TENDERS FOR THE SERVICE, 1941-42.—PRINTING AND WRITING PAPERS, ENVELOPES, ETC.

TENDERS will be received until Eleven a.m. on Friday, 16th May, 1941, from persons willing to supply, at Melbourne, Paper and Envelopes, &c., for the Victorian Government, as per Schedule No. 1, in the quantities and at the times stated therein.

Forms of tender, conditions of tendering, schedule, conditions of contract, and samples, may be obtained from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Tenders must be accompanied by the preliminary deposit, as provided in the schedule. *Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury Bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits.* Preliminary deposits will be returned to unsuccessful tenderers on their application.

The amount of the preliminary deposit required with each tender must be enclosed, and the amount must be clearly written in and the designation stated.

Security will be required, as provided in the tender form, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Saving Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm, and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual, and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory and the rates tendered are considered reasonable—

- (a) to tenders for articles manufactured within the Commonwealth;
- (b) to tenders for articles manufactured within any other part of the British Empire.

Rates tendered must include T.T. exchange ruling at time of tendering.

Tenders enclosed in a separate envelope, and having the words, "Tender for Supplies to the Government Printer" written thereon, must be deposited in the Tender Box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. In these conditions and in the form of contract and schedule hereto annexed the words "Government Printer" shall include the officer bearing or acting under that title, or such other officer as the Government may from time to time appoint to perform the duty in the matter in relation to which the expression is used. The word "Storekeeper" shall mean the officer (or officers) of the Government who inspects and takes delivery of the stores. The word "Schedule" shall mean and embrace the schedule or schedules hereunto annexed.

2. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

3. The Government will order from the contractor those articles enumerated in the schedule for which his tender is accepted.

4. The first delivery under this contract, equal to one half the quantity contracted for, shall be made not later than 30th November, 1941, and the remainder shall be delivered not later than 28th February, 1942. Should the contractor so desire, the whole quantity contracted for may be delivered by the date first specified.

5. The supplies are to be in accordance with schedule conditions where so stated, and of the particular manufacture indicated in the schedule.

6. All packages, cases, wrappings, &c., whether bulk be broken or not, shall be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor. The net weight only will be paid for. Contractors must provide, without extra charge, whatever labour, &c., may be required in the packing and delivery of the supplies.

7. All supplies shall be made to the Government Printer. The goods shall be delivered as may be directed by that officer in terms of contract. At the time of delivering the supplies, the contractor shall produce an invoice and specification showing the number and contents of each package in duplicate to the officer authorized to accept delivery, and such officer shall give an acknowledgment to the contractor of the receipt of the stores delivered by him.

8. All papers supplied, excepting Item 38, must be supplied in reams, and must be according to the specification as set out in the Schedule, and cut to the true size ordered. Each ream must contain 500 sheets, and must be supplied flat (unless otherwise specified). No creased or damaged paper will be accepted.

9. The acceptance of the supplies shall be subject to the approval of the Government Printer, whose decision shall be final. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such deficient or defective stores may be returned to the contractor. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense, such expenses to be deducted as in clause 10. Delivery will not be deemed to have been made until the goods have been approved. In case of the rejection or return of any supplies the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in clause 10.

10. In the event of the goods not being delivered within the time stated the Government Printer may, on giving the contractor twenty-four hours' notice, purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

11. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Government Printer to the Tender Board, to such mulct, not exceeding One hundred pounds, for each and every default, as the Treasurer may direct, and the amount may be deducted as set out in clause 10. It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government.

13. In the event of any alteration in the duty of Customs or Telegraphic Transfer Exchange, which may affect any of the items included in the contract, the Government or the contractor, as the case may be, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, and the contractor shall, if called upon, submit such documentary evidence as may be required by the Government to permit of the calculation of any such allowance.

14. The contractor shall not insure the material against war risk.

Provided the material is consigned on a separate bill of lading to the Government of Victoria any loss or damage in transit occasioned through risks covered by the London Institute Marine War and Strike Clauses shall be to Victorian Government account, subject to the production by the contractor of documentary evidence satisfactory to the Tender Board.

15. Each package shall be branded "O.H.M.S., The Government of Victoria, The Government Printer, Melbourne," and numbered consecutively, and each package shall also be marked with the number of the contract and contents of same for identification purposes.

16. Every account must be in prescribed form, setting out the contract and item numbers, and must furnish full details of how it is made up.

17. Payment for supplies will be made in Melbourne when same have been accepted.

for Treasurer.
