3. TERMS OF ENGAGEMENT.

(a) Subject to the limitations mentioned hereinafter and to the provisions of clause 6, the minimum weekly wage prescribed in clause 2 shall be paid, whether by salary and/or commission or otherwise, to a person covered by this Determination in respect of a week or part of a week in which he has been employed and has carried out his duties.

(b) If an employee fails to attend to his duty for any portion of a week in which he has been employed, a sum proportionate to the time of such non-attendance may be deducted from his pay, i.e., one-sixth of the weekly wage for each day of absence. Provided that this sub-clause shall not apply in any case where failure to attend to duty has been due to a cause for which the employee cannot reasonably be held responsible.

(c) An employee who has been in the service of an employer for not less than twelve months shall be entitled to payment when absent from duty through illness for not more than eight days in any one calendar year. Where an employee has been in the service of an employer for a period of less than twelve months he shall be entitled to payment when absent from duty through illness for a total number of days calculated *pro rata* on the basis of eight days for one year's service.

(d) An employee engaged for any portion of the week on work not subject to this Determination shall be paid, in respect of each day during which any work subject to this Determination is performed, a sum equal to one-sixth of the weekly amount fixed in this Determination as remuneration, plus 25 per cent. Provided that this sub-clause shall apply only when the employee is engaged by the same employer on all ordinary working days of the week.

4. EXPENSES AND ACCOMMODATION.

In addition to the remuneration payable under clause 2, all expenses actually and properly incurred by the traveller in the discharge of his duties shall be paid by the employer. First class hotel accommodation (as approved by the United Commercial Travellers Association of Australia) shall be allowed for or provided by the employer. Where rail travelling is necessarily involved first class rail ticket shall be allowed for or provided by the employer. Such expenses as can be reasonably anticipated shall be payable in advance.

5. LOCOMOTION.

All means of locomotion required shall be provided and maintained by the employer, but where a traveller by arrangement with his employer provides his own car, he shall be paid the following minimum allowances:—

(a) Town traveller employed solely in the Metropolitan District as defined in the Factories and Shops Acts:—

(1) For motor cars of 14 h.p. or under:—
£2 15s. per week. But where he is required to use his own car for a part of a week only, he shall be paid not less than 3½d. per mile provided that such payment shall not exceed 13s. 9d. for any one day or a total of £2 15s. for any one week.

(2) For motors cars exceeding 14 h.p.:—
£3 10s. per week. But where he is required to use his own car for a part of a week only, he shall be paid not less than 4½d. per mile, provided that such payment shall not exceed 17s. 6d. for any one day or a total of £3 10s. for any one week.

(b) Town traveller outside the Metropolitan District as so defined:—

(1) For motor cars of 14 h.p. or under:—

(c) Country traveller, £4 10s. per week, or at the rate of 3½d. per mile, whichever is the greater.

Provided that notwithstanding anything contained above the employer and the employee may make any other arrangement as to car or car allowance not less favorable to the employee.

6. ENGAGEMENT BY MORE THAN ONE EMPLOYER.

Any employer who employs a commercial traveller, which traveller is at the same time also in the employ of one or more than one other employer, shall be deemed to comply with

clauses 2, 4 and 5 of this Determination if and so long as the following provisions are observed:—

(1) that the said employer pays to the traveller a sum of not less than one-third part of the weekly amount fixed in this Determination as remuneration and expenses in respect of the work performed by such traveller.

(2) that the said employer has been notified in writing by the traveller that the total amount of remuneration and expenses to be received by him in respect of his employment by all his employers is not less than the weekly amount fixed in this Determination as remuneration and expenses in respect of the work performed by such traveller. Provided that where notice in writing as required in this paragraph has been furnished to an employer, such notice shall be considered to apply to the employment of the said traveller until countermanded in writing by him.

A written contract setting out the conditions of employment must in all cases be completed by the parties concerned and a signed copy of same retained by each for inspection.

For the purposes of this clause, the term "expenses" shall include all payments and allowances to which the employee is entitled under clauses 4 and 5 of this Determination.

The provisions contained in clause 3 as to deductions for absence from duty and payment for periods of illness shall apply to travellers whose employment is subject to this clause.

7. Crediting Travellers' Returns.

(i) All business canvassed for by a traveller and received by the employer as a result of such canvass from a territory worked by the traveller shall be credited to such traveller.

(ii) Where a special traveller is sent out to sell on the territory of a regular traveller, any sales by the special traveller shall be credited to the regular traveller.

8. Holidays.

All work done by any person covered by this Determination in soliciting orders at the request of the employer on Sunday, New Year's Day, Australia Day, Good Friday, Easter Monday, Labour Day, King's Birthday, Anzac Day, Christmas Day, or Boxing Day shall be paid for at the rate of double time, but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays the special rate shall be payable only on the day so substituted. For the purpose of this provision "double time" shall mean one day's wages, being 1/6th of the minimum weekly wage in addition to the prescribed weekly rate.

9. Annual Leave.

Two weeks' continuous annual leave on full pay shall be allowed to each traveller covered by this Determination after each twelve months' service with an employer or employers. The date of such annual leave shall be mutually arranged between the traveller and the employer or employers. For any subsequent period less than twelve months, should the service terminate, a pro rata payment in lieu of holidays shall be made. The "service" referred to in this clause need not necessarily be continuous.

10. Substitute Travellers.

In the case of accident, sickness, annual leave or holidays of a traveller a substitute traveller may be employed, and such substitute traveller whilst on such temporary work shall be exempt from the provisions of this Determination except clauses 4 and 5 thereof.

11. Termination of Employment.

One week's notice of termination of employment shall be given by either employer or employee, or one week's wages shall be paid or forfeited in lieu thereof.

Provided that notwithstanding anything in this clause an employer may at any time forthwith dismiss an employee for refusal or neglect to obey orders, misconduct, or carelessness in the performance of his duties.

If an employee be justifiably dismissed for any reason set out herein he shall be entitled to payment proportionate to the days worked but to that only.

12. Definitions.

For the purpose of this Determination the following definitions shall apply:—

"Town traveller" shall mean a commercial traveller who ordinarily returns each day to his home or headquarters

"Country traveller" shall mean a commercial traveller other than a "town traveller".

"Probationary" as applied to a traveller shall refer to a commercial traveller of less than twelve months experience.

"Special traveller" shall mean a salesman sent out as a commercial traveller and not in the company of a regular commercial traveller.

2. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Act—

(*a*) Without having given to the Trust two days prior to the commencement of the execution of such works—

(i) Notice in writing of his intention so to do, specifying the tenement in, on, or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day, except a public holiday or a Saturday or between the hours of 8 a.m. and 12 noon on any Saturday other than a public holiday) during which it is proposed to execute such works.

(ii) A complete specification, in writing, of the works proposed to be done, setting out the mode, form, strength, material, construction, dimensions, and arrangement of all pipes and other works intended to be used in the execution of such works.

(iii) A properly prepared plan drawn to a scale specified thereon of the premises in, on, or in respect of which it is proposed to execute the said works, showing thereon all buildings, erections, and structures on the said premises, and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

(*b*) Otherwise than during the time or times set out in the notice mentioned in sub-paragraph (i) of paragraph (*a*) of this clause.

(*c*) At any time save between the hours of 8 a.m. and 5 p.m. on any week day, except a public holiday or a Saturday, or between the hours of 8 a.m. and 12 noon on any Saturday, except a public holiday.

(*e*) Unless he is a plumber licensed by the Trust.

3. No person shall lay, construct, repair, or alter any private service, unless every service pipe forming part thereof for such portion of its length as lies in or on private property is laid and constructed in such manner that the same is at all points at a depth of not less than 10 inches below the surface of the ground, nor unless every such service pipe for such portion of its length as lies in or on any public street, lane, or right-of-way, or where it may be exposed to vehicular traffic is laid and constructed in such manner that the same is at all points at a depth of not less than 15 inches below the surface of the ground.

4. No person shall connect any lead pipe with any iron pipe, except with a brass union coupling.

5. No service pipe which supplies (for domestic purposes otherwise than by measure) water to any tenement shall have a bore exceeding ¾ inch. No service pipe which supplies by measure water to any tenement shall have a bore exceeding 1½ inch.

6. No person shall—

(*a*) lay, construct, or alter any private service, or any part thereof;

(*b*) erect or construct any building, erection, or structure,

in such place, position, or manner that the whole of such private service is not easily accessible for the purposes of inspection, repair, and renewal.

7. Every service pipe shall be sufficiently supported.

8. Every service pipe laid in an exposed situation shall be properly protected from risk or injury.

9. No service pipe shall be laid so as to pass into or through any sewer or drain, or any manhole connected therewith or into or through any ashpit or manure hole. No service pipe shall be laid or allowed to remain in contact with any foul soil. Where the laying of any such pipe through foul soil cannot be avoided such pipe shall be sufficiently protected from contact with such soil, either by being carried through an exterior cast-iron tube or by some other suitable means approved of by the Trust.

10. A suitable plugcock or a stopcock with the valve fixed to the spindle shall be provided on every outlet pipe of a storage cistern, other than an overflow pipe, as near to the cistern as practicable.

11. Every tap or cock on a service pipe shall be capable of resisting a pressure of at least 80 lb. to the square inch.

12. Every tap or cock shall be made of gunmetal or hard brass, or of other not less suitable metal or alloy, and shall be of sufficient strength and weight in every part.

13. Every ballcock shall be securely fixed to the cistern in connexion with which it is provided, and shall be supported independently of the inlet pipe, and in such a position that the body of the cock cannot become submerged.

14. Where a ballcock is so arranged as to discharge water by a silence pipe or otherwise into any cistern below the level of the outlet to the overflow pipe, means shall be taken to prevent the possibility of siphonage of water back into the main of the Trust.

15. No service pipe shall be directly connected with any pipe, cistern, butt, or other receptacle used or intended to be used for the conveyance or reception of any water other than water supplied by the Trust.

16. Every water-closet and urinal shall be provided with a proper flushing cistern.

17. No pipe, other than a flushing pipe leading from a proper flushing cistern, shall deliver water to the pan of any water-closet or to any urinal.

18. Every storage cistern shall be properly covered and ventilated and placed in such a position that the interior thereof may be readily inspected and cleansed.

19. The inlet pipe of every cold water cistern shall be provided with a ballcock.

20. No cistern shall be buried or sunk in the ground.

21. No storage cistern shall be placed in any position where the water in it would be liable to contamination from any water-closet or urinal.

22. No pipe shall be directly connected with any hot water apparatus, but every such apparatus shall be supplied from a storage cistern through an outlet at or not more than 2 inches above the bottom thereof. Such outlet shall be above the level of the inlet to the hot water apparatus, and the connecting pipe shall deliver water only to the hot water apparatus, and no other pipe shall draw water from the lower half of the storage cistern.

23. Every water inlet to a fixed bath or fixed lavatory basin shall be distinct from, and unconnected with, the outlet thereof, and shall be above the top water line of the basin or bath, and any outlet for emptying a fixed bath or fixed lavatory basin shall be provided with a watertight plug or valve.

24. Every overflow pipe provided in connexion with a cistern, bath, or lavatory basin shall be so fixed that its outlet, or the outlet of any waste pipe with which it communicates, shall be in an exposed and conspicuous position, where the discharge of any water may be readily directed and seen.

25. A flushing cistern provided in connexion with a water-closet shall be capable of giving a flush of not less than 2 gallons nor more than 4 gallons of water.

26. A flushing cistern provided in connexion with a water-closet or urinal shall be so contrived and maintained that water cannot flow down the flushing pipe, except whilst a flush is being properly delivered.

27. Every flushing pipe leading from the flushing cistern to the basin of a water-closet shall be of an internal diameter not less than 1¼ inch.

28. A flushing cistern provided in connexion with a urinal or group of urinals shall, where the outlet valve of the cistern is extended to be operated by hand, be capable of delivering a flush of not less than 1 gallon nor more than 4 gallons to such urinal or to each urinal in such group.

29. Every pipe or fitting within a building shall, so far as practicable, be so placed as to be readily accessible for examination and repair, and no pipe shall be embedded in brick, stone, mortar, plaster, or similar material, except where this is unavoidable, and then only if it is carried through an exterior cast-iron tube, or by some other suitable means approved by the Trust.

30. A draw-off tap shall be provided on the service pipe in every dwelling-house or separate tenement.

31. Every standpipe which is accessible to the occupants of more than one dwelling-house shall be provided with a self-closing or other suitable waste-preventing tap.

32. Every pipe supplying water to a watering trough for horses shall be provided with a proper ballcock, or some other equally suitable waste-preventing appliance, fixed in a separate compartment, and protected by means of a cover which can be locked by a removable key.

33. Every connexion of a lead pipe with any pipe, other than an iron pipe, shall be made by means of a watertight plumber's or wiped-solder joint, or by means of some other equally suitable and efficient watertight joint.

34. Every service pipe of cast-iron shall not be less than ⅝ inch in thickness, and shall be of a strength sufficient to withstand a pressure equal to at least twice the maximum head of water to which it will be liable to be subjected, and not less than 80 lb. to the square inch.

Part III.—Materials.

35. No person shall, for the purpose of conveying, delivering, receiving, or using the water supplied by the Trust, fix, fit, or use any pipe, tap, cock, cistern, hot water apparatus, bath, basin, closet, urinal, or fitting which shall not be in accordance with the requirements hereinafter set forth as shall be applicable to the circumstances of the case:

Provided that a person shall not be required under this By-law to alter or renew any pipe, fitting, apparatus, or thing existing and in use on any premises at the date when this By-law begins to apply to such premises, or to construct or provide any addition thereto, unless and until such pipe, fitting, apparatus, or thing is so defective, or in such condition or position, as to cause or be likely to cause waste, undue consumption, misuse, or contamination, or risk of contamination of the water supplied by the Trust.

(1) Subject to the provisions of clause 37 and sub-clause (*c*) of clause 44 hereof, the whole of the pipes, tees, thimbles (other than thimbles connecting the service pipes and mains), bends, reducing couplings, plugs, and the like shall be of best quality galvanized wrought-iron, copper, brass, lead, or fibrolite.

(2) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore, and (in the case of wrought-iron piping) properly galvanized throughout, and shall be of equal strength and thickness throughout the entire body of same.

(3) All ends of pipes (other than lead pipes) bends and the like shall be properly and truly threaded and capable of being screwed into thimbles, tees or fittings.

(4) All stop-cocks and bib-cocks shall be screw-down high pressure cocks, made of hard brass or gun-metal.

(5) The whole of the pipes and fittings shall be of the best quality and workmanship and shall be sound and free from all defects.

(6) All lead piping used pursuant to the provisions of Clause 37 and sub-clause (*c*) of Clause 44 hereof shall be of best quality new lead piping of the following weights:—

For piping ½-in. diameter, weight 6 lb. per yard.
For piping ¾-in. diameter, weight 9 lb. per yard.
For piping 1-in diameter, weight 14½ lb. per yard.
For piping 1¼-in. diameter, weight 22 lb. per yard.
For piping 1½-in. diameter, weight 30 lb. per yard.

(7) Every service pipe shall be not less than five-sixteenths of an inch in thickness and shall be of a strength sufficient to withstand a pressure equal to at least twice the maximum head of water to which it will be liable to be subjected and not less than eighty pounds to the square inch.

(8) In every screw-down tap or cock having a washer of soft material, the valve seating shall be raised.

(9) Every ball-cock shall be efficient; and

(*a*) the valve shall be provided with a washer of good rubber or other suitable material;
(*b*) the ball shall be of copper, not less than .022 of an inch in thickness when finished bright;
(*c*) the lever shall be of copper or other suitable metal or alloy;

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for , due ."

GEO. L. GOUDIE,
Commissioner of Public Works.

Melbourne, 8th May, 1940.

TENDERS FOR THE SERVICE, 1940-42.

REMOVAL OF DEAD BODIES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 24th May, 1940, from persons willing to undertake Removals of Dead Bodies to the Melbourne Morgue, as required by the several Departments of the Government of Victoria, from 1st July, 1940, to 30th June, 1942, in the Melbourne, Bourke, and South-eastern Districts, as per Schedule No. 2.

Printed forms of tender giving full particulars and list of places for which the service is required, are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Separate prices for removals must be stated for adults and for children as specified in the tender form.

Tenderers are required to state on the tender form—(*a*) the number and description of the vehicles that they have available to carry out the service; (*b*) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Tenders must be accompanied by a preliminary deposit of £3 for each sub-schedule tendered for, by marked cheque or bank draft payable to the order of the Secretary to the Tender Board; such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same, or in the event of the successful tenderer failing to complete the security and sign the contract within the prescribed period. Deposits will be returned to tenderers within ten days of acceptance of tenders, on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either by bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The lowest or any tender will not necessarily be accepted.

Tenders, endorsed "Tender for Removals only" must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Morgue, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police, as in the case of a removal by the Government Contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.

5. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, *zinc lined and water-tight*, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the *post-mortem* examination.

7. *Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.*

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

A. A. DUNSTAN,
Treasurer.

The Treasury,
Melbourne, 6th May, 1940.

PURCHASE AND REMOVAL OF RAGS.

TENDERS will be received until Eleven o'clock a.m. on Friday, 24th May, 1940, from persons willing to purchase Rags in such quantities as the contractor may be required to remove from the various Mental Hospitals and from the Penal Establishment at Pentridge, from 1st July, 1940, to 30th June, 1941.

Full particulars, forms of tender, and conditions of contract may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The rate tendered must be at per cwt., and for the whole quantity from all of the institutions enumerated in the conditions of contract.

It is necessary that tenderers should possess a Noxious Trade Licence.

A preliminary deposit of £10 by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board (private cheques will in no case be received), must accompany each tender, and the deposit lodged by the successful tenderer will be retained as security for the due fulfilment of the contract. The preliminary deposit will be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period. Deposits will be returned to unsuccessful tenderers within ten days of acceptance of tenders, on their application.

The contract must be signed within five days of acceptance of the tender, failing which the service may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The highest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, marked "Tender for Purchase of Rags," must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. Delivery of the Rags from Ararat, Ballarat, Beechworth, and Sunbury must be taken at Spencer-street Railway Station, and from Mont Park, Royal Park, Kew, and Pentridge at the respective institutions.

2. Bags, which must be returned by the contractor as soon as emptied, will be supplied by the institutions requiring the service.

3. The rags must be removed at such times as may be stated in the order issued to the contractor.

4. The contractor shall bear the cost of removing the rags, and of the return of the empty bags from and to Spencer-street, Mont Park, Royal Park, Kew, and Pentridge; railway freight from the institutions will be covered by a Stores and Transport consignment note issued by the institution concerned when forwarding the rags.

5. The contractor shall be duly notified of each consignment, and shall bear any cost that may be incurred for demurrage, or for any delay in taking delivery of the rags consigned.

6. In the event of the contractor failing to remove the rags at the times directed, the officer of the Department ordering the removal is hereby empowered to send them to any store in Melbourne, there to be stored at the contractor's risk and expense, and, on report to the Tender Board, the amount will be deducted from the security money or added to any account that may be payable by the contractor.

7. Payment is to be made on the net weight of the rags. No allowance will be made for any foreign material that may be mixed with them. All practical care will, however, be exercised to keep them free from such impurity.

8. The contractor must make payment within one month of delivery to the officer of the Department ordering the removal of the rags. In the event of payment not being made within the prescribed period, the amount outstanding will be deducted from the security money.

9. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

TENDERS FOR THE SERVICE, 1940-42.

FUNERALS OF DESTITUTE PERSONS
(METROPOLITAN.)

TENDERS will be received until Eleven o'clock a.m. on Friday, 24th May, 1940, from persons willing to undertake funerals of destitute persons to the New Melbourne Cemetery, Fawkner, the Necropolis, Springvale, and the cemeteries at Footscray or Williamstown, required by the several Departments of the Government of Victoria, from 1st July, 1940, to 30th June, 1942, in the Melbourne and metropolitan areas, as per Schedule No. 1.

Burials of deceased persons from police sub-districts north of the River Yarra will take place at the New Melbourne Cemetery, Fawkner; those from sub-districts south of the River Yarra, including burials from the Morgue, at the Necropolis, Springvale; and those from the Williamstown-Footscray sub-districts, at the Williamstown or Footscray cemeteries. Burials of deceased persons whose bodies have been removed to the Morgue from places north of the River Yarra and from places within the Williamstown-Footscray area, respectively, shall take place at the Necropolis, Springvale, and are included in sub-schedule A accordingly.

Printed forms of tender giving full particulars and lists of places for which the funerals are required are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Separate prices for ordinary funerals and for funerals under clause 6 of the conditions of contract must be stated (*a*) for adults, (*b*) for children above five years and under fourteen years of age, and (*c*) for children five years and under, including stillborn—one sum is to be stated for each, including interment, conveyance, railway charges, and all other charges.

Tenderers are required to state on the tender form—(*a*) the number and description of the vehicles that they have available to carry out the service; (*b*) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Tenders must be accompanied by a preliminary deposit of £3 for each sub-schedule tendered for, by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board; such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to complete the security and sign the contract within the prescribed period. Deposits will be returned to tenderers within ten days of acceptance of tenders, on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either by bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The lowest or any tender will not necessarily be accepted.

Tenders, endorsed "Tender for Funerals," must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act* 1928 (No. 3652), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; *but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.*

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail, unless directed otherwise by the police. Bodies to be buried at Williamstown or Footscray to be conveyed by road. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be *made of* 1-*in. white pine timber* covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. *In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, of timber* 1 *inch in thickness, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor.*

7. Bodies of deceased persons, *with the exception of those provided for under clause* 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the River Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

ANNUAL LEAVE.

(19) (*a*) Employees continuously employed as hereinafter defined shall in each year commencing with the year 1940 be allowed a holiday at the option of each employer as follows :—

(i) provided the employee is not required to work on any day between Christmas Day and New Year's Day (both inclusive) the holiday may be from the day observed as Boxing Day to the 31st day of December inclusive and the employer shall pay wages for ordinary working days included in that period; but, otherwise,

(ii) a week's holiday on full pay at some other time during the year. If the employee leave or be dismissed from employment after becoming entitled to such holiday and before receiving same he shall be paid an extra week's wages on such leaving or dismissal.

Provided that where an employee is employed in an employer's industry with respect to which a determination of any other Wages Board provides for annual leave with pay the employer may grant such employee a holiday in accordance with the provisions of such determination instead of under this Determination and this Determination shall be read as if the provisions of such determination had been expressly included herein as an alternative to sub-paragraphs (i) and (ii) hereof.

(*b*) "Continuously employed" for the purposes of this clause means employed (breaks arising from slackening of work being reckoned as being employed) for the period of twelve months immediately preceding the 25th day of each December except December, 1939. If any employee leaves or is dismissed during any such period he shall be given or paid for holidays *pro rata* in accordance with the length of service in such period, viz., one day for each two months of service and for this purpose the first period shall commence to run on the 25th day of December, 1939.

(*c*) If the business be sold or transferred during any such period the right of an employee to a holiday shall not be affected by such sale or transfer if he continues in the employment of the business.

ANNUAL LEAVE FOR MILK CARTERS, SANITARY EMPLOYEES, STABLEMEN, AND OTHERS.

(20) A milk carter, sanitary employee, stableman or other employee shall, if generally required to work seven days in the week, be allowed one week's holiday on full pay at the expiration of each twelve months' service. If an employee leaves or is dismissed before the expiration of twelve months, he shall be given or paid for holidays *pro rata* in accordance with the length of service, viz., one day for each two months of service. If the business be sold or transferred during the period of service, the employee shall be entitled to the week's holiday at the conclusion of twelve months' service with the firm or business.

MEAL TIMES.

(21) (*a*) Except as otherwise provided in this clause, on all days except Saturday and on Saturday if he so desires in the case of an employee required to continue working after 2 p.m., each employee not working on shift shall be allowed a break of one hour without pay as a meal time to begin not earlier than 11.30 a.m. nor later than 1.30 p.m.

If the break be not so allowed all time worked after 1.30 p.m. until a break of one hour without pay for a meal time is allowed shall be paid for at the rate of ordinary time, the payment to be in addition to any payment due in respect of a weekly or casual wage.

(*b*) Except as otherwise provided in this clause no employee shall be required to work for longer than 5½ hours without a break for a meal time of one hour, or half an hour in the case of an evening meal without pay, but this sub-clause shall not apply to the driver of a retail milk vehicle working in the early morning.

All time worked over 5½ hours until such a break is allowed shall be paid for at the rate of ordinary time, the payment to be in addition to any payment due in respect of a weekly or casual wage.

This sub-clause shall not apply to the evening meal time in the case of any employee returning to the yard or depot after the conclusion of any journey or delivery where such employee ceases work not later than 7 p.m., Monday to Friday inclusive, and 1.30 p.m. on Saturday.

(*c*) In the case of any employee of the Melbourne and Metropolitan Board of Works breaks may be of 45 minutes instead of one hour.

(*d*) Where an employee is required otherwise than because of his own default or delay to continue working after 6 p.m. without having been informed in some way on the preceding working day that he will be so required he shall be allowed 1s. 6d. as tea money.

An employee who is notified under this sub-clause that he will be required to continue working, but who is not so required to continue working, shall be paid the prescribed tea money.

This sub-clause shall not apply in the case of any employee returning to the yard or depot after the conclusion of any journey or delivery where such employee ceases work not later than 7 p.m.

The obligation to pay ordinary time under this clause in addition to weekly or other wages and overtime under any other clause of this Determination shall not be cumulative, but the employee in cases coming within this clause (21) shall be entitled only to the higher payment.

THE CONTRACT OF EMPLOYMENT.

(22) Where an employee is usually employed without any express undertaking to employ him for at least one week his employment shall be deemed to be that of a casual employee, but in all other cases where an employee is not in express terms engaged as a casual employee, he shall be deemed to be, and be employed as a weekly employee.

The following shall be the terms and conditions of weekly employment :—

(*a*) The engagement shall not be determined on either side, except upon one week's notice, which may be given at any time but an employer may pay one week's wages in lieu of giving such notice.

(*b*) Where a notice is given by an employer purporting to expire within the week next preceding Christmas Day or Good Friday, but the employer expressly or impliedly allows the employee to believe that he is to resume work not later than one week after New Year's Day or Easter Monday as the case may be, such notice shall have no effect, and the engagement shall be deemed to have continued unaffected by such notice.

(*c*) A weekly employee shall not be changed to a casual employee within the week next preceding Christmas Day or Good Friday.

(*d*) Notice to determine the engagement which is given every week or otherwise in such manner that the employee is not able to know with certainty a week before a particular date whether his engagement will or will not be determined by the employer upon that date shall not be deemed a valid notice unless given during a general or shipping or coal strike.

PART I.—(continued).

(This Part applies to all persons other than those employed (i) as Wharf Draggers (ii) by Retail Dairymen or (iii) in connexion with the distribution of petrol and petroleum products).

(*e*) Subject to sub-clause (*f*) hereof an employee to become entitled to payment of the weekly wage prescribed by this Determination is to be available, ready, and willing to perform such work as the employer shall from time to time require on the day and during the hours usually worked by the class of employee comprising him, but any employee so available ready and willing to work for the whole week and not justifiably dismissed for any reason set out in sub-clause (*h*) of this clause shall be entitled to a full week's wage.

(*f*) Where an employee becomes disabled by sickness of himself, proof of which is given to the employer by medical certificate or other satisfactory evidence within twenty-four hours of the beginning of the employee's consequential absence, he shall on account thereof be entitled without deduction of pay to absent himself from work for one day in each quarter or for a proportionate aggregate in a longer period, but not exceeding one of four days in any year of the employment.

Provided that where an employee is in the service of an employer for a year and has had no sick pay in such year as prescribed and such employee continues in such service he shall not, if he becomes disabled as previously mentioned during the ensuing year, be entitled to absent himself without deduction of pay for more than four days in such ensuing year, but the number of days in any quarter or other longer period as aforesaid in such ensuing year on which he shall be entitled to so absent himself shall be increased within such quarter or period until the total number of days amount to four.

For the purposes of this sub-clause "year" shall mean each succeeding period from the 1st day of November to the 31st day of October inclusive.

In computing the time to be taken as worked by a weekly employee during a week containing any day of such absence to which he is entitled by this sub-clause without deduction of pay, if the day be other than a Saturday, 8 hours 48 minutes, and if the day be a Saturday, 4 hours shall in respect of the day be added as if actually worked to the amount of time actually worked by the employee during the other working days of the week.

(*g*) Subject to sub-clause (*f*) hereof and to the provisions of this Determination as to holidays, if an employee absents himself from work his employer shall be entitled to deduct from his week's wages an amount corresponding with the period of absence.

(*h*) Notwithstanding anything elsewhere in this clause contained an employer may at any time forthwith dismiss an employee for refusal or neglect to obey orders, misconduct, or carelessness in the performance of his duties, or if after receiving one week's notice of determination of engagement he does not carry out his duties in the same manner as before such notice.

(*i*) If an employee be justifiably dismissed for any reason set out in the sub-clause (*h*) hereof he shall be entitled to payment proportionate to the time worked, but to that only.

(*j*) Should any employee be dismissed during the course of a week, any wages due to him under this Determination shall be paid to him forthwith.

JUNIORS NOT TO BE EMPLOYED IN CERTAIN CASES.

NOTE.—All piece-work prices shall be calculated on the basis of articles "Good from hand."

In this Determination the expression "Good from hand" shall mean free from maker's faults at the time the articles are approved by and taken possession of by the employer prior to burning.

PIECE-WORK WHICH MAY BE FIXED BY AN EMPLOYER.

(10) The Board determines, under the provisions of Section 150 of the *Factories and Shops Act* 1928 (No. 3677), that any employer may fix and pay piece-work prices to any person employed *in the glazed pipes and salt-glazed ware, general pottery, tile, and terra-cotta sections of the trade at work for which piece-work prices have not been specified above*, provided that any such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

(11) PERIODICAL ADJUSTMENT OF WAGES.—The wages rates for males set out in clause 2 are based upon the following basic wage, and pursuant to and in accordance with the provisions of section 21 of the *Factories and Shops Act* 1934, the Board hereby determines that such rates shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that proportionate adjustments to the rates for females, and for apprentices and improvers, and to the piece-work prices shall be made at the same time as follows :—

(*a*) The rates for females and for apprentices and improvers to the nearest 3d., half or less than half of 3d. to be disregarded.

(*b*) The piece-work prices as set out in clause 9 to the nearest farthing.
