PIECEWORK WHICH MAY BE FIXED BY AN EMPLOYER.

18. The Board determines, under the provisions of Section 150 of the *Factories and Shops Act 1928* (No. 3677), that any employer may fix and pay piecework prices to any person employed in the glazed pipes and salt-glazed ware, general pottery and insulator making, and tile sections of the trade at work for which piecework prices have not been specified above, provided that any such employer shall base such piecework prices on the earnings of an average worker working under like conditions, and such piecework prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

PERIODICAL ADJUSTMENT OF WAGES.

19. The wages rates for males set out in clause 2 are based upon the following basic wage, and pursuant to the provisions of Section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rates shall be automatically adjusted as prescribed in clause 20. Provided that proportionate adjustments to the rates for apprentices and improvers and to the piecework prices, shall be made at the same time as follows:—

- (a) The rates for apprentices and improvers to the nearest 3d., half or less than half of 3d. to be disregarded.
- (b) The piecework prices as set out in clause 17 to the nearest farthing.
- (c) The basic wage for adult females shall be 54 per cent. (to the nearest 3d., half or less than half of 3d. to be disregarded) of the total basic wage prescribed hereunder.
