1. The rent shall be payable quarterly in advance, and the first quarter's rent must be paid at the time of the sale. (If the term of the lease be for longer than ten years, the rent shall be re-appraised at the end of every ten-year period.)

2. The lessee shall pay all taxes, rates, duties, charges, assessments, &c., payable in respect of the land and premises, and will be required to meet all municipal, health, factory, and other Local Government requirements.

3. The land shall not (unless with the consent of the Board of Land and Works (hereinafter called "the Board")) be used for any other purpose than that declared by the purchaser.

4. Plans of all buildings proposed to be erected on the land shall be submitted to the Board for its consideration, and work shall not be commenced until approval is given.

18. The lease shall be voidable for failure to use the land bona fide for the purpose for which it has been demised, or for non-payment of rent or interest on rent in arrear, or for breach of any condition, or if the affairs of the lessee be wound up, or in the event of bankruptcy of the lessee.

19. In the event of the lease being declared void, it shall be lawful for His Majesty, his heirs, or successors to enter into and take full possession of the land and premises.
