Full particulars, forms of tender, and conditions of contract may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The rate tendered must be at per cwt., and for the whole quantity from all of the institutions enumerated in the conditions of contract.

It is necessary that tenderers should possess a Noxious Trade Licence.

A preliminary deposit of £10 by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board (private cheques will in no case be received), must accompany each tender, and the deposit lodged by the successful tenderer will be retained as security for the due fulfilment of the contract. The preliminary deposit will be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period. Deposits will be returned to unsuccessful tenderers within ten days of acceptance of tenders, on their application.

The contract must be signed within five days of acceptance of the tender, failing which the service may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The highest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, marked "Tender for Purchase of Rags," must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. Delivery of the Rags from Ararat, Ballarat, Beechworth, and Sunbury must be taken at Spencer-street Railway Station, and from Mont Park, Royal Park, Kew, and Pentridge at the respective institutions.

2. Bags, which must be returned by the contractor as soon as emptied, will be supplied by the institutions requiring the service.

3. The rags must be removed at such times as may be stated in the order issued to the contractor.

4. The contractor shall bear the cost of removing the rags, and of the return of the empty bags, from and to Spencer-street, Mont Park, Royal Park, Kew, and Pentridge; railway freight from the institutions will be covered by a Stores and Transport consignment note issued by the institution concerned when forwarding the rags.

5. The contractor shall be duly notified of each consignment, and shall bear any cost that may be incurred for demurrage, or for any delay in taking delivery of the rags consigned.

6. In the event of the contractor failing to remove the rags at the times directed, the officer of the Department ordering the removal is hereby empowered to send them to any store in Melbourne, there to be stored at the contractor's risk and expense, and, on report to the Tender Board, the amount will be deducted from the security money or added to any account that may be payable by the contractor.

7. Payment is to be made on the net weight of the rags. No allowance will be made for any foreign material that may be mixed with them. All practical care will, however, be exercised to keep them free from such impurity.

8. The contractor must make payment within one month of delivery to the officer of the Department ordering the removal of the rags. In the event of payment not being made within the prescribed period, the amount outstanding will be deducted from the security money.

9. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

Burials of deceased persons whose bodies have been removed to the Morgue from places north of the River Yarra and from places within the Williamstown-Footscray area, respectively, shall take place at the Necropolis, Springvale, and are included in sub-schedule A accordingly.

Printed forms of tender giving full particulars and lists of places for which the funerals are required are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Separate prices for ordinary funerals and for funerals under clause 6 of the conditions of contract must be stated (a) for adults, (b) for children above five years and under fourteen years of age, and (c) for children five years and under, including stillborn—one sum is to be stated for each, including interment, conveyance, railway charges, and all other charges.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Tenders must be accompanied by a preliminary deposit of £3 for each sub-schedule tendered for, by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board; such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to complete the security and sign the contract within the prescribed period. Deposits will be returned to tenderers within ten days of acceptance of tenders, on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either by bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The lowest or any tender will not necessarily be accepted.

Tenders, endorsed "Tender for Funerals," must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act 1928* (No. 3652), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail, unless directed otherwise by the police. Bodies to be buried at Williamstown or Footscray to be conveyed by road. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, of timber 1 inch in thickness, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the River Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue. Burials in the Williamstown-Footscray sub-districts shall be made in the Williamstown or Footscray Cemeteries, as the police may direct.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and respective Cemeteries Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor or deducted from the contract security money.

10. When burials are required to take place on Sunday, or, in the case of any Hospital for the Insane, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. The order for burial shall be produced at the cemetery when the Contractor gives instructions for interment. The Contractor must pay the Minister's fee for reading the burial service should it be claimed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul of the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, the Consul may provide for such service as he may consider necessary.

13. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any conces-

sion or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject to the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

14. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

15. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or any infringement of clause 11, will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

18. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

Treasurer.

The lowest or any tender will not necessarily be accepted.

Tenders, endorsed "Tender for Removals only" must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2, or, if sent by post, postage must

be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force.
2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.
3. The contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.
4. When it becomes necessary to remove a dead body to the Morgue, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police, as in the case of a removal by the Government Contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.
5. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.
6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the *post-mortem* examination.
7. *Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.*
8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.
9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.
10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.
11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.
12. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

A preliminary deposit of £5 by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board (private cheques will in no case be received), must accompany each tender, such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of tender or in the event of the successful tenderer failing to sign and complete his contract within the period specified. Deposits will be returned to unsuccessful tenderers within ten days of acceptance of tenders, on their application.

Security of £10 for each schedule will be required, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenders may be accepted for each schedule separately.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2; or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The rates tendered cover all charges, including labour, bags, hire of cranes or other appliances, and weighbridge charges required in the performance of the service. Bags must be removed by the contractor when empty, and if not removed within a reasonable time or within the time named by the officer requiring the service, no claim will be entertained for cost of same.
2. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.
3. Accounts in all cases shall be rendered *monthly* to the Department requiring the service, and must be supported by weighbridge tickets or railway consignment notes, and in the case of coal, the mine consignment notes. In the event of a weighbridge ticket or consignment notes not being available or obtainable, the weight vouched for by the Department requiring the delivery shall be accepted by the contractor as the weight of the particular consignment. Accounts shall be subject to any deductions for goods lost or damaged whilst in the custody of the contractor.
4. In the event of material forwarded by rail or steamer not being unloaded within reasonable time, and in accordance with the Railway Department or Harbor Trust Regulations relating to same, the contractor shall be held liable for such charges, including cost of demurrage, as may accrue, the amount thereof to be deducted as provided in clause 2.
5. The contractor shall take and make delivery within ordinary working hours. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, shall be investigated.
6. The contractor must have an office connected by telephone and within a radius of 6 miles of the Melbourne (Elizabeth-street) Post Office.

7. Four hours will be deemed sufficient notice, and in the event of the contractor failing to perform the service when ordered, and to the satisfaction of the officer requiring same, such service will be performed at his risk and expense, and any extra expense incurred shall be deducted as provided in clause 2. No services performed under this contract shall be deemed to be of a special nature, provided that the contractor be given four hours' notice that his services shall be required, and no increase in the contract rates shall be allowed.

8. The vehicles in which the material is carried must be in thorough working order, and, if required, provided with good waterproof covers. Horses to be perfectly sound, and subject to the approval of the officer requiring the service.

9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity or delay in delivering the material when required, or failure to produce weighbridge tickets or consignment notes on delivery in accordance with clause 3, or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

13. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.
