CITY OF MELBOURNE.

By-LAW No. 268.

A By-law to consolidate and amend the Regulations regulating the proceedings of the Council of the City of Melbourne.

WHEREAS by an Act of the Governor and Legislative Council of New South Wales 6 Vict. No. 7 intitled "An Act to incorporate the inhabitants of the Town of Melbourne" the Council of the said Town (now City) is empowered to make By-laws for (*inter alia*) regulating their proceedings: And whereas, pursuant to such power the Council of the said City made and passed By-law No. 243 intitled "A By-law to regulate by means of Standing Orders the proceedings of the Council of the City of Melbourne": And whereas it is desired to amend such Standing Orders and to consolidate such Standing Orders and Amendments: Now therefore the Council of the City of Melbourne doth hereby, in pursuance of the power conferred by the said Act and by every other Act or power enabling it in that behalf order that from and after the date of this By-law coming into operation—

(a) the said By-law No. 243 shall be and is hereby repealed. Provided, however, that save so far as there is anything in this By-law inconsistent therewith such repeal shall not affect the appointment of any committee appointed under By-law No. 243 or affect any notice or consent given or any business matter or thing commenced, made, or done under By-law No. 243; and

(b) the proceedings and business of the said Council shall be conducted according to the following Regulations, which shall be and be called the Standing Orders of the said Council, that is to say:—

CHAPTER I.

Order of Proceeding.

1. The business of the Council shall be conducted on all ordinary occasions with open doors; but the majority of the members present may require the exclusion of strangers, until it shall have been decided by the Council whether the question proposed to be introduced shall be discussed with open doors.

2. The Council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to constitute a quorum which shall for all purposes, except where it is otherwise by Statute provided, be at least one-third of the whole Council but if, at the expiry of twenty minutes from the time specified in the summons, there is not a quorum present, no business shall be transacted by the Council at that meeting. If during a meeting any member shall call the attention of the Lord Mayor or other presiding Chairman to the number of members present then the Lord Mayor or other presiding Chairman shall direct the Town Clerk to ring the bell for one minute at the expiration of which time the Lord Mayor or other presiding Chairman shall count the number of members present, and if a quorum is not present he shall dissolve the meeting. (Such dissolution is hereinafter referred to as a "count out.") The business under discussion and any business not disposed of at the time of the count out shall at the next following meeting be resumed as from the stage at which it was when the count out took place.

3. At all meetings of the Council, when there is not a quorum present, or when the Council is counted out, such circumstances together with the names of the members then present shall be recorded in the minute book.

4. The minutes of every meeting of the Council shall be printed, and a copy thereof shall be sent to each member of the Council not later than forty-eight hours prior to the meeting at which such minutes are to be confirmed. The first business at such meeting shall be the confirmation of the minutes, which shall be taken as read.

No discussion shall be permitted on a motion for confirmation of the minutes, except as to their accuracy as a record of the proceedings. The minute books of all committees appointed by the Council shall be laid upon the Council table at all meetings of the Council.

5. At all meetings of the Council (unless otherwise provided for by law) the submission of returns, the reading of correspondence, the presentation of petitions or memorials by members of the Council, and the bringing up of reports of committees, shall have precedence of the Orders of the Day.

6. On the reading of correspondence, pursuant to Standing Order No. 5, no discussion shall be allowed and the only motions that shall be in order shall be that the correspondence, or any part or parts thereof, be received or be received and referred to a committee for consideration and report or if the subject matter thereof is dealt with in any Order of the Day be referred for consideration in connexion therewith.

7. Petitions or memorials to the Council shall be presented only through a member of the Council. Any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Council or violate any of the Standing Orders of the Council, and shall sign his name thereon as having presented it.

8. On the presentation of a petition or memorial the member of the Council presenting the same shall confine himself to the reading of the prayer therein only, and the only motions that shall be in order shall be that such petition or memorial be received and, if necessary, that it be referred to a committee or if the subject matter thereof is dealt with in any Order of the Day, be referred for consideration in connexion therewith.

9. Reports of committees shall be signed and presented to the Council by the Chairman of each committee concerned, or in his absence by a member of the committee.

10. The Chairman or other member of a committee presenting a report may, with the consent of the Council, withdraw or amend such report or any paragraph thereof. Such consent may be given notwithstanding that a motion or amendment may then be before the Chair.

11. Any member desirous of putting a question as to the work or procedure of the Council shall reduce same to writing and forward it to the Town Clerk. If such question is in order, the answer shall, as far as practicable, be read at the next meeting of the Council by the Lord Mayor or other presiding Chairman, or by the Chairman of the committee concerned, provided that it was received two clear days, exclusive of Sundays and public holidays, prior to such meeting. Provided, however, that it shall be competent for any member of the Council, with the consent of the Lord Mayor or other presiding Chairman, to put any question on any matter of urgency without notice. No discussion or further question shall be allowed on any question or the answer thereto.

12. The Orders of the Day shall include all matters standing postponed until that day from previous meetings of the Council, reports of committees, and any business which the Lord Mayor may think fit to bring under consideration; any member of the Council may, however, bring forward such business as he may consider advisable, in the form of a notice of motion, such notice to be given, in writing, to the Town Clerk at least five clear days previous to the meeting at which the same is to be taken into consideration, and all such notices of motion shall be considered in the order in which they were received.

13. Any motion, notice of which is entered on the notice paper, shall lapse unless proceeded with by the member who has given such notice, or by some other member authorized by him in writing, when the business is called on.

14. No motion proposing any petition from the Council or any By-law or Standing Order shall be entertained unless the mover shall submit therewith a draft of such Petition, By-law, or Standing Order, and the draft so submitted shall be referred to the General Purposes and Legislative Committee, who shall report thereon before it is dealt with by the Council. The mover of every such proposition shall for this particular purpose be deemed to be a member of such committee.

15. No By-law shall be passed at any meeting of the Council unless the provisions of Standing Order No. 14 have been complied with, and unless between the meeting when a draft of such By-law was submitted to the Council and the meeting when the report thereon of the General Purposes and Legislative Committee was received, a copy of such draft shall have been open for the inspection of citizens free of charge at the office of the Town Clerk.

16. The Council may resolve into committee for the consideration of any question upon a motion being carried by a majority of those present of which no previous notice be necessary, notwithstanding that a motion or amendment may then be before the Chair, and shall upon conclusion of consideration of the question in committee resume proceedings in Council.

17. The Standing Orders of the Council shall be observed in committees of the whole Council, except as to the rules limiting the number of times of speaking, and the holding of meetings with open doors.

CHAPTER II. Order of Debate.

18. Any member desirous of proposing a motion or amendment or of discussing any matter under consideration must rise and address the Lord Mayor, or other presiding Chairman; and no member when speaking shall be interrupted unless called to order, when he shall sit down, in which case the member calling to order shall be heard thereon and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

19. Any member desirous of proposing an original motion or amendment must state the nature of such motion or amendment before addressing the Council in support thereof, and shall, if required by the Lord Mayor or other presiding Chairman so to do put it in form sign and deliver it to the Town Clerk. No motion or amendment shall be entertained or discussed unless it is seconded, and when so seconded shall not be withdrawn unless with the consent of the Council, notwithstanding that a motion or an amendment may then be before the Chair.

20. Any member may require the enforcement of any Standing Order of the Council by simply directing the attention of the Lord Mayor or other presiding Chairman to the infringement thereof.

21. Any member moving or seconding any motion or amendment shall be held to have spoken on that question, except that any member who may second any motion or amendment, *pro forma*, shall not be held to have spoken to the motion.

22. The members, in speaking, shall designate each other by their respective titles of Lord Mayor, Chairman, or Councillor as the case may be.

23. If two or more members rise to speak at the same time, the Lord Mayor or other presiding Chairman, shall decide which is entitled to pre-audience.

24. A member shall not speak twice on the same question, except by way of explanation where he has been misrepresented or misunderstood or when entitled to reply as hereinafter provided.

25. The mover of the motion shall be entitled to reply before the motion or any amendment thereon is put to the vote, and after the reply the motion or the amendment, as the case may be, shall be put to the vote immediately. In this order "motion" shall be deemed to include an amendment which having been put to the vote has been carried and has become the substantive motion, and upon which a further amendment has been moved, pursuant to the provisions of Standing Order No. 35.

26. The ruling of the Lord Mayor or other presiding Chairman upon all questions of order and of matters arising in debate shall be final and shall not be open to discussion.

27. The Lord Mayor or other presiding Chairman shall stand up when addressing the Council in discussion of any question.

28. Any member may require the Town Clerk to take down any particular words used by a member immediately upon the same being used.

29. A member shall not digress from the subject matter of the question under discussion.

30. All imputations of improper motives and all personal reflections on members and disobedience of the ruling of the Lord Mayor or other presiding Chairman on any matters shall be deemed disorderly.

31. Whenever any member shall use any expression or make any imputation or reflection which in the opinion of the Lord Mayor or other presiding Chairman is disorderly or capable of being applied offensively to any other member, he shall be required by the Lord Mayor or other presiding Chairman aforesaid to withdraw the expression, and make a satisfactory apology to the Council.

32. Whenever any member uses offensive or disorderly language or otherwise behaves in a manner which in the opinion of the Lord Mayor or other presiding Chairman is offensive or disorderly or disturbing to the debate or proceedings of the Council and having been twice called to order or to withdraw and to apologize for his conduct fails or refuses to do so or whenever any member fails or refuses to obey the ruling or order of the Lord Mayor or other presiding Chairman on any matter the Lord Mayor or other presiding Chairman may refuse to hear such member further upon the matter then under discussion and call upon the next speaker, or may suspend or adjourn the sitting of the Council, or may direct the offending member to withdraw from the Council Chamber for the remainder of the then sitting of the Council.

33. Any member may of right require the production of any of the documents of the Corporation relating to the question or matter in discussion.

34. A member of the Council shall not speak to any question for a longer time than fifteen minutes, unless with the consent of a majority of the members present at the meeting, such consent to be decided by the Lord Mayor or other presiding Chairman on a show of hands notwithstanding that a motion or an amendment may then be before the chair.

35. When an amendment is moved no further amendment shall be taken into consideration until the amendment under discussion has been disposed of and unless notice of such further amendment has been given during the debate on the original motion or on any previous amendment.

36. The Council shall vote by show of hands except in cases of elections of permanent committees of the Council. The Lord Mayor or other presiding Chairman shall in taking the vote put the question first in the affirmative and then in the negative and he may do so as often as is necessary to enable him to form his opinion from the show of hands as to where the majority lies.

37. Any three members of the Council may call for a division upon any question, in which case the members voting in the affirmative shall place themselves on the right of the chair, and those in the negative on the left of the chair, and there remain until the vote shall be recorded. As soon as a division has been demanded the Town Clerk shall ring the bell for one minute at the expiry of which the doors of the Council Chamber shall be locked and no ingress or egress shall be allowed until the result of the division shall have been declared by the Lord Mayor or other presiding Chairman. Every member then present shall record his vote either for or against the question.

38. No discussion shall be allowed on any motion for adjournment of the council; but if, on the question being put, the motion is negatived, the subject then under consideration, or the next on the notice paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment, which must not be proposed within half an hour, shall be entertained; but if the motion for adjournment be carried, the business then undisposed of shall have precedence at the next meeting of the Council.

39. Any member of the Council may enter his protest against any resolution of the Council provided that such protest is not inconsistent with truth or disrespectful to the Council; notice of intention to protest must however in every case be given on the adoption of the resolution protested against; and the protest signed by the member or members protesting, and specifying the reasons for protesting, must be entered at least four clear days before the next regular meeting of the Council by the protesting member, in a book to be kept for that purpose in the Town Clerk's office. Such protest shall be duly referred to in the minutes of the Council and be considered as part of such minutes.

40. Any member of the Council who has not spoken on the question under consideration may move "That the question be now put," and such motion on being seconded shall be put at once, and if three-fourths of the members present vote in favour thereof, the question under consideration shall be put without further discussion.

41. No motion the effect of which if carried would be to rescind any motion which has already passed the Council during the same municipal year shall be entertained unless a call of the whole Council has been duly made for that purpose; and no motion for rescinding any resolution of the Council, which shall have been negatived by the Council, shall be again entertained during the same municipal year, unless by consent of at least two-thirds of the whole Council.

42. When a motion for a call of the whole Council for the consideration of any subject at the next or any subsequent meeting has been carried, due notice of such call and of the object thereof shall be given in the notice paper for the meeting at which such call is to be made and any member not present when the subject matter of such call comes on for consideration, or not present at the voting upon the question shall be liable to a penalty of One pound, unless reasonable cause for such absence be shown to the satisfaction of the Council. The mover of the motion only shall be entitled to speak on the subject for the purpose of advancing his reasons for moving the motion for a call of the Council.

43. Any one or more of the Standing Orders of the Council may be suspended on a particular occasion or for the consideration of any special matter provided that at least two-thirds of the members present shall deem such suspension necessary, but not otherwise.

44. When a motion for the suspension of any one or more of the Standing Orders is moved, the mover of the motion shall be entitled to speak on the subject for the purpose of advancing his reasons for moving the motion but no further discussion on the motion shall be allowed.
