Any agreement made in accordance with this clause shall not be deemed to contravene any prescribed condition in the Determination relating to wages or the starting or finishing times of any shift or weekly hours of employment.

TERMS OF EMPLOYMENT.

21. (a) No employee shall be employed other than as a weekly time work employee or a weekly piecework employee, or a casual time work employee or a casual piecework employee.

(i) On each working day or night of the week, the weekly pieceworker shall present himself for employment at the usual time for beginning work at the place of business of the employer, unless informed by the employer that his attendance on any day or on any night is not required, but in any case where an employer has no work for a pieceworker to do on the next following shift, he shall so inform the employee prior to his terminating work, and in any such case the employee shall not be obliged to present himself for work on the following shift.

(ii) If the weekly pieceworker begins work on any such day or any night, he shall (subject to the provisions of sub-clause (d) hereof) receive not less than four hours' continuous employment, or be paid for such four hours at the rate prescribed for a machine compositor on time work.

(iii) Subject to the provisions of sub-clause (d) hereof, a weekly pieceworker shall be guaranteed at least 30 hours' employment in any working week. If such employment is not provided for him in any week, and in such week he complies with the provisions of paragraph (i) of this sub-clause, and faithfully performs all work provided for him during that week, he shall be paid for any hours short of this guarantee at the rate prescribed for a machine compositor on time work, and this notwithstanding that any public holiday or holidays occur in such week.

(iv) In respect of each public holiday referred to in clause 24 hereof, which occurs in any week, and on which the weekly pieceworker is not required to work by the employer, he shall be paid for five hours at the rate prescribed for a machine compositor on time work.

(d) The employment of a weekly time work or piecework employee may be terminated by one week's notice on either side, and such notice may be given at any time during any week to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency (but only where the employee has less than one week's service), neglect of duty, or misconduct, and in such case wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike of the said Union, or any other Union, or through the breakdown of machinery or any stoppage of work for any cause for which the employer cannot be held responsible.

(e) Where a weekly piecework employee gives or receives one week's notice of the termination of his employment, he shall during the week that such notice runs, be given the same amount of piecework as it has been customary for him to perform during the period of his employment.

(f) If an employee's services be terminated during the course of a week, he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within 24 hours thereafter.

SICK LEAVE.

22. The following provisions shall apply to sick leave and sick pay:—

(a) Any weekly time work employee not attending for duty will lose his pay for the actual time lost unless he produces, or forwards within 28 hours of the commencement of such absence, evidence satisfactory to the employer that his non-attendance was due to personal ill health necessitating such absence.

(b) A weekly pieceworker not attending for duty will be excused for not presenting himself for employment at the proper time and place, and such non-attendance shall not disentitle such pieceworker to payment for such absence if within 28 hours of the commencement of any such absence he produces or forwards to the employer evidence satisfactory to the employer, that his non-attendance was due to personal ill health necessitating such absence.

(c) A weekly pieceworker shall be paid for the actual hours of his absence or absences (subject to sub-clause (e) herein), at the rate prescribed for a machine compositor on time work. An employer shall be entitled to count time of absence in any week in which a pieceworker has been sick to make up the weekly guarantee of hours in any week in which a pieceworker has worked less than 30 hours.

(d) The year to be observed herein shall begin on the first day of January in each year.

(e) A time worker or a pieceworker shall be entitled to not more than 40 hours' payment in any year under this clause of the Determination, notwithstanding that he may be employed by different employers.

CUMULATIVE SICK LEAVE.

23. (a) Sick leave shall accumulate from year to year so that the period of 40 hours in each year of employment (or any balance of the period) specified in clause 22 hereof which has in any year not been allowed to an employee by an employer as paid sick leave, may be claimed by the employee and subject to the conditions prescribed in clause 22 shall be allowed by that employer in a subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant hereto shall be available to the employee for a period of two years but for no longer from the end of the year of employment in which it accrues.

(b) Notwithstanding anything to the contrary contained herein, any employee who at the commencement of this Determination has acquired rights under the Determination hereby rescinded shall have such rights preserved to him as though they were prescribed in this Determination and his employer shall grant them to the employee on application.

(c) An employee's rights under this clause shall begin to accrue from the first day of January.

LEAVE OF ABSENCE.

24. (a) Nothing in this clause has reference to absence occasioned by ill health.
- (b) In any daily newspaper office every employee shall be entitled to and be allowed three calendar weeks' and two days' leave (excluding Christmas Day and Good Friday) on full pay in respect of each completed period of twelve calendar months' service, of which three calendar weeks and two days, two calendar weeks at least shall be consecutive during the continuance of this Determination. Should any employee be required to work on Christmas Day or Good Friday, he shall, within seven days of either holiday, be given a day off in lieu thereof.
- (c) In other than a daily newspaper office (including a commercial printing office) every employee shall be entitled to and be allowed two calendar weeks' leave and ten public holidays on full pay in respect of each completed period of twelve calendar months' service during the continuance of this Determination, such two calendar weeks' leave to be consecutive, provided that by agreement between the Union and the employer the period of consecutive leave may be reduced to meet special circumstances in the case of weekly newspapers (but not so as to deprive the employee of any part of the leave provided) and provided further that the ten public holidays may be either public and/or local holidays as the employer and the employee may agree upon.
- (d) In this Determination "public holiday" means the day observed as any of the following days or any days substituted therefor:—New Year's Day, Good Friday, Easter Saturday, Easter Monday, Labour Day, Christmas Day, Boxing Day, Australia Day (the 26th day of January), King's Birthday, Anzac Day, together with such district or local holidays as may be observed in the district or place in which an employee works. Where a holiday may fall on a non-working day and the State may with regard to its own employees prescribe in the following week a certain working day as an additional holiday, such working day shall be a public holiday within the meaning of this clause.
- (e) An employee, for his own purposes, and with the consent of the employer, may elect to take off an equivalent number of days in lieu of and in substitution for one or more of the public holidays to which this clause entitles him.
- (f) The period of consecutive weeks' leave prescribed in sub-clause (b) hereof shall include public holidays occurring within the period, but shall not include Good Friday or Christmas Day. The period of consecutive weeks' leave prescribed in sub-clause (c) hereof shall not include public holidays but should a public holiday fall within the period it shall not reduce the number of ten public holidays to which the employee is entitled under this sub-clause.
- (g) Leave shall be taken at such time as the employer deems convenient, but within three months of such leave becoming due. The employer may, at his option, allow an employee to take such leave before the completion of such twelve calendar months' service. An employee shall be given at least one month's notice of the commencing date on which he will be required to take his leave.
- (h) If the employment be terminated after any leave shall become due and the leave not have been taken, the employee shall be entitled to the payment of wages in lieu thereof appropriate for his period of leave as prescribed in sub-clauses (b) and (c) hereof, less any days of leave which may have been taken by him, the wages to be calculated as of the date when the leave accrued due.
- (i) If during any twelve months of his service the employment of an employee who has been employed for more than three calendar months is terminated, such employee shall be paid the proportion of wages appropriate for his period of leave as prescribed in sub-clauses (b) and (c) hereof, which the period of employment bears to twelve calendar months, less any paid holidays occurring within the period on which the employee had not worked. For the purposes of this clause, "the period of employment" shall mean the period commencing with his first employment, or upon the expiration of any twelve months of his employment. Any employee, other than a casual employee, whose period of employment when terminated is less than thirteen weeks, shall have a day's pay granted to him for any holiday worked by him falling within the period of employment unless a day's leave in lieu thereof has been given.
- (j) Each employee before going on leave, shall be paid his wages for the period of leave. For the purpose of this sub-clause the wage shall be at the rate prescribed by clause 2 of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave, unless the employee was being paid a higher wage, when it shall be that higher wage. If the employee is a pieceworker, the pay to be given for the period of leave of absence shall be at the rate fixed for a time worker doing the same class of work as that of the employee.
- (k) An employer shall not terminate the employment of a weekly employee for the purposes of evading payment for the holidays prescribed by this Determination.
- (l) If during any twelve months of his service an employee entitled under this clause to ten public holidays on full pay has not been allowed at least ten public holidays, he shall be paid, if a time worker, an ordinary day's pay, or if a pieceworker, an ordinary day's pay for a time work machine compositor, in respect of each public holiday (not exceeding in all the number of ten) on which he has been required to work notwithstanding that for the week including such public holidays he has been paid his full weekly wage or piecework rate, as the case may be, and such amount may be claimed within twelve months after the expiration of such twelve months.
- (m) If in any twelve months of his service an employee entitled under this clause to leave on full pay as prescribed in sub-clauses (b) and (c) hereof, has not been allowed such leave, he shall be paid for each of the days mentioned, if a time worker, at the full rate of payment, or if a pieceworker at the rate for a time work machine compositor, notwithstanding that in respect of each of such days he has already received his wages or piecework payment, as the case may be, without deduction, and such amount may be claimed within twelve months after the expiration of such twelve months.
- (n) Payment under either of sub-clauses (l) and (m) hereof shall not excuse an employer for failure to allow an employee to take a holiday or leave to which he is entitled under this clause and such failure shall be a breach of this Determination, notwithstanding any agreement whereby the employee purports to waive the holiday or leave to which he is entitled.

TIME BOOK.

25. (a) Each employer shall keep a time and wages book, correctly and fully written up in ink in English, showing the name of each employee and his occupation, the hours worked (including overtime) each day or night, and the wages, overtime and allowances paid each week, provided that the employer may, at his option, use a mechanical clock in lieu of a time book for the purpose of recording the time of each employee. The book, or when a clock is installed, the time cards, shall be open for inspection by a duly accredited official of the Union during the usual office hours at the office or other convenient place.
- (b) The employer shall also keep for inspection a record of the age of each female or male junior and each apprentice.
- (c) A duly accredited official of the Union shall mean any officer of such organization or of the appropriate branch thereof, who may be accredited in writing by the general secretary, or by the appropriate branch secretary, and shall include the branch secretary.

The official shall exercise this right reasonably, and shall interfere with the work and duties of an employee as little as possible.

CASUAL EMPLOYEES.

27. (a) An employer when engaging a person for casual employment shall inform him then and there that he is to be employed as a casual. Except where this is done the employee shall be a weekly time worker or weekly pieceworker. A casual employee after two weeks of continuous employment as a casual employee shall become a weekly time worker or weekly pieceworker.

(b) Where a casual employee commences duty, or where the employer expressly agrees to employ a casual employee on any employment, and the casual employee, in pursuance of such agreement, actually attends for duty, such employee:

- (ii) If a time worker engaged as a machine compositor, shall be paid for four hours at the least.
- (iii) If a time worker engaged in any other work, shall be paid for four hours at the least.
- (iv) If a piece worker, shall be given four hours' work at the least or paid for four hours at the appropriate rate for a time worker.

(c) The hourly rate for any work for which a weekly rate is prescribed by this Determination is to be ascertained by dividing the weekly rate by the number of hours which constitute the employee's prescribed working week.

(d) A casual employee, other than a casual publishing employee, whether working at piecework or time work and working on day shift, shall be paid for such work the piecework rate or the hourly rate prescribed for such work, with the addition of 15 per cent.

(e) A casual employee, other than a casual publishing employee, whether working at piecework or time work, and whether working mixed day and night shift, or night shift, or on work extending to not later than 6 o'clock Sunday morning, shall be paid for such work the piecework rate or the hourly rate prescribed for night work, with the addition of 15 per cent.

(f) A casual publishing employee working on day shift, shall be paid for such work the hourly rate of 4s. per hour.

(g) A casual publishing employee, whether working mixed day and night shift, or night shift, shall be paid for such work the hourly rate of 4s. 5d. per hour.

(h) A casual employee, when working overtime, shall have his rate of pay as a casual employee increased by the same proportion (e.g., one half, or double, as the case may be) as the weekly worker's rate applicable to the class of work done by the casual employee is directed to be increased under this Determination for such work done on overtime with the addition of 15 per cent.

PROBATIONERS ON TYPE-CASTING OR SLUG-CASTING MACHINES.

28. An employer shall not employ an employee as a probationer on the keyboard of a type-casting or slug-casting machine unless such employee is a compositor who has served a full term of apprenticeship or is an apprentice who has served three years' apprenticeship as a compositor.

PIECEWORK.

29. (a) No work shall be performed by any employee by contract or sub-contract or other similar system.

(b) No piecework shall be performed by an employee other than in respect of work done in connexion with machine composition in a newspaper office in Hamilton, and in any other newspaper office where four or more slug-casting machines are in use, as may be agreed upon between the Union and an employer.

CALL CLAUSE.

30. (a) In respect to newspaper work, two hours shall be paid for as a call to any employee brought in on any week-day to issue any special edition or do any work not in his ordinary working hours for that week. Such call, together with the time worked, shall be paid for at the rate of time and a half or rate and a half, except on Sundays. On Sundays, double time or double rate shall be paid for the call, and for the time worked, with a minimum of two hours. This clause shall only apply when an employee is not notified before he leaves work that he will be required for special duty. In any case where an employee is brought in without notice because of another employee having unexpectedly absented himself from his work, the provisions of this clause shall not apply, but the employee so brought into work shall be paid double time or double rate for the hours worked by him should such hours be outside his ordinary working hours for that week.

MIXED FUNCTIONS.

33. Where an employee is employed on work which involves the payment of a higher rate of wage than the rate prescribed in this Determination for the work usually performed by such employee, the employee shall be paid such higher rate of wage for the time occupied by him in the performance of such work provided that if he be employed for four hours or more on any day on such work the employee shall be paid for the full day at the higher rate of wage. Basic Wage.

(b) A machine compositor shall have a reasonable opportunity to correct his own proofs. Should the exigencies of the work require it, proofs may be corrected on time at the discretion of the printer, and the house shall have the right to correct and deduct from the machine compositor the number of lines requiring correction. The machine compositor shall have the opportunity of seeing the proofs containing any corrections charged against him.

(c) When a reader is not employed on any shift or is employed for a part of a shift only, and proofs as a consequence are not available to a machine compositor for correction, the house shall correct such proofs and make no charge against the machine compositor.
