Fire Brigades Act 1928.

ENLARGEMENT OF FIRE DISTRICT.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Fire Brigades Act 1928* it is amongst other things enacted that, on the request of the council of any municipal district outside the metropolitan fire district or any country fire district, and on receiving a certificate from the Metropolitan Fire Brigades Board or the Country Fire Brigades Board (as the case may be) that it is necessary or desirable so to do, the Governor in Council may at any time by Proclamation in the *Government Gazette* declare that any such municipal district or any portion thereof shall be added to and form part of such fire district, and that thereupon such municipal district or portion shall for the purposes of the said Act be included in and become part of such fire district: And whereas the council of the municipal district hereinafter mentioned has requested that the portion of such district enclosed within the boundaries set forth hereunder, and not already part of the fire district specified in connexion therewith, be added to and form part of such fire district: And whereas a certificate has been received from the Country Fire Brigades Board that it is necessary and desirable so to do: Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the provisions of section 5 (1) of the *Fire Brigades Act 1928*, do hereby declare that the said portion of such municipal district shall be added to and form part of the fire district specified accordingly:—

EASTERN FIRE DISTRICT.

Shire of Berwick.—Town and Parish of Berwick, County of Mornington: Commencing at the south-eastern angle of Crown allotment 16, Parish of Berwick; thence generally in a south-westerly direction by the Cardinia Creek to the Princes Highway; thence north-westerly by the Princes Highway to the most southerly angle of allotment 11 of section 14, Town of Berwick; thence due south by a direct line through allotment 18, Parish of Berwick, to the Eastern Railway line; thence generally in a north-westerly direction by the railway line to a point due west from the west side of Clyde-road and distant 5 chains therefrom; thence due north by a line to the north side of the Princes Highway; thence east by the Princes Highway to the east side of Clyde-road; thence north by that

road to the south-western angle of allotment 16, Parish of Berwick; thence east by the south boundary of the last-mentioned allotment to the point of commencement.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this thirtieth day of January, in the year of our Lord One thousand nine hundred and forty, and in the fourth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

H. S. BAILEY,
Chief Secretary.

GOD SAVE THE KING!

BANK HOLIDAYS.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

IN pursuance of the provisions contained in Part III. of the *Banks and Currency Act 1928*, I, the Governor of the State of Victoria, in the Commonwealth of Australia, do by this my Proclamation appoint the days and dates named hereunder as special days to be observed as a Bank Holiday or Bank Half-Holidays (as the case may be) at the places respectively specified, that is to say:—

Bank Holiday:—

TUESDAY, THE 13TH DAY OF FEBRUARY, 1940, at Lancefield and Romsey.

Bank Half-Holidays from the Hour of Twelve o'clock noon:—

WEDNESDAY, THE 7TH DAY OF FEBRUARY, 1940, at Meeniyan;

WEDNESDAY, THE 28TH DAY OF FEBRUARY, 1940, at Wonthaggi.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this thirtieth day of January, in the year of our Lord One thousand nine hundred and forty, and in the fourth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

H. S. BAILEY,
Chief Secretary.

GOD SAVE THE KING!

PUBLIC HOLIDAYS.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

IN pursuance of the provisions contained in Part VII. of the *Public Service Act 1928* (19 Geo. V., No. 3757), I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do by this my Proclamation appoint the days and dates hereunder mentioned to be observed as Public Holidays at the places respectively specified, viz.:—

Public Holidays:—

WEDNESDAY, THE 14TH DAY OF FEBRUARY, 1940, throughout the Shire of Korumburra*;

TUESDAY, THE 20TH DAY OF FEBRUARY, 1940, throughout the Shire of Bulla and throughout that portion of the Shire of Keilor which is included in the Sydenham Postal District;

WEDNESDAY, THE 21ST DAY OF FEBRUARY, 1940, throughout the Shire of Maldon;

SATURDAY, THE 2ND DAY OF MARCH, 1940, throughout the Shire of Rochester.

* Agricultural Show.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this thirtieth day of January, in the year of our Lord One thousand nine hundred and forty, and in the fourth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

H. S. BAILEY,

Chief Secretary.

GOD SAVE THE KING!

RESIGNATIONS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 23rd day of January, 1940, accepted the resignations of the persons named hereunder of the offices mentioned, viz.:—

J. C. MACGIBBON,

Acting Clerk of the Executive Council.

At Government House,
Melbourne, the 26th January, 1940.

DEPARTMENT OF LAW.

COURTS OF PETTY SESSIONS, MORTLAKE.—DAY AND HOUR ALTERED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth, by an Order made on the 23rd January, 1940, alter the day and hour appointed for the holding of the Courts of Petty Sessions, at Mortlake, to every alternate Wednesday, at Two p.m., as from and inclusive of the 7th February, 1940.

COURT OF PETTY SESSIONS, SWAN HILL.—
ADDITIONAL DAY AND HOUR APPOINTED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Order made on the 23rd January, 1940, appointed Tuesday, the 30th January, 1940, at Ten a.m., a day and hour for the holding of the Court of Petty Sessions, at Swan Hill, in addition to the days and hours heretofore appointed.

APPOINTMENT ORDER AMENDED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 23rd January, 1940, amended the Order in Council of the 9th January, 1940, whereby Thomas Cecil Claude Widdop was appointed a Sworn Valuator, by the substitution of the name "Talbot Cecil Claude Widdop" for that of "Thomas Cecil Claude Widdop" appearing therein.

J. C. MACGIBBON,

Acting Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, 23rd January, 1940.

DEPARTMENT OF PUBLIC WORKS.

REQUEST FOR SEVERANCE OF CERTAIN AREA FROM
THE SHIRE OF BLACKBURN AND MITCHAM AND
ITS CONSTITUTION AS A SEPARATE MUNICIPALITY
REFUSED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 23rd January, 1940, refused a request of certain ratepayers of the Shire of Blackburn and Mitcham that a certain portion be severed from the municipal district of the Shire of Blackburn and Mitcham and constituted as the Borough of Blackburn (notice of which was duly published in *The Blackburn and Mitcham Reporter* on the 26th May, 1938) which was carried at a poll of ratepayers entitled to vote taken on the 27th August, 1938.

J. C. MACGIBBON,

Acting Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, 23rd January, 1940.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

FOURTH CLASS CLERKS, DEPARTMENT OF PUBLIC WORKS.—(Two vacancies).

APPLICATIONS will be received by the Public Service Commissioner (Victoria), up to Friday, the 9th February, 1940, from officers of the Public Service of Victoria, who are eligible and qualified, for appointment to the above-mentioned positions.

Position No. 1.

Duties.—Under the direction of the head of the Branch, to be responsible for the registration of requisitions for works and supplies, the recording of decisions on "Works" cards, the safe custody of files and recording the movement of same; to prepare returns relating to works programmes.

Qualifications.—Experience in the control of registration and card systems; a knowledge of departmental procedure, and the methods adopted in dealing with requisitions for works and supplies; ability to prepare returns.

Position No. 2.

Duties.—To supervise the work of the Correspondence Branch, to draft letters, to prepare précis and Board of Land and Works schedules, and to deal with acceptance of tenders.

Qualifications.—Ability to control and direct staff, and to draft letters; a knowledge of the Acts and Regulations administered by the Department and of Departmental procedure.

By order,

J. FRAZER,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 30th January, 1940.

WATER BAILIFF, GENERAL DIVISION, DEPARTMENT OF WATER SUPPLY.—(Two vacancies.)

(a) RODNEY DISTRICT; (b) PYRAMID.

APPLICATIONS will be received by the Public Service Commissioner (Victoria) from persons, who are qualified, for appointment to the above-mentioned positions.

Salary.—£235 a year.

Qualifications.—Ability to control and regulate the supply of water to irrigators, and to keep the necessary records and make arithmetical computations in

connexion therewith; a knowledge of water requirements for crop and grasses grown under irrigation, the methods of preparation of land for same, and of methods of channel and drain construction and maintenance.

Applications (which should be accompanied by evidence of experience and qualifications, and a statement of date and place of birth) should be lodged at this office not later than Friday, the 16th February, 1940.

By order,

J. FRAZER,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 30th January, 1940.

Public Service Act 1928 (No. 3757), Sections 90 and 91.

EXEMPTION.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and upon the recommendation of the Public Service Commissioner, has, by Orders made on the 23rd day of January, 1940, exempted the officers specified hereunder from the provisions of sections 90 and 91 of the Public Service Act 1928 (No. 3757):—

DEPARTMENT OF PREMIER.

Officers of the Public Service Commissioner's Office, Department of Premier, who are required to work overtime in connexion with the preparation of the Public Service List, such exemption to be operative for a period of three (3) weeks from and inclusive of the 15th January, 1940.

DEPARTMENT OF TREASURER.

The working staff of the Government Printing Office, Department of Treasurer, the members of such staff to be paid for overtime at trade rates, such exemption to be operative for the period from the 1st January, 1940, to the 31st December, 1940, both dates inclusive, and not to include the clerical staff of the branch.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, 23rd January, 1940.

Dairy Products Acts.

QUOTAS FOR BUTTER AND CHEESE.

BUTTER QUOTA.

I, E. J. HOGAN, Minister of Agriculture in the State of Victoria, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of butter at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for butter as follows:—

The proportion shall be Thirty-six per cent. The period for which this quota is to operate shall be the month of February, 1940.

CHEESE QUOTA.

I, E. J. HOGAN, Minister of Agriculture in the State of Victoria, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of cheese at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for cheese as follows:—

The proportion shall be Forty-three per cent. The period for which this quota is to operate shall be the month of February, 1940.

E. J. HOGAN,
Minister of Agriculture.

24th January, 1940.

Marketing of Primary Products Act 1935.

ELECTION NOTICE.—ONION MARKETING BOARD.

NOTICE is hereby given that I have appointed Friday, the 8th March, 1940, as the day for nominations of candidates for election as producers' representatives on the Onion Marketing Board.

Nominations in the prescribed form must be lodged before Noon on the day of nomination with the Returning Officer, Mr. W. L. Rowe, Chief Electoral Officer, Chief Secretary's Office, Melbourne.

E. J. HOGAN,
Minister of Agriculture.

25th January, 1940.

Local Government Act 1928, Part 42, Section 858.

Transport Regulation Acts.

TRANSPORT REGULATION BOARD.

NOTICES OF PUBLIC HEARINGS.

NOTICE is hereby given that the applications made by the persons named below for licences to operate the commercial goods and commercial passenger vehicles on the route or routes or in the manner set out opposite their names will be heard at the Exhibition Buildings, Rathdown-street, Carlton, at 10 a.m. on Wednesday, the 14th February, 1940.

Name of Applicant; Nature of Application.

- McCONNELL, CHARLES BLANEY: 1 commercial passenger vehicle (to be purchased) with seating capacity for 23 to 30 persons to be operated as an additional vehicle—(1) between Healesville and Castella for the carriage of passengers, mails, newspapers, and parcels; (2) as a stage omnibus within a radius of 6 miles from the

Healesville Railway Station; (3) as a touring omnibus on specified day and half-day tours; (4) under charter conditions and for private hire within a radius of 20 miles from Healesville.

- BRUTON, VICTOR: 1 commercial goods vehicle for the carriage of—(a) general goods within a radius of 20 miles from Leitchville; (b) general farm produce within a radius of 40 miles from Leitchville; (c) live stock to shows and markets within 100 miles from Leitchville.

NOTICE is hereby given that the applications made by the persons named below for licences to operate commercial goods vehicles and commercial passenger vehicles on the route or routes or in the manner set out opposite their names will be heard at a time and place to be communicated to the parties.

Name of Applicant; Nature of Application.

- COLESIMO, EMILIO: 1 commercial goods vehicle for the carriage of—(a) firewood to the township of Warracknabeal from places within a distance of 40 miles therefrom; (b) gravel to the township of Warracknabeal from gravel pits at Glenorchy and Jeparit; (c) within a radius of 10 miles from Warracknabeal—wheat, oats, and barley.

- SWITZER & FANTHAM: 1 commercial goods vehicle for the carriage of—(a) fish to Orbst from the border of Victoria and New South Wales via the Princes Highway East; (b) empty fish boxes from Orbst to the border of Victoria and New South Wales via the Princes Highway East; (c) two passengers provided that such passengers are not picked up or set down in Victoria except at Orbst.

- SMITH, PETER STANLEY: 1 10-cwt. truck for the carriage of mails and general goods on the route Horsham-Brimpaen.

- DREW, H. L.: 1 commercial passenger vehicle (to be purchased) to be operated as a stage omnibus on the route between Gnarwarre and Geelong via Barrabool, Ceres, and Highton, under charter conditions and interchangeably on the route between Geelong and Winchelsea.

- BLAIN, RUPERT HARCOURT: 1 commercial goods vehicle for the carriage of—(a) general goods within a radius of 20 miles from the Post Office at Curdie Vale; (b) firewood from Curdie Vale to the Trufood Factory at Noorat and also to Warrnambool.

- BLAKISTON & COMPANY PROPRIETARY LIMITED: 1 commercial goods vehicle for the carriage of—(a) bones and meat from Geelong to Melbourne on behalf of Sims Cooper; (b) green sheep skins from Goldsbrough Mort & Co. Ltd., Melbourne, to Clyde Fellmongery, Geelong.

- METCHER, F. H.: 1 commercial passenger vehicle with seating capacity for 7 persons to be operated as a stage omnibus within the Shire of Flinders and for private hire within a radius of 100 miles from Sorrento.

Notice of any objection should be forwarded to reach the Secretary to the Board not later than Monday, the 5th February, 1940.

F. P. MOUNTJOY,

Secretary.

Exhibition Buildings, Rathdown-street, Carlton, 30th January, 1940.

KYNETON SEWERAGE AUTHORITY.

BY-LAW No. 1, RELATING TO CONSENTS, LICENCES, ETC., ALSO LEVELS, DIMENSIONS, CONSTRUCTION, MAINTENANCE, VENTILATION, AND CLEANSING OF SEWERS AND OTHER MATTERS RELATING TO HOUSE CONNEXION WORK.

THE Kyneton Sewerage Authority, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Sewerage Districts Acts and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

In the construction of this By-law, unless inconsistent with the context or subject-matter—

"Acts" means the Sewerage District Act and any amendment thereof, and any Act incorporated therein, or amendment of such Acts.

"Anti-syphonage vent" (or "back vent") means any vent pipe from an individual trap to the open air, or a main or branch vent pipe having for its purpose the prevention of loss of water seal in the trap.

"Authority" means the Kyneton Sewerage Authority.

"Bore," "diameter," or "size," in reference to any pipe, means the nominal diameter thereof, in accordance with accepted trade practice.

"Building" means any building used as a work place, residence, place of business, place of amusement, or place of human habitation, or for the storage of food intended for human consumption, but does not include outbuildings unless such are used for any of the above purposes.

"Disconnector trap" means a trap for isolating or disconnecting waste pipes from the house drain and soil pipes and providing inlet ventilation to the waste pipe or pipes discharging into it.

"Drain" means any drain used for the drainage of one building only or of premises within the same curtilage and includes any drain for draining any group or block of houses by a combined operation under the order of the Authority.

"Educt vent" means an opening or pipe for the exit of air from and the induction of draught in a soil pipe, waste pipe, or house drain.

"Engineer" means the Engineer of the Authority.

"Fittings" mean all apparatus or appliances, together with their necessary appurtenances and connexions, for use in connexion with the plumbing or drainage system of any property, with the exception of fixtures and straight piping.

"Fixtures" means all apparatus or appliances, together with their necessary appurtenances and connexions, which may be attached to the plumbing or drainage system of any property, and which are intended for the collection or retention of any wastes or waste waters for ultimate discharge into the sewerage system.

"Housemaids' slop sink" means any fixture other than a closet pan or urinal used for the discharge of soil waters and provided with a flushing apparatus in accordance with Division 32 of this By-law.

"Induct vent" means an opening or pipe for the admission of air to a soil pipe, waste pipe, or house drain.

"Interceptor trap" (or "boundary trap") means a trap for preventing the passage of air or gases from the sewer to the house drain, and situated on the house drain at some point between the sewer and the lowest inlet to the house drain.

"Occupier" means the person for the time being in actual or constructive occupation of the premises.

"Owner" includes the person for the time being who receives or is entitled to receive the rent of the lands or premises in connexion with which the word is used, whether on his own account or as agent of or as trustee for any other person, or who if such lands or premises were let to a tenant at a rack rent would be entitled to receive the rack rent from the occupier thereof.

"Premises" includes any house and any building whatsoever and any part of any house or building and any garden stable yard or other offices used together or in connexion with any house or building and every part thereof.

"Responsible officer" means any officer authorized by the Authority to act as its representative in the particular matter to which the reference is made.

"Sewer" means any sewer or underground gutter or channel which is not a drain within the meaning of the Acts and any drain or portion of a drain laid between a sewer and the boundary line of any allotment or curtilage.

"Sewerage District" means the Kyneton Sewerage District.

"Sewered property" means as well as any sewered land or premises any land or premises which have been declared by a general notice given by the Authority, under the Acts to be deemed and taken to be a sewered property within the meaning of the Acts.

"Sewerage system" includes all sewers, fittings, fixtures, appliances, plant, machinery, and any other sewerage works vested in the Authority.

"Soil pipe" means any pipe which conveys the discharge from water closets, housemaids' slop sinks, or urinals to the house drain.

"Stack" means any vertical line of soil, waste or vent piping with its offsets, if any.

"Trap" means any fitting designed to retain a quantity of water to arrest the passage of air or gases through such fitting.

"Waste pipe" means any pipe which conveys the discharge from any fixture (except water closets, housemaids' slop sinks, or urinals), to a disconnector trap.

"Water seal" or "trap seal" means the vertical distance between the dip and the crown weir of a trap.

"Waste water" means water from factories or from buildings or premises in connexion with factories, but does not include storm water or ordinary domestic sewage.

INTERPRETATION.

In the construction of this By-law the meaning which, in the Acts, is assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter or context.

PART 1.

GENERAL REGULATIONS.

Division 1.—Applications for Consents, &c.

Section 1. Application for the Authority's consent to connect with the sewerage system, or to do plumbing and drainage work connected therewith, must be made in writing by the owner of the property to be so connected, or by his authorized agent.

Section 2. Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be in the form prescribed by the Authority. For any wilful misrepresentation in such application the owner or authorized agent as aforesaid shall be guilty of an offence against this By-law. No consent given by the Authority shall be deemed to authorize anything not stated in the application, nor to confer or grant the right to lay a drain through any land intervening between the sewer of the Authority and the land proposed to be connected, and every owner or agent applying for the Authority's consent shall satisfy himself as to his legal right to drain through such intervening land, as he shall be solely responsible for any trespass or damage thereon or thereto.

Section 3. Consents to make connexions with the sewerage system will be issued only when the plumbing and draining in the property to be connected is planned to be made in accordance with the rules for plumbing and draining hereinafter prescribed, and after such plan has been inspected and approved of by the responsible officer appointed by the Authority for the purpose, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage of the building into the branch, of which the Authority shall have fixed the position, has been approved of in writing by the Authority. All connexions with drains or sewers, and all plumbing and drainage connexions therewith, shall be made under the direction of the responsible officer of the Authority. Consent will not be given for the performance of any such work except upon condition that no person shall be engaged or employed as a workman in the actual performance of any plumbing or drainage work unless he be the holder of a licence issued by the Authority to do such work. Any person who shall at any time or at any place make up, form, affix, alter, or repair any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority's sewerage system, unless he be the holder of a licence from the Authority authorizing him to do such work, shall be liable to a penalty not exceeding Ten pounds. Any person, whether licensed as aforesaid or not, who shall alter, remove, or in any way interfere with any drain, fitting, pipe, bend, trap, or other thing connected with the Authority's sewerage system, unless the Authority's written consent has been previously issued to do such work at the premises concerned, shall be liable to a penalty not exceeding Ten pounds.

Section 4. Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of or from the Authority is necessary, whether specified in writing or otherwise, with regard to any act, matter, or thing mentioned in the By-law, the same may be given by and under the hand of the chairman of the Authority, or of the responsible officer, personally or through an inspecting officer appointed under him, who severally shall be competent to give the same and authorized on behalf of the Authority, to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

Section 5. In any case in which the Authority shall be of the opinion that a compliance with any of the provisions of this By-law would in any particular case be vexatious or be

needless in the interest of public health, it shall be lawful for the Authority, by resolution, to dispense with or forbid such compliance in whole or in part as it shall think fit, or to authorize or direct such a modification or alteration of such provisions as shall, in its opinion, most nearly adapt the principle of those provisions to the particular case. It shall be unlawful to comply with any provision, or part of any provision, of which compliance shall have been forbidden, or to act contrary to or otherwise than as directed by such modification or alteration.

Division 2.—Penalties, Recovery of Cost of Work; &c.

Section 6. Where anything is by this By-law directed to be done, or forbidden to be done, or where any authority is given to the Authority or any of its officers to direct or to forbid anything to be done, and such act so directed to be done remains undone, or such act so forbidden to be done is done, then, and in every such case, the person making default as to the said direction or prohibition respectively shall be guilty of an offence against this By-law.

Section 7. Every person guilty of an offence against this By-law, not otherwise specially provided for by or under the authority hereof, shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in this By-law or the Acts, to a penalty not exceeding Ten pounds, and to a further penalty of One pound for each day during which such offence is continued by such person after notice of the offence shall have been given by the Authority to him; and such penalty shall be recoverable, notwithstanding that the Authority may not have chosen to exercise any power given to it by the Acts or by this By-law to remedy such default.

Division 3.—House Drainage Plans—Alterations.

Section 8. Copies of the Authority's plans of individual house drainage will be furnished by the Authority upon application and payment for the same, as follows:—

- (a) Where owners design and carry out their own work—
 - (i) For the supply of a block plan, Two shillings and six pence (2s. 6d.).
 - (ii) For the examination of the owner's plan of design, a minimum fee of Seven shillings and six pence (7s. 6d.).
 - (iii) For making or examining any alterations or addition to a plan previously issued or approved of by the Authority, a minimum charge of Five shillings (5s.) shall be made by the Authority.
 - (iv) For the inspection of drains and testing by the Authority's inspector, Ten shillings (10s.).
 - (v) For the inspection of plumbing by the Authority's inspector, Ten shillings (10s.).
 - (vi) For the final inspection by the Authority's engineer and charting the work on the Authority's plans, Ten shillings (10s.).
- (b) Where the Authority designs the work for the owner and the owner then carries out his own work—
 - (i) For plan of design, Ten shillings (10s.), plus Two shillings and six pence (2s. 6d.) for each fitting.
 - (ii) For making or examining any alterations or additions to a plan previously issued or approved of by the Authority, a minimum charge of Five shillings (5s.) shall be made by the Authority.
 - (iii) For the inspection of drains and testing by the Authority's inspector, Ten shillings (10s.).
 - (iv) For the inspection of plumbing by the Authority's inspector, Ten shillings (10s.).
 - (v) For the final inspection by the Authority's engineer and charting the work on the Authority's plans, Ten shillings (10s.).
- (c) Where the authority designs the work and has same carried out for the owner, a charge shall be made equal to Ten per centum on the capital cost of the work for the designing and supervising of all details in connexion with such work.

Consent for additions and/or amendments to approved plans or to works previously approved will be made only on the application of the owner or his authorized agent.

Division 4.—Maintenance and Defective Work.

Section 9.—Any drain pipe, soil pipe, trap, water closet, urinal, sink, or other fitting laid, used, or constructed otherwise than in accordance with this By-law, or which shall in the opinion of the Authority be or become bad or of defective quality, shall, upon notice in writing from the Authority to the owner or occupier of the property, be by such owner or occupier removed or repaired in the manner determined and within the time fixed by the Authority; and in case such owner or occupier fails to comply with the requirements of the notice,

he shall be liable to prosecution and penalty for an offence against the Acts, or the Authority will, if it thinks fit, remove or repair the said defective fitting and charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in a manner provided by the said Acts.

Division 5.—Licences.

Section 10. No person shall tender for or enter into any contract for or undertake any plumbing work relating to sewerage within the Kyneton Sewerage District or connected or to be connected with the sewers of the Authority who does not hold either a master plumber's licence or a working plumber's licence issued by the Authority.

Section 11. No person shall tender for or enter into any contract for or undertake any draining work relating to sewerage within the Kyneton Sewerage District, or connected or to be connected to the sewers of the Authority who does not hold either a master plumber's or working plumber's licence, or a drainer's licence issued by the Authority.

Section 12. No person other than a holder of a working plumber's licence issued by the Authority shall actually do or perform any such plumbing work.

Section 13. No person other than the holder of a working plumber's or a drainer's licence issued by the Authority shall actually do or perform any such draining work.

Section 14. At the discretion of the Authority a master plumber's licence may be granted to any master plumber or master builder, building contractor, or other person, firm, or corporation who is approved by the Authority, but such licence will only entitle the holder to tender for or enter into contracts for or otherwise undertake plumbing and drainage work under these By-laws, but shall not entitle the holder to personally do any actual plumbing or drainage work under these By-laws.

Section 15. Holders of master plumber's licences not themselves licensed working plumbers or licensed drainers must continuously employ on all and every plumbing work carried out by them under these By-laws licensed working plumbers, and on all and every drainage work, licensed working plumbers or licensed drainers.

Section 16. Working plumber's licences will be issued at the discretion of the Authority to persons who hold and produce to the Authority a certificate of competency issued by the Sanitary Plumber's Examination Board of Victoria. Such licence will permit the holder to do practical work as a working plumber upon all fittings, appliances, and apparatus connected or to be connected with the sewers of the Authority, subject to and in accordance with the Authority's By-laws and Regulations.

Section 17. Drainer's licences will be issued to any person who shall satisfy the Authority by passing an examination by examiners appointed by them or in such other manner as the Authority from time to time or in any particular case may direct that he has a thorough knowledge of the following subjects:—

Plans.—The reading of plans and the meaning of scales and of elevation, plan, and section drawing.

Levelling.—The use of the straight-edge, spirit-level, and boning rods.

Excavation, Timbering, and Refilling.—The use of tools for excavation, the protection of trenches by timbering, the treatment of different soils, tunnelling, and tunnel timbering, precautions near buildings, and manners of refilling of trenches and tunnels.

Drain-laying.—The preparation of the bottom of trenches, the laying and jointing of stone-ware, cement, concrete, and cast-iron pipes, cement, bitumen, lead, and self-fitting joints, laying of drains under houses and in soft ground, and the depth of drains below surface.

Drainage Details.—Junctions to sewers, diminishing of sizes of pipes, yard gullies, grease and other traps, inspection openings, and cast-iron drainage details.

Drainage Work.—Knowledge of the provisions of this By-law and of the Acts, insofar as same relate to the work and duties of drainers in regard to the construction, maintenance, and protection of the sewerage system and the construction and use of drains and drainage traps.

Candidates for drainer's licences shall give notice in writing to the Authority of their intention to submit themselves to examination, and this examination shall be at such a time and at such place as shall be appointed by the Authority. Candidates must provide themselves with their own tools and materials, and pay a fee of 10s. for each examination.

Section 18. The conditions upon which all master plumber's licences, working plumber's licences, and drainer's licences will be issued are—

- (1) That every licence will be subject to suspension or cancellation at the will of the Authority, and that all such licences or renewals thereof will expire on the 30th day of June next following.

(2) That every holder of a licence from the Authority who shall have received the consent of the Authority to execute any works in connexion with sewerage or drainage, or who shall (where such consent of the Authority is not required before the execution of any such works) have notified the Authority of his intention to carry out such works—

- (a) shall obtain permission when necessary for the execution of such works on, over, or through any private property, or any streets, roads, parks, reserves or other public places or properties; and
- (b) shall pay any fees demanded by the Council or Authority for opening any street, road, or thoroughfare or otherwise in connexion with the work; and
- (c) shall execute such works in accordance with the provisions of the Acts and of the By-laws made thereunder, and of any special directions or orders given or issued by the Authority or proper officer; and
- (d) shall use materials of good quality only and free from defects; and
- (e) shall employ only competent operatives or assistants; and
- (f) shall execute such works in a thorough and tradesmanlike manner to the satisfaction of the Authority as expeditiously as practicable, and leave site clean and undefaced; and
- (g) shall in the execution of such works take such proper and necessary precautions that no accident or damage or unnecessary inconvenience may be directly or indirectly occasioned thereby; and
- (h) shall restore any part of any street, road, or thoroughfare interfered with by the work to the satisfaction of the municipal authority having control thereof upon the completion of the work; and
- (i) shall restore any other property interfered with by the work to the satisfaction of the responsible officer of the Authority; and
- (j) shall in all cases notify the proper officer immediately upon completion of any work in hand, promptly amend any defects therein, and again at once notify the said officer, and subsequently take steps forthwith to secure the certificate of satisfactory completion and give same to owner; and
- (k) shall, when so directed by the Authority, make good at his own expense any defect found within three months of the date of completion of any such work which, in the opinion of the Authority, is due to bad workmanship or defective material.

Section 19. Prior to the issue of any licence the person to whom the same is to be issued must sign a register containing a declaration that he accepts such licence subject to and in conformity with the conditions of such licence and of this By-law and that he will conform to and comply therewith; and shall pay to the Authority the fee named hereunder:—

	s.	d.
For every master plumber's licence	...	10 0
For every working plumber's licence	...	7 6
For every drainer's licence	...	5 0
For the renewal of any licence	...	2 6

Division 6.—New Buildings, Additions, &c.

Section 20. Every person who shall intend to erect a building on any property within the Sewerage District, or to rebuild or to make any alterations or additions to any such buildings shall, before commencing such work, give to the Authority seven days' notice in writing of such intention; and such notice shall be accompanied by plans and sections of such intended buildings, alterations, or additions, showing their positions, dimensions, depths, and levels of foundations, cellars, or basements, all appurtenant walls and fences, the intended lines of drainage, and the boundary of the land, which plans, &c., shall become the property of the Authority.

Division 7.—General.

Section 21. Any work or thing in respect of or in connexion with sewerage under the Act that is not specifically mentioned in this By-law shall be performed in accordance with the directions of the Authority.

PART 2.

GENERAL REGULATIONS.

Division 8.—Use of Sewers and Drains—Prohibition of Certain Discharges.

Section 22. *Use of Sewers and Drains.*—The owner and the occupier of any sewered property shall discharge into the sewerage system all faecal matter, urine, household slops and household liquid refuse from such property, and such other polluted water from stables, washing areas, manure bins, basements, cellars, and roofed yards, and such trade or manufacturing liquid refuse as the Authority may authorize or require, subject in each and every case to such conditions as it may impose.

Section 23. *Prohibited Discharges.*—The deposition or discharge of any of the following substances into any house drain is prohibited:—

- (a) Any animal matter other than is specified in section 22, fleshings, wool, hair, dead animal, grease, dust, ashes, rubbish, garbage, offal, vegetable and fruit or their parings, rags, oil, silt, mud, sand, gravel, or like substances, or any other substance which is, in the opinion of the Authority or its responsible officers, liable to be injurious to any part of the sewerage system or to the employees of the Authority engaged in the operation or maintenance of same.
- (b) Any petrol or other inflammable or explosive substance, whether solid, liquid, or gaseous.
- (c) Any rain, roof, surface, or flood waters, except by special permission of the Authority.
- (d) The contents of any night-soil cart, cesspool, or privy.
- (e) Any waste water, liquid, trade waste, or other substance which has not been neutralized to the approval of the responsible officer of the Authority, or which is above the temperature of 100 deg. Fahrenheit, or such lower temperature as may be prescribed by the Authority, having regard to the special circumstances of the case.
- (f) Any liquid which contains such percentage of common salt or any other mineral salt, acid, or gas, as is, in the opinion of the responsible officer of the Authority, injurious to, or liable to form compounds injurious to, any part of the sewerage system or to employees of the Authority engaged in the operation or maintenance of same.

Section 24. *Fittings to be Above Flood Level.*—No person shall place in position for use any fitting or appliance having an inlet or opening into any drain or into any sewer of the Authority unless the inlet or opening is above the flood level of the year 1934. Where any doubt is raised in connexion with any of the clauses of this By-law as to the highest flood level of the year 1934, the Engineer, after inquiry, shall fix such flood level, and his decision shall be final and conclusive. Where any buildings or premises are situated in any area liable to flooding at frequent intervals the Authority may suspend the operation of this clause subject to and so long as the following conditions are observed:—

- (a) That the owner applies in writing for permission to fix an approved sluice valve in every drain connecting with a sewer of the Authority on which the inlet or opening is placed, and furnishes the Authority with an undertaking that such sluice valve will be fixed at his risk, and indemnifies the Authority against all damage suffered by such owner or any one claiming under him arising out of and incidental to such valve.
- (b) That the owner undertakes whenever there is danger of flooding to close or cause to be closed every such valve before flooding occurs, and to keep closed or cause to be kept closed every such valve until the flood water shall have subsided to such an extent that there is no longer danger of the flood water entering the sewers.
- (c) That, pursuant to such permission and undertaking, an approved sluice valve shall have been fixed in every drain connecting with a sewer of the Authority and approved of by the Engineer.
- (d) That the owner does whenever necessary close and keep closed every such valve and does exclude such flood water.

Division 9.—Trade Wastes.

Section 25. *Conditions of Discharge.*—No person shall discharge any trade or manufacturing liquid, refuse, or waste into any sewer, unless and until the following conditions are complied with:—

- (a) Application for permission to discharge any such trade wastes shall be made in writing and accompanied by plans and specifications of the work to be done and of the apparatus to be used, and shall include such details concerning the nature of the waste and the quantity and rates of discharge of the proposed effluent as considered necessary by the responsible officer of the Authority.
- (b) The permission of the Authority in writing shall be obtained and an agreement containing a covenant to comply with the By-law and with any further stipulations required by the Authority, shall be executed.
- (c) The volume of liquid refuse or waste discharged shall, if ordered, be measured and determined by meter or by some other approved means of measurement. The maximum aggregate daily quantity of effluent which may pass from any trade premises into a sewer, the maximum permissible rate of such discharge, the size and capacity of the drain for conveying such effluent from the trade premises to the sewer, and the hours during which such flow will be permitted, shall be determined by the Authority.
- (d) All such liquid refuse or waste shall be passed through such settling, screening, and/or neutralizing chambers and/or such other appliances and/or otherwise

treated as ordered or approved by the Authority to ensure that the resulting effluents shall comply with the conditions of the agreement.

- (e) Every settling, screening, neutralizing, or other chamber, appliance, or apparatus for the treatment of trade wastes in accordance with this By-law shall be cleansed and maintained by the occupier at his own expense and at such intervals as may be considered necessary by the Authority or its responsible officer to ensure the efficient operation of such chamber, appliance, or apparatus, and in no case shall such chamber, appliance, or apparatus be altered without the approval in writing of the Authority first being obtained.

Division 10.—Sub-soil Water.

Section 26. The discharge of sub-soil water into sewers shall be prohibited except by permission of, and under conditions approved by, the Authority.

Division 11.—Inspection Tests.

Section 27. *Notice.*—The owner or his authorized agent, or the plumber, drainer, or contractor, shall give at least forty-eight hours notice to the Authority, in writing, of his intention to commence work and of work ready for inspection. All work shall be left uncovered and accessible for examination until inspected and approved. Inspection shall be made within twenty-four hours of the receipt of such notification except when the notification is received on a Saturday, when seventy-two hours shall be allowed.

The contractor carrying out any work shall, within seven days of the completion of such work, file in the office of the Authority, on forms furnished for this purpose, a correct statement of the work done and the cost thereof. Such statement shall be countersigned by the responsible officer of the Authority, and a certificate embodying such statement shall be forwarded to the contractor.

Section 28. *Inspection.*—All drains, wastes, fittings, joints, fixtures, &c., will be inspected by the responsible officer of the Authority to ensure compliance with the By-law and approved plan.

Section 29. *Tests.*—Drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. The responsible officer of the Authority may require the application of the water or smoke test, or such other tests as he may order or approve.

Section 30. *Water Test.*—The water test may be applied to the drainage and/or plumbing systems and their fittings in their entirety or in sections. It shall be applied by hermetically sealing all openings below the top of the section to be tested. The system shall then be filled with water to a height of 6 feet above the highest point of the section, or, if considered necessary, to such additional height as the responsible officer may order, and every joint carefully examined for leaks.

Section 31. *Smoke Test.*—The smoke test shall be applied by hermetically sealing all openings into the section to be tested, and forcing into the system thick smoke to a pressure equivalent to 1 inch of water, by means of a smoke test apparatus. Every joint shall then be carefully examined for leaks.

Section 32. *Equipment, &c.*—The equipment, material, power, and labour necessary for the inspection and tests shall be furnished by the contractor, plumber, or drainer.

Section 33. *Maintenance.*—Every person holding a licence from the Authority who shall execute any work in connexion with sewerage drainage and/or sanitary plumbing shall, when so directed by the Authority, make good at his own expense any defect found within three months of date of completion of any such work due, in the opinion of the Authority, to bad workmanship or defective material.

Division 12.—Materials and Workmanship.

Section 34. *Materials.*—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be of the best of their respective kinds, sound and free from defects, and shall comply with such Australian standard specifications as apply and are accepted by the Authority, otherwise to be approved by the Authority.

Section 35. *Testing.*—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be submitted for examination and/or test, and shall not be placed in position until passed and stamped by the Authority. Such testing of materials shall be paid for by the person submitting same, whether passed or rejected, and shall be done at such time and place, and at such rates, as may from time to time be fixed by the Authority.

Section 36. *Workmanship.*—All work shall be executed in a thorough and workmanlike manner, and to the satisfaction of the Authority.

Section 37. *Precautions.*—Adequate precautions shall be adopted by the person carrying out the work to prevent injury to workmen, property, or public, and the Authority will accept no responsibility for claims for injury arising from the inadequacy of such precautions.

Section 38. *Concrete.*—Concrete, unless otherwise ordered, shall consist of one part Portland cement, two parts clean sharp sand, and four parts hard metal, shingle or gravel not exceeding $\frac{1}{2}$ -in. gauge, and shall be thoroughly mixed with clean water to such consistency as ordered or approved by the responsible officer of the Authority.

Section 39. *Cement Mortar.*—Cement mortar, unless otherwise ordered, shall consist of one part Portland cement and two parts clean sharp sand, properly mixed with an approved proportion of clean water.

PART 3.

DRAINAGE.

Division 13.—Drainage, General.

Section 40. (1) Every premises shall be separately drained unless a combined drain shall have been ordered or approved by the Authority. Owners desiring to have the drainage of their properties combined must sign a request for a combined drain, and obtain the approval of the Authority. In any case in which it appears to the Authority that any properties may be drained more advantageously in combination than separately the Authority may order that those properties be drained by a combined operation.

(2) In any case where a combined drain serves two or more properties the Authority, with the consent of the owners of the properties served by such combined drain, may take over such combined drain, and thereafter such combined drain shall be and remain a sewer of the Authority.

(3) In every case of a combined drain the Authority will determine, as between the respective owners and occupiers of the properties drained thereby, the proportions in which the cost of such combined drain shall be paid. In every case of the occurrence of an obstruction in a combined drain the Authority will also determine by whom and in what proportion the cost of removing such obstruction shall be paid.

(4) Owners and occupiers of premises are responsible for clearing stoppages in drains within their premises, or between their premises and the sewers into which the branches lead, but must employ only licensed plumbers or drainers to clear same.

(5) Before a licensed plumber or drainer commences to clear a stoppage in a drain he must notify the Authority in writing of the time when he intends to clear the stoppage, so that the Authority's proper officer may attend and pass the work in accordance with the provisions of the Acts.

Section 41. *Size of Drains.*—Every drain shall be of adequate size for the drainage of the property to be served, in accordance with the requirements of section 85, with a minimum diameter of 4 inches.

Section 42. *Materials.*—All drain pipes, bends, junctions, and fittings used shall be of glazed stoneware, concrete, cast-iron, or other approved material, provided that the responsible officer of the Authority may prohibit the use of any of the above-mentioned where the circumstances or conditions are considered unfavorable.

Section 43. *Cast-iron Pipes.*—Cast-iron drainage pipes and their fittings shall comply with the Australian standard specification, or, in the event of no such standard being in existence, with the standard approved by the Authority for cast-iron water pipes and their fittings of similar diameters.

Section 44. *Interceptor Traps.*—Where directed by the Authority, but not otherwise, an interceptor trap shall be fixed in the drain laid from any property to the sewer. Such trap shall be fixed as near as practicable to the boundary, and wherever practicable shall be within the boundaries of the property. The interceptor trap shall be provided with an inspection cap on the sewer side of the trap. If ordered, an approved manhole shall be provided for the trap.

Section 45. *Inspection Chambers.*—All drains shall, wherever considered necessary by the Authority, join in an inspection chamber at least 3 feet long by 2 feet wide, fitted with a closed cover. The portions of the drains crossing the floor of the inspection chamber shall be connected either in a straight line or by curved junctions in the floor of the chamber. All inspection chambers to be cement rendered (two parts sand and one part cement) to a smooth surface, and made watertight. The inspection chamber must be provided with a closed cover, and special ventilation must also be provided if considered necessary by the Engineer.

Section 46. *Inspection Openings.*—Every line of drain shall be provided with an inspection opening—inside and within 5 feet of the boundary line, at each junction not provided with an inspection chamber, at each change of direction, at each fixture, and in no case at greater than 30 feet intervals, and in paved areas these shall, if considered necessary by the responsible officer of the Authority, be brought to the surface and furnished with approved airtight covers. The area of an inspection opening shall be not less than the area of the drain.

Section 47. *Drain Openings Not in Use.*—The ends of all house drains not immediately connected with the plumbing fixtures and all inspection openings shall be securely closed with watertight imperishable materials. If stoneware or cement concrete, a stoneware, cement concrete, or cast-iron disc must be cemented in; if wrought iron, a plug must be screwed on the end; if cast iron, a cast-iron plug must be caulked in with lead.

Section 48. Replacing or Inserting Pipes.—Where it becomes necessary to remove a pipe to clear a stoppage or to insert a pipe or branch in an existing drain, such pipe so removed shall be replaced by an inspection pipe or inspection junction of the same length by one of the following methods:—

- (a) The top half of the socket of the new pipe and of the existing downstream pipe may be removed, but the bottom half shall in each case be left intact and the joints surrounded with concrete.
- (b) An approved split pipe with double collar surrounded with concrete may be used.
- (c) A length of not less than three pipes may be removed, the centre pipe replaced by an inspection pipe, and the pipes dropped back into place without springing or cutting.

Junctions in existing metal pipes shall not be made unless an approved closure pipe is used in each case. Springing pipes into position shall not be resorted to or allowed.

Division 14.—Basement and Cellar Drainage.

Section 49. Fixtures.—No water-closet, urinal, and/or other fixture shall be placed in any cellar or basement, or on any floor below ground level, unless by consent of the Authority, and then only when, in the opinion of the Authority, other provision cannot be made. The owner shall submit such plans and/or other information as the Authority may require, and shall undertake in writing to accept all risk of damage that may occur. If satisfied that the ventilation and lighting provided are in accordance with section 151 or 152 of these By-laws, and all other conditions have been complied with, the Authority may give its consent; provided always that such consent may be revoked by the Authority at any time, and that upon 14 days' notice of revocation such fixture shall be abolished by the owner.

Section 50.—Risk of Back Flow.—Where such cellar, basement, or floor below ground level is at such a level as may, in the opinion of the Authority, involve risk of back flow in the event of the sewer becoming overcharged, the sewage from all fixtures therein shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered and discharged into the sewer as and where directed.

Section 51. Seepage Drains.—In no case shall seepage drains from cellars, basements, or any floor below ground level be discharged into a sewer without the consent of the Authority. Where such discharge is permitted by the Authority the seepage shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered, and discharged into the sewer or elsewhere as and where directed.

Division 15.—Polluted Areas.

Section 52. Connexion.—The Authority may, if it thinks fit, authorize or require that any of the following places:—namely, stables, cow-sheds, dairies, market places, areas for washing vehicles, and any other polluted place, be connected with the sewers, subject to such conditions as the Authority may impose.

Section 53. Conditions Governing Connexion.—No such connexion shall be made unless the following conditions have been complied with:—

- (a) The place to be connected shall, if required, be so roofed as to prevent the entry of rain water from it to the sewers, and in no case shall rain water be permitted to discharge on to such place from adjoining surfaces.
- (b) The place to be connected shall be paved above the level of the yard with approved materials, and graded to the satisfaction of the responsible officer of the Authority.
- (c) The drain from any such place shall be provided with an approved silt trap with a removable grating and connected with the drain inside the boundary line of the property.

Section 54. Manure Bins.—(a) Manure bins must be provided for all stables, or cow-yards where the local Council's By-laws demand their construction, or where the locality is closely built on.

(b) All the manure bins must have the inside surfaces rendered with cement mortar, and must be made impervious throughout, and provided with an approved close-fitting cover. Walls of new manure bins must, unless otherwise approved, be at least 9 inches in thickness, built of brickwork laid in cement mortar. If an outlet pipe be provided for a manure bin, it must be properly connected with the Authority's sewers. Branches in house drains must be provided in all cases where manure bins exist, for their connexion whenever the Authority shall deem it necessary.

Division 16.—Pipe Trenches.

Section 55. The trench for the house drain from any property shall be so dug as to meet the Authority's sewer at the position provided or to be provided for the connexion.

The material from the trench shall be so placed as to cause the least possible obstruction and inconvenience to the public. Proper barriers and lights must be maintained where necessary to guard against accident during the progress of the work.

No. 13.—1008/40.—2

In refilling the trench selected refilling shall first be deposited around and over the pipe to a depth of 12 inches and carefully consolidated, after which the remainder of the trench shall be filled in layers and rammed or flooded, as ordered or approved.

No stone shall be used in refilling until earth or gravel has been placed over the pipe to a depth of 1 foot, or more if directed.

On no account shall any water, sand, earth, &c., be allowed to enter the sewer during the progress of the work.

On completion of refilling the surface shall be restored as nearly as possible to the same condition as it was in before operations were commenced, unless the owner in writing otherwise requires.

Division 17.—Laying Drains, &c.

Section 56. Position and Line.—Every drain and every fitting, &c., connected therewith shall be laid and fixed where directed by the responsible officer of the Authority. As far as possible all drains shall be laid in straight lines; where changes of direction occur they shall be made in manholes, or by a suitably curved pipe with an inspection opening on each straight pipe next adjoining the curve.

Section 57.—Oblique Junctions.—Where any drain joins another drain the junction shall be made obliquely at an approved angle with the direction of flow of such drain. Right-angled junctions shall not be made.

Section 58. Connexion to Sewer.—The position of the Authority's connexion to any premises shall be located prior to the commencement of any drain excavation. The disc stopper at the point of connexion to the sewer shall be carefully removed so as not to injure the socket or allow any debris to enter the sewer.

The first length of the drain at the branch shall be an inspection opening.

Section 59. Gradients.—All drains shall be laid on an even grade, and, except by special permission in writing, from the Authority, such gradients shall in no case be less than the following minimum permissible gradients:—

4-in. diameter	1 in 40
6-in. diameter	1 in 60

In cases where the grades of 4-in. and 6-in. drains are steeper than 1 in 10 and 1 in 15, respectively, concrete stops shall be placed as and where directed by the responsible officer of the Authority.

Section 60. Depth of Drains.—Drains of stoneware or concrete pipe, unless bedded in and encased in concrete of not less than 6 inches thickness over any part of the drain, shall be laid at a depth to the socket of the pipe of not less than the following:—

- (a) In public thoroughfares, rights-of-way, or other open spaces subject to vehicular traffic—2 ft. 6 in.
- (b) In private property not subject to vehicular traffic—1 foot.

No person shall alter the surface over any drain so as to deprive it of the minimum depth of cover specified by the preceding paragraph, unless approved measures are adopted to protect the drain.

Section 61. Laying Drains.—All pipes shall be laid to such lines and grades as may be shown on the plans or directed, and, except where otherwise ordered, holes shall be cut in the bottom of the pipe trench to receive the sockets of the pipes, and all the pipes shall be carefully bedded with the barrel on the solid ground.

In the case of rock-bottomed trench, or where directed, the pipes shall be bedded up to the horizontal diameter upon not less than 3 inches thickness of approved sand or other approved material measured from the barrel of the pipe.

In water-charged ground, or where the foundation is bad, or near roots of trees, or where directed, the drain shall be formed of cast-iron pipes; or, if of stoneware or concrete pipes, they shall be bedded on and encased in concrete as ordered, and, if ordered, supported upon approved timber foundations as directed.

Drops or bends in vertical or inclined drains shall have a concrete support placed under and around as directed.

Portland cement concrete brought to a smooth surface must be used in each of the following cases:—

- (i) Around and under gully basins, the exposed surfaces to be rendered in cement mortar, two parts sand, one cement.
- (ii) Around the top and for 6 inches below the surface of the ground of vent pipe sockets where exposed.
- (iii) Around the top and for 6 inches below the surface of the ground of disconnexion traps when the surface is exposed.
- (iv) Under and around bends rising vertically off oblique branches, and under all drainage traps.

Division 18.—Drains Under Buildings.

Section 62. Every drain shall, as far as practicable, be so constructed as not to pass under any building. Where a drain does pass under a building it shall, if practicable, be laid in a direct line for the whole distance beneath such building, and shall have approved means of access for rodding outside the

walls of the building, and also, if directed, beneath the building. The pipes used shall be of stoneware or concrete, surrounded by not less than 6 inches of concrete or of cast-iron.

In any case in which pipes pass through or under walls, approved provision shall be made to prevent injury to the pipes by settlement, and, in outer walls, to prevent the ingress of vermin.

Division 19.—Joints, Drainage.

Section 63. *Stoneware and Cement Pipes.*—Joints of stoneware and cement pipes shall be filled in solidly with cement mortar neatly splayed off, or with other approved material. After each joint is made the interior of the joint shall be wiped clear of surplus mortar before the next pipe is laid.

Section 64. *Cast-iron Pipes.*—All joints in cast-iron pipes must be stemmed with approved gaskets and so filled and caulked with lead or other approved material as to make them gas and water tight.

All connexions between stoneware or concrete pipes and cast-iron pipes shall be made as for joints in stoneware or concrete pipes.

Division 20.—Drainage Ventilation.

Section 65. *Vents on Main House Drain.*—The main drain shall be ventilated at its upper end by a pipe ventilator erected vertically, and such ventilator may be a soil pipe.

If the drain is provided with an interceptor trap there shall be in addition a ventilator connected to the interceptor trap shaft.

In such cases there shall, wherever practicable, be a difference in height of not less than 6 feet between the tops of the vents at the upper and lower ends of the drains respectively.

Section 66. *Vents on Branch Drains.*—Branch drains need not be vented if the drainage traps are within 15 feet from the main house drain, measured along the line of pipes, including the drop, if any, from the centre line of the main drain to the centre of the outlet side of the water seal of the drainage trap, unless otherwise ordered by the Authority, in which case they must be vented as directed.

Section 67. *Height of Vents.*—Every vent pipe extending upwards from a soil or drain pipe shall be carried not less than 6 feet higher than any window or door within a distance of 30 feet thereof, and in any case at least 21 feet above ground level and 6 feet above the level of the eaves or coping, or to such additional height as may be necessary to prevent effectually the escape of foul air into any building within the vicinity.

Where the vent pipe extends into a gable of the building it shall further be carried at least 2 feet above the point of intersection with the roof.

Such pipes shall, where necessary, be provided with sufficient clips or stays to support them effectively.

Section 68. *Chimneys.*—No chimney shall be used as a ventilator to any drain, soil, or waste pipe.

Section 69. *Vents Near Chimneys.*—Vents must, as far as possible, be kept away from chimneys and ventilating air shafts. Where a ventilator pipe terminates 6 feet or more from a chimney opening or ventilating air shaft, the requirements of section 67 shall apply, but where the distance is less than 6 feet the vent pipe shall, unless otherwise ordered, terminate not less than 2 feet below the top of such chimney or air shaft.

Section 70. *Vents Adjoining High Buildings.*—In any case in which a building is erected next to a previously existing building of less elevation, and any windows of the new building are located within 30 feet of any existing vent stack on the lower building, the owner of such new building shall defray the cost of or shall himself make such alterations to the vents of the previously existing building as necessary to conform with section 67.

The owner of the lower or existing building shall make such alterations upon the receipt of money, or security therefor sufficient for the purpose, from the owner of the new or higher building, or shall permit at the election of the owner of the new or higher building, the making of such alteration by the owner of such new or higher building.

Section 71. *Size of Drainage Vents.*—Drainage vent pipes shall, unless otherwise ordered, be of not less than 4 inches diameter in the case of educt vents and not less than 3 inches diameter in the case of induct vents, with the provision that where more than one educt vent is provided the vent on the longest line of drain shall be of not less than 4 inches diameter and all others of not less than 3 inches diameter; but in no case shall a drainage vent be of smaller diameter than necessary to comply with the requirements of section 86.

Unless otherwise ordered or approved every such vent pipe shall be without return bend and provided with basket end or educt or induct cowls as directed.

Section 72. *Materials, &c.*—Drainage vent pipes situated wholly outside of buildings shall be of cast-iron, galvanized wrought iron, double galvanized sheet iron, or other approved material above ground, and of stoneware or concrete beneath the surface of the ground. Galvanized sheet-iron vent pipes shall not be less gauge than 20 for 3-in. and 4-in. diameter

pipes and 18 for 6-in. pipes, and where ordered the first 6 feet above ground shall be of cast-iron or other approved material. Drainage vent pipes inside a building shall, unless otherwise approved, be of cast-iron or of galvanized wrought iron. The circumferential joints of galvanized sheet iron vent pipes shall be riveted and soldered. All galvanized sheet-iron vent pipes used to ventilate the drainage system, or used as anti-siphonage pipes to soil or waste pipes from closets, slop sinks, or urinals, must be coated with hot tar or asphaltum inside before erection.

Section 73. *Gratings.*—Openings for ventilation shall be effectively protected by approved gratings of ample area. The aggregate area of apertures in any such grating shall not be less than the sectional area of the pipe or drain to which such grating is fixed. Every opening for ventilation shall at all times be kept perfectly free from obstruction.

Section 74. *Pipe Clips, &c.*—There shall be at least one pipe clip to each 6-ft. length of vent pipe.

For cast-iron or wrought-iron pipe approved coated wrought-iron clips and for galvanized sheet iron pipe 1½-in. x 14-gauge galvanized band iron clips shall be provided. Wherever it is necessary to fix pipes clear of the wall approved extension clips shall be used.

Clips in the case of cast-iron pipes must be placed tight up against the bead or underside of collar.

Section 75. *Attachment to Walls.*—Where a galvanized sheet iron pipe, with or without offset, is carried up above the brick wall of a building a galvanized wrought-iron clip must be used, leaded into the wall near the top wherever possible and bolted against the vent pipe.

All hand iron clips of vent pipes to brick walls shall be fastened with nuts and bolts, leaded in, or by means of T-headed bolts passed through the brick joints and turned at right angles to the joints.

Section 76. *Supporting Vents.*—Wherever a vent pipe with offset is not more than 9 feet long above such offset it need not be stayed; if longer, it shall be stayed as directed with ½-in. galvanized wrought-iron piping.

An unsupported length of 15 feet above highest clip of straight vent pipe without offset will be permitted.

Section 77. *Induct Vents.*—Every induct vent shall be securely supported in an approved manner.

Division 21.—Drainage Traps.

Section 78. *Trapping of Inlets.*—Every inlet to any drain other than inlets provided for ventilation in accordance with the By-law shall be provided with an approved trap. No inlets to any drain connecting directly with a sewer shall be constructed within a building other than such inlets necessary for the apparatus of any water-closet, urinal, or housemaid's slop sink.

Section 79. *Classes of Traps.*—Four classes of traps shall be used—

- (a) "Traps" for intercepting gases only, to be of round section and self-cleansing form, but not such as to empty by momentum or suction.
- (b) "Silt traps" for intercepting both gases and solids, to have slightly tapered sides, flat bottom, and rounded angles, and provided with approved means for catching and removing solids.
- (c) "Grease traps" for solidifying and collecting grease or other semi-fluid matter liable to foul the pipes, to be of such form as approved.
- (d) "Oil traps" for collecting all kinds of oil and to be of such form as approved.

The term "yard gully" is applied to traps (a) in cases where they are used externally and fitted with dishd tops and gratings. The tops of inlets of all disconnector traps must be at least 6 inches above the surface of the surrounding ground.

Section 80. *Water Seal.*—All traps must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than 2 inches.

Section 81. *Provision of Yard Gullies.*—A yard gully must, wherever practicable, be provided in the yard of every property, as near as practicable to the kitchen or back door, with a tap placed over it at a height of not less than 2 feet. No yard gully shall be situated within a building. Where it is not practicable to provide a yard gully, a slop sink must be provided within the building.

Section 82. *Details of Yard Gullies.*—Yard gullies shall be fitted with dishd tops and gratings, the dishd top being in one piece with the trap or jointed thereto by spigot and faucet, or as otherwise approved.

The depth of the dishd top to the grating must be not less than 6 inches. Grating to gully traps must not be less than 6½ inches over all, and the gratings to all disconnector traps to be convex in section, with openings of suitable outlet capacity. All gratings must be fixed down in an approved manner with bitumen or wedges of lead.

Section 83. *Kerbing, &c., to Yard Gullies.*—Yard gully basins and the dishd tops of silt traps must be so surrounded with an approved impervious kerbing as to prevent the access of

surface water to the drains, and, if directed, the wall at the rear of the gully or silt trap, if of brick or stone, must be cement rendered to the height of the tap over same, and if of wood the wall must be provided with an approved galvanized sheet iron apron. The internal diameter of kerbing around gully traps measured from face of cement rendering must not be less than 15 inches, and must be neatly rounded to meet the gully top.

PART 4.

PIPE CAPACITIES.

Division 22.—Capacities of Soil, Waste, Drain, and Vent Pipes.

Section 8. *Fixture Units*.—For the purpose of determining the size of any drain, waste, soil, or vent pipe, the following equivalent fixture units shall be adopted, unless otherwise directed, and the nominal outlet diameter shown hereunder shall be the minimum allowed for each of the respective fittings.

Fixture.	Nominal Outlet Diameter.	Fixture Units.
One lavatory basin ...	1½ inch	1
One lavatory basin ...	1½ inch	1½
One kitchen sink (up to 6-in. depth to overflow) ...	2 inches	3½
One bath ...	2 inches	5½
One wash trough set with common trap ...	1½ inch	3½
One wash trough set with common trap ...	2 inches	5½
One urinal ...	2 inches	4
One slop sink ...	2½ inches	3
One slop sink ...	3 inches	4½
One shower bath ...	2 inches	8
One water closet ...	4 inches	6
One bathroom group, consisting of one lavatory basin, one bath, and one shower	—	7

The equivalent fixture units to be adopted for fixtures other than those shown shall be determined by the Authority. One fixture unit denotes a rate of discharge equal to 1 cubic foot per minute.

Section 85. *Sizes of Soil, Waste, and Drain Pipes*.—Except by special permission the required sizes of soil, waste, and drain pipes shall be determined on the basis of the total number of fixture units drained, or likely to be drained, in accordance with the following table:—

Diameter of Pipe (Inches).	Minimum Permissible Grade.	Permissible Maximum Number of Fixture Units.										Vertical.	Maximum Number of Fixture Units permitted to be connected to any vertical stack.
		Grade not less than—											
		1 in 60	1 in 50	1 in 40	1 in 30	1 in 25	1 in 20	1 in 15	1 in 12½	1 in 10	1 in 8		
1½	1 in 12½	1½	1½	1½	1½	1½
1½	1 in 15	4½	6	9	6
2	1 in 20	8	12	10	23	12	12
2½	1 in 25	14	..	18	..	22	28	37	22	15
3	1 in 30	19	..	26	..	32	40	50	59	32	18
4	1 in 40	..	100	..	122	..	140	176	250	140	140
5	1 in 50	..	180	..	220	..	280	350	550	280	280
6	1 in 60	380	..	370	..	430	..	520	..	590	730	1,100	590

Provided that—

- Waste and soil pipes shall not be diminished in diameter in the direction of flow.
- The diameter of trap, waste, or soil pipe receiving the discharge from any fixture shall in no case be less than the nominal outlet diameter of such fixture.
- No water-closet shall discharge into a drain or soil pipe of less than 4 inches in diameter.
- All connexions between inclined pipes and vertical stacks shall be through 45 degrees junctions.
- Soil and waste stacks shall be as direct as possible and free from sharp bends. Where such are unavoidable approved provision shall, if necessary, be made to safeguard fixtures immediately above and below the bend.

Section 86. *Sizes of Vents*.—(1) *Main Vents*.—Except by special permission, the required sizes of main vents shall be determined from the size of the soil, or waste pipe, or stack to be vented, the total number of fixture units drained into it, and the developed length of the vent, in accordance with the following table, interpolating where necessary between permissible lengths of vent given in the table.

MAXIMUM PERMISSIBLE LENGTH OF MAIN VENTS (IN FEET FOR SOIL AND WASTE PIPES).

Diameter of Soil or Waste Pipe (Inches).	Number of Fixture Units.	Diameter of Main Vent (Inches).							
		1½	1½	2	2½	3	4	5	6
1½	Up to 9	44
2	Up to 23	40	80
2½	Up to 18	54	79	104
3	Up to 19	15	60	128	238
	26	11	46	113	204
	32	9	40	100	182
	40	8	33	87	158
	50	7	28	75	138
4	Up to 25	20	65	127	800
	50	16	57	113	290
	100	12	44	88	244
	140	10	36	75	220
	176	8	30	66	204
	250	7	21	64	182
5	Up to 100	35	55	175	300	..
	180	27	42	150	300	..
	220	25	38	140	300	..
	280	20	33	125	300	..
	350	18	27	108	290	..
	550	15	20	80	235	..
6	Up to 150	22	90	270	300
	370	14	68	185	300
	450	12	63	172	300
	520	10	46	157	300
	590	9	42	148	300
	730	8	37	137	300
	1,100	7	26	112	260

Provided that—

- No vent shall be less than 1½ inches in diameter, and in no case shall a vent have a diameter less than one half that of the soil or waste pipe which it serves.
- For 2-in. and 2½-in. waste pipes the vent shall have a diameter of not less than 1½ inches.

(2) *Sizes of Branch Vents*.—The required sizes of branch vents shall be determined from the number of fixture units served by the branch vent and the developed length of the vent from the point of connexion of the anti-syphonage vent from the last fixture served by the branch vent to the outlet to the open air at the upper end of the main vent, in accordance with the following table, interpolating where necessary between permissible lengths of vent given in the table:—

Diameter of Branch Vent.	Number of Fixture Units Served by Branch Vent.	Maximum Permissible Length.	Diameter of Branch Vent.	Number of Fixture Units Served by Branch Vent.	Maximum Permissible Length.
1½	Up to 9	55	3	Up to 6	300
2	Up to 23	80		12	272
				19	238
				26	204
				32	182
				40	163
				50	138
2½	Up to 6	114	4	Up to 6	300
	12	109		12	300
	18	104		18	300
	37	94		25	300
				50	290
				100	244

Provided that—

- Branch vents shall conform to provisions (a), (b), for main vents.
- No branch vent need be larger in diameter than the soil or waste pipe which it serves.

(3) *Individual Anti-syphonage Vents*.—The required sizes of individual anti-syphonage vents shall be determined from the diameter of the fixture trap served in accordance with the following table:—

Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Syphonage Vent.	Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Syphonage Vent.
Inches.	Inches.	Inches.	Inches.
1½	1½	2½	2
1½	1½	3	2
2	1½	4	2

PART 5.

PLUMBING.

Division 23.—General.

Section 87. *Waste Pipes*.—Except by permission of the engineer, separate waste pipes shall be provided for each of the following classes of polluted water, viz.:—

- (a) Dirty water from baths, sinks, lavatory basins, and wash troughs, and other waters containing a small proportion of soap and/or dirt.
- (b) Greasy water from kitchen and scullery sinks or other fixtures, in such cases where grease traps are ordered or required.

Section 88. *Soil Pipes*.—Soil pipes shall be provided for soil water from closets and other waters containing faecal matter, and for urinal waters from slop sinks and urinals, and, where directed, for discharges from operating theatres and morgues, and in no case shall such waters be discharged into any waste pipe as defined by this By-law, except by permission of the Engineer.

Section 89. *Connections to Drain*.—All waste pipes shall discharge under the grating of a yard gully or into a disconnector trap. All soil pipes, including those for urinals and housemaids' slop sinks, must be connected direct to the drain. No waste pipe shall be laid in the ground outside any building unless by special permission.

Section 90. *Flashing, &c.*—All troughs, sinks, and other fixtures which are placed less than 3 inches, and all baths fixed less than 6 inches clear from any wall shall be flashed with 5-lb. lead, 24-gauge copper, bronze, brass, nickel, silver, or monel metal, or other approved material. Galvanized sheet iron may be used for fixtures other than sinks.

All such flashings shall be turned up the walls at least 4 inches, except where the walls are tiled, when the flashings shall be carried up at least 1 inch behind the tiles. Baths and other fixtures having turned-up flanges for use against tiled walls or walls lined with other approved material in lieu of sheet metal flashing shall be properly supported to prevent settlement, and the flange shall lap at least 1 inch behind the tiles or lining, which shall be brought hard down on to the surface of the fixture. All flashing shall be properly secured and made watertight, and shall be bedded for a width of not less than 1 inch along the edge nearer the fixture in red or white lead.

Section 91. *Bib-cocks*.—Internal bib-cocks shall not be permitted unless a sink, lavatory basin, or other approved fixture, or a properly drained impervious floor, is provided underneath.

Division 24.—Soil, Waste, and Vent Pipes.

Section 92. *Materials*.—No material shall be used for soil pipes other than cast-iron, lead or brass, and for waste pipes other than wrought-iron, cast-iron, lead, brass or copper.

Section 93. *Lead Pipes*.—The minimum permissible weight of lead for soil, waste, or vent pipes for water closets, urinals, and slop sinks shall be 7 lb. per square foot, and for all other fixtures 6 lb. per square foot.

Section 94. *Wrought-iron Pipes*.—All wrought-iron pipes and their fittings shall be approved standard weight and quality and galvanized or lined to the approval of the Authority.

Section 95. *Cast-iron Pipes*.—All cast-iron pipes shall be sound, free from holes and cracks, and coated with approved bituminous composition, or lined with glass enamel to the approval of the Authority.

Cast-iron pipes and their fittings, where laid in the ground, shall comply with the Australian standard specifications, or in the event of no such standard being in existence, with the standard approved by the Authority for cast-iron water pipes and their fittings of similar diameter. Cast-iron pipes for use in other situations shall have a minimum thickness of 3-16 inch measured in the case of glass-enamelled pipes without the enamel, and their fittings shall correspond with them in weight and quality. All junctions shall be curved, right-angled junctions shall not be made.

Section 96. *Galvanized Sheet Iron Pipes*.—External vent pipes of galvanized sheet iron shall be of a gauge not less than the following:—

- 1½ inch, 2 inch, 2½ inch diameter—22-gauge.
- 3 inch and 4 inch diameter—20-gauge.
- 6 inch diameter—18-gauge.

Section 97. Where lead, copper, brass, or cast-iron soil or waste pipes are fixed outside a wall for upstairs fixtures, the lead, copper, brass, or cast-iron pipes shall be carried at least 2 feet above the level of the highest fixture attached to the pipe.

Section 98. *Vent Pipes*.—Vent pipes, if inside a building, shall in all cases be of cast-iron, wrought-iron, lead, copper, or brass. Grooved, welded, or riveted double galvanized

sheet iron vent pipes may be used where they are entirely outside a building, and shall be connected with the traps or waste or soil pipes, with brass ferrules or other joints approved by the responsible officer of the Authority.

Section 99. *Vents in Shed, &c.*—Galvanized sheet iron vent pipes may be used inside stables or open sheds, except where liable to damage.

Section 100. *Use of Lead Pipes*.—Lead pipes shall not be used, except where exposed to view and/or not liable to damage.

Section 101. *Supporting Lead Pipes*.—Lead pipes shall be supported by cast lead tacks of approved dimensions, wiped on to the pipe or by other approved fastenings, and such fastenings shall be arranged as nearly as possible thus—

4-in. vertical lead pipes—2 ft. 6 in. centres.

4-in. horizontal lead pipes—2 feet centres.

Less than 4-in. vertical pipe—3 feet centres.

Less than 4-in. horizontal pipe—2 ft. 3 in. centres.

Two pairs of tacks, fixed opposite, is sufficient for fixing lead flush pipes from cisterns.

Section 102. *Minimum Permissible Gradients*.—The following are the minimum gradients to be adopted for soil and waste pipes:—

Diameter of Pipe.	Minimum Gradient.
1½ inch	1 in 12½
1½ inch	1 in 15
1½ inch	1 in 17½
2 inches	1 in 20
2½ inches	1 in 25
3 inches	1 in 30
4 inches	1 in 40
5 inches	1 in 50
6 inches	1 in 60

Section 103. *Length of Unvented Waste Pipes*.—Waste pipes need not be ventilated unless they exceed 10 feet in inclined length or 12 feet in vertical length, provided that there is only one fixture attached to the waste pipe, and provided that the water seal of the trap is not reduced by syphonage or other cause. Where there is more than one fixture, or the water seal is reduced, a vent pipe shall be supplied to the fixture trap or traps.

Section 104. *Junctions*.—Where a waste or soil stack is branched into a graded waste, soil, or drain pipe, the branch fitting shall have an angle of not less than 45 degrees to the horizontal, and the length of the branch of the fitting shall be such that the vertical projection of the attached stack will be wholly outside of the area of the junction with the graded pipe.

Section 105. *Sealing of Pipes*.—Wherever a fixture is abolished, the soil, waste, vent, and water supply pipes to such fixture shall be removed, or, if allowed by the Authority to remain, the ends of the pipes shall be sealed with watertight imperishable materials.

Section 106. *Soil Vent Pipes*.—In all cases the upward extension from the soil pipe for ventilation shall pass in as direct a manner as possible above, and, if necessary, through the roof.

Section 107. *Vent Pipe Grades*.—All vertical lines of vent pipe shall connect, full size, at their bases with a soil, waste, or drain pipe at an angle of not less than 45 degrees to the horizontal, and shall extend in undiminished size above the roof or be connected to the soil, waste, or vent stack, in compliance with the requirements of section 109, on a grade sufficient to avoid the collection of water.

All intermediate bends or offsets shall be at a grade of not less than 45 degrees to the horizontal.

Vent pipes shall not be used as waste or soil pipes.

Section 108. *Anti-syphonage Vents*.—Traps must be prevented from syphoning by proper ventilation, in accordance with the requirements of section 86. Such anti-syphonage vents from fixtures shall be carried above the eaves of the building or joined to the branch or main vent above the level of the fixture, unless special permission to the contrary is granted.

Every vent pipe extending upwards from a waste pipe shall be carried 4 feet above any door or window or other opening into a building within 15 feet thereof and carried at least one foot above the eaves or coping or intersection with the roof.

These vent pipes shall be connected to the waste or soil pipe at a point not less than 3 inches nor more than 12 inches from the crown of the trap and on the opposite side of the water seal to the fixture.

Section 109. *Combining of Vents*.—The various vents may be combined by branching together those which serve traps of the same class. The vent pipes may be branched into a soil or waste pipe of the same class above the level of the highest fixture.

Section 110. Where a branch is required to a galvanized sheet iron vent pipe, a brass saddle piece bolted and soldered to the vent must be used.

Section 111. *Sheet Metal Bends and Offsets*.—All sheet metal bends and offsets for flush and vent pipes shall be bent or pressed. Mitred elbows will not be permitted.

Section 112. *Pipes to be Accessible*.—All soil, waste, and vent pipes and traps shall, where practicable, be accessible at all times for ready inspection and convenience of repairing. When placed within partitions or recesses of walls they shall be covered with woodwork or other approved material, so fastened as to be readily removable. No junctions shall be built in except with special permission from the Authority in writing.

Section 113. *Concealed standing wastes* will not be permitted.

Section 114. *Painting*.—All external plumbers' work and all cast-iron cisterns and brackets, woodwork in connexion with plumbing installations, sheet iron flush pipes, and sheet iron storage tanks and trays, shall be painted, after inspection, to the approval of the Authority.

Division 25.—Joints.

Section 115. *Stoneware, Cement, or Cast-iron Pipes*.—Joints of stoneware, cement, or cast-iron pipes shall conform with the requirements of section 63 or 64.

Section 116. *Lead Pipe*.—All joints in lead pipe shall be plumber's wiped joints.

Section 117. *Wrought-iron Pipe*.—The screwed ends and sockets of each particular size of wrought-iron or wrought steel pipe shall be so formed and the threads so cut that the ends of the pipe will butt against each other when screwed home in the sockets; bends, junctions, and similar fittings shall be similarly formed and screwed so that when the pipe ends are screwed home the bore will be continuously uniform and without breaks or pockets. The burr shall be neatly filed off on the inner edge of all pipe ends. All screwed joints shall be made with approved jointing material.

Section 118. *Wrought-iron Pipe to Lead Pipe*.—All joints between wrought-iron and lead pipes shall be made by means of brass unions screwed to iron and wiped to lead.

Section 119. *Brass or Copper Pipes*.—Joints of brass or copper pipes shall be made in accordance with the Australian standard Specification B36—"Compression joints and copper alloy screwed fittings for standard copper tubes."

Section 120. *Lead Pipe to Cast-iron Pipe*.—The connexion of lead pipes or traps to cast-iron pipes shall be made by means of brass ferrules. The brass ferrules shall be lined with and connected to the lead pipe or trap by means of a wiped joint and connected to the cast-iron by inserting ferrule in socket thereof and making the joint in the same way as in cast-iron pipe.

Section 121. *Sheet-iron Pipe to Cast-iron Pipe*.—All connexions of galvanized sheet iron to cast-iron pipes shall be made with molten lead, lightly but tightly caulked in to cast-iron sockets.

Section 122. *Sheet-iron Pipe to Wrought-iron Pipe*.—Galvanized sheet iron pipes shall be connected to wrought-iron pipes by means of brass unions or sleeves soldered to the sheet iron and screwed to the wrought-iron, or by means of a wrought-iron socket screwed to the wrought-iron pipe, into which the sheet-iron pipe shall be lightly but tightly caulked with molten lead.

Section 123. *Sheet-iron Pipe to Lead Pipe*.—Connexions of sheet-iron pipes to lead pipes shall be made by means of brass sleeves wiped to the lead pipe and soldered to the sheet-iron pipe, or by means of a cast lead collar wiped to the lead pipe, into which the galvanized sheet-iron pipes shall be caulked to approval.

Section 124. *Concrete or Stoneware Pipe and Traps to Lead Pipe*.—Connexions of lead pipe to stoneware or concrete pipe shall be made by means of a brass ferrule connected to the lead pipe by means of a wiped joint and connected to the stoneware or concrete pipe by inserting it in the socket thereof and making a cement mortar joint.

The connexion of a stoneware or concrete trap to a lead pipe shall be by means of a cast lead or brass socket, and the joint made with bitumen or other approved material. The lead pipe shall be connected to the tail end of the brass or lead socket by means of a plumber's wiped joint.

Section 125. *Connexion of Closet Pan Traps to Soil Pipe or Drain*.—Connexion of a closet pan to a soil or drain pipe shall be made by means of a bituminous jointing material, consisting of a mixture of approved bitumen and finely graded inert mineral filler in equal proportions, filled in solidly into faucet of soil or drain pipe and neatly splayed off, or by other approved method. In the case of lead soil pipes, a cast lead or brass faucet shall be used and connected to the lead pipe by means of a wiped joint.

Section 126. *Cistern Flush Pipe to Closet Pan*.—The flushing pipe from cistern shall be connected to the water-closet pan by a lead cap piece of not less than 4-lb. lead, packed with red lead or other approved material. The cap piece shall be jointed to galvanized sheet iron, copper, brass, or drawn steel pipe by means of a soldered joint and to lead flush pipe by wiped or soldered joint. The connexion of the flushing pipe to cistern shall be by means of a brass union, wiped to lead pipe or soldered to sheet-iron pipe. Copper or brass pipe shall be connected to cistern by means of a brass ring, with nut brazed to pipe, or by other approved means.

Section 127. *Vent Pipe to Closet Pan*.—Vent pipe shall be connected to the vent horn of water-closet trap by a lead cap piece with red lead packing or by other approved methods. The cap piece shall be jointed to copper or brass pipe by means of a soldered joint and to lead flush pipe by a soldered or wiped joint.

Section 128. *Outlet Fittings to Fixtures*.—Connexions between outlet fittings and such fixtures as baths, sinks, basins, &c., when the latter are constructed of cast-iron, plate-iron, ceramicware, or concrete, shall be made with lock nuts. The outlet fitting shall in all cases be connected to the waste pipe by means of a union.

When these fixtures are made of sheet metal lighter than 20-gauge soldered connexions may be used in lieu of lock nuts.

Section 129. *Waste Pipes to Troughs*.—Connexions of waste pipes to wash troughs shall be made as under:—

(a) Cement troughs, unless otherwise approved, shall have cast-in outlets.

(b) Sheet-metal troughs shall be connected to the waste pipes in compliance with section 128.

(c) For wooden troughs, lead, copper, or brass, waste pipes shall have flanges connected to the waste in accordance with the provisions of this By-law, and fastened to the underside of the trough with round-head brass screws. The waste pipe shall then be turned over inside the trough and the plug casting bedded over it with red lead putty and screwed to trough with brass wood screws.

Where wrought-iron or other screwed pipes are used the plug must be connected to the trough by means of a lock nut in lieu of flange.

Division 26.—Fixture Traps.

Section 130. *Fixtures to be Trapped*.—Every water-closet, urinal, slop or other sink, lavatory or wash basin, bath, wash trough or set of wash troughs, and any other fixture, shall be separately and effectively trapped, unless otherwise specially permitted by the Authority.

Section 131. *Omission of Traps*.—Baths, lavatory basins, wash troughs, and sinks may remain untrapped where fixed in the open air or detached outbuildings not used as a living room, workroom, or room for the preparation, cooking, or storage of food, and not connected directly by openings with the main building or residence. Provided that the length of the waste pipe, measured in the case of wash troughs from the centre of furthestmost inlet to end of waste pipe outlet, does not exceed 6 feet.

Section 132. *Position of Traps*.—Traps shall be placed as near the fixtures as possible, and in no case shall a trap be more than 2 feet from its fixture, except as provided in section 179, unless otherwise specially permitted by the Authority.

Section 133. *Depth of Water Seal*.—Every trap shall have a water seal of not less than 2 inches.

Section 134. *Closet Pan Traps*.—Outlets from closet-pan traps shall be of not less than $3\frac{1}{4}$ inches nor more than 4 inches diameter, except in the case of syphonic pans.

Section 135. *Sealed Disconnector Traps*.—Where approved by the Authority, sealed disconnector traps may be fixed outside or inside the building, but in such cases breather pipes or fresh air inlets of the same diameter as disconnector traps shall be taken above the level of the lowest fixture, or to such other height as directed, and when trap is inside shall be led to the outside of the building. The material for such breather pipes shall be the same as for waste pipes; sheet-iron will not be allowed. Inspection openings to such traps shall be sealed with screwed plugs, or as otherwise approved by the Authority.

Section 136. *Form of Trap*.—The "P" form of trap, with joints visible and accessible all round, must, unless otherwise permitted, be used in preference to the "S" form of trap for all internal fixtures wherever practicable. Where the "S" form of trap is used facilities for periodical inspection must be provided.

Section 137. *Materials*.—Traps for fixtures other than closet pans or slop sinks shall be of copper, brass, or lead. All lead traps must be of the weights specified in section 93 for lead pipes of the same diameter.

Division 27.—Gratings.

Section 138. —Fixtures discharging into waste pipes and all urinals shall have non-corrodable outlet gratings of approved design and material, in accordance with the Australian standard Specification B.38, "Metal alloy sanitary fittings."

Division 28.—Cleaning Eyes and Inspection Openings.

Section 139. *Provision for Inspection and Cleaning*.—Sufficient inspection and cleaning eyes shall be provided in such positions on all soil and waste pipes as to be easy of access for proper inspection and cleansing.

Traps for fixtures, other than water closets, urinals and housemaids' slop sinks, shall be provided with approved screwed brass plugs for cleaning purposes fixed under the water line of the trap, unless by permission of the Engineer.

Section 140. *Inspection Openings on Soil Pipes.*—In all cases where the vertical stack of soil pipe provides for closets 4 feet or more above the ground level, measured from floor level of water-closet to ground level at foot of stack, an inspection opening having a cover fixed to a flange with bolts or studs shall be provided in such a position as directed by the responsible officer of the Authority.

Division 29.—Grease Traps.

Section 141. *Provision of Grease Traps.*—Every fixture or area from which grease or any other objectionable matter is likely to be discharged or conveyed into waste or soil pipes, or house drains, and every sink in all such places as food-packing houses, butchers' shops, lard rendering establishments, hotels, restaurants and boarding-houses, and such fixtures, areas, apparatus, or appliances as the Authority may direct, shall first discharge into an approved apparatus for preventing the objectionable matter from reaching the soil pipe or drain. Such apparatus shall be of such dimensions, design, and construction and in such position as the Authority, or its responsible officer, may in each case approve.

Section 142. *Paternal Grease Traps.*—Every grease trap shall be fixed outside the premises whenever practicable, and (if not portable) shall be of glazed stoneware, concrete, slate, or brick in cement, and the outlet shall be connected to the drain through a disconnector trap.

Section 143. *Internal Grease Traps.*—Wherever a grease trap is used inside a building it shall be so fitted as to be easily removable, and, if directed, fixed upon a tray. All internal grease traps shall be of copper or other approved material, provided with a close fitting cover, and shall be independently ventilated as required by the Authority, or its responsible officer.

Section 144. *Grease Trap Ventilation.*—Every grease trap shall have provision made for inlet and outlet ventilation if and as directed by the Authority or its responsible officers.

Section 145. *Size of Grease Trap.*—The dimensions of grease trap to be provided shall be such as to ensure the congealing and retention of all grease entering such trap.

The minimum size for grease traps serving kitchen sinks and/or mechanical dishwashers shall be as follows:—

- (a) The capacity of the grease trap below the level of the invert of the outlet shall be not less than the total capacity of the sinks and/or dishwashers served.
- (b) The depth from top of grease trap to invert level of outlet shall be not less than half the depth of the trap below the invert of the outlet.
- (c) The difference in level between invert of inlet and invert of outlet shall not be less than one-eighth of the depth of the trap below the invert of the outlet.

The capacity of a sink shall be measured to the overflow level or, in the event of there being no overflow, to the top of the sink.

The capacity of the dishwasher shall be taken as the capacity of the sump or water container.

The size of grease traps in ordinary cases must be as nearly as possible the following, viz.:—Portable copper, 21 inches in length; stoneware or cement concrete, 27 inches in length; or otherwise as ordered by the Engineer.

Section 146. *Outlet Pipes.*—The outlet pipe from any grease trap must be at least one size larger than that size of pipe which has a cross sectional area equivalent to the total area of incoming waste pipes. In no case, except by special permission, shall the outlet pipe be less than 3 inches diameter for grease traps of copper or other approved metal and 4 inches for stoneware.

Section 147. *Maintenance.*—Every grease trap shall be maintained by the occupier at his own expense, and shall be cleaned at such intervals as may be necessary to ensure that such trap operates in an efficient and hygienic manner.

Division 30.—Water Closets and Flushing Apparatus.

Section 148. *Water-closets, General.*—At least one water-closet shall be provided for each house or building within a sewered area, and also in such other cases as may be directed by the Authority.

In every shop, factory, office, flat, or building containing more than one tenement, at least one water-closet shall be provided for the use of the occupier of each tenement, or as otherwise directed by the Authority, and shall be so placed, either within or without such building, as to ensure the due observance of decency and to be easily accessible to the occupiers.

Section 149. *Water-closets at Hotels, Shops, &c.*—In hotels, offices, lodging-houses, shops, and, if so directed, in any other premises, closets for different sexes shall not adjoin each other unless separated by a soundproof wall of such material and of such thickness as shall be approved by the Authority.

Section 150. *Water-closets for Factories.*—The owner of any building which is used for the purpose of a factory shall provide water-closets for the use of employees at such building in accordance with the Factories Act.

Section 151. *Light, Ventilation, &c., for Water-closets.*—Except as herein provided in section 152, every water-closet in a building shall comply with the following conditions:—

- (a) One of its sides at least shall be an external wall of such building, abutting on to a street or lane or an open space of not less than 100 square feet in area, such space being portion of the premises.
- (b) It shall not be entered directly from any room used for human habitation or for the manufacture, preparation, or storage of food for human consumption, or used as a factory, workshop, or work place. In cases where otherwise such closet would be directly entered from any such room, an ante-chamber, or airlock having a floor area of not less than 20 square feet shall be provided and effectively lighted, and shall be ventilated by an air shaft or some approved method to the open air. The doors of such closet and ante-chamber or airlock shall be close fitting and self closing, and all internal walls constructed of brick or other approved airtight material, extending the entire height from floor to ceiling. For closets in private residences opening on to a well-lit and well-ventilated hall, passage, lobby, or staircase, no airlock is required, but where these conditions do not exist the airlock as above shall be provided.
- (c) Each water-closet apartment, ante-chamber, or airlock shall be provided with adequate means of constant fresh air ventilation, and shall be lighted by a window or glazed louvres of not less than 2 square feet of clear light area per water-closet, opening directly into external air. The effective area provided for outlet ventilation of each water-closet apartment, ante-chamber, or airlock shall be not less than 27 square inches, and where the level of the floor of the water-closet apartment is lower than the outside surface of the ground exhaust ventilation shall be provided by means of a tube of at least 6 inches diameter, carried up through the roof and furnished with a cowl. Approved provision for inlet ventilation shall be made as near the floor level as possible.
- (d) The floors of all water-closet apartments shall be constructed of concrete of not less than 4 inches thickness, or of other approved impervious material, and graded as directed, or they shall be provided with lead safes in accordance with the requirements of sections 184, 185, and 187. The frame of every wooden closet shall be securely fastened to the floor and made rigid, without attachment to fences.
- (e) Each closet apartment shall be not less than 3 feet wide and 5 feet long, inside measurements, and the walls shall be at least 7 feet high at the lowest part.

Section 152. *Mechanical Ventilation and Artificial Light.*—Subject to the approval of the Authority in writing the requirements of section 151 may be waived, provided that the following conditions be complied with, viz.:—

- (a) In every such case a mechanical system of exhaust ventilation in duplicate, approved by the Authority, and capable of changing the air contents of such water-closet eight times per hour shall be installed in connexion therewith.
- (b) Upon completion the owner or his representative shall carry out such tests of the mechanical system referred to as the Authority may deem necessary.
- (c) Such mechanical system shall at all times be under the continuous supervision of one or more properly qualified persons, and shall be continuous in operation.
- (d) Any such mechanical system shall be open to inspection by the Authority at all reasonable times, and shall be subject to such tests as the Authority shall from time to time direct. The air and pipe shafts shall be readily accessible, and shall have a minimum width of 2 ft. 6 in. and a minimum area of 12 square feet.
- (e) The failure of any such mechanical system at any time to pass such tests shall be an offence by the owner of such a building against this By-law, and the owner thereof shall also, in respect of such failure, be guilty of an offence against this By-law.
- (f) Every such water-closet shall be provided with an efficient system of electric lighting to the approval of the Authority, and same shall be maintained at all times in good working order.

Section 153. *External Water-closets.*—The area of any external water-closet must not be less than 13½ square feet, with a minimum internal dimension of 3 feet inside measurements. The minimum heights to be not less than 8 feet at back and 7 feet at front, measured from the floor to the top of wall plate. The floors of all water-closets must be constructed of concrete, tiles, or other approved impervious and non-absorbent material. Seats must be either flap or hinged tip-up.

External closet doors to be saw-toothed on top and a space of 3 inches left between bottom of door and floor, or other approved means of ventilation provided.

In wooden water-closets buildings the bottom plates and plinths must be of approved timber. In repairs to studs they shall be cut to sound timber with a new plate, supported on a concrete dwarf wall extended up from the floor level.

Section 154.—*Fixing Closet Pan.*—On concrete floors, or floors of tiles set in concrete, the closet pan shall be securely bedded upon concrete or cement mortar and fixed with brass screws to approved lead dowels set in the floor. Where the floor is of timber covered with an approved impervious material the closet pan shall be secured to the timber by means of brass screws as directed or by other approved means.

Section 155. *Closet Pans.*—Every water-closet shall be furnished with a pan of non-absorbent material of such shape, capacity, and construction as approved by the Authority. Water-closet pans and fittings thereto shall be entirely open to inspection and without any enclosure. Vent horns shall be provided on all pans, even if no anti-syphonage vent is required. If not used for a vent such vent horn shall be sealed with a lead disc, bituminous filler, and a lead cap piece, or by other approved method.

Section 156. *Closet Pan Seats.*—Except as approved by the Authority, all hinged closet pan seats shall be not less than 1 inch in thickness and constructed of approved material. When constructed of wood, four-piece seats shall be glued and either dowelled or bolted, and one-piece seats shall be reinforced with two wood or brass slips let in flush on the underside. To prevent fouling of pan, the closet seat openings must not be larger than 10½ inches x 9 inches, and seats with holes so large as to cause fouling of the pan must not be used. Pans must measure at least 12 inches between the lower edge of the front and back faces of flushing rims. Water-closet seats must be provided with approved buffers to prevent damage to the pan, and an approved buffer clip must be fixed to the flush pin at a suitable height from the pan.

Section 157. *Flushing Apparatus.*—Approved apparatus shall be provided for the effective application of water to the pan of the water-closet and for the efficient flushing and cleansing of the pan and effective removal therefrom of any solid or liquid matter which may from time to time be deposited therein. Such apparatus shall have a flushing capacity of not less than 2½ gallons, and shall be so constructed, fitted, and placed as to supply water for use in the pan without any direct communication with any service water pipe upon the premises.

Section 158. *Flushing Cisterns.*—Flushing cisterns shall be fixed at such height as will effectively flush the pan; but, except by special permission, no cistern shall be fixed at a less height, measured from top of seat to bottom of cistern, than 5 feet where 1½-in. flush pipe is used or 4 feet where 1¼-in. flush pipe is used. There shall be a distance of at least 9 inches between top of cistern and ceiling of closet.

Every cistern shall have a separate stop-tap and an overflow of ¾-in. internal diameter, and shall be fixed to cistern boards not less than 12 inches deep and 1½ inch thick, or fixed in other approved manner.

Water supply pipes to cisterns shall be adequate to fill any cistern at the rate of not less than 1 gallon per minute.

Section 159. *Flush Pipes.*—Flush pipes to closet pans shall be of brass, copper, 6-lb. lead, galvanized-iron of not less than 22-gauge, or other approved material, and shall have a minimum diameter of 1½ inch.

Section 160. *Flushing Apparatus Other Than Cisterns.*—Notwithstanding anything contained in this By-law, closet pans in any building may be flushed by means of any apparatus which—

(a) automatically controls the amount of water used, and/or

(b) is approved by the Authority.

Section 161. *Storage Tanks.*—Except where otherwise allowed by the Authority, on request in writing, by the owner accepting all responsibility in the matter, internal water-closets shall be provided with storage tanks capable of holding 6 gallons of water for each occupant of the building, with a minimum of 60 gallons per closet for all buildings except private residences, which shall have a minimum capacity of 30 gallons. These tanks may be of 22-gauge galvanized sheet iron, or 24-gauge corrugated iron.

Unless otherwise directed by the Authority, the storage tanks may be placed in the water-closet apartment itself, on the roof over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a safe of galvanized-iron, lead, or other approved impervious material, with overflow, shall be fixed under the storage tank.

Section 162. *Venting Closet Pans.*—Unless otherwise directed or permitted, every closet pan on an upstairs floor shall discharge into a soil-ventilator pipe, except that any closet pan on a floor which is not more than 8 feet in height from the ground surface level may be ventilated by an anti-syphonage vent only, in accordance with the requirements of sections 86 and 108 and discharge into a soil pipe without extension as a ventilator pipe; provided that no fixtures at a lower level are connected to such soil pipe.

Any closet pan where ordered, and, also, unless otherwise directed, every internal closet pan which is more than 4 feet from a fully vented soil pipe drain as measured along the axis of the pipe between the centre of soil pipe and centre of pan, shall be ventilated by an anti-syphonage vent in accordance with the requirements of section 86 sufficiently close to prevent syphonage, and in no case more than 18 inches from the trap. Notwithstanding the above, all "S" trap pans must be provided with anti-syphonage vents.

Section 163. *Grouped External Closets.*—Where there are more than three external water-closet pans grouped on the ground floor or in the yard of any premises special provision must be made to prevent syphonage.

Division 31.—Urinals and Flushing Apparatus.

Section 164. *Urinals, General.*—Every urinal on premises licensed for the sale of fermented or spirituous liquors, and on premises used as a factory, workshop, work place, manufactory, shop, office, or school where persons of the male sex are employed or in attendance, shall be of such size as the Authority requires. Provided that when the number of persons of the male sex does not exceed ten, a urinal need not be fixed if the closet has a pedestal pan with a hinged tip-up weighted seat.

Section 165. *Internal Urinals.*—The positions, approaches, arrangement of lighting, ventilation, &c., for internal urinals shall comply as nearly as possible with the provisions as to internal water-closets.

Section 166. *Details of Construction, &c.*—Except by special permission, only round-backed stall type urinals of approved impervious material shall be used. The soil pipes shall be of lead, stoneware or glass enamelled or coated cast-iron, or other approved material, shall be kept as short and free from bends as possible, and shall be trapped. Inspection openings shall be provided on soil pipes as directed, with clamped covers. The urinals shall be provided with approved flushing apparatus and a hose tap shall be provided in a suitable position for hosing down.

Section 167. *Treatment of Floors.*—The floor in front of a urinal shall be covered with approved impervious material for a width of not less than 2 feet, or, if raised above floor level of urinal apartment, not less than 1 ft. 6 in., and graded to drain to urinal.

Impervious Materials.—The following materials will be considered impervious:—

(a) For urinals: glazed fire clay or salt glazed stoneware.

(b) For floors in front of urinals: Glazed tiles set in cement mortar (composed of equal parts of cement and sand), concrete 6 inches thick rendered with ½-in. thick cement mortar, slate, marble or asphaltum.

Section 168. *Flushing Apparatus.*—Pull and chain flushing cisterns or other approved apparatus operated by hand shall be fixed on all urinals except where automatic flushing cisterns are permitted or directed by the Authority.

Section 169. *Flushing Cisterns.*—The discharge from a cistern shall be equal to 1 gallon for each urinal stall, except where otherwise allowed by the Authority, but in no case shall larger than a 3-gallon cistern be used.

The height of a cistern shall, unless otherwise allowed by special permission, be at least 8 feet from the floor to the top of the cistern. The cistern shall be so fixed that the ball tap is accessible.

A separate stop tap shall be provided for each urinal cistern.

Section 170. *Flush Pipes.*—Flush pipes for urinals shall be of brass or copper with gunmetal fittings, and shall have a minimum diameter of 1½ inch, except that flush pipes for automatic flushing cisterns generally shall not exceed—

for 1-gallon cistern, ¾-in. internal diameter,

for 2-gallon cistern, 1-in. internal diameter,

for 3-gallon cistern, 1¼-in. internal diameter,

with branches as directed by the responsible officer of the Authority.

Division 32.—Housemaids' Slop Sinks.

Section 171. *General.*—Housemaids' slop sinks shall be made in one piece of approved impervious material and provided with approved flushing apparatus of 2-gallon capacity.

Section 172. *Ventilation, Light, &c.*—Housemaids' slop sinks shall be so placed and ventilated as to comply with the requirements for water closets as set out in sections 151 (a), (b), and (c), and 162.

Section 173. *Bibcock over Slop Sink.*—A bibcock shall be fixed directly over a housemaid's slop sink, and at least 18 inches above such sink. A pedestal pan must be used wherever combined water-closet, housemaid's slop sink, and internal urinals are required, and in such case must be provided with hinged tip-up seat. A lead safe of suitable area must be fixed under the pan.

Division 33.—Wash Troughs.

Section 174. *General.*—Wash troughs shall be of approved pattern and material, securely fixed and graded to outlet pipe, fitted with brass strainer sunk to level of bottom of trough.

Section 175. *Support for Lead Waste Pipe.*—Where the distance between outlets on troughs exceeds 21 inches and lead waste pipe is used, the pipe shall be supported either by a lead tack wiped on the top of the pipe or by a wooden block screwed to the bottom of the trough and clamped to the pipe.

Section 176. *Troughs Abutting Against Brick Wash Coppers.*—Wherever the end of a wash trough abuts against the brickwork of a wash copper the space between the end of trough and the brickwork shall be filled with approved water-proof material.

Division 34.—Sinks, Baths, Showers, and Lavatory Basins.

Section 177. *Sinks.*—All new sinks shall be fixed on brackets and traps and wastes left readily accessible.

Section 178. *Galvanized Sheet-iron Baths.*—The bottoms of galvanized sheet iron baths shall be effectively supported. Such baths shall not be enclosed. Longitudinal joints in the bottoms of baths shall not be permitted. Where it is necessary to fix new wastes to galvanized-iron baths, the bottoms of which are unsupported, efficient supports for the bath must be provided before the wastes are fixed.

Section 179. *Bath Traps.*—Where a bath trap is fixed on the outside of a wall it shall in no case be more than 3 feet from the outlet of the bath, unless by special permission of the Authority.

Section 180. *Showers.*—All showers on the ground floor, except in the case of a wooden floor covered with sheet metal, shall be provided with a 4-in. stoneware or concrete trap, fitted with brass grating. All showers above the ground floor and those discharging on to a wooden floor covered with sheet metal shall be provided with drainage in accordance with the requirements for baths.

The floors of shower compartments shall be well graded to the trapped outlet and shall be constructed of not less than 4 inches of concrete, trowelled smooth or covered with tiles set in cement mortar, or of other approved impervious materials, or if constructed of timber shall be covered with enamelled cast-iron, approved non-corrosive sheet metal or other approved material turned up at the edges and flashed in accordance with the requirements of section 90.

The walls of shower compartments shall be constructed of brickwork or concrete, cement rendered to a smooth finish or covered with tiles set in cement mortar or of other approved impervious materials, or if constructed of timber shall be lined with approved non-corrosive sheet metal or other approved impervious material and with impervious joints.

Section 181. *Venting of Lavatory Basins.*—All lavatory basins placed singly shall be provided with anti-syphonage vents.

In ranges of lavatory basins, ventilation by means of a single vent pipe at the upper end of the range will be permitted, provided that the vent and main waste pipe are sufficiently large to prevent syphonage.

Section 182. *Tip-up Basins.*—Tip-up lavatory basins shall not be permitted.

Division 35.—Safes and Overflows.

Section 183. *Safes, Where Directed.*—Safes of lead or other approved impervious material shall be fitted under housemaids' slop sinks and internal water-closets, and in such other positions as directed.

Section 184. *Lead Safes in Water-closets, &c.*—All lead safes shall be laid with sheet lead weighing not less than 5 lb. per square foot, and where the whole floor is not covered with lead the safe shall extend 12 inches beyond the sides and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to and 3 inches up the wall and over flashed, if directed. The roll of such safe shall be 2 inches wide and $\frac{1}{4}$ inch high. In the case of baths, sinks, and lavatory basins, the lead, where directed, to extend 6 inches beyond the ends or sides, measured from the extreme edge of the fitting, and to be carried back to and up the wall as for closets.

Section 185. *Safe Overflows.*—Unless otherwise permitted, every safe shall be drained by a separate 2-in. diameter pipe, provided at the inlet with a brass grating and at the outlet into the open air with a flap valve of brass or other approved metal, and shall not connect with any waste pipe, soil pipe, drain, or sewer.

Section 186. *Cistern Overflows.*—Every cistern supplied with water shall, unless otherwise approved, have an overflow pipe of adequate size discharging in a position where it will not cause damage, but where it will act as a warning pipe. On ground floors where cisterns are fixed over impervious floors graded to drain outside of the room the overflow may discharge on to such floors, provided no damage is likely to arise therefrom.

Section 187. *Discharges from Overflows.*—Overflows may discharge into the open air above ground floor level only when the discharge will not cause any inconvenience or nuisance. In all other cases the pipes must be brought to the ground surface or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

Section 188. *Existing Floors.*—Where necessary, in the opinion of the responsible officer of the Authority, every existing floor under a fixture shall be regraded and a proper waste pipe, and, if directed, a flap valve fixed.

Division 36.—Existing Fixtures.

Section 189. All existing fixtures, fittings, and appliances not in accordance with this By-law which the owner may desire to retain unaltered, and which, in the opinion of the Authority, will be inoffensive, may at the distinct request in writing of the owner only remain unaltered until such time as the Authority shall otherwise order. Existing fixtures, fittings, and appliances which, in the opinion of the Authority, are offensive shall be removed at once.

PART 6.**WATER SUPPLY.**

Section 190. *Supply of Water to Fixtures.*—All water-closets, polluted areas, and other plumbing fixtures shall be provided with a sufficient supply of water for flushing purposes to keep them at all times in proper and cleanly conditions.

Every owner of property who desires, or has been ordered by the Authority, to provide sanitary appliances for his own property and to connect his property with the sewers of the Authority, shall before or at the commencement of the work of making such connexion, provide piping approved of by the Authority for the conveyance of water, and shall cause the piping to be joined at the most convenient water supply main, or, with the permission of the Authority, to some pipe already joined to the main. Such piping shall be of capacity sufficient to supply all sanitary fittings on the property freely and continuously, and convey to the flushing cistern, flushing tank, or other flushing apparatus of each water-closet on the property enough water to fill the same at a rate of not less than 1 gallon per minute, and the owner shall cause such piping to be connected with the cistern before the completion of the work.

The water supply to any fixture shall be so arranged that there shall be an actual physical discontinuity between the water stored or used in any such fixture and that in the water service pipe.

Section 191. *Material, Condition, Capacity, &c., of Water Supply Piping.*—The entire length of the water supply piping from its connexion with the water supply main to the water-closet flushing cistern or other fixture shall be such as is, in the opinion of the Authority, suitable in regard to material, condition, and capacity to convey a sufficiency of water for the sanitary requirements of the particular tenement.

The owner shall keep the piping from becoming, whether by reason of corrosion or other cause, of insufficient capacity to fill the flushing cistern, storage tank, or other flushing apparatus at the rate of not less than 1 gallon per minute.

Section 192. *Fixtures Not Connected With Sewers.*—No water service pipe shall be laid to supply any fixture in any property in any sewerage area unless such fixture is connected with the sewers of the Authority, or unless special permission in writing has been previously given to lay such service pipe.

Section 193. *Storage Tanks.*—Water supply pipes to storage tanks for internal closets shall be of not less than $\frac{1}{2}$ -in. diameter and be provided with stop taps and high-pressure ball valves, except where the elevation of the storage tank is not sufficient to allow of high-pressure ball valves being used. In such cases the permission of the Authority shall be obtained to fix low-pressure ball valves. Where the head of the water supply of the storage tank to the flushing cistern is less than 20 feet, a low-pressure ball valve shall be provided to the cistern.

Outlets from storage tanks shall not be less than $\frac{1}{2}$ inch for one or two cisterns, and 1 inch for three to six cisterns.

Wherever a larger number than six cisterns is fixed, the size of the outlet shall be proportionally increased. The overflow from a storage tank shall be $\frac{1}{4}$ inch in diameter, and a stop tap shall be fixed on the rising supply pipe to the tank.

Full way gate valves shall be provided between storage tank and flushing apparatus.

Section 194. *Supply Pipe Connexion With Flushing Cistern.*—In all water-closets, where directed, a piece of lead or copper pipe not less than 12 inches in length shall be used between the flushing cistern and the supply pipe.

The foregoing By-law was made and passed by the Kyneton Sewerage Authority at a special meeting held on 25th October, 1939, and confirmed at a subsequent special meeting of the Authority held on the 29th November, 1939.

In witness whereof the common seal of the said Authority was affixed hereto in the presence of—

(SEAL)

ROBERT MICHELI, Chairman.
J. G. SPAIN, Member.
GEO. SWANSON, Secretary.

Approved by the Governor in Council, 30th January, 1940.—
J. C. MACGIBBON, Acting Clerk of the Executive Council, 2762

GRAIN ELEVATORS BOARD.

THE Grain Elevators Board, in the exercise of these powers conferred upon it by the Grain Elevators Acts, doth hereby make the following By-law:—

BY-LAW No. 1.

PART I.—INTRODUCTORY.

1. In this By-law, unless the context otherwise requires, the following words and expressions shall have the meanings hereby assigned to them, that is to say:—

“The Act” means the Grain Elevators Acts.

“The Board” means the Grain Elevators Board.

“The Chairman” means the Chairman of the Grain Elevators Board.

“Country elevator” means an elevator (not being a terminal elevator).

“Member” means a member of the Grain Elevators Board.

“The Minister” means the Minister of Agriculture.

“Officer in charge” means the officer in charge of a country elevator.

“Person” means and includes person, persons, or corporation.

“Terminal elevator” means the terminal elevator at Geelong.

PART II.—PROVISIONS APPLICABLE TO THE RECEIPT, HANDLING, STORAGE, AND DELIVERY OF WHEAT.

2. Subject to the storage facilities available all wheat received will be stored with other wheat of the same quality, and subject to the provisions of the Act and these By-laws an equal quantity of wheat of the same quality will be delivered upon application in the manner hereinafter provided.

3. All reasonable care will be taken of the wheat while it is stored, but no responsibility will be accepted for any natural variation of the wheat while it is so stored, and any wheat delivered which has so varied shall be deemed to be a delivery of wheat in accordance with this Part.

4. All wheat received shall be held by the Board subject to a lien for all moneys due for elevator, storage and other charges and railway freight.

5. A record shall be kept of the quantity of wheat received in a country elevator by the officer in charge in bushels and pounds, which shall be calculated upon the weight of the wheat in tons, hundredweights, quarters, and pounds.

6. The Board may refuse to receive any wheat, and may in cases of necessity remove wheat from one country elevator to another, or to the terminal elevator.

7. Unless other arrangements satisfactory to the Board can be made, wheat received at any country elevator which is not provided with scales for weighing the wheat delivered therefrom may be removed to the terminal elevator, and in such case shall only be delivered from the terminal elevator.

8. Delivery of wheat from a country elevator shall be made at such reasonable times as the Board shall arrange, provided that delivery shall not be made in any week unless the provisions of section twenty-three of the Act have been complied with not later than the Thursday of the next preceding week.

9. The freight on wheat trucked from a country elevator to destinations other than the terminal elevator shall be paid directly by the consignee to the Railways Department.

10. Upon application for the delivery of wheat from a country elevator, the Board may, at its discretion, deliver the wheat from any other country elevator. In such a case, any difference between the freight indicated on the warrant and the freight to the terminal elevator from the country elevator from which delivery is made shall be adjusted between the person to whom delivery is made and the Board.

11. The Board shall issue a statement setting out particulars of wheat delivered from a country elevator.

12. Any wheat which is stored in a country elevator on the 15th day of October in any year may be removed by the Board to the terminal elevator and delivered therefrom, notwithstanding that arrangements may have been made for delivery from a country elevator as provided in section 8 of this By-law.

13. Unless arrangements shall have been made with the Board for storage for a further period, wheat in an elevator of which delivery has not been taken by the 15th October next following its receipt, may be sold by the Board, and the purchaser shall have a good title thereto; but before selling twenty-one days' written notice of intention to sell shall be posted by the Board to the original holder of the warrant, or if notice of transfer has been received to the last known transferee.

14. Wheat other than that which is in the opinion of the Board of fair average quality may be received in elevators only at such times as may be approved of by the Board, and such wheat may be delivered from the terminal elevator.

15. When application is made for the delivery of wheat from a terminal elevator, the applicant may notify the Board in writing of the name of his representative who shall attend the elevator and shall be permitted by the Board to check-weigh, inspect, and sample the wheat to be delivered. Such check-weighing, inspection and sampling shall be carried out at the track shed (ex trucks), the working house, the storage bins, and/or the working house shipping bins, and the acceptance of any wheat by such representative at such places shall be deemed to be an acceptance by the applicant of the wheat delivered to him.

16. Delivery of wheat from any elevator shall be subject to the quantity of wheat being available for delivery at the elevator and to the handling capacity of the elevators.

17. If the holder of a warrant or warrants for wheat shall give the Board at least fourteen days' written notice of the quantity of wheat of which delivery is required from the terminal elevator for shipment, the Board shall give delivery of such wheat at the expiration of the period named in the delivery notice, unless it is prevented from so doing by strikes or other industrial disturbance or delays or failure on the part of the Railways Commissioners, for which it is not responsible, subject always to the quantity of wheat being available for delivery at the terminal elevator and to the handling capacity thereof.

18. Instructions as to the delivery of wheat from an elevator shall be given in Form No. 3.

PART III.—PROVISIONS RELATING TO DOCKAGE.

19. (a) The officer in charge of a country elevator shall determine whether or not any dockage is to be imposed in respect of wheat delivered to the elevator in his charge, and the amount of such dockage, and shall inform the owner of the wheat or his agent of the amount of the dockage thereon prior to such wheat being received into the elevator.

(b) In the determination of dockage, standard quality wheat shall be deemed to be wheat of quality equal to the fair average quality standard of wheat as fixed from time to time by the Corn Trade Sectional Committee of the Melbourne Chamber of Commerce.

20. If the owner of wheat, or his agent, disputes the assessment, he shall forthwith and prior to the wheat being received into the elevator deliver notice to the officer in charge in or to the effect of Form No. 4 that he requires that the amount, if any, of the dockage shall be determined by an officer of the Department of Agriculture nominated by the Minister.

21. Upon receipt of such notice the officer in charge shall in the presence of the owner or his agent take a representative sample of not less than 4 lb. weight, thoroughly mix, and place the sample so taken into four separate containers, seal them, and clearly write thereon the name of the grower, the elevator station, the date of receipt, and the wheat receipt number. The wheat receipt shall be endorsed "Sample submitted for Arbitration."

22. The owner of wheat in respect of which notice shall have been given as aforesaid, or his agent, shall within 48 hours of the delivery of such notice pay to the officer in charge the prescribed fee. The officer in charge shall thereupon despatch by the first available passenger train, two of the sample containers addressed to the Grain Elevators Board, Melbourne, and shall forward to the Board by post the original of the notice referred to in section 20 of this By-law. One of the remaining samples shall be handed to the grower or his agent, and the other retained in the office of the elevator.

23. Unless notice be given as aforesaid and the prescribed fee be paid within the prescribed time, the dockage assessed by the officer in charge shall be final and conclusive.

PART IV.—PROVISIONS CONCERNING DISPUTES AS TO WHEAT DELIVERED
FROM ELEVATORS.

24. Where any person to whom wheat is delivered from a country elevator is of the opinion that the quality, or condition of the wheat is incorrectly stated in the statement referred to in section 11 of this By-law, he may within 48 hours after the loading thereof from such elevator lodge a notice of objection with the Board.

25. The decision of the Board as to quality, or condition of the wheat, shall be final and conclusive, unless within 48 hours after the receipt of the Board's decision the person to whom the wheat has been delivered gives notice in writing to the Board that he desires the matter submitted to arbitration.

26. The parties to the arbitration shall be the Board and the person to whom the wheat was delivered.

27. The matter shall be referred to a single arbitrator, but if the parties cannot concur in the appointment of a single arbitrator, it shall be referred to two arbitrators, of whom one shall be appointed by each party. The provisions of the *Arbitration Act* 1928 shall apply to the arbitration.

28. If no notice of objection has been lodged within 48 hours of the loading of wheat from an elevator the statement as to the quality and condition of the wheat shall as between the Board and the person to whom the wheat was delivered, be taken to be correct and to be final and conclusive as to the matter stated.

29. Where an objection has been lodged by any person in respect of the quality of wheat delivered from a country elevator, and wheat has been delivered from any other country elevator for the same person on the same day, the average quality of all the wheat delivered for him on that day shall be ascertained, and the wheat in respect of which the objection has been lodged shall be taken to be of that average quality.

PART V.—PROVISIONS APPLICABLE TO WARRANTS.

30. Application for a warrant in respect of wheat received in an elevator shall be made in or to the effect of Form No. 1.

31. A warrant for wheat received into an elevator shall be in or to the effect of Form No. 2. The quantity of wheat to which it refers shall be shown in bushels and pounds, calculated in accordance with section 5 of this By-law.

32. Warrants shall within seven working days after delivery of the application therefor, in proper order at the office of the Board, be despatched by registered post to the officer in charge of the elevator at which the wheat was delivered, and may be obtained on application to the said officer or shall be otherwise dealt with as directed in the application.

33. If before the issue of a warrant for wheat which has been received at an elevator the Board is notified in writing that a dispute exists as to the ownership of the wheat, the Board may at its discretion suspend the issue of a warrant until the ownership of the wheat in question shall have been determined or the rights of the claimants shall have been adjusted.

34. Upon application being made by the holder or holders of a warrant or warrants, the Board may issue one warrant in place of two or more warrants, or two or more warrants in place of one warrant, upon payment of the fee hereinafter prescribed.

35. Application for the issue of a duplicate warrant in lieu of a warrant which is alleged to have been defaced, destroyed, or lost, shall be in writing, and shall be accompanied by a statutory declaration stating the reasons for the application. Upon payment of the prescribed fee and upon provision of security to the satisfaction of the Board, the Board shall advertise in a Melbourne daily newspaper, and in a newspaper circulating in the district in which the wheat referred to in the warrant was received for storage, its intention to issue a duplicate warrant. After the expiration of fourteen days from the date on which the advertisements appeared, or if they appeared on different dates from the latter of such dates, if no sufficient reason is shown to the contrary the Board may issue a duplicate warrant, which shall be in or to the effect of Form No. 2 with the following words endorsed thereon:—

“ Issued in lieu of Warrant No. alleged to have been
defaced, destroyed, or lost (as the case may be). ”

PART VI.—PROVISIONS AS TO LOADING OF VESSELS.

36. A vessel berthed at the terminal elevator pier shall immediately use and continue to use the machinery available from time to time to its full capacity, and in default the Board may use the whole or any portion of the machinery for another vessel, or may discontinue the use thereof.

37. Wheat shall be delivered into a vessel from the terminal elevator only if the vessel takes up the berth directed by the Board or at such other berth as may be directed by the authorities controlling the port.

38. If the master of a vessel refuses or neglects to obey the directions of the Board the delivery of wheat to the vessel may be discontinued.

39. When overtime is worked at the terminal elevator by the elevator employees in loading a vessel at the request of the owner, master, or agent of the vessel, the entire cost of the overtime shall be payable on demand by such owner, master, or agent.

PART VII.—MISCELLANEOUS.

40. Surpluses of wheat in elevators shall be disposed of by sale or by carrying forward to the following season, as the Board may decide.

41. Freight and charges for handling and storage, and all other charges, shall be payable when application is made for the delivery of wheat, notwithstanding that the wheat may have been removed to the terminal elevator by the Board.

42. (a) When application is made to the Board for the delivery of wheat from the terminal elevator for the purposes of export, the Board shall accept payment of the rail freight payable in respect of exported wheat as indicated on the warrants tendered by the applicant upon such applicant signing the undertaking included in Form No. 3 to furnish to the Board satisfactory proof of shipment within 48 hours of the delivery of such wheat from the terminal elevator. Failure to furnish satisfactory proof of shipment within the prescribed time shall render the person tendering warrants liable to the Board for the difference between the freight so paid and the freight incurred by the Board in respect of a similar quantity of wheat not exported.

(b) If application is made to the Board for the delivery of wheat from the terminal elevator for purposes other than export, the applicant shall pay to the Board the rail freight payable in respect of exported wheat as indicated on the warrants tendered by the applicant, and, in addition, the difference between the freight so paid and the freight incurred by the Board in respect of a similar quantity of wheat not exported.

43. All fees, freight, and other charges outstanding on the 31st day of May and the 31st day of August in any year by owners of 10,000 bushels or more of wheat shall be paid on or before the 15th day of June, and the 15th day of September following respectively, if demand be made by the Board.

44. No person shall be exempted from the obligation to deliver wheat within an area defined pursuant to section 10 (2) of the Act through the agency of the Board unless there shall have been delivered to him a certificate of exemption signed by the Chairman or an authorized officer of the Board and any exemption granted shall be confined to the terms stated in such certificate.

45. No person shall be permitted to deliver any wheat grown outside an area defined pursuant to section 10 (2) of the Act to the elevator in respect of which such area is so defined unless he shall have received a permit signed by the Chairman or an authorized officer of the Board. Such permit shall not relieve any person from the obligation to obtain a certificate of exemption under section 44 of this By-law.

46. The forms Nos. 1, 2, 3, and 4 referred to in this By-law and annexed hereto shall be deemed to form part of this By-law.

In witness whereof the common seal of the Grain Elevators Board was hereunto affixed this ninth day of January, One thousand nine hundred and forty, in the presence of—

(SEAL)

C. R. HENDERSON, Member.
A. K. BARTEL, Member.

Confirmed by the Governor in Council,
the 23rd day of January, 1940.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

This Form must be accompanied by Duplicate Wheat Receipts surrendered by the owner (for Head Office use only).

CORRYONG WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1940.

THE Corryong Waterworks Trust, in pursuance of and in exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Three shillings in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Corryong Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of tenements (other than land on which there is no building) be less than Sixty shillings, and in respect of any land on which there is no building less than Fifteen shillings. Such rates are made and shall be levied upon occupiers or owners of the said lands and tenements for the year commencing on the first day of January, 1940, and shall be payable on the first day of March, 1940, at the office of the said Trust.

For the water supplied by the Trust for the domestic as well as for the other than domestic purposes by measure (except in cases of special agreement with the Trust) the minimum quantity of water to be charged in respect of all lands and tenements shall be the quantity for which the charge at One shilling and six pence per 1,000 gallons would be equal to the amount of rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure.

All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at a rate of One shilling and six pence per 1,000 gallons.

For every meter supplied and installed by the Trust there shall be a rental charge of Seven shillings and six pence per annum.

Passed this fourth day of December, 1939.

(SEAL) A. W. ACOCKS, Chairman.
C. W. C. FARRAN, Secretary.

DEVENISH WATERWORKS TRUST.

RATING BY-LAW FOR 1940.

THE Devenish Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the following rates for the supply of water for domestic purposes, otherwise than by measure, on lands and tenements liable to be rated within the Devenish Urban District on such lands and tenements a rate of Four shillings in the pound on the amount of the annual municipal valuation not exceeding Thirty pounds, and Three shillings in the pound on the amount of the annual municipal valuation exceeding Thirty pounds but not exceeding Seventy-five pounds, and One shilling in the pound on the amount of the municipal valuation exceeding Seventy-five pounds.

Provided that in no case shall the amount of the rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Five pounds, and in respect of any land on which there is no building, less than Ten shillings.

No. 13.—1008/40.—3

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1940, and shall be payable on the 20th day of January, 1940, at the office of the said Trust.

Passed this 10th day of January, 1940.

(SEAL) JAMES T. MARTIN, Chairman.
C. B. GRANT, Secretary.

LORNE WATERWORKS TRUST.

BY-LAW No. 50.

THE Lorne Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes (otherwise than by measure) of One shilling and six pence (1s. 6d.) in the pound on the net annual municipal valuation of land and tenements within the Lorne Waterworks Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Two pounds (£2), and in respect of any land on which there is no building, less than Ten shillings (10s.).

Such rate is made for the year commencing on the 1st day of January, 1940, and ending on the 31st day of December, 1940, and shall be payable on the 1st day of February, 1940, at the office of the said Trust, Shire Hall, Winchelsea.

Interest at the rate of 6 per cent. per annum shall be chargeable from the 1st day of February, 1940, on any rate not paid on or before the 1st day of August, 1940.

Passed this 10th day of January, 1940.

(SEAL) W. L. KOENIG, Chairman.
W. W. WESTHORPE, Secretary.

WAHGUNYAH WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1940.

THE Wahgunyah Waterworks Trust, in pursuance of and in exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Eighteen pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Wahgunyah Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Fifty shillings, and in respect of any land on which there is no building less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1940, and shall be payable in two equal instalments on the tenth day of February, 1940, and the first day of July, 1940, at the office of the said Trust.

For the water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Trust) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at One shilling and eight pence per 1,000 gallons would be equal to the amount of rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of One shilling per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand.

Passed this thirteenth day of December, 1939.

(SEAL) M. T. GRAHAM, Chairman.
C. A. RICKETTS, Secretary.

WINCHELSEA WATERWORKS TRUST.

RATING BY-LAW No. 25.

THE Winchelsea Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and nine pence (1s. 9d.) in the pound on the net annual municipal valuation of lands and tenements within the Winchelsea Waterworks District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Two pounds ten shillings (£2 10s.), and in respect of land on which there is no building, less than One pound (£1). The minimum quantity of water to be charged for where water is supplied by measurement shall be the quantity which, at One shilling and six pence for 1,000 gallons, equals the amount of assessed rate which would be payable for premises so supplied, and for water in excess of such minimum there shall be a charge of One shilling and six pence per 1,000 gallons.

For every meter supplied there shall be a rental charge of Five shillings per annum.

The above rate is made for the year commencing the 1st day of January, 1940, and ending on the 31st day of December, 1940, and shall be payable on the 1st day of February, 1940, at the office of the said Trust, Shire Hall, Winchelsea.

Interest at the rate of 6 per cent. per annum shall be chargeable from the 1st day of February, 1940, on any rate not paid on or before the 1st day of August, 1940.

Passed this 10th day of January, 1940.

(SEAL)

W. L. KOENIG, Chairman.

W. W. WESTHORPE, Secretary.

YATCHAW WATERWORKS TRUST.

RATING BY-LAW No. 31.

THE Yatchaw Waterworks Trust, in pursuance of the powers conferred by the Water Acts doth hereby make a rate of Four shillings in the pound on the value of all rateable property, according to the value for the time being of all lands and tenements for the municipal rates of the Shires of Dundas and Mount Rouse.

Such rate is made for the year commencing the first day of January, 1940, and shall be payable on the first day of February, 1940, at the office of the said Trust.

Passed this 15th day of December, 1939.

T. BROWN, Chairman.

J. T. LAIDLAW, Commissioner.

J. W. TULLOCH, Secretary.

SWAN HILL WATERWORKS TRUST.

BY-LAW No. 3.

A By-law (No. 3) of the Swan Hill Waterworks Trust made under the powers conferred by the Water Acts for repealing Clause 29 of By-law No. 1 of the Swan Hill Waterworks Trust, and for restricting or prohibiting the use of water for other than domestic purposes.

IN pursuance of the powers aforesaid, the Chairman and Commissioners of the Swan Hill Waterworks Trust order as follows:—

1. Clause 29 of By-law No. 1 is hereby repealed.

2. No person shall use or permit or suffer to be used any water supplied by the Trust for the purpose of watering or irrigating any land, garden, or plantation, or any vegetation whatsoever save through and by means of a garden hose.

3. No person shall use or permit or suffer to be used any water supplied by the Trust for the purpose of watering or irrigating any land, garden, or plantation, or any vegetation whatsoever, between the hours of Ten o'clock a.m. and Five o'clock p.m., and from 9 o'clock p.m. to Six o'clock a.m. during the months of October, November, December, January, February, March, April, in any year, and between the hours of Nine o'clock p.m. to Six o'clock a.m. during any other period of the year.

4. This By-law shall apply to and have operation throughout the whole of the Waterworks District of the Swan Hill Waterworks Trust.

5. All words used in this By-law which are also used in the Water Acts shall have the meanings assigned to them by such Acts.

6. Any person who is guilty of any breach of any of the provisions of this By-law shall be liable to a penalty of not more than £5 (Five pounds), and in the case of a continuing offence to a further penalty not exceeding £5 (Five pounds) for every day after notice of the offence from the Trust.

Passed this twenty-first day of December, 1939.

(SEAL)

E. G. GRAY, Chairman.

G. E. KURRIE, Commissioner.

F. B. WOMERSLEY, Secretary.

The foregoing by-laws, made by the Corryong, Devonish, Lorne, Wahgunyah, Winchelsea, Yatchaw, and Swan Hill Waterworks Trusts, were approved by the Governor in Council on the 26th January, 1940.

J. C. MACGIBBON.

Acting Clerk of the Executive Council.

ALEXANDRA WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1940.

THE Alexandra Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Two shillings in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Alexandra Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of any land on which there is no building be less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the first day of January, 1940, and shall be payable in equal moieties on the first day of March, and the first day of July, 1940, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Trust), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at One shilling and six pence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure.

All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of One shilling and six pence per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand.

Passed this 10th day of January, 1940.

(SEAL)

JAMES W. O'ROURKE, Chairman.

HARRY WOOD, Secretary.

BENALLA WATERWORKS TRUST.

RATING BY-LAW 1940.

THE Benalla Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and two pence in the £1 on the annual municipal valuation of lands and tenements liable to be rated within the Benalla Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty-five shillings, and in respect of any land on which there is no building less than Fifteen shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the first day of January, 1940, and shall be payable on the 1st day of February, 1940, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Trust), the minimum quantity of water to be charged for in respect of any lands and tenements shall be the quantity for which the charge of One shilling and two pence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Six pence per 1,000 gallons. The charge for water supplied by measure shall be payable on demand.

Passed by the Trust this 14th day of December, 1939.

(SEAL)

W. MCCALL SAY, Acting Chairman.

C. STOLZ, Commissioner.

R. J. MURRAY, Secretary.

LONGWOOD WATERWORKS TRUST.

RATING BY-LAW FOR YEAR 1940.

THE Longwood Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Three shillings in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Longwood Urban District.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of any land on which there is no building less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1940, and shall be payable on the 1st day of February, 1940, at the office of the said Trust.

MARKETING OF PRIMARY PRODUCTS ACT 1935 (No. 4337).

At the Executive Council Chamber, Melbourne, the
twenty-third day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Bailey | Mr. Tuckett.
Mr. Hyland |

APPOINTMENT OF A DAY FOR A POLL TO BE TAKEN OF THE PRODUCERS OF ONIONS FOR THE ELECTION OF REPRESENTATIVES OF PRODUCERS TO BE ELECTIVE MEMBERS OF THE ONION MARKETING BOARD.

IN pursuance of the provisions in that behalf contained in the *Marketing of Primary Products Act 1935* (No. 4337), the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, doth by this Order hereby appoint Thursday, the twenty-eighth day of March, 1940, as the day for a poll to be taken of the producers of onions for the election of four (4) representatives to be elective members of the Onion Marketing Board, and doth further appoint four (4) electoral areas, defined as follow, for such election, that is to say:—

ELECTORAL AREA No. 1.

State Electoral Districts of Hampden, Port Fairy and Glenelg, and Warrnambool.

ELECTORAL AREA No. 2.

The State Electoral District of Polwarth, with the exception of the Subdivision of Birregurra.

ELECTORAL AREA No. 3.

(a) The State Electoral Districts of Barwon, Bulla and Dalhousie, Geelong, Grant, and Warrenheip and Grenville.
(b) The Birregurra Subdivision of the State Electoral District of Polwarth.
(c) The Metropolitan State Electoral Districts, with the exception of the State Electoral Districts of Dandenong and Nunawading.

ELECTORAL AREA No. 4.

(a) The State Electoral Districts of Dandenong and Nunawading.
(b) The remaining State Electoral Districts of the State of Victoria.

And the Honorable Edmond John Hogan, His Majesty's Minister of Agriculture for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

STATE RIVERS AND WATER SUPPLY COMMISSION.

*At Government House, Melbourne, the
twenty-sixth day of January, 1940.*

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lind

Mr. Mackrell.

DIMBOOLA SEWERAGE AUTHORITY.

CONSENT TO THE PURCHASE OF LAND SITUATED OUTSIDE THE
SEWERAGE DISTRICT, AND APPROVAL OF THE ESTABLISHMENT
OF TREATMENT WORKS AND SEWAGE FARM, AND
CONSTRUCTION OF RISING MAIN.

UNDER the powers conferred by the Sewerage Districts
Acts and all other powers enabling him in that behalf,
His Excellency the Governor of the State of Victoria, by
and with the advice of the Executive Council of the said
State, doth hereby consent to the purchase by the Dimboola
Sewerage Authority of the land comprised within the bound-
aries described in Schedule 1 hereto, which land is situated
without the sewerage district of the said sewerage authority,
and doth hereby approve of the establishment of treatment
works and sewage farm on the land described in the said
Schedule 1, and the construction of rising main on the land
described in Schedule 2.

SCHEDULE 1.

Site for Treatment Works and Sewage Farm.

Commencing at a point on the western boundary of Crown
allotment 28, Parish of Matchegatchea, County of Lowan,
such point being distant 2,261 links southerly from the most
northerly angle of the said Crown allotment 28; thence
southerly along the said western boundary of Crown allotment
28 to its south-western angle; thence easterly along the
southern boundary of the said Crown allotment 28 to its
most southerly angle; thence northerly and north-easterly
along the eastern and south-eastern boundaries of the said
Crown allotment 28 to a point distant 2,505 links south-
westerly from its most easterly angle; thence north-westerly
by a line across the said Crown allotment 28 a distance of
about 1,000 links to the point of commencement.

SCHEDULE 2.

Rising Main.

Commencing at a point in Wimmera-street near the south-
eastern angle of the Reserve for Police purposes, Town of
Dimboola, Parish of Dimboola, County of Borung, being a
point on the southern boundary of the Dimboola Sewerage
District; thence by a strip of land 50 links in width, being
25 links on either side of the centre line of the rising main
south-westerly along Wimmera-street and across the Wimmera
River and across Crown lands in the Parish of Matchegatchea,
County of Lowan, to a point distant about 1,600 links south-
westerly from the point of commencement; thence southerly
across Crown lands, across Crown allotment 3, Parish of
Matchegatchea, across a road, across Crown allotment 49,
and across a rifle range to a point on the western boundary
of Crown allotment 28, being a point on the western boundary
of the site for treatment works and sewage farm.

The lands described in the foregoing schedules are shown
upon the plan approved by the Governor in Council and
deposited in the office of the State Rivers and Water Supply
Commission, Melbourne.

TOWN OF ARARAT WATER SUPPLY DISTRICT.
AUTHORITY TO OBTAIN A BANK OVERDRAFT.

HIS Excellency the Governor of the State of Victoria, by
and with the advice of the Executive Council thereof,
doth hereby authorize, in pursuance of the provisions of
section 271 of the *Water Act 1928* (No. 3801), the Town of
Ararat Water Supply District to obtain an advance or
advances, during the year 1940, from the National Bank of
Australia Limited, Ararat, by overdraft of the Council's
current account thereat, such overdraft not to exceed at any
one time the sum of Three thousand pounds (£3,000).

And the Honorable Francis Edward Old, His Majesty's
Minister of Water Supply for the State of Victoria, shall give
the necessary directions herein accordingly.

J. C. MACGIBBON,

Acting Clerk of the Executive Council.

STATE RIVERS AND WATER SUPPLY COMMISSION.

*At the Executive Council Chamber, Melbourne, the
thirtieth day of January, 1940.*

PRESENT:

His Excellency the Governor of Victoria.

Mr. Bailey

Mr. Mackrell.

LEONGATHA SEWERAGE AUTHORITY.

CONSENT TO BORROWING £25,000.

UNDER the powers conferred by the Sewerage Districts
Acts and all other powers enabling him in that behalf,
His Excellency the Governor of the State of Victoria, by
and with the advice of the Executive Council of the said
State, doth hereby consent to the Leongatha Sewerage
Authority borrowing, by the issue of debentures, the sum of
Twenty-five thousand pounds (£25,000) for the construction
of sewers, outfall main, and treatment works, as set forth in
the detailed statement bearing date the 17th January, 1940.

THE BALLARAT WATER COMMISSIONERS.

APPOINTMENT OF A COMMISSIONER.

HIS Excellency the Governor of the State of Victoria, by
and with the advice of the Executive Council thereof,
doth hereby appoint

WILLIAM JAMES MCADAM

to be a Commissioner of the Ballarat Water Commissioners
for a period of four years, dating from the 4th February,
1940, his present term of office expiring on the 3rd February,
1940.

And the Honorable Francis Edward Old, His Majesty's
Minister of Water Supply for the State of Victoria, shall give
the necessary directions herein accordingly.

J. C. MACGIBBON,

Acting Clerk of the Executive Council.

the owner of a milk depot situated at.....
may contract to forward daily, whether under contract with
one or several dairymen for sale or distribution in the
metropolis during the period of twelve months commencing on
the first day of April now next ensuing, has been determined
by the Board at.....gallons.

Date..... Secretary.....

And the Honorable Edmond John Hogan, His Majesty's
Minister of Agriculture for the State of Victoria, shall give
the necessary directions herein accordingly.

J. C. MACGIBBON,

Acting Clerk of the Executive Council.

LOCAL GOVERNMENT ACT, 1928 (No. 3720).

At the Executive Council Chamber, Melbourne, the
thirtieth day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Bailey | Mr. Mackrell.

VESTING LAND IN MUNICIPALITY OF THE BOROUGH OF PORTLAND.

SATISFACTORY evidence having been submitted to the Governor in Council that the property hereinafter described was taken possession of by the Council of the Borough of Portland in the name of the municipality under the powers and in accordance with the requirements of Division 8 of Part X. of the Local Government Act 1890, and that no person has performed the conditions entitling him to demand a release of such property: Now therefore the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, acting under the powers in that behalf conferred upon him by the Local Government Act 1928, doth by this present Order declare the following property to be vested in the Mayor, Councillors, and Burgesses of the Borough of Portland, that is to say, the land following, namely:—

Crown allotment 5, section 8A; Crown allotments 10, 11, and 12, section 8B; Crown allotment 20, section 10; Crown allotment 4, section 21A, Crown allotments 5 and 9 to 18 (both inclusive), and 20, section 25A, Town and Parish of Portland, County of Normandy.

Firstly.—The said Crown allotment 5, section 8A, Commencing at a point on the west boundary of Bentinck street distant 400½ links southerly from Townsend street; thence by a fence along Bentinck street S. 1 deg. 30 min. W. 100 links; thence by a fence along Crown allotment 4 N. 88 deg. 30 min. W. 225 links; thence by a fence along Crown allotment 14 N. 1 deg. 30 min. E. 100 links; and thence by a fence along Crown allotment 6 S. 88 deg. 30 min. E. 225 links to the commencing point.

Secondly.—The said Crown allotments 10, 11, and 12, section 8B: Commencing at the north-west angle of the said Crown allotment 11; thence by a fence along Townsend street S. 88 deg. 40 min. E. 225 links; thence by the remains of a fence and a fence along Crown allotments 9 and 7 S. 1 deg. 20 min. W. 200.6 links and S. 1 deg. 30 min. W. 99.9 links; thence by a fence along Crown allotment 13 N. 88 deg. 55 min. W. 225.6 links; and thence by a fence along Percy street N. 1 deg. 30 min. E. 300.7 links to the commencing point.

Thirdly.—The said Crown allotment 20, section 10: Commencing at a point on the north boundary of Otway street distant 250.1 links westerly from Percy street; thence by a fence along Otway street N. 88 deg. 30 min. W. 250.1 links; thence by a fence along Crown allotment 19 N. 1 deg. 30 min. E. 200 links; thence by a fence along Crown allotment 2 S. 88 deg. 30 min. E. 250.1 links; and thence by a fence along Crown allotment 1 S. 1 deg. 30 min. W. 200 links to the commencing point.

Fourthly.—The said Crown allotment 4, section 21A: Commencing at a point on the west boundary of Hurd street distant 401.9 links northerly from Otway street; thence by a fence along Crown allotment 3 N. 88 deg. 30 min. W. 226.9 links; thence by a fence along Crown allotment 15 N. 1 deg. 30 min. E. 100 links; thence by the remains of a fence along a reserve S. 88 deg. 30 min. E. 226.9 links; and thence by a line along Hurd street S. 1 deg. 30 min. W. 100 links to the commencing point.

Fifthly.—The said Crown allotments 5 and 9 to 18 (both inclusive), section 25A: Commencing at the north-west angle of the said Crown allotment 11; thence by a fence along Kennedy street S. 88 deg. 38 min. E. 337.9 links; thence by lines along Crown allotments 8, 7, and 6 S. 1 deg. 30 min. W. 200.1 links; N. 88 deg. 30 min. W. 112½ links; S. 1 deg. 30 min. W. 199.9 links, and S. 88 deg. 30 min. E. 225 links; thence by a fence along Bentinck street S. 1 deg. 30 min. W. 100 links; thence by lines along Crown allotments 4, 3, and 2 N. 88 deg. 30 min. W. 225 links and S. 1 deg. 30 min. W. 301.2 links; thence by fences along Crown allotment 19 N. 88 deg. 30 min. W. 112½ links and S. 1 deg. 30 min. W. 200.4 links; thence by a fence along Townsend street N. 88 deg. 30 min. W. 112½ links; and thence by a fence along Milbank street N. 1 deg. 29 min. E. 1,000.7 links to the commencing point.

Sixthly.—The said Crown allotment 20, section 25A: Commencing at a point on the north boundary of Townsend street distant 112½ links westerly from Bentinck street; thence by a fence along Townsend street N. 88 deg. 30 min. W. 112½

links; thence by a fence along Crown allotment 19 N. 1 deg. 30 min. E. 200.4 links; thence by a line of old posts along Crown allotment 2 S. 88 deg. 30 min. E. 112½ links; and thence by a line of old posts along Crown allotment 1 S. 1 deg. 30 min. W. 200.4 links to the commencing point.

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

Forests Acts 1928 and 1939.

FORESTS COMMISSION OF VICTORIA.

At the Executive Council Chamber, Melbourne, the
twenty-third day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Bailey
Mr. Hyland

Mr. Tuckett.

REGULATIONS.—DUGOUTS.

WHEREAS by the Forests Acts power is given to the Governor in Council from time to time to make regulations for the various purposes therein prescribed: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations, such Regulations to take effect as from the 25th day of January, 1940, that is to say:—

1. The site of every dugout shall be approved by an Inspector of Forests in consultation with an Inspector of Mines.
2. The site of every dugout shall be cleared of timber, scrub, and other inflammable material to the satisfaction of a Forest Officer.
3. Every dugout shall be constructed to the satisfaction of an Inspector of Mines and no dugout shall be deemed to comply with these regulations until it has been passed by such Inspector.
4. Not less than 40 gallons of good drinking water shall be provided and maintained in an approved vessel within every dugout during the period that fires are likely to occur. In addition, an adequate supply of water shall be provided for the purpose of cooling the curtain or curtains at the entrance to such dugout.
5. No person shall smoke while in occupation of a dugout.
6. The use of flame lights in any form within a dugout is prohibited.
7. Electric torches and an adequate supply of spare batteries and globes for the illumination of the dugout shall be provided.
8. A 14-in. sanitary pan placed behind a screen at the inner end of the dugout shall be provided together with effective deodorants.
9. The person required by the Commission to construct or provide any dugout shall appoint a competent person to take charge of and control all persons and equipment in such dugout during occupation, and shall advise a Forest Officer in writing on or before 1st December in each year of the name of such competent person who shall determine when the curtains are to be raised or lowered and every person in occupation of a dugout who refuses or neglects to comply with the instructions of such person in charge shall be guilty of an offence against this regulation.
10. All persons in occupation of a dugout shall remain seated unless allowed or instructed to remain otherwise by the person appointed to take charge.
11. Every dugout shall be provided with a first-aid equipment to the satisfaction of a Forest Officer.
12. No material, substance or thing except as prescribed in these Regulations shall be stored, deposited or left within a dugout at any time.

And the Honorable Albert Eli Lind, His Majesty's Minister of Forests for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

CEMETERIES ACT 1928.

At the Executive Council Chamber, Melbourne, the twenty-third day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Bailey | Mr. Tuckett.
Mr. Hyland

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby direct that the sum of £250, being part of the balance of moneys in the hands of the trustees of the Ballarat General Cemeteries, be expended in the laying-out or improvement of the said cemeteries.

And the Honorable Sir John Richards Harris, His Majesty's Minister of Public Health for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

PUBLIC SERVICE ACT 1928.

At the Executive Council Chamber, Melbourne, the twenty-third day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Bailey | Mr. Tuckett.
Mr. Hyland

PERMISSION FOR OFFICERS OF THE PUBLIC SERVICE TO ENGAGE IN DUTIES UNCONNECTED WITH THEIR OFFICES AND TO RECEIVE REMUNERATION THEREFOR.

UNDER the provisions of section 161 of the *Public Service Act 1928*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by this Order grant permission to the under-mentioned officers of the Public Service to engage in the work specified below and to receive remuneration therefor, subject to the conditions that the work be performed by them only during hours outside the ordinary hours fixed for the discharge of their duties in the Public Service:—

J. L. PROVAN,
R. T. M. PESCOFF,
C. R. MILLIKAN, and
F. J. GREATORREX,

Agriculture Department—to prepare articles for inclusion in an encyclopedia of gardening.

And the Honorable Albert Arthur Dunstan, His Majesty's Premier for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

HAIRDRESSERS REGISTRATION ACTS.

At the Executive Council Chamber, Melbourne, the twenty-third day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Bailey | Mr. Tuckett.
Mr. Hyland

UNDER the powers conferred by section 5 of the *Hairdressers Registration Act 1938*, the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby remove Oliver Emanuel Nilsson as a member of the Hairdressers Registration Board of Victoria, and under the powers conferred by the same section of such Act, as amended by the *Hairdressers Registration Act 1939*, doth hereby appoint the said Oliver Emanuel Nilsson to be a member of the Hairdressers Registration Board of Victoria for the period ending 3rd December, 1942.

And the Honorable A. E. Lind, for His Majesty's Minister of Public Health for the State of Victoria, shall give the necessary instructions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

MINES ACT 1928.

At the Executive Council Chamber, Melbourne, the twenty-third day of January, 1940.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Bailey | Mr. Tuckett.
Mr. Hyland

LAND EXCEPTED FROM OCCUPATION UNDER MINER'S RIGHT.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by the *Mines Act 1928*, doth hereby except from occupation for mining purposes under any miner's right the land occupied by and all land within 12½ links of the water dam and race known as Webber's Dam and Webber's Race, in the Parishes of Fryers and Guildford, County of Talbot, such dam and race being indicated in red colour on a plan lodged in the Department of Mines, and marked "Misc. No. 1074."

And the Honorable E. J. Hogan, His Majesty's Minister of Mines for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,
Acting Clerk of the Executive Council.

PROPOSED REVOCATION OF TEMPORARY

RESERVATIONS OF LANDS BY ORDERS IN COUNCIL.

IN pursuance of the provisions of the *Land Act* 1928, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservations of lands by Orders in Council hereunder referred to, viz.:—

The following Notices were published 1° on 17th January, 1940, pursuant to Orders of the 16th January, 1940:—

BALLAARAT.—The Order in Council of the 6th October, 1873, temporarily reserving 1 acre 3 roods 37 6/10 perches of land, being suburban allotment 1 of section 23, Township of Ballaarat North, Parish of Ballaarat, as a site for a Manure Depot for the Town of Ballaarat East.—(B.126⁽¹⁾) (333/129).

MANSFIELD.—The Order in Council of the 8th April, 1909, temporarily reserving 2 acres 3 roods 36 perches of land in the Parish of Mansfield, being allotment 23E, as a site for a Quarry.—(M.35⁽²⁾) (37/121).

MURMUNGEE.—The Order in Council of the 28th December, 1880, temporarily reserving as a site for Public Recreation and withholding from sale, leasing and licensing 12 acres 0 roods 24 perches of land in the Parish of Murmungee.—(M.285⁽¹⁾) (Rs.806).

NOORINBEE.—The Order in Council of the 26th August, 1929, temporarily reserving 3 roods of land in the Township of Noorinbee, Parish of Noorinbee, as a site for a Public Hospital.—(N.156⁽²⁾) (Rs.3896).

KENTBRUCK.—The Order in Council of the 22nd May, 1888, temporarily reserving 177,500 acres, more or less, of land in the Counties of Follett and Normanby, for the Preservation and Growth of Timber, revoked as to part by Orders of the 11th September, 1893, 21st October, 1901, and 22nd September, 1902, to be further revoked so far as regards the portion thereof hereinafter described, viz.:—1172 acres 1 rood 12 perches, Parish of Kentbruck, County of Normanby: Commencing at the north-west angle of allotment 4 of section 5: bounded thence by that allotment bearing south 5,778 links; by lines bearing west 9,200 links, north 959 links, and S. 89 deg. 54 min. W. 8,826 links; by a road bearing N. 18 deg. 34 min. W. 835 links, N. 11 deg. 30 min. W. 1,069 links, N. 42 deg. 4 min. W. 273 links, N. 50 deg. 54 min. W. 1,074 links, N. 67 deg. 41 min. W. 1,311 links, N. 34 deg. 50 min. W. 466 links, N. 11 deg. 32 min. W. 616 links, and N. 29 deg. 54 min. W. 1,998 links; and thence by lines bearing east 13,119 links, south 1,101 links, and east 9,000 links to the point of commencement.—(K.32⁽¹⁾) (271/44).

The following Notices were published 1° on the 24th January, 1940, pursuant to Orders of the 23rd January, 1940.

COSTERFIELD.—The Order in Council of the 11th January, 1887, temporarily reserving 2 roods 1 perch of land in the Parish of Costerfield, at Costerfield, now Township of Costerfield, as a site for a Mechanics' Institute, to be revoked so far as regards the portion thereof hereinafter described, viz.:—26 perches, Township of Costerfield, Parish of Costerfield, County of Dalhousie: Commencing at the south-west angle of allotment 3 of section 7; bounded thence by lines bearing S. 18 deg. 54 min. E. 153 4/10 links, S. 82 deg. 5 min. W. 133 5/10 links, N. 1 deg. 45 min. E. 152 links, and N. 82 deg. 5 min. E. 78 5/10 links to the point of commencement.—(C.370c⁽¹⁾) (C.370c⁽²⁾) (H.010443).

COSTERFIELD.—The Order in Council of the 23rd August, 1886, temporarily reserving 3 roods 9 perches of land in the Parish of Costerfield, at Costerfield, now Township of Costerfield, as a site for Police purposes, to be revoked so far as regards the portion thereof hereinafter described, viz.:—2 perches, Township of Costerfield, Parish of Costerfield, County of Dalhousie: Commencing at a point bearing S. 81 deg. 26 min. E. 676 links and N. 8 deg. 34 min. E. 235 3/10 links from the north-west angle of allotment 8 of section 6; bounded thence by lines bearing N. 31 deg. 33 min. W. 94 8/10 links, S. 52 deg. 34 min. E. 69 3/10 links, and S. 8 deg. 34 min. W. 39 links to the point of commencement.—(C.370c⁽¹⁾) (H.010443).

CARAMUT.—The Order in Council of the 10th August, 1868 (see *Government Gazette*, 1868, page 1527), temporarily reserving 1 acre of land, being allotments 3 and 4 of section 4, Town of Caramut, as a site for Police purposes.—(C.190⁽¹⁾) (C.81087).

COSTERFIELD.—The Order in Council of the 31st December, 1873, temporarily reserving 2 acres of land at Costerfield, now Township of Costerfield, as a site for State School purposes.—(C.370c⁽²⁾) (H.010443).

SANDHURST.—The Order in Council of the 14th August, 1893, temporarily reserving 2 acres 0 roods 10 7/10 perches of land in the Parish of Sandhurst, as a site for a State School.—(S.371⁽¹²⁾) (0591/121).

A. E. LIND,
Commissioner of Crown Lands and Survey.

PUBLIC HEARINGS BY PERSONS APPOINTED UNDER THE 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that at the times and places mentioned in the schedule hereunder, applications for leases and licences under the Land Acts, objections to such applications, objections to proposed proclamations, alterations, additions, diminutions, revocations or unions of commons, and reasons against forfeiture of any leases or licences under the Land Acts deemed liable to forfeiture, will be publicly heard by the persons whose names are set opposite such places respectively, in such schedule, being persons appointed by me, the responsible Minister of the Crown administering the Land Acts, to hear the same and report thereon in writing to me.

A. E. LIND,
Commissioner of Crown Lands and Survey, and
President of the Board of Land and Works.

Department of Lands and Survey,
Melbourne, 30th January, 1940.

SCHEDULE.

W. Walsh

REDCLIFFS, Monday, 12th February, 1940, at 2 p.m., C. E.
Chancellor

MERBEIN, Friday, 16th February, 1940, at 2 p.m., C. E.
Chancellor

HEARING OF REASONS AGAINST THE FORFEITURE OF CERTAIN LICENCES BY A PERSON APPOINTED UNDER THE 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that reasons against the forfeiture of the licences in the schedule hereto, which are deemed liable to forfeiture under the provisions of the Land Acts, will be publicly heard by the person appointed by me, the responsible Minister of the Crown administering the said Acts, to hear the same and report thereon in writing to me, when the persons in the said schedule mentioned as holders of such licences will be allowed to show cause against the same, at the place and on the date mentioned in the schedule hereto.

A. E. LIND,
Commissioner of Crown Lands and Survey,
Department of Lands and Survey,
Melbourne, 30th January, 1940.

SCHEDULE.

MERBEIN, 16th February, 1940, Land Officer—
08125/129, W. Bray, 1r. 14p., allotment 1, section 25,
Township of Merbein; 07990/129, G. W. Sampson, 3
acres, Parish of Mullaroo; 09400/129, F. L. Smart, 36
perches, allotment 13, section 24, Township of
Merbein.

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE "BEAUFORT GRAVEL RESERVE."

WHEREAS by the 181st section of the Land Act 1928 power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council dated the 2nd March, 1937, as a site for the supply of gravel in the Town of Beaufort, Parish of Beaufort, and known as the "Beaufort Gravel Reserve."

REGULATIONS.

1. The Reserve shall be open to the public from sunrise to sunset.
2. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct.
3. No person shall leave or deposit any glass, paper, or rubbish in the Reserve, except in the area set apart for that purpose, nor roll or throw stones or any missiles of any kind therein.
4. No person shall put in the Reserve any cattle, horses, sheep, goats, pigs, or other animals, without the permission, in writing, of the Committee of Management first obtained: Provided always that the moneys received for agistment shall be expended in the maintenance and improvement of the Reserve, and that an account thereof shall be furnished annually to the Board of Land and Works.

5. The Committee of Management shall have full power and authority to impound any cattle found trespassing in the Reserve, and shall be taken to be the occupier of the Reserve (with all power incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purpose of this clause "cattle" shall mean cattle as interpreted by section 3 of the Pounds Act 1928.

6. The owner of any horses, cattle, or other animals found wandering upon any part of the Reserve shall be guilty of an offence against these Regulations.

7. No person shall camp in the Reserve, nor erect therein any building, without the permission, in writing, of the Committee of Management first had and obtained.

8. No person shall remove any stone, earth, marl, or gravel from the Reserve without the permission, in writing, of the Committee of Management first had and obtained. Such permission shall not be unreasonably or arbitrarily withheld, but shall be conditional on the payment to the said Committee of such fees as the Committee may from time to time direct for the removal of any stone, earth, marl, or gravel as aforesaid. Such fees shall not be less than the sum of Three pence per cubic yard of stone, earth, marl, or gravel removed. Before granting such permission, the Committee of Management may require from any person requesting such permission a deposit of any sum not exceeding Ten pounds by way of due guarantee for due care in the removal of stone, earth, marl, or gravel as aforesaid, and for due payment of the fees for removal of such stone, earth, marl, or gravel. All fees collected by the Committee of Management under or by virtue of this Regulation shall be paid by the said Committee into the Consolidated Revenue of the State of Victoria, and a certified return thereof furnished to the Board of Land and Works at the end of each half-year.

9. All gravel to be removed from the said Reserve, in accordance with the permission of the Committee of Management, shall be removed therefrom subject to, and in accordance with the directions of the engineer of the Council of the Shire of Ripon, provided that and subject to such direction all gravel shall be removed on a face and for the full depth of the deposit. No overburden shall be allowed to remain on the floor of the pit, but all such overburden shall be removed and deposited as directed by the Committee of Management. All trees, stumps, logs, roots, branches, and other debris shall be removed from the pit as they are reached and fall, and shall not be left standing on "islands."

The Council of the Shire of Ripon has been appointed a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the Land Act 1928, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against these Regulations, and who, after he has been warned by a bailiff of Crown lands or by any member of the Police Force, does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force, and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was herunto affixed this 26th day of January, 1940, in the presence of—

(SEAL) A. E. LIND, President,
W. McILROY, Member.

(Rs.3425.)

COMMITTEES OF MANAGEMENT OF RESERVES.

APPOINTMENTS.

WHEREAS by section 184 of the Land Act 1928 it is provided that it shall be lawful for the Governor in Council or the Board of Land and Works to appoint and remove any number of persons, not less than three, or any municipal council, or the governing body of any corporation, to be a Committee of Management of any specified Crown land reserved either temporarily or permanently for any of the purposes set out in section 14 of the Land Act 1928, and not conveyed to or vested in trustees: Now therefore the Board of Land and Works doth hereby appoint the under-mentioned persons to be Members of the Committees of Management of the Reserves, named:—

"BEAUFORT GRAVEL RESERVE."

The Council of the Shire of Ripon as a Committee of Management of the land, temporarily reserved by Order in Council dated the 2nd March, 1927, as a site for the Supply of Gravel in the Town of Beaufort, Parish of Beaufort, and known as the "Beaufort Gravel Reserve."—(Corres. Rs.3425.)

"BEACONSFIELD (CARDINIA PARK) RECREATION RESERVE."

Harry Josiah Pateman as a Member of the Committee of Management for the period ending the 15th December, 1941 of the land temporarily reserved by Order in Council of 21st October, 1935, as a site for Public Recreation and Picnic Ground in the Parish of Pakenham, and known as the "Beaconsfield (Cardinia Park) Recreation Reserve."—(Corres. Rs.2450.)

"MINYIP RECREATION RESERVE."

John Joseph Murphy, John William Hewitt, William Mackenzie, John Hugh Brady, John Gustav Gormann, John Frederick Henstridge, and George G. Rowan as a Committee of Management for a period of three (3) years of the land temporarily reserved by Orders in Council dated the 1st May, 1928, and 21st September, 1937, as sites for Public Recreation in the Township of Minyip, Parish of Nullan, and known as the "Minyip Recreation Reserve."—(Corres. Rs.3658.)

"MURCHISON PUBLIC GARDENS RESERVE."

Walter Herbert Walker, David Cosby Campbell, Alfred Salas, Wilfred Gustavus Brisbane, and John Henry Wagener as a Committee of Management for a period of three (3) years from the 24th November, 1939, of such portion of the Reserve for Public Purposes in the Town of Murchison as indicated by pink tint on plan marked M.19.7.32, with Lands Department Correspondence Rs.785, and known as "Murchison Public Gardens Reserve."—(Corres. Rs.785.)

In witness whereof the common seal of the Board of Land and Works was hereunto affixed this twenty-sixth day of January, One thousand nine hundred and forty, in the presence of—

(SEAL)

A. E. LIND, President.
W. McILROY, Member.

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for _____, due _____."

GEO. L. GOUDIE,
Commissioner of Public Works.

Melbourne, 31st January, 1940.

TENDERS FOR THE SERVICE, 1940.

GENERAL STORES.
CLOTHING.

TENDERS will be received until Eleven o'clock a.m. on Friday, 9th February, 1940, from persons willing to supply the under-mentioned articles required by the Victorian Government during the three months commencing on 1st February, 1940:—

Schedule No. 8—

Preliminary Deposit
for each Item.

Item 1—Men's trousers (5,000 pairs)	£ 3
" 13—Layettes (1,600 sets)	3

The prices tendered must not include sales tax.

Security.—Five per cent. of total amount of tender accepted, but in no case will security of less than £3 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

Tenders for each item must be accompanied by the preliminary deposit, as shown above, by bank draft or marked cheque, in favour of the Secretary to the Tender Board. *Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits.* Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

The amount of the preliminary deposit required with each tender must be enclosed, and the amount must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm is interested in the contract, the tender shall be in the name of the firm and not in that of the individual, and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for ———" (as the case may be) written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

The conditions of contract are those published in the *Victoria Government Gazette* on 8th March, 1939, pages 837 and 838.

A. A. DUNSTAN,
Treasurer.

The Treasury,
Melbourne, 30th January, 1940.

TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST MARCH, 1940 (EXCEPT WHERE OTHERWISE STATED), TO 30TH SEPTEMBER, 1940, WITH THE RIGHT OF RENEWAL ANNUALLY FOR A FURTHER PERIOD WHERE STATED.

Tender Forms can be Obtained on Application to the Lands Department, Melbourne, or any of the Lands Offices in the Country.

Tenders should be placed in the Lands Department Tender-box, State Treasury Buildings, Melbourne, C.2, at or before Noon on Friday, 23rd February, 1940.

NOTE.—No tender will be accepted unless the rent for the full period and fee of Seven shillings and six pence for licence are forwarded.

TENDERS are invited and must be lodged at the Lands Department, Melbourne, at or before Noon, on Friday, 23rd February, 1940, for the right to depasture stock on the following unappropriated portions of lands subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act* 1928 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1928, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miner's rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act* 1928 the licensee shall notify, on completion, that such improvements have been made; otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act* 1928 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licensee may be forfeited, unless the licensee satisfy the Minister that neither he, directly, or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

20. The licensee shall pay shire rates and all other charges for the period of occupation.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise stated, will be for seven (7) months from 1st March, 1940, to 30th September, 1940, with the right of renewal annually for a further period as stated.

2. The rent for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. Where permission to fence has been granted, the outgoing tenant has the option to remove any existing fencing owned by him within one month, or he may arrange with the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1928.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

In addition to the foregoing conditions the following will apply to lots 20 and 21 only:—

The Minister may grant permission to cultivate.

No advances will be made by the Board of Land and Works with respect to these areas.

Existing improvements, including clearing, to be maintained to the satisfaction of the Minister.

Any allotment or allotments at present occupied within the boundaries of the proposed grazing licence will be included, when vacant, and shall be accepted by the licensee at a rental equal to the average price per acre he will be paying for his original licence.

The Board of Land and Works reserves the right to sell or remove from each lot the surplus houses or other buildings not required for the reasonable working of the areas.

The Minister may grant permission to the licensee to remove any internal fencing to complete the boundary fences.

NOTE.—No provision has been made for the supply of water to these two areas, consequently each licensee will be required to make his own arrangements.

Plans can be seen and information may be obtained in this office.

Section 121, Land Act 1928, provides—

1. Where a licensee under section 121 of the Land Act 1928 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

A. E. LIND,
Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 26th January, 1940.

 3273 D. G. DONALDSON, Secretary.

CITY OF BENDIGO.

By-Law No. 53.

A By-law for the Regulation and Management of the Abattoirs of the City of Bendigo.

IN exercise of the powers conferred by the Health Act 1928, and by every other Act or power enabling it in that behalf, be it enacted by the Council of the City of Bendigo, hereinafter called the Council, in the name and on behalf of the Mayor, Councillors, and Citizens thereof, as follows, that is to say:—

(1) That clause 5 of By-law No. 46 be, and the same is hereby repealed.

(2) That the establishment shall be open for slaughtering on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, from half-past Seven a.m. till Five p.m., and Saturdays from half-past Seven a.m. till Eleven a.m., provided; however, that the establishment shall not be open on Sundays, Good Friday, Easter Monday, Christmas Day, Boxing Day, New Years Day, Anniversary Day, King's Birthday, Anzac Day, Eight Hours Day, or such other holidays as may be determined by the Council, and the establishment shall be open at no other time except upon special occasions, and then upon such special conditions as may be prescribed in writing under the hand of the Town Clerk.

Resolution for passing this By-law agreed to by the Council on the sixteenth day of November, 1939, and confirmed on the fourteenth day of December, 1939.

The common seal of the Mayor, Councillors, and Citizens of the City of Bendigo was hereto affixed in the presence of—

A. STAPLES, Mayor.
 (SEAL.) W. H. TAYLOR, Councillor.
 F. T. AMER, Town Clerk.

Submitted to the Commission of Public Health on the 9th January, 1940.—J. WHITLOCK, Secretary to the Commission.
 Approved by the Governor in Council, 23rd January, 1940.—J. C. MACGIBBON, Acting Clerk of the Executive Council. 3349

BOROUGH OF STAWELL.

Loan No. 13.

Notice of Intention to Borrow £2,000 for Permanent Works and Undertakings.

NOTICE is hereby given that the Council of the Borough of Stawell propose to borrow the sum of Two thousand pounds (£2,000) on the credit of the Mayor, Councillors, and Burgesses of the said Borough, by the issue of debentures in accordance with the provisions of Part XV. of the Local Government Act 1928.

It is further proposed that—

1. The period of the loan will be fifteen (15) years.
2. The maximum rate of interest that may be paid is £4 15s. per cent. per annum.

PRIVATE ADVERTISEMENTS.

Sewerage Districts Act 1928.

MORWELL SEWERAGE AUTHORITY.

COMPULSORY PURCHASE OF LAND.

NOTICE is hereby given that the Morwell Sewerage Authority intends forthwith to acquire by compulsory purchase the lands described in Schedules 1 and 2 hereto, the consent of the Governor in Council to such purchase having been obtained on the sixteenth day of January, One thousand nine hundred and forty.

The land proposed to be taken is for the establishment of a treatment works and sewage farm for the purpose of sewage disposal and access road, and for the construction of main outfall sewer across lands between the boundary of the sewerage district and the disposal area. Such land is situated without the sewerage district of Morwell.

3. The moneys borrowed shall be repayable by providing out of the Municipal Fund 30 half-yearly instalments, each including principal and interest.

4. The moneys borrowed and interest thereon shall be repayable at the Union Bank of Australia Limited, Melbourne, or at the Council's bankers for the time being in Melbourne.

5. The purpose for which the loan is to be applied is for the purchase of a new generating unit at the Electric Power House.

6. The plans, specifications, and estimates of the cost of such equipment, with a statement of the proposed expenditure of the money to be borrowed, are open for inspection at the Town Hall during office hours.

Dated this 24th day of January, 1940.

3332 W. G. SHARPLEY, F.F.I.A., F.A.I.S., Town Clerk.

SHIRE OF BERWICK.

DETENTION YARD.

ON part of Lots 3 and 4, Section D, Parish of Gembrook, County of Mornington, a Detention Yard has been established, and Mr. David McDonald, of Beaconsfield Upper, has been appointed caretaker.

3325 JAMES J. AHERN, Shire Secretary.

SHIRE OF BROADMEADOWS.

BY-LAW No. 35.

By-law of the Shire of Broadmeadows, numbered 35, made under Section 197 of the *Local Government Act 1928*, for the purpose of prescribing areas within the Municipal District as residential areas and prohibiting or regulating within the whole or any part of such residential area, the erection (including adaption for use) of any building for the purpose of such classes of trades, industries, manufactures, businesses, or public amusements, as herein specified.

IN pursuance of the provisions of the *Local Government Acts*, the President, Councillors, and Ratepayers of the Shire of Broadmeadows, order as follows:—

That By-law No. 22 be amended by adding to Schedule A of such By-law (Trades, industries, manufactures, businesses, or public amusements, prohibited in Residential Areas):—

1. Board track cycle racing.
2. Motor cycle racing.
3. Motor cycle pacing.
4. Boxing tournaments or competitions.
5. Wrestling performances.
6. Any other sporting spectacle.
7. Midget car racing.

The Resolution passing By-law No. 35 was agreed to at a meeting of Council held on 26th October, 1939, and confirmed on 30th November, 1939.

As witness the common seal was hereunto affixed in our presence this 30th day of November, 1939.

(SEAL) C. W. L. GIBSON, President.
WILLIAM H. HENSHALL, Councillor.
A. T. COOK, Shire Secretary.

Approved by the Governor in Council, 23rd January, 1940.—
J. C. MACGIBBON, Acting Clerk of the Executive Council. 3335

SHIRE OF DIMBOOLA.

NOTICE OF INTENTION TO BORROW THE SUM OF FOUR THOUSAND FIVE HUNDRED POUNDS, (£4,500), FOR PERMANENT WORKS AND UNDERTAKINGS IN THE SHIRE OF DIMBOOLA.

NOTICE is hereby given that the Council of the Shire of Dimboola proposes to borrow on the credit of the President, Councillors, and Ratepayers of the Shire of Dimboola, the sum of Four thousand five hundred pounds (£4,500), such sum to be raised by the issue of debentures in accordance with the provisions of the *Local Government Act 1928* and amendments thereof.

The effective rate of interest shall not exceed Four pounds fifteen shillings per centum per annum.

The period of the loan shall be ten years.

The loan shall be liquidated by twenty (20), equal half-yearly instalments (to be provided out of the Municipal Fund), covering interest and principal, payable on the first day of April and the first day of October in each year during the currency of the loan, at the National Bank of Australasia, Melbourne.

The permanent works and undertakings upon which the loan is to be expended are—

Purchase of road-making plant and accessories.

Plans and specifications, and estimates of the cost of works and undertakings, and a statement showing intended expenditure of the money to be borrowed are open for inspection at the Shire Offices, Jeparit, during office hours.

E. LOCK, Shire Secretary.
Shire Offices, Jeparit,
22nd January, 1940. 3330

SHIRE OF KEILOR.

BY-LAW No. 28.

A By-law of the Shire of Keilor made pursuant to the provisions of the *Local Government Acts*, and the *Petrol Pumps Acts*, and numbered 28, for the purpose of amending By-law No. 11, made in accordance with the provisions of the *Local Government Acts* and the *Petrol Pumps Acts*.

IN pursuance of the powers conferred by the *Local Government Acts* and the *Petrol Pumps Acts*, and of every other power enabling it in that behalf, the President, Councillors, and Ratepayers of the Shire of Keilor order as follows:—

1. That clause 1 of By-law No. 11 be amended as follows:—
By providing that a licence fee of £1 4s. per annum shall be payable for single kerbside petrol pumps.

2. This By-law shall be read and construed as one with By-law numbers 8 and 11.

3. This By-law shall apply to and have operation throughout the whole of the municipal district of the Shire of Keilor.

Resolution for passing By-law No. 28 agreed to by the Council of the Shire of Keilor at a meeting held on the fourth day of November. One thousand nine hundred and thirty-nine, and confirmed at a subsequent meeting of the said Council held on the 2nd day of December, One thousand nine hundred and thirty-nine.

As witness the common seal of the President, Councillors, and Ratepayers of the Shire of Keilor, was hereunto affixed in pursuance of an order of the said Council made on the 2nd day of December, One thousand nine hundred and thirty-nine, in the presence of—

(SEAL) H. R. HILBERT, President.
F. E. JOLLY, Councillor.
W. J. PARR, Councillor.
N. WOODS, Shire Secretary.

Approved by the Governor in Council, 23rd January, 1940.—
J. C. MACGIBBON, Acting Clerk of the Executive Council. 3346

SHIRE OF RUTHERGLEN.

LOAN No. 7.

Notice of Intention to Borrow the Sum of One Thousand Four Hundred Pounds (£1,400) for Permanent Works and Undertakings in the Shire of Rutherglen.

TAKE notice that the Council of the Shire of Rutherglen proposes to borrow on the credit of the President, Councillors, and Ratepayers of the said Shire the sum of One thousand four hundred pounds (£1,400), such sum to be raised by the issue of debentures in accordance with the provisions of the *Local Government Acts*.

The maximum rate of interest that may be paid is £4 15s. per centum per annum.

Such moneys shall be repayable by forty equal half-yearly instalments, each including principal and interest, by providing out of the Municipal Fund such amounts on the first day of October and the first day of April in each respective year during the currency of the loan.

Such moneys shall be repayable at Melbourne, at the Commercial Banking Co. of Sydney, or at the Council's bankers for the time being in Melbourne.

The purposes for which the loan is to be applied are:—

Road and bridge works, and additions to the Shire Hall, £1,400.

The plans, specifications, and estimate of the cost of the works referred to above, and a statement showing the proposed expenditure of money to be borrowed, are open for inspection at the Shire Office, Rutherglen.

Dated this 26th day of January, One thousand nine hundred and forty.

3366 C. A. RICKETTS, A.F.I.A., Shire Secretary.

SHIRE OF SOUTH GIPPSLAND.

NOTICE is hereby given that the Council of the Shire of South Gippsland has resolved that Lots 3, 4, and 5 on Plan of Subdivision No. 2603, lodged in the Office of Titles, being parts of Crown Pre-emptive Section A, Parish of Toora, County of Buln Buln, shall be a place of safe custody for the detention of cattle found trespassing on roads and streets within the above shire.

Shire Office, Foster,
26th January, 1940. 3336

PARTNERSHIP ACT 1928.

TAKE notice that the partnership heretofore subsisting between Alfred Charles Gray, solicitor, and Colin Hicks Caldwell, solicitor, both of 94 Queen-street, Melbourne, and carried on under the name and style of Gray and Caldwell, was dissolved on the twenty-second day of January, One thousand nine hundred and forty.

Dated the twenty-third day of January, One thousand nine hundred and forty.

COLIN HICKS CALDWELL, solicitor, 94 Queen-street, Melbourne. 3360

NOTICE is hereby given that the partnership heretofore carried on by Walter Thomas Swan and Thomas Edward Swan, both of Orhost, plumbers, under the name of "Swans," at Orhost, was dissolved by mutual consent on the first day of January, 1940.

W. T. SWAN.
T. E. SWAN.

Charles C. Palmer, solicitor, Orhost.

3328

In the matter of the *Partnership Act 1920*.—NOTICE OF DISSOLUTION OF PARTNERSHIP.

NOTICE is hereby given that (owing to the calling up for military duties of Charles George Williams) the partnership heretofore subsisting between the undersigned Frank Bambridge and Charles George Williams, carrying on business as plumbers at 68 Whitehorse-road, Deepdene, in the State of Victoria, under the name of Bambridge and Williams, has been dissolved by mutual consent as from the 13th day of January, 1940. All debts due to and owing by the said late firm will be received and paid by the said Frank Bambridge, acting for and on behalf of the said late partners; and it is hereby further notified that the said Frank Bambridge will continue to carry on the said business at the same place.

Dated at Deepdene the 24th day of January, 1940.

F. BAMBRIDGE.
C. G. WILLIAMS.

Witness to above signatures.—Leslie F. Russell, solicitor, Box Hill.

Leslie F. Russell, LL.B., solicitor, Station-street, Box Hill.

3354

TAKE notice that the partnership entered into on the thirty-first day of July, One thousand nine hundred and thirty-nine, between Alexander Samuel Clark, of 600 Hampton-street, Brighton, in the State of Victoria, salesman, Eric Marcus Hall, of Frankston, in the said State, service car proprietor, and William O'Connor, of Church-street, Albert Park, in the said State, labourer, for the carrying on of the business of manufacturers and vendors of rubber mats and matting, which partnership business was carried on under the name and style of Typly Matting Company, at 224A Balaclava-road, Caulfield, and later at Point Nepean-road, Cheltenham, has been dissolved.

Dated this twenty-fourth day of January, One thousand nine hundred and forty.

WILLIAM O'CONNOR.

M. Mornane, solicitor, 95 Queen-street, Melbourne.

3357

In the Supreme Court of Victoria.—In the matter of the *Companies Act 1938*, in the matter of MANHATTAN CABARET PROPRIETARY LIMITED, and in the matter of a petition dated the 25th day of January, 1940, for winding up the above company under the supervision of the Court.

NOTICE is hereby given that a petition for the winding up of the above-named company subject to the supervision of the Supreme Court was, on the twenty-fifth day of January, 1940, presented to the said Court by Albert Louis Davis, of 41 Mitford-street, St. Kilda, in the State of Victoria, musician, and that the said petition is directed to be heard before the Court sitting at Melbourne on the ninth day of February, 1940, and any creditor or contributory of the said company desirous to support or oppose the making of an order on the said petition may appear at the time of hearing by himself or his counsel for that purpose; and a copy of the petition will be furnished to any creditor or contributory of the said company requiring the same by the undersigned on payment of the regulated charge for the same.

ALAN WAINWRIGHT, 397 Little Collins-street, Melbourne, solicitor for the petitioner.

NOTE.—Any person who intends to appear on the hearing of the said petition must serve on or send by post to the above-named, notice, in writing, of his intention so to do. The notice must state the name and address of the person, or if a firm, the name and address of the firm, and must be signed by the person or firm or his or their solicitor (if any), and must be served, or if posted, must be sent by post in sufficient time to reach the above-named not later than Four o'clock in the afternoon of the eighth day of February, 1940.

3373

Companies Act 1928.

MITCHELL BROS. & WHITE PROPRIETARY LIMITED
(IN VOLUNTARY LIQUIDATION).

NOTICE is hereby given that at a General Meeting of the members of the above-named company, duly convened and held at Main-street, Stawell, on the 31st day of August, 1939, the following Resolution was duly passed:—

"That Mr. James Paton be and is hereby appointed liquidator in place of Mr. J. G. Macdonald, resigned."

—Dated at Main-street, Stawell, this nineteenth day of January, 1940.

3327

JAMES PATON, Liquidator.

Companies Act 1938.—Notice to Creditors of Intention to Declare a Dividend.—ACKMANS LIMITED (in Voluntary Liquidation).

A FIRST Dividend is intended to be declared in the above matter. Creditors who have not proved their debts by the 14th February, 1940, will be excluded from this dividend. Dated this 26th day of January, 1940.

JOS. R. B. WHARTON, Liquidator.

Flack and Flack, chartered accountants, 128 William-street, Melbourne.

3356

In the matter of the *Companies Act 1938* and in the matter of ARCHERS PROPRIETARY LIMITED (in Voluntary Liquidation).—Notice to Creditors.

NOTICE is hereby given that all persons having any claims against the above company are required, on or before the 28th day of February, 1940, to send their names and addresses and particulars of their debts or claims to John Saville Eastwood, the liquidator of the said company, at the offices of J. S. Eastwood and Co., chartered accountants (Aust.), 440 Little Collins-street, Melbourne, and if so required by notice in writing from the said liquidator, are personally or by their solicitors to come in and prove their said debts or claims at such time and place as shall be specified in such notice; or in default thereof they will be excluded from the benefit of any distribution made before such debts or claims are so lodged or proved.

Dated at Melbourne this 27th day of January, 1940.

J. S. EASTWOOD, chartered accountant (Aust.), Liquidator.

3362

Companies Act 1928.

GLENLEIGH PROPRIETARY LIMITED (IN LIQUIDATION).

NOTICE is hereby given that a General Meeting of the members of the above company will be held at the office of Messieurs Malleson, Stewart, Stawell, and Nankivell, solicitors, of 46 Queen-street, Melbourne, on Thursday, the seventh day of March, 1940, at the hour of half-past Two o'clock in the afternoon, for the purposes set out in section 196 (1) of the *Companies Act 1928*.

Dated the 25th day of January, 1940.

G. L. STRICKLAND, Liquidator.

Malleson, Stewart, Stawell, and Nankivell, 46 Queen-street, Melbourne, solicitors for the liquidator.

3365

HOLMQUIST CHARCOAL RETORTERS PROPRIETARY LIMITED (IN VOLUNTARY LIQUIDATION).

NOTICE is hereby given that, pursuant to section 236 of the *Companies Act 1938*, a Final Meeting of the shareholders of the above-named company will be held at the registered office on the second day of March, 1940, at Two p.m. L. O. LANGTON, liquidator, 857-863 Dandenong-road, East Malvern.

H. T. CRAIG, Secretary.

MRS. EMILY JUKES, DECEASED.—Notice pursuant to the *Trustee Act 1928*.

EMILY JUKES, formerly of Crimea-street, St. Kilda, in the State of Victoria, but late of No. 7 McGowan-avenue, Glenhuntly, in the said State, widow, deceased (having died on 13th October, 1939, and probate of her will having been granted by the Supreme Court of the said State, on 25th January, 1940, to The Trustees, Executors, and Agency Company Limited, now of Nos. 401–403 Collins-street, Melbourne, in the said State), the said company intends to distribute the estate of the said deceased amongst the persons entitled thereto, after 1st April, 1940, on or before which date all persons interested are hereby required to send particulars of their claims in respect of the said estate to the said company.

Dated this 25th day of January, 1940.

DAVIES, CAMPBELL, & PIESSE, 403 Collins-street, Melbourne, solicitors for the said company. 3341

ELEANOR BEADON TRAPP (formerly of Alexandra Club, Collins-street, Melbourne, but late of "Maudeville," Marne-street, South Yarra, in the State of Victoria, widow), DECEASED.

NOTICE is hereby given that all persons having claims upon the estate of the above-named deceased (who died 20th November, 1939, and probate of whose will was granted by the Supreme Court of Victoria, on the 19th January, 1940, to The Equity Trustees, Executors, and Agency Company Limited, 472 Bourke-street, Melbourne, the executor appointed), are hereby required to send particulars, in writing, of such claims to the said executor, before the 31st day of March, 1940, after which date the said executor may convey or distribute the said estate, or any part thereof, to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which it shall then have had notice. And notice is further given that the said executor will not be liable to any person of whose claim it shall not have had such notice as aforesaid.

Dated this 29th day of January, 1940.

HEDDERWICK, FOOKES, & ALSTON, 103 William-street, Melbourne, solicitors for the said executor. 3342

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of Frederick Barnett, late of 88 Ninth-avenue, Maylands, in the State of Western Australia, retired civil servant, deceased (who died on the 14th day of October, 1938, and probate of whose will was granted by the Supreme Court of Western Australia, at Perth, on the 22nd day of December, 1938, to Ernest Clarence Frederick Barnett, of corner of Central-avenue and Deely-street, Maylands aforesaid, departmental manager, the executor named therein, and resealing of which probate was granted by the Supreme Court of Victoria, in its probate jurisdiction, on the 19th day of January, 1940), are hereby requested to send in particulars, in writing, of such claims to the said executor, care of the undersigned proctors, on or before the 9th day of April, 1940. And notice is hereby further given that after that day the said executor will proceed to distribute the assets of the said Frederick Barnett, deceased, which shall have come to his hands or possession, amongst the persons entitled thereto, having regard only to the claims of which the said executor shall then have notice, and the said executor will not be liable for the assets, or any part thereof, so distributed to any person of whose claim he shall not then have had notice.

Dated the 24th day of January, 1940.

McLAUGHLIN, EAVES, & JOHNSTON, of 440 Little Collins-street, Melbourne, proctors for the executor. 3340

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of James Barnes, late of Horsham, in the State of Victoria, veterinary surgeon, deceased (who died on the fifteenth day of August, 1939, and probate of whose will was granted by the Supreme Court of the State of Victoria, in its probate jurisdiction, on the twentieth day of January, 1940, to Grace Barnes, of Horsham, in the said State, widow, and The Equity Trustees, Executors, and Agency Company Limited, of 472 Bourke-street, Melbourne, in the said State, the executrix and executor named and appointed by the said will), are hereby required to send particulars, in writing, of such claims to the executors, care of The Equity Trustees, Executors, and Agency Company Limited, of 472 Bourke-street, Melbourne aforesaid, on or before the fifth day of April, 1940, after which date the said executors will proceed to distribute the assets of the said deceased amongst the persons entitled thereto, having regard only to the claims of which they shall then have had notice. And notice is hereby further given that the said executors will not be liable for the assets, or any part thereof, so distributed to any person of whose claim they shall not then have had notice.

Dated this twenty-sixth day of January, 1940.

J. ALLAN ANDERSON & SON, 472 Bourke-street, Melbourne, proctors for the executors. 3343

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of William Taylor, late of "Hill View," North Kyneton, in the State of Victoria, dairy farmer, deceased, intestate (who died on the twenty-first day of April, 1939, and letters of administration of whose estate were, on the twentieth day of November, 1939, granted by the Supreme Court of Victoria to The Ballarat Trustees, Executors & Agency Company Limited, of Lydiard-street, Ballarat, in the said State), are required to send particulars, in writing, of such claims to the said The Ballarat Trustees, Executors & Agency Company Limited, to the above-mentioned address, on or before the fourth day of April, 1940, after which date the administrator will distribute the assets amongst the persons entitled thereto, having regard only to the claims of which it shall then have had notice. And the administrator will not be liable for the assets so distributed, or any part thereof, to any person or claimant of whose claim it shall not then have had notice.

Dated this twenty-sixth day of January, 1940.

PALMER, STEVENS, & RENNICK, solicitors for the administrator, Kyneton. 3334

PURSUANT to the *Trustee Act 1928*, notice is hereby given that The Ballarat Trustees, Executors & Agency Company Limited, whose registered office is at 101 Lydiard-street North, Ballarat, in the State of Victoria, and Mary Rickard, of 90 Murray-street, Caulfield, married woman, the executors of the will of Timothy Shanahan, late of Traralgon, in the said State, retired farmer, deceased (who died on 20th August, 1939), require all persons having any claims against the estate of the said deceased, to send to the said company, at the above-mentioned address, on or before the first day of April, 1940, particulars, in writing, of such claims, after which date the said executors intend to convey or distribute such estate to or among the persons entitled thereto, having regard only to the claims of which they shall then have had notice, and the said executors will not be liable for the assets so distributed to any person of whose claim they shall not have had notice as aforesaid.

Dated this 20th day of January, 1940.

C. H. FORD, LL.M., Traralgon, solicitor for the executors. 3337

NOTICE TO CLAIMANTS AND CREDITORS.

NOTICE is hereby given that William Brown, senior, of Kyabram, retired farmer, and John Bourke, of Narioka, farmer, both in the State of Victoria, the executors of the will of Janet Kinnaird, late of Nathalia, in the said State, widow, deceased (who died on the twenty-seventh day of November, 1939), require all creditors, next of kin, and others having claims against the property or estate of the said deceased, to send to the said executors, care of the undersigned, on or before the first day of April, 1940, particulars, in writing, of such claims, after which date the said executors intend to convey or distribute such property or estate to or among the persons entitled thereto, having regard only to the claims of which they shall have had notice.

Dated the 24th day of January, 1940.

MORRISSY & DEANE, Nathalia, proctors for the said executors. 3324

NOTICE TO CLAIMANTS.

THE PERPETUAL EXECUTORS AND TRUSTEES ASSOCIATION OF AUSTRALIA LIMITED, whose registered office is situate at Nos. 100-104 Queen-street, Melbourne, in the State of Victoria, and David Galletly, of Villamanta-street, Geelong West, in the said State, engineer, and Doris Katie Macaulay, of 122 Aberdeen-street, Geelong, in the said State, married woman, the executors of the will of Mary Scott Galletly, late of Villamanta-street, Geelong West aforesaid, married woman, deceased (who died on the 28th day of October, 1939), require all creditors, next of kin, and others having claims against the property or estate of the said deceased, to send to the said executors, in the care of the said association, on or before the second day of April, 1940, particulars, in writing, of such claims, after which date the said executors intend to convey or distribute such property or estate to or among the persons entitled thereto, having regard only to the claims of which they shall have had notice.

Dated the twenty-fifth day of January, 1940.

CRAWCOUR & HOLLYHOKE, Yarra-street, Geelong. 3338

PURSUANT to the provisions of the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of Robert Howe, late of 3 Story-street, Parkville, in the State of Victoria, public servant, deceased (who died on the nineteenth day of December, 1939, and probate of whose will was granted by the Supreme Court of the said State, in its probate jurisdiction, on the twenty-second day of January, 1940, to Lily Ellen Howe, of 3 Story-street, Parkville aforesaid, widow, and Robert William Jordan, of 9 Lansdown-road, Hampton, in the said State, clerk, the executors named in and appointed by the said will), are hereby required to send particulars, in writing, of such claims to the said executors, care of the undersigned Messieurs Maddock, Jamieson, and Lonie, proctors for the said executors, on or before the thirty-first day of March, 1940, after which date the said executors will proceed to distribute the assets of the said deceased amongst the persons entitled thereto, having regard only to the claims of which they shall then have had notice. And notice is hereby further given that the said executors will not be liable for the assets, or any part thereof, so distributed to any person, of whose claim they shall not then have had notice.

Dated the thirty-first day of January, 1940.

MADDOCK, JAMIESON, & LONIE, of 136 and 138 Queen-street, Melbourne, proctors for the said executors. 3344

PURSUANT to the *Trustee Act 1928*, notice is hereby given that The Ballarat Trustees, Executors, and Agency Company Limited, whose registered office is situate at 101 Lydiard-street north, Ballarat, in the State of Victoria, the executor of the will of Ann Corey Jane Hedges, late of 103 Gregory-street, Ballarat aforesaid, widow, deceased (who died on the twelfth day of December, One thousand nine hundred and thirty-nine), intends to convey or distribute the real and personal property of the said deceased to or among the persons entitled thereto, and requires all persons and creditors interested to send to it, at its registered office, detailed particulars of their claims in respect of the said property, on or before the fifth day of April, One thousand nine hundred and forty. And notice is hereby given that after the said date the said executor will proceed to convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which it may then have had notice; and it will not be liable for the assets so conveyed or distributed to any person of whose claim it shall not then have had notice. 3348

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of Elizabeth Florence Waldoock, late of "Mundroola," Taggerty, in the State of Victoria, married woman, deceased (who died on the 11th day of November, 1939, and probate of whose will was granted by the Supreme Court of Victoria on the 26th day of January, 1940, to The Union Trustee Company of Australia Limited, of 333 Collins-street, Melbourne, in the said State, and William Thwaites, of Collins House, 360 Collins-street, Melbourne aforesaid, solicitor, hereinafter referred to as the said executors), are hereby required to send particulars, in writing, of such claims to the said executors, addressed to the office of the said company, at its above-mentioned address, on or before the 8th day of April, 1940, after which date the said executors will convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which the said executors shall then have had notice; and the said executors will not be liable to any person of whose claim they shall not have had notice as aforesaid.

Dated the 30th day of January, 1940.

MCCAY & THWAITES, 360 Collins-street, Melbourne, solicitors for the executors. 3367

PURSUANT to the provisions of the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of Edgar Joseph Raymond Farrell (also known as Raymond Cyril White and Raymond Cecil White), late of Walwa, in the State of Victoria, farmer, deceased (who died on the twelfth day of March, 1939, and probate of whose will was granted by the Supreme Court of the said State, in its probate jurisdiction, on the tenth day of October, 1939, to Hugh Patrick McKenzie-McHarg, of Walwa aforesaid, grazier), are hereby requested to send particulars, in writing, of such claims to the said Hugh Patrick McKenzie-McHarg, care of J. C. B. McKenzie-McHarg, solicitor, Sydney-street, Wodonga, on or before the third day of April, 1940, after which date the said Hugh Patrick McKenzie-McHarg will proceed to distribute the assets of the said deceased which shall have come into his hands amongst the persons entitled thereto, having regard only to the claims of which he shall then have notice. And notice is hereby given that the said Hugh Patrick McKenzie-McHarg will not be liable for the assets so distributed, or any part thereof, to any person of whose claim he shall not have had notice as aforesaid.

Dated this twenty-fifth day of January, 1940.

J. C. B. MCKENZIE-McHARG, LL.B., Sydney-street, Wodonga, and Dean-street, Albury, solicitor for the executor. 3368

PURSUANT to the *Trustee Act 1928*, notice is hereby given that all persons having claims against the estate of Elizabeth Holloway, late of Mepunga West, in the State of Victoria, widow, deceased (who died on the twenty-seventh day of September, One thousand nine hundred and thirty-nine, and probate of whose will was granted by the Supreme Court of Victoria, in its probate jurisdiction, on the thirtieth day of November, One thousand nine hundred and thirty-nine, to George Henry Holloway, of Mepunga West aforesaid, farmer), are required to send particulars, in writing, of such claims to the said executor, care of the under-mentioned solicitors, on or before the thirty-first day of March, One thousand nine hundred and forty, after which date the said executor will proceed to distribute the assets of the said Elizabeth Holloway, deceased, which shall have come to his hands or possession, amongst the persons entitled thereto, having regard only to the claims of which the said executor shall then have had notice. And notice is hereby further given that the said executor will not be liable for the assets so distributed, or any part thereof, to any person of whose claim the said executor shall not then have had notice as aforesaid.

Dated this 26th day of January, 1940.

MACKAY & TAYLOR, Kepler-street, Warrnambool, proctors for the said executor. 3355

CREDITORS, next of kin, and all others having claims against the estate of Robert James, late of 6 Jerrold-street, Footscray, in the State of Victoria, council employee, deceased, intestate (who died on the eighteenth day of September, 1939), are required to send particulars to the administratrix, Alice Maud James, care of the undersigned, on or before the twenty-eighth day of March, 1940, otherwise they may be excluded when the assets are being distributed.

Dated this twenty-fourth day of January, 1940.

W. H. JONES & KENNEDY, 305-7 Collins-street, Melbourne, proctors for the administratrix. 3364

MINING NOTICES.

TASMANIAN AMALGAMATED TIN MINES
NO LIABILITY.

NOTICE is hereby given that an Extraordinary Meeting of Tasmanian Amalgamated Tin Mines No Liability will be held at the registered office of the company, 374 Collins-street, Melbourne, on the fifteenth day of February, 1940, at Four o'clock in the afternoon, when the subjoined resolutions will be proposed:—

(a) That the rules and regulations be altered.
(N.B.—A draft of the proposed alterations has already been prepared by the company's solicitors and approved by the directors. Such draft may be inspected by shareholders at the registered office of the company.)

(b) That the capital of the company be increased from £50,000 to £75,000 by the creation of 100,000 new shares of 5s. each, in addition to the shares now existing in the company.

(c) That the directors of the company be and they are hereby authorized to allot, issue, or otherwise dispose of such 100,000 shares to such person or persons on such terms and conditions, at such price, and at such times as they think fit, with full power to issue and allot the same at a discount or by way of bonus or commission or for underwriting or for services rendered or otherwise.

(d) That each of the existing 10s. shares be divided into two 5s. shares, and that on each of 100,000 of the said shares resulting from such subdivision, and numbered 1 to 100,000 inclusive, the sum of 1s. 9d. shall be credited as paid up, and on each of 40,000 of such shares numbered 100,001 to 140,000 inclusive there shall be credited the sum of 5s. paid up thereon.

Dated this 30th day of January, 1940.

GRAEME STOBIE, Manager.

Arthur Phillips and Just, 472 Bourke-street, Melbourne, solicitors for the company. 3374

Dated this 26th day of January, 1940.

(L.S.) M. FINKELSTEIN, Director.

R. T. TREMBATH, Director.

ALFRED J. PHILLIPS, Manager.

Haden, Smith, and Fitchett, solicitors, 405 Collins-street, Melbourne. 3371

BRADSHAW GOLD MINES SYNDICATE NO LIABILITY.
INCREASE OF CAPITAL.

I, THE undersigned manager, hereby give notice that an increase in the capital of the above-named company was, on the twenty-fifth day of January, 1940, resolved on.

The mode adopted for the increase is, firstly by the subdivision of its existing two thousand five hundred paid up shares of Five pounds each into twenty-five thousand paid up shares of Ten shillings each, and secondly by the creation of fifteen thousand new shares of ten shillings each, in addition to the aforesaid twenty-five thousand shares, making the total capital Twenty thousand pounds in forty thousand shares of Ten shillings each.

Dated this thirtieth day of January, 1940.

3361 JOHN DITCHBURN, Manager.

Companies Act 1938.—Fifteenth Schedule, Part A.

CENTRAL AUSTRALIA OPTIONS NO LIABILITY.

I, THE undersigned, do hereby make application to register Central Australia Options No Liability as a no-liability company under the provisions of Part II. of the Companies Act 1938.

1. The name of the company is to be Central Australia Options No Liability.

2. The place of intended operations is at Tennant Creek, Central Australia.

3. The registered office of the company will be situated at 44 Queen-street, Melbourne.

A copy of the *Gazette* filed at each place for public reference.

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHT PENCE per line single column, and ONE SHILLING and FOUR PENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines as a heading.

On an average, eleven words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Six pence, posted Seven pence, each.

No GAZETTES prior to January, 1926, in stock.

***ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
