFALL, Secretary.

#### TATURA WATERWORKS TRUST.

##### RATING BY-LAW FOR 1940.

**T**HE Tatura Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and seven pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Tatura Urban District.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than Twenty shillings, and in respect of any land on which there is no building, less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1940, and shall be payable in advance in one amount on the 1st day of January, 1940, at the office of the said Trust.

Passed this ninth day of October, One thousand nine hundred and thirty-nine (1939).

(SEAL) W. R. PONTING, Chairman.  
E. H. COLES, Secretary.

#### TOORA WATERWORKS TRUST.

##### RATING BY-LAW FOR YEAR 1940.

**T**HE Toora Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the following rates for the supply of water for domestic purposes, otherwise than by measure, on lands and tenements liable to be rated within the Toora Urban District.

On such lands and tenements a rate of Two shillings and three pence in the pound on the amount of the annual municipal valuation not exceeding Seventy-five pounds, and where the annual municipal valuation exceeds Seventy-five pounds, a rate of Two shillings and three pence in the pound for the first Seventy-five pounds, and One shilling and six pence in the pound for every pound exceeding Seventy-five pounds of such valuation.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of any land on which there is no building, less than Eleven shillings and three pence.

Such rates are made and shall be levied upon the occupiers or owners of such lands and tenements for the year commencing on the first day of January, 1940, and shall be payable on the first day of January, 1940, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes, by measure, except in cases of special agreement with the Trust, the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of Two

shillings per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied, if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Two shillings per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand.

Passed this 11th day of October, 1939.

(SEAL) E. W. WARNER, Chairman.  
W. F. GIBBS, Secretary.

#### TRARALGON WATERWORKS TRUST.

##### BY-LAW No. 4.

**T**HE Traralgon Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its waterworks district:—

##### Part I.—Interpretation.

1. In this By-law, unless inconsistent with the context or subject-matter—

“The Act.” means the *Water Act 1928*.

“Fittings” includes all appliances and things whatsoever (other than pipes) used in connexion with the conveying, supplying, storing, or regulation of the flow of water in or derived from a main.

“Main” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

“Private service” means and includes all pipes and fittings used in connexion with the supply of water from a main to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Service pipe” means any pipe (not being a main) used for the conveying or supplying of water derived from a main.

“Trust” means the Traralgon Waterworks Trust.

“Works” means works of or in connexion with the laying, constructing, altering, repairing, or renewing of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

##### Part II.—Construction and Arrangement of Works.

2. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Act)—

(a) Without having given to the Trust two days prior to the commencement of the execution of such works—

(i) Notice in writing of his intention so to do, specifying the tenement in on or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday or between the hours of 8 a.m. and 12 noon on any Saturday other than a public holiday) during which it is proposed to execute such works.

(ii) A complete specification, in writing, of the works proposed to be done, setting out the mode, form, strength, material, construction, dimension, and arrangement of all pipes and other works intended to be used in the execution of such works.

(iii) A properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works, showing thereon all buildings, erections, and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

(b) Otherwise than during the time or times set out in the notice mentioned in sub-paragraph (i) of paragraph (a) of this clause.

(c) At any time save between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday, or between the hours of 8 a.m. and 12 noon on any Saturday except a public holiday.

(d) Contrary to or not in conformity with this By-law or such specification and plan mentioned in sub-paragraphs (ii) and (iii) of paragraph (a) of this clause.

3. No person shall lay, construct, repair, or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is laid and constructed in such manner that the same is at all points at a depth of not less than 10 inches below the surface of the ground nor unless every such service pipe for such portion of its length as lies in or on any public street, lane, or right-of-way, or where it may be exposed to

vehicular traffic is laid and constructed in such a manner that the same is at all points at a depth of not less than 24 inches below the surface of the ground.

4. No person shall connect any lead pipe with any iron pipe except with a brass union coupling.

5. No service pipe which supplies (for domestic purposes otherwise than by measure) water to any tenement shall have a bore exceeding  $\frac{3}{4}$  inch, except with special permission of the Trust. No service pipe which supplies by measure water to any tenement shall have a bore exceeding  $1\frac{1}{4}$  inches.

6. No person shall—

- (a) lay, construct, or alter any private service or any part thereof;
- (b) erect or construct any building, erection, or structure in such place, position, or manner that the whole of such private service is not easily accessible for the purposes of inspection, repair, and renewal.

#### Part III.—Materials.

7. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications—

- (a) Subject to the provisions of clause 10 and sub-clause (c) of clause 16 hereof the whole of the pipes, tees, thimbles (other than thimbles connecting the service pipes and mains), bends, reducing couplings, plugs, and the like shall be of the best quality galvanized wrought iron, copper, malleable iron, brass, lead, or fibrolite
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in the case of wrought iron piping) properly galvanized throughout, and shall be of equal strength and thickness throughout the entire body of same.
- (c) All ends of pipes (other than lead pipes), bends, and the like shall be properly and truly threaded and capable of being screwed into thimbles, tees, or fittings.
- (d) All stop-cocks and bib-cocks shall be screw-down high-pressure cocks made of hard brass or gunmetal, and must be tested and stamped M.M.B.W.
- (e) The whole of the pipes and fittings shall be of the best quality and workmanship, and shall be sound and free from all defects.

8. All lead piping used, pursuant to the provisions of clause 10 and sub-clause (c) of clause 16 hereof, shall be of the best quality new lead piping of the following weights:—

- For piping  $\frac{1}{2}$ -in. diameter, weight 6 lb. per yard.
- For piping  $\frac{3}{4}$ -in. diameter, weight 9 lb. per yard.
- For piping 1-in. diameter, weight  $14\frac{1}{2}$  lb. per yard.
- For piping  $1\frac{1}{4}$ -in. diameter, weight 22 lb. per yard.
- For piping  $1\frac{1}{2}$ -in. diameter, weight 30 lb. per yard.

#### Part IV.—Connections to Mains.

9. No person shall affix or consent or cause or permit to be affixed or connected to any main more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

10. No person shall affix or connect any service pipe to any main save by means of a stop-cock ferrule to which a quarter bend of wrought iron or copper alloy or a length of not less than 3 feet of lead pipe is properly and securely attached.

11. No person shall connect or affix any service pipe to any main save by means of a tapping not exceeding in the case of each of the sizes of mains set out in the first column of the table hereunder written the size set opposite such size of main in the second column of such table.

THE TABLE HEREINBEFORE REFERRED TO.

Size of Main	Maximum Size of Tapping Allowed.
Not exceeding 4 inches	$\frac{1}{2}$ inch
Exceeding 4 inches but not exceeding 6 inches	1 inch
Exceeding 6 inches but not exceeding 8 inches	$1\frac{1}{4}$ inches
Exceeding 8 inches but not exceeding 9 inches	$1\frac{1}{2}$ inches
Exceeding 9 inches	2 inches

12. A high pressure screw-down stop-cock properly secured and covered with a cast-iron top shall be affixed on each service pipe (connected with or affixed to a main) between the main in or to which it is connected or affixed and the tenement which it supplies in such place and manner that such stop-cock is within 1 foot of the building line and is easily accessible for the purpose of and may be used completely to cut off the supply of water to the private service of which such service pipe forms part.

#### Part V.—Repair.

13. Any person using any private service shall at all times keep same in proper repair.

14. If any person refuses, neglects, or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by an officer of the Trust so to do the Trust by its officers, servants, or agents may enter into or upon any premises supplied by such private service or any part thereof, and may where necessary repair or renew such private service or any part thereof so as to

prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Trust.

#### Part VI.—Meters.

15. No person shall use any private service save for the supply of water for domestic purposes solely unless the whole of the water supplied to such private service passes through a meter.

16. No meter shall be affixed to or used in connexion with any private service or service pipe unless—

- (a) it is capable of registering at least 1,000,000 gallons;
- (b) in the case of a meter attached to a  $\frac{1}{2}$ -in.,  $\frac{3}{4}$ -in., or 1-in. private service it is capable of registering any flow of not less than 10, 15, and 30 gallons per hour respectively;
- (c) it is properly and securely affixed to such private service or service pipe by means of lead connexions or quarter bends of wrought or malleable iron or copper alloy;
- (d) it is affixed truly level on a solid foundation of brick, stone, or concrete, the top of which foundation is level with the surface of the ground;
- (e) it is fixed in an easily accessible position;
- (f) it is fixed in such position and with such coverings that it is adequately protected from the possibility of accidental damage;
- (g) all washers used for connexion couplings in respect thereof are made of leather.

17. No person shall construct, place, stack, or store, or permit or suffer to be constructed, placed, stacked, or stored any building, erection, material, or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act, matter, or thing whereby inspection of such meter shall be prevented, obstructed, or in any way rendered difficult or interfered with.

18. The remuneration in money for which the Trust may, pursuant to section 201 of the Water Act 1928, let for hire to any consumer of water supplied by measure any meter or instrument for measuring the quantity of water supplied and consumed is hereby fixed in the case of meters for use in connexion with  $\frac{1}{2}$ -in. private services at 10s. per annum in the case of meters for use in connexion with  $\frac{3}{4}$ -in. private services at 15s. per annum, and in the case of meters for use in connexion with 1-in. private services at £1 per annum.

19. No person shall connect any service pipe with any steam boiler for the purpose of feeding or supplying the same with water, without first affixing on such service pipe between such boiler and any meter which records the quantity of water passing through such service pipe a self-acting valve in such manner and position as will prevent the pressure of the steam reversing or otherwise affecting the mechanism or dial of such meter.

#### Part VII.—Waste and Misuse.

20. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

21. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means water trough used for the supply of water to animals.

22. No person shall construct, lay, or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

23. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

24. No person shall affix an overflow pipe to any bath.

25. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

26. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust and no person shall sell any water supplied by the Trust.

27. No person other than a servant or agent of the Council of the Municipality of Traralgon or the Traralgon Fire Brigade in execution of his duty as such servant or agent shall, without the written permission of the Trust, open, close, or otherwise interfere with any hydrant attached to any main.

28. No person other than a servant or agent of the corporation or body having the care and management of a public park or garden shall, without the previous consent of the Trust, open, close, or otherwise interfere with any tap, valve, or other like regulator in, on, or connected with any service pipe used for the supply of water to such public park or garden.

29. No person shall use or permit or suffer to be used any water supplied by the Trust for the purpose of watering or irrigating any land, garden, or plantation or any vegetation whatsoever save through and by means of a garden hose and between the hours of 6 a.m. and 8 p.m. during the whole year.

*Part VIII.—Inspection.*

30. Any person authorized by the Trust in that behalf, either generally or for any class of cases or in any particular case, may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting, and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

31. Any person who obstructs, hinders, impedes, resists, or opposes or refuses admission to any premises to or fails or neglects to carry out and observe all lawful directions and instructions given to him by any person duly authorized in that behalf shall be guilty of an offence against this By-law.

32. Any person who is guilty of any breach of any of the provisions of this By-law shall be liable to a penalty of not more than £5 and in the case of a continuing offence to a further penalty not exceeding £5 for every day after notice of the offence from the Trust.

33. A By-law of the Trust made the 17th day of December, 1914, is hereby expressly revoked.

Passed this 18th day of September, 1939

(SEAL) W. E. CUMMING, Chairman.  
J. H. ROGERS, Commissioner.  
E. M. WEST, Secretary.

**WARBURTON WATERWORKS TRUST.**

**RATING BY-LAW FOR 1940 (BY-LAW NO. 27).**

THE Warburton Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling in the pound of the annual municipal valuation of lands and tenements within the Warburton Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on

which there is no building) be less than Twenty-five shillings, and in respect of any land on which there is no building, less than Seven shillings and six pence.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the first day of January, 1940, and shall be payable on the first day of January, 1940, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Trust) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at One shilling per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of One shilling per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand.

Passed the 28th day of September, 1939.

(SEAL) W. J. BESSELL, Chairman.  
R. C. T. CHISHOLM, Secretary.

**WOODEND WATERWORKS TRUST.**

**RATING BY-LAW FOR 1940.**

THE Woodend Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and nine pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Woodend Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Thirty-five shillings, and in respect of any land on which there is no building, less than Six shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the first day of January, 1940, and shall be payable on the first day of January, 1940, at the office of the said Trust.

Passed this tenth day of October, 1939.

(3) The necessity for provision of steps shall be reduced to a minimum and where ramps are provided they shall not have steeper inclinations than 1 vertical in 5 horizontal. (For ramps or races for animals see clause (6) hereof.) Steps.

(4) All holding pens and enclosures for holding cattle gathered for the day's slaughter pig-sties and pens races from such pens enclosures and sties to the slaughter-house and all stunning pens killing dressing and hanging rooms offal fat and condemned meat rooms shall be paved with material presenting a hard durable impervious and non-slippery surface. Floors to be impervious.

Yards for cattle need not be paved except when specially required by the Commission or the Council to be so.

(5) Floors of pig-sties and pens shall be graded forward from the back wall of the sty or pen to an exterior open channel formed in the margin of an external passageway and discharging to a dirt-trap situated outside the sty enclosure. Pig sties.

Bedding (where provided) shall be in the form of wood gratings the lower scantlings being placed so as not to obstruct the drainage flow and the whole being formed in sections small enough to be easily handled and being coated with coal tar thinned with kerosene and applied hot. Bedding.

(6) Inclined races shall not be constructed with grades steeper than 1 in 3. They shall be formed of concrete or similar material with transverse grooves or depressions formed therein provided that such are graded outwards to marginal drainage channels formed in the race and discharging to the foul water drainage system through a dirt-trap; or alternatively wood ramps may be used in which case the floor-boards or battens shall be not more than four (4) inches wide and shall have their transverse edges chamfered and be fixed with open joints and coated as above described for bedding for pig-sties. Inclined races.

Provided that the Commission or the Council may require the surface of the ground beneath a wood ramp to be paved and drained.

(7) Floors of stunning-pens for large cattle shall have a transverse fall of about 1 in 5 towards the blood-gutter in the dressing floor. Cattle stunning pens.

- Floor joints.** (8) All joints in flooring shall be well filled with the jointing material, but shall be as thin as practicable.
- Surface grades.** (9) All floors shall be laid to finish with even surfaces and be evenly graded the fall being as far as practicable directed outwards and so that the drainage therefrom may flow by the shortest possible course to the drainage system outside the buildings.
- Traffic surfaces and dungstends to be paved and drained.** (10) Wherever the surface of the ground round about the buildings is or is liable to be subject to damage by traffic it shall be paved to even surfaces and self draining gradients to the satisfaction of the Commission or the Council. This provision shall apply to all dungstends or other similar places of deposit for refuse. All paving liable to be polluted shall be drained to the foul-water drains.

#### ROOFS AND CEILINGS.

- Roof trusses of single span.** 27. (1) As far as practicable roof-trusses shall be of single span and without intermediate supports that entail obstruction to drainage of floors or interference with lighting or supervision.
- Ceilings.** (2) For the hanging offal and fat and condemned meat rooms ceilings shall be provided of such material and construction as will tend to moderate the temperatures of those rooms in hot weather. The spaces between the ceilings and the roof coverings shall be effectually ventilated and shall not communicate with the room.
- Roofs over yards and lairs.** (3) Every yard and holding pen shall have a portion of its area roofed so as to afford shelter for the greatest number of cattle (of the several kinds) and of pigs confined therein and to be slaughtered in any one day.

#### Subdivision (4)—Lighting.

- Diffusion of light without glare.** 28. (1) Every covered yard or pen and every room throughout the premises shall be adequately provided with windows or sky-lights or other means to be approved for the admission of daylight to and for its diffusion within such yard pen and room yet so as in the rooms used for slaughtering dressing or hanging purposes to avoid the introduction of undue glare about the workmen or the incidence of the direct rays of the sun upon the meat.
- Lighting of chilling and cold storage rooms.** (2) In chilling-rooms cold stores and bacon-cellar where bulkhead electric glow lamps or other approved system is not provided daylight shall be admitted by means of thick dim glass arranged in double sheets with an intervening air insulation or alternatively glass bricks may be used.
- Night-lighting.** (3) Provision for adequately lighting the premises by night shall also be made to the satisfaction of an authorized officer if any operations are to be conducted later in the day than half an hour after sunset.

#### Subdivision (5)—Ventilation.

- Ventilation thorough and continuous.** 29. (1) Every building throughout the premises shall be amply provided with means to be approved for the thorough and continuous ventilation of such building having regard to the purpose or purposes for which such building is be used.
- (2) Every killing dressing and hanging room shall have at least two external walls.
- (3) Louvred roof-lanterns and/or louvres in the upper parts of at least two external walls shall be provided for the escape to the outer air of vapour from rooms such as pig-scalding and washing rooms and triperies.
- Louvred openings.** (4) Louvred openings provided for ventilating purposes when so required by the Commission or the Council shall have their boards or blades carried by metal pivots turning in approved sockets and furnished with all necessary fiddle-sticks and pull-handles or other means of adjustment. When such blades are formed of iron the latter shall be galvanized of stout gauge and well stiffened.
- Up-cast shafts.** (5) All up-cast shafts tubes or ducts shall be capped with plain cowls obstructing the flow of air in such shafts tubes or ducts as little as practicable. All ventilation shafts tubes or ducts or other openings and fittings connected therewith shall be so formed and constructed of such materials as to be readily accessible for inspection and cleansing.
- Air ducts.** (6) Where ducts are provided for ventilation they shall have their interior surfaces as smooth and free of obstruction as possible and shall have as straight and direct courses as practicable. Ventilating appliances of different rooms shall not intercommunicate directly or indirectly unless the direction of the flow of air in such appliances be under complete control. Air-ducts in chilling or refrigerating chambers shall have their interior surfaces formed of material not liable to decay from the effects of condensed moisture.

*Subdivision (6)—Fittings and Appliances.*

30. (1) All requisite fittings shall be provided for reducing the actual handling of carcasses as far as practicable and all necessary hooks for the hanging up of carcasses and edible offal. Hooks shall not be attached directly to woodwork or other absorptive material and shall together with all other fittings and appliances be capable of being readily cleansed. All chutes for conveyance or discharge of hides skins offal or other animal matter or refuse shall be of curvilinear form in cross-section and present internally hard smooth impervious and durable surfaces free from projecting rivet heads or other obstruction. They shall have as short straight and direct courses as practicable any unavoidable change of direction being effected by means of curves of bold sweep. They shall be inclined at such slopes as will readily admit of the gravitation of the material to be conveyed or discharged and shall be accessible for cleansing purposes.

(2) Hanging rails shall be spaced at not less than the following distances apart and from walls :—

	Where Meat Inspection is done in Hanging Room.		Where Meat Inspection is not done in Hanging Room.	
	Distance Apart.	Distance from Parallel Wall.	Distance Apart.	Distance from Parallel Wall.
Large cattle	5 ft. 0 in. and 3 ft. 6 in. alternately	3 ft. 6 in.	3 ft. 6 in.	3 ft. 6 in.
Small cattle and pigs	3 ft. 0 in. and 1 ft. 6 in. alternately	2 ft. 6 in.	1 ft. 6 in.	2 ft. 6 in.

All hanging rails shall terminate or be fitted with fixed stops at distances not less than 2 ft. 6 in. from walls except where the rails have necessarily to pass into or out of the rooms.

(3) All benches tables and similar articles shall be so formed and constructed as to admit of their being readily drained and cleansed and the spaces beneath them shall not be wholly or partially enclosed.

(4) Vats tubs and similar receptacles shall unless sealed beneath against access of offensive matter be blocked up to at least 6 inches above the floor surface on bearers so arranged as to admit of free flow of drainage and of cleansing of the space beneath such receptacles.

(5) All lavatory basins shall have overflows accessible for cleansing and shall have all necessary cocks plugs and chains.

(6) All digesters vats or other receptacles used for the treatment or preparation of edible products shall be placed in compartments separated from those used for the treatment or preparation of inedible products and there shall be no connexion by means of pipes or otherwise between the digesters vats or receptacles or compartments containing edible and those containing inedible products.

(7) Food and water troughs for animals shall be of iron or concrete and accessible all round for cleansing purposes.

*Subdivision (7)—Blood and Offal.*

31. (1) In every killing room of a large abattoir a blood-drain shall be provided separate and distinct from every drain used for conveyance of floor washings. Every such blood-drain shall have a rapid fall to an impervious and covered blood-tank or pit situated outside the killing room.

(2) In a small abattoir one drain may be used to convey both blood and floor washings provided that it shall include provision for discharging blood to a blood-tank or pit outside the building and for by-passing floor washings to the foul-water drainage system.

(3) Every movable blood-tank or dung-bin shall stand when in use on a dock or stand with an impervious floor and impervious walls or kerbs and graded to an outlet connected to the foul-water drainage system.

(4) In every abattoir there shall be provided immediately outside a door of every killing room an impervious dung-pit or bin for the temporary reception of paunch and bowel contents and such like matter.

(5) Separate impervious receptacles shall be provided for the reception of edible and of inedible offal and in every large abattoir there shall also be provided in an approved position an impervious slab or slabs for the sorting of offal.

Blood and  
offal bins, &c.,  
to be above  
ground.

(6) All pits bins or tanks for the reception of blood dung offal and the like shall (unless specially approved by the Commission or the Council) be situated above ground and be protected by roofs against entry of rain.

*Subdivision (8)—Drainage.*

Laying  
of drains.

32. (1) The whole of the premises shall be effectually drained. All waste pipes shall be adequately trapped and ventilated.

(2) Every drain shall be laid in as straight and direct a course as possible. All branch drains shall be as short as possible.

Accessibility  
of drains.

(3) Every drain shall be readily accessible for inspection and cleansing. No drain shall be laid beneath a building unless such course be unavoidable in which case it shall be formed of properly coated cast-iron pipes having caulked lead joints or of glazed stoneware pipes having joints formed of cement mortar and encased all round in cement concrete 3 (three) inches thick. Unless with the approval of the Commission or the Council no foul-water drain shall be at a less distance from any well used for water supply than half the total depth of the well.

Protection  
of wells.

Underground  
drains.

(4) Underground drains shall be formed of glazed stoneware pipes jointed with cement mortar or other approved material or of cast-iron pipes jointed with lead cement mortar or other approved material.

Dirt-traps

(5) Dirt-traps shall be provided in all drains liable to be obstructed by solid matter. All traps shall be formed with smooth impervious non-corrodible surfaces shall be simple in form afford adequate seal and be properly ventilated.

Grease traps.

(6) Grease traps with necessary baffles shall be provided wherever necessary for preventing access of fat or grease to closed drains sewers or drainage purification works.

Inspection  
openings.

(7) Every closed drain shall be provided with all necessary inspection openings and if required by the Commission or the Council with man-holes. The position of every inspection opening shall be permanently and distinctly marked on the ground.

Bridging.

(8) All drains crossed by lines of traffic shall be protected by the provision of suitable bridging for such traffic.

Cross-section  
form.

(9) All drains shall be formed to simple curvilinear profile in cross-section. Blood and blood-water drains in large abattoirs shall have rebates formed along their upper margins for the reception of bearers runners or guides of angle-iron which shall be properly secured to the solid work for the reception of the frames of gratings of iron. Such grating shall be formed in conveniently portable sections the grating bars being not more than  $\frac{1}{2}$  inch diameter nor spaced more than  $\frac{1}{2}$  inch apart the ends being shouldered and riveted to the frame. Gratings to gully traps shall be fixed.

Gratings.

Settling pit.

(10) The drainage from the killing hanging offal and condemned meat rooms shall be directed into water-tight settling pits situated outside the buildings and suitably designed to retain both settling and floating solids. There shall be no gully-pit nor silt-trap in any killing or hanging-room.

*Subdivision (9)—Drainage—Its Treatment and Disposal.*

33. (1) In any case where a sewer of a Sewerage Authority is available and is of sufficient capacity to carry the foul drainage from an abattoir such drainage shall be discharged to the said sewer after being subjected to such preliminary treatment as the Sewerage Authority may require.

(2) Stormwater except from paved foul areas shall be carried away by drains separate and distinct from those carrying foul drainage and shall be discharged to a street channel or other suitable outlet.

(3) Where clause (1) of this Regulation is not applicable foul drainage shall be conducted in open or closed drains to an approved drainage treatment plant capable of rendering the said drainage harmless and inoffensive.

(4) Where the area character of soil and natural drainage of land intended to be used for disposal of drainage are such that the whole of the foul drainage can be absorbed and/or purified thereby under all weather conditions the treatment plant may consist of a sedimentation tank preceded by approved means for the application to the drainage of a suitable chemical precipitant such as sulphate of alumina.

(5) Every sedimentation tank shall be so designed and equipped as to enable the sludge to be removed therefrom daily without bypassing unsedimented drainage to the land or other means of final purification of the drainage.

(6) All land used for absorption of drainage shall be properly levelled graded and cultivated or grassed and shall be divided into a series of plots for the application of drainage in daily rotation.

(7) The Commission or the Council may require any drain tank filter-bed or other device for the purification of drainage to be covered and ventilated and may require the application to such drainage before during or after treatment of chlorine or other approved disinfectant for the purpose of deodorizing and/or disinfecting such drainage.

*Subdivision (10)—Water Supply.*

34. (1) A supply of wholesome water at such working pressure as to <sup>Pressure.</sup> command the whole of the interior surfaces of the buildings shall be <sup>Quantity.</sup> constantly available. The supply shall be adequate to provide the water required in the slaughtering chilling refrigerating cleansing flushing and dust-laying operations and for drinking purposes. Provision shall also be made for the supply of hot water at such points as may be required by the Commission or the Council.

(2) The water shall be laid on to the yards and holding pens and to <sup>Reticulation.</sup> every part of the buildings and to every polluted area required by the Commission or by Council to be paved. Water pipes and taps shall be provided in each compartment in size and number proportionate to requirements and so distributed as to be conveniently available for use for the purposes above mentioned. The supply of water to drinking troughs for animals shall be automatically controlled.

(3) In the case of large abattoirs the water supply shall where practicable be drawn from two independent mains.

(4) In the case of small abattoirs where water under pressure is not available a tank or tanks of adequate capacity shall be provided and fed from the roof or other approved source and also a boiler for the purpose of heating water for cleansing purposes such boiler being separate and distinct from any boiler used for cooking offal or blood.

*Subdivision (11)—Closets, Urinals, Changing, Shower-bath, and Mess Rooms.*

35. Each closet or urinal or group of such and each changing room shall <sup>Isolation.</sup> be isolated by an air space of at least 10 feet width all round such closet urinal or group and changing room.

36. (1) The floor of every changing dressing and shower-bath room shall <sup>Floors.</sup> be formed of material presenting a hard smooth impervious surface graded to a grated outlet discharging to an exterior drain inlet.

The internal surfaces of the walls shall be rendered smooth hard and <sup>Wall surfaces.</sup> impervious to a height of at least 3 feet above the floor in changing and dressing rooms and at least 6 feet in shower-bath rooms.

(2) Lockers formed of framing covered on the fronts and sides with stout <sup>Lockers.</sup> galvanized wire mesh and fitted with locks and with facilities for hanging clothes shall be provided in sufficient number for the accommodation of the clothes and personal effects of the persons employed. Any other design shall provide for the constant ventilation and ready cleansing of the lockers.

(3) Every mess room shall be aerially disconnected from any closet <sup>Mess rooms.</sup> urinal shower-bath room and changing room and shall have an impervious floor and the walls shall be lined with impervious material to a height of at least 3 feet above the floor.

(4) Every changing dressing shower-bath and mess room shall be well <sup>Light and ventilation.</sup> lighted and ventilated.

*Subdivision (12)—Isolation Pens, Slaughter Chambers, and Condemned Meat Rooms.*

37. Every isolation pen and slaughter chamber for animals affected with or suspected of being affected with disease and every condemned meat room shall be constructed in accordance with the requirements hereinbefore set out for the construction of pens slaughter chambers and hanging rooms respectively and the door of every condemned meat room shall be fitted with a lock.

**DIVISION (2)—KNACKERS' YARDS.**

38. The proprietor shall cause—

(a) all areas liable to be fouled by the deposit thereon of carcasses <sup>Paving of</sup> offal or other offensive matter or by leakage from vehicles <sup>fouled areas.</sup> conveying such carcasses offal or matter to be imperviously paved.

(b) all roadways filling and pavements to comply with Regulation <sup>Roads and pavements.</sup> 26 (1) (2) and (3) hereof.

**DIVISION (3)—POULTRY KILLING OR CLEANING OR DRESSING.**Distance of  
premises from  
houses, &c.

39. No poultry shall for purposes of trade be killed cleaned dressed or stored within 25 feet of any house used for human habitation or of any place in which food intended for human consumption is kept.

Pens to be  
provided.

40. The proprietor shall cause—

Shelter for  
poultry.

- (a) every pen in which poultry is kept on the premises (whether confined in coops or crates or not) to be floored with approved material presenting an impervious surface adequately graded for drainage and properly drained to an approved outfall;
- (b) an adequate portion of the area of such pens to be properly walled and roofed for the shelter of such poultry; and
- (c) all walls of such enclosures for a height of at least 3 feet above the floor to be durable and capable of being easily cleansed.

Feeding  
troughs.

41. The proprietor shall cause—

- (a) all troughs for feeding of poultry to be constructed of impervious material presenting a smooth and even surface and so placed as to be readily accessible inside and outside for cleansing purposes;
- (b) such troughs to be provided in such number and position and with such capacity as may be necessary for the reception of all the food material required for the proper feeding of all the poultry on the premises; and

Feeding places.

- (c) all feeding places to be paved walled and drained as prescribed for pens.

Unwholesome  
substances  
not to be  
fed to  
poultry.

42. The proprietor shall take all necessary measures to ensure—

- (a) that the flesh of any diseased animal or other unwholesome matter shall not be supplied as food to the poultry on the premises; and
- (b) that no putrid matter shall be or remain on such premises.

Outbreak of  
disease to be  
promptly  
reported.

43. Whenever disease exists among the poultry on the premises the proprietor shall immediately on knowing or suspecting the same cause notice thereof to be given to the Council.

**PART III.****BLOOD ALBUMEN FACTORIES OR BLOOD-BOILING OR BLOOD-DRYING WORKS.****BONE-BOILING OR BURNING OR GRINDING OR MILLING WORKS.****BONE MANURE DEPOTS.****MANURE WORKS.****WORKS FOR BOILING DOWN MEAT BONES BLOOD OR OFFAL.**Dust  
suppression.

44. The proprietor shall cause—

Dust control  
in bone-  
grinding and  
bone-milling.

- (a) all bone-milling or bone-grinding works disintegrators elevators and screens on the premises to be enclosed as far as practicable within dust-proof structures; and
- (b) every bone-milling or grinding plant to be provided with such apparatus as will collect any dust which may arise during the process of grinding or crushing.

Blood-boiling  
how effected.

45. Blood shall be boiled or heated by means of steam. The addition of acid to blood or blood clot shall be effected only in closed vessels formed of impervious material and otherwise in accordance with the provisions of Clause 7 of these Regulations.

**PART IV.****FELLMONGERIES OR WOOL-SCOURING OR WOOL-WASHING WORKS.**Construction  
of surfaces  
and floors.

46. The proprietor of the premises on which any trade process is carried on to which this part applies shall cause all surfaces immediately adjacent to pits all ground and every floor on which wet or moist skins hides wool pelts butts or other material awaiting or in process of manufacture or wet or moist fleshings roundings or other refuse matters are or are liable to be placed or dropped and the floor of every building used for sweating pulling unhairing fleshing rounding or like processes to be covered with a layer of concrete or other approved material presenting a hard smooth impervious and non-slippery surface.

47. The proprietor shall cause all filth refuse spent lime hair fleshings roundings or other offensive matter to be removed from the premises once in every week at least or oftener if and as the Commission or the Council shall require after being treated in such a manner as not to cause any nuisance or injury to health or offensiveness. Weekly removal of wastes.

48. The proprietor shall cause the water in every receptacle used for the soaking washing or cleansing of any hides skins wool butts pelts or other such material or for holding milk of lime to be changed as often as may be necessary to prevent as far as practicable the emission of offensive vapours gases or effluvia from the contents of any such receptacles and he shall cause all such receptacles to be at all times maintained watertight. Water, &c., in receptacles to be changed.

#### PART V.

### MARINE STORES IN WHICH IS RECEIVED OR STORED ANY THING OR MATERIAL WHICH IS OR IS LIKELY TO BECOME OFFENSIVE.

#### RAG-PICKING OR RAG-SORTING.

#### FLOCK SHODDY OR MUNGO FACTORIES.

##### 49. Interpretation—

(a) "unused" when referring to rags or clippings or waste material means rags or clippings or waste material which have been obtained from materials which have not been used for the purpose for which they were manufactured or for any other purpose and which have not themselves been used for any purpose;

(b) "rags" includes any article of clothing or wearing apparel bed clothes or bed linen which has been used.

50. Every person who carries on the trade of rag-picking or rag-sorting or flock shoddy or mungo making or marine store dealing shall cause all rags or clippings or other articles whatsoever that are received on his premises and which are or are likely to become offensive to be immediately placed in a separate room set apart and used exclusively for such purpose not being part of any house or other structure used for habitation and shall cause such rags or clippings to be so stored as to prevent emission of dust or offensive effluvia to the general atmosphere. Special room required for storage of rags, &c.

51. No person who carries on the trade of rag-picking or rag-sorting or flock shoddy or mungo making or marine store dealing shall receive store or deliver rags which have been collected from refuse or garbage or from any receptacle or vehicle used for the storage or collection of refuse or garbage, or from any garbage tip. Reception of rags from garbage &c. prohibited.

52. (1) Every person who carries on the trade of flock shoddy or mungo making and who receives rags or clippings which have not been effectually cleansed shall cause all such rags or clippings to be effectually cleansed by boiling in water for 30 minutes before they are picked or sorted and within a period of 48 hours from the time such rags or clippings come into his possession. Cleansing of rags, &c.

(2) Every person who carries on the trade of rag-picking and/or rag-sorting shall cause all rags or clippings received by him to be effectually cleansed by boiling in water for 30 minutes before they are picked or sorted and within a period of 48 hours from the time such rags or clippings come into his possession.

(3) If such rags or clippings, after cleansing and before being subjected to any further process such as carbonization by means of hydrochloric acid gas which might be deemed to increase the chlorine content, contain more than 30 parts by weight of chlorine or more than 4 parts by weight of free and saline ammonia expressed as ammonia (NH<sub>3</sub>) in every 100,000 parts by weight of the dry material they shall be deemed to be not effectually cleansed.

(4) The provisions contained in Clause 52 (1) (2) and (3) of these Regulations shall not apply to materials which are solely unused rags or clippings or waste material obtained direct from the factory manufacturing or making up such material.

53. Every person who carries on the trade of rag-picking rag-sorting or flock shoddy or mungo making shall cause all rags and clippings that have been duly washed and cleansed to be kept thereafter and until such time as the same shall be taken from his premises in a room from which all unclean material is excluded. Rags, &c., after washing and cleansing to be isolated from unclean material.

Enclosing and ventilation of premises.

54. Every person who carries on the trade of rag-picking rag-sorting or flock shoddy or mungo making shall cause the premises wherein any of his trade processes are carried on to be properly enclosed and to be properly and sufficiently ventilated in every part.

Control collection and removal of industrial dust.

55. Every person who carries on the trade of rag-picking and rag-sorting shall when so required by an authorized officer cause all rag-sorting benches and fixed scythes or similar fixed or other rag-cutting appliances in use on his premises to be provided with apparatus for the effectual control of dust arising from rags and with a current of air which wherever possible shall be directed downwards for removing the said dust as nearly as practicable at its origin and in a direction away from all workmen. Every person who carries on the trade of flock shoddy or mungo making shall in addition cause every rag-tearing rag-teasing rag-cutting or rag-dusting machine or appliance in use on his premises to be so enclosed in suitable casing so connected by ducts or other appliances communicating with a fan in motion that dust arising from the said operations of tearing teasing cutting or dusting rags shall be effectually controlled collected and removed as nearly as practicable at its origin and in a direction away from all workmen and such dust shall be so disposed of as not to be a nuisance or dangerous to health or offensive.

Storage and removal of bones.

56. Every person who carries on the trade of marine store dealing shall store all bones that are or are likely to become offensive in suitable metal vessels or receptacles furnished with closely fitting covers kept closed and shall cause the same to be removed from the premises at least weekly or more frequently if and as may be required by the Commission or the Council.

#### PART VI.

#### GLUE OR SIZE FACTORIES, SOUP-DRYING WORKS.

Unnecessary detention of useless decomposed material forbidden.

57. No glue-maker or size-maker shall cause or suffer any materials that by reason of decomposition have become useless for the purpose of glue-making or size-making to be kept for a longer time than may be necessary in any part of his premises.

Moist raw material not required for immediate use is to be dried.

58. Every glue-maker or size-maker shall where practicable cause all moist materials that have been received upon his premises and that are not required for immediate use to be dried before being deposited in that part of the premises intended for the storage of such materials. In every case where by reason of the state of the weather or for any other sufficient cause it may be impracticable to dry the materials he shall cause the several pieces to be subjected to the action of a sufficient quantity of milk of lime to prevent the emission of offensive effluvia and to be closely stacked.

Mode of disposing of certain refuse.

59. Every glue-maker or size-maker or proprietor of soup-drying works shall cause all scutch residue or refuse that has been removed from any boiling or heating pan upon the premises and that is not intended to be forthwith subjected to any further trade process upon the premises to be deposited immediately after removal from the pan in a suitable chamber or shed and in such a manner as to prevent the emission of offensive effluvia or to be placed immediately after removal from the pan in metal receptacles or in sound casks or barrels which when wholly or partially filled shall be closed in such a manner as to prevent the emission of offensive effluvia from the contents therein.

In every case where the scutch residue or refuse has been deposited in a chamber or shed the same shall be removed from the premises within 48 hours from the time of such deposit.

60. Every glue-maker size-maker or proprietor of soup-drying works shall cause—

Periodic sweeping and washing.

(a) every floor or pavement upon the premises to be thoroughly swept at the close of every working day and every floor or pavement elsewhere than in that part of the premises where the processes of drying and packing are carried on to be thoroughly washed once at least in every week; and

Sanitary removal and disposal of waste lime.

(b) all waste lime or other refuse which has been taken out of any pit or tank vat trough or other receptacle upon the premises to be forthwith deposited in suitable receptacles as prescribed by these Regulations and to be with all reasonable despatch removed and the contents disposed of so as not to cause nuisance or danger to health or to be offensive.

## PART VII.

**GUT-CLEANING GUT-SCRAPING GUT-DRYING OR GUT-SPINNING WORKS.**

61. The proprietor shall cause all gut scraping and cleaning to be done in a separate room air-disconnected from that in which salting or spinning is done and he shall take all necessary steps to prevent unclean guts from remaining in the salting or spinning room.

Separate rooms for  
(a) scraping and cleaning  
(b) salting and spinning.

62. The proprietor shall at frequent intervals during every working day cause every floor and pavement upon the premises where his trade is carried on to be thoroughly swept and to be copiously sprinkled or washed with an effective deodorant powder or solution.

Floors and pavements to be kept clean.

63. The proprietor shall not permit or suffer any person on the premises to blow up casing skins with his breath.

Blowing up of casing skins with the breath forbidden.

## PART VIII.

**STORES FOR SKINS HIDES HOOFS HAIR OR BONES.**

64. The proprietor shall store all raw or green bones in suitable metal vessels or other approved impervious receptacles furnished with closely fitting covers kept closed and shall cause the same to be removed from the premises at sufficiently frequent intervals to prevent such bones from causing nuisance injury to health or offensiveness.

Storage of green bones.

65. The proprietor shall cause all materials not undergoing treatment to be so stored on the premises as to prevent the emission of dust or offensive effluvia to the general atmosphere.

Storage of materials not undergoing treatment.

## PART IX.

**PIGGERIES.**

66. No piggery shall be within 100 feet of any building in which food intended for human consumption is kept or stored nor within 10 feet of any boundary of the premises.

67. Every proprietor of a piggery shall cause—

- (a) his premises to be enclosed with pig-proof fencing; and
- (b) all pigs on such premises to be provided with sufficient accommodation in the form of sties or pens the clear superficial area of which shall be not less than 8 square feet for each pig.

Fencing to be pig-proof.  
Provision of lairs.

68. Every piggery shall satisfy the following conditions:—

- (a) The floor of each sty and pen shall be properly covered with a layer of approved durable and impervious material having its surface finished sufficiently smooth and properly sloped for drainage to a channel formed with like material and laid along the front of the enclosure outside of the latter and capable of conducting drainage to a proper silt trap at an approved drain inlet.
- (b) The internal surfaces of the walls or partitions of each sty or pen shall be formed of or lined with a material presenting a durable impervious and smooth and even surface of a height of at least 3 feet above the level of the floor of such sty or pen and an adequate portion of the area of the sties or pens shall be properly walled and roofed for shelter purposes.
- (c) Feeding troughs constructed of material presenting a durable smooth impervious and even surface inside and outside and so placed as to be readily accessible inside and outside for the purpose of cleaning such receptacles shall be provided in such number and positions and of such capacity as to be sufficient for the proper feeding of all pigs on the premises and such feeding shall be allowed only in enclosures paved walled and drained and of the capacity herein prescribed.

Impervious floors.

Impervious walls.

Feeding troughs.

- (d) Every feeding trough shall stand on and be surrounded for a distance of at least 6 feet on all sides accessible to pigs by a pavement presenting a hard even and impervious surface graded to an impervious drain or drains outside the feeding enclosure.

Pavements around feeding troughs.

Drains.

(e) Every such drain shall be continued to an outfall approved by the Council and inaccessible to pigs:

Provided that where in the opinion of the Council the enclosure in which a feeding trough is placed is of such large area in relation to the number of pigs admitted thereto that full compliance with clauses (d) and (e) of this Regulation is unnecessary the Council may modify the provisions of the said clause (d).

Pigs to be fed only from approved troughs.

3. For the purpose of maintaining good order any person authorized by the Committee of Management may refuse admission to any person to the Reserve.

4. No person shall use any part of the Reserve for the purpose of bathing except upon payment of the fees hereinafter fixed, that is to say, such sum for the current year ending on the thirtieth day of September in each year as may from time to time be fixed by the Committee of Management, not exceeding in the case of school children under the age of fifteen years the sum of One shilling per annum, females over the age of Fifteen years the sum of Three shillings per annum, males fifteen to eighteen years of age the sum of Three shillings per annum, males over the age of eighteen years the sum of Five shillings per annum, and man, wife, and family (under fifteen years of age) the sum of Eight shillings per annum. The payment of such sum shall entitle such person or persons to use such dressings sheds or dressing places as may be provided for such persons by the Committee of Management.

5. No person shall enter or use any bathing box, dressing shed, or other dressing places authorized by the Committee of Management under any Regulation until and unless the above-mentioned fee has been paid by him or her.

6. The Committee of Management shall have power to hold entertainments or performances in the Reserve and to make a charge for admission thereto as hereinbefore provided.

7. The Committee of Management shall have power to let the Reserve to any club, association, or person for the purpose of holding entertainments, performances, or sports subject to payment of such fees and on such terms as it may deem to be reasonable and consistent with these Regulations, and to authorize any club, association, or person to make a charge for admission thereto as provided hereinbefore in these Regulations.

8. No club, association, or person shall hold any entertainment, performance, or ceremony in any part of the Reserve without the written authority of the Committee of Management first obtained.

9. No persons, except the Committee of Management or its officers and employees on duty, shall enter any part of the Reserve when a charge is made for admission without first paying the fees chargeable for admission.

10. No person shall park a motor car or motor cycle within the Reserve, except at such places as are set apart for that purpose, and any person using any such place for parking a motor car or motor cycle shall, on demand by an authorized officer of the Committee of Management, pay such fee as is from time to time determined by such Committee, not exceeding One shilling in respect of any such car or cycle, for the use of such parking area on such days only as a charge for admission is being made as provided in clause 1 of these Regulations.

11. No club or association of any kind having for its object physical recreation, or any member of members of any such club or association, shall engage in, or play upon, occupy, or use the Reserve or any part thereof, without the permission, in writing, of the Committee of Management first obtained.

12. No person shall damage any building in the Reserve or the furniture or fittings thereof.

13. No person shall in the Reserve interfere with, or break, or damage any of the trees, plants, or shrubs, or pluck any flowers, or walk on the beds or borders, or climb, jump, get upon, or over any of the fences or gates, or cut or in any way damage any of the fences, gates, seats, or other structures, nor roll or throw stones or other missiles, or leave any bottles, broken glass, paper, orange peel, or banana skins, or any refuse or rubbish whatever therein, or post bills or advertisements on any of the fences, gates, seats, or other structures therein.

14. No person shall light a fire in the Reserve except at such place or places as is or are set apart for that purpose by the Committee of Management.

15. No person shall, without the permission in writing, of the Committee of Management, sell or offer for sale within the Reserve any articles of food or drink, or any other commodity or operate any money-making amusement.

16. Children under the age of ten years not being under the control of some competent person may be removed from the Reserve.

17. No person shall carry fire-arms into or through the Reserve or shoot, snare, or destroy any game or birds therein, except with the authority of the Committee of Management.

18. All dogs, unless controlled by a cord or chain, shall be liable to be destroyed.

19. No cart or other vehicle shall, without the authority of the proper officer of the Committee of Management, be driven into or through the Reserve.

20. No person shall permit, allow, or suffer any horse, cow, goat, or other animal to wander or to be put or placed in the Reserve without the authority of the Committee of Management first obtained, and no person shall bathe any horse or cause, suffer, or permit any dog or other animal to swim or enter the water in the Reserve.

21. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserve and shall be taken to be the occupier of the Reserve (with all power incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purposes of this clause "cattle" shall mean cattle as interpreted by section 3 of the *Pounds Act 1928*.

22. No person shall remain in the Reserve at any time when lawfully directed by any officer or employee of the Committee of Management to leave the same.

23. Any person found in a state of intoxication or behaving in a disorderly manner, or creating or taking part in any disturbance, or committing any act of indecency in the Reserve, or refusing to obey those authorized by the Committee of Management, or by the club, association, or persons renting or having been granted the use of the Reserve for the time being to keep order shall be liable to be forthwith removed therefrom notwithstanding that such person may have purchased a ticket for admission thereto, and shall also be liable to a prosecution for an offence against these Regulations.

24. Persons renting or hiring any stand, building, erection, or enclosure on the occasions of any fêtes, sports, or holiday amusements may be required to deposit any sum which the Committee of Management may at any time determine, not exceeding Ten pounds, by way of guarantee that due care shall be taken of such stand, building, erection, or enclosure, and such Committee, in its absolute discretion, may make good any damage or injury sustained by such stand, building, erection, or enclosure or anything contained therein, during such occupancy or hiring and deduct the cost of making good such loss or damage from the sum of money deposited by way of guarantee, and all persons so renting or hiring shall abide by these Regulations and by any order given by the Committee of Management.

The Council of the Town of Hamilton has been appointed a Committee of Management of the Reserve, with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations, and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

#### REGULATIONS FOR THE CARE AND MANAGEMENT OF THE YARRAWONGA SHOW GROUNDS RESERVE.

**WHEREAS** by the 181st section of the *Land Act 1928* power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council of 25th July, 1892, as a site for Show Yards in the Town and Parish of Yarrowonga, and known as the "Yarrowonga Show Grounds Reserve."

##### REGULATIONS.

1. Except on the occasion of the annual show of the Yarrowonga Agricultural Society, no person shall without the consent, in writing, of the Committee of Management enter upon any part of the Reserve, or any building, shed, or premises thereon.

2. The maximum fee which may be charged and taken for the admission of each adult person to the Reserve on such days (not exceeding twelve in any one year) as the Reserve may be set apart for the purpose of agricultural or other shows, cricket, or football, fêtes, sports, carnivals, or holiday amusements shall not exceed the sum of Two shillings and six pence.

##### 3. No person shall—

- (a) Enter or remain in the Reserve who may offend against decency as regards dress, language or conduct, or who may behave in a disorderly, unseemly, or offensive manner, or create or take part in any disturbance.
- (b) Enter or remain in the Reserve whilst in a state of intoxication.
- (c) Use indecent or offensive language in the Reserve.
- (d) Offer any articles for sale, or bring any intoxicating liquor on to the Reserve without in either case the consent, in writing, of the Committee of Management.
- (e) Obstruct, hinder, or interfere with any person under authority from the Committee of Management, or employed by it at the Reserve.
- (f) Exercise or train any horse or pony in the Reserve, or any part thereof, without the consent, in writing, of the Committee of Management.

4. For the purpose of maintaining good order any person authorized by the Committee of Management may refuse admission to any person to the Reserve.

5. The Committee of Management shall have power to hold entertainments, shows, or performances in the Reserve, and to make a charge for admission thereto as herebefore provided.

6. The Committee of Management shall have power to let any portion of the Reserve to any club, association, person, or society for the purpose of holding entertainments, performances, shows, or sports, subject to the payment of such fees and on such terms as it may be deemed to be reasonable and consistent with these Regulations, and to authorize any club, association, society, or person to make a charge for admission thereto, as provided hereinbefore in these Regulations. The maximum fee payable therefore shall not exceed the sum of £3 3s. per day.

7. No club, association, society, or person shall hold any entertainment, performance, show, or ceremony in any part of the Reserve without the written authority of the Committee of Management first obtained.

8. No person except the Committee of Management or its officers or employees on duty shall enter any part of the Reserve when a charge is made for admission without first paying the fees chargeable for admission.

9. No person shall park a motor car or motor cycle within the Reserve except at such places as are set apart for that purpose by the Committee of Management, and any person using any such place for parking a motor car or motor cycle shall, on demand by an authorized officer of the Committee of Management, pay such fee as is from time to time determined by such Committee, not exceeding Two shillings, in respect of any such car or cycle for the use of such parking area on such days only as a charge for admission is being made as provided in clause 2 of these Regulations.

10. No person shall engage in any organized game or sports in the Reserve on a Sunday or on any Good Friday.

11. No club or association of any kind having for its object physical recreation or any member or members of any club or association shall engage in or play upon, occupy, or use the Reserve or any part thereof without the permission, in writing, of the Committee of Management first obtained.

12. No person shall engage in training or in cricket, football, lacrosse, hockey, tennis, or any other like game in the Reserve without the permission, in writing, of the Committee of Management unless such person is at the time of playing a member of any club which is duly authorized to play in the Reserve at such time: Provided that any person not otherwise offending against these Regulations may enter on the Reserve and play golf, bowls, croquet, or tennis thereon on paying to the club or association for the time being leasing the Reserve, or to the Committee of Management, a green or court fee not exceeding Two shillings per day or part thereof, or of Five shillings per week.

13. Upon application to the Committee of Management any club, association, society, or person may be granted the use of any or all of the Reserve or any defined part thereof, for the holding of cricket, football, or other matches, shows, sports, fêtes, bicycle or other races, musical performances, or other amusements or ceremonies, and may make a charge for admission as provided hereinbefore in these Regulations.

14. No person shall damage any building in any part of the Reserve or the furniture or fittings thereof.

15. No person shall in the Reserve interfere with, or break or damage any of the trees, plants, or shrubs, or pluck any flowers or walk on the beds or borders, or climb, jump, get under or over any of the fences, gates, seats, or other structures, or roll or throw stones or other missiles, or leave any bottles, broken glass, paper, orange peel, banana skins, or any refuse or rubbish whatever therein, or post bills or advertisements on any of the fences, gates, seats, or other structures therein.

16. No person, except the judge or judges, stewards, and the officials appointed by the body conducting a show parade or sports gathering on the day to act in the particular class or section then exhibiting, exhibitors, and authorized attendants, and such persons as may be authorized by the Committee of Management, shall enter the arena or other places where exhibits are being judged in the Reserve.

17. No person shall light a fire in the Reserve except at places as are set apart for that purpose by the Committee of Management.

18. No person shall erect any stall, stand, tent, or structure on the Reserve, or sell or expose for sale therein any articles of food or drink or any other commodity or operate any money-making amusement, live stock, goods or chattels, or bring any stall, tent, stand, structure, machinery, cart, carriage, barrow, or other vehicle upon any part of the Reserve which has not been set apart for the purpose, and any such person on receiving permission, in writing, from the Committee of Management shall be required to use any such stand, building, erection, or enclosure as instructed by any officer, employee, or any member of the Committee of Management.

19. Children under the age of ten years not being under the control of some competent person may be removed from the Reserve.

20. No person shall carry firearms into or through the Reserve, or shoot, snare, or destroy any game or birds therein, except with the authority of the Committee of Management.

21. All animals and all poultry entering the Reserve must be under proper control, and the owner of any animal or poultry that causes damage within the Reserve shall be responsible therefor.

22. No cart or other vehicle shall without the authority of the Committee of Management be driven into or through the Reserve.

23. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserve, and shall be taken to be the occupier of the Reserve (with all power incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purpose of this clause "cattle" shall mean "cattle" as interpreted by section 3 of the *Pounds Act 1928*.

24. No person shall remain in the Reserve at any time when lawfully directed by any officer or employee or member of the Committee of Management to leave same.

25. Any person who, in the opinion of the Committee of Management, has been guilty of disorderly conduct, or who has been disqualified as an exhibitor may be warned off the Reserve or any part thereof by any person duly authorized by the Committee of Management.

26. Any person found in a state of intoxication or behaving in a disorderly manner or creating or taking part in any disturbance or committing any act of indecency in the Reserve or refusing to obey those authorized by the Committee of Management or by the club, association, society, or persons renting or having been granted the use of the Reserve for the time being to keep order shall be liable to be forthwith removed therefrom notwithstanding that such person may have purchased a ticket for admission thereto, and shall also be liable to a prosecution for an offence against these Regulations.

27. Persons renting or hiring any stand, building, or erection, or enclosure on the occasion of any fêtes, sports, shows, or holiday amusements may be required to deposit any sum which the Committee of Management may at any time determine, not exceeding Ten pounds, by way of guarantee that due care shall be taken of such stand, building, erection, or enclosure, and such Committee in its absolute discretion may make good any damage or injury sustained by such stand, building, erection, or enclosure, or anything contained therein during such occupancy or hiring, and deduct the cost of making good such loss or damage from the sum of money deposited by way of guarantee, and all persons so renting or hiring shall abide by these Regulations and by any order given by the Committee of Management.

The Reserve has been placed under the control of a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and any person who knowingly or wilfully offends against any such Regulations, and who after he has been warned by any bailiff of Crown lands or by any member of the Police Force does not desist from so offending may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to the law, and shall be liable to a penalty of not more than Ten Pounds (£10).

#### REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE "CHARLTON PARK RESERVE."

**WHEREAS** by the 181st section of the *Land Act 1928* power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council dated the 27th February, 1939, as a site for Public Park, Recreation, Race-course, and Show Grounds in the Parishes of Charlton East and Charlton West, together with portion of the permanent reservation along the Avoca River indicated in red and blue

colours respectively on plan marked C/7.6.39, attached to Lands Department Correspondence Rs.3258, and known as the "Charlton Park Reserve."

#### REGULATIONS.

1. The Reserve shall be divided as follows:—

1st Division.—The grandstand.

2nd Division.—The remainder of the Reserve.

2. All persons shall be admitted to the Reserve (but not to any stand or building erected thereon) from sunrise to sunset free of charge, except as hereinafter provided.

3. The Committee of Management may appoint not more than thirty days in any one year upon which the Reserve or some well-defined part thereof may be set apart for the purpose of holding agricultural shows, cricket matches, football matches, croquet matches or tournaments, tennis matches or tournaments, bowling matches or tournaments, golf matches or tournaments, fêtes, races, or holiday amusements, and on any of the days so set apart the following charges may be made and taken, namely:—

(a) For the admission of every adult person, motor vehicle, or other vehicle to the second division of the Reserve, such sum as the Committee of Management may from time to time determine, not exceeding Five shillings.

(b) For the admission of every adult person to the first division of the Reserve, such additional sum not exceeding Five shillings, as the Committee of Management may from time to time determine.

4. Upon application in writing, not less than fourteen days prior to the required date, any club, association, or person may be granted the exclusive use of the Reserve or any well-defined part thereof for the holding of any agricultural show, cricket match, football match, croquet match or tournament, tennis match or tournament, bowling match or tournament, golf match or tournaments, sports, fêtes, races, or holiday amusements, and may charge for the admission thereto of adult persons, motor vehicles, and other vehicles, subject to the provision of these Regulations, and shall, if required, pay to the Committee of Management or its authorized officer such charges as the Committee of Management may from time to time deem to be reasonable and consistent with these Regulations, such charge to be paid upon the application being granted. The Committee of Management may, however, refuse any such application.

5. The Committee of Management may set apart any portion of the Reserve for the purpose of any lawful games, recreations, or sports, and from time to time grant to any person, club, or association, upon such terms and conditions as it may deem to be consistent with these Regulations, the use of the grounds so set apart.

6. Any person, club, or association renting or hiring any stand, building, erection, or enclosure in the Reserve may be required to deposit with the Committee of Management or its authorized officer any sum not exceeding Twenty pounds by way of guarantee that due care will be taken of such stand, building, erection, or enclosure, and the Committee of Management, in its absolute discretion, may make good any damage or injury sustained by such stand, building, erection, or enclosure, or anything contained therein, during such occupancy or hiring, and deduct the cost of making good such damage or injury from the sum of money so deposited by way of guarantee, and all persons, clubs, or associations so renting or hiring shall abide by these Regulations and by any order given by the Committee of Management in reference to the Reserve, or any stand, building, erection, or enclosure thereon, and every such person, club, or association shall be responsible that all rubbish, paper, glass, and other debris is removed from the Reserve at the conclusion of such renting or hiring.

7. No person shall put or bring into the Reserve any cattle, horses, sheep, goats, pigs, or other animals, or train or exercise any horse in the Reserve, without the permission, in writing, of the Committee of Management first obtained.

8. The Committee of Management shall have full power and authority to impound any cattle found trespassing in the Reserve, and shall be taken to be the occupier of the Reserve (with all powers incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purpose of this clause "cattle" shall mean cattle as interpreted by section 3 of the *Pounds Act 1928*.

9. No person shall drive any motor vehicle or other vehicle, or ride any bicycle, motor cycle, or horse in the Reserve without the permission, in writing, of the Committee of Management or its authorized officer, except at such place or places set apart for that purpose in the Reserve by the Committee of Management.

10. No person shall park any motor vehicle or other vehicle in the Reserve, except at such place or places set apart for that purpose by the Committee of Management.

11. No person shall damage in any way any tree, plant, shrub, flower, fence, gate, seat, building, stand, or structure, or any turf, croquet green, bowling green, or tennis court in the Reserve, or jump or climb upon or over, or stick bills upon any of the buildings, fences, or gates in or around the Reserve, or leave or deposit any rubbish, paper, glass, or other debris in the Reserve, or roll or throw any stone or missile of any kind therein.

12. If any person, club, or association be granted the exclusive use of the Reserve, or any part thereof, for the holding of any agricultural show, match, tournament, sports, fête, races, or holiday amusements under Regulation 4 of these Regulations, then upon any day set apart for the holding of such agricultural show, match, tournament, sports, fête, races, or holiday amusements, no person shall enter the Reserve (or the portion thereof set apart for the holding of such agricultural show, match, tournament, sports, fête, races, or holiday amusements, as the case may be) without the production of a ticket of admission issued by the Committee of Management or the person, club, or association having authority to occupy the Reserve or part thereof for the time being, but no ticket of admission shall be of avail, except on the date or during the period for which the same is issued, nor shall it authorize the holder thereof to enter any stand, building, erection, or enclosure within the Reserve unless so specified on the ticket, and every such ticket shall be produced, and, if for one day only, surrendered on demand to the gatekeeper, or other person authorized to collect the same.

13. No person, club, or association shall conduct, or assist, or take part in conducting any entertainment in or on the Reserve without the permission, in writing, of the Committee of Management first obtained, and then only subject to such conditions and to the payment of such fees as the Committee of Management may appoint.

14. No person, not being a player or official, shall trespass on the playing arena or racing track during the progress of any football or cricket match, tennis, or any sports gathering or race meeting, nor wilfully obstruct or interrupt or in any way interfere with any servant of the Committee of Management in the proper execution of his work or duty.

15. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct.

16. No person shall light any fire in the Reserve without the permission, in writing, of the Committee of Management first obtained.

17. No person shall bring into the Reserve any dog unless controlled by a chain or cord.

18. No person shall camp in the Reserve without the permission, in writing, of the Committee of Management first obtained, nor shall any person camp in any part of the Reserve, save and except that portion reserved for camping by the Committee of Management.

19. No person shall, without the permission, in writing, of the Committee of Management first obtained, erect in the Reserve any post, rail, fence, pole, tent, booth, stand, building, or structure.

20. No person shall spit, or expectorate, or commit any nuisance on the paths or in or on any stand, structure, or erection in the Reserve.

21. No person, except labourers and workmen employed in the Reserve, shall enter any part therein which may be enclosed for plantations of young trees or shrubs.

22. No person shall carry on the trade, business, or occupation of a bookmaker in the Reserve without the permission, in writing, of the Committee of Management or its authorized officer first obtained, and then only in and on such portion or portions thereof as may be set apart for that purpose.

23. No person shall take part in or conduct any organized sports or games in the Reserve on a Sunday.

24. Any person committing any of the following offences within the Reserve shall (in addition to any other penalty to which such person may be liable therefor) be liable to be ejected from the Reserve, namely:—

- (a) Being drunk.
- (b) Using profane, abusive, insulting, threatening, indecent, or obscene language.
- (c) Assaulting any person or behaving in a riotous or disorderly manner.
- (d) Wilfully interfering with or disturbing any entertainment, performance, game, race, sports, amusement, match, or tournament, to the annoyance, detriment, or discomfort of any person or persons engaged or taking part in such entertainment, performance, game, race, sports, amusement, match, or tournament.
- (e) Obtaining admission to or being found in any part of the Reserve when not entitled to admission thereto under these Regulations.

The Council of the Shire of Charlton has been appointed a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act* 1928, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations and who, after he has been warned by any bailiff of Crown lands or by any

member of the Police Force, does not desist from so offending may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

#### REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE RESERVE FOR PUBLIC PURPOSES ON THE AVOCA RIVER IN THE PARISH OF BUDGERUM WEST.

WHEREAS by the 181st section of the *Land Act* 1928 power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, do hereby make the following Regulations in respect of such portion of the Reserve along the Avoca River in the Parish of Budgerum West as is indicated by red and blue colour on plan marked B/18.5.39, with Lands Department Correspondence Rs.4915.

#### REGULATIONS.

1. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct.

2. No person shall remove or damage in any way the trees, shrubs, or flowers in the Reserve, nor shall fires be lighted therein, except in such places as may be appointed for this purpose by the Committee of Management.

3. No person shall climb on or jump over the gates or fences in or around the Reserve, nor leave or deposit any glass, paper, or rubbish, nor roll or throw stones or any missiles of any kind therein, nor stick bills or cut names on or in any way damage or injure any of the buildings, gates, fences, seats, or trees in the Reserve.

4. No person shall put in the Reserve any cattle, horses, sheep, goats, pigs, or other animals without the permission, in writing, of the Committee of Management first obtained. Provided always that the moneys received for agistment shall be expended in the maintenance and improvement of the Reserve, and that an account thereof be annually furnished to the Board of Land and Works.

5. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserve, and shall be taken to be the occupier of the Reserve (with all powers incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purposes of this clause "cattle" shall mean cattle as interpreted by section 3 of the *Pounds Act* 1928.

6. No person shall play, practise, or engage in any organized game or sport within the Reserve without permission, in writing, of the Committee of Management first obtained.

7. Persons renting or hiring any stand, building, erection, or enclosure on the occasion of any fêtes, sports, or other amusements may be required to deposit any sum which the Committee of Management may at any time determine, not exceeding Ten pounds, by way of guarantee that due care shall be taken of such stand, building, erection or enclosure, and such Committee, in its absolute discretion, may make good any damage or injury sustained by such stand, building, erection, or enclosure, or anything contained therein during such occupancy or hiring, and deduct the cost of making good such loss or damage from the sum of money deposited by way of guarantee, and all persons so renting or hiring shall abide by these Regulations and by any order given by the Committee of Management.

8. No person shall camp in or on the Reserve nor erect thereon any booth or other structure for the purpose of offering for sale any article without the permission, in writing, of the Committee of Management first obtained.

9. No person shall take part in any public entertainment of any sort in the Reserve without the permission, in writing, of the Committee of Management first obtained.

10. No person shall spit or expectorate on any structure or on any erection in the Reserve.

11. No person shall publicly bet in any part of the Reserve, and any person infringing this Regulation shall be liable to expulsion from the enclosures and Reserve.

12. No person except labourers and workmen employed in the Reserve shall enter any plots therein which may be enclosed for plantations of young trees or shrubs.

13. No person shall camp on any portion of the Reserve except those specially set apart for that purpose, and then only after obtaining a permit, subject to payment of such fees and upon such other conditions as the Committee of Management may determine.

14. No person or persons shall park a motor car or motor cycle or other vehicle within the Reserve except at such parking areas as are set apart by the Committee of Management for that purpose, and every person using such parking area shall, on demand, pay a fee not exceeding One shilling per motor car or motor cycle or other vehicle for entrance to and use thereof.

15. No person shall discharge firearms within the Reserve without the permission of the Committee of Management, in writing, first obtained.

The Reserve has been placed under the control of a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against such Regulations and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force does not desist from so offending, may be forthwith apprehended and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

#### REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE "WERRIBEE RECREATION RESERVE."

WHEREAS by the 181st section of the *Land Act 1928* power is given to the Board of Land and Works to make Rules and Regulations and to rescind any Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the

powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council of 14th October, 1878, as a site for Public Recreation in the Town of Wyndham, and known as the "Werribee Recreation Reserve," in lieu of clause 11 of the Regulations made on the 30th August, 1905, which is hereby rescinded.

#### REGULATIONS.

15. No person shall put in the Reserve any cattle, horses, sheep, goats, pigs, or other animals without the permission, in writing, of the Committee of Management first obtained: Provided always that the moneys received for agistment shall be expended in the maintenance and improvement of the Reserve, and that an account thereof shall be furnished annually to the Board of Land and Works.

16. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserve, and shall be taken to be the occupier of the Reserve (with all power incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle.

For the purposes of this clause "cattle" shall mean cattle as interpreted by section 3 of the *Pounds Act 1928*.

The Council of the Shire of Werribee has been appointed a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force, and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was hereunto affixed this 19th day of October, 1939, in the presence of—

## LIST OF CROWN LANDS AVAILABLE.

THE under-mentioned areas are available for application as provided by various sections of the *Land Act 1928*, and all applications received on or before Wednesday, 15th November, 1939, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board.

Applications on proper form, accompanied by 5s. duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria.

Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. When an applicant is granted an allotment he may, if travelling by rail, obtain reduced fares for his family and also freight concessions in regard to some of his effects.

Subject to the approval of the Minister, when the survey fee exceeds £10, a deposit of £5 may be paid, and the balance over six years in half-yearly instalments.

Marked plans of any particular area, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officers, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Melbourne, Redcliffe, Omeo, Sale, Seymour, and St. Arnaud.

Commissioner of Public Works.

Melbourne, 25th October, 1939.

## TENDERS FOR THE RIGHT TO REMOVE SALT.

**TENDERS** will be received up to Noon on Wednesday, 22nd November, 1939, for the exclusive right to collect and remove salt from the under-mentioned areas for a period of twelve months from the 1st December, 1939, with the right to renew annually for four years from the 1st December, 1940.

The successful tenderers will be required to preserve the bottom of the lake or lakes or collecting grounds from injury in accordance with instructions from any officer authorized by the Minister of Lands.

No tender will be received unless the total amount of fee offered for the period as set out hereunder and Ten shillings (10s.) fee for preparation of licence are enclosed. The licence is subject to a royalty charge of Two shillings and six pence (2s. 6d.) per ton on all salt collected or removed. Sworn declarations must be furnished to the Secretary for Lands by the licensee when required, setting out the quantity removed.

Plans of all buildings or other structures proposed to be erected on the licensed area must be submitted to and approved of by the Secretary for Lands, who reserves the right of entry for inspection by any officer authorized by him.

The licensee shall not assign, sublet, or part with his interest in the area, or any portion thereof, without the consent of the Minister of Lands.

The licence will be cancelled for non-payment of any annual fees or any royalty charges or breach of any conditions thereof, or if the licensee shall for a period of twelve (12) months fail to use the land bona fide for the purposes for which a licence has been issued.

The Governor in Council reserves the right to resume the area, or any part thereof, for public purposes.

Tenderers must forward full name and address and fee for the right to remove salt for the period and fee for the preparation of licence (10s.) to Secretary for Lands, Treasury Buildings, Melbourne, C.2, endorsed "Tender for the right to remove salt."

Plans may be seen and all information obtained at Lands Department, Melbourne.

## CITY OF MOORABBIN.

## BY-LAW No. 80.

A By-law of the City of Moorabbin, made under the *Local Government Acts* and particularly under section 197 of the *Local Government Act 1928*, and numbered 80 for the purpose of amending By-law No. 45 of the Shire (now City) of Moorabbin, the Resolution for the making and passing whereof was agreed to by the Council at its meeting on the 16th day of July, 1923, and confirmed on the 20th day of August, 1923, and for further regulating the supply and distribution of water, and for other purposes ancillary thereto.

IN pursuance of the powers conferred by the *Local Government Acts*, and in further pursuance of the provisions of an agreement under the respective seals of the Melbourne and Metropolitan Board of Works of the one part and the City of Moorabbin of the other part, and in further pursuance of every other power enabling them in this behalf, the Mayor, Councillors, and Citizens of the City of Moorabbin (hereinafter called the Council), order as follows:—

1. That the said By-law No. 45 of the municipality be amended as follows:—

- (i) As to clause 4 thereof, by striking out the words "and charges" therein occurring.
- (ii) As to clause 6 thereof, strike out the words "every owner or occupier of lands tenements or other persons" at the beginning thereof and substitute the words "every person".
- (iii) By adding and including the following new clauses which are to follow clause 4:—

4A. For all water supplied by measure by the Council and distributed within the area described in clause 3 of this By-law a charge of One shilling per 1,000 gallons shall be paid, and a similar charge of One shilling per 1,000 gallons for all water supplied by the Council in connexion with or in respect to any and all rateable property, lands, or tenements in excess of the minimum quantity to be charged, as hereinafter mentioned. The minimum quantity of water to be charged for by measurement in respect of any property, lands, and tenements within the area aforesaid, shall be the quantity which at One shilling per 1,000 gallons will produce an amount equal to the amount of the water rate of Nine pence in the pound or such other amount as may be fixed

from time to time by the Council by Special Order of the net annual value of the said property, lands, or tenements, if so supplied otherwise than by measure.

4B. All charges for water, including the said excess water over the said minimum quantity and all sums due to the Council under the immediately last preceding clause 4A, shall be paid by and be recoverable from the person requiring, receiving, or using the same. All such charges and sums due to the Council by any person shall be paid on demand by the Council or its collector.

2. This By-law shall apply to and have operation throughout the following part or parts of the municipality, that is to say:—The area or areas set forth in clause 3 of By-law No. 45, and such area or areas as may from time to time be added thereto.

The Resolution for making and passing this By-law was agreed to by the Council at its meeting on the 17th day of April, 1939, and confirmed on the 15th day of May, 1939.

The common seal of the Mayor, Councillors, and Citizens of the City of Moorabbin was hereto affixed this sixteenth day of October, 1939, in the presence of—

N. G. WISHART, Mayor.

D. LIDDY, Councillor.

## CITY OF FITZROY.

## BY-LAW No. 94.

A By-law of the City of Fitzroy, made under section 197 of the *Local Government Act 1928* and numbered 94, for the purpose of suppressing nuisances and preserving public decency, and generally for maintaining the good rule and government of the Municipality.

IN pursuance of the powers conferred by the *Local Government Act 1928*, the Mayor, Councillors, and Citizens of the City of Fitzroy order as follows:—

1. In this By-law, unless the context otherwise requires, the expression "public place" shall have the meaning assigned to it in section 27 of the *Police Offences Act 1928*.

2. From and after the date of the coming into operation of this By-law, any person who, for the purpose of prostitution—

(a) solicits or accosts any person in or on any public place; or

(b) loiters in, on, or about, any public place within the view of any person—

shall be guilty of an offence against this By-law.

3. This By-law shall apply to and have operation throughout the whole of the municipal district of Fitzroy.

Resolution for passing this By-law agreed to by the Council at its meeting on the 18th day of September, 1939, and confirmed on the 16th day of October, 1939.

The common seal of the Mayor, Councillors, and Citizens of the City of Fitzroy was hereto affixed the 16th day of October, 1939, in the presence of—
