Single day absence.

(b) In the case of an employee who claims to be allowed paid sick leave in accordance with this clause for an absence of one day only, such employee, if in the year he has already been allowed paid sick leave on more than one occasion for one day only, shall not be entitled to payment for the day claimed unless he produces to the employer a certificate of a duly qualified medical practitioner that in his, the medical practitioner's opinion the employee was unable to attend for duty on account of personal illness or on account of injury by accident.
