AMENDMENT OF REGULATIONS.

WHEREAS certain Regulations for regulating the duties and conduct of officers and employees of the Country Fire Authority were made by the Governor in Council on the twenty-ninth day of May, 1945, and published in the *Government Gazette* of the thirtieth day of May, 1945:

And whereas such Regulations have been amended from time to time:

Now therefore His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the provisions of the Country Fire Authority Acts, doth hereby further amend as follows the said Regulations (that is to say):—

1. For the definition of “ officer ” in clause 1 of the said Regulations there shall be substituted the following definition:—

“ ‘ Officer ’ means—

(a) Except for the purposes of clause 3 and clauses 17 to 23 inclusive of these Regulations, every Chief Officer, Deputy Chief Officer, Assistant Chief

Officer, Regional Officer, and every other officer and employee of the Authority not being a member of a fire brigade;

- (b) For the purposes of clause 3 and clauses 17 to 23 inclusive of these Regulations, every Chief Officer, Deputy Chief Officer, Assistant Chief Officer and Regional Officer, every Station Officer or Sub-station Officer being a member of a fire brigade, and every other officer and employee of the Authority not being a member of a fire brigade."

2. For clause 3 of the said Regulations there shall be substituted the following clause:—

"3. The Authority may at such times as may be convenient grant to every officer leave of absence for recreation in accordance with the following scale (that is to say):—

Officer.	Maximum Period of Leave.
(a) For a Station Officer or a Sub-station Officer	(a) Twenty-eight days for each eleven months.
(b) For the Secretary, the Assistant Secretary, a Chief Officer, a Deputy Chief Officer, a Regional Officer, an Assistant Chief Officer, or a Motor Mechanic	(b) Three weeks for each twelve months.
(c) For a member of the head office clerical staff or any other officer not otherwise provided for—	
(i) if he has been employed by the Authority for more than three years	(i) Three weeks for each twelve months.
(ii) if he has not been employed by the Authority for more than three years	(ii) Two weeks for each twelve months.

Provided that no such leave shall be granted to any officer until he has completed one year of service."

3. Clause 6 of the said Regulations is hereby revoked.

4. After clause 16 of the said Regulations there shall be inserted the following clauses:—

"17. In the case of illness of an officer provision for sick leave for whom is not made by a relevant industrial award, determination or agreement, the conditions under which the Authority may grant leave of absence shall be as follows:—

- (a) When leave with pay is approved, the basis for determining the amount which may be granted shall be ascertained by crediting the officer with the following periods, such leave to be cumulative:—

	Leave on Full Pay.	Leave on Half Pay.
On completion of six months' service	16 days	16 days.
On completion of two years' service and each year's service thereafter	8 days	8 days.

- (b) To determine the sick leave for which an officer is eligible at any time all sick leave granted during his service at rates of full pay and half pay respectively shall be deducted from the appropriate period ascertained under the provisions of the immediately preceding paragraph.

- (c) After deduction has been made as provided in the immediately preceding paragraph the period remaining at each rate of pay shall be the amount of leave for which an officer is eligible:

Provided that, notwithstanding the amount of sick leave standing to the credit of any officer continuous leave with pay shall not be granted for any period longer than 52 weeks inclusive of any recreation leave which may be granted. Where an officer has had 52 weeks' continuous leave with pay, no further leave with pay shall be granted until such officer has completed a period of duty of not less than four weeks.

- (d) For each week an officer is absent on leave with full pay the amount of leave on full pay standing to his credit shall be reduced by five days.

For each week an officer is absent on leave with half pay the amount of leave on half pay standing to his credit shall be reduced by five days notwithstanding that his pay is reduced to half pay for seven days.

Where the absence exceeds one or more weeks but does not extend to a further week the number of weeks shall be recorded as hereinbefore provided and the remaining days shall be debited as a period of less than a week.

When the period of leave granted to an officer with pay (whether full pay or half pay) does not extend to a week his appropriate credit shall, subject to the provisions of clause 18 of these Regulations, be reduced by the number of days he would have been required to be on duty if he had not been absent on sick leave.

- (e) In these Regulations, so far as they relate to sick leave, 'service' means continuous service, inclusive of any period of absence on leave, provided that, in determining at any time the amount of leave standing to the credit of an officer who has been absent on leave without pay (other than for the purpose of serving with the Commonwealth Defence Forces) continuously for a period extending beyond six months, such period as is in excess of six months shall not be counted as service.

18. (1) Where an officer whose normal working week is from Monday to Friday inclusive is absent through illness on a Saturday on which he is rostered to perform duty, such day shall not be deemed for the purposes of sick leave to be a day on which he is required to be on duty, and, in respect of such day, no debit shall be made against his sick leave credit, but, in the case of any such absence, the Authority may require the production of a medical certificate.

(2) Where an officer whose normal working week is from Monday to Friday inclusive is granted sick leave for a period which includes a period during which he would but for such sick leave have been rostered off duty in respect of duty performed by him on a Saturday morning, he shall, after resuming duty from sick leave, be granted time off in lieu of any such duty performed before he commenced sick leave.

19. (1) A public holiday observed between the first and last days of a period of sick leave of an officer shall be regarded as part of such leave.

(2) After an absence on sick leave an officer shall be deemed to have resumed duty on the day he actually returns to duty:

Provided that a public holiday observed at the expiration of a period of sick leave shall not be regarded as part of such leave when the officer resumes duty immediately after such holiday.

20. (1) For any period exceeding two days' continuous absence, a satisfactory certificate by a legally qualified medical practitioner shall be furnished setting out the cause of such absence:

Provided that—

- (a) The Authority may require a medical certificate to be furnished with respect to any absence; and
(b) continuous sick leave with pay shall not be granted to an officer for any period exceeding thirteen weeks, unless a legally qualified medical practitioner designated by the Authority certifies that the leave is necessary.

(2) No leave shall be granted with pay on account of illness caused by the misconduct of an officer or in any case of absence from duty without sufficient cause. Where the Authority has occasion for doubt as to the cause of illness or the reason for absence, it may before accepting a medical certificate refer such certificate to the Authority Medical Officer for report.

(3) If the number of days during which an officer is absent in any year without a medical certificate exceeds five days in the aggregate, the number of days' absence in excess of five shall not be granted as sick leave, but shall be deducted from his recreation leave or be granted without pay.

(4) In a special case where a legally qualified medical practitioner is not available, the Authority may accept a certified statement from an approved officer in lieu of a medical certificate.

21. (1) Where the Authority is satisfied that the illness of an officer with at least six months' service is directly attributable to or is aggravated by his service in the war which commenced in the year One thousand nine hundred and fourteen or in the year One thousand nine hundred and thirty-nine, such officer may, apart from any sick leave which may be standing to his credit, be granted special leave with full pay for not more than eight days (or, within a period of three years from and inclusive of the date of resumption of duty after such war service, twelve days) in the aggregate during any year of service:

Provided that, where an officer was first appointed to the service of the Authority after his discharge from the Commonwealth Defence Forces, this sub-clause shall be read and construed as if the words 'date of discharge from the Commonwealth Defence Forces' had been substituted for the words 'date of resumption of duty after such war service.'

Such special leave shall be cumulative provided that the total of the accumulated leave standing to the credit of an officer shall not at any time exceed 60 days.

(2) Where the nature of the duties of an officer is such as to expose him to the risk of infection from a contagious disease, and the Authority Medical Officer certifies that the officer has contracted an illness directly attributable to such infection, the officer may be granted leave with full pay, apart from any sick leave which may be standing to his credit, during the period for which he is required to absent himself from duty on account of such illness. Leave granted under the provisions of this sub-clause shall not be regarded as a debit against the sick leave credit of the officer and shall not exceed a continuous period of thirteen weeks.

(3) If any officer in the discharge of his duty sustains bodily injury of such a nature as to incapacitate him for all duty, and the Authority is satisfied that such injury was not contributed to by the negligence or misconduct of the officer, such officer shall, apart from any sick leave which may be standing to his credit, be granted leave on full pay during such incapacity less the amount paid by way of weekly compensation pursuant to the Workers' Compensation Acts. Leave granted under the provisions of this sub-clause shall not be regarded as a debit against the sick leave credit of the officer and shall not exceed a continuous period of 52 weeks inclusive of any other leave which may be granted with pay.

(4) If any officer is certified by the Authority Medical Officer to be suffering from pulmonary tuberculosis and to be probably curable, leave of absence may be granted on the following terms, viz., six months on full pay and three months on half pay; provided that such pay may be made conditional on the officer undergoing treatment in an approved sanatorium when so recommended by the Authority Medical Officer. Any leave so granted in excess of the sick leave credit of the officer shall not be regarded as a debit against such sick leave credit.

(5) The provisions of clauses 17, 18, and 19 of these Regulations, so far as they are applicable, shall be deemed to apply to leave under the provisions of this clause.

22. Where an officer is continuously absent from duty on account of illness beyond a period of thirteen weeks, he shall not be permitted to return to duty until the Authority Medical Officer shall have certified that such officer is fit to resume duty.

23. The Authority may grant leave of absence for two days on full pay and one day on half pay to any officer on account of the death or serious illness of his wife, child, father, mother, brother, or sister, or in any other case where, in the opinion of the Authority, special circumstances exist:

Provided that more favourable terms of leave may be granted by the Authority if it is satisfied in any particular case that the leave authorized by this clause is inadequate."

And the Honorable Keith Dodgshun, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

Clerk of the Executive Council.
