HOURS OF EMPLOYMENT.

(5) With the exceptions herein set out the ordinary hours of employment shall be 44 per week, to be worked in five days of 8 hours and one day (Saturday) of 4 hours, or five days of 8 hours 48 minutes each, continuously except for meal hour breaks at the discretion of the employer between 7 a.m. and 5.30 p.m. on Monday to Friday inclusive, and 7 a.m. to 12 noon on Saturday:

Provided that the spread of hours herein prescribed may be altered by mutual agreement between an employer and his employees.

By agreement between any employer and his employees ordinary hours may be worked on the basis of 98 per fortnight with one week of 40 and one of 48 hours.

Exception.

Employees working in country towns where Wednesday afternoon is recognized as the usual half working day of the week shall work on Saturday afternoon at ordinary rates:

Provided that for work done after 12 noon on a Wednesday overtime rates be paid.

SHIFT WORK.

Continuous Work Shifts.

(6) (a) For the purposes of this clause, the expression "Continuous Work" means work carried on with consecutive shifts of men throughout the 24 hours of each of at least six consecutive days without interruption except during breakdowns or meal breaks (if any).

(b) Employees working on continuous work shifts shall work thereon such number of shifts up to six per week as may be required; no such shift to exceed 8 hours inclusive of meal breaks (if any) nor to be discontinuous except for meal breaks (if any).

(c) The ordinary hours of actual work or duty exclusive of meal breaks off duty (if any) of employees working on continuous work shifts shall not exceed:—

- (i) 8 in any one day; nor
- (ii) 48 in any one week; nor
- (iii) an average of 44 per week during the period of employment upon such shifts; nor
- (iv) such average reduced to 43 hours 5 minutes if such shifts include Sunday shifts; nor
- (v) a total of 176 hours during any four weeks of the period of employment upon such shifts; nor
- (vi) such total reduced to 172 hours 20 minutes during any such four weeks if such shifts include Sunday shifts:

Provided that such average and total shall not be so reduced to 43 hours 5 minutes and 172 hours 20 minutes if the employees on such shifts are for each ordinary hour worked thereon by them paid in the case of weekly employees at the rate of one forty-third (1/43) of the prescribed weekly wage, and in the case of hourly employees, at the rate of forty-four forty-thirds (44/43) of the prescribed rate for such employees which payments the employer shall have the option of making; nor shall they be so reduced if, in addition to other holidays (if any) to be given under this Determination to such employees, such employees are given in each year one week's holiday on full pay, which week's holiday the employer shall have the option of giving.

(d) For all time of duty outside the limits of the ordinary hours prescribed in sub-clause (c) hereof, an employee on continuous work shift shall be paid at double rates. But this shall not apply to arrangements between employees themselves or in cases due to rotation of shift, or when the relief does not come on duty at the proper time:

Provided that where not less than eight hours' notice has been given to the employer by the employee that he will be absent from work, and the employee whom he should relieve is not relieved, such unrelieved employee shall be paid time and a half for all time of duty after he has finished his ordinary shift.

(e) Employees on continuous work shifts, working afternoon and night shifts, shall be paid 5 per cent. more than ordinary rates for such shifts.

(f) Employees on continuous work shifts, working any Sunday or holiday shift, shall be paid at the rate of time and a half for such shift.

*Shift Work in other than Continuous Work.*

(g) In shift work, not upon continuous work as herein defined, any afternoon or night shift which does not continue for five successive working nights or more in a five-day workshop, or six successive working nights or more in a six-day workshop, shall be paid for at the rate of time and a half.

(h) Except as hereinafter provided for any afternoon or night shift which has been in operation for five nights or more and less than one month 10 per cent. more than ordinary rates shall be paid, and after such shifts have continued for more than one month 7½ per cent. more than ordinary rates shall be paid.

(i) On ship repair work shifts may be worked for not less than three successive nights at the rate of time and a quarter, but when five or more successive night shifts have been worked the rate shall be 10 per cent. more than ordinary rates, and after such shifts have continued for more than one month 7½ per cent. more than ordinary rates.

(j) Shift workers shall be paid overtime at the rate of time and a half for the first 4 hours and double time thereafter for all time worked in excess of shift hours.

(i) Employees who, during a period of engagement, work only on night shifts shall be paid at the rate of time and a quarter.

(ii) When employees are called on to work afternoon and night shifts only they shall change over week and week about, and shall be paid 10 per cent. above ordinary rates for both shifts.

Where men work day and afternoon shifts only they shall change over week and week about, and shall be paid 10 per cent extra for afternoon shifts.

## MIXED FUNCTIONS.

(7) An employee engaged for more than half of one day or shift on duties carrying a higher rate than his ordinary classification shall be paid the higher rate for such day or shift. If for less than half of one day or shift he shall be paid the higher rate for the time so worked.

## OVERTIME.

(8) (a) For all work done outside ordinary hours the rates of wage shall be time and a half for the first 4 hours and double time thereafter, such double time to continue to be paid until an employee has been relieved from work for at least 8 hours:

Provided that an employee shall not be entitled to payment for such rest period.

(b) Except as provided above in computing overtime each day's work shall stand alone.

(c) An employee recalled after leaving his workshop to work overtime shall be paid for a minimum of three hours' work at the appropriate rate.

(d) An employee occasionally required to hold himself in readiness to work after ordinary hours shall until released be paid standing-by time at ordinary rates from the time from which he is so to hold himself in readiness. But any custom now prevailing under which an employee is required regularly to hold himself in readiness for a call back shall continue.

(e) An employee (other than on shift) who has worked up to or beyond midnight shall not be bound to continue work on the following day.

(f) As far as practicable employees shall not work overtime while competent labour is available.

(g) For work done during meal hours and thereafter until a meal-hour break is allowed time and a half rates shall be paid. An employee shall not be compelled to work for more than six hours without a break for a meal.

(h) An employee working overtime shall be allowed a crib time of twenty minutes without deduction of pay after each 4 hours of work, but this provision shall not prevent any arrangement being made for the taking of a longer meal period without pay.

(i) Before starting overtime after working ordinary hours a meal break of at least 45 minutes shall be allowed, unless the period of overtime is less than one and a half hours.

An employer and his employee may mutually agree to any variation of this sub-clause to meet the circumstances of the work in hand.

(j) An employee required to work overtime for more than two hours without being notified the day before that he will be so required to work, shall either be supplied with a meal by the employer or paid 1s. 6d., or if work extends into a second meal hour 2s. 6d. for the two meals, but such payment need not be made to employees living in the same locality as their work-shop who can reasonably return home for meals.

If an employee pursuant to notice has provided a meal or meals and is not required to work overtime he shall be paid for each meal so provided.

(k) Subject to the provisions of the second part of the sub-clause (g) of this clause an employee shall work during meal breaks at the ordinary rates herein prescribed whenever instructed so to do for the purpose of making good break-downs of plant or upon routine maintenance of plant which can only be done while such plant is idle.

(l) When an employee working overtime finishes work at a time when reasonable means of transport is not available, the employer shall provide him with a conveyance or pay him his current wage for the time occupied in reaching his home.

*Exceptions.*

By agreement between any employer and his employees, other holidays may be substituted for the said days or any of them as to such employer's undertaking.

(b) Employees not engaged in continuous work shall be paid at the rate of double ordinary time for work done on Sundays and public holidays, such double time to continue until the employee has been relieved from duty for at least 8 hours:

Provided that the employee shall not be paid for the time he is resting:

Provided that employees engaged in repairs to or renewals of their employer's plant and machinery necessary for resumption of work the next following working day or for maintaining the continuity of electric light and power (not including the installation of new machinery) shall on holidays or Sundays be paid at the rate of time and a half.

## PIECEWORK RATES.

(10) Subject to the minimum wages herein prescribed an employer may remunerate any of his employees under any system of payment by results.

A contract for weekly employment may be terminated by any employer, without liability to pay for more than time actually worked, for misconduct or for absence from work without reasonable excuse.

If an employee engaged by the week absents himself from duty, except on public holidays or for days for which he produces a certificate from a medical practitioner or other proof satisfactory to his employer of sickness (aggregating four days' sickness in each year), a sum proportionate to his time of absence may be deducted from his pay, i.e., one-sixth of the weekly wage for each day of absence, including Saturday in shops working six days and one-fifth in shops working five days per week:

Provided that only time actually lost shall be deducted when an employee is absent with leave on a Saturday.

(b) If the contract of employment is for hourly hiring, the total amount of the rates prescribed in clause (4) hereof shall be increased by 3s. per week (with a proportionate amount added to the wages of juniors), but such amount shall not be taken into account in computing overtime, Sunday, and holiday rates.

(c) Casual employees, i.e., employees for whom a full week's work is not provided, shall for any such work be paid 10 per cent. in addition to the total wage prescribed for their occupations.

(b) Annual leave shall be given at a time fixed by the employer within a period not exceeding six months from the date when the right to annual leave accrued, and after not less than one week's notice to the employee, provided that the giving of annual leave may, with the consent of the Secretary for Labour, be postponed for a period to be specified in cases where the exigencies of the war render it impracticable to give it within the said period of six months.

(c) An employee may allow annual leave to an employee before the right thereto has accrued due, but where leave is taken in such a case, a further period of annual leave shall not commence to accrue until after the expiration of the twelve months in respect of which annual leave had been taken before it accrued.

(e) Each employee before going on leave shall be paid a week's wage: For the purpose of this sub-clause and sub-clause (d) hereof the week's wage shall be at the rate prescribed by clauses (2) to (4) inclusive of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment, as the case may be, including in the case of leading hands the additional allowance prescribed by clause (16) of the said Determination, but not including any other special rates prescribed by this Determination and including, in the case of employees whose employment is by the hour, the loading prescribed by sub-clause (b) of clause (13) of the said Determination. Payment in the case of employees employed on piece or bonus work or any other system of payment by results shall be at time rates.

(f) The annual leave provided for by this clause shall be allowed and shall be taken, and except as provided by sub-clause (d) thereof, payment shall not be made or accepted in lieu of annual leave.

(i) any interruption or determination of the employment by the employer, if such interruption or determination has been made merely with the intention of avoiding obligations hereunder in respect of leave of absence;

(ii) any absence from work on account of sickness or accident or military service, and in calculating the period of twelve months' continuous service absence on account of sickness or accident to the extent of fourteen days' in any twelve months shall be deemed to be part of the period of continuous service;

(iii) any termination of employment by the employee if such termination has been made merely with the intention of preventing the operation of sub-clause (g) hereof.

(k) Except as provided by sub-clause (g) hereof the annual leave prescribed by this clause shall be exclusive of any of the holidays prescribed by this Determination, and if any such holiday falls within an employee's period of annual leave, there shall be added to that period one day for each such holiday falling as aforesaid.

Contingencies, 1941-42

Approved—A. E. LIND, for Treasurer. 17.6.1941.

## CONDITIONS OF CONTRACT FOR PROVISIONS, 1941-42, ETC.

(Published in the *Victoria Government Gazette*, of 23rd April, 1941, pages 1633 and 1634.)

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Health Acts, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 6 miles from the Elizabeth-street Post Office, with the exception of places for which separate contracts are provided; the Ararat, Ballarat, Beechworth, and Sunbury Districts will include the Mental Hospitals, Gaols, and Police Gaols at those places; and the Castlemaine District will include the Gaol. The Geelong District embraces a radius of 2 miles from the Geelong Post Office. Delivery must be made at the places, institutions, &c., named in the schedules, or as directed by the officer ordering the supply.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the rate tendered, except butter boxes and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for; the empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him, and shall be delivered as may be directed by the officer ordering the supply.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, who shall render his account as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. Where practicable, the contractor shall use the Railways for the transport of the goods. When a contractor is required to make delivery of goods at a railway station for transmission by rail, except for Commonwealth Departments, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in the triplicate and quadruplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Office. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be forwarded to the consignee and the quintuplicate retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 13 of these conditions.

10. Orders must receive prompt execution; in the event of the goods not being delivered at the time mentioned in the order or within such other time as the officer ordering the supply may specify for delivery, it will be competent for such officer, or the head of the Department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his Department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the person to whom the rations or stores are due or by the contractor in waiting for a Board to survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which it, or any like supply suitable for the Service, will be obtained by the officer requiring it as in clause 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which it, or any like supply suitable for the Service, will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Mental Hospitals, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being, such appeal to be made in writing within 24 hours of the rejection: but, pending such appeal, he must at once supply others of approved quality; failing which, the supplies required, or any like supplies suitable for the Service, may be obtained by the officer concerned, and the expense charged as in clause 10.

17. In the case of supplies for Mental Hospitals, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government. *If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual—then the Treasurer may, on the recommendation of the Tender Board, determine the contract, and forfeit the security money.*

20. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contract entered into under these conditions is not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat; or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. Notwithstanding anything contained to the contrary in section 152 of the *Customs Act 1901-36*, it is hereby expressly provided that upon any alteration of the duty collected affecting the goods included in this contract, the contract price shall not be altered, and the contract may be terminated at the option of either party by two months' notice in writing from the first day of the calendar month next ensuing, and within the period for which the contract is made. The

contract for the unaffected items shall remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter to his last-known place of business or abode.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word "Government" shall mean the Government of the State of Victoria; and the word "Treasurer" shall mean the Treasurer of the said State.

## STIPULATIONS FOR SUPPLIES OF PROVISIONS.

### SUPPLIES GENERALLY.

For supplies under all sub-schedules, particular attention is drawn to clause 1 of the Conditions of Contract as to quality. No sub-letting is allowed, and all work must be carried out by the contractor.

Where practicable, all items must be manufactured or prepared within the Commonwealth.

Where no brand of Commonwealth manufacture or production is specifically set out in the respective sub-schedules, such Commonwealth brand as may be ordered must be supplied.

For Schedule No. 3 supplies must be delivered when ordered and, in cases of emergency, on Sundays, holidays, or half-holidays, as required.

### BREAD AND FLOUR.

A sample of the best ordinarily retailed to the public will be considered as a test loaf for first quality for fine wheaten and pure wheaten Meal Bread. *Pure wheaten Meal Bread of first quality may be substituted, wholly or in part, for fine wheaten Bread at such times and in such quantities as, in the opinion of the Medical Superintendent, may be deemed necessary, and the contractor will be required to supply such Bread at the contract rate. Reasonable notice, however, of the intention to substitute wheaten Meal Bread must be given to the contractor by the officer ordering the supply.* Bread may be baked at any Government establishment without infringing these contracts. At the Gaols, Ballarat, Beechworth, Geelong, Castlemaine, and Sale, and the Coorimungle Prison Camp, if required, bread must be supplied one day old, due notice to be given to the contractor of such requirement.

In the event of bread being made at any Government establishment in the Melbourne District during the currency of these contracts, the flour required will be drawn under the flour and sharps sub-schedule. The sharps for all the country gaols is included in the sub-schedule for flour and sharps, Melbourne District, and delivery of same will be required to be made f.o.r. Melbourne.

Flour for Districts for which no local contracts have been taken may be ordered under the Melbourne District contract, for delivery f.o.r. Melbourne.

### GROCERIES.

As a guarantee of quality, Rice, when ordered in quantities of 56 lb. and over, must be supplied in original bags as delivered by the miller or dresser. Such bags must be branded "Rice, Dressed" or "Unpolished," and shall also have stencilled thereon the miller or dresser's name and the distinguishing mark indicative of the quality or grade. The bags thus stencilled shall contain Rice milled or dressed by the miller or dresser whose name appears thereon. Supplies not in conformity with the foregoing condition will be rejected.

Oatmeal must be supplied in original bags as delivered by millers.

Candles, except those for prison cells, must be supplied in 1-lb. packets. Candles for prison cells must be delivered in boxes containing from 25 to 50 lb. per box, the boxes for which must be legibly stencilled on one end showing the estimated burning time and the gross, tare, and net weight of contents.

The soap supplied must be hard throughout, ready for immediate use without waste, and shall have been manufactured at least seven weeks before leaving contractor's hands. When the quantity admits, Tea must be supplied in original and unopened packages, labelled, as landed.

Raisins and currants must be present season's, and where the quantity admits, be supplied in original and unopened boxes, labelled as packed.

For Schedule No. 3 a certain quantity of Biscuits and Preserved Meats are sometimes required in lieu of fresh bread and fresh meat, and are included to meet such contingency only.

### OATMEAL, RICE, SEED TAPIOCA, ETC.

Supplies of these items for Districts for which no local contracts have been taken may be ordered under the Melbourne District contract, for delivery f.o.r. Melbourne.

### BUTTER, CHEESE, AND JAMS.

Butter is to be delivered to the s.s. *Rip* in 1-lb. pats, in such quantities as may be ordered, and no excess over the quantity ordered will be received.

All supplies of 56 lb. or multiples of 56 lb. must be supplied in boxes as originally packed. The boxes must bear the impress stamp of the creamery where the butter is produced; otherwise it will not be accepted. All supplies must be in new boxes.

Where the Store or Butter Factory of the Contractor is situated in the Metropolitan area all Butter to the quantity of 56 lb. and over to be supplied in any one consignment under this contract shall before despatch from the Store or Factory be first examined and passed by the Government Butter Grader, for and on behalf of the officer authorized to accept delivery. The boxes containing butter so examined and found satisfactory in quality and description will be stamped by the Government Butter Grader and the date of such examination marked thereon. No butter from a contractor located in the Metropolitan Area will be accepted unless the boxes bear the stamp of the Grader. For the purposes of the foregoing condition the Metropolitan Area is defined as being not outside the radius visited by the Government Grader. The officer authorized to accept delivery may, within 48 hours of the receipt of any supply, require the Contractor to have same re-examined by the Grader, and, if not passed by him, it shall be returned to the Contractor, who shall forthwith replace the same with freshly-examined butter.

No Butter *ex Cool Store* will be examined by the Grader until thermally it is in suitable condition therefor.

Where the Store or Factory from which the Butter is despatched is not within the area visited by the Grader a sample of any supplies may be forwarded to the Government Butter Grader for examination, should the supply be considered by the Officer authorized to accept delivery as not being equal in quality or description to that contracted for.

The Cheese supplied to be semi or fully matured, as ordered, and, if the quantity admits, boxed for transport.

Jams.—The weight stamped on the tins in accordance with the regulations under the Commerce Act, as indicating the minimum net quantity that each tin contains, shall for the purpose of this contract be taken as the actual contents when computing the quantity supplied.

When Jam is supplied in jars the jars remain the property of the contractor, and must be removed by the contractor at his own expense when empty.

### SOAP AND SOAP MIXTURES.

Supplies of these items for Districts for which no local contracts have been taken may be ordered under the Melbourne District contract, for delivery f.o.r. Melbourne.

### MEAT.

Fore and hind quarters of beef for Mental Hospitals are to be supplied in equal proportions of each, and must be delivered as a whole respectively, also extra buttocks separately when ordered. Meat for other institutions must be supplied as ordered. Where hind-quarters or buttocks are ordered, 9 inches must be cut off from the end of the leg from the hock upwards, i.e., the end of the leg from which the shank has been removed at the abattoirs; and when fore-quarters form a portion of the supply, 6 inches from the end of the neck and the whole of the shin at the clodbone joint must be removed. The sticking pieces also must be trimmed off, and the point and end of the brisket rendered free from blood and blood stains.

Fore and hind quarters of beef, for convenience of handling, may be cut into two parts, but each part is to bear evidence of having been cut from the same carcass.

Corned beef, rolled or round, as ordered, must be supplied without bone or cartilage and will be received, whether pumped or prepared in the ordinary way by pickling, but in the former case must have been soaked after pumping for at least 48 hours, in a good pickle, and then thoroughly drained before supply. No flank, chuck, sticking piece, shin, leg of beef, or piece under 7 lb. will be received.

All meat shall have been slaughtered in Victoria, freshly killed, and shall be well fed, good, sound, sweet, and wholesome.

Should the local supply of fresh meat become scarce or the market prices of same rise by not less than 25 per cent. above those ruling at the date of closing of tenders, chilled meat may, on the recommendation of the Permanent Head of the Department concerned and subject to the consent of the Tender Board being obtained, be supplied by the contractor in lieu of fresh meat on such occasions or during such periods as the Tender Board may determine. "Market prices" shall mean the prices ruling at the Metropolitan Meat Market as published in the *Argus* newspaper.

In cases of emergency, or on such other occasions as in the opinion of the Director of Mental Hygiene, or Heads of other institutions, may seem advisable, other forms of meat such as rabbits, tinned meats, &c., may be purchased apart from the contract in lieu of the meat mentioned in the schedule, and substituted therefor, provided 24 hours' notice (except in cases of emergency) be given to the contractor of such intention.

Meat derived from the carcasses of Bulls, Stags, or Rams, or Mutton weighing more than 70 lbs. in the carcass, will not be received, and shall not be tendered for delivery.

Meat containing an undue proportion of bone or fat will not be accepted.

The parts to be removed by the contractor are indicated by the shaded portions of the annexed diagram. This work must be carried out in the factory or shop of the contractor, excepting those parts usually removed at the abattoirs.

With respect to the schedules enumerated hereunder, the following stipulations shall also apply:—

For sub-schedules 9 and 10 of Schedule No. 1, the Beef must be supplied in quantities as ordered from Ribs, Sirloin, and thick Flanks. Where the quantity permits, mutton must be delivered in sides; all kidney fat to be removed.

For Schedules Nos. 1 (sub-schedules 9 and 10), 3, 4, 8, 10, 13, 16 and 17, chuck ribs of Beef, i.e., 1st to 4th inclusive, will not be accepted.

For Schedule No. 3, fresh Beef must be supplied in equal quantities from prime ribs, sirloin, or thick flanks; ribs of Beef to be cut clear of the plate bone, and sirloin to be cut clear of the wing ribs; excess of brisket or flank will be rejected; Mutton to be delivered in sides; all kidney fat to be removed; live sheep to be supplied when required. Tea and Coffee for Districts for which no local contracts have been taken may be ordered under the Melbourne District contract, for delivery f.o.r. Melbourne.

MILK.

The milk must be fresh, pure, and of the best quality, and subject to test when required by the Department, and supplied at such times as the Department may require. Should the contractor fail to supply at the time specified in the order or at such times as may be indicated in any general notice to the contractor his contract may be cancelled forthwith and his security forfeited, or should the supply prove to be not of contract quality it will be rejected, and any expense incurred will be charged to the contractor.

## ANNEX TO CONTRACTS.

### ADJUSTMENT OF CONTRACT RATES.

#### FLOUR AND BREAD.

The contract rates, set out hereunder, are based on a price of £12 17s. 6d. for 2,000 lb. of Flour (being the maximum price fixed for wheaten flour delivered on buyer's premises at Melbourne under the *Wheat Products Prices Act 1938* by Proclamation on 25th October, 1939).

If before or during the contract period the maximum price so fixed is increased or decreased by Proclamation under the said Act, the prices to be paid under the contract shall be increased or decreased as follows:—

For deliveries of Flour made after such Proclamation comes into operation—at the rate of 1s. per cental for every £1 of increase or decrease;

For deliveries of Bread made not less than 24 hours after such Proclamation comes into operation—at the rate of 9d. per cental for every £1 of increase or decrease.

If at any time before or during the contract period there is no Proclamation in force fixing such maximum price, the prices to be paid under the contract shall, from time to time, be increased or decreased at the rates aforementioned according to whether the wholesale market price of Flour, delivered Melbourne or suburbs, published in the *Argus Newspaper* is greater or less than £12 17s. 6d.

#### BREAD, GROCERIES, SOAP MIXTURES, ETC.

The rates shown in the Sub-schedules marked (A) are subject to adjustment in accordance with the special conditions of the respective contracts.

Particulars of adjustment of rates will be gazetted as required.
