Sections 14 (c) and 15 (1) (c) indicate that the midwife had completed the prescribed course of training and passed the prescribed examination.

Sections 15 and 16 (1) indicate that the midwife has been trained and registered in some part of His Majesty's Dominions in which there is in force an Act for the registration of midwives, or that she is enrolled or certificated by any Institution or Association in existence where the training and examination is, in the opinion of the Board, substantially equivalent to that prescribed under the Midwives Act, Victoria.
