BENALLA WATERWORKS TRUST.

BY-LAW No. 3.

THE Benalla Waterworks Trust, hereinafter referred to as "the Trust," in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a By-law as follows for preventing the waste or misuse of water supplied by the said Trust within the Benalla Waterworks District:—

1. During the period commencing with the 12th day of January, 1939, and ending with the 30th day of June, 1939, no person shall use or permit to be used or allowed to run on any premises any water for other than domestic purposes, manufacturing, or fire fighting purposes, or use hoses for any purpose whatsoever, except for fire fighting.

2. Every person who shall use, or permit, or suffer water supplied by the Trust to be used contrary to the provisions of this By-law shall be guilty of an offence, and shall be liable to a penalty not exceeding Five pounds, recoverable summarily before any Court of competent jurisdiction, and, in cases of continuing the offence, to a further penalty not exceeding Five pounds for every day after notice of the offence from the Trust.

The foregoing By-law was made by the Benalla Waterworks Trust on the 15th day of December, 1938, and the common seal of the Trust was hereunto affixed the 20th day of December, 1938, in the presence of—

(SEAL) THOS. HANLON, Chairman.

R. J. MURRAY, Secretary.

BOORT WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1939.

THE Boort Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Two shillings and six pence in the pound on the amount of the annual municipal valuation not exceeding Fifty pounds, of Two shillings in the pound on amount of annual municipal valuation exceeding Fifty pounds but not exceeding One hundred pounds, and One shilling and nine pence in the pound on the amount of the annual municipal valuation exceeding One hundred pounds of lands and tenements liable to be rated within the Boort Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of any land on which there is no building, less than Forty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the first day of January, 1939, and shall be payable on the first day of February, 1939, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the said Trust), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of Nine pence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Nine pence per 1,000 gallons. The charge for water supplied by measure shall be payable on demand.

Passed this 12th day of November, 1938.

W. M. McTAGGART, Secretary.

MARYBOROUGH WATERWORKS TRUST.

BY-LAW No. 38.

THE Maryborough Waterworks Trust, hereinafter referred to as "the Trust," in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following for preventing the waste or misuse of water supplied by the Trust within the Maryborough Urban District within the Maryborough Waterworks District, and By-law No. 37 is hereby repealed.

1. During the period commencing with the 12th day of January, 1939, and ending with the 30th day of June, 1939, no person shall use or permit to be used or allowed to run on any premises any water for other than domestic purposes, manufacturing, or fire-fighting purposes, or use hoses for other than fire-fighting purposes.

2. Every person who shall use, or permit, or suffer water supplied by the Trust to be used contrary to the provisions of this By-law shall be guilty of an offence, and shall be liable to a penalty not exceeding Five pounds, recoverable summarily before any Court of competent jurisdiction, and in cases of continuing the offence, to a further penalty not exceeding Five pounds for every day after notice of the offence from the Trust.

3. If any person supplied with water by the Trust wrongly does, or causes, or permits to be done anything in contravention of this By-law, the Trust may (without prejudice to any remedy in respect thereof) close or cut off any pipes by or through which water is supplied by the Trust to him or for his use, and may cease to supply him with water, as provided by the Water Acts.

The foregoing By-law was made by the Maryborough Waterworks Trust on the 15th day of December, 1938, and the common seal of the said Trust was hereunto affixed the 15th day of December, 1938, in the presence of—

MURTOA WATERWORKS TRUST.

BY-LAW NO. 4.

THE Murtoa Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

PART I.—INTERPRETATION.

1. In this By-law, unless inconsistent with the context or subject-matter—

- “The Act” means the *Water Act 1928*.
- “Fittings” include all appliances and things whatsoever (other than pipes) used in connexion with the conveying, supplying, storing, or regulation of the flow of water in or derived from a main.
- “Main” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.
- “Private service” means and includes all pipes and fittings used in connexion with the supply of water from a main to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.
- “Service pipe” means any pipe (not being a main) used for the conveying or supplying of water derived from a main.
- “Trust” means the Murtoa Waterworks Trust.
- “Works” means works of or in connexion with the laying, constructing, altering, repairing, or renewing of a private service, or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

2. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Act)—

- (a) without having given to the Trust, two days prior to the commencement of the execution of such works—
 - (i) notice, in writing, of his intention so to do, specifying the tenement in, on, or in respect of which it is proposed to execute such works, and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day, except a public holiday or a Saturday, or between the hours of 8 a.m. and 12 noon on any Saturday other than a public holiday) during which it is proposed to execute such works.
 - (ii) a complete specification, in writing, of the works proposed to be done, setting out the mode, form, strength, material, construction, dimensions, and arrangement of all pipes and other works intended to be used in the execution of such works.
 - (iii) a properly prepared plan, drawn to a scale specified thereon, of the premises in, on, or in respect of which it is proposed to execute the said works, showing thereon all buildings, erections, and structures on the said premises, and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

(b) otherwise than during the time or times set out in the notice mentioned in sub-paragraph (i) of paragraph (a) of this clause.

(c) at any time save between the hours of 8 a.m. and 5 p.m. on any week-day, except a public holiday or a Saturday, or between the hours of 8 a.m. and 12 noon on any Saturday except a public holiday.

(d) contrary to or not in conformity with this By-law, or such specification and plan mentioned in sub-paragraphs (ii) and (iii) of paragraph (a) of this clause.

3. No person shall lay, construct, repair, or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is laid and constructed in such manner that the same is at all points at a depth of not less than 10 inches below the surface of the ground, nor unless every such service pipe for such portion of its length as lies in or on any public street, lane, or right-of-way, or where it may be exposed to vehicular traffic, is laid and constructed in such manner that the same is at all points at a depth of not less than 24 inches below the surface of the ground.

4. No person shall connect any lead pipe with any iron pipe except with a brass union coupling.

5. No service pipe which supplies (for domestic purposes otherwise than by measure) water to any tenement shall have a bore exceeding $\frac{1}{2}$ inch. No service pipe which supplies by measure water to any tenement shall have a bore exceeding $1\frac{1}{2}$ inch.

6. No person shall—

- (a) lay, construct, or alter any private service, or any part thereof;
- (b) erect or construct any building, erection, or structure in such place, position, or manner that the whole of such private service is not easily accessible for the purposes of inspection, repair, and renewal.

PART III.—MATERIALS.

7. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) Subject to the provisions of clause 11 and sub-clause (c) of clause 17 hereof, the whole of the pipes, tees, thimbles (other than thimbles connecting the service pipes and mains) bends, reducing couplings, plugs, and the like, shall be of best quality galvanized wrought iron, copper, brass, lead, or fibrolite.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore, and (in the case of wrought iron piping) properly galvanized throughout, and shall be of equal strength and thickness throughout the entire body of same.
- (c) All ends of pipes (other than lead pipes), bends, and the like, shall be properly and truly threaded, and capable of being screwed into thimbles, tees, or fittings.
- (d) All stop-cocks and bib-cocks shall be screw-down high pressure cocks, made of hard brass or gunmetal.
- (e) The whole of the pipes and fittings shall be of the best quality and workmanship, and shall be sound and free from all defects.

8. All lead piping used pursuant to the provisions of clause 11, and sub-clause (c) of clause 17 hereof, shall be of best quality new lead piping of the following weights:—

- For piping $\frac{1}{2}$ -inch diameter, weight 6 lb. per yard.
- For piping $\frac{3}{4}$ -in. diameter, weight 9 lb. per yard.
- For piping 1-inch diameter, weight $14\frac{1}{2}$ lb. per yard.
- For piping $1\frac{1}{4}$ -inch diameter, weight 22 lb. per yard.
- For piping $1\frac{1}{2}$ -inch diameter, weight 30 lb. per yard.

PART IV.—CONNEXIONS TO MAINS.

9. No person shall affix or connect, or cause or permit to be affixed or connected to any main, more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

10. No person shall affix or connect any service pipe to any main save by means of a stop-cock ferrule, to which a quarter, bend of wrought iron or copper alloy, or a length of not less than 3 feet of lead pipe, is properly and securely attached.

11. No person shall connect or affix any service pipe to any main save by means of a tapping not exceeding, in the case of each of the sizes of mains set out in the first column of the Table hereunder written, the size set opposite such size of main in the second column of such Table:—

The Table hereinbefore referred to.

Size of Main.	Maximum size of Tapping Allowed.
Not exceeding 2 inches	$\frac{1}{2}$ inch
Exceeding 2 inches, but not exceeding 4 inches	$\frac{3}{4}$ inch
Exceeding 4 inches, but not exceeding 6 inches	1 inch
Exceeding 6 inches, but not exceeding 8 inches	$1\frac{1}{4}$ inch
Exceeding 8 inches, but not exceeding 9 inches	$1\frac{1}{2}$ inch
Exceeding 9 inches	2 inches

12. A high-pressure screw-down stop-cock properly secured and covered with a cast-iron top, shall be fixed on each service pipe (connected with or affixed to a main) between the main in or to which it is connected or affixed and the building line of the tenement which it supplies in such place and manner that such stop-cock is within 3 feet from such building line, and is easily accessible for the purpose of, and may be used completely to cut off, the supply of water to the private service of which such service pipe forms part.

PART V.—REPAIR.

13. Any person using any private service shall at all times keep same in proper repair.

14. If any person refuses, neglects, or delays to have any private service, or any part thereof, used by him properly repaired after having been required, in writing, by an officer of the Trust so to do, the Trust by its officers, servants, or agents, may enter into or upon any premises supplied by such private service, or any part thereof, and may where necessary repair or renew such private service, or any part thereof, so as to prevent the waste of water, and may charge such person with the cost and expense of such repair or renewal, and such cost and expense shall be a debt due by such person to the Trust.

PART VI.—METERS.

15. No person shall use any private service save for the supply of water for domestic purposes solely unless the whole of the water supplied to such private service passes through a meter.

16. No meter shall be affixed to or used in connexion with any private service or service pipe unless—

- (a) it is capable of registering at least 1,000,000 gallons;
- (b) in the case of a meter attached to a $\frac{1}{2}$ -inch, $\frac{3}{4}$ -inch, or 1-inch private service, it is capable of registering any flow of not less than 10, 15, and 30 gallons per hour respectively;
- (c) it is properly and securely affixed to such private service or service pipe by means of lead connexions or wrought-iron quarter bends of wrought-iron or copper alloy;
- (d) it is fixed truly level on a solid foundation of brick, stone, or concrete, the top of which foundation is level with the surface of the ground;
- (e) it is fixed in an easily accessible position;
- (f) it is fixed in such position and with such coverings that it is adequately protected from the possibility of accidental damage;
- (g) all washers used for connexion couplings in respect thereof are made of leather.

17. No person shall construct, place, stack, or store, or permit or suffer to be constructed, placed, stacked, or stored any building, erection, material or thing over or upon any meter connected or affixed to any private service, or shall do, or permit, or suffer to be done any act, matter, or thing whereby inspection of such meter shall be prevented, obstructed, or in any way rendered difficult or interfered with.

18. The remuneration in money for which the Trust may, pursuant to section 201 of the *Water Act 1928*, let for hire to any consumer of water supplied by measure, any meter or instrument for measuring the quantity of water supplied and consumed, is hereby fixed in the case of meters for use in connexion with $\frac{1}{2}$ -inch private services at 7s. 6d. per annum, in the case of meters for use in connexion with $\frac{3}{4}$ -inch private services at 10s. per annum, and in the case of meters for use in connexion with 1-inch private services at 12s. 6d. per annum.

19. No person shall connect any service pipe with any steam boiler for the purpose of feeding or supplying the same with water, without first affixing on such service pipe between such boiler and any meter which records the quantity of water passing through such service pipe, a self-acting valve in such manner and position as will prevent the pressure of the steam reversing or otherwise affecting the mechanism or dial of such meter.

PART VII.—WASTE AND MISUSE.

20. No person shall use, or permit, or suffer the use of any private service for the supply of water to more than one tenement.

21. No person shall use, or permit, or suffer the use of any private service, or any part thereof, for the supply of water to any cistern, tank, or water trough unless such cistern, tank, or water trough is watertight, and is provided with an equilibrium ball valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause, water trough means a water trough used for the supply of water to animals.

22. No person shall construct, lay, or use any service pipe which communicates directly, or indirectly with or supplies water to any urinal or water closet, or any part thereof, save through a cistern or tank.

23. No person shall use, or permit, or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

24. No person shall affix an overflow pipe to any bath.

25. No person supplied with water by the Trust shall waste the same, or permit or suffer the same to run to waste.

26. No person shall take or carry away, or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust, and no person shall sell any water supplied by the Trust.

27. No person other than a servant or agent of the Council of the Municipality or Shire of Dunmunkle, or the Murtoa Fire Brigade, in execution of his duty as such servant or agent, shall, without the written permission of the Trust, open, close, or otherwise interfere with any hydrant attached to any main.

28. No person other than a servant or agent of the Corporation or body having the care and management of a public park or garden shall, without the previous consent of the Trust, open, close, or otherwise interfere with any tap, valve, or other like regulator in, on, or connected with any service pipe used for the supply of water to such public park or garden.

PART VIII.—INSPECTION.

29. Any person authorized by the Trust in that behalf, either generally, or for any class of cases, or in any particular, may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting, and may inspect any private service, or any part thereof, or any works in course of execution therein or thereon; and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon, and may give to the owner or occupier of such premises, or any person engaged in executing such works, any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any purpose as aforesaid may dig or excavate in or upon any such premises.

30. Any person who obstructs, hinders, impedes, resists, or refuses admission to any premises to, or fails or neglects to carry out and observe all lawful directions and instructions given to him by any person duly authorized in that behalf shall be guilty of an offence against this By-law.

31. Any person who is guilty of any breach of any of the provisions of this By-law shall be liable to a penalty of not more than £5, and in the case of a continuing offence, to a further penalty not exceeding £5 for every day after notice of the offence from the Trust.

Passed this 7th day of December, 1938.

SHIRE OF NUMURKAH WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1939.

THE Shire of Numurkah Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Forty-two pence in the pound on the annual municipal valuation of lands and tenements within the Wunghnu Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than on land on which there is no building) be less than Twenty shillings, and in respect of land on which there is no building, less than Three shillings and six pence.

Such rate is made for the year commencing on the 1st day of January, 1939, and shall be payable on the 19th day of January, 1939, at the office of the Trust.

Passed this 12th day of December, 1938.

(SEAL) R. C. GORDON, Chairman.
A. STRINGER, Secretary.

TRAFALGAR WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1939.

THE Trafalgar Waterworks Trust, in pursuance and in exercise of the powers conferred by the Water Acts, doth hereby make and levy a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and nine pence in the pound on the municipal valuation of lands and tenements liable to be rated within the Trafalgar Urban District.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said land and tenements for the year commencing on the 1st day of January, 1939, and shall be payable on the 19th day of April, 1939.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measurement (except in cases of special agreement with the Trust), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of One shilling per 1,000 gallons would be equal to the amount of rate which would be payable for lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Three pence per 1,000 gallons. For water supplied by the Trust solely for industrial or manufacturing purposes the charge shall be One shilling per 1,000 gallons for a minimum quantity of 300,000 gallons, and for water in excess of such minimum there shall be a charge of Three pence per 1,000. The charge for water supplied by measure shall be payable on demand.

Passed this 21st day of December, 1938.

(SEAL) C. JOHNSTONE, Chairman.
W. T. SMALLACOMBE, Commissioner.
T. SHANAHAN, Secretary.

YARRA JUNCTION WATERWORKS TRUST.

RATING BY-LAW FOR 1939 (No. 15).

THE Yarra Junction Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Two shillings and six pence in the pound on the annual municipal valuation of lands and tenements within the Yarra Junction Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of land on which there is no building less than Fifteen shillings.

Such rate is made for the year commencing the 1st day of January, 1939, and shall be payable on the 12th day of January, 1939, at the office of the said Trust.

Such person or persons as the Trust may appoint for the purpose are authorized to demand, receive, collect, and recover the said rates and charges.

Passed this 21st day of December, 1938.

H. E. CLAREY, Secretary.

TOWN OF ARARAT.

WATER BY-LAW No. 36.

THE Council of the Town of Ararat, hereinafter referred to as the "Council," in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following for preventing the waste or misuse of water supplied by the said Council within the Ararat Water Supply District:—

1. Water By-law No. 35 is hereby repealed.

2. During the period commencing with the 12th day of January, 1939, and ending with the 30th day of June, 1939, no person shall use or permit to be used or allowed to run on any premises any water for any other than domestic purposes, manufacturing, mining, or fire-fighting purposes.

3. Every person who shall use or permit or suffer water supplied by the Council to be used contrary to the provisions of this By-law shall be guilty of an offence, and shall be liable to a penalty not exceeding Five pounds, recoverable summarily, before any court of competent jurisdiction, and in cases of continuing the offence, to a further penalty not exceeding Five pounds for every day after notice of the offence from the Council.

4. If any person supplied with water by the Council wrongfully does or causes or permits to be done anything in contravention of this By-law, the Council may (without prejudice to any remedy in respect thereof) close or cut off any of the pipes by or through which water is supplied by the Council to him or for his use, and may cease to supply him with water, as provided by the Water Acts.

The foregoing By-law was made by the Council of the Town of Ararat on the 19th day of December, 1938, and the common seal of the said Council was hereunto affixed the 21st day of December, 1938, in the presence of—

(SEAL) H. J. BLACKIE, Mayor.
R. J. BURKE, Councillor.
C. C. MURRAY, Town Clerk.

THE BALLARAT SEWERAGE AUTHORITY.

RATING BY-LAW No. 18.

The Ballarat Sewerage District.

THE Ballarat Sewerage Authority, in pursuance and exercise of the powers conferred by the *Sewerage Districts Act 1928*, doth hereby make the following By-law:—

The following Sewerage Rate is hereby made under the provisions of the *Sewerage Districts Act 1928*, and shall be levied upon the net annual value of all rateable sewered properties within the Ballarat Sewerage District:—

(1) Of any land or tenement situate within the Ballarat Sewerage District, a sewerage rate of One shilling and nine pence in the pound of the net annual value of all rateable "sewered property" within the said District.

(2) Such rate is made and shall be levied for the year beginning with the first day of January, 1939, and ending with the thirty-first day of December, 1939, and shall be payable on the thirty-first day of March, 1939, at the office of the Authority, situate at the Water and Sewerage Offices, Ballarat.

(3) If any rateable property which is unsewered at the time of the making of the aforesaid rate becomes during the year 1939 a "sewered property", there shall be levied upon such property a proportionate part of the sewerage rate for the portion of the year after it has become a sewered property, and such property shall be deemed to have been lawfully rated accordingly.

(4) For making and levying such rate the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the net annual value thereof may for all purposes of such rate be determined by a police magistrate.

(5) Such person or persons as The Ballarat Sewerage Authority may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rate and charges.

The resolution for passing the foregoing By-law was agreed to by The Ballarat Sewerage Authority on the 5th day of December, 1938, and was confirmed by the said Authority on the 20th day of December, 1938.

The common seal of The Ballarat Sewerage Authority was affixed hereto on the twentieth day of December, 1938—

(SEAL) J. M. BARKER, Chairman.
MICHAEL MARTIN, Member.
W. BRAZENOR, Secretary.

The foregoing By-laws, made by the Benalla, Boort, Colbinabbin, Maryborough, Moe, Mount Macedon, Murtoa, Shire of Numurkah (3), Trafalgar, and Yarra Junction Waterworks Trusts, the Town of Ararat Water Supply District, and the Ballarat Sewerage Authority, were approved by the Governor in Council on the 10th January, 1939.

C. W. KINSMAN,
Clerk of the Executive Council.

Marketing of Primary Products Act 1935.

NOTICE TO PERSONS HOLDING OR HAVING UNDER THEIR CONTROL STOCKS OF CHICORY.

IN pursuance of the powers in that behalf conferred on me by section 33 of the *Marketing of Primary Products Act 1935* (No. 4337), I, Edmond John Hogan, Minister of Agriculture, in the State of Victoria, do by this notice require all persons holding or having under their control on any day during the period from the 30th day of June, 1938, to the 31st day of December, 1938, more than half a ton of chicory to furnish within fourteen days from the date of the publication of this notice in the *Government Gazette* to the Secretary, Chicory Marketing Board, 140 Queen-street, Melbourne, C.1, a return setting forth the following information in respect of such chicory:—

- The quantity of chicory held by them or under their control on each day during the said period.
- In the case of persons, other than producers of chicory, the name and address of the producer or other person from whom such chicory was received, the quantity so received, the dates on which such chicory was received, the method of transport of each quantity so received, and the name of the carrier or other person transporting such chicory.
- The quantity of such chicory which has been disposed of by them during the said period, together with the names and addresses of the persons to whom such chicory has been delivered, and the quantities so delivered to each such person, and the date of such delivery and the method of transport of such delivery.

Any person who fails to comply fully and sufficiently with the requirements of this notice or wilfully furnishes any false or misleading return shall be guilty of an offence against the *Marketing of Primary Products Act*.

E. J. HOGAN,
Minister of Agriculture.
6th January, 1939.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Ouyen-Pinnaroo road in the Shire of Walpeup should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plans marked A and B and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plans and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All those pieces of land in the Parish of Boinka the boundaries of which are as follow:—

- (a) Commencing at the south-eastern angle of allotment 39 of the said parish; thence by a line bearing 246 deg. 32 min. 650 links; thence south-westerly by the arc of a circle of radius 5,800 links a distance of 331 links; thence by lines bearing respectively 64 deg. 24 min. 542.4 links, 58 deg. 3 min. 508.6 links, and 188 deg. 0 min. 122.7 links to the point of commencement.
- (b) Commencing at the north-western angle of the Tutye Railway Station ground; thence by lines bearing respectively 66 deg. 32 min. 1,863 links, 93 deg. 6 min. 559 links, 263 deg. 14 min. 522 links, 246 deg. 32 min. 1,924 links, and 8 deg. 0 min. 117.2 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red on survey plans numbered 3871 and 4057, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW MAIN ROAD IN THE
SHIRE OF WOORAYL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Mardan road in the Shire of Woorayl should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and

plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Koorooman the boundaries of which are as follow:—Commencing at the most northerly angle of allotment 15 of the said parish; thence by lines bearing respectively 118 deg. 15 min. 220 links, 287 deg. 20 min. 269.7 links, and 69 deg. 31 min. 68 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan numbered 4055, lodged in the office of the Country Roads Board.

AMENDMENT OF ORDER IN COUNCIL FOR THE
DECLARATION OF A STATE HIGHWAY IN THE
SHIRES OF SOUTH GIPPSLAND AND ALBERTON.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby amend the Order in Council of the 14th November, 1938, for the declaration of a State highway in the Shires of South Gippsland and Alberton by the substitution of the words and figures "a point on the south-eastern boundary of allotment 2, section 2, Township of Foster, Parish of Wonga Wonga South, distant 72.8 links from the south-eastern angle of that allotment," for the words and figures "the western angle of section 10, Township of Foster, Parish of Wonga Wonga South," appearing in lines 11 and 12 on page 2 of the said Order.

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,

LIST OF CROWN LANDS AVAILABLE.

THE under-mentioned areas are available for application as provided by various sections of the *Land Act 1924*, and all applications received on or before Wednesday, 8th February, 1939, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board.

Applications on proper form, accompanied by 5s. duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria. Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. When an applicant is granted an allotment he may, if travelling by rail, obtain reduced fares for his family and also freight concessions in regard to some of his effects.

Subject to the approval of the Minister, when the survey fee exceeds £10, a deposit of £5 may be paid, and the balance over six years in half-yearly instalments.

Marked plans of areas, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officers, Geelong and Hamilton.

CITY OF SANDRINGHAM.
BY-LAW No. 110.

A By-law of the City of Sandringham made under sections 198 and 228 of the *Local Government Act 1928*, Part V. of the 13th Schedule to the said Act, and section 27 of the *Local Government Act 1934*, and numbered 110, for—

- (a) Prohibiting on from and after a date specified herein the erection or placing against or in front of any house or building abutting upon any public footway in any street or part thereof specified herein of any verandah over or across such footway unless such verandah is supported by cantilevers, brackets or projecting supports, and not otherwise;
- (b) requiring the pulling down and removal before a date specified herein of all verandahs before the first mentioned date erected or placed against or in front of any house or building abutting upon any such public footway which verandahs are upon, over, or across such footway, and are supported otherwise than by cantilevers, brackets, or projecting supports; and
- (c) altering By-law No. 54 for regulating and restraining the erection and construction of buildings and erections.

IN pursuance of the powers conferred by the *Local Government Acts* and of any and every other power it therunto enabling, the Mayor, Councillors, and Citizens of the City of Sandringham order as follows:—

1. No person shall on, from, and after the second day of January, 1939, erect or place against or in front of any house or building abutting upon any public footway in any of the streets or parts thereof in the City of Sandringham specified in the Schedule hereto, any verandah over or across such footway unless such verandah is supported by cantilevers, brackets, or projecting supports, and not otherwise.

2. The owner of any verandah erected or placed before the second day of January, 1939, against or in front of any house or building abutting upon any such public footway which verandah is upon, over, or across such footway, and is supported otherwise than by cantilevers, brackets, or projecting supports, shall pull down and remove such verandah before the second day of January, 1949.

3. By-law No. 54 of the City of Sandringham for regulating and restraining the erection and construction of buildings and erections is altered in the manner hereinafter appearing:—

(1) Clause 14 of the said By-law is hereby altered by deleting therefrom the words "without first obtaining written permission from the Council so to do" and substituting therefor the words "without complying in all respects with the provisions of this By-law and of all other By-laws and Regulations of the Municipality (if any) applying thereto".

(2) After clause 15 of the said By-law there shall be inserted the following new clauses:—

15. (i) Such plans, specifications, and other particulars shall be considered by the Council or its Surveyor at the first available opportunity after the same have been submitted pursuant to the last preceding clause and the Council shall, if—

(a) the building therein referred to (if erected in accordance with such plans, specifications, and other particulars) will comply with the provisions of this By-law, and of all other By-laws and Regulations (if any) applying thereto;

(b) such plans and specifications and other particulars are otherwise in conformity with the provisions of this By-law; and

(c) the prescribed fee payable in respect of the permit hereinafter referred to shall have been paid to the Council—

grant or cause to be granted to the person lodging the same a written permit for the commencement of the building referred to in such plans, specifications, and other particulars.

15. (ii) No person shall hereafter commence or cause to be commenced the erection, alteration, or addition to any building without having first obtained from the Council such written permit for the commencement of the erection, alteration, or addition as aforesaid.

15. (iii) No person shall hereafter erect any building or erection or make any alteration or addition to any building or erection (for which a permit for the commencement thereof has been granted as aforesaid) contrary to or not in conformity with this By-law or the plans, specifications, and other particulars in respect of which such permit was so granted.

Resolution for passing this By-law agreed to by the Council of the City of Sandringham on the 18th day of October, 1938, and confirmed on the 15th day of November, 1938.

The common seal of the Mayor, Councillors, and Citizens of the City of Sandringham was hereunto affixed on the 29th day of November, 1938, in the presence of—

FRED. L. YOTT, Mayor.
(SEAL) R. J. SILLITOE, Councillor.
FRED. G. TRICKS, Town Clerk.

Approved by the Governor in Council, the 22nd day of December, 1938.—C. W. KINSMAN, Clerk of the Executive Council. 8651

BOROUGH OF WANGARATTA.

I HEREBY give public notice that it is the intention of the Council to borrow the sum of £2,000 for the purpose of reconstructing streets.

Rate of interest to be paid shall not exceed 4½ per cent. The money borrowed is to be repayable at the Council's bankers, in Melbourne, on the 1st January and 1st July each year, commencing 1st July, 1939, and ending 1st January, 1959, under the level instalment system of repayment, each payment including interest and principal, the proportion for interest thus decreasing each half-year, and that for reduction of principal increasing correspondingly. The loan will therefore be liquidated in that manner, no sinking fund being required.

The plans, specifications, and estimates, of the cost of the works, and a statement showing the proposed expenditure, are open for inspection at the Town Hall, Wangaratta, at all reasonable times.
