GAS REGULATION ACT 1933.

At the Executive Council Chamber, Melbourne, the
ninth day of September, 1943.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Old	Mr. Lienhop.
Mr. Tuckett	

REGULATIONS.

WHEREAS by a Proclamation dated the twenty-fourth day of July, 1942, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, declared that on and after the date of the publication in the *Government Gazette* of the Proclamation the provisions of section 33 of the *Gas Regulation Act 1933* should have effect: And whereas such Proclamation was published in the *Government Gazette* of the twenty-fifth day of July, 1942: And whereas it is provided in the said section that so long as any such Proclamation remains unrevoked the Governor in Council may make such Regulations as he thinks fit for or with respect to matters set forth in the said section: Now therefore His Excellency the Governor of the said State, with the advice of the Executive Council aforesaid, doth hereby make the following Regulations under and pursuant to the said section and all other powers thereto enabling him:—

1. These Regulations may be cited as the "Gas Regulation (Emergency Powers) Regulations (No. 7)," and shall apply to and have operation throughout the areas supplied with gas by any Gas Undertaker as defined by section 2 of the *Gas Regulation Act 1933*, and shall come into operation on the publication thereof in the *Government Gazette*.

2. In these Regulations—

"Gas" means gas supplied by an Undertaker pursuant to the provisions of the *Gas Regulation Act 1933*.

"Gas Undertaker" shall have the same meaning as "Undertaker" as defined by the *Gas Regulation Act 1933*.

3. The Gas Regulation (Emergency Powers) Regulations (No. 6) are hereby repealed.

4. Every Gas Undertaker may at any time, and from time to time, by advertisement published in a newspaper circulating in the area in which gas is supplied by such undertaker, notify that gas shall not be used—

- (a) in quantities exceeding the quantities specified in such advertisement; or
- (b) for purposes specified in such advertisement; or
- (c) except for purposes therein specified,

either at all or at such periods or times as may be specified in such advertisement:

Provided that no such advertisement shall be published without the approval of the Chief Secretary being first obtained.

5. It shall be lawful for any inspector or other authorized officer of any such Gas Undertaker, upon producing an authority issued to him by such Gas Undertaker, to enter any premises to which gas is supplied by such Gas Undertaker for the purpose of determining whether the provisions of these Regulations are being observed.

6. No person shall obstruct any such inspector or other authorized officer in the course of his duties.

7. Every person who fails to comply with the provisions of these Regulations, or who contravenes the provisions as to the use of gas contained in any advertisement referred to in Clause 4 of these Regulations, shall be guilty of an offence, and for every such offence shall be liable to a penalty of not more than Fifty pounds (£50).

And the Honorable Henry Stephen Bailey, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

By Authority: H. E. Daw, Government Printer, Melbourne.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support informed decision-making and strategic planning.

3. The third part of the document focuses on the role of technology in enhancing data management and analysis. It discusses the benefits of using advanced software solutions to streamline data collection, storage, and reporting processes.

4. The fourth part of the document addresses the challenges associated with data management and analysis. It identifies common issues such as data quality, integration, and security, and provides strategies to overcome these challenges.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It emphasizes the importance of ongoing monitoring and evaluation to ensure the effectiveness of the data management and analysis processes.
