Land Act 1928.

AREAS OF LANDS COMPRISED IN CERTAIN CLASSES DIMINISHED OR INCREASED.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Land Act 1928*, it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the *Government Gazette*, at any time diminish or increase the area of land comprised in any of the classes mentioned in Part I, Division 1, section 5, of the said *Land Act 1928*, but that the area of lands which may be sold by auction (Class 6) shall not be increased except as in certain cases in the said Act provided: Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in accordance with the provisions of sections 94 and 117 of the *Land Act 1928* aforesaid, do hereby diminish or increase (as the case may be) the areas of Crown lands comprised in Classes 3, 6 and 7 of the classes mentioned in section 5 of the *Land Act 1928* aforesaid to the extent set forth in the subjoined Schedule (that is to say):—

Schedule referred to.

STATE RIVERS AND WATER SUPPLY COMMISSION.

BY-LAW No. 4081.—SALE AND DISTRIBUTION OF WATER FOR IRRIGATION.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following:—

1. This By-law shall apply to and have force in the Irrigation and Water Supply Districts named in Column 1 of the Schedule hereto except within any Urban Division of such Districts, and shall come into operation on the 1st day of September, 1943.

2. All previous By-laws and Regulations relating to the subject matter herein shall be and the same are hereby revoked; but not so as to relieve, discharge, or absolve any person from liability to pay any rate or charge made in accordance with the provisions of the revoked By-laws or Regulations for payment of which rate or charge such person may have become liable prior to or at the date of this By-law coming into operation; or to abrogate or diminish the power of the said Commission to recover and enforce payment of any such rate or charge; or to annul or stay any proceedings taken or business initiated, as in conformity with the provisions of the By-laws or Regulations hereby revoked, prior to the date of this By-law coming into operation, but the same respectively may be continued and carried to completion.

3. All water supplied for irrigation from the works of the Commission shall be paid for by measure; all gauges or appliances for measurement shall be of a form and pattern approved by the Commission and shall be installed under the supervision of the Commission; and all quantities of water supplied shall be recorded by the Water Bailiff or such other officer as may be appointed by the Commission for that purpose.

4. If it appears to the Commission that any gauge or appliance for measurement is inaccurate or not registering, the quantity of water supplied in any watering during the period such gauge or appliance was deemed to be inaccurate or not registering shall be computed on the basis set out in the Schedule to this By-law according to the classification of the lands and the crops to which the water was supplied, and the quantity so computed shall be deemed to be the quantity supplied during the said period.

5. In the absence of any specific means of measurement, the quantity of water supplied shall be ascertained by accounting a watering as being the volume of water set out in the Schedule to this By-law over any area watered according to the classification of the lands and the crops to which the water was supplied, and for the purposes of this By-law and any By-law making an irrigation charge a watering means the application of water to land for the purpose of irrigation, and a watering shall be and is hereby deemed to be the volume of water set out in the schedule to this By-law over any area watered according to the classification of the lands and the crops to which the water was supplied.

6. In respect of any District named in column 1 of the Schedule to this By-law—

- (a) The charge for the supply of water for irrigation of lands to which water rights have been apportioned during the period beginning with the 1st day of September in every year (commencing with the year 1943) and ending with the 30th day of April in each succeeding year shall be as set out in the By-law making the irrigation charge for that District for such period, and if a supply is obtained in excess of any water rights apportioned to any such lands during such period, the charge for such excess shall be at the same rate of payment per unit of volume as that imposed in respect of the water apportioned to such lands as rights.
- (b) The charge for the supply of water for irrigation of lands other than those to which water rights have been apportioned during the period beginning with the 1st day of September in every year (commencing with the year 1943) and ending with the 30th day of April in each succeeding year shall be as agreed upon between the Commission and the persons requiring the water.
- (c) The charge for the supply of water for the irrigation of all lands during the period beginning with the 1st day of May and ending with the 31st day of August in every year (commencing with the year 1944) shall be at the same rate of payment per unit of volume as that imposed by the By-law making an irrigation charge for the supply of water for the irrigation of lands within that District to which water rights have been apportioned during the last preceding period ending with the 30th day of April in each year.

7. For the purposes of this By-law and any By-law making an irrigation charge, an acre-foot of water shall be and is hereby deemed to be such quantity of water as would cover

an area of one acre to a depth of one foot, and graded land means land which, in the opinion of the Commission, has been effectively laid out for the purpose of irrigation on the border, check, or contour system.

8. Applications for the supply of water for irrigation shall be made in writing to the Water Bailiff in charge of that portion of the District in which the land to be irrigated is situated, or to such other officer as may be authorized by the Commission to receive applications.

9. Charges for water supplied for irrigation, other than that supplied under a water right, shall be payable on demand at the office of the Commission at the place set down in column 8 opposite the name of the respective Irrigation and Water Supply District in column 1 of the Schedule to this By-law.

10. Such person or persons as the Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said charges.

11. STATE RIVERS AND WATER SUPPLY COMMISSION.

BY-LAW No. 4082.—AMENDING BY-LAW No. 375 FOR THE SALE AND DISTRIBUTION OF WATER FOR IRRIGATION.—BACCHUS MARSH IRRIGATION AND WATER SUPPLY DISTRICT.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following for the Bacchus Marsh Irrigation and Water Supply District.

1. This By-law shall apply to and have force in the Bacchus Marsh Irrigation and Water Supply District, except within any Urban Division thereof, and shall come into operation on the 1st day of September, 1943.

2. By-law No. 375, made by the Commission on the 26th day of August, 1913, is hereby amended by substituting for the fourth, tenth, twelfth, and thirteenth clauses of the said By-law No. 375 the following:—

4. (a) If it appears to the Commission that any gauge or appliance for measurement is inaccurate or not registering, the quantity of water supplied in any watering during the period such gauge or appliance was deemed to be inaccurate or not registering shall be computed by accounting a watering as being the volume of water set out hereunder in this clause over any area watered, according to the classification of the lands and the crops to which the water was supplied, and the quantity so computed shall be deemed to be the quantity supplied during the said period.

Classification.	Volume per acre— Acre feet.

Cereals, annual fodder crops ..	0.5
Graded Land—	
Pastures, lucerne	0.5
Annual fodder crops	0.5
Orchards and Vineyards	0.5
Market Gardens	0.4

For the purposes of this By-law and any By-law making an irrigation charge, a watering means the application of water to land for the purpose of irrigation, and a watering shall be and is hereby deemed to be the volume of water set out in this clause over any area watered, according to the classification of the lands and the crops to which the water was supplied. Graded land means land which in the opinion of the Commission has been effectively laid out for the purpose of irrigation on the border, check, or contour system.

(b) In the absence of any specific means of measurement the quantity of water supplied shall be computed by accounting a watering as being the volume of water set out in paragraph (a) of this clause of this By-law over any area watered according to the classification of the lands and the crops to which the water was supplied.

10. Charges for water supplied for irrigation other than water supplied under a water right shall be payable on demand at the office of the Commission at Bacchus Marsh.

12. All persons taking water from the works of the Commission shall take delivery thereof through their respective outlets at such times, in such order, and in such manner as the Commission or its authorized officers may direct; any person who wrongfully takes water from any such works shall be guilty of an offence.

13. The outlets for the delivery of water shall be operated only by the Water Bailiffs of the District, or such other officers as may be authorized by the Commission; any person not so authorized who interferes with the flow of water in any channel or with any works of the Commission, or with any registering appliance in connexion therewith, shall be guilty of an offence.

3. Any person guilty of an offence against By-law No. 375 or against this By-law shall be liable to the penalty provided in the Water Acts. Such penalty shall be recoverable summarily before any Court of competent jurisdiction.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 30th day of August, 1943, and the common seal of the Commission was hereunto affixed the 30th day of August, 1943, in the presence of—

Melbourne, 1st September, 1943.

TENDERS FOR GRAZING.
(Section 121, *Land Act 1928*.)

FOR THE PERIOD 1st OCTOBER, 1943, TO 30th SEPTEMBER, 1944, RENEWABLE ANNUALLY FOR A FURTHER PERIOD WHERE STATED.

Tender Forms and all Particulars can be obtained on application to the Lands Department, Melbourne, or any of the Lands Offices in the Country.

Tenders should be placed in the Lands Department Tender-box, State Treasury Buildings, Melbourne, C.2, at or before noon on Wednesday, 22nd September, 1943.

Before any tender is accepted the provisions of the National Security (Land Transfer) Regulations must be complied with.

TENDERS are invited and must be lodged at the Lands Department, Melbourne, at or before Noon on Wednesday, 22nd September, 1943, for the right to depasture stock on the following unappropriated portions of lands subject to the Regulations approved by the Governor in Council and also the subjoined conditions.

CONDITIONS.

1. The period of occupation will be for twelve (12) months from 1st October, 1943, to 30th September, 1944, renewable annually for a further period where stated.

2. The rent for twelve months—for which the licence will be issued, and the licence fee of 7s. 6d.—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. The licensee shall pay shire rates and all other charges for the period of occupation.

4. Separate tenders must be lodged for each block.

5. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name, occupation, and ordinary postal address.

8. Where permission to fence has been granted, the outgoing tenant has the option to remove any existing fencing owned by him within one month, or he may arrange with the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1928*.

This does not apply to cases where the land was the subject of an Expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.
