COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the thirteenth day of May, 1940.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Bailey Sir John Harris.

DECLARATION OF A DEVIATION FROM THE DEDERANG ROAD IN THE SHIRE OF YACKANDANDAH.

WHEREAS by section 58 of the *Country Roads Act 1928* (No. 3602) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has by Resolution declared a deviation to be a main road the said Board may also declare that such deviation shall be lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a main road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a main road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the said existing road shall be discontinued: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for the Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Country Roads Act 1928* for the purpose of constructing such road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the said Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a main road within the meaning and for the purposes of the *Country Roads Act 1928*: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto, and that such part of the said existing road shall be discontinued.

Department of Lands and Survey,
Melbourne, 10th May, 1940.

A. E. LIND,
Commissioner of Crown Lands and Survey.

LIST OF CROWN LANDS AVAILABLE.

THE under-mentioned areas are available for application as provided by various sections of the *Land Act 1928*, and all applications received on or before Wednesday, 26th June, 1940, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board.

Applications on proper form, accompanied by 5s. duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria. Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. When an applicant is granted an allotment he may, if travelling by rail, obtain reduced fares for his family and also freight concessions in regard to some of his effects.

Subject to the approval of the Minister, when the survey fee exceeds £10, a deposit of £5 may be paid, and the balance over six years in half-yearly instalments.

Marked plans of any particular area, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officer, Geelong.

Department of Crown Lands and Survey,
Melbourne, 15th May, 1940.

A. E. LIND,
Commissioner of Crown Lands and Survey.

SHIRE OF VIOLET TOWN.

BY-LAW No. 5.

A By-law of the Shire of Violet Town made under section 197, sub-sections (xx) and (xxvii) of the *Local Government Act 1928* (No. 3720), and numbered Five, for prohibiting or regulating the use on any public highway within the Shire of Violet Town of traction engines or other vehicles having projections on their wheels, and under section 647 of the said Act for regulating the conditions on which traction engines may proceed over any public highway within the said shire.

IN pursuance of the powers conferred by the *Local Government Act 1928*, the President, Councillors, and Rate-payers of the Shire of Violet Town order as follows:—

Bars, Spikes, Grips, or other Projections on Wheels.

1. No person shall use or cause or procure any other person to use on any public highway any traction engine or other vehicle having on its wheels any bars, spikes, grips, or other projections.

This prohibition, however, shall not apply to—

(a) Any traction engine used only for hauling agricultural machinery, or hauling a vehicle containing such machinery only, if the projections on the driving wheels of such machine consist only of bars at least 2½ inches in width and not more than 1 1/16 inch in thickness and the space intervening between such bars does not exceed 5 inches; or

(b) Any traction engine, the driving wheels of which are cylindrical and smooth soled, and having no projections thereon other than diagonal bars of not less than 3 inches in width, nor more than ½ inch in thickness and extending the full width of the tyre, and the space intervening between such cross bars not exceeding 3 inches, provided in such last-mentioned case—

(i) That the owner of such engine has previously obtained from the Council or an officer of

the Council duly authorized in that behalf a permit, in writing, specifying the public highways on which it may be used and that the engine is being used on one of the highways so specified.

- (ii) That the owner has agreed, in writing, to pay the Council the cost of making good any damage to any roadway, bridge, or culvert by such engine or any vehicle drawn by it.
- (iii) That the loading of any vehicle drawn by such engine does not exceed 9 tons in weight including the weight of such vehicle.
- (iv) That the weight carried by any vehicle drawn by such engine (including the weight of such vehicle) does not exceed 3 cwt. for each half inch of bearing surface of the tyre or felloe of each wheel of such vehicle.

Weight of Engine, &c., to be Painted thereon.

2. Every owner of a traction engine shall cause to be painted in legible letters not less than 1 inch long on a plate attached to the engine or on a conspicuous place on the engine the exact and true weight thereof and the maximum weight of water and fuel necessary for its propulsion.

Person to be in Attendance whilst Engine contains in itself sufficient Motive Power to move it.

3. So long as the fires of a traction engine are alight or the traction engine contains in itself sufficient motive power to use it one person shall remain in attendance whilst it is on any public highway although such engine is stationary.

Taking Engine across or along Bridges, Embankments, &c.

4. No person shall take any traction engine across or along any bridge, culvert, or embankment so as to meet thereon any other traction engine or any person with a horse or vehicle drawn by a horse.

Engines not to Halt on certain Parts of Highway.

5. No person shall halt (unless through unforeseen circumstances or unless actually loading or unloading) in any part of a road where the traffic is narrowed by fences, excavations, embankments, dangerous depressions, or such like but shall draw off at least 20 feet from the middle of the formation in the case of a made road or the middle of the surveyed road if unmade.

Engines not to Halt on Bridges or Culverts.

6. No person shall permit any traction engine or any vehicle attached to or drawn thereby to stop on any bridge or culvert for the purpose of drawing water or for any other purpose whatever.

Driving Engine between Sunset and Sunrise.

7. No person shall drive any traction engine between sunset and sunrise unless by written permission of the Council or an officer of the Council duly authorized in that behalf defining the route to be travelled and the extended hours during which such travelling is permissible, such permission to be withdrawable at any time upon written notice to that effect being served on the owner or driver of the engine or being forwarded to him by registered letter.

No person who has received such written permission shall drive any traction engine between sunset and sunrise unless there shall be exhibited on such engine proper or sufficient carriage or other approved lights, one at each side on the front and one on the rear, or when a vehicle or vehicles are being drawn by such engine then on the rearmost vehicle.

Skidding of Wheels of Engine.

8. The driver of a traction engine shall shut off steam immediately the driving wheels of the engine commence to skid and he shall not start the engine again until he has taken all the necessary and proper means to prevent damage being done to the highway by the skidding of the wheels.

Penalties.

9. Any person shall for wilful act or default contrary to this By-law be liable to the following penalty:—

- (a) For the first offence a fine not exceeding Three pounds.
- (b) For the second offence a fine not exceeding Five pounds.
- (c) For any subsequent offence a fine not exceeding Ten pounds.
