REGULATIONS.

IN pursuance of the powers in that behalf conferred by the *Agricultural Colleges Act 1944 (No. 5044)*, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations, that is to say:—

Terms and conditions under which students may be received at State Agricultural Colleges, and qualifications for admission of students to such colleges:—

- Boys of a minimum age of fifteen years in sound health and of suitable physique, who have been educated to the standard of proficiency certificate of the Education Department of Victoria, may, on agreeing to observe the Regulations and the college rules, and on payment of the prescribed fees, be admitted to an agricultural college, as resident students. Provided, however, that applicants for admission may be required to submit themselves for examination in any or all of the subjects prescribed for the proficiency certificate of the Education Department of Victoria.
- Each applicant must produce a satisfactory testimonial of character from his last teacher or employer; a dentist's certificate that he is not likely to require dental treatment for at least six months; and a certificate from a registered medical practitioner that he is in good health, and is physically fit for the work of the college. Any student may, on arrival or at any subsequent time be required by the principal to submit himself for examination by the college medical officer.
- Each student is admitted on probation for one term. If, during any term, he proves to be unfitted for the college life from any cause whatsoever, or, if in the opinion of the principal, his presence at the college is likely to be unprofitable to the student himself, injurious to other students, or his conduct prejudicial to the discipline or the reputation of the college, he may not be re-admitted.
- If, to the exclusion of any other applicant, a student has failed to go into residence at the college within one month after the opening day, he may be considered to be disqualified, and any fees paid on his behalf may be forfeited.
- Until he can produce a certificate from a registered medical practitioner stating that he can do so with safety, no student will be permitted to go into residence at the college after living in a dwelling in which exists, or has recently existed, any contagious or infectious disease.
- Provided that they otherwise comply with the conditions of entrance, applicants of the age of seventeen years and over who have passed the school leaving examination of the University of Melbourne or its equivalent and who have a practical knowledge of the rudiments of farm work may, at the discretion of the principal, be conceded the first year of the college course with the exception of the subject entomology. For students entering upon the course in the second year under the terms of this clause, a pass in entomology at the first-year standard is a necessary qualification for the certificate or diploma of the college.

7. A student who has completed the second year of the course at Longerenong Agricultural College may be admitted to Dookie Agricultural College as a third-year student.

8. Any student entering the college except at the beginning of the college year shall engage in such practical work and studies as the principal may decide.

FEES, ETC.

9. All college fees are payable in advance to the Director of Agriculture, Melbourne, and must be paid by the date notified, otherwise the vacancy may be filled.

10. The academic year shall be divided into two terms each of approximately five months duration.

11. The fee is £25 per term and covers the following:—

| | £ | s. | d. |
|------------------------|----|----|------|
| Board and lodging | .. | 22 | 0 0 |
| Laundry | .. | 1 | 12 6 |
| Medical attention | .. | 0 | 12 6 |
| Sports and social fund | .. | 0 | 15 0 |
| | | 25 | 0 0 |

Stationery, text books, college badge, magazine, &c., will be charged to the student at the end of each term.

12. Students entering the college after the expiry of one month from the beginning of any term will be charged pro rata fees for board and lodging and laundry, but will be required to pay the full fees for medical attendance and sports.

13. The fees paid by or on behalf of any student cover only the period the college is in session. Students will be allowed to remain at the college during vacations only with the express permission of the principal, and shall engage in any practical work assigned to them.

DISCIPLINE.

14. The principal shall be responsible for the maintenance of discipline at the college, and, in the case of any student guilty of a breach of the rules and/or Regulations in force for the time being, may expel such student, or may impose a fine not exceeding Twenty shillings or may inflict such lesser penalty as he considers fit. A fine imposed for any breach of discipline shall be paid within ten days.

15. The introduction into the college or on to the farm of any spirituous or fermented liquors is strictly forbidden, and whilst students are resident at the college they must refrain from partaking of intoxicants. Any breach of this Regulation is punishable by expulsion.

SCHOLARSHIPS—GENERAL.

16. A full scholarship shall entitle the holder to free tuition and board and lodging.

17. The holder of any scholarship shall not hold any other scholarship concurrently.

18. The tenure of any scholarship may be determined at any time if, in the opinion of the principal, the work or conduct of the scholar is unsatisfactory.

19. Should the holder of any scholarship fail to pass the prescribed examinations in any year, he may not be permitted to continue under the terms of the scholarship.

GOVERNMENT SCHOLARSHIPS.

20. Five scholarships, tenable for three years at an agricultural college, will be made available annually to boys attending State and registered schools in Victoria.

21. The award of these scholarships will be made by the Minister of Agriculture on the recommendation of a committee consisting of the Superintendent of Agricultural Education, the Director of Education, and the Principals of Dookie and Longerenong Agricultural Colleges.
