Provided that the employer shall have the option of arranging for the working of the said 44 hours during such first five week days and increasing the length of the day's work accordingly.

(2) Except as otherwise hereinafter provided the ordinary working hours of shiftmen shall not exceed an average of 44 per week, to be worked in shifts not exceeding eight hours each including "crib" time reckoned as part of working time, such shifts to be distributed as the employer concerned may choose, but so as to make an aggregate shift time on duty not exceeding 48 hours in any one week, nor 176 hours in any period of four weeks, unless the excess time of duty is caused by arrangement between the employer and his employees.

(3) Unless otherwise agreed between the employer and his employees all shift work shall be so arranged as to allow each man, by rotation or otherwise, one clear day off in each week which week for this purpose shall be deemed to commence from the starting of the morning shift on Monday in each week unless otherwise agreed between the employer and his employees.

OVERTIME RATES FOR DAYMEN.

8. (1) *Over Prescribed Number of Ordinary Hours.*—Unless otherwise provided elsewhere herein, for any time worked by daymen on any one day in excess of the number of ordinary working hours prescribed for that day, payment shall be made at time and a half for the first two hours and at double time thereafter.

(4) *Overtime Rates not Cumulative.*—If more than one of the foregoing provisions applies to the time worked, payment shall be obligatory under only one of such provisions and if one of such provisions prescribes a higher rate, only under that provision.

Provided that a shift worker who works two shifts in immediate succession shall be paid at the rate of double time for the second shift or part thereof, unless such second shift is worked by arrangement between the employees themselves, in which case the excess time shall be paid for at ordinary rates.

(6) *Work on Sunday.*—For all shift work on a Sunday, not being his day off, a shiftman shall be paid at time and a half, but if his shift work during the weekly pay period which includes the Sunday does not exceed two shifts he shall be paid at double time for the work on the Sunday.

(8) *Mixed Shift and other Work on Sunday.*—If an employee is brought in on a Sunday for work, other than relieving a shiftman, and commences duty which entitles him to double time, and is, thereafter, required to do shift work, he shall be paid at double time for the whole of the work done by him on that day.

MIXED FUNCTIONS.

11. (1) Except as otherwise provided herein or by mutual arrangement between the employees themselves, an employee required to do more than one class of work in the course of a day shall for the whole of that day be paid as if he had throughout his work on that day done that one of those classes of work for which the highest rate is prescribed.

(2) A dayman called upon for shift work after his ordinary work shall be paid as provided in clause 9 hereof, and is excepted from this clause.

(3) Subject to the foregoing an employer may require an employee to do any class of work not outside the scope of the employee's engagement.

(2) Any employee may be required by the employer to work on any holiday.

(3) Notwithstanding that an employee engaged by the week is not required to work on a holiday no deduction shall be made from his wages therefor, except in the following cases for which the employer may make a deduction proportionate to the time that the employee in the ordinary course would have worked on the holiday if it had been an ordinary working day:—

(a) if without leave from the employer he absent himself on the working day next prior to or on that next after a holiday and does not work on the holiday; and

(b) where the employee is absent without leave on the working days next prior to and next after a holiday and does not work on the holiday: provided that if a holiday falls during accident leave, the employee shall have an additional day added to such leave for the holiday.

(4) If a holiday other than one observed on a Sunday falls on the weekly clear day off of an employee, as prescribed by clauses 7, 9, or 10 (4) of this Determination, the employee shall be paid his ordinary wages for the time worked during the week in which the holiday occurs, plus the ordinary rate for the time he would have worked if the holiday were not his day off, but shall not be so paid if the employee without leave from the employer absents himself from work on the working day next before or on that next after the holiday.

(5) When any dayman is required to work on a holiday he shall, besides his ordinary weekly or daily wage (as the case may be) be paid for all time worked on the holiday at ordinary rate with a minimum payment as for four hours.

(2) that the number of days in that period of annual leave shall be reckoned in addition to any days off of the employee in excess of one for each consecutive seven days during that period; and

(3) that in calculating the amount to be paid to the employee in respect of each week of leave, in addition to any amount payable to him otherwise than because of the rate for shift work prescribed by clause 3 of this Determination, he shall be allowed to him for every fifty shifts worked by him during the twelve months preceding the leave and not previously allowed to him in such a calculation.
