## PROVISIONS APPLICABLE ONLY TO PERSONS EMPLOYED IN OIL, GREASE, AND PETROLEUM PRODUCTS STORES.

SPECIAL RATES.

In addition to the wages prescribed in clauses 3 and 4 of this Determination the following special rates shall be paid:-

(a) When not more than two storemen and packers are employed for more than half an hour handling or rolling barrels or drums weighing over 5 cwt., they shall be paid 6d. per hour extra whilst so employed.

- (b) Confined Space.—Employees working in a confined space as defined in clause 22 hereof, 3d. per hour extra.
- (c) Dirty Work.—Employees performing dirty work as defined in clause 22 hercof, 3d. per hour extra.
- (d) Cumulative Rates.—Where an employee performs work which is covered by sub-clauses (b) and (c) of this clause the rates shall be cumulative so as to provide a total rate of 6d. per hour for dirty work performed within a confined space.
- (a) Forty hours shall constitute a week's work, and they shall be worked as follows:— Not more than eight hours per day from Monday to Friday, both inclusive, and not more than four hours on Saturday to be worked between the hours of 7 a.m. and 5.30 p.m. Monday to Friday, both inclusive, and between the hours of 7 a.m. and noon on Saturday.
- (b) Provided that it shall be optional for an employer to work either a six-day or a five-day week. When a five-day week is worked, the daily hours on Monday to Friday, both inclusive, shall not exceed 8 hours 48 minutes, within the hours provided in the immediately preceding paragraph, without the payment of the overtime rate.
- (c) Subject to the above, the hours of starting and knocking off may be fixed by each employer, but having once been fixed they shall not be altered without seven days' notice to the employees.
  - SHIFT WORK.
- (a) Where the industry necessitates a continuous process, three shifts of eight hours each may be worked. Employees working on such shifts shall be paid 8s. per week in addition to the rates prescribed in clauses 3 and 4 hereof.
- (b) Employees required for duty in connection with the loading of tank waggons and fully assembled composite waggons with petroleum products in bulk or drums or packages may be employed on shifts provided that such shift work extends over one calendar month, and when so employed shall be paid 8s. per week in addition to the rates prescribed in clauses 3 and 4 hereof.
- (c) Five shifts of not more than eight hours including crib time of half an hour and one shift of not more than four hours or five shifts of not more than eight hours 48 minutes, including crib time of half an hour shall constitute a week's work.
  - (d) Overtime shall be calculated in accordance with the provisions of clause 8 of this Determination.
    - OVERTIME.
  - (a) For all work done on Sundays, Holidays and after 12.30 p.m. Saturdays the rates of pay shall be double time.
- (b) For all work done outside ordinary hours except as provided in sub-clause (a) hereof, the rates of pay shall be time and a half for the first three hours and double time thereafter, such double time to continue until the employee has been released from
- (c) An employee, other than a casual employee, after the completion of overtime work performed after his usual ceasing time shall be entitled to be absent until he has had eight consecutive hours off duty, without deduction of pay for ordinary time of duty occurring during such absence.
- (d) An employee recalled to work overtime after leaving his employer's business promises shall be paid for a minimum of three hours work at the appropriate rate for each time he is so recalled; provided that, except in the case of unforeseen circumstances arising, the employee shall not be required to work the full three hours if the job he was recalled to perform is completed within a shorter period.
- (c) For all work done during supper, breakfast or lunch hours and thereafter until a full meal break is allowed double time shall

#### PART II.—continued.

#### Compulsory Overtime.

(f) An employer may require any employee to work reasonable overtime at overtime rates and such employee shall work overtime in accordance with such requirement.

#### MEAL HOURS.

- (a) One hour on Monday to Friday, both inclusive, shall be allowed for each meal except tea, provided that should any employer and any employee agree, the meal hour may be shortened to meet the exigencies of transport or for the purpose of more effectively operating either a rostered five day working week or a five day working week.
- (b) The hours for breakfast and lunch shall be fixed in each case by mutual arrangement, but having once been fixed, they shall not be altered without seven days' notice to the employees.

  (c) Unless the period of overtime is less than one and a half hours an employee before starting overtime after working ordinary bours shall be allowed a tea break of twenty minutes which shall be paid for at ordinary rates. An employer and employee may agree to any variation of this provision to meet the circumstances of the work in hand provided that the employer shall not be required to make any payment in respect of any time allowed in excess of twenty minutes.
  - (d) The interval for supper shall be between midnight and 1 a.m.

A weekly or casual employee required to work overtime for more than one and a half hours after his usual knock off time shall either be supplied with a meal by the employer or be paid 2s. for each meal.

#### HOLIDAYS.

- (a) Weekly employees shall be entitled without deduction of pay to the holidays observed in respect of—Union Picnic Day to be held on a day to be mutually agreed upon between the union and the employers or, if no agreement is reached, at a date to be fixed by the Wages Board—New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, King's Birthday, Labour Day, Christmas Day, Boxing Day and one other holiday on the day fixed as follows:—Within 25 miles of the General Post Office, Melbourne—Melbourne Cup Day, elsewhere any day agreed by the employer and employee concerned or fixed by the Wages Board the Wages Board.
- (b) Provided that in addition to the above mentioned holidays all gazetted public holidays upon which Railway Goods Yards are closed for the receipt of ordinary goods shall be observed as holidays.

#### ANNUAL LEAVE.

(a) Employees shall be entitled to two weeks' leave, exclusive of any public holidays as provided in clause 11, on full pay at the expiration of each twelve months' service. The annual leave provided by this clause shall be allowed, and shall be taken within three months of such leave falling due, and payment shall not be made or accepted in lieu of annual leave.

Provided that when an employee leaves or is dismissed before the expiration of twelve months, he shall be paid one-sixth of a week's wages for each month of completed service.

(b) Each employee, before going on leave, shall be paid two weeks' wages. For the purpose of this sub-clause the two-weeks' wages shall be at the rate at which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment as the case may be.

(c) When the right to annual leave has accrued the employer shall give not less than one week's notice to the employee concerned of his intention to grant such leave.

13. TERMS OF ENGAGEMENT.

- (a) Employees are to be engaged either as weekly or casual hands.
- (b) In the case of casual hands the engagement shall be terminable at any time by either party. In the case of weekly hands the engagement shall be terminable by a week's notice on either side. Provided that any employee, being incompetent, disobedient or misconducting himself may be dismissed without notice.
- (c) Men engaged for stacking ex ship shall be deemed to be casual hands during the whole time they are engaged on such
- work.

  (d) Where an employer is not satisfied as to the reason of an employee absenting himself from work he may deduct from the wages of such employee the time he has been so absent, unless the employee produces a medical certificate or other satisfactory evidence of sickness if required by the employer, in which case the employer shall make no deduction for such sickness. Should any dispute as to satisfactory evidence of sickness occur it shall be determined by the Wages Board. Provided that should an employee remain absent for more than six days in all during any calendar year the employer may thereafter make such deduction.
- (e) Casual employees who are instructed to report for work at a stipulated time, and who report for work at such time, but whom work is not available within 30 minutes of the said stipulated time, shall be paid ordinary casual rates from the said stipulated starting time.
- (f) In the event of a casual worker being instructed to report for work and his services are not required, he shall be paid for two hours at casual rates.

#### 14. PAYMENT OF WAGES.

- (a) The payment of weekly employees shall be made during working hours in each week on a day suitable to the employer. Provided that in the case of weekly employees two days' wages may be kept in hand.
- (b) Casual hands shall be paid at the time of their services being dispensed with and at the place where the work has been performed.

#### DUAL CAPACITY. 15.

- (a) Where a weekly employee is put to work temporarily at a classification higher than that under which he was engaged or deemed to be working, he shall be paid as follows:—
  - (i) Up to four hours on any one day—the rate prescribed for such higher classification with a minimum of one hour;
    (ii) Over four hours on any one day—a full day's pay at the rate prescribed for such higher classification;
    (iii) Over 22 hours in any one week—a full week's pay at the rate prescribed for such higher classification.
- (b) A weekly employee shall not suffer any deduction in wages during any week by reason of his having been put to work for a part of such week at a classification lower than that under which he was engaged or deemed to be working.

#### TRAVELLING TIME.

- (a) In the case of the engagement of casual labour the time during which the employee is travelling from the place of engagement to the place of employment, or waiting at the job after engagement, shall be treated as ordinary time of duty in addition to the time of actual work. Provided that such travelling time shall not exceed 30 minutes.
- (b) Where circumstances arise necessitating a longer period of travelling time than 30 minutes the extra time so required shall be paid for. Should any dispute arise as to whether payment should be made such dispute shall be determined by the Wages Board.

#### 17. SMOKE-OHS.

Employees shall be allowed smoke-oh periods of ten minutes during each period of at least 4 hour ordinary working time. This provision shall also apply to work performed on Saturday afternoons, Sundays and holidays.

#### FIRST AID.

In each establishment the employer shall provide a properly equipped first aid chest at a place reasonably accessible to all yees. Such a chest shall, as to its contents, comply with any Act or Regulation in force from time to time. employees.

#### FARES.

Transport from store to store in the employers' time shall be arranged by the employers at their own expense or the actual expense incurred shall be paid by the employers,

#### PART II.—continued.

FOOTWEAR,

Suitable and approved footwear shall be provided for employees whilst engaged in places where employers require special footwear to be used

DINING ROOM.

The employer shall provide a suitable place in which the employee may change his clothing and eat his meals. In any case in which the employer objects that it is impracticable or unreasonable to make such provisions, or in which the suitability of the place is called in question, the matter shall be determined by the Wages Board.

22.

DEFINITIONS.

- (a) A "Storeman and Packer" shall mean every employee engaged in the work of receiving, stacking, storing, packing, delivering or handling in any way whatsoever petroleum products, equipment or other merchandise sold, used or employed in connexion with a petroleum merchant's business.
  - (b) A "Leading Hand" shall be an employee who:

    (i) has 1 or 2 employees under his supervision.

    (ii) is in charge of a store.

    (iii) is in charge of 3-9 employees.

    (iv) is in charge of 10 or more employees.
- (c) "Confined Space" shall mean a working place, the dimensions of which necessitate an employee working in a stooped or otherwise cramped position, or without proper ventilation, or where confinement within a limited space is productive of unusual discomfort.
  - (d) A "Casual Hand" shall be one whose period of engagement is less than two weeks.
- (e) "Dirty Work" shall mean handling the following substances other than in closed containers—Agrol, Sulphuric Acid, Graphite, Aluminium Stearate, and filling and handling lime sulphur; also, subject to the proviso hereinafter mentioned, other work which a foreman and a workman shall agree is of an unusually dirty or offensive nature. In cases of disagreement between a foreman and a workman, the workman or a shop steward on his behalf shall be entitled within 24 hours to ask for a decision on the workman's claim by the executive officer responsible for the management or superintendence of the plant concerned. In such a case a decision shall be given on the workman's claim within 48 hours of its being asked for (unless that time expires on a non-working day, in which case it shall be given during the next working day) or else the said allowance shall be paid. In any case, where the Union alleges that an employer or his representative is unreasonable or capricious in relation to such claims he shall have the right to bring such case before the Wages Board.

Provided that the normal handling of materials used in the oil industry other than those listed above shall not be regarded as work of an unusually dirty or offensive nature.

#### PART III.

#### PROVISIONS APPLICABLE ONLY TO PERSONS EMPLOYED IN BOND OR FREE STORES OR ESTABLISHMENTS ENGAGED IN THE GENERAL BULK STORAGE BUSINESS.

#### TERMS OF ENGAGEMENT.

- 23. (a) Employees are to be engaged as weekly or casual employees. A weekly employee is one engaged by the week, and paid by the week, and whose engagement shall be terminable by one week's notice on either side, notice not to be continued from week to week.
  - (b) Such notice shall be given on and take effect from pay day, or, in lieu of such notice, a week's pay shall be given.
- (c) Where a weekly employee is engaged on any day other than the day immediately following pay day, he shall be entitled to casual rates for the broken portion of the week worked by him.

  (d) A casual employee is one whose period of engagement is for less than four weeks, and whose engagement may be
- terminated at any time.

  (c) Casual employees shall be guaranteed not less than two hours' work every start.
- (f) Weekly employees may be summarily dismissed by the employer for dishonesty, misconduct, or for absence from work without reasonable cause, without liability to pay for more than actual time worked.

  (g) Where an employer is not satisfied as to the reason of an employee absenting himself from work, he may deduct from the wages of such employee the time he has been so absent, unless the employee produces a medical certificate of sickness if required by the employer, in which case the employer shall make no deduction for such sickness. Provided that should an employee remain absent for more than six days in all during any calendar year the employer may thereafter make such deduction.

#### CASUAL WORK.

24. Casual employees, i.e., persons employed in Bond or Free Stores or Establishments engaged in the general bulk storage business for less than four weeks, shall be paid at the rate of 4s. 94d. per hour, and such employees shall be guaranteed not less than two hours' work at every start.

The working hours shall not exceed 40 per week to be worked between the hours of 7.30 a.m., and 5.30 p.m. on Monday to Friday inclusive and 7.30 a.m. to noon on Saturday, provided that a week's notice shall be given by the employer to the hands concerned of intention to change the usual hours of starting and finishing.

Different starting and finishing times may be fixed in distinct departments in the same establishment of the employer but not for men working together in the same department.

#### OVERTIME.

26. Overtime shall be paid to both weekly and casual employees for all work done before the usual starting time, and after the usual finishing time, at the rate of time and a half for the first three hours and double time thereafter.

Provided that after noon on Saturday casual employees shall be paid double rates, and after 12.30 p.m. on Saturday weekly employees shall be paid double rates.

#### SPECIAL RATES FOR SUNDAYS AND PUBLIC HOLIDAYS.

27. (i) 6s. per hour shall be paid for all work done on Sunday, Christmas Day, or Good Friday, and (ii) for all work done on all other statutory or gazetted public holidays observed by the Customs Authority, weekly employees shall be paid at the rate of double time in addition to their weekly wage and casual employees shall be paid at the rate of double time.

#### HOLIDAYS.

28. All statutory and gazetted public holidays observed by the Customs Authority shall be recognized holidays without any deductions from the weekly wages to be paid under this Determination.

#### MEAL HOURS.

29. Meal hours shall be as follows:--

Dinner: One hour between noon and 2 p.m.

Tea: 5 p.m. to 6 p.m.

Each employer shall fix the meal hour, which shall not be altered without seven days' notice to the employees.

30. All meal hours if worked shall, except as otherwise provided, be paid for at double rates, such rates to be continued until such time as the meal hour has been allowed, provided that should work not continue after 6 p.m. meal hour rates shall not apply.

#### PART III.—continued.

#### MEAL ALLOWANCE.

31. Employees called upon to work overtime after 6 p.m. on Monday to Friday or 1 p.m. on Saturday shall receive a meal ANNUAL LEAVE.

32. (a) Employees shall be entitled to two weeks' leave excive of any public holidays as provided in clause 28 on full pay at the expiration of each twelve months' service. The annual leave provided by this clause shall be allowed and shall be taken within three months of such leave falling due and payment shall not be made or accepted in lieu of annual leave; provided that when an employee leaves or is dismissed before the expiration of twelve months' service but on or after completing six months' service he shall be paid one sixth of two weeks' wages for each completed two months' service.

(b) Each employee before going on leave shall be paid two weeks' wages. For the purpose of this sub-clause the two weeks' wages shall be at the rate at which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment as the case may be.

(c) When the right to annual leave has accrued the employer shall give not less than one week's notice to the employee concerned of his intention to grant such leave.

concerned of his intention to grant such leave.

#### CARRYING HEAVY GOODS.

33. Casual employees when receiving and carrying continuously for one hour or more bagged stuff, case goods, or other packages exceeding 180 lb. in weight shall be paid 6d. per hour above the ordinary rates, provided that when carrying 10-bushel bags of bran, both temporary employees and weekly employees shall be paid 9½d. per hour above the ordinary rates.

#### PART IV.

PROVISIONS APPLICABLE TO PERSONS EMPLOYED IN TOOL AND/OR MATERIAL STORES CONNECTED WITH METAL MANUFACTURERS STORES, ELECTRICAL GOODS MANUFACTURERS STORES, AND ENGINEERING ESTABLISHMENTS, OR WHERE EMPLOYEES ARE IN CHARGE OF, OR ISSUE STORES AND TOOLS FOR USE IN SUCH ESTABLISHMENTS.

34. The conditions (other than wages rates) of employees covered by this part shall be those (if applicable) of the general body of employees in the establishment.

- JEEMS OF LINGAGEMENT.

  35. (a) Employees are to be engaged as weekly or casual employees. A weekly employee is one engaged by the week and paid by the week, and whose engagement shall be terminable by one week's notice on either side, such notice not to be continued from week to week.
- (b) After one full week's work, such notice may be given to or by a weekly employee at any time, or one week's wages be paid or forfeited, as the case may be, in lieu thereof.
  - (c) Casual employees shall be guaranteed not less than two hours' engagement every start.
- (d) A weekly employee to be entitled to the weekly wage shall be available, ready, and willing to perform his or her usual work during the days and hours usually worked by such class of employee, and may be summarily dismissed for dishonesty, misconduct, neglect of duty, or for absence from work without reasonable cause, and in the event of such dismissal the employee shall be paid only for the time actually worked. Provided that an employer may deduct payment for time lost during which the employee cannot be usefully employed by reason of any strike, breakdown of machinery, or other cause for which the employer cannot reasonably be held responsible.
- (e) Any employee not attending for duty shall lose his pay for the actual time lost unless such employee has had not less than three months' service with the same employer, and produces or forwards within twenty-four hours of the commencement of such absence evidence satisfactory to the employer that his non-attendance was due to personal ill-health or accident necessitating such absence, but such employee shall not be entitled to payment for non-attendance on the grounds of personal ill-health or accident for more than 40 hours of working time in each year. Provided that he shall not be entitled to paid leave of absence for any period in respect of which he is entitled to workers' compensation. For the purpose of administering this sub-clause, "year" means the period between the 1st July and the next following 30th June.
- (f) Notwithstanding anything contained in sub-clause (e) hereof, if the full period of sick leave therein prescribed has not been taken in any year, such portion of the sick leave which was or is not taken shall be cumulative from year to year up to a period not exceeding 120 hours of working time which shall be the maximum amount of leave to which an employee may be cutitled in any year without deduction of pay. For the purpose of administering this sub-clause, service prior to the lat July, 1945, shall not be taken into account.

#### ORDINARY HOURS FOR A WEEK'S WORK.

- 36. (a) The ordinary hours for a week's work shall be 40 except in the case of any week in which any of the holidays specified in clause 42 occur.
- (b) In any such week the ordinary hours of work shall be reduced by the number of hours regarded as an ordinary day's work for any day on which any of the said holidays occur. CASUAL WORK.

37. Casual work, i.e., work for less than two full weeks, other than in potato or onion stores, shall be paid for at the following rates :-

Time and a half for the first three hours, and double time becomes payable it shall continue until the completion of the overtime work.

(ii) An employee recalled to work overtime after leaving his employer's business premises shall be paid for a minimum of three hours' work at the appropriate rate for each time he is so recalled; provided that, except in the case of unforeseen circumstances arising, the employee shall not be required to work the full three hours if the job he was recalled to perform is completed within a shorter period.

#### SPECIAL RATES FOR SUNDAYS AND PUBLIC HOLIDAYS.

41. Double time shall be the rate for all work done on Sunday New Year's Day, Australia Day, Good Friday, Easter Monday, Labour Day, Anzac Day (in industries named in the Second Schedule to the Anzac Day Act 1928), King's Birthday, Christmas Day, and Boxing Day; provided that Melbourne Cup Day shall be substituted for King's Birthday for persons employed in laundries within the Metropolitan District as defined in in the Factories and Shops Acts and the Orders in Council thereunder; provided further that in any case where Melbourne Cup Day has been substituted as a holiday, as provided for in clause 42, the special rate herein provided shall operate on such day in lieu of King's Birthday, but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays the special rate shall only be payable for work done on the days so substituted.

#### HOLIDAYS.

42. Weekly employees shall be granted the following holidays without deduction of pay:—The days observed as New Year's Day, Australia Day, Good Friday, Easter Monday, Labour Day, Anzac Day, King's Birthday (provided that Melbourne Cup Day shall be substituted for King's Birthday for persons employed in laundries within the Metropolitan District as defined in the Factories and Shops Aots and the Orders in Council thereunder), Christmas Day, Boxing Day, Easter Saturday (except those employed in establishments in which perishable goods are handled), and the Picnic Day or Trade Holiday fixed for the majority of the employees in any establishment. Provided that where a Picnic Day has been fixed for the majority of the employees in any section of an establishment, storemen, packers or sorters who are employed for the majority of their time in such section shall be entitled to the same day.

Provided that within the Metropolitan District as defined in the Factories and Shops Acts, Melbourne Cup Day may be substituted for King's Birthday by agreement between the Secretary of the Federated Storemen and Packers Union and any employer concerned.

If any of the above holidays occurs on a Sunday or Saturday, and is not observed on any other day, then employees shall not be paid for such Sunday or Saturday but in an establishment where the ordinary hours are worked in 5½ days shall be paid for such Saturday as for a half-day, but not otherwise.

All employees working on piecework shall be granted the same holidays as are provided for weekly wage workers, and they shall be paid for such holidays the amount for each holiday based on the minimum weekly wage as set out in this Determination for the class of work performed.

#### PERSONS EMPLOYED IN POTATO OR ONION STORES FOR LESS THAN FULL WEEK.

43. Persons employed in potato or onion stores, who work less than the number of hours fixed for an ordinary week's work, shall be paid not less than the ordinary wages rate calculated pro rata, according to the number of hours worked.

#### ANNUAL LEAVE.

#### Period of Leave.

44. (a) Except as hereinafter provided a period of fourteen consecutive days' leave shall be allowed annually to an employee after twelve months' continuous service (less the period of annual leave) as an employee in any one or more of the occupations to which this Part of this Determination applies.

#### Annual Leave Exclusive of Public Holidays.

(b) Subject to this sub-clause the annual leave prescribed by this clause shall be exclusive of any of the holidays prescribed by clause 42 of this Determination, and if any such holiday falls within an employee's period of annual leave and is observed on a day which in the case of that employee would have been an ordinary working day, there shall be added to that period one working day for each such holiday falling as aforesaid.

Where a holiday falls as aforesaid and the employee fails without reasonable cause proof whereof shall be upon him to attend for work on the working day immediately preceding the first day or at his ordinary starting time on the working day immediately following the last day of the period of his annual leave, he shall not be entitled to be paid for any such holiday.

#### Broken Leave.

(c) The annual leave shall be given and taken in a continuous period or, if the employee and the employer so agree, in two separate periods and not otherwise.

### Calculation of Continuous Service.

- (d) For the purposes of this clause service shall be deemed to be continuous notwithstanding-
  - (i) any interruption or determination of the employment by the employer if such interruption or determination has been made merely with the intention of avoiding obligations hereunder in respect of leave of absence;
  - (ii) any absence from work on account of personal sickness or accident or on account of leave lawfully granted by the amployer; or
- (iii) any absence with reasonable cause proof whereof shall be upon the employee.

In calculating the period of twelve months' continuous service any such absence as aforesaid shall not, except to the extent of not more than fourteen days in a twelve-monthly period in the case of sickness or accident, be taken into account in calculating the period of twelve months' continuous service.

In cases of personal sickness or accident or absence with reasonable cause the employee to become entitled to the benefit of this sub-clause shall inform the employer in writing if practicable within 24 hours of the commencement of such absence of his inability to attend for duty and as far as practicable the nature of the illness injury or cause and the estimated duration of his absence. A notification given by an employee pursuant to clause 35 (s) shall be accepted as a notification under this sub-clause.

Any absence from work by reason of any cause not being a cause specified in this sub-clause shall not be deemed to break the continuity of service for the purposes of this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the employee in writing that such absence will be regarded as having broken the continuity of service.

In cases of individual absenteeism such notice shall be given in writing to the employee concerned, but in cases of concerted or collective absenteeism notice may be given to employees by the posting up of a notification in the plant, in the manner in which general notifications to employees are usually made in that plant and by posting to the union whose members have participated in such concerted or collective absenteeism a copy of same not later than the day it is posted up in the plant.

A notice to an individual employee may be given by delivering same to him personally or by posting it to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

#### PART V-continued,

#### Calculation of Service.

(e) Service before the 1st January, 1946, shall be taken into consideration for the purpose of calculating annual leave, but an employee shall not be entitled to leave or payment in lieu thereof for any period in respect of which leave or a payment in lieu thereof has been allowed or made under the clause hereby revoked. Provided however, that in respect of service before the 1st January, 1946, the annual leave shall be allowed at the rate of 3\(^2\) hours for each completed one month of continuous service and in respect of service after that date at the rate of 6\(^3\) hours for each completed one month of continuous service and in respect of service after the 1st January, 1946, shall for the purposes of this clause be deemed to be service after the 1st January, 1946. The period of annual leave to be allowed under this sub-clause shall be calculated to the nearest day any broken part of a day in the result not exceeding half a day to be disregarded.

Where the employer is a successor or assignee or transmittee of a business if an employee was in the employment of the employer's predecessor at the time when he became such successor or assignee or transmittee the employee in respect of the period during which he was in the service of the predecessor shall for the purpose of this clause be deemed to be in the service of the

#### Calculation of Month.

(f) For the purpose of this clause a month shall be reckoned as commencing with the beginning of the first day of the amployment or period of employment in question and as ending at the beginning of the day which in the latest month in question has the same date number as that which the commencing day had in its month and if there be no such day in such subsequent month shall be reckoned as ending at the end of such subsequent month.

#### Leave to be Taken.

(g) The annual leave provided for by this clause shall be allowed and shall be taken and except as provided by sub-clauses (t) and (l) hereof payment shall not be made or accepted in lieu of annual leave.

#### Time of Taking Leave.

(h) Annual leave shall be given at a time fixed by the employer within a period not exceeding six months from the date when the right to annual leave accrued and after not less than two weeks' notice to the employee.

#### Leave Allowed Before Due Date.

(i) An employer may allow annual leave to an employee before the right thereto has accrued due, but where leave is taken in such a case a further period of annual leave shall not commence to accrue until after the expiration of the twelve months in respect of which annual leave had been taken before it accrued.

Where leave has been granted to an employee pursuant to this sub-clause before the right thereto has accrued due and the employee subsequently leaves or is discharged from the service of the employer before completing the twelve months' continuous service in respect of which the leave was granted the employer may for each one complete month of the qualifying period of twelve months not served by the employee deduct from whatever remuneration is payable upon the termination of the employment one-twelfth of the amount of wage paid on account of the annual leave, which amount shall not include any sums paid for any of the holidays prescribed by clause 42 of this Determination.

#### Payment for Period of Leave.

(j) Each employee before going on leave shall be paid two weeks' wages. For the purposes of this sub-clause and sub-clause (k) hereof, wages shall be at the rate prescribed by clauses 2, 4 (b), 4 (c), and 4 (d) of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment, as the case may be. Payment in the case of employees employed on piece or bonus work or any other system of payment by results shall be at time rates.

#### Proportionate Leave on Dismissal.

(k) If after one month's continuous service in any qualifying twelve-monthly period an employee lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, the employee shall be paid at his ordinary rate of wage for 3\frac{3}{4} hours in respect of each completed one month of continuous service before the 1st January, 1946, and for 6\frac{3}{4} hours at the same rate in respect of each completed month of continuous service after that date, the service in each case being service in respect of which leave has not been granted hereunder.

#### Annual Close Down.

- (1) Where an employer closes down his plant, or a section or sections thereof, for the purposes of allowing annual leave to all or the bulk of the employees in the plant, or section or sections concerned, the following provisions shall apply—

  - bulk of the employees in the plant, or section or sections concerned, the following provisions shall apply—

    Ho may by giving not less than one month's notice of his intention so to do stand off for the duration of the close down all employees in the plant or section or sections concerned, and allow to those who are not then qualified for two full weeks' leave paid leave on a proportionate basis of one-sixth of a week's leave for each completed month of continuous service.
    An employee who has then qualified for two full weeks' leave, and has also completed a further month or more of continuous service shall be allowed his leave, and shall also be paid one-sixth of a week's wages in respect of each completed month of continuous service performed since the close of his last twelve-monthly qualifying period.
    The next twelve-monthly qualifying period for each employee affected by such close down shall commence from the day on which the plant, or section or sections concerned is re-opened for work.
    If in the first year of his service with an employer an employee is allowed proportionate annual leave under paragraph (i) hereof, and subsequently within such year lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, he shall be entitled to the benefit of sub-clause (k) of this clause subject to adjustment for any proportionate leave which he may have been allowed as aforesaid.

#### Disputes.

(m) Any dispute arising in connexion with annual leave shall be referred to the Wages Board.

#### MEAL ALLOWANCE.

45. An employee (other than an employee in an egg packing establishment) required to work overtime for any period in excess of one hour after the usual hour of ceasing duty shall be paid an allowance of 2s. 6d. as meal money. Provided that such meal allowance shall not be payable to an employee who can reasonably return home for a meal.

#### REST PERIOD.

46. A rest period of ten minutes, at a time fixed by the employer, between 10 a.m. and 11.30 a.m. each day shall be allowed to all employees (other than those employed in egg packing establishments), such time to count as time worked.

#### RIGHT OF ENTRY OF UNION OFFICIAL.

- 47. A duly accredited representative of the Federated Storemen and Packers' Union of Australia shall have the right to enter employers' establishments during the midday meal hour for the purpose of interviewing employees on legitimate Union business on the following conditions :-

(a) That he produces his authority to the employer or his representative.

(b) That he interviews employees only at the place where they are taking their meal.

(c) That not more than one representative in all be in any establishment at any one time.

(d) That no one representative visit an establishment more than once a fortnight.

(e) That if an employer alleges that a representative is unduly interfering with his establishment or is creating disaffection amongst his employees or is offensive in his methods or is committing a breach of any of the previous conditions, such employer may refuse the right of entry, but the representative shall have the right to bring such refusal before this Wages Board.

#### PART V-continued.

#### EMPLOYER TO PROVIDE TOOLS.

48. All tools which employees (other than those employed in, or on, or in connexion with Wharfs, Wharf Sheds, Customs Railway Sheds, or Fumigating Sheds) are required to use in the course of their work shall be provided by the employer.

#### PIECEWORK.

49. The Board determines, under the provisions of sub-sections (1) and (2) of section 150 of the Factories and Shops Act 1928 (No. 3677), that any employer may fix and pay piecework prices for wholly or partly packing or sorting any articles for which wages rates are fixed, provided that such employer shall base such piecework prices on the earnings of an average worker working under like conditions, and such piecework prices shall be fixed so that an average worker can earn not less than the wages rate fixed by the Board for such work.

#### ADDITIONAL PROVISIONS APPLICABLE ONLY TO PERSONS EMPLOYED IN EGG PACKING ESTABLISHMENTS. MELBOURNE CUP DAY HOLIDAY.

50. Employees shall be either permitted to be absent from duty without deduction of pay from noon on Melbourne Cup Day, or paid at the rate of double time for all work done after noon on that day.

#### RESTRICTION AS TO FEMALES LIFTING HEAVY WEIGHTS.

51. The maximum weight to be lifted by any female over eighteen years of age shall be thirty pounds.

#### REST PERIODS.

52. A rest period of ten minutes in the forenoon and ten minutes in the afternoon shall be given all female workers without any deduction from wages.

#### MEAL ALLOWANCE.

53. An employee required to work overtime for any period in excess of one hour after the usual hour of ceasing duty shall be paid an allowance of 2s. 6d. as meal money. Provided that such meal allowance shall not be payable to an employee who can reasonably return home for a meal.

#### SICK LEAVE.

54. Where an employee is engaged for broken periods of service in successive years with the same employer, each period including and subsequent to a qualifying period of three months' service shall be added for the purpose of calculating credit of sick leave as prescribed in clause 35 of this Determination.

#### PART VI.

#### WAGE ADJUSTMENT PROVISIONS APPLICABLE TO ALL SECTIONS.

#### PERIODICAL ADJUSTMENT OF WAGES.

<sup>\*</sup> When these employees are employed in foundries the rates herein prescribed shall be increased by 5s. per week (i.e., a further loading of 3s. and an additional margin of 2s.).

#### Leading Hands.

Leading hands in charge of not less than three and not more than ten employees, 9s. per week extra; more than ten and not more than twenty employees, 18s. per week extra; more than twenty employees, 27s. per week extra.

#### Ship Repairing.

Employees covered by this Determination who are engaged on ship repairs shall receive an additional margin of 3s. per week.

#### TRADESMEN IN LARGE POWER HOUSES.

Tradesmen and/or welders, and their assistants employed in large operating power houses (i.e., power houses developing more than 8,000 kilowatts), other than those not on the regular staff, engaged on new construction work, shall be paid 6s. per week extra, and other unapprenticed juniors 2s. per week extra, such amount shall be deemed to include all special rates prescribed in clause 4.

This allowance shall continue to be payable to tradesmen attached to the staffs of such power houses while carrying out repairs or maintenance in rotary convertor sub-stations which are in regular operation.

Provided that an employee detailed to act as leading hand in charge of two other adult employees working away from power station or workshop (one of whom is of the same classification as himself) shall be paid 6s. per week extra.

#### FEMALES AND UNAPPRENTICED MALE JUNIORS.

3. (a) Subject to the exceptions hereinafter provided, the minimum rates of wage for adult and junior females employed in manufacturing and assembling of small parts of electrical and other machinery and appliances, and in core making, in which females were employed on the 15th May, 1935, and for unapprenticed male juniors employed in occupations for which apprenticeship is not provided by this Determination, shall be as follows:—

Provided that the rate payable to any employee shall not, excluding the constant loading, be less than 20s.

The total wage shall be calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

(b) Except in the case of employees in foundries, the minimum rate payable to a junior female of any age or a junior male of eighteen years or more each with less than six months' experience under this Determination shall, until he or she has had six months' experience, be 10 per cent. less than the amount represented by the percentage of the needs basic wage hereby prescribed for a junior employee of his or her age and in addition thereto the constant loading prescribed for such an employee:

Provided that this sub-clause shall not operate to reduce the rates paid to any female employee as from the beginning of the first pay period to commence in August, 1942.

- (c) Junior employees employed on the following machines or operations shall be paid at not less than the appropriate adult minimum rates:—
  - (i) Angle-iron cropping where the material weighs more than 3½ lb. per foot and is not clamped.
  - (ii) Assisting steel furnace ladleman other than in daubing or repairing ladles.
     (iii) Assisting storeman racking and/or loading and/or unloading off vehicles of heavy steel plates, bars or sections.
  - (iv) Breaking up pig iron.
  - (v) Carrying material to or from cupola forge or electric steel furnace or using the slicer or hanging on to end of a bloom. This shall not apply in the case of junior moulders.
  - (vi) Cutting out and punching rivets on plates.
  - (vii) Cutting plates by means of hammer and cold set.
  - (viii) Holding up rivets over 1 in. diameter.
  - (ix) Passing hot rivets in confined spaces.
  - (x) Plate edge planers in structural steel or shipbuilding yards where the operator travels on the machine.
  - (xi) Punching machines handling plates weighing more than 84 lb.
  - (xii) Shearing machines other than guillotine plate shearers, handling plates weighing more than 84 lb.
  - (d) Junior employees shall not be employed :-
    - (i) if under the age of 16 years—
       on oil or gas burners or fires used for heating of small articles; or
       using electric are or oxy-acetylene blow-pipe, or
  - (ii) if under 18 years of age as furnaceman or assistant to furnaceman; or as a roller, extrusion press operator, pipe trap machine operator, roller's assistant or as a melter. Clauses, other than clauses 2 and 3, of the said Determination shall remain in force.

Contract of Apprenticeship.

- 3. (a) Every contract of apprenticeship hereinafter made shall contain-
  - (i) the names of the parties;
  - (ii) the date of birth of the apprentice;
  - (iii) a statement of the trade or trades to which the apprentice is to be bound and which he is to be taught during the course and for the purpose of the apprenticeship;
  - (iv) a covenant by the master to teach and instruct or cause the apprentice to be taught or instructed in the trade to which the apprentice is bound;
  - (v) the date at which the apprenticeship is to commence or from which it is to be calculated;
  - (vi) all other conditions of apprenticeship.
- No. 349.—4131/50.—PRICE 3D.

#### Cancellation or Suspension of Indenture.

- (b) Subject to the approval of the Secretary for Labour, but not otherwise, an indeuture of apprenticeship may be suspended or cancelled-
  - (i) by mutual consent;
  - (ii) if through lack of orders or financial difficulties an employer is unable to find suitable employment for an apprentice and a transfer to another employer cannot be arranged;
  - (iii) if, in the opinion of the Secretary for Labour, circumstances exist which render such suspension or cancellation necessary or desirable.

Any covenant in an indenture inconsistent with the provision of this clause shall be null and void and of no force or effect while this Determination remains in force and applies to the parties to the indenture.

#### Proportion.

(c) The proportion of apprentices who may be taken by an employer shall not exceed one apprentice to every three-or fraction of three tradesmen.

For the purpose of ascertaining the number of apprentices, the number of tradesmen shall be deemed to be the average number working during the immediately preceding six months, and in ascertaining such proportion an employer actually working in any workshop shall be deemed to be a tradesman.

A person who is, for a term not exceeding two years taking practical training in a workshop in continuance of a course of training for professional work shall not be taken into account in calculating the proportion of apprentices to

An employer may with the consent of the Wages Board and upon satisfying that authority that he has the plant, equipment and staff necessary for the proper tuition of each apprentice concerned take apprentices in excess of the proportion herein prescribed. Until further order apprentices so taken shall not be counted in future calculations of the proportion of apprentices to journeymen authorized by the Determination.

### $Period\ of\ Apprenticeship.$

(d) If the apprentice, when indentured, is under the age of seventeen years—five years; if over the age of seventeen four or five years, at the option of the contracting parties.

#### Adult Apprentices.

(c) Any apprentice who cannot complete his full term of apprenticeship before reaching his 22nd birthday may, by agreement with his master, serve as an apprentice until he reaches the age of 23 years.

#### Probationary Period.

(f) Minors may be taken on probation for three months, and if apprenticed such three months shall count as part of their period of apprenticeship. An employer shall within fourteen days of employing a probationer notify the appropriate apprenticeship authorities of the employment of such probationer to any of the trades mentioned herein.

#### Wages.

(g) The minimum weekly rates of wage for apprentices shall be the under-mentioned percentages of the needs basic wage, and in addition thereto the constant and war loadings specified, and in all contracts of apprenticeship hereafter made the employer shall covenant to pay wages of not less than such rates.

The total wages of apprentices and improvers shall be calculated to the neurest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

### APPRENTICESHIP.

5. (a) Youths shall not be engaged in the following occupations except under indentures of apprenticeship for the periods and subject to the conditions hereinafter prescribed:—

Patternmaking, electrical fitting, engineering fitting and turning, first and second class engineering machining, first-class welding, engineering blacksmithing, jobbing moulding and/or coremaking, sheet metal (first-class bench work) motor mechanic.

(b) In the trades immediately hereinafter mentioned the proportion of apprentices which may be taken by any employer shall be as follows:—

Mechanical engineering-one apprentice for every 3, or fraction of 3, tradesmen.

Electrical fitting—one apprentice for every 3, or fraction of 3, tradesmen.

Electrical mechanic—one apprentice for every 2, or fraction of 2, tradesmen.

Patternmaking-one apprentice for every 3, or fraction of 3, tradesmen.

Smithing-one apprentice for every 3, or fraction of 3, tradesmen.

Moulding-one apprentice for every 2, or fraction of 2, tradesmen,

- (c) For the purpose of ascertaining the number of apprentices, the number of tradesmen shall be deemed to be the average number working during the immediately preceding six months, and in ascertaining such proportion, an employer actually working in any workshop shall be deemed to be a tradesman.
  - (i) The period of apprenticeship shall be as follows:-
    - If the apprentice when articled is under the age of 17 years, five years; if over the age of 17 years, four or five years, at the option of the contracting parties.
  - (ii) An employer especially qualified to teach apprentices may, with the consent of the Secretary for Labour, or of the State Apprenticeship Commission, employ a greater proportion of apprentices to tradesmen than hereinbefore specified.
  - (iii) Minors may be taken on probation for three months, and, if apprenticed, such three months shall count as part of their period of apprenticeship.
  - (iv) Until further order, any contract of apprenticeship hereafter made may contain the following provision:-
    - If through lack of orders or through financial difficulties, the employer is unable at any time to find employment and training for an apprentice, and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may with the concurrence of the apprentice and his guardian be suspended for a period agreed upon, or if no such agreement is arrived at, may be cancelled by the employer. The onus of proof of circumstances justifying such cancellation shall be on the employer.

This clause shall not apply to apprenticeship controlled by the State Apprenticeship Commission, but such Commission shall be free to adopt such schemes for suspension or cancellation of indentures as it may deem reasonable.

#### Wages per Week of 40 Hours.

(v) The minimum weekly rates of wage for apprentices shall be the undermentioned percentages of the contemporaneous needs basic wage prescribed for the area in which they are employed, and in addition thereto the constant and war loading specified, and in all contracts of apprenticeship hereafter made the employer shall covenant to pay wages at not less than such rates.

The sum of 4s. per week shall be added to the above rates in the case of apprentice patternmakers.

The total wages of apprentices shall be calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

An employee who is under 21 years of age on the expiration of his apprenticeship and thereafter works as a minor in the occupation to which he has been apprenticed shall be paid at not less than the adult rate prescribed for that classification.

- (vi) The ordinary hours of employment of apprentices shall be the same in each workshop as those of journeymen in the trade the apprentice is learning.
- (vii) No apprentice under the age of 18 years shall be liable to work overtime unless he so desires.
- (viii) No apprentice shall work under any system of payment by results.
- (ix) Any apprentice who cannot complete his full term of apprenticeship before reaching his 22nd birthday may, by agreement with his master, serve as an apprentice until he reaches the age of 23 years.
- (x) The apprentice at the end of the calendar period of any year in which he has actually given service to the master upon less than the ordinary working days prescribed in the Determination for the trade, or in which he has unlawfully absented himself without the master's consent shall, for every day short of the said number of working days, and for every day of such absence, serve one day, and the calendar period of the succeeding year of his service shall not be deemed to begin until the said additional day or days shall have been served.
- (xi) No employer shall, either directly or indirectly, or by any pretence or device, receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or bonus for the taking or binding of any probationer or apprentice.
- (xii) Apprentices attending technical colleges or schools and presenting reports of satisfactory conduct shall be reimbursed all fees paid by them.
- (xiii) Apprentices shall be entitled to annual leave and sick leave in accordance with the provisions of clauses 10A and 14A of this Determination respectively.

#### UNAPPRENTICED MALE JUNIORS AND FEMALES.

6. (a) Subject to the exceptions hereinafter provided the minimum rates of wage for females and unapprenticed male juniors shall be the undermentioned percentages of the contemporaneous needs basic wage prescribed for the area in which they are employed and in addition thereto the constant loadings specified.

### DETERMINATION OF A WAGES BOARD ADJUSTED PURSUANT TO SECTION 21 OF THE FACTORIES AND SHOPS ACT 1934 (No. 4275).

1, Raymond Henry Beers, Secretary for Labour, in pursuance of the powers conferred by the Factories and Shops Acts, hereby make and issue the following adjusted Determination of the Wages Board referred to hereunder showing adjusted rates and prices to operate from the beginning of the first pay period to commence in May, 1950.

Dated at Melbourne, this 10th day of May, 1950.

RAY H. BEERS, Secretary for Labour.

### RUBBER TRADE BOARD.

Clauses 2 and 3 of the Determination published in Government Guzette No. 10 of the 9th January, 1950, shall be replaced by the following clauses:—

2. Apprentices or Improvers.

### Proportion.

### MALE APPRENTICES.

One male apprentice to every three or fraction of three adult male workers receiving not less than 150s. per week of 40 hours.

No. 353.—4382/50.—PRICE 3D.

3.

#### MALE IMPROVERS.

Such numbers of improvers as shall not together with apprentices exceed, in the aggregate, one to every three or fraction of three adult male workers receiving not less than 150s. per week of 40 hours.

#### FEMALE APPRENTICES.

Fancy Goods Section.

Three female apprentices to every adult female worker receiving not less than 107s. 9d. per week of 40 hours.

### All Other Sections.

One female apprentice to each adult female worker receiving not less than 107s. 9d. per week of 40 hours.

#### FEMALE IMPROVERS.

Fancy Goods Section.

Such number of improvers as shall not together with apprentices exceed, in the aggregate, three to each adult female worker receiving not less than 107s. 9d. por week of 40 hours.

#### All Other Sections.

Such number of improvers as shall not together with apprentices exceed, in the aggregate, one to each adult female worker receiving not less than 107s. 9d. per week of 40 hours.

- (a) Except in the fancy goods section of the industry, the number of adult females or adult males respectively employed at any given time shall be deemed to be the weekly average number employed (exclusive of any female employees employed in the fancy goods section of the industry) during the immediately preceding period of twelve calendar months. For the purpose of ascertaining the proportion of improvers to male or female adults, there shall be a weekly count, and any union official making an inspection of the books to ascertain such proportion shall take the weekly average number of such male or female adults as the case may be, and the average number of male or female improvers employed during the week in which the inspection is made.
- (b) Notwithstanding anything hereinbefore contained, junior workers receiving the adult wage prescribed for the class of work being performed by them, shall be counted as adult workers in calculating the proportion of juniors, but, in calculating such wage, bonuses shall not be considered as part of the wage.
