Teaching Service Act 1946.

TEACHING SERVICE (TEACHERS TRIBUNAL) REGULATIONS.

THE Teachers Tribunal, in pursuance of the powers conferred by the *Teaching Service Act 1946*, hereby amends Regulation 1 of the Teaching Service (Teachers Tribunal) Regulations, made on the twenty-ninth day of October, 1946, and published in the *Government Gazette* of the thirtieth day of October, 1946, in the manner following, that is to say:—

Revoke the whole of Regulation 1, Travelling Allowances and Special Allowances, and substitute therefor the following:—

REGULATION 1.

Re-imbursments and Special Allowances.

1. Members of the teaching service must avoid unnecessary travelling and must not claim payment of any amount in excess of the rate prescribed in this Regulation. No reimbursement shall be payable unless a member has incurred an expenditure which he would not have incurred in ordinary circumstances.

2. The Director and Certifying Officers shall be responsible for ensuring that travelling, for which payment is claimed, was necessary; that it could not have been more economically arranged; and that the claims are correct.

3. Reimbursement for personal expenses shall, except where otherwise stated, be in addition to the cost of conveyance.

4. Reimbursement of personal expenses, except such as may be granted by the Teachers Tribunal, shall not be allowed within an area of 15 miles radius of a member's headquarters. The question as to which is a member's headquarters shall be decided by the Director.

5. No member shall be allowed personal expenses in excess of £100 during any financial year unless the Director certifies that the expenditure is necessary in the interests of the efficient working of the Education Department, and the approval of the Tribunal is obtained.

6. The rates set forth in this Regulation, except as otherwise indicated, are fixed to cover the cost of three meals a day and lodging when a member is necessarily absent from his headquarters overnight. The reimbursement in respect of each meal and of bed shall be one-fourth of the daily rate.

Reimbursement in respect of breakfast, lunch or tea shall not be allowed unless a member commences travelling earlier than or is absent later than the time or times respectively prescribed hereunder, viz.:—

		Time of Leaving.	Time of Returning.
Breakfast	7 a.m.	8.30 a.m.
Lunch	12 noon	2 p.m.
Tea	6 p.m.	7 p.m.:

Provided that the Tribunal may, in any special case, authorize reimbursement beyond the hours prescribed, where the circumstances warrant.

7. No reimbursement of personal expenses, except such as may be granted by the Tribunal on the recommendation of the Director, shall be payable to a member who is absent from his headquarters when he leaves and returns the same day: Provided that the Director may authorize payment of—

Provided also that a member shall not incur an expenditure in excess of £200 during any financial year, either for the use of his own car on official business or for motor car hire or both, unless the Director certifies that the expenditure is necessary in the interests of the efficient working of the Department, and the approval of the Tribunal is obtained.

A member authorized to claim reimbursement in respect of the use of his own motor vehicle shall not be reimbursed for the hire of motor cars, except in cases where it is proved to the satisfaction of the Director that the hiring was unavoidable or was justified by the circumstances of the case, and the approval of the Tribunal is obtained.

19. Furniture shall, when practicable, be removed by railway.

20. When, in response to an advertisement, a member applies for transfer, and is transferred, he shall be reimbursed travelling expenses as specified in clause 18 only if the Director considers that the circumstances are such as to warrant the payment of the whole or part of such expenses:

Provided that a member shall be reimbursed the travelling expenses specified in clause 18 if he transfers in order to comply with the requirements for qualifications prescribed in clauses 1 (a) (ii), 2 (a) (v), 3 (a) (iv), 4 (a) (iii) and 5 (a) (ii) of Regulation 7 of the Teaching Service (Teachers Tribunal) Regulations.

- (e) Where, in the opinion of the Director, special circumstances exist, for which provision is not made in the foregoing, the Teachers Tribunal shall authorize such reimbursement as it deems reasonable.

22. Where a member of the teaching service has been selected to attend a school of instruction or refresher course held wholly or partly during a school vacation and is required to travel more than 20 miles from his permanent place of residence in order to attend, reimbursements may be granted by the Tribunal under the following conditions:—

- (a) Where railway transport is available, an order for a return railway ticket will be issued: Provided that application is made to the Education Department beforehand.
- (b) Where railway transport is not available, a reimbursement of the return fares for travel by other recognized means of public transport will be made on production of the necessary receipts: Provided that approval to travel by such means is obtained from the Education Department beforehand.
- (c) In special cases where the Director is satisfied with the reason given, members of the teaching service travelling by means other than recognized public transport may be reimbursed to the extent of the return fare by public transport: Provided that approval to travel by such means is obtained from the Education Department beforehand.

Special Allowances.

23. Where a member of the teaching service is assigned the duties of a position higher than that in which he is classified, and the Tribunal has consented to such duties being so assigned for a period longer than one month, such member shall be paid an allowance to raise his remuneration to a rate of salary not less than the minimum salary of the next higher class: Provided that no such allowance shall be paid until the member has served in that position for a period of one month.

24. Notwithstanding anything contained in the foregoing clause, where the amount of higher duties allowance payable in accordance with clause 23 of this Regulation would increase a member's remuneration to a rate in excess of a standard salary of £720 a year, the member shall be paid only such allowance as may be determined by the Tribunal.

25. Where a member temporarily occupies a higher position, but does not perform the whole of the duties usually performed by the holder of that position, he may be paid such allowance as may be determined by the Tribunal.

26. Allowances granted under clause 23 or 24 or 25 of this Regulation shall be regarded as salary for the purpose of calculation of payments for overtime work and for reimbursement of travelling expenses.

(To take effect from and including 4th September, 1949.)
