#### FREE PLACES AT THE UNIVERSITY OF MELBOURNE.

APPLICATIONS are invited from officers (other than teachers) in the permanent employment of the Government of Victoria for nominations during 1949 for free places in a course for a degree, diploma, or licence at the University of Melbourne.

The nominations will be made by the Minister of Public Instruction, on the recommendation of a Board consisting of the Chairman of the Public Service Board, as chairman, the Chief Inspector of Secondary Schools, and the Permanent Heads of the three Departments, other than the Education Department. The recommendations of the Board will be based on the age, suitability, qualifications, and period of service of the applicants, on the reports and recommendations of their Departmental Heads, and, if considered necessary, on the result of a personal interview. Applicants must be qualified for admission to the course upon which they desire to enter, and should have been in the employment of the Government of Victoria for at least one year, and, except in special cases, such as applicants who are returned soldiers or who have already completed part of their course, should be not more than 25 years of age.

Each officer nominated for one of these free places will be admitted without fee to all lectures and examinations in the subjects of his course, and will be granted the necessary leave of absence to enable him to attend essential lectures, practical and other work, and examinations. He will not, however, be granted any allowance for books, materials, or other expenses involved in attending the University. He will be required to enter into an agreement with the Minister of Public Instruction and an approved surety that he will observe the conditions of tenure of his free place, that he will not relinquish the course of studies to which he has been admitted without the permission, in writing, of the Minister, that he will not discontinue service with the Government of Victoria for any cause within his control during the period of the said course, and that, if required, he will remain and continue in the employment of the said Government during the period of three years after the termination of his free place, and, if his free place extends over more than three years, during an additional year for each year by which the term of his free place exceeds three years. The amount of liability under the terms of this agreement will not exceed £250.

The continuance of the free place will be dependent upon satisfactory reports by the Professorial Board as to the officer's attendance, conduct, progress at the University, and by the Departmental Head as to the manner in which he performs his official duties.

Forms of application are obtainable at this office. Each application must be made on the prescribed form, and must be forwarded through the Permanent Head of the Department in which the applicant is employed, to reach the Secretary, Education Department, Melbourne, not later than 25th November, 1948.
