## BOROUGH OF INGLEWOOD WATER SUPPLY DISTRICT.

RATING BY-LAW FOR THE YEAR 1ST OCTOBER, 1943, TO  
30TH SEPTEMBER, 1944.

THE Inglewood Borough Council, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings and three pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Borough of Inglewood Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of October, 1943, and concluding on the 30th day of September, 1944, and shall be payable in two equal instalments—1st day of March, 1944, and the 1st day of July, 1944, at the office of the said Council, Town Hall, Inglewood.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Council is hereby fixed at the quantity which, at a charge of One shilling per one thousand gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per one thousand gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Council, Town Hall, Inglewood.

The charge for water delivered *ex stand* pipe shall be Two shillings per One thousand gallons, provided that in no case shall the charge be less than Two shillings for any lesser quantity than One thousand gallons taken at one delivery.

Passed this 16th day of February, 1944.

(SEAL) G. E. PORTER, Mayor.  
E. E. ROCHESTER, Councillor.  
DAVID COOPER, Town Clerk.

## MANSFIELD WATERWORKS TRUST.

By-Law No. 3.

THE Mansfield Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

*Part I.—Interpretation.*

1. In this By-law, unless inconsistent with the context or subject-matter—

“The Act” means the *Water Act 1928*.

“Fittings” includes all appliances and things whatsoever (other than pipes) used in connexion with the conveying, supplying, storing, or regulation of the flow of water in or derived from a main.

“Main” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

“Private service” means and includes all pipes and fittings used in connexion with the supply of water from a main to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Service pipe” means any pipe (not being a main) used for the conveying or supplying of water derived from a main.

“Trust” means the Mansfield Waterworks Trust.

“Works” means works of or in connexion with the laying, constructing, altering, repairing, or renewing of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

*Part II.—Construction and Arrangements of Works.*

2. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Act)—

(a) without having given to the Trust two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do, specifying the tenement in or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday or between the hours of 8 a.m. and 12 noon on any Saturday other than a public holiday) during which it is proposed to execute such works;

(ii) a complete specification in writing of the works proposed to be done, setting out the mode, form, strength, material, construction, dimensions, and arrangement of all pipes and other works intended to be used in the execution of such works;

(iii) a properly prepared plan drawn to a scale specified thereon of the premises in or in respect of which it is proposed to execute the said works, showing thereon all buildings, erections, and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon;

(b) otherwise than during the time or times set out in the notice mentioned in sub-paragraph (i) of paragraph (a) of this clause;

(c) at any time save between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday, or between the hours of 8 a.m. and 12 noon on any Saturday except a public holiday;

(d) contrary to or not in conformity with this By-law or such specification and plan mentioned in sub-paragraphs (ii) and (iii) of paragraph (a) of this clause.

3. No person shall lay, construct, repair, or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is laid and constructed in such manner that the same is at all points at a depth of not less than 10 inches below the surface of the ground, nor unless every such service pipe for such portion of its length as lies in or on any public street, lane, or right-of-way, or where it may be exposed to vehicular traffic, is laid and constructed in such manner that the same is at all points at a depth of not less than 24 inches below the surface of the ground.

4. No person shall connect any lead pipe with any iron pipe except with a brass union coupling.

5. No service pipe which supplies (for domestic purposes otherwise than by measure) water to any tenement shall have a bore exceeding  $\frac{3}{4}$  inch. No service pipe which supplies by measure water to any tenement shall have a bore exceeding  $1\frac{1}{2}$  inch.

6. No person shall—

(a) lay, construct, or alter any private service or any part thereof;

(b) erect or construct any building, erection, or structure in such place, position, or manner that the whole of such private service is not easily accessible for the purpose of inspection, repair, and renewal.

*Part III.—Materials.*

7. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

(a) Subject to the provisions of clause 10 and sub-clause (c) of clause 16 hereof the whole of the pipes, tees, thimbles (other than thimbles connecting the service pipes and mains), bends, reducing couplings, plugs and the like, shall be of best quality galvanized wrought iron, copper, brass, lead, or fibrolite.

(b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in the case of wrought iron piping) properly galvanized throughout, and shall be of equal strength and thickness throughout the entire body of same.

(c) All ends of pipes (other than lead pipes), bends, and the like shall be properly and truly threaded and capable of being screwed into thimbles, tees, or fittings.

(d) All stop-cocks and bib-cocks shall be screw-down high pressure cocks made of hard brass or gunmetal.

(e) The whole of the pipes and fittings shall be of the best quality and workmanship and shall be sound and free from all defects.

8. All lead piping used, pursuant to the provisions of clause 10 and sub-clause (c) of clause 16 hereof, shall be of best quality new lead piping of the following weights:—

For piping  $\frac{1}{2}$  inch diameter, weight 6 lb. per yard.  
For piping  $\frac{3}{4}$  inch diameter, weight 9 lb. per yard.  
For piping 1 inch diameter, weight  $14\frac{1}{2}$  lb. per yard.  
For piping  $1\frac{1}{4}$  inch diameter, weight 22 lb. per yard.  
For piping  $1\frac{1}{2}$  inch diameter, weight 30 lb. per yard.

*Part IV.—Connections to Mains.*

9. No person shall affix or connect or cause or permit to be affixed or connected to any main more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

10. No person shall affix or connect any service pipe to any main save by means of a stop-cock ferrule to which a quarter bend of wrought iron or copper alloy or a length of not less than 3 feet of lead pipe is properly and securely attached.

11. No person shall connect or affix any service pipe to any main save by means of a tapping not exceeding in the case of each of the sizes of mains set out in the first column of the table hereunder written the size set opposite such size of main in the second column of such table.

*The Table Hereinbefore Referred To.*

Size of Main.	Maximum Size of Tapping Allowed.
Not exceeding 2 inches	$\frac{3}{4}$ inch.
Exceeding 2 inches but not exceeding 4 inches	$\frac{1}{2}$ inch.
Exceeding 4 inches but not exceeding 6 inches	1 inch.
Exceeding 6 inches but not exceeding 8 inches	1 $\frac{1}{4}$ inch.
Exceeding 8 inches but not exceeding 9 inches	1 $\frac{1}{2}$ inch.
Exceeding 9 inches	2 inches.

12. A high pressure screw-down stop-cock properly secured and covered with a cast iron top shall be fixed on each service pipe (connected with or affixed to a main) between the main in or to which it is connected or affixed and the building line of the tenement which it supplies in such place and manner that such stop-cock is within 2 feet from such building line and is easily accessible for the purpose of and may be used completely to cut off the supply of water to the private service of which such service pipe forms part.

*Part V.—Repair.*

13. Any person using any private service shall at all times keep same in proper repair.

14. If any person refuses, neglects, or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by an officer of the Trust so to do, the Trust by its officers, servants, or agents may enter into or upon any premises supplied by such private service or any part thereof, and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water, and may charge such person with the cost and expense of such repair or renewal, and such cost and expense shall be a debt due by such person to the Trust.

*Part VI.—Meters.*

15. No person shall use any private service save for the supply of water for domestic purposes solely unless the whole of the water supplied to such private service passes through a meter.

16. No meter shall be affixed to or used in connexion with any private service or service pipe unless—

- (a) It is capable of registering at least 1,000,000 gallons;
- (b) in the case of a meter attached to a  $\frac{1}{2}$ -in.,  $\frac{3}{4}$ -in., or 1-in. private service, it is capable of registering any flow of not less than 10, 15, and 30 gallons per hour respectively;
- (c) it is properly and securely affixed to such private service or service pipe by means of lead connexions or quarter bends of wrought iron or copper alloy;
- (d) it is fixed truly level on a solid foundation of brick, stone, or concrete, the top of which foundation is level with the surface of the ground;
- (e) it is fixed in an easily accessible position;
- (f) it is fixed in such position and with such coverings that it is adequately protected from the possibility of accidental damage;
- (g) all washers used for connexion couplings in respect thereof are made of leather.

17. No person shall construct, place, stack, or store or permit or suffer to be constructed, placed, stacked, or stored any building, erection, material, or thing over or upon any meter connected or affixed to any private service, or shall do or permit or suffer to be done any act, matter, or thing whereby inspection of such meter shall be prevented, obstructed, or in any way rendered difficult or interfered with.

18. The remuneration in money for which the Trust may, pursuant to section 201 of the *Water Act 1928*, let for hire to any consumer of water supplied by measure any meter or instrument for measuring the quantity of water supplied and consumed is hereby fixed in the case of meters for use in connexion with  $\frac{1}{2}$ -in. private services at 7s. 6d. per annum, in the case of meters for use in connexion with  $\frac{3}{4}$ -in. private services at 7s. 6d. per annum, and in the case of meters for use in connexion with 1-in. private services at 15s. per annum.

19. No person shall connect any service pipe with any steam boiler for the purpose of feeding or supplying the same with water, without first affixing on such service pipe between such boiler and any meter which records the quantity of water passing through such service pipe a self-acting valve in such manner and position as will prevent the pressure of the steam reversing or otherwise affecting the mechanism or dial of such meter.

*Part VII.—Waste and Misuse.*

20. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

21. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern, tank, or water trough unless such cistern, tank, or water trough is watertight and is provided with an equilibrium ball valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

22. No person shall construct, lay, or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

23. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

24. No person shall affix an overflow pipe to any bath.

25. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

26. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust, and no person shall sell any water supplied by the Trust.

27. No person other than a servant or agent of the Council of the Municipality of Mansfield or the Mansfield Fire Brigade in execution of his duty as such servant or agent shall, without the written permission of the Trust, open, close, or otherwise interfere with any hydrant attached to any main.

28. No person other than a servant or agent of the corporation or body having the care and management of a public park or garden shall, without the previous consent of the Trust, open, close, or otherwise interfere with any tap, valve, or other like regulator in on or connected with any service pipe used for the supply of water to such public park or garden.

*Part VIII.—Inspection.*

29. Any person authorized by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

30. Any person who obstructs, hinders, impedes, resists, or opposes or refuses admission to any premises or fails or neglects to carry out and observe all lawful directions and instructions given to him by any person duly authorized in that behalf shall be guilty of an offence against this By-law.

31. Any person who is guilty of any breach of any of the provisions of this By-law shall be liable to a penalty of not more than £5, and in the case of a continuing offence to a further penalty not exceeding £5 for every day after notice of the offence from the Trust.

32. The Regulation passed by the Commissioners of the Mansfield Waterworks Trust on the 2nd day of October, 1891, is hereby repealed.

Passed this 10th day of February, 1944.

(SEAL) J. LEWELLYN, Chairman.  
R. WOMERSLEY, Secretary.

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for . . . due . . ."

J. H. LIENHÖP,  
Commissioner of Public Works.

Melbourne, 1st March, 1944.

## TENDERS FOR THE RIGHT TO REMOVE SALT.

TENDERS will be received up to Noon on Thursday, 23rd March, 1944, for the exclusive right to collect and remove salt from the under-mentioned areas for a period of eight months from the 1st April, 1944, renewable annually for a further period where stated.

The successful tenderer will be required to preserve the bottom of the lake or lakes or collecting grounds from injury, in accordance with instructions from any officer authorized by the Minister of Lands.

No tender will be accepted unless the total amount of fee offered for eight months, and Ten shillings (10s.) fee for preparation of licence, are enclosed. The licence is subject to a royalty charge, of 2s. 6d. per ton, on all salt collected or removed. Sworn declarations must be furnished to the Secretary for Lands by the licensee when required, setting out the quantity of salt removed.

Plans of all buildings or other structures proposed to be erected on the licensed area must be submitted to and approved of by the Secretary for Lands, who reserves the right of entry for inspection by any officer authorized by him.

The licensee shall not assign, sublet, or part with his interest in the area, or any portion thereof, without the consent of the Minister of Lands.

The licence will be cancelled for non-payment of any annual fees or any royalty charges or breach of any conditions thereof, or if the licensee shall for a period of twelve (12) months fail to use the land bona fide for the purposes for which a licence has been issued.

The Governor in Council reserves the right to resume the area, or any part thereof, for public purposes.

The outgoing licensee will be allowed one month to remove any salt gathered and stacked on any lot.

Tenderers must forward full name and address and fee for the right to remove salt for the period and fee for the preparation of licence (10s.) to Secretary for Lands, Treasury Buildings, Melbourne, C.2, endorsed "Tender for the right to remove salt."

Plans may be seen and all information obtained at Lands Department, Melbourne.

The highest or any tender not necessarily accepted.

## SPECIAL CONDITION.

No tender will be accepted until the provisions of the National Security (Land Transfer) Regulations have been complied with.

## KING ISLAND SCHEELITE NO LIABILITY.

## NOTICES OF MEETINGS.

NOTICE is hereby given that the following meetings of shareholders will be held in the Board-Room, Royal Automobile Club Building, 94 Queen-street, Melbourne, on Thursday, the 16th day of March, 1944:—

A. At 2.30 p.m., Sixth Ordinary General Meeting for the purpose of transacting the following business:—

1. To receive the statement of accounts and report of directors for the year ended 31st October, 1943.

2. To elect directors. All the directors retire in accordance with the company's rules but are eligible and offer themselves for re-election.

3. To appoint an auditor and fix his remuneration. Messrs. Wm. S. Philip and Co. retire in accordance with the company's rules and offer themselves for re-election.

B. At 3 p.m., an Extraordinary General Meeting at which the subjoined Resolution will be proposed, namely:—

"That the rules of the company be altered by adding the following new rule after rule 41, viz.:—

"41A. Whilst any money shall be owing by the company to the Commonwealth of Australia (hereinafter called "the Commonwealth") under the agreement made the 16th day of August, 1943, between the Commonwealth of the one part and the company of the other part as either varied or modified the directors shall immediately upon being required by the Commonwealth so to do appoint one nominee to the directorate of the company. The Commonwealth may from time to time remove such nominee from the office of director of the company and may nominate a substitute, and such substitute shall thereupon be appointed to the directorate by the directors, but no such nominee (substituted or otherwise) shall be removed from office by the company, its shareholders, or by any party holding any interest therein without the consent in writing of the Commonwealth. It shall not be necessary for any such nominee to hold the share qualification required of a director nor shall he be subject to retirement by rotation. Any nominee so appointed shall have all the rights and privileges of a director under these rules except that he shall not be entitled to vote at any meeting of directors, nor be empowered to sign any resolution thereof, and he shall not be under any legal responsibilities of a director as regards either the company or its shareholders except in respect of a specific act of such nominee director in direct relationship to the policy of the company and/or of the management of the company. The appointment of any such nominee director shall be in addition to the number of directors for the time being authorized by these rules. Any nominee appointed as aforesaid shall not, without the consent in writing of the Commonwealth, be removed except by the Commonwealth, but he shall cease to be a director of the company when all moneys required to be paid by the company to the Commonwealth under the said agreement shall have been paid. The provisions of this rule shall take effect to the exclusion of all other rules of the company for the time being."

By order of the Board,

A. R. BRUHN, Manager.

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The subscription, including Postage, is £1 12s. 6d. per annum, 16s. 3d. half-yearly, or 8s. 2d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for. Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of EIGHT PENCE per line single column, and ONE SHILLING and FOUR PENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines as a heading.

On an average, eleven words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and FIVE p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Six pence, posted Eight pence, each.

No GAZETTES prior to January, 1933, in stock.

\*\*\*ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
